MAGAZINE

Year 1 students Thomas Tsoutouras and Will Marshall marvel at their experiment in the Junior School Science Lab.

Thank you

The School would like to thank everyone involved in preparing the Magazine, including the students and staff who supplied articles. The School would also like to thank the following photographers whose photographs have contributed to this publication: Event Photo, Focus School Portraits, Bruce Hobby Photography, Academy Photography, Jason Fitzsimmons Photography and Joel Roosa Photography. We would also like to acknowledge Emily Rogers, Grant Wyman, Alex Smith, Patrick Swanson and the many staff and families who took photographs throughout the year.

It might seem that after 13 years of schooling that today is the finish line. Not so gentlemen, this is not the end, it might just only be the end of the beginning. This is a special time for our young men and our families. Our Speech Day graduation ceremony is an important part of the overall valedictory and final farewell. Today is about celebration, it is about these young men before us and the committed journey undertaken by the entire family throughout each young man's schooling life.

We commenced our farewells some weeks ago with House Dinners and personal acknowledgements of each individual student. We reconvened with breakfast followed by communion at Chapel, then our Valedictory Muster and now we move to our formal graduation. There have been special messages and moments at each ceremony. There has been reflection, honouring and

storytelling, and later this evening, we will celebrate more stories.

May I first pay tribute to both sides of the co-parenting partnership. Parents, thank you. Thank you for feeding the grizzly bear, thank you for quietly entering his den without him knowing and replacing items, thank you for choosing the moments not to go in, for the times when you have returned home suddenly to encounter the evidence that a marauding herd of bears had chosen your pantry for afternoon tea. Thank you for the endless pick-ups and drop offs, the budget coaching, the budget bail outs, and the refinancing, remember, the bear did say it was just a loan. Above all, thank you for your love.

Staff, thank you for your patience and expertise, care and attention. Thank you for the drafting and redrafting. During the journey of adolescence, thank you for being

flexible and carefully guiding our young students as they seek to push boundaries and understand who they are, how they fit in, and where they are going. Thank you for your faith.

Kurt Hahn is a well renowned educator of the 20th Century. Enormously influenced by the impact of the World Wars, his legacy in education is strong and influential. You can thank him for the 21 day journey. As a nation we can thank him for the Outward Bound movement that continues on today around the country. He is quoted in a staff meeting berating a colleague who states they have given up on a specific student's progression. This staff member had had enough of the student's behaviour. Kurt Hahn is quoted as saying, "if you have lost faith in this child, then you have no right to be their teacher". So, to our staff, thank you for maintaining your faith in our students.

1. Year 12 students and their families outside Memorial Hall after Year 12 Speech Day
2. Tim Browning, Headmaster, pictured here with (from L-R) Mr Joe Thorp, Chairman of the Council of Governors, The Most Reverend Geoffrey Smith, Archbishop of Adelaide and guest speaker Mr David Rohrsheim, General Manager, Uber Australia and New Zealand.
3. Tom McClure receiving an award from Mr Tim Browning.

To our wider stakeholders, thank you for your interest, your investment and support in the School, above all, thank you for your interest in the students of St Peter's College.

To our class of 2018. The mission of this School has been to provide you with a sound, broad and liberal education in the context of an Anglican framework. There are many things that you were compelled to do. Your subjects were initially set for you, so too your physical education, moral and spiritual education. One day you may understand each of these components more fully. Above all, we hope you are positioned to follow your passions, serve the wider community and articulate your beliefs with confidence and compassion.

Your peers know you, they will always know you. Having spent so much time with you during your adolescence they have now seen a part of your soul.

Completing your secondary studies is akin to moving through a gate. As you do, a metaphorical photograph is taken. Whatever you do, please understand this photograph is not a judgement, it is not a diagnosis. As time progresses, please allow it to be merely a footnote. Remember, you are far more capable than you can ever know at this point in your life. This is only the start line.

As you graduate, may you always stand firm in truth and righteousness, may you become a protector and custodian of beauty, order and reverence, and that so long as you each take breath, may you support all things that are strong and lovely and of good report. Let that be your message and your mission to the wider world. We wish you every blessing on your journey.

Please remember you will always be welcomed home here.

Tim Browning
Headmaster

From the Chapel

1. Students attending weekly chapel
2. The Reverend Dr Theo McCall leads the Remembrance Day Service
3. Year 7 student Thomas Browning is confirmed by Archbishop Geoff Smith
4. Students confirmed by Archbishop Geoff Smith

School Chaplain:

The Reverend Dr Theo McCall

Associate Chaplain:

The Reverend Ben Bleby

Sacristans: Hugo Hart, Jock Bache, Archie Jackson, Tim Weir

Organists: Mr Norm Inglis, Mr Josh van Konkelenberg, Mr Mark Joyner, Ms Barbara Sedgley

In a frenetically busy school, the chapel, and the worship that takes place in it, is a reminder that there is another, deeper reality, which deserves our attention and which will give us life in all its fullness. It is an invitation to ponder the spiritual life and to give thanks to God for life's beauty and grandeur.

A number of students again took the next step in their spiritual journey by choosing to be confirmed into the Anglican Church on Sunday 23 September. During the service Archbishop Geoff talked about the significant decision the students were making. He spoke about joining the Christian team and used the examples of Christians helping to end slavery in the British Empire, and founding schools and hospitals for the less privileged, to illustrate what had been achieved by Christians over the centuries.

The annual combined Anglican Schools worship for middle years' students took place in St Peter's Cathedral on Wednesday 23 May. This year a new approach meant

the students were divided into six groups and had the chance to participate in several different activities including learning songs, a Q&A session with Archbishop Geoff and Bishop John Ford (Diocese of the Murray), an information session on cathedrals, "chalk prayers" at the front of the Cathedral, movement prayers in the Lady Chapel, and "a day in the life of a chorister" in the crypt. The service at the end of the morning saw lively singing and joyful participation.

This year the School community gave thanks to God for the life of Father Alf Stringer. Fr Alf was the Chaplain of St Peter's College from 1974–1983 and then again for a brief time from 1989–1990. His words from the 1989 School Magazine are poignant:

The Chapel, its furnishings, its place in the physical centre of the School, is there to remind us all of the mysteries of life and death – a place where a person might, either in the liturgy of the Church or alone in the quiet, come to realise that God is at the heart of all that remains mysterious and yet unknown to us, and that here, we can experience as much as we are able, His energising presence.

The Rev'd Dr Theo McCall
School Chaplain

School

Senior

From the Head of Senior School

Each house is a family

We are truly blessed to have the House system that we do. Each House behaves exactly like a family. The structure allows for each student in this large School to be seen, heard, known, respected and supported. Each House also gives our students a connection point to the School that cannot be underestimated. This connection begins as a student enters Senior School. While they are in Years 7 and 8 contact is limited, with our Middle Years students joining the House once a week for Muster. The pastoral care for these students is delivered through their Middle Years Mentor, but this contact with the House is important in terms of establishing an immediate identity within the School.

Once the boys move into Year 9, they spend far more time in the House. For the remainder of their time at the School, they will attend Mentor Meetings, House Musters, Chapel, and School Musters with the other members of the House. Accordingly, most students identify very strongly with the House that they are in, with each House possessing a

unique flavour that is largely shaped and formed by the Head of that House. It is the Heads' of House responsibility to get to know each student and their family well and to bring the members of the House together by creating a shared vision, understood values, and student led goals.

In Schools, as in all good organisations, rituals and celebrations matter. It is through the House system that many of these important symbols of what's important to the School are enacted; in one sense the House competitions are our seasonal festivals! Throughout the year, whether it be events such as Community Day, the Battle of the Bands, or the Athletics Carnival, the Houses engage in a range of competitions which are designed to bring the students of a House together. Notions such as participation, team work, encouragement, support and commitment are rightly acknowledged; the House that gets mass 'buy in' tends to do well. In the past, these competitions were often run over many weeks and were true to the pure form of each sport. Unfortunately, perhaps, as School has become increasingly busy and the calendar more crowded, it has become

impossible to honour the original forms of each sport. Nevertheless, through hybrid adaptations the competition is no less fierce and the intensity with which each student endeavours to represent their House to the best of their ability is clearly on display. The passion for the House is etched on the face of each student as expressions of determination, joy, excitement and disappointment are writ large as our boys compete in sport, debating, mooting, and music.

Not much is 'left in the sheds'. The boys simply love their Houses!

As both a vehicle for the delivery of pastoral care, for the meaningful and authentic celebration of School life, and as a vital connection point into this School, each House plays a significant role in the life of each student who comes to St Peter's College, and in my view, this will be the case "for as long as one stone remains upon another." Pro Deo et Patria.

Ben Hanisch

Year 12 Captain speech day address

1

2

To my graduating peers: before us are endless opportunities. The end— that elusive finish line that brought with it feelings of angst, excitement and the unknown— is finally here and we finish our journey as students and start our lives in the world.

What this school has provided extends further than the classroom and long after we have left Saints. Previously, I quoted Barack Obama: ‘our destiny is not written for us, but by us.’ Now, more than ever, this rings true. Each one of us have been gifted a brilliant start in life. I implore you to make the most of it. As I have been told by numerous teachers here, ‘you now have a Saints education, it’s what you do with it that matters.’

