Message from the Headmaster

Vision and Values

Vision

Our vision is to be an exceptional community of learning.

Values

Truth

We pursue truth that we might live lives of integrity; we are led by truth to engage with God, the world and others with courage and kindness.

Respect

We value each person and their place in the rich web of life.

Service

We understand that the world is a community in which order and wisdom must prevail to serve life for all beings in a sustainable way; St Peter's College seeks to serve the needs of our wider community.

SPSC Customs and Practices video

The staff, students and I look forward to welcoming you and your family into the School in 2024.

At St Peter's College we believe in a holistic approach to education. We are educating minds, building healthy bodies and nourishing spirits. We achieve this through our strong, inclusive Anglican ethos, through the delivery of a robust academic curriculum, and through the diverse range of co-curricular activities that embrace a wide variety of sports, outdoor education, the creative and performing arts and other stimulating programs. We have a long tradition of success in providing a truly rounded education that prepares students to seize the opportunities and manage the uncertainties that inevitably lie ahead.

'Pushing the Boundaries' is a well-researched Outdoor Education Program designed to enrich the students' spirit and broaden the depth of their experiences within a natural environment. I ask each student to embrace this experience to develop his personal attributes of courage, grit, determination, passion, endurance, commitment and integrity.

You can be confident that in coming to St Peter's College you have chosen a school where we have outstanding teachers who understand the specific needs of boys, where boys are allowed to be themselves and where all the right behaviours and attributes of both learning and respectful relationships are normalised. We know how best to engage students, and we know how to enthuse them. Each student is nurtured and cherished for the contribution he makes to the broader school community. We take pride in knowing each student in the School and we value every individual and his unique qualities. We understand how best to encourage him to discover

and develop his gifts, talents and true strength of character.

Learning is not simply an academic pursuit, it is a skill for living life in its fullness. Learning happens within cultural expectations and norms. We all bring distinctive cultural emphasises from our family history, traditions, customs, ethnicity and religion which enrich our School. St Peter's College's distinctive culture has grown and developed through the lives of past students and staff. Part of your son's education at SPSC is unwritten; rather, it is passed down through generations and these learnings – our customs and practices – will benefit your son in all areas of his life long after he leaves the School. I encourage you to watch the Customs and Practices introductory video and take the opportunity to access the associated tutorials on Keystone (scan QR code left).

I hope you find the information contained in this booklet a helpful guide that addresses any remaining questions you may have as you prepare to join the School.

I am sure you will settle into life at St Peter's College and all it has to offer as we strive to be an exceptional community of learning.

Tim Browning | Headmaster

Welcome to the Senior School

With around 1,000 students from Years 7 to 12, including 100 boarders, the Senior School is a busy and vibrant place and a supportive community for all.

Students pursue interests and talents both in and out of the classroom, supported by both each other and a committed team of staff.

St Peter's College prides itself on its offer of a broad education and academic rigour. Students have the opportunity to learn from a passionate team of teachers in an inspiring environment, one that reflects our history as much as our drive to be an exceptional community of learning. The School strikes a balance between core subjects and an exciting program of electives, which adapts with the interests of each cohort, appropriately

allowing student voice to influence and secure authentic engagement in the learning process. We also lead an open-minded approach to student progress, and we are active in supporting and facilitating accelerated learning wherever appropriate.

At St Peter's College, we believe relationships and engagement are as important for student wellbeing as they are for learning. Driven by our values of truth, respect and service, our students are confident to show their best efforts, contribute positively to our respectful culture and make decisions in support of others. Outstanding pastoral care underpins everything we do and ensures that our families feel a strong and supportive sense of belonging.

Welcome to St Peter's College.

Pastoral Care

House system

Upon commencement at St Peter's College every student is allocated a House, each of which is led and guided by the Head of House. Houses are the fundamental units in the pastoral care system at the School. Each student is part of a House, to which he can give his loyalty and from which he can receive guidance and encouragement.

In Years 7 and 8 (Middle Years) students are part of Mentor classes with other students from their year level. In Years 9 to 12 (Senior Years) students are organised into smaller groups, known as Mentor groups, under the care of a House Mentor. Our House system promotes the social, academic, spiritual and emotional wellbeing of each student.

The House system provides many opportunities for students to participate in annual traditions and community activities enhancing a sense of belonging and camaraderie. Friendships formed by the students during House activities often last a lifetime.

For students in Years 7 and 8, the Mentor is the first point of contact. The Mentor, Year Level Coordinator and Head of Middle Years collaborate to support students.

In Years 9 to 12, the Mentor and Head of House are the first points of contact for students and parents. The Mentor, Head of House and Head of Senior School take a collaborative approach in guiding and supporting each student.

Chapel program

Through our Chapel program students are encouraged to develop an appreciation of the role that spirituality has in wellbeing. This is an inclusive program, focused on encouraging thoughtful engagement and meditation. We impart our Anglican values directly through our House Chapel Services, School Musters, and indirectly through the role-modelling of our teachers and through the celebration of students past and present who have represented these values to all.

Academic Program

We want every student to commit to being a creative, open-minded, life-long learner who can use failure as a tool for growth.

Importantly, every student is responsible for his own learning. Teachers work with every student to enable him to show independence of thought, develop intellectual tenacity and to understand himself as a learner.

From Years 7 to 12, students are challenged, inspired and nurtured through both a rich and diverse curriculum and through evidence-based, innovative teaching. Opportunities are provided for students to come to know the world through different perspectives, represented by subjects within eight faculties:

- The Arts (Visual and Performing)
- English
- Personal Development (Health and Physical - Education, Religious and Values Education, Wellbeing)
- Humanities
- Languages (including English as an additional language)
- Mathematics
- Science
- Technology

Course structure

Years 7 to 8: A broad, liberal education

During the first two years of the Senior School, students study a broad range of subjects with no early specialisation. Students choose one 'Language other than English' (LOTE), selecting from Chinese (Mandarin), Chinese Language and Literature or French. Arts and Humanities subjects are compulsory, offering the broadest possible base on which students can build their aspirations as learners. Students are also invited to take part, where appropriate, in our Micro Credential Program.

Years 9 to 10: Electivity and learner agency

In Year 9, students are still required to study a language. Beyond these constraints, students are free to choose from a wide range of bespoke, semesterised, elective subjects that speak to the values of student passion and interdisciplinary learning. Beyond this, some Year 10 electives offer accelerative possibilities for appropriate South Australian Certificate of Education (SACE) candidates.

The curriculum at St Peter's College provides opportunities for every student to be educated to take their place in the world as informed, active, responsible citizens, often in positions of leadership in the community.

Whereas students study Science as a single subject in Years 7 to 9, in Year 10 the Science program divides into three specialised subjects – Biology, Physics and Chemistry. Students study each subject for a trimester (approximately 11 weeks each).

Students in Years 9 and 10 also begin to prepare themselves for the SACE. Our 'stage not age' approach means that some students in Years 9 and 10 may have the opportunity to study courses and material beyond their year level. Students are also invited to take part, where appropriate, in our Micro Credential Program.

Years 11 and 12: Acceleration and moving beyond the ATAR

Learning in Years 7 to 10 is designed to provide a firm basis for success in the SACE.

The School offers over 25 SACE subjects, in six different areas, to enable students to select a course of study in keeping with their abilities and interests. All three languages (Chinese, French and German) are offered in Years 11 and 12 in the SACE.

Students should note that most SACE Year 12 subjects are now offered in Year 11 for learners in need of acceleration and enrichment. This approach also means that many senior classes will operate on a 'stage not age' basis. Heads of Faculty will determine applicants' suitability for each class, remembering that one size never fits all in education. Successful acceleration candidates will do more in Year 12 than simply prepare for their remaining assessments.

Where appropriate, the School guides learners through our University Studies courses, allowing students to begin studying university degree courses before they have finished Year 12. Additionally students will be able, where appropriate, to engage meaningfully with a range of workplace, entrepreneurial, creative and micro-credentialled opportunities offered in their final year. Students should begin immersing themselves in the real world as they near the end of their secondary education. More information on the SACE can be found in the Senior School Curriculum Guide.

Uni@SPSC

The School also teaches a number of University subjects onsite, using tertiary-vetted SPSC teachers to guide Year 12 boys through Pre-Philosophy, Pre-Law and Pre-Medicine streams. The School also mentors learners through various university subjects outside the onsite program. This program allows boys to challenge themselves intellectually and begin studying university degree courses before they have finished Year 12.

