# Welcome to Summer Intercol 2023

The first Intercollegiate fixtures commenced between St Peter's College and Prince Alfred College in 1871 and so began a wonderful tradition of engagement in sport that strengthens the sense of shared community between our two schools. I trust all students will appreciate the privilege to participate, compete and attend fixtures and while celebrating the contribution of many ensure that all conduct elevates another.

We acknowledge the hard work undertaken by our support staff in ensuring the fixtures of this long-standing sporting tradition can take place. It is no small feat to ensure our facilities are ready and available for all students to enjoy, not to mention the efforts of our coaches, leaders and parent supporters in bringing this season to a conclusion. It is my hope that the students in Years 7 to 12 from both schools will go out of their way to attend fixtures and support and encourage each other.

In addition to the determination, spirit and skilful preparation and play, I encourage all students and spectators to represent our shared community with the highest level of integrity, sportsmanship and respect.

**Tim Browning | Headmaster**  
**St Peter's College**

The Intercol is the culmination of a summer season, that for many, commenced in the depths of a wet and cold winter as our boys woke early to toil and sweat in preparation for the season ahead. Whilst not every boy will taste victory on the day, it is hoped they will take some enjoyment from the competition and reflect on their match or race with the knowledge they gave their all and competed with honour.

Both our schools believe strongly in winning with dignity and losing with grace. It is this tradition that ensures the bonds of friendship between our boys will grow out of these competitions, and those friendships will strengthen and endure in the years ahead.

Thank you to our friends at St Peter's for hosting the summer Intercol and to the many staff and parents that have contributed to making this opportunity available to the boys. We know the coaches, parents and boys will continue to embrace the high standards of sportsmanship that we all expect across these days of competition and spectatorship.

**David Roberts | Headmaster**  
**Prince Alfred College**