The coming years will create some of our fondest memories. The opportunities that lie before us are widespread and inviting. For some of us, we think we know what we want to do and where we want to go. For others, the road that lies ahead is unknown. Life is full of surprises, many of which are better than our plans. Don’t be afraid of the uncertainty that we will all inevitably experience. Use the time to learn about yourself and do things you have always wanted to do.

One thing that I have realised at Saints is that there is so much to be learnt about oneself outside of the world of academics. Use the coming years to travel and meet new people with whom you wouldn’t otherwise cross paths with. Take this time to venture outside the “Hackney bubble” because the world has so much to offer. Don’t ever feel limited by what someone else says isn’t possible. Don’t be afraid to fail and don’t ever feel that you need to fit into a cookie cutter mould of anything. Be ready for the change and embrace it when it comes. And take initiative for you are the masters of your fate and the captains of your souls.

One of the many things the School has offered us is a sense of community like no other. Don’t be afraid to lean on the Saints community when the going gets tough. You will always have a connection with the others sitting next to you today as well as the thousands of alumni across the globe.

Not all of us will change the world but never forget how easily you can change the lives of those around you.

1. Indran Mukherjee gives his Speech Day Address.
2. School Captain Indran Mukherjee leads the Year 12 Speech Day procession.
3. Students leave Memorial Hall for the last time.
4. Year 12 students at Speech Day.

Something I have learnt from the boys in the Junior School this year is how a small sacrifice can make someone’s week. Boys, as we venture out into the world around us, let us not forget how easily we can change someone’s life. Sometimes all that is required is a shoulder to cry on, a friend in a time of need, a welcoming smile with a stranger or just to make someone laugh.

Firstly, thank you to our family members here. Your unending love, support and sacrifices has helped each and every one of us throughout our time at school.

To each of our teachers, thank you for your teaching and support throughout our time here at Saints. The learning environment that you create each and every day is second to none.

Thank you to all the Pastoral Care staff who taught us to support and respect each other and ourselves.

To Father Theo and Reverend Ben, your words of wisdom each week at Chapel and musters helped shape each of us.

To the grounds and maintenance staff, thank you for keeping the grounds and facilities looking immaculate. It is a privilege to attend a school looking so pristine.

Heartfelt thanks to all the support staff that work tirelessly behind the scenes, plus Ms Alford, Ms Jackman and Dr Oliver for the support you provide to the whole student body when times are tough, Ms Ennis and Mrs Cocca for helping each of us when we were lost, confused or just plain late and Ms Koop for everything you did organise the National Student Leadership Summit and the Blue and White. Thank you to Mr Scott, Mr Hanisch and Mr Browning for all the guidance you have provided throughout the year.

Thank you to the Prefect body from this year. The outstanding way in which you have supported and included Seb, School Vice Captain, and me means a lot.

Seb, a School Vice Captain only in name; thank you so much for everything you have put into this year.

Finally, to the Class of 2018. Thank you for the culture you have created and fostered at Saints. You have been an amazing group of guys to get to know and have been the heartbeat of the School.

Indran Mukherjee
School Captain

Note: this is an edited version of Indran’s address.

Senior School leaders 2018

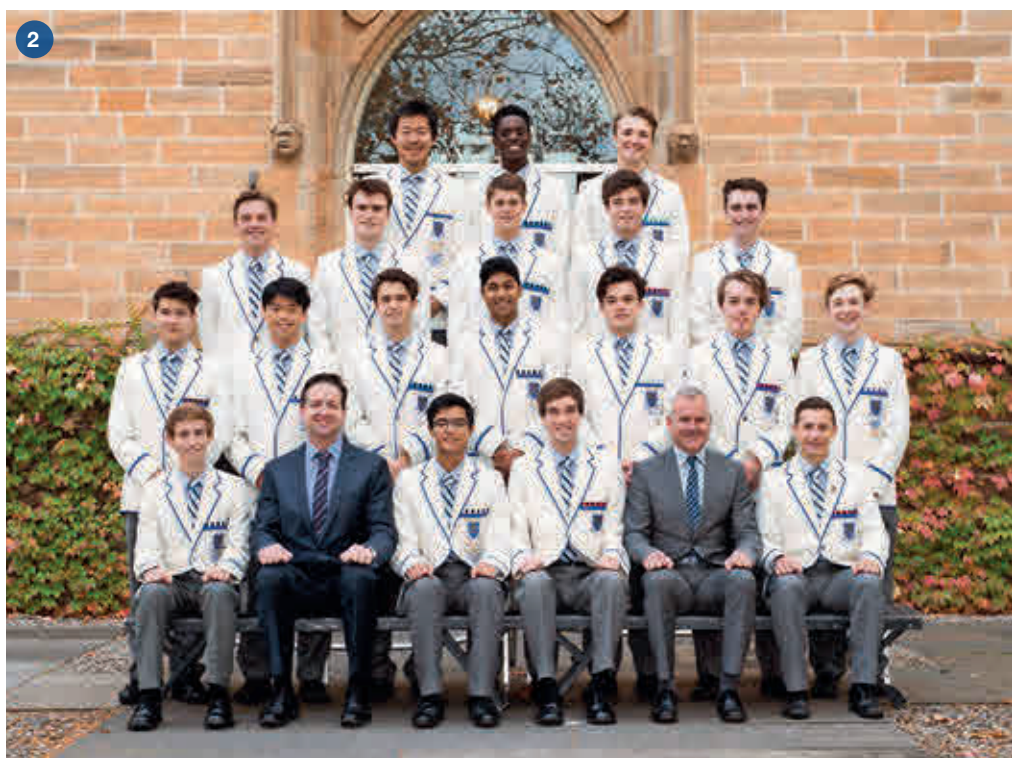

The 2018 School Prefects began their time in office superbly. Immediately it became clear that this group were a collective of genuine and authentic young men, who were courteous, polite and inclusive in their dealings with others. This theme continued through the year as the prefects went out of their way to spend time with the Middle Years students and showed genuine interest in them.

From the first time we spoke as a collective, we discussed the need for leaders to be courageous. This is one of the most challenging aspects for a young man leading his peers. It is hard to speak to your mate and pull him into line if he is behaving poorly. This was something I was keen to impress on our leaders— that at seventeen years old we aren't expecting them to be perfect. Student leadership is a great opportunity to learn about being a leader, about what type of leader they may be and what aspects they may need to work on through the rest of their leadership journey, far beyond Year 12. I was impressed with how our leaders were willing to learn and share ideas and strategies with each other in this regard.

Throughout the year, the Prefects organised many events and rallied their Houses at Pyramid of Cans, Swimming Carnival, Sports Day and Community Day. They also managed to defeat the staff yet again at the annual grudge match swimming relay, although the tables were well and truly turned on them at the inaugural staff versus students netball game!

I must give a special mention to School Captain, Indran Mukherjee, and School Vice Captain, Sebastian Cardone. Both of these fine young men were incredibly well grounded and made a concerted effort to be visible in the Senior School as well as the Junior School. I know the staff and students of the School were very appreciative of their gentle nature, thorough organisation, and down to earth approach to leadership. Thank you to both of them for the mark they have left on our School.

Mr David Scott

3. Thomas Bray (Year 12) and Jordan Schultz (Year 12)
4. Matthew Doran (Year 12) and Alexander Adams (Year 12)
5. Fox Obst (Year 12)

Blue and White

The 2018 Blue and White was a spectacular celebration. This year, students, their dates and staff walked into a 1980s style American prom theme and the interior of Memorial Hall was decked out in red, white and blue balloons and streamers.

During the night, guests were able to not only enjoy student built arcade machines and walk along a walk of fame showcasing the class of 2018. They were also able to select their own music from the jukebox located in the 1950s style diner area located in the marquee. This was accompanied by the iconic American dodgem cars, music from the School rock band and a staff flash mob to the *Thriller* soundtrack.

Ms Patton kept the party moving with her outstanding work as the DJ for the night and the grand finale of confetti cannons on the Memorial Hall dance floor saw a memorable 2018 Blue and White come to an end.

Sebastian Cardone
School Vice Captain

Careers evening

The Careers Evening continues to be an integral part of the Careers program at Saints and is an important event on the School's calendar.

Our nineteenth event, held on 20 March this year, attracted over 330 boys and parents to hear presenters from 35 career areas. These presenters included apprenticeship agencies, old scholars, current and former parents, university staff and entrepreneurs. It was particularly pleasing to see some new careers represented for the first time, especially in the technology space.

The benefits for the boys who attend are significant. For the Year 10 students, this is a particularly important exercise as it is linked to the learning undertaken in the compulsory SACE subject known as the Personal Learning Plan and helps them select their subjects for Year 11.

The night received fantastic support from the St Peter's Collegians' Association and in particular from Mrs Rebecca Foster.