Catering to diverse learning needs

All students are different and learn differently. Curriculum content or speed of lesson presentation is varied to reflect the particular needs of a class group. Subject teacher planning is flexible in recognising the needs of all students as individuals and ensuring progression and relevance. However, students whose needs are truly exceptional require enhanced provisions to enable them to fulfil their potential.

There are provisions made across the Senior School for both enrichment and reinforcement in the curriculum. Students who have a diagnosed learning disability or difficulty may be eligible for Curriculum Support which provides support through several methods. Students may be on an Individual Learning Plan or be provided with in-class support. Students who require more intensive support may meet the criteria to be eligible for Curriculum Support Class (Years 7 to 10). These classes are smaller and allow for more individual attention.

Students who are recognised as being highly able will have access to a wide range of enrichment opportunities. Beyond acceleration, some subjects feature streamed classes and many electives are tailored to students who are particularly able in certain areas. Faculties and the Diverse Learning Needs team may identify and work in different ways with truly exceptional learners in an effort to challenge them beyond the school, state and national standards.

Information, communication and learning technologies

MacBook Program

All students from Years 7 to 12 participate in an Information and Communication Learning Technology (ICLT) MacBook program as part of their enrolment. This program requires all students in these year levels to purchase their own MacBook. These are the only laptops compatible with this program.

If your son does not have a MacBook

Families are free to choose any new model of MacBook. Specifications worth considering are the device's weight, size, storage capacity and cost. We recommend you purchase no larger than a 13" MacBook.

Option A: purchasing from St Peter's College ICLT online store

To assist in providing affordable and ready access to Apple technology, the School has partnered with an Apple reseller.

The order process is done entirely online, with the device delivered directly to the School to be configured, after which the Keystone Support staff will contact you to arrange collection. The ICLT online store includes a range of MacBooks. There is also the opportunity to purchase other optional devices such as backup drives and laptop cases.

The School prefers that you purchase through this portal as it offers competitive pricing and excellent insurance options.

Devices purchased for Years 7 and 8 will be available for collection on Day Zero (Monday 30 January). Devices for Year 9 to 11 will be available between Monday 22 and Thursday 25 January.

Option B: purchasing from another vendor

If you decide to purchase the device from another vendor, please bring your device to Keystone for configuration. You will then be contacted by the Keystone Support staff to arrange a time to return and collect the device.

If your son already has a MacBook

To ensure the device is ready for use in our teaching and learning program for Term 1, we must ensure the systems and settings have been configured to integrate with the St Peter's College network. This will allow your son to connect to printers, the wireless network and access subject specific software.

As part of this process, all the files and software stored on the device may be erased. Please make sure you or your son backup and save any data he wishes to retain.

Apple Repair Centre

In the event that your son's MacBook requires repairs, the School provides servicing and repairs through an authorised Apple Repair Centre. This service can be accessed via the Keystone Support Centre.

Insurance and warranty

It is your responsibility to repair or replace a malfunctioning MacBook. The School recommends that you consider the CompNow laptop insurance when purchasing your device. The laptop insurance provides three years coverage for accidental loss, accidental damage, liquid spills and loss or damage by theft or attempted theft.

Software supplied by the School

Software provided by the School includes Microsoft Office, iWork and a range of general-purpose applications and utilities. This software can be accessed via the School network once the machine has been configured during the set-up session. Any software required for the teaching and learning program will be provided at no additional charge.

Laptop bags or sleeves

A bag, hard case or sleeve is required for the device. While we allow the use of bags, they must be in the form of a slim line lap top bag to suit laptops to 13".

Keystone

Keystone is the learning, information and communication platform developed by St Peter's College.

It is in Keystone that the School's events, processes and information are communicated. Importantly, Keystone is also the digital platform that records student's academic, co-curricular and personal development.

Navigating Keystone

Keystone is an innovative, dynamic website that contains dozens of useful tools for the School's many different processes and activities. Each tool is represented by a labelled tile, and users will be presented with a suite of default tiles based on their individual needs.

Getting started

The Keystone URL is <https://keystone.stpeters.sa.edu.au>
You will need your Keystone ID and password in order to log in.

Menu bar

The menu icon reveals all the Keystone tiles, sorted into drop-down categories. If you are seeking a tile that is not on your dashboard, you can find it in the menu.

Searching for tiles

Search for tiles or other Keystone content in the search tool, denoted by the icon of a magnifying glass. Start typing the name of a tile to find it.

Customised dashboard

While Keystone pre-selects tiles for your dashboard, you can also customise it. Press the menu bar to start customising, then add, remove or rearrange tiles at will.

Searching for people

Find contact details of individuals and groups within the School community.

Keystone tiles

Among the many tiles available within Keystone, the following are particularly useful for most users:

My Details

Update the personal details that the School holds about you and your son, including emergency contact details.

My Tasks

A tool for recording, tracking and submitting homework tasks allocated to your son.

Photography Consent Form

An online form granting permission for your son's photo to be used in School publications such as St Peter's College, Magazine and social media.

My Photos

Photos that capture all aspects of student life from in-classroom learning and co-curricular activities through to School events, music and sports.

Student Medical Details

An online form for parents to keep their son's medical information up to date to ensure that he is able to safely attend School activities, camps and excursions.

Financial Information

Update your banking information and view your current fees balance, transactions and print receipts.

Lunch and Online Orders

Place your son's lunch orders in advance or recharge your son's lunch card for purchases while at School.

Music Timetable and My Music Diary

Enrol your son in instrumental music lessons and check his lesson timetable, plus view weekly updates on your son's progress with the online Music Diary.

Sports Choices

An online form for students to choose which sports they will play each term and a portal for parents to login and review their son's request.

Sport Zone

Access sporting event information for the entire sporting program. Discover your son's upcoming sporting fixtures, sports reports and his past results.

Community Directory

A searchable archive of contact details of parents and students at the School.

ICLT Online Store

Purchase hardware through our online store.

School Calendar

A searchable list of every official event in the School Calendar, displaying updates in real time.

My Teachers

Find your son's teachers and their contact details at a glance.

Learning Curve

The latest detailed information regarding your son's academic performance and progress. Parents can view upcoming assessments, review how he has performed at specific skills and knowledge, and see his overall grades. Data is published throughout the year in real time.

My Timetable

An easy-to-use, updated display of your son's academic timetable.

My Actions

An archive of merits, notifications and concerns generated by staff about your son, to help you engage with and reflect with your son about his achievements, progress and challenges.

Keystone Support Centre

Get in touch with the Keystone Support Centre to register technical issues regarding your son's device and operational concerns about Keystone. We also welcome feedback and suggestions regarding Keystone.

You may also contact the Keystone Support Centre
T: +61 8404 0444 or
E: keystone@stpeters.sa.edu.au

Boarding

Up to 100 boarders call the School home for 38 weeks of the year.

They are supported by qualified and dedicated boarding staff who provide the necessary support for the students in their care.

The boarding staff supervise students during out-of-school hours and provide pastoral and academic support. Senior boarding staff are teachers at the School and are in constant communication with the boarders' mentors and class teachers to ensure they are accessing the necessary support.

We recognise that all students are unique and respond to the challenges of living away from home in different ways. Led by our Director of Boarding, our staffing structure ensures students always have someone to speak to while also encouraging students to develop independence.

The health and wellbeing of our boarders is our primary concern, and we encourage students and parents to make contact should any concerns arise.

A significant amount of thought and planning is put into the staffing of our Boarding House. This is to ensure all students are well supervised and are able to access a staff member for any questions or concerns they may have. There is always a minimum of two live-in staff on duty who are directly accessible by students. Furthermore, during supervised study periods we have dedicated learning support assistance and additional tutoring staff are accessible to provide flexibility in offering small group and one-on-one academic assistance when required. Out of hours, the boarding students are provided with a comprehensive and engaging program. Emphasis is placed on combining exciting activities with a meaningful 'life skill' curriculum and to developing meaningful relationships and independence.

Each night a staff member resides in a dedicated overnight room, so that students have a single location to go to during the night should they need support or feel unwell.

The Director of Boarding and Heads of House also live on School grounds in close proximity to the Boarding House and are accessible to students whenever they are needed.

Outdoor Education

Outdoor Education is a fundamental, memorable and compulsory component of the St Peter's College Senior School experience.

