02

Doug Elix AO is an old scholar of St Peter's College (DAC '66) who served as School Prefect and House Captain. He has lived and worked in the USA and Australia and retired from his senior executive position at IBM in July 2008. Mr Elix is passionate about providing an opportunity to a student who adds to the diversity of the student community at St Peter's College that is indicative of the wider world beyond school.

The Elix Advantage Scholarship will be awarded to a student not currently enrolled at St Peter's College and entering Year 10 as a day student in 2020. The scholarship will be awarded to a student who possesses all-round qualities and can provide evidence of the following:

- Record of strong academic endeavours
- Evidence of service and/or citizenship in current school community and beyond
- High level of participation in co-curricular activities (music, sport, drama, visual arts etc)
- High level of engagement at current school.

The scholarship will be awarded to a student who would be unable to attend St Peter's College without a full scholarship. As such, this scholarship will be means tested. In addition to financial need, special consideration will be given to all or any of the following factors:

- Social diversity
- Aboriginal or Torres Islander background
- Currently residing in rural or remote location.

## Benefits

The Elix Advantage Scholarship includes:

- Application Fee of \$100, Enrolment Fee discounted from \$2,500 to \$1,610 (normally payable once a formal Offer of Admission to St Peter's College has been made and accepted by completing Acceptance of Offer)
- Remission of 100% of Tuition Fees and 100% of Fixed Charge and IT Levy.

Whilst families will be expected to pay all other costs, the School believes it is important for the recipient to be able to participate in the opportunities at St Peter's College. If the recipient would otherwise be unable to participate in music tuition, IB or international study or co-curricular tours, he may apply to the School for assistance.

Applications for additional support will be means-tested and are subject to the availability of funds in any given year and the School's assessment of the benefit likely to be accrued to the applicant.

## Expectations

The family will be expected to participate in the School community, attending School activities and events (particularly in relation to their son's activities) and social events organised by the School's various community groups.

For the duration of the scholarship and beyond, the recipient's family is encouraged to make a financial contribution to the St Peter's College Foundation, according to its means. Such support will assist the St Peter's College Foundation, as the charitable body tasked with raising funds for bursaries and scholarships, to provide similar opportunities for other students in the future.

The recipient will be expected to provide feedback to the School about the impact of the scholarship on a regular basis during his schooling and from time to time, as an old scholar. The family will be invited to participate in occasional events and activities that seek to recognise and give thanks to its community of donors.