Mr Cameron Hromin
Assistant Careers Counsellor

New members BBQ

1. Students speaking with the Australian Defence Force
2. Students speaking with paramedics from SA Ambulance
3. SPCA and SPOC Committee Members cooking a BBQ lunch for outgoing Year 12 students to welcome them to the the old scholars community
4. SPCA and SPOC representatives preparing lunch with the School Captain

The St Peter's Collegians' Association (SPCA) honours the Class of 2018 for reaching a momentous milestone: the end of your school days. We congratulate you for your effort over the years and know that the lessons you have learnt will underpin your success wherever you go.

Belonging to a lifelong community is something every graduating Year 12 can take tremendous pride in. The spirit of Saints is celebrated and upheld in the old scholar community through reunions, networking opportunities, and sporting activities.

With the passage of time, the great sense of camaraderie and community is maintained and a hallmark of being a St Peter's College alumnus is giving back and getting involved.

In October, the St Peter's Collegians' Association hosted a BBQ for outgoing Year 12s as their first foray into becoming part of the community as an old scholar. The friendly BBQ was held next to Main Oval and many old scholar volunteers cooked a sausage sizzle for the boys and provided a welcoming opportunity to talk and be embraced by this prestigious community.

President Mr Tony Keynes and Mr Ben Hanisch (himself an old scholar), encouraged students to become active members of the SPCA and lead the way for current students through demonstrating the ongoing legacy of those who have gone before, whilst serving others.

Rebecca Foster
Alumni and Community Relations Manager

Year 7-11 Vice Captain speech day address

I have two pertinent messages for students.

My first has stemmed from a speech from old scholar Mr David Rohrsheim, General Manager of Uber Australia, who addressed the cohort at the Year 12 Speech Day... 'do not wait.'

There is a multitude of meanings to these three words but I hope that they will inspire you to demonstrate initiative and seize opportunities whilst at the School.

Time does not matter. What does matter is that you challenge yourself and make the most of the opportunities that you have so often thought about trying but, for whatever reason, you have not quite got around to doing.

If you have yet to play a musical instrument, then speak to Mr Walsh. If your mentor has asked for volunteers but you haven't quite been brave enough to help out, then I challenge you to do so. Perhaps it's one of the many clubs and societies on offer which, up until now, you've ignored then I encourage you to sign up on the first day back.

Walk up to that new student in your mentor group or House and welcome, talk to and encourage him. It will make the world of difference. Whatever it may be... do not wait and regret the multitude of opportunities that lay before you in this great school.

My second message to you today is about happiness and kindness through serving others.

There is a well known Chinese proverb that goes: 'If you want happiness for an hour, take a nap. If you want happiness for a day, go fishing. If you want happiness for a year, inherit a fortune. If you want happiness for a lifetime, help others.'

When have you recently helped someone? Random acts of kindness will increase your sense of happiness because kindness promotes gratitude. It promotes empathy and compassion and in turn, it leads to a sense of interconnectedness with others. And being connected is so important as it strengthens us as individuals, as a school and as a community. Feeling connected melds us, rather than divides us and kindness is potent in further strengthening this sense of community and belonging.

As old scholar, Nathan Bolton, who shared with us his experiences in Afghanistan, constantly referred to the feeling of connectedness that he has within this community and the School throughout his speech this year.

I cannot let this moment pass by without thanking every staff member. You are a dedicated, hardworking, kind and friendly group and been motivating and always encouraging. So much so, that teaching is my chosen career path and I am looking forward to my studies in education next year.

Mr Sinanis and Mr Lamont, my Head of House and mentor respectively and Mr Green my Year 8 mentor. You have been unwavering in your support of me. You have been there as a source of counsel in all matters of my schooling life, always finding the time to ask how I am and always supporting me when times became challenging. Without doubt my time at Saints would not have been the same if it wasn't for your care, encouragement and friendship.

Mr Hanisch and Mr Scott I cannot thank you enough for giving me this remarkable opportunity to serve the School that has been so much a part of my life.

Having offered me the opportunity of Vice Captain, Mr Hanisch told School Captain, Indran Mukherjee and me that there were a few conditions that we needed to meet if we were to be school leaders.

He asked us to be challenging, thought provoking, push boundaries, whilst doing with purpose and making a positive impact. I hope that's exactly what we have done and we can hand over the baton to David Quan and Hugo Hart, who will be exceptional leaders in 2019.

Indran, we have worked closely together with the intention of creating a friendly and approachable team. From this experience, we have become lifelong friends. On behalf of the School, thank you for being our School Captain and for making such a positive impact.

To Headmaster Mr Browning; I trust your first year at Saints has been a rewarding one and you love Saints as much as we do.

Mum: you have provided me with all the love and care a son could ever ask for. I thank you from the bottom of my heart for all you have done for me. And dad, you have inspired and driven me. You are a best friend and I am so grateful for all you've done for me and the opportunities I have been fortunate enough to experience.

Finally, thank you Saints for shaping and motivating me. I wish students all the very best for the future. May it be filled with happiness and prosperity.

Sebastian Cardone
School Vice Captain

1. Students and teachers enjoy the Year 7-11 Speech Day
2. School Vice Captain Sebastian Cardone gives his address at the Year 7-11 Speech Day

Year 11 report

The Year 11 focus centered around decision making

Early in the year, we took the entire cohort to the annual Street Smart High session at Adelaide Entertainment Centre. Here, our students heard from various perspectives around the dangers of driving dangerously and poor decision making. Hearing victims but also perpetrators, of road accidents leading to death, was moving and sent a strong message to our students. This session was supported later in the year when the Metropolitan Fire Service gave their talk around 'looking after your mates' and reducing risks on the road.

Thirty students also had the chance to visit the new RAH and see what happens when people take risks, following the journey from Emergency Department right through to rehabilitation through physiotherapy and occupational therapy.

In August, the Year 11 students heard from Paul Dillon, who spoke of ways to minimise risk taking at parties and the effects that alcohol and drugs can have on the body.

We continued our strong alliance with Walford Anglican School for Girls and St Peter's Girls' School to discuss relationships. This experience saw the students hearing from police officer and guest speaker, Brent Sanders, on the laws around consent and sexual assault.

Mr David Scott
Head of Senior Years

1. Year 11 students from St Peter's Girls, Saints and Walford come together for Healthy Relationships Day.

2. Guest speaker, Brent Sanders, presenting at Healthy Relationships Day.

Year 10 report

Pushing the boundaries

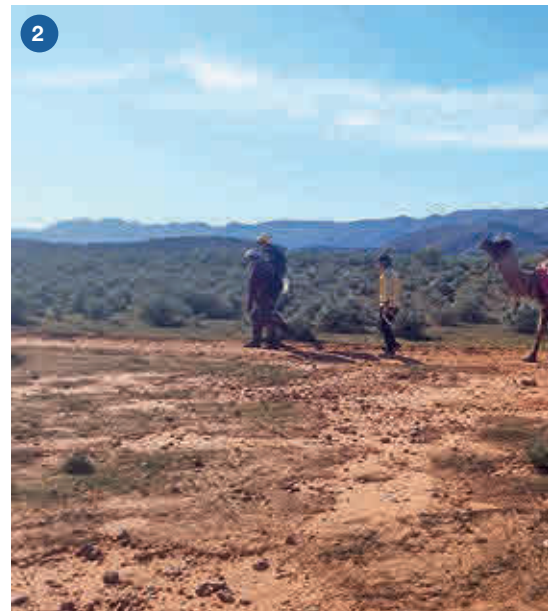

Undoubtedly, the highlight and significant achievement for all the boys who completed it was the 21 day journey through the stunning Flinders Ranges.

The students worked together to show their resilience to push through some difficult challenges, both physically and mentally. I was fortunate to spend a number of days in Wilpena Pound and saw several groups of students come through. While they looked a little weary their spirits were high and they enjoyed the satisfaction of finishing something that, at various stages, they may have doubted they could.

Term 2 also saw an alternative program run at the School, where students enjoyed some different electives such as cooking, dancing, weights training, car research and resume writing. They also had to uncover which staff member had “murdered” poor Mr Crouch in our inaugural WhoDunnit activity. The student population was truly stunned when Mr Swanson was chased down and arrested by the faux police on the Main Oval at lunchtime as the prime suspect!

To finish the year, our Heads of House delivered a session to the Year 10 students on leadership, looking at key qualities a leader may need, such as trust, authenticity, kindness and courage.

Mr David Scott
Head of Senior Years

1. Mountain biking through rugged terrain
2. Camel riding, a highlight of the Year 10 Journey
3. Exploring the treasures of the Flinders Ranges
4. Hiking through the vast landscape
5. Using a compass to check bearings

Year 9 report

1

2

The Year 9 boys were warmly welcomed to the House system after their time in the Middle Years. The students were eager to fully integrate into their House and enjoy working with the older students in our vertical pastoral system. I am fortunate to have met each Year 9 individually at the start of the year, to hear what their goals are and what they enjoy most about being at school. Their House identity is always a very common response.

The main focus of our Pastoral program was around respect towards females. Early in the year, we paired with Wilderness School, where the students themselves developed some workshops to discuss gender equality in fields such as the workplace, media and sport.