Students are encouraged and supported to expand their capabilities and extend their skills in group outdoor activities. Students learn about our wonderful South Australian natural environment, explore the indigenous connections to the land and consider personal journeys in connection with the journey of others. Many students reflect on their Outdoor Education journeys as a turning point in their growth and development.

Our Pushing the Boundaries sequential program consists of the following elements for all students in Years 7 to 10:

Year 7

An overnight lead-in program at our Outdoor Education campus at Finniss to prepare students for their expedition. A five-day journey in small groups with a focus on bush craft and community living.

Year 8

An overnight lead-in program based at Finniss to prepare students for their expedition. A five-day journey in small groups exploring the Adelaide Hills and Fleurieu Peninsula.

Year 9

A seven-day journey in small groups exploring wilderness areas of the Yorke Peninsula. This program is focused on building confidence around sense of self, self-reliance and personal responsibility.

Year 10

Peak experience – our 21 Day Journey is an extended wilderness program at the end of Semester 1. Students, in small expedition groups, complete an epic journey through the Flinders Ranges.

Exploration Society (ES)

An opportunity for students in Years 7 to 12 to engage in outdoor activities with our Outdoor Education staff in school holiday periods and throughout the year. ES can be used as an opportunity to build confidence and skills in preparation for our Pushing the Boundaries program, or as an opportunity to stretch and extend. A list of expeditions and activities can be found on the Outdoor Education tile on Keystone.

Sport

Sport and co-curricular activities are integral to the St Peter's College educational experience.

We provide exceptional facilities, coaches and programs to support every student in developing their knowledge, skills and abilities necessary for a successful life.

The relationships developed through our comprehensive program are helpful in promoting enjoyment, learning and community. The School participates in interschool matches each week while interstate and overseas trips enhance the calendar. Our programs have enabled talented students to be selected at state, national and international levels. Traditional Intercol competitions between St Peter's College and Prince Alfred College are also held for summer and winter sports at the culmination of each season.

We look forward to welcoming each new student into our community of sports.

Sports choice

St Peter's College has a compulsory sports policy. Please refer to the table below for information about the requirements for each year level.

Students who play club sport are expected to manage club sport commitments (and any academy or state level of commitment) alongside their school sport commitments. If school and club sessions clash, school sport should take priority. However, the School will always aim to ensure that students honour and manage all their sporting commitments in a safe and responsible manner.

Making choices via Keystone

- All students in Years 7 to 12 must select a primary sport for each term. This choice is placed in the space labelled 'primary sport'. However, Year 12 students will usually put 'no selection' in the Term 4 'primary sport' space due to Term 4 examinations.
- Some students may wish to play both a primary sport and an additional sport. The additional sport must play matches on different days to the primary sport. This choice may be entered in the space labelled 'additional sport'. Please note that if a student chooses an additional sport his full commitment to both, including practice, is essential. We recommend that Year 7 students do not choose an additional sport. The coach will tend to select 'primary sport' students in preference to 'additional sport' students to ensure everyone plays at least one sport each week.
- Students will generally practice twice a week, in the afternoons, however some sports train in the morning from 6.45am. Refer to the individual sport summaries that follow, as practice days and match days differ for some sports.
- Once a student puts his name down for a sport he is expected to attend all practices and, if chosen in a team, all matches.
- Cross reference the sport choices with music tuition and co-curricular activities and societies to ensure sport choices do not conflict with other commitments.
- Teams are entered for the Sports Association for Adelaide Schools (SAAS) competitions, based upon the number of students who choose a particular sport. A student will not be permitted to change his sport during the season unless there are exceptional circumstances. In this case, the student must first consult with the Director of Sport and HPE.
- Because of limitations imposed by grounds, and the number of other schools participating in a particular sport, it may not be possible for all students to represent the School on a regular basis in their chosen sport. This may then create a rostering/rotation of players. Attempts will always be made to place a student in his preferred school team.

Sports queries can be made directly to the sports department on
T: +61 8 8404 0439 or
E: sports@stpeters.sa.edu.au.

Summary of sports choices

Years 7 to 9, 2024	Must choose a summer sport	Must choose a winter sport	Can choose additional sports, co-curricular and/or societies
Year 10, 2024	Must choose a summer or winter sport	Must choose a second sport or debating/chess	Can choose additional sports, co-curricular and/or societies
Year 11, 2024	Must choose a summer or winter sport	Must choose a second sport or debating/chess	Can choose additional sports, co-curricular and/or societies
Year 12, 2024	Must choose one sport	Can choose additional sports, co-curricular and/or societies	

There are limited places available in some sports. Training sessions are correct at time of publication, but are subject to change. Please contact the sports department directly for more information.

Summer sports information

Terms 1 and 4, 2024

Athletics

Athletics can be chosen as either a primary or additional sport in conjunction with another summer sport. Our sport has much to offer the overall athletic development of all students. Students choosing Athletics as their primary sport, compete in both interschool and interclub competitions.

During school holiday breaks, if desired, clear pathways exist in all disciplines of the sport for students to continue with group training sessions and Athletics SA interclub competitions. The pursuit of National Qualifying Standards allowing for competing at Athletics Australia National Championships is strongly supported.

A High-Performance Athlete Development Program, inclusive of regular sessions led by a Sport Psychologist, Sport Dietitian and Strength and Conditioning Coaches, has been established to support those who achieve National Qualifying Standards.

Uniform

St Peter's College Athletics singlet and white School sports shorts.

Training

Trainings are held Monday and Thursday 3.45pm to 5.00pm. Speed@Saints and Running Club provide additional sessions to the Athletics program.

All students must attend Thursday's training to assist with preparation for the weekend's competition.

Competition

Saturday 12pm.

Location

SA Athletics Stadium, Mile End.

Transport

Individual's responsibility.

Badminton

Badminton is a successful and popular sport at St Peter's College. The Badminton program at St Peter's College caters for all students, offering participation opportunities for students looking for fun, more technical coaching for students looking to develop their skills and advanced training for students pursuing state/national representation. Badminton training sessions usually run in the off season (Terms 2 and 3) and a variety of holiday clinics are also offered.

Uniform

School PE uniform. Open A shirts can be purchased from the Uniform Shop.

Equipment

Students are to provide their own racquet.

Training

Training times are largely dependent on facilities. Training will take place in either the Burchnall Sports Centre or the Junior School Sports Hall and can be either morning (7.00am-8.15am) or afternoon (3.45pm-5pm or 5pm-6pm). Where possible Middle Years teams train on Mondays and Wednesdays and Open teams train on Tuesdays and Thursdays.

Open A team/s – three sessions per week.

Middle teams – one to two sessions per week.

All other teams – one session per week.

Competition

Saturday mornings, 8.00am, 9.30am or 11.00am start times.

Open teams usually play at 8.00am or 9.30am. Middle teams at 9.30am or 11.00am, dependent on facilities.

Open A and Middle A teams – Minimum six players per team. Students play one singles and one doubles match, best of three sets to 21 points. Match duration is approximately 90 minutes.

All other teams – Minimum eight players per team. Students play one singles and one doubles match, best of three sets to 21 points. Match duration is approximately 90 minutes.

Locations: Various school venues.

Transport: Individual's responsibility.

St Peter's College also enters Open and Middle teams into the State Knockout Competition each year.

The School has strong connections with local clubs and state/national associations providing students with many competition opportunities outside of school to pursue their aspirations in the sport.

Cricket

Cricket at St Peter's College has been running for over 140 years. With over 15 teams in the Senior School and eight teams in the Junior School, St Peter's College Cricket is for students of all ages and experience. The program offers national and international tours, Junior School skill programs, holiday clinics and several development squad programs. The aim of the cricket program is to create an environment where training and games emphasise fun and participation, enhance skill development, and further advance a player's ability to make decisions and work cooperatively as a team on and off the field.

Uniform

St Peter's College white cricket top and white cricket pants (no creams). The School's white cricket hat or blue cricket cap. The School's short or long sleeve training top (preferred) or the School PE uniform must be worn to all training.

Equipment

Cricketers are advised to wear spiked cricket shoes on turf pitches and all players must provide their own protectors. Helmets are compulsory and should be part of each player's kit.

Training

Twice per week from 3.45pm – 5.00pm.

Competition

Years 7 to 9 on Saturday morning.

Years 10 to 12 Saturday morning/afternoon.

