From the Headmaster

I am delighted to warmly welcome students, coaches and parents from Brisbane Grammar School, Canberra Grammar School and Newington College to the IBC Football Festival.

The vision of Dr David Mulford, founder of the IBC Football Festival, continues to provide a wonderful opportunity for boys to travel and share their passion for football. Our four schools come together to play their best and create long-lasting memories by participating in the world's most popular game. The competitive nature of the sport, and the talent of each and every boy, will challenge and thrill us all during the tournament.

I hope everyone enjoys their time in Adelaide and I look forward to watching the games.

From the Director of Sport and HPE

Participation in the IBC Cup and competing against three highly-regarded schools provides a wealth of opportunities for our students. This is a chance to play the beautiful game and work together as a team while experiencing all that the walls and fields of St Peter's College have to offer.

I warmly welcome our competitor schools; their talent and experience will ensure this is a hotly contested competition where everyone will be inspired to lift their game.

In addition to the games, this is a wonderful opportunity for students and coaches to learn from each other and to explore Adelaide. I hope everyone has an enriching experience.

I wish every team the best of luck.