In Term 4, the Year 9 students went to Seymour College, where they met in small groups with Year 11 girls, who answered the boys' questions about relationships, friendships, intimacy and social media use. These sessions are of significant importance to help our boys understand that respect is the foundational basis for all relationships they will form throughout their life.

Mr David Scott
Head of Senior Years

1. Year 9 art students with Artist in Residence, Tsering Hannaford

2. Year 9 student Adam Goddard (right) with Aidan Murphy (Year 10) at the Senior School Athletics Carnival. Aidan broke two School athletics records and was a recipient of the AK Gordon Trophy.

3. Boys working with Tsering Hannaford.

Year 8 report

2

3

1. Year 8 students in the Grampians during the Year 8 six-day journey
2. Year 8 students Fraser Connel, Andrzej Czechowicz, Hugo Wurm and Jake Nesbitt with Dr Tessa Opie and Mr Matthew French
3. Year 8 students Ethan Leo and Noah Browning abseiling

What a wonderfully busy and productive year the Year 8 cohort have enjoyed.

Term 1 saw us off to Finnis and then, in quick succession, the boys competed for their Houses in Summer House Sports Day and the Swimming Carnival.

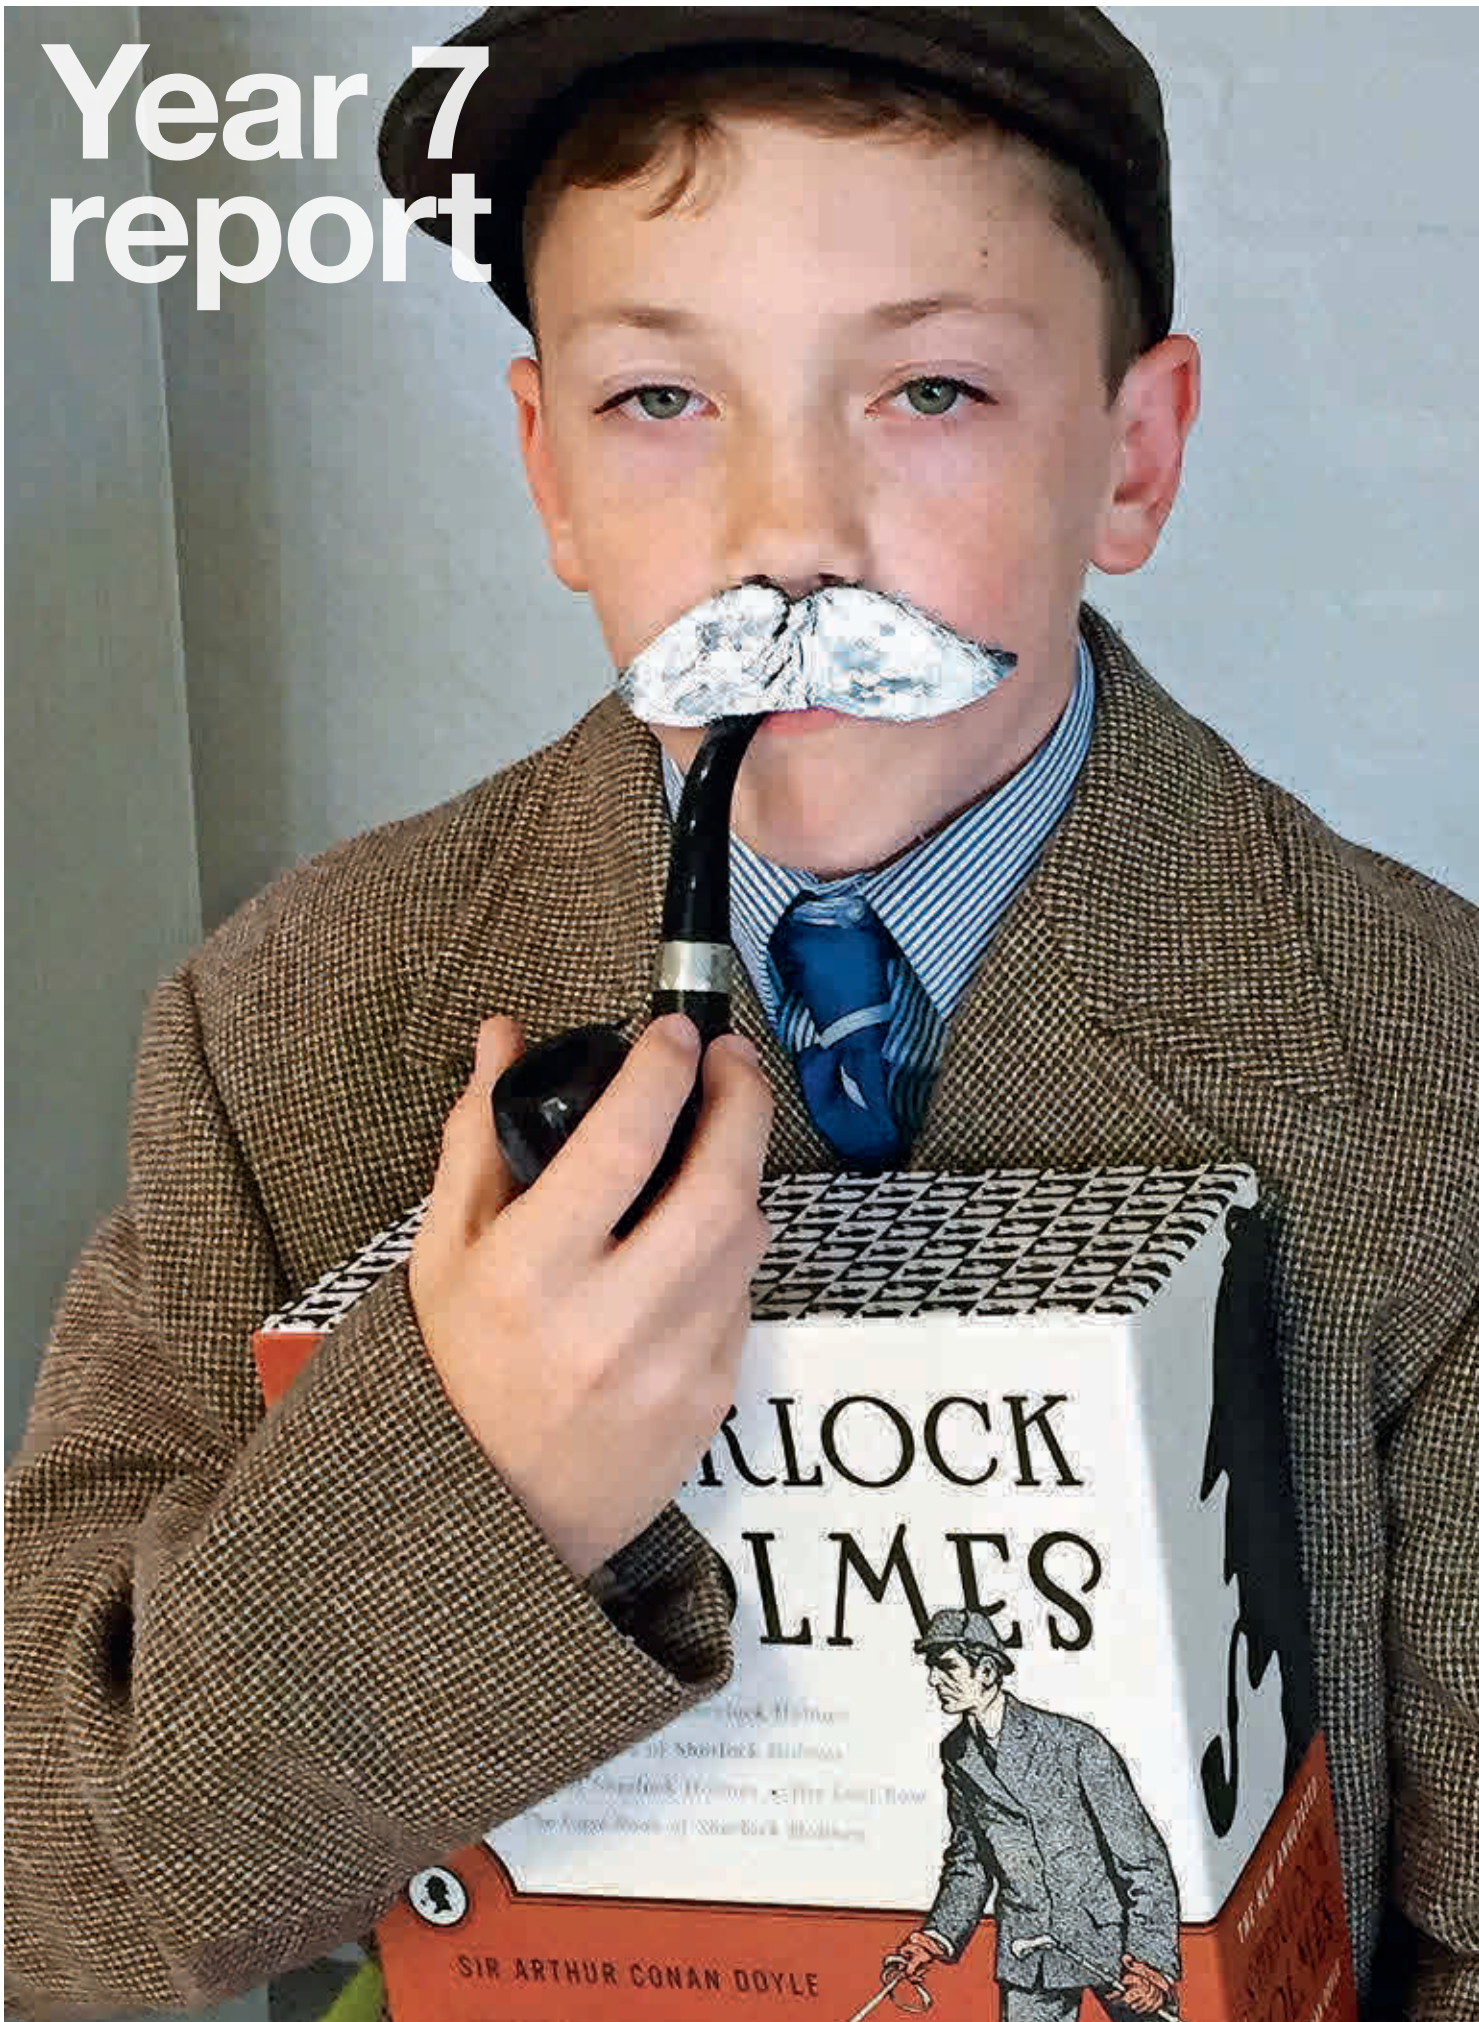

Term 2 started with a moving Anzac Day service with all of the Senior School present. Community Day provided yet another time for the Year 8 boys to represent and enjoy the comradery of their House, parents included. Term 2 also saw us off to the Grampians for our six day journey.

Other activities it has been pleasing to see Year 8 boys participate in have included: Battle of the Bands, sports week activities, the Junior School play, public speaking and a myriad of House based activities and fundraising events. The boys all seemed to thoroughly enjoy their involvement in intercols be it as a player or a spectator.

Additionally, Year 8 students participated in a series of workshops titled *In Your Skin*, where relationships and sexuality were discussed. Our coeducation day with the girls from St Peter's Girls' School and Walford Anglican School was a worthwhile experience for all.

Mr Michael Gilmore
Year 8 Coordinator

Year 7 report

1

2

4

6

3

5

The first year of Senior School is initially a time of nervous excitement. It is the time when these emerging adolescents consider the academic, social and physical challenges of their new environment. There are new friends and teachers to meet and new classrooms, buildings, subjects, habits and routines to discover. This year's cohort settled very quickly and thrived upon the opportunities presented to them.

Besides immersing themselves in a rich academic program, the boys enjoyed a variety of added extras to enhance their learning. They took part in the *Night of the Notables*, two outdoor education experiences, visits to the museum, university and observatory, a range of House activities, a science energy project, an Indian feast, a rocket powered car event, class Mesopotamian village design (using Minecraft) and school play.

The students also thrived upon the co-curricular opportunities including traditional and new sporting options, abundant musical challenges and performances, art and drama clubs and speeches and debating.

The Year 7 cohort will have many fine memories to cherish in the future. They will be remembered as a group who took on the new challenges with a positive optimism.

Mr Andy Payne
Year 7 Coordinator

5. Murphy Eaton at Adelaide University
6. Jasper Hermann, Josh Rai and Derek Yin at work in the science laboratory

Sir George Murray Shield

Alex Wakeham (Year 11),
Mr Ciaran Geraghty,
Oliver Cobain (Year 11)

Woodcock House

The competition for the Sir George Murray Shield at Saints allows boys to be recognised for their abilities in sports, music and a plethora of other activities that make the interhouse rivalries strong and rewarding. The Sir George Murray Shield is named after Sir George Murray, a student who attended Saints in the School's forming years. His namesake shield was first awarded in 1929 to the House which performed the 'best in school work', however, the criteria were extended in 2007 to recognise House performance, participation and community service. These criteria were designed to better allow Houses to represent their abilities and the School's approach to a holistic education.