Match length

Three to six hours depending on level.

Location

Various school venues.

Transport

Individual's responsibility.

Rowing

St Peter's College has a long and successful history of rowing. There is a focus on team work, respect, resilience, ownership, time management, core strength and technique. The program is challenging and rewarding; part-time participation is not possible.

The racing season for rowing starts in Term 4 and continues in Term 1 of the following year. An introductory program is available in Term 1 for students in Year 7 and older students who are new to the School. All rowers participate in the rowing camp at Finniss prior to the start of the School year.

For the 2024 calendar camp dates are:

Juniors Years 8 to 9 Finniss Camp
Thursday 25 January – Sunday 28 January

Intermediates Year 10 Finniss Camp
Thursday 17 January – Sunday 21 January

Year 10 selected students travel to the National Rowing Championships in NSW, Sydney International Rowing Centre
Monday 18 March - Sunday 24 March

Seniors Years 11 to 12 Finniss Camp
Monday 15 January – Sunday 21 January

Years 11 to 12 selected students travel to the National Rowing Championships in NSW, Sydney International Rowing Centre
Monday 18 March - Sunday 24 March

Uniform

St Peter's College zoot suit, long sleeve body hugger top and St Peter's College rowing cap. St Peter's College sports uniform or athletics singlets are to be worn for ergo training and gym sessions.

Training

Junior and intermediate squads train twice a week on the water. Senior squads have three water sessions per week. Gym sessions for strength, conditioning and fitness take place during the week.

Competition

Regattas are held on Saturdays in Terms 4 and 1.

Rowing SA administers the regatta schedule:

<http://sa.rowingmanager.com>

If there is no regatta, squads train on the water.

Locations

West Lakes or River Torrens for racing and water sessions, St Peter's College gym for indoor sessions.

Transport

Individual's responsibility weekends only. Bus provided during the week and for camps.

2024 Intercol

Rowing Intercol (Head of the River) Ramsay Regatta Course, West Lakes Saturday 16 March 2024.

2024 Australian Rowing Championships

NSW, Sydney International Rowing Centre, Monday 18 March - Sunday 24 March 2024

Sailing

St Peter's College participates in the School's Team Sailing competition and competes against a wide variety of other schools. No matter if you are an expert sailor or a novice, we will teach you to sail if you are interested. We have a focus on team work and learning and perfecting sailing skill. Team Sailing is regularly described as "chess on water" where strategy, tactics and ability combine to ensure fast and exciting races.

Uniform

St Peter's College sailing cap/hat, white rashie and clothing that can get wet. School sailing jacket and appropriate salt water rashie can be organised through the sailing committee.

Equipment

Personal Floatation Device (PFD) level 50+ is a compulsory requirement for sailing. Spray jackets, water shoes, and other specialised clothing options are also recommended. Further information and options can be organised through the sailing committee.

Training

Training is twice per week after school at the Adelaide Sailing Club at West Beach. Bus transport is provided for students to and from the club.

Optional additional sailing program with Adelaide Sailing Club in summer holidays for keen sailors (more information provided towards the end of year).

Competition

Competition season in Term 1 with three regattas on a Sunday, with the State Championships at Goolwa over three days.

Locations

Date to be confirmed during season.

Transport

For weekday trainings a minibus leaves school at 3:45pm from the Hackney Road car park and returns at approximately 7.30pm. For weekend trainings and regattas, private transport must be arranged.

Tennis

Tennis at St Peter's College has been offered to students for over 125 years. The Senior School has 17 teams with trainings during the week and competition on Saturdays. The program offers skills development and provides School holiday clinics and development squad programs, as well as opportunities for students to compete at National competitions.

The aim of the tennis program is to create an environment where training and games emphasise fun, encourage participation and enhance skill development. Tennis is a unique sport as each player learns to compete individually and in a team.

Tennis teams comprise six players at A team level and eight players at B and C team level. Years 7, 8 and 9 compete together in the middle age group. Years 10, 11 and 12 compete together in the Senior age group.

Uniform

St Peter's College PE uniform and cap for practice and matches.

Equipment

Students provide their own racquet.

Training

Years 7 to 9 practice Monday or Wednesday morning or afternoon.

Years 10 to 12 practice Tuesday and/or Thursday afternoon.

Competition

Saturday mornings.

Game length

Two hours.

Locations

Hatswell Street and Avenue courts or other school venues.

Transport

Individual's responsibility.

Volleyball

Students involved in other sports may choose volleyball as an additional sport if commitments and numbers allow.

Uniform

Years 7 to 9, St Peter's College PE uniform, white socks and non-marking trainers.

Years 10 to 12, St Peter's College volleyball top, white shorts, white socks, and non-marking trainers. First VI players wear the First VI volleyball top (numbered), with blue shorts.

Training

Years 7 to 9 and some Year 10s train on Monday and Wednesday.

Years 11 to 12 and some Year 10s train on Tuesday and Thursday.

Competition

Friday afternoons.

Game length

One hour.

Locations

Burchnall Sports Centre and other school venues.

Transport

Individual's responsibility.

Water Polo

Students selecting water polo may be selected to compete in the Interschool's Swimming Competition (Term 1 only). Students involved in other sports may choose water polo as a second sport if commitments and numbers allow.

Uniform

School bathers and cap.

First VII players wear the First VII Water Polo bathers.

Training

Years 7 and 8 train Monday afternoon and Wednesday morning.

Year 9s train Monday morning and Wednesday morning.

Open C squad train Tuesday afternoon and Thursday afternoon.

Open A/B squad train Tuesday morning and Thursday morning.

Competition

Friday afternoons 4.00pm – 6.30pm.

Match length

25 minutes.

Locations

St Peter's College, Pembroke School and Adelaide Aquatic Centre (North Adelaide).

Transport

Individual's responsibility.

Swimming

St Peter's College offers a swimming program that runs throughout the year. A professional coach delivers the program and students have the option to select this as a second sport.

Uniform

School bathers, School jammers and cap.

Training

Wednesday 3.45pm – 5.30pm (Term 4),

Friday 6.30am – 8.00am. Subject to change.

Competition

Wednesdays 3.45pm – 5.00pm (Term 1).

The School swimming team will be selected by performance at swim trials and at the House Swimming Carnival.

The swim team competes in the SAAS competition and the School Sport SA Championships which is held at the SA Aquatic and Leisure Centre, Marion in March.

Location

Burchnall Sports Centre.

Extreme weather guidelines

Co-curricular activities play an important role in our quest to provide students an exceptional community of learning. At times the co-curricular learning environment may be impacted by extreme weather conditions. As a School we prepare in advance to manage these circumstances.

In recognising the importance of students engaging in co-curricular activities and a desire to provide parents with certainty around pick-up times so they can plan accordingly, our Extreme Weather Policy has been updated.

First and foremost, our priority is to provide a safe learning environment for all students and staff. As such our policy details the actions to be taken when an extreme weather event impacts sports training and/or competition.

Sports training

Rather than rely on a predicted temperature or forecast conditions, a decision regarding sports training will be made in real time when the actual weather conditions can be assessed. Reasonable effort will be made to ensure training sessions go ahead as planned. In the case of extreme weather, coaches and staff will modify the session and/or relocate activities inside. Unless otherwise advised, parents should plan to pick up their son at the regular conclusion time of after school activities.

Sports competition

Sports competitions are governed by various associations and in negotiation between schools. In the case of extreme weather, reasonable effort will be made to reschedule or adjust competition fixtures to maximise participation. Extreme weather policies between schools can vary so parents and students should check Sport Zone carefully for match details and any information regarding cancellations or adjustments to fixtures.

Cancellations due to other weather conditions

The SAAS Executive Officer in consultation with the Chair of the Executive may issue a blanket cancellation when weather conditions across the metropolitan area are considered to be so extreme as to warrant such a cancellation.

It is recognised that extreme weather conditions (hail, lightning, rain, thunderstorms, wind gusts etc) could impact upon proceeding with games.

Fixtures may be cancelled by either participating school if deemed necessary.

For further information and clarification of SAAS rules and guidelines visit saas.asn.au.

Winter sports information

Terms 2 and 3, 2024

Basketball

The St Peter's College Basketball Program began in 1957 and is the largest basketball program in South Australia. With 20 teams in the Senior School, St Peter's College competes in a wide variety of tournaments and competitions.

