The fixed levy covers all compulsory curriculum camps (excluding rowing camps), curriculum tests, photography, student photocopying charges, student accident insurance and all school publications.

IT levy

The IT levy covers the infrastructure and internal IT helpdesk which supports the students' devices.

Discounts

A discount of 1.0% will apply if the full year of tuition fees, fixed charges, IT levy and boarding fees are paid in full before 28 February 2021.

Music

Private music tuition is billed at the start of each semester. Students will not be billed if the student or teacher cannot attend due to illness or a conflicting school compulsory activity. Four weeks' written notice (not including holiday time) to Philip Walsh, Director of Music is required for withdrawal from music lessons. Fees will be charged in lieu of adequate notice.

Music instrument hire (unless the student already has their own instrument) is part of the compulsory curriculum for Year 3 and Year 4 and is an additional charge.

Musical instrument hire is \$95 per term. All sales from the music shop (i.e. strings, sheets of music) will be added to your account.

Other charges

All other incidental charges including bus charges, interstate and overseas trips, study guides, non-booklist textbooks, replacement diaries, unreturned library books and boarder's incidentals are charged when incurred and due within 30 days.

Application and enrolment fees

A \$100 non-refundable fee is payable on application for admission to the School.

When a place is offered, an enrolment fee of \$2,500 is payable (\$1,610 for second son or scholarship recipient). \$1,950 is non-refundable and \$550 is membership to the St Peter's Old Collegians. The \$550 is refundable when your son leaves the School and if he does not wish to be a member of the association.

Voluntary Building Fund donation

In 2021, a Voluntary Building Fund donation of \$600 per family will be included on your fee statement. Donations to the Voluntary Building Fund help fund the redevelopment and refurbishment of key facilities across the School that tuition fees alone do not cover.

Voluntary Building Fund contributions are fully tax-deductible through the St Peter's College Foundation and a tax receipt will be issued at the end of the financial year. Contributions can be paid in three equal instalments of \$200 or \$60 under the ten monthly direct debit payment option.

Terms and conditions

While it is the aim of the Council to set fees on an annual basis, the Council of Governors reserves the right to change these at any time.

Fees and charges will be invoiced on 31 January, 30 April and 31 July.

All fees and charges are due 30 days after invoice date, unless the 10 monthly direct debit option is arranged.

A \$30 administrative late fee will be applied to all payments made in full or part, after the due date.

The School shall, at its absolute discretion, charge interest on outstanding accounts from the due date for payment at a rate of 10% per annum calculated on a daily basis.

All collection costs and legal fees associated with the collection of overdue accounts shall be recoverable on a full indemnity basis.

Where fees remain unpaid, students will be ineligible for optional interstate or overseas school trips without the Headmaster's prior approval.

The School maintains the right to notify parents that their sons will not be permitted to attend School while any fees, charges, arrears or interest thereon are outstanding. In persistent cases of non-payment the boy's place in the School may be forfeited.

The School reserves the right to suspend a student for disciplinary purposes, whether temporarily or permanently, without a refund of fees.

If you elect for your son to attend a different school for a year and require re-entry into St Peter's College, a holding fee of 25% of total tuition, IT and fixed levies will be charged.

A student's enrolment at School constitutes acceptance of these terms and conditions by his parents or guardians.

The above terms and conditions are in addition to the terms and conditions set out on enrolment.

Divorce or separation

The School advises that if both parents have signed the enrolment form, a parent cannot remove themselves from the enrolment contract without the School's and the other parent's consent. This means that unless the School agrees, the legal liability for fees remains in accordance with the enrolment form.

Withdrawal

Parents wishing to withdraw their sons from the School or to discontinue with the International Baccalaureate are required to provide a term's notice in writing to the Admissions Manager. Failure to do so will incur a full term's fee penalty of tuition as well as IB fees, IT and fixed levies.