These qualities were certainly demonstrated by Woodcock in 2018. The Shield brought boys of the House together to focus on teamwork, character and a special focus on boys nominating themselves for events that would push them out of their comfort zones.

The boys' positive attitudes and willingness to support the House is certainly what made 2018 such a fulfilling year; not to mention, the boys' pride in wearing the cerise and black is always an incredibly rewarding part of being a Woodcock boy!

This competition with the other Houses brings the best out of all the interhouse community at Saints and all of the Senior School Houses should be proud of their involvement this year. We're certainly looking forward to the challenges and rivalry that the 2019 Sir George Murray Shield competition will bring!

Oliver Cobain (Year 11)
Woodcock House

House

Reports

Da Costa

The pride and competitiveness of Da Costa students were evident all year throughout many events.

The Swimming Carnival saw Da Costa's Under 14 and Under 15 division swim exceptionally well throughout the day, with many first and second positions achieved. Special mentions to Will Gaertner for achieving champion. The Under 13 champion, Hamish Scott-Young, achieved an impressive time of 33.65 for the 50 metre butterfly race which was a new School record. The cross country event saw Da Costa gain one of the best results in Saints' history with four out of the top five runners being in DAC with an outstanding performance from Jack Kelsh finishing in second place. Da Costa was placed third in the Annual Athletics Carnival which saw the boys rally around each other and a few participants achieving person bests in their events.

The highly anticipated Community Day, at the beginning of Term 2, saw us finish in sixth place with our best results coming from football and rugby sides and the enthusiasm of Barnaby Pyne.

The Da Costa community also rallied behind our fundraising efforts for Huntington's and the Violet Foundation again this year.

Pyramid of Cans saw a record number of cans brought in by Da Costa students.

Battle of the Bands was highlighted by the Junior band reaching second place by giving an inspiring performance. Josh Wilson (Year 9) showed amazing confidence and skill by singing the INXS classic *Never Tear Us Apart*.

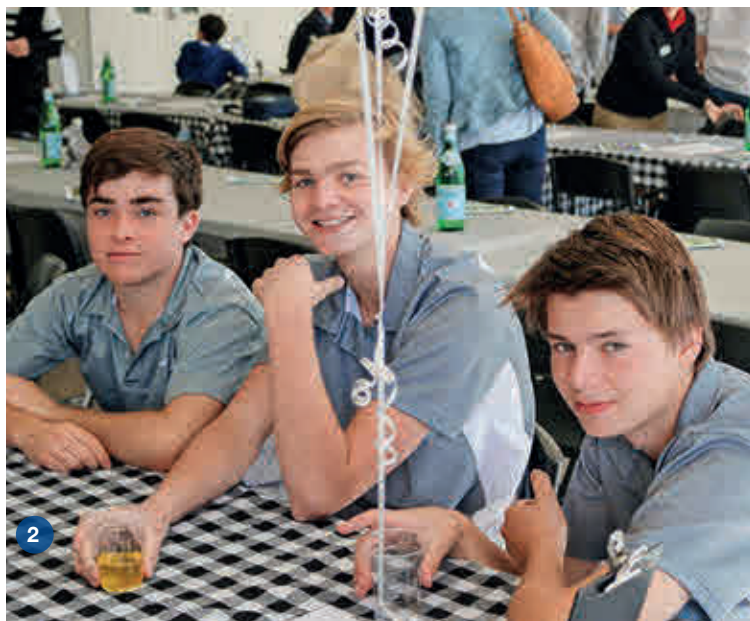

Summer House Sports Day happened twice this year. In Term 1, Da Costa finished fourth in Junior Volleyball and fifth in Senior Tennis. However, Term 4 saw us improve and win Junior Volleyball, Senior Water Polo and Senior Tennis giving us a great start for the 2019 Sir George Murray Shield.

Overall, Da Costa House competed with determination, accountability and cooperation.

The House would like to thank the mentors Mrs Aller, Ms Qiu, Mr Bruce and Mr Warnes for their support and guidance. Also to House Leaders Mr Inman and Mr Malkin for their leadership throughout the year. We also want to give a big DAC welcome to Mr Tingali who joins as a new mentor next year.

Farr

2018 has seen our best effort in sports and contribution and we have seen a major increase in community and teamwork of all Farr House members.

Our Farr sportsmen started the year on a high, competing enthusiastically in the Summer House Sports Day, with the highlight being a thrilling last ball victory of the Farr Cricket Team over arch rival, Woodcock House. The Senior Basketball Team did well to reach the semi finals and were third on the day, whilst the Senior Tennis Team and Senior Badminton Team just missed out.

The Swimming Carnival saw Albert Vu, Alex Lynch, Aleksander Dobrijevic and Duc Pham starring in championship events, where they competed exceptionally. With close races and many of the House swimmers placed within the top three spots in most strokes.

A highlight of the year was Community Day as it was an excellent opportunity for our families to network over a delicious lunch. Congratulations to the Senior Table Tennis Team who placed fourth. The success and outstanding effort of both the Seniors and Junior Basketball Team were also notable.

With over 900 hundred cans donated to Anglicare's Magdelene Centre, it was no surprise that we dominated the Pyramid of Cans.