Senior School games are played on Saturday and each year our Open 1st Team competes in the Open A1 competition, which offers qualifying teams the chance to participate in the state knockout tournament.

Students who are selected for our Middle First team and Open 1st team compete in an annual tournament with Shore Grammar in Sydney, with each school hosting the tournament in alternate years.

In addition to weekly training, students are also offered school holiday basketball camps which take place during Term 1, Term 2 and Term 3 holidays. These camps include a range of basketball topics with classroom sessions between on court sessions, including basketball video presentations of on-court learning concepts, nutrition for basketball, and basketball pathways information. A range of extra sessions are also offered during and outside the regular season.

Basketball is available to students of all ages and ability levels. Trainings will vary depending on the number of teams and as facilities demand.

Uniform

St Peter's College Basketball singlet, shorts and optional training singlet.

Training

Trainings take place before and after school, Monday to Friday. With optional extra sessions throughout the season. Currently depending on squad placement, trainings include: Year 7 train Monday afternoons.

Years 8 to 9 train Monday mornings, Wednesday mornings and afternoons, and Friday afternoons

Years 10 to 12 train Tuesday mornings, Tuesday afternoons and Thursday afternoons.

The Open and Middle 1st and 2nd squads are expected to train twice a week. All other teams train once per week.

Competition

Saturday mornings. Friday afternoons (Year 7 only).

Match length

One hour.

Locations

Various school venues.

Transport

Individual's responsibility.

Chess

(Additional sports choice only for Years 7 to 9)

Senior School students play in the South Australian Junior Chess League (SAJCL). Chess is available to students at all age levels and capability. Students compete in Divisions 1, 2 and 3 with multiple teams in each division.

Uniform

Full blazer uniform.

Practice

Monday and Wednesday mornings in Room MIL-GF19 & 04

Competition

All divisions Friday evenings between 7.00pm – 10.00pm.

Location

Chess Centre, 10 Ranelagh St, Adelaide.

Transport

Individual's responsibility.

Cross Country

Cross Country can be chosen as either a primary or additional sport in conjunction with another winter sport. Students selecting Cross Country as their primary sport, compete weekly in a mid-week interschool competition (SAAS) and are expected to compete in the mid-week Secondary School Sport SA (SSSSA) State Championships. During school holiday breaks, if desired, clear pathways exist for students to continue with group training sessions and Athletics SA interclub competitions. The pursuit of selection in either the State Secondary Schools Team or the Athletics SA State Team to compete at National Championships is strongly supported. A High-Performance Athlete Development Program, inclusive of regular sessions led by a Sport Psychologist, Sport Dietitian and Strength and Conditioning Coaches, has been established to support those who achieve selection.

Uniform

St Peter's College athletics singlet and white sports shorts.

Training

Monday afternoons 3.45pm to 5pm and Friday mornings 7.00am to 8.00am, the latter, in conjunction with the Saints 'Running Club'.

Attendance at Tuesday morning Running Club 7.00am to 8.00am is an option to one of the sessions outlined above.

Competition

Wednesdays 4.30pm – 5.30pm.

Locations

Varies with differing schools programmed to host events.

Transport

Bus transport to and from competition.

Debating

(Additional sports choice only for Years 7 to 9)

St Peter's College participates in the South Australian Debating Association (SADA) Schools' competition. Debating offers students from all year levels in the Senior School the opportunity to be challenged, engaged and ultimately rewarded with improved skills in public speaking. The students develop the ability to think critically, analyse and examine issues, consider differing points of views, and present issues and ideas in a persuasive, objective and logical manner.

Uniform

Full blazer uniform.

Training

One lunchtime meeting per week.

Competition

Five minor round debates are held during Terms 2 and 3. Junior/Intermediate B Grade (Years 7 to 9) on Tuesday evening. Intermediate A Grades (Year 9 to 10) on Thursday evening. Senior Debates (Years 10 to 12) on Wednesday evening.

Debate length

Approximately 60 minutes for Junior/Intermediate Grades. Approximately 90 minutes for Senior Grades.

Locations

Set venues depending on grade.

Transport

Individual's responsibility.

Football

Football is available to students at all age levels. Students are placed into a practice squad and are expected to attend all training sessions.

Uniform

St Peter's College football guernsey, royal blue shorts and socks. A football training top is also required to be worn at all training sessions. A mouthguard is compulsory. The Neomorph mouldable mouthguard is available from the Uniform Shop. These specialty mouthguards are made for use with or without orthodontics and can be remoulded to adjust for moving teeth while conforming around but not adhering to orthodontic appliances.

Training

Years 7 to 9 train on Monday and Wednesday afternoons. Years 10 to 12 train on Tuesday and Thursday afternoons.

Competition

Years 7 to 10 are held on Saturday mornings. Years 11 to 12 are held on Saturday afternoons.

Match length

Years 7 to 10, games are 72 minutes. The 1st, 2nd and 3rd XVIII teams, games are 100 minutes.

Locations

Various school venues.

Transport

Individual's responsibility.

Hockey

St Peter's College participates in the SAAS hockey competition. Years 7 to 9 are permitted to play in the hockey 1st XI team if selected.

Uniform

St Peter's College hockey top, white shorts and royal blue socks. Long sleeve School training top is optional for all year levels but compulsory for the 1st XI squad. 1st team kit to be purchased from the Uniform Shop. A mouthguard and shin guards are compulsory. The Neomorph mouldable mouthguard is available from the Uniform Shop. These specialty mouthguards are made for use with or without orthodontics and can be remoulded to adjust for moving teeth while conforming around but not adhering to orthodontic appliances.

Equipment

Students provide their own shin guards and hockey stick and are compulsory at both training and matches.

Training

Middle School trains Mondays 3.45pm – 5.00pm. Senior School trains Tuesdays 3.45pm – 5.00pm and Thursdays 3.45pm – 5.00pm.

Competition

Years 7 to 9 matches are held on Wednesday afternoons. Years 10 to 12 matches are held on Saturday mornings.

Match length

Middle School: 2 x 25 minute halves. Senior School: 2 x 30 minute halves.

Locations

Various school venues.

Transport

Individual's responsibility.

Pedal Prix

Pedal Prix is open to students in Years 7 to 12. Small groups of riders compete in a series of endurance races in a purpose built three-wheeled Human Powered Vehicle (HPV). It requires regular endurance training, culminating in three races throughout the year. Races are against other schools from both South Australia and interstate and include a series of endurance races ranging from 6 to 24 hours duration. Accurate information regarding races can be found at www.ahpvss.com.

Uniform

Either St Peter's College PE uniform or Pedal Prix lycra cycling kit. Orders will be placed on a yearly basis. Further details to be provided to Pedal Prix members.

Training

First choice members will be required to complete two sessions a week. Various cardio and strength training sessions in the ergo room and the gym will be available.

Weekday mornings 6.30am – 8.00am

Weekday afternoons 3:45pm – 5:00pm

*Boys will be able to select their preferred sessions prior to season commencement.

In the event of clashes with music and other sport training, alternative arrangements can be discussed. Voluntary in-car training sessions at Victoria Park occur periodically on Saturdays or Sundays, subject to weather and track availability. All novice riders must attend at least one in-car session to demonstrate proficiency prior to being cleared to compete. Please note: training arrangements may change based on the availability of coaching staff.

Competition

Traditionally races include: six-hour race at Victoria Park, eight-hour race at The Bend, 24-hour race at Murray Bridge. Given the race details change regularly, current race details can be found at www.ahpvss.com

Locations

Victoria Park, Adelaide, The Bend Motor Sport Park, Tailem Bend and Murray Bridge street circuits.

Transport

Individual's responsibility.

Rugby

Rugby teams are formed by age groupings. Juniors make up the Under 14 and Under 16 teams. Seniors comprise Under 18 teams.

Uniform

St Peter's College rugby top, white shorts and blue socks. A mouthguard is compulsory. The Neomorph mouldable mouthguard is available from the Uniform Shop. These specialty mouthguards are made for use with or without orthodontics and can be remoulded to adjust for moving teeth while conforming around but not adhering to orthodontic appliances.

Training

U18 and U16 train Monday and Friday afternoons.

U14 train Tuesday afternoons.

Competition

SASRU competition games <https://sa.rugby/schools/sasru>

Junior games (U14 and U16) Thursday afternoons.

Senior games (U18) Wednesday afternoons.

Game length

70 minutes.

