The St Peter's College Foundation supports and drives activities that encourage community engagement and philanthropic support at the School. One of its key priorities is to provide scholarships to students for whom a Saints education would otherwise be out of reach.

From 2020, the St Peter's College Foundation will offer two full scholarships for students not currently enrolled at the School and entering Year 10 or Year 11 as a day student in 2020. The scholarship will be awarded to a student who possesses all-round qualities and can provide evidence of the following:

- Record of strong academic endeavours
- Evidence of service and/or citizenship in current school community and beyond
- High level of participation in co-curricular activities (music, sport, drama, visual arts etc)
- High level of engagement at current school.

Each scholarship will be awarded to a student who would be unable to attend St Peter's College without a full scholarship. As such, scholarships will be means-tested and special consideration will also be given to social diversity.

Benefits

Each scholarship includes:

- Application Fee of \$100, Enrolment Fee discounted from \$2,500 to \$1,610 (normally payable once a formal Offer of Admission to St Peter's College has been made and accepted by completing Acceptance of Offer).
- Remission of 100% of Tuition Fees and 100% of Fixed Charge and IT Levy for two or three years, dependent on year level entry.
- An additional grant to cover the initial start-up costs may be given, including:
 - School uniform (up to \$1,750);
 - Books and stationery (up to \$500) in the first year only;
 - MacBook, required by all students (up to \$2,500);
 - Either music tuition and hire of instrument (up to \$1,250) or payment of IB fees, in Years 11 and 12, if applicable.

Whilst families will be expected to pay all other costs (including transport to/from school, meals etc), the Foundation believes it is important for each recipient to be able to participate in the opportunities at St Peter's College. If the recipient would otherwise be unable to participate in music tuition, IB or international study tours, he may apply to the Foundation to consider "once off" assistance.

Expectations

The family will be expected to participate in the School community, attending School activities and events (particularly in relation to their son's activities) and in School community groups.

Each scholarship recipient's family is encouraged to make a financial contribution to the Foundation, for the duration of the scholarship and beyond. Such support will assist the Foundation to provide similar opportunities for other students in the future.

Each recipient will be expected to provide feedback to the Foundation about the impact of the scholarship on a regular basis during his schooling and, from time to time, as an old scholar. The family will be invited to participate in occasional events and activities that recognise and give thanks to the community of donors.