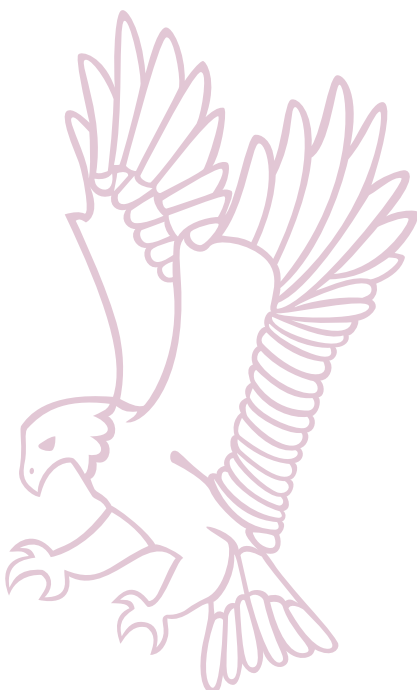

Farr achieved our best ever result in the cross country, finishing second in both competitions and with the highest number of boys who ran. The Junior runners were led by Jonathan Harris and Aidan Murphy who finished in the top 20 and Alex Lynch bringing it home for the Senior boys.

After strong performances over recent years, the Farr Chess Team, led by Albert Vu and comprising of Jeremy Harding, Eton Williams, Henry Allen, Hugo Bowyer and Arvind Pati, narrowly missed out on the silverware this year.

Farr House raised funds for Beyond Blue through Battle of the Bands. The Junior band was comprised of Eton Williams, Alex Rouss, Arvind Pati, Bingqi An and Ridho Redford who performed Coldplay's *Fix You*. This year, Farr's Senior band performed *Can't Stop* by Red Hot Chilli Peppers narrowly missing first place by one point. This band led by Kush Goyal, Henry Allen, Ben Harding, Will Varga and Josh Dunstan, along with the brief appearance of Mr Inge, did the House proud.

On behalf of the Farr Prefect Body, we thank you for all your hard work and dedication creating an overwhelming sense of House pride.

Kosta Dimitropoulos
House Captain, Farr

Farrell

Farrell House has performed well year after year and 2018 was no exception. Farrell House began the year with some great performances at the Swimming Carnival, particularly from Jack Duggan and Darcy Tsamaidis in their respective events. The Swimming Carnival was an opportunity to show our passion with impressive performances in both the junior and senior relay events.

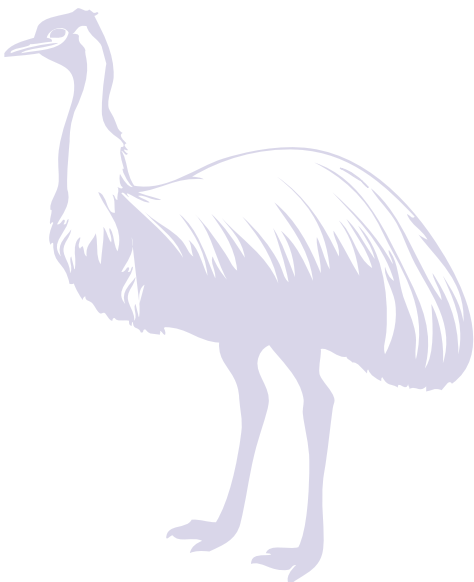

Community Day is always an amazing event for students and their families. Having the event in the Da Costa Dining Hall made the event even more enjoyable.

The Pyramid of Cans was another successful event for the House, showing our more artistic side. With the theme of world wonders, there were many different entries in the competition. However, Mr Fabbro envisioned the Sydney Harbour Bridge, which turned out to be a very successful piece. It was good to see all the boys in Farrell House engage in a meaningful cause and to see their understanding of the purpose of giving to others.

Battle of the Bands was also a very exciting event for the boys. Farrell House entered both a junior and senior band led by Tom Olfield and Tom Brooke-Smith, respectively. The juniors placed first in their competition with a great rendition of a song by The Cat Empire. The seniors also placed a commendable third with the classic track, *Superstition*, by Stevie Wonder.

The past year has been a great experience for Farrell House and all its members. The House would be nothing without the involvement and comradery of the students. The efforts of all those involved in Farrell House should be congratulated, especially the Head of House, Mr Jehle and the mentors, Mr Fabbro, Mr French, Mr Gabb and Mrs Heim for their tireless involvement and help. You can see through every Farrell member how much the House means to them and what it offers them. As we look forward to 2019 with anticipation, Farrell will only continue to improve and better itself in every step of its journey towards the upcoming centenary in 2020.

Hawkes

This year marked the 99th year in the life of Hawkes House, which was yet again characterised by its inclusive and supportive community. 2018 has been about appreciating traditions, fostering a sense of belonging and most importantly, allowing us all to flourish in our own ways.

Early in the year, Mr Crouch was welcomed as a mentor. I had the privilege of calling our newest cohort of Year 7 students in the holidays, too. As expected, their transition process was a mixture of excitement and uncertainty but upon reflection, it's safe to say that they have embraced the challenges and helped to enrich the culture, comradery and spirit of the house.

Throughout the year, notable events such as Summer House Sports Day, Swimming Carnival, Community Day, Battle of the Bands and Pyramid of Cans, have allowed the Hawkes members to shine with pride. The highlights included finishing second for junior swimming whilst also dominating basketball. Meanwhile, our senior soccer team retained the cup for the third consecutive year— the dynasty has begun!

In Term 2, drawing inspiration from the *Humans of New York* initiative, Ms Patton introduced a similar activity. We believed that student connections can be empowering, so it was encouraging to hear many genuine conversations and sharing of personal stories.

The House Dinner was remarkable yet succinct; the evening ran smoothly with delicious food, engaging conversations, humorous presentations, a quiz and was a fitting farewell for the Year 12 cohort. The occasion was an enjoyable celebration of the contributions from the graduating cohort and served as an opportunity for the exchange of gratitude.

I would like to thank Jasper Stentiford (House Vice Captain) as well as Martin Daenke and Alastair Teagle (House Prefects) for their support and friendship this year. A big thank you too to all the boys, you're the heartbeat of the House and I thank you for enriching my leadership experience.

On behalf of the house, we would like to express our genuine gratitude to our mentors: Mrs Bartz, Ms Flanagan, Mr Begley and Mr Crouch. In particular, this extends to Ms Patton— who's the hardest working and caring Head of House— for her endless support and encouragement. We're truly blessed and grateful for the guidance of our passionate teachers.

After such an encouraging and successful 2018, Hawkes is well positioned to welcome the peaks and troughs that will define its 100th year.

Howard

Howard House is a community of caring, determined and motivated individuals and we embrace our motto: 'deeds, not words.'

In 2019, we succeeded across all fields, resulting in a top two finish in the Sir George Murray Shield. The message of participation truly stuck this year, as we learned that this makes Howard a formidable presence.

The first major event of the year was Summer House Sports Day. With the Howard House tent being the hub for games and music, the boys donned their blue shirts and participated in an array of sports. Some notable achievements include the success of the Senior Badminton Team being triumphant in the grand final. Also, a strong performance by our cricketers and Water Polo Team. Quickly thereafter, we had the Swimming Carnival in which Howard also showed a strong performance.

The House events continued with Junior Debating. Led by the experience of William Ritossa, most of the team had never debated before. However, everyone did well when coming against experienced opponents.

Community Day always shows the strength of Howard community as parents, teachers and students enjoy a day of sports and activities.

The final sporting event of the year was the Athletics Carnival in which Howard

again performed outstandingly and earned second place. Tom McClure displayed great skill and pace.

We entered two bands into Battle of the Bands this year. The Juniors — with the fan favourite singer, Andrzej Czechowicz — stole the show with a rendition of *The Final Countdown*. Well done to Cooper McDonald, Sam Warrick and Connor Murphy for an excellent performance. The Senior Band performed the iconic song *September* by Earth, Wind and Fire. Yi Qin demonstrated his musical talent with an original solo performance on the electric guitar along with Fraser Town and Anthony Tran.

House Dinner concluded the year memorably. As the entire House came together to farewell the Year 12 cohort and reflect. Representatives from Junior School and MC, Will T-D, sped the evening along as they spoke about the many highlights. Our House Captain, Howard Wu, delivered an emotional and inspirational speech.

Thank you to Mrs Iadanza for her hard work and motivation. Everyone feels a part of the community which is due to the effort she puts into planning and creating weekly activities and ideas. As she leaves for maternity leave, we welcome Mr Ciaran Geraghty to lead the House in 2019.

MacDermott

In 2018, MacDermott House breathed the motto, 'Animus Vincit Omnia' culminating in a very successful year.

2018 began with the much anticipated Swimming Carnival. MacDermott House has a number of talented swimmers, including open champion, Jack Kroker, who dominated the backstroke, breaststroke, freestyle and butterfly.

Summer House Sports Day was a great day for MacDermott, with victories in senior volleyball and junior badminton tournaments. We also won the junior house debating competition, taking victory over Farrell House and our talented debaters should be congratulated.