Locations

Various grounds.

Transport

Bused to away games and returned to School at the conclusion of the game.

Soccer

Soccer is a popular sport at St Peter's College and is available to students of all abilities. The School fields at least two teams at each age level. Opportunities exist in soccer to tour interstate and overseas regularly and participate in an extremely competitive competition between SAAS Schools.

Uniform

St Peter's College soccer top and shorts. Long sleeve School training top is optional for all year levels but compulsory for the 1st X1 squad. Studded soccer boots and shin guards must be worn at all times in practice and matches.

Training

Years 7 to 9 train on Monday and Wednesday afternoons.

Years 10 to 12 train on Tuesday and Thursday afternoons.

Our 1st XI team trains on Tuesday afternoons and Friday mornings.

Competition

1st XI play Wednesday evenings.

All other games are played on Saturday mornings.

Game length

75 – 90 mins (depending on age).

Locations

Various school venues.

Transport

Individual's responsibility.

Squash

Nominations for the Squash SA High School competition are based on overall participant numbers for each age group. Students involved in other sports may select squash if commitments allow.

Uniform

St Peter's College PE uniform.

Equipment

Students provide their own racquet.

Training

Held at the ARC Campbelltown on Tuesday and Thursday afternoons.

Competition

Friday afternoons 4.00pm – 6.00pm.

Game length

Two hours.

Location/s

Various – PAC, Kensington YMCA and the ARC. Venues determined by Squash SA at the beginning of each season.

Transport

Student's responsibility, however, minibus transport to training sessions will be determined at the beginning of each season on a needs basis. Please note: all transport to venues are one way only and students need to arrange collection from the venue at the conclusion of training or matches.

Table Tennis

Table Tennis is open to all students across the Senior School. St Peter's College participates in the SAAS Table Tennis and Shield competition. Students from any year level are permitted to play in the 1st team if selected.

A and B divisions are held across Years 10 to 12 and A, B and C divisions held across Years 7 to 9. Teams of eight players are selected from the year level squads. Students may also be selected to compete in an internal competition.

Uniform

School PE uniform. Open A shirts can be purchased from the Uniform Shop.

Equipment

Students provide their own bat. It is highly recommended that an approved bat be purchased from the Head Coach.

Training

Takes place in the Green Shed behind the Hackney Road car park. All students will be expected to attend two trainings per week.

Division A trains after school.

Divisions B and C train at lunchtime.

Years 7 to 9 Monday and Wednesday.

Years 10 to 12 Tuesday and Thursday.

Competition

Friday afternoons.

Game length

One hour.

Locations

Burchnall Sports Centre and various other school venues.

Transport

Individual's responsibility.

Sports choice submission procedure

In the Senior School, students select their sports using our online form, and then parents are notified of their son's choices by email.

Please follow these steps to complete the online Sports Choice form.

1. Student logs into Keystone:
<https://keystone.stpeters.sa.edu.au>
2. Under My Keystone click on the **Sport Zone** tile.

3. Once on the Sport Zone page, click on the **Co-curricular Choices Form** button.

4. Complete the Sports Choice form.

Years 7 to 9 primary sport – must choose both a summer and winter sport.

Year 10 primary sport – must choose a summer or winter sport. Must choose a second sport or debating/chess. Can choose additional sports, co-curricular and/or societies.

Year 11 primary sport – must choose one summer or winter sport. Can choose a second sport or debating, chess, music or service learning as their second cocurricular activity. Can choose additional sports co-curricular and/or societies.

Year 12 primary sport – must choose one sport in their final year. Can choose additional sports, co-curricular and/or societies.

Additional sport – additional sports are optional. Should you wish to choose an additional sport, you must fully commit to this sport in addition to your primary sport, including training sessions and matches.

To select an additional sport for summer and/or winter, tick the checkbox in the light blue panel to reveal the sport choices.

What you select for summer (Term 1) will be automatically applied to summer (Term 4).

Should you wish to choose an **additional** sport, you must fully commit to this sport **in addition** to your Primary Sport, including Training Sessions and Matches.

I understand and wish to choose and commit to an additional sport.

5. Click the **Submit** button to submit your sports choices.
6. Parents will be sent a notification email containing their son's sports choices. Sports choices are considered approved by default.
7. If a parent does not wish their son to participate in one of the sports, we ask that they negotiate with their son and for the student to resubmit their sports choices, or please contact the Director of Sport and HPE, Mr Barnaby Eaton on beaton@stpeters.sa.edu.au.
8. If an **Exemption** has been selected for either season, parents must upload a supporting document marked for the "Attention of the Director of Sport and HPE". Parents may submit the supporting document online. Please use the link provided within the notification email. Supporting documents may be uploaded in the following formats: .doc .docx, .jpg, .pdf, .txt.

Athletic Development

The Athletic Development Department offers a range of programs for the diverse physical literacy needs of students from Years 4 to 12. Working in collaboration with all sports and the Health and PE Department, the Athletic Development programs aim to enhance every student's physical literacy ie their ability to use cognitive processes to help them move with economy, confidence and poise through a range of physically demanding environments.

Strength and conditioning (Years 7 to 12) - age and training age appropriate, progressive programs utilising a variety of exercises from body weight, to loaded complex exercises including weightlifting derivatives, complex plyometrics and injury prevention exercises. Students who participate in the Athletic Development program from Year 7 will potentially learn >400 exercises.

Rehabilitation programs for injured students

(Years 7 to 12) - working with the relevant medical practitioners, the Athletic Development team either modify current training programs, implement early-stage rehabilitation programs or develop and deliver end stage rehabilitation programs for students.

Sport specific testing (Years 7 to 12) - allows for comparisons across years, tracking individual changes and differentiating performance levels.

Speed@Saints - delivered two times per week in the summer sport season, the sessions include sprint, agility and change of direction drills for students from all sports from Years 7 to 12.

Running Club - for boys from Year 4 to 12. Held every Friday morning of the school year, Running Club allows students to build their general aerobic fitness with their peers.

Music

An appreciation for music is developed from an early age at St Peter's College.

From the Early Learning Centre through to Year 12, students are encouraged to explore music in a variety of forms and refine their musicianship skills. Music is a compulsory subject until Year 8 and is offered as an elective from Year 9.

Our music programs give students the opportunity to perform, compose and use their critical thinking skills to analyse a wide range of music. Our extensive ensemble program provides opportunities to perform in concerts and participate in interstate and overseas tours.

Each week more than 30 instrumental ensembles and choirs rehearse and around 350 students enjoy private music lessons.

In the Senior School students can participate in:

- Alfresco Concert
- Senior Strings and Orchestra Concert
- St Peter's College Music Festival
- Cabaret Concert
- Carols Service
- Generations in Jazz
- ABODA Strings and Bands Festival
- Voices of St Peter's College
- Concert Bands Showcase
- Gig@The Gov
- Year level solo performance evenings
- Middle Years solo performances

Private lessons are available for the following instruments:

- Voice (classical, jazz, contemporary)
- Flute
- Oboe
- Bassoon
- Clarinet
- Soprano Saxophone
- Alto Saxophone
- Tenor Saxophone
- Baritone Saxophone
- French Horn
- Trumpet
- Trombone
- Euphonium
- Tuba
- Violin
- Viola
- Cello
- Double Bass
- Classical Guitar
- Acoustic Guitar
- Electric Guitar
- Jazz Guitar
- Electric Bass Guitar
- Drums
- Percussion
- Piano
- Jazz Piano
- Pipe Organ
- Theory
- Composition.

Please enrol via Keystone parent portal.

Venue: Hill Wing Music Centre

Music Tuition

Involvement is optional, and at an additional charge. Students who learn through our instrumental program are expected to participate in an ensemble at the School.

Students select their music tuition choices using the online form, and once approved by the music department, parents are then notified of their son's music timetable by email.

A parent or guardian must complete the online Music Tuition form by following these steps:

Log into Keystone: <https://keystone.stpeters.sa.edu.au>

Navigate to the left panel labelled **My Keystone**.

Under My Keystone click on the **Music Tuition Form** tile.

Once on the Music Tuition page, click **Edit** for the relevant child.

Once in the enrol screen, add any prior music experience by pressing the blue "+" icon or click **Enrol** to display the enrolment screen.

To enrol, select the desired instrument, the commencing term, and whether you require instrument hire. Parents/guardians will also need to read and agree to the expectations for instrumental lessons and ensembles. Click the **Submit** button for your music choices.

