

Unley Bus Service

St Peter's College provides a bus from the Unley district which starts at Stop 3 Unley Road, travels along Cross then Portrush Roads (stopping at all metro stops along this route when hailed). The bus then runs express along Magill Road to St Peter's College (North Terrace). The reverse route operates in the afternoon. This service is provided by South Link Metro.

The service arrives by 8:13am each morning on North Terrace. Students must use the pedestrian crossing to enter the School grounds. In the afternoon, the bus will leave from outside of the Junior School gates (North Terrace) at 3:50pm.

Students using the bus are held to exactly the same high level of expectation of behaviour as for when they are at School. The School bus has both Junior and Senior School boys, and all boys are entitled to be safe at all times.

Senior boys have a responsibility to look after the younger boys, and a condition of use for Senior boys is to agree to take part in a "buddy system" whereby they are charged with assisting Junior School boys to be safe at all times.

The School reserves the right to temporarily suspend, or withdraw, the bus service from those students engaged in misconduct. In such instances, parents will be notified and no refund of the registration fee will be payable.

In serious cases of misconduct, the School may also impose additional disciplinary action under its Behaviour Management policy.

Note: Times listed below can fluctuate.

Please allow a few minutes either side of these times.

Students are able to hail the bus at any regular bus stop from Stop 3 Unley Road to end of Portrush Road.