Community Day was a great success, where our senior house rugby took victory. The Pyramid of Cans competition closely followed, with MacDermott House creatively constructing Wilpena Pound.

The musical talents of the House were showcased in the Battle of the Bands competition. Our senior band won the event with an amazing rendition of Queen's *Don't Stop Me Now*. The senior band consisted of some strong musical talent, which we look forward to seeing more of in the future.

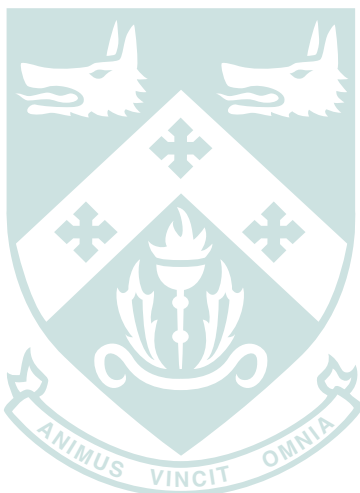

MacDermott saw yet another victory in the House chess competition where a team of talented chess players won the tournament convincingly.

Term 3 concluded with the House Dinner. We congratulated this year's recipient of the GK Henderson Prize for service to the House, Hamish LePlastrier (Year 11). The moving event had a focus on the contributions of longstanding MacDermott mentor Dr Barbieri as he left St Peter's College to take up a new role at the University of Adelaide. Dr Barbieri provided years of service to MacDermott and will be greatly missed.

I would like to thank the efforts of Sathyajith Sukumaran (House Vice Captain) for all his assistance, leadership and advice throughout the year. I would also like to thank Fabian Wightman (School Prefect) throughout the year, along with the House Prefects, Lachlan Staritski and Hamish Tugado for their support.

This year, the House began to fundraise for Catherine House, a refuge centre providing support services for women experiencing homelessness in the city. Throughout the course of the year, MacDermott House managed to raise over \$2,200 for the outstanding character demonstrated by all of the boys in the house has contributed to the great culture and thus a very bright future for mighty greens.

6. Lachlan Staritski, Adrian Passelli, Vinuka Thalís and Longcheng Li at the Swimming Carnival.

School & Allen

Term 1 saw the Summer House Sports Day, where the School & Allen Senior House Cricket Team won. The Swimming Carnival saw the introduction of chants, adding to the atmosphere at the Adelaide Aquatic Centre.

In Term 2, Community Day was another great opportunity that saw many families come together to celebrate School & Allen.

Term 3 meant the boys were challenged again in the annual Athletics Carnival. It was great to see Dylan Stephens taking out the Open 1500 metre award and also becoming the under 17 Champion. Well done to Alek Kudra on runner up (under 17) and David Amaechi for under 16 Champion.

The House Dinner for 2018 provided us with an unforgettable opportunity to farewell our Year 12 cohort and the House prizes awarded to the boys: Melville Clayton Prize to Henry Hawker, JH Hill Prize to Jock Bache, Wyatt Prize to Harrison Lan, Brodie Klein Memorial Prize to Nicholas Norton, Jamie Summers Memorial Prize to Tim Weir, Trevor Owen-Smyth Scholarship to Lachlan Parker, Brian Tennant Swift Bursary to Harry Vincent, Senior House Leadership Prize to Angus Dawson and Adam Millar Dixon Memorial Award to Hugo Hart.

This year we were provided with opportunities to help charity numerous important organisations including the Sony Foundation Children's Camp. This year School & Allen also took the White Ribbon Oath, which proved to be a meaningful and emotional moment dedicated to the mums, sisters and special women in the lives of our boarding community.

Thank you to the mentors and House tutors for the care you provide and always making our welfare a top priority. A special thank you to Mr Allom and Mr McNeil for providing a consistent presence and guidance in the House. I would also like to sincerely wish the best to Dr Holden, Mr Smith, Mr Haysman, and Mr Wimmer as they depart our House.

Mrs Hiern, we thank you again for another amazing year and tremendous efforts in the Boarding House. You are always there for us.

To the wonderful people in the Medical Centre, Ms Behenna, Mrs Wilson, Ms Charter and Dr Walsh. We thank you for taking care of us whenever we are sick or injured.

Finally, a big thank you to Mr Pearson, Mr Green and Mr Colsey. Thank you for your amazing passion and your efforts to create a home for us.

Short

What a fantastic and memorable year 2018 has been for Short House. The House shared some unforgettable occasions together this year and fully adopted the Short House spirit. Short House has accomplished sporting triumphs as well as community and musical achievements, whilst constantly maintaining the drive to serve others.

This year the House increased involvement in sporting events within the School. Through this, Short House has achieved victories in both junior and senior table tennis, as well as reaching the semi finals in both soccer and touch rugby. The House also obtained outstanding results heading into both athletics and the Swimming Carnival. This resulted in Short being placed within the top five heading into both carnivals. Special mention goes to Sports Prefect, Charlie Colovic, who helped emphasise the importance of involvement for all.

Short House has been involved in giving back to the community, including the Pyramid of Cans, in which Short built an impressive sphinx design to place us equal first in the fundraiser. Short House also sponsors a child from Cambodia. This initiative was led by House Vice Captain, Alexander Bampton.

This year we have made a special effort to get the Middle Years involved and build and guide their love for service as well as integrate them into the Short House family. House Prefect of the Middle Years, Connor Kitching, played a vital role in supporting them.

I would like to take this opportunity to thank the Year 12 cohort and the 2018 House Prefects, who have not shied away from any challenge and ensured the success of Short House. We also had the privilege of having School Captain, Indran Mukherjee, to help drive and direct Short House to be the best it can be.

This year couldn't have been as successful as it has been without the help and guidance of each of our House mentors, Mr O'Shea, Ms Dickson, Mr Perry and Mr Cuevas. Your kindness and passion for the House and the development of each boy is unprecedented. Also, a huge thank you to Mrs Van Rensburg, who is truly the foundation of the House.

Best of luck to Nicholas Egarr, House Captain in 2019 and to the mighty Short House lions!

Woodcock

It was a great year for Woodcock, with the House awarded the Sir George Murray Shield plus a number of other victories. The House held a number of fundraisers, with boys even hosting their own to raise awareness for issues close to them, such as Alex Wakeham participating in the World's Greatest Shave.

The 2018 interhouse competitions highlighted the boys' skills and abilities and more importantly, their willingness and dedication. It would be remiss to forget the culture of Woodcock outside of the interhouse events, as the interconnectivity and relationships between the boys and their mentors provided every boy with a sense of belonging regardless of who they are.

2018 began somewhat bittersweet for Woodcock, as although we came away victors during Swimming Carnival, it was only until a few days had passed, that a recount was issued and the title of swimming champions was rightfully awarded to Howard House. The boys, although disheartened initially, banded together and used this moment as motivation for every event to come, bringing a sense of grit and community that was unique to our House.

Throughout the year, many of our boys had successes in the interhouse sporting and co-curricular activities but the Woodcock

spirit resonated the strongest during our moments of failure. Despite losing many of junior basketball games we were the most enthusiastic group of boys on the court at any time. Additionally, both our bands performed wonderfully during Battle of the Bands. Finally, despite placing in last during Pyramid of Cans, Woodcock was not despondent and stuck together using this moment to find further success.

The 2018 mentors, including Mr Carter, Ms Traino, Mr Swanson and Mr Salter provided us with a community that helped foster and support every individual. Mr Geraghty acted as Head of House and although Mr Cardone left big shoes to fill, Mr Geraghty elevated Woodcock and pushed the boys, helping to retain the proud Woodcock image that has existed for so long. The success of this year, along with every victory we've had, has been a direct contribution of the tireless effort Mr Geraghty has given the House throughout the year.

I'd like to thank every Woodcock boy for working with and for each other. I would also like to thank the Year 12 cohort, especially the House Prefects, Tom Green, Charles Higgins and our Vice Captain, Charles Gibson, for their dedication and leadership.

Young

Young House has competed in a myriad of competitions throughout 2018. The boys began the year with events such as Summer House Sports Day where the Junior House Water Polo Team finished in first place. Other important events on the calendar included Swimming and Athletics Carnivals. However, special mention must go to Jordan Schultz and Adam Goddard who both finished first in the Senior and Junior House cross country championships respectively.

Community Day was a successful occasion for Young House where parents watched their sons compete in the winter sports program, followed by a luncheon. This was also a fundraising opportunity with proceeds donated between the two major House charities; our sponsored child in Malawi and Novita Children's Services. Additionally, the House held a Shrove Tuesday Pancake Fundraiser in Term 1 that generated additional funds in support of Novita. Moreover, another great success for the House was the Pyramid of Cans where we finished in equal first place.

The House Dinner celebrated the accomplishments of the Year 12 students in the presence of their parents. Our guest speaker Brayden Davidson—a Paralympian and former Novita client—gave an inspirational talk and a cheque for

\$1,000 was presented to him on behalf of Novita Children's Services. House prizes and colours were awarded to worthy recipients to conclude the evening.

The House's success would not be possible without the fantastic teacher based support group, which includes our Head of House, Mr Sinanis, as well as mentors Mr Lucas, Ms Ziniak, Ms Bester and Mr Vari. These teachers have helped mould the men of Young House and I cannot thank them enough for their work and ongoing support.