Parents/guardians will be sent an email confirming the request.

Please check the Music Timetable on Keystone regularly to find the latest and most accurate information for your son's lessons. This online tool also allows you to make changes or cancel lessons at a later date.

For more information, please contact the Music Department on
T: +61 8 8404 0683
E: music@stpeters.sa.edu.au

Co-curricular, clubs and societies

St Peter's College offers an extensive range of co-curricular clubs and societies.

Co-curricular activities play an important role in the lives of our students and are integral to the way they learn about themselves and others. Every encouragement and opportunity is given to students to pursue their current interests and to develop new ones.

We offer an extensive range of clubs and societies that students can join. These activities complement the academic curriculum and help to develop creativity and critical thinking skills beyond the traditional classroom.

Art Club

Open to students who would like to create artworks using a range of media such as drawing, painting, printmaking and pottery. Meetings take place in the Art Centre at lunch time on Monday and Tuesday.

Audio Visual Society

The AV Society allows students to develop video production skills such as storyboarding, film techniques and editing using professional software. AV participants have the opportunity to record the School's most significant events and create their own small films to be shared with the whole community.

Blue Group

Blue Group is run by the School Captains and is open to any students who want to be a part of student led initiatives to raise awareness of mental health.

Book Club

Book Club gives students the opportunity to widen their reading horizons and share their experiences across multiple literary genres. From graphic novels to poetry or the latest best-seller, no books are off limits.

Chinese Society

Open to students interested in Chinese culture in the Senior School. Different Chinese cultural activities will be run throughout the year.

Coding Society

The Coding Society has had three students who have successfully released apps on the App Store. Participants create programs from simple games to school versions of famous apps. High level coding activities.

Digital Art Society

Open to any student who wants to learn how to create digital artwork for the gaming and film industry.

Drama

Drama allows students to be involved in productions, either as a performer or as part of the technical and stage crew. Each year auditions take place for the senior play or School musical and a junior play (involving students in Years 7 to 9). Rehearsals occur after school and on weekends.

In the event that the School collaborates with other schools, rehearsals may take place in venues off campus. There is also a 'Tech Club' and an improvisation performance troupe (TheatreSports TM).

EAL Support (English as an Additional Language)

For students whose first language is not English and require extra support.

Exploration Society

Developing and extending interest, knowledge and skills in the outdoors. The society is designed to be fun, and delivered through a wide variety of outdoor activities.

French Society

Open to all French students and others interested in French language and culture. The student led society hosts a variety of activities, competitions, language support and Francophone cultural experiences.

Future Problem Solving (FPS)

Future Problem Solving (FPS) requires students to write a 1,500 word story in response to a global concern. Concerns could include global warming, the ethical treatment of animals and disappearing languages. Students work with the FPS Coordinator to brainstorm and structure an engaging story that explores the chosen issue. Students have six months to craft their scenario.

German Society

Open to all German language and interested students, who are willing to learn more about the German culture and society.

Historical Society

The Historical Society is student-directed and responds to the wide-ranging historical interests of its members. Meetings provide opportunities to celebrate all things historical, through topical presentations, tours, films, documentaries and guest speakers.

The Historical Society aims to encourage community interest and knowledge in the School's vibrant history, and provides members with opportunities to develop research, leadership and mentoring skills, by being involved in the School history.

Lunchtime support

Teacher support is available for catch up on homework and assignments.

Maths@Saints

The Maths@Saints program originated in 2006 following a generous donation from an old scholar, who wished the gift be used to promote mathematics within St Peter's College and the activities of the School in the wider community. One of the objectives of Maths@Saints is to provide opportunities for students to engage in a range of exciting learning opportunities in addition to the standard curriculum.

These include the Mathematics Enrichment, the Mathematical Society and the Informatics Society.

Mooting

Mooting is an activity where schools take part in mock trials. Students are given a set of facts and witness statements two weeks before a trial, where barristers examine and cross-examine witnesses to establish their version of the case. It is open to students in Years 9 to 12. Venues include the School, opposition school, or the Supreme Court at Victoria Square. Blazer uniform is to be worn to trials.

Politics Society

The Politics Society meets every Thursday lunchtime to debate issues of national and global importance.

Pride@Saints

A group committed to creating a safe, inclusive and supportive environment for all students. This group plan, organise and implement Wear It Purple Day and discuss ways in which the School community has access to relevant information for students seeking support and conversations around the LGBTQI+ issues. This is an action group for all students interested in LGBTQI+ issues. Participants do not need to identify as a member of the LGBTQI+ community.

Public Speaking

Public Speaking includes a variety of internal and external events and competitions in which students from all year levels can participate to help develop and practice their public speaking skills. Lunchtime meetings and training sessions are offered to support students in the development of their public speaking abilities.

Reconciliation Committee

Open to all students who are passionate about understanding Indigenous issues and creating change in our community. Members will have opportunities to contribute to reconciliation events such as National Reconciliation Week and NAIDOC Week.

SACLO

Fancy yourself a linguist? A code breaker? Someone who thinks outside of the box? Then have a crack at computational linguistics! In the SACLO Society you will receive authentic samples of words, phrases, or sentences from foreign languages. Then you will have to work out the meaning of other words and phrases basen upon what you have been given. We solve intriguing challenges involving real languages from around the world. No prior language leaning needed!

Science@Saints

Students who take delight in coming together to discuss and debate all things science and are passionate about all aspects of science.

Service Society

Service Society works on supporting School community service projects and also initiating their own. All students are welcome.

Student Christian Group

The Student Christian Group has a focus on making new friends and having fun, alongside talking about what a faith in God looks like.

Tournament of Minds (ToM)

Students work in teams of seven to craft an imaginative response to a problem under the title of applied technology, maths engineering, social sciences or language. They create a script, props and costumes and perform their solution at the annual ToM Tournament day at Flinders University.

Youth@Saints

Youth@Saints is a Christian Youth group for Years 7 to 12 students from all schools.

Girls and students are welcome and young people from all backgrounds can have fun and grow in their relationship with God and each other. In a fun and supportive environment, students can grow in faith and live with purpose.

Senior School procedures

Absence or lateness

When a student is away from or late to school, parents are required to notify the School. Please contact the absentee line in the Senior School Office with your child's name, year level, House and reason for absence.

E: absenteeSS@stpeters.sa.edu.au

T: +61 8 8404 0422 and press 1 to leave your message

Students who arrive late to school (for example music lesson, choir, orchestra, appointment, car problems, etc) must report to the Senior School Office to advise that they have arrived.

If a student has not arrived at school and an absentee message has not been received, a text message will be sent to a parent at 10.30am to alert you of your son's absence.

Leave requests for extended leave of more than five days, or related to interstate/international travel require the completion of a form in line with Department of Education (SA) and AISSA requirements.

Please email absenteeSS@stpeters.sa.edu.au for a form.

Contact details changes

If there are any changes to your contact details, including telephone number, email, residential or postal address, please advise the Admissions Office either via

T: +61 8 8404 0519 or

E: admissions@stpeters.sa.edu.au

Lockers

All students are issued a locker at orientation. When book orders are placed you will be prompted to purchase locks for a locker and a sports locker. One lock will be permanently used on your sons locker, the other lock for the sports locker will need to be carried by the student and only used when they have PE or sports practice. All locks can be reused for the following years.

Medical matters

Parents are asked to keep their son's online medical form up to date.

Please visit <http://keystone.stpeters.sa.edu.au/medical>.

Any medicines sent to school should be given to the Health Centre and must be in a named container with clear instructions. If a student feels ill, his teacher will send him to the Health Centre.

At school, if a student sustains an injury requiring immediate medical treatment, the School Nurse is contacted without delay and will decide on the necessary treatment. Parents will then be notified.

Online consent forms

There are several online forms you will need to complete prior to your son commencing:

Medical details form

Required to be completed prior to their first day at school and updated if issues arise.

Photo consent form

Parental consent for the use of student images, footage and samples of their work.

Curricular excursions consent form

Consent for school-based excursions.

Music tuition form

Enrolment for private tuition.

Previous reports and assessments

Please provide your son's Semester 2, 2023 report, latest NAPLAN results and any professional or learning assessments to the Admissions Office prior to commencing.
E: admissions@stpeters.sa.edu.au

School book and resource orders

Campion Education are the School's text and resource supplier. Orders are placed online and home delivered.

Boarder's books will be delivered directly to the Boarding House. If you do not purchase the resource and the School allocate it to your son for use, it will be added to your School account. Order via the website www.campion.com.au

Visa changes

Students who are currently on a visa must notify the Admissions Office if there are any changes to visa status or conditions.

E: admissions@stpeters.sa.edu.au

Tuck Shop and lunch orders

Senior School students have direct access to the Tuck Shop at recess and lunch. Online orders are also available via the "Lunch Orders and Recharge" tile. The Senior School Tuck Shop is cashless. Money can be loaded onto your son's student ID card for purchases. This is done via Keystone.

Uniform Shop online booking information

The School uniform is the most visible symbol of identity for students at St Peter's College. It is expected that all students take pride in their appearance and ensure their uniform is well-fitted, clean, neat and worn in a dignified and respectful manner during the school day, and while travelling to and from school. To ensure your son has all his uniform needs prior to the start of the 2024 school year, please book a uniform fitting appointment at the St Peter's College Uniform Shop.

Appointments are essential during the following periods:

Summer or winter uniform changeover: Last two weeks of Term 1 and Term 3 and the first two weeks of Term 1, Term 2 and Term 4. Appointments can be made through the booking portal on Keystone and are available at recess, lunchtime or after School.

The Uniform Shop is situated between Girdlestone and Main Ovals on the ground floor of the old Athelney House Stables.

Entrance to the shop car park is via the Hackney Road entrance; turn right at the road (sign posted) just before the roundabout.

Normal trading hours are:

Monday: 8.00am – 5.00pm

Tuesday: 10.30am – 5.00pm

Wednesday: 8.00am – 12.00pm

Thursday: 10.30am – 5.00pm

Friday: 8.00am – 5.00pm

Parents and students must make individual appointments.

To book your appointment please visit <http://mykeystone.reservio.com/>

The Uniform Shop accepts cash/cheque, debit and credit cards.

Middle and Senior Years students are able to visit the Uniform Shop at recess, lunchtime or after School without being accompanied by a parent or guardian.

Parents or guardians wishing to pre-pay or purchase items over the phone for their son to pick up are welcome to do so at any time.

For more information, please contact:
Uniform Shop Manager
Stacey Natrass
T: +61 8 8404 0490
E: uniformshop@stpeters.sa.edu.au

Mission Guild Recycled Uniform Shop

The Recycled Uniform Shop provides the School community with the opportunity to purchase high quality, well cared for, school uniform items. Run by volunteer Mission Guild members, all proceeds from the Recycled Uniform Shop support the work of Anglicare Charities.

Location

The Recycled Uniform shop can be found upstairs behind the School Uniform Shop.

Contact information

Phone (during opening hours)

T: +61 8 8404 0494 or email

E: recycleduniformshop@stpeters.sa.edu.au

Opening hours

During term:

Tuesday and Thursday 3.00pm – 4.30pm

First Wednesday of each month: 8.00am – 9.00am

First Saturday of each month: 10.00am – 12.00pm

School holidays:

Opening times for school holiday periods will be advertised in the School's fortnightly newsletter.

Outside of set opening times:

Appointments outside of normal opening times can be arranged for those families from interstate or boarding who cannot make the set hours when they are in town. Please send an email with your request.

Payment Options

Cash, Visa and MasterCard credit cards and EFTPOS facilities are available.

Use of mobile phones

Mobile phones are to be locked away in the student's locker from arrival at School to 3.30pm. Students may briefly check their phones for messages at their locker at the start of recess and lunch. Teachers, at their discretion, may direct students to bring a mobile phone to class for educational purposes.

Students using a mobile phone outside of these expectations will have their phone confiscated and a concern will be recorded. Students can collect phones from the Senior School Office at the end of the school day. Repeated misuse of mobile phones will result in the student handing their phone in to the front office at the start of each school day for a period determined by their Head of House in consultation with parents.

Road safety procedures

Pedestrians

When students are crossing North Terrace on their way to and from school, they must always cross at the pedestrian traffic lights situated near Trinity Street or outside the Junior School. They should not cross the road at any other place, even when traffic is stopped for the lights.

Students crossing at Hackney Road must use the traffic lights on the corner of North Terrace or the pedestrian island crossing. Under no circumstances are students to cross Hackney Road at any other point than the pedestrian island crossings or the North Terrace traffic lights.

Driving

Students, parents and staff must drive with due caution inside the School and on the surrounding roads.

Parking

Students who drive to school must park in the Hackney Road car parks. They must register their vehicles via Keystone. Students must not park in other School car parks and are asked not to park on surrounding streets.

Senior School parents should park in the Hackney Road car park.

In the interest of student safety, the Junior School Avenue is open for parking until 9.30am each week day. It is then closed for traffic throughout the day and reopens at 2.30pm. On weekends the Avenue is available for general parking.

Dropping off and picking up

Parents may drop off and pick up students inside the School grounds in the Hackney Road car park, outside Memorial Hall, or in the Avenue. However, there is no long-term parking in the Avenue, or in front of Memorial Hall. Parents cannot drop their sons off along the road adjacent to Memorial Hall and Lloyd Oval.

Parents may drop and collect their sons at the Pembroke Street gates. Please note there are some parking restrictions in this area, and parents should not drive their car through this gate to drop off their son inside the school.

Parents are asked not to use the Hatswell Street gates or car park for drop off or pick up. The adjacent streets are very narrow, and not designed for significant volume of traffic.

Parents should not drop students off nor collect them from the western side of Hackney Road, but are encouraged to drive into the school and use the Hackney Road car park.

Bikes

There is a bike shed available for storage of students' bikes throughout the school day. The bike shed entrance is through the Pembroke Street gates.

School buses

Hills, Northern and Unley bus service

All bus routes are provided by Roundabout Charter and can be booked by contacting them directly. The cost of the bus service is \$6 per trip (\$12 per day) plus a \$200 annual booking fee per family. Only registered students are able to use the services. To register, please email Roundabout Charter at admin@roundaboutcharter.com with the subject title St Peter's College Bus Service. Roundabout Charter will then confirm the route and timetable via return email.

*These are 2023 fees and subject to change for 2024.

It is anticipated that services will arrive at St Peter's College no later than 8.15am each day and depart from school no later than 3.45pm. Please note that pick-up locations and times will be finalised by Roundabout Charter once student registrations are confirmed.

By Week 3 of each term, families must confirm specific travel requirements for the remainder of the term. This allows time for co-curricular schedules to be finalised. Bus and associated fees will be charged to the your fee account at the end of each term.

Students using St Peter's College bus services are held to the same high standards of behaviour for when they are at School. Senior School students have a responsibility to look after younger students and are charged with assisting Junior School students to be safe at all times. The School reserves the right to temporarily suspend, or withdraw, the bus service for students engaged in misconduct.

E: fees@stpeters.sa.edu.au

St Peter's College morning shuttle service

A morning shuttle bus operates from Walford Anglican School for Girls to St Peter's College, offering great convenience for the many families with children at both schools.

The shuttle bus departs from the kiss and drop pick-up point in Northgate Street car park at 8.00am, arriving at the St Peter's College Junior School Administration Building at approximately 8.25am.

Book this service by contacting Walford Anglican School for Girls on

T: +61 8 8272 6555.

School fees

To ensure the School community is aware of the payment process for school fees, the following information and important dates will assist you in your financial planning.

An email will be sent to all members of the School community in December each year, advising of the fees for the following year, payment options, and terms and conditions.

The fee brochure is available on the website www.stpeters.sa.edu.au/enrolment/fees

School fees for 2024 will be emailed in January, at which time you will be provided with three options for payment:

1. Lump sum payment at the beginning of the school year with 1.0% discount if paid in full by 28 February
2. Three equal instalments due on 28 February, 31 May and 31 August; or
3. 10 equal monthly instalments from February to November (by direct debit only).

N.B. A surcharge of 1% Visa/Mastercard or 1% American Express will be applied.

Total school fees include tuition fee, boarding fee, fixed charge and IT Levy.

It should be noted that music fees, bus fees, overseas and interstate trips and some miscellaneous charges are not included in school fees and are billed separately, with payment due within 30 days of invoice.

Fees can be paid online. Please visit Keystone www.keystone.stpeters.sa.edu.au to find out more.

Please contact Business Services for fee enquires on