I have been a member of Young House since Year 8 and in that time the House has been a fantastic support system. The close community has helped me build great friendships and has made my School life even more enjoyable. The memories and friendships I have forged throughout my time in Young House have been invaluable and I could not have asked to be a member of a better community.

I would like to take this opportunity to thank everyone who has been involved with Young House this year. It has been an honour to serve the House as its Captain and I wish Young House all the best in 2019.

Junior

Farewell from the Head of Junior School

Researchers have found that the most important character strength a person can have is gratitude. I clearly remember the day I was interviewed for the position of Head of Junior School. I had flown in from Sydney the day before and stayed with my father. I could see he was very excited about the possibility of me returning to Adelaide and securing the role at Saints.

Since being offered the position by former Headmaster, Simon Murray OAM, I have had a sense of overwhelming gratitude at fulfilling this important role for the past eight years. To work in one of Australia's great boys' Schools is a daily privilege and one which I take very seriously. I recently spoke to a colleague from a boy's school interstate who visited our Junior School this year. He was struck by the warmth of the School, its staff and boys. In his words he told me, "I have never seen so many fantastic learning opportunities for students in my life."

I am truly indebted to the support I have received from both Simon Murray OAM and Tim Browning, and successive members of the Council of Governors. Their tangible backing of the important learning, wellbeing and student life initiatives in my eight years here have been greatly appreciated. The result is a Junior School which has grown its enrolment by some 140 boys in that time and placed itself at the forefront of primary education in this state. It is this legacy of which I am most proud at Saints.

I have been blessed with an outstanding leadership team in Sheryle Yorston, David Kolpak, Ceri Slinger and Suzanne Haddy (now Head of Junior School at St Peter's Collegiate Girls' School). People comment constantly on my high visibility around the School. One reason is strategic, the other is that I am incredibly fortunate to have had such quality leaders, who through their effectiveness and efficiency allow me to regularly visit classrooms and attend student life activities, so I can be actively engaged with the boys.

Teaching is such a noble but challenging profession in the 21 century. A school will only grow by 140 students in eight years if current and prospective parents are happy with the staff and the care they can provide for their sons. I see first-hand the

passion the staff have for teaching the boys here at Saints, and the hours they commit both individually and as a member of a team to realise the School's vision to be an exceptional community of learning.

This year brings to a close my 42 years in education, including 33 as a Head at six schools in four states across Australia. I have been fortunate to have worked for ten Headmasters and have learnt much from them, which has helped me grow both professionally and as a person. In that time, there has never truthfully been one day where I have not wanted to go to work. Why? Because I get great energy from being around the staff, students and parents. The students in particular are often extremely funny, without even realising it. Like the young boy who looks at you at the JSFoS breakfast and then says to your wife, "Are you Mr Hine's mum?" No offence taken but a funny moment, duplicated thousands of times throughout my career, which causes you to carry a smile around for the rest of the day. Yes, I will miss the boys at Saints who have given me so much joy and laughter, and who have an inspiring thirst for learning.

The role of a Junior School Head has changed significantly during my 33 years in the role. Some 30 years ago, 80% of Deputies in primary schools in Australia wanted to be Heads in their own right. That figure is now only 20%. This causes me grave concern, as schools need inspirational and strong leaders. I can only hope that teachers can see through the challenges they witness in modern educational leadership and aspire to a role where you get to work with students, staff and parents to build an exceptional learning community.

As I move towards retirement, I have decided to do nothing for a few months, after being involved in education since I was five years of age! My wife and I will then visit family overseas. My first commitment in retirement is to my wife. She has selflessly and generously allowed to give some 60 – 70 hours a week to Saints to allow me to do the job I love. I now want to repay all that time I have been away from home, by spending a lot more time with her. I only hope she hasn't had enough of me being at home by March next year!

It is almost impossible to summarise in a few words what a blessed and fortunate career I have had as an educator. I look back with a degree of pride at my accomplishments and with gratitude for how good life has been to me. Good health, wonderful family and friends, an amazing career, the opportunity to work with thousands of children, staff and parents, and the good fortune to work and then retire in a School which rightfully occupies a place as one of Australia's outstanding schools.

I wish Saints all the very best for the future. I have been privileged to be one of only ten people to have led its Junior School since it began in 1910, and I look forward to hearing of its continued success and achievements with David Kolpak initially, and then Jasmine Taylor at the helm.

Pro Deo et Patria

David Hine
Head of Junior School

David started at Saints in January 2011 and retired in December 2018. During this time, David has been loved and respected by the entire School community and has been integral member of the Senior Leadership Team. We wish David all the best for his retirement.

1. Mr and Mrs Hine at 2018 Bastille Day Celebrations.
2. Always lending a helping hand at sausage sizzles.

Junior School leaders

1. Junior School Captain, George Wicks (right) with Junior School Vice Captain, Henry Robertson (left).

2. Teacher: Mr David Hine

Back Row: William Disney, Fergus Lamp-Brooks, Charles Milne, Alex Cavenett, Noah Latimer, Archie Young, Remy Sawers.

Front Row: James Gasparin, Dejan Dimovic, Henry Robertson, George Wicks, Wilson Lee, David Taylor.

During Term 4 in 2017, the Year 5 boys went through a well defined process to choose who they would like to represent them as Junior School Leaders for 2018. In consultation with the Junior School teachers, the boys listed below were chosen to be the leaders for this year.

Throughout the year, the boys provided positive leadership at assemblies, public events, school activities, sporting competitions and generally around the School. The boys also attended leadership activities including a workshop for student leaders in Anglican Schools, where the guest speaker was His Excellency the Honorable Hieu Van Le AC, Governor of South Australia.

In all the activities and special events in which they were involved, the boys conducted themselves superbly and set an excellent example for their peers.

Mr David Hine
Head of Junior School

The 2018 Junior School Leaders were:

Junior School Captain: George Wicks

Junior School Vice Captain: Henry Robertson

Art Captain: James Gasparin

Music Captain: Archie Young

Sports Captain: Fergus Lamp-Brooks

Co-Captains of Alliston-Jones: Alex Cavenett and Remy Sawers

Co-Captains of Brooks: Wilson Lee and David Taylor

Co-Captains of Clayton-Dyer: William Disney and Charlie Milne

Co-Captains of Stokes-Ware: Dejan Dimovic and Noah Latimer

Year 6 graduation

The 2018 Graduation proved to be a significant milestone in the educational journey of the Year 6 boys. The event— which was attended by parents, who are our partners in this education journey— celebrated and recognised the boys' completion of their junior schooling.

Representative boys spoke impressively about events and experiences at Saints that broadened their knowledge and enriched their experience, whilst fostering the community spirit that Saints is renowned for.

Mr Hine focussed on resilience and persistence in his thoughtful keynote speech. The boys really took away a lot from the primary message which encouraged them to bravely approach their future with determination and spirit.

The entire school is proud of the Year 6 graduates and wish them well as they move into the Middle Years.

David Kolpak
Head of Junior Years, Wellbeing
and Administration

Year 6 report

It has been a significant year of change and growth for the Year 6 cohort of 2018. Whilst we have seen much evidence of pleasing academic growth for many, we have also witnessed the physical signs of change occur right before our eyes, as our boys begin to grow into young men.

From the very onset of the year, the boys were set a challenge of living up to the expectations of our Year 6 motto which is 'we set the tone'. This has been our collective mantra for the whole year and the teachers have referred to it at numerous times throughout each term when talking to the boys about how to conduct themselves and effectively lead the Junior School.

The academic year has been very busy and at times quite hectic, with the rich array of learning opportunities that the boys have

been exposed to throughout. The boys were involved in many activities that have enhanced their learning such as Frank's Lab on Legs, Artist in Residence Program with Sarah McDonald, Anglican Charities Day and the Canberra Tour, as well as be visited by guest speakers Jo Elsom (ABC), Rebecca Knol (South Australian Chamber of Mines and Energy) and Oren Klemich (Organ and Tissue Authority Board).

Year 6 is an integral part of many boys' leadership journey. In some ways, all the boys in Year 6 have had to lead at some point, whether it be within the class, as an elected SRC member or through the multitude of leadership positions in music, sport or other interest groups that are available. All of these roles have an impact on the school and each boy is required to fulfil his duty as a leader.

Throughout Term 4, the boys have embarked on their transition journey into the Middle Years. Many of the daily routines and expectations became more like those that a Middle Years student would experience daily. This helped the boys to achieve greater independence both in and out of the classroom and also improved organisation and workload management, holding them in good stead for their future years.

2018 will be remembered as a year of positive social and academic development across the cohort. Congratulations to all the boys who have involved themselves in the many opportunities offered to them at Saints.

Mr Adam Clutton
Year 6 Coordinator

1. Parliament House, Canberra.
2. Visiting the Royal Australian Mint, Canberra.
3. In front of the Australian War Memorial, Canberra.
4. Year 6 students at the Book Week Character Parade.
5. Boys remembering those we lost, Australian War Memorial.

Year 6 Canberra

1

2

3

4

Our Year 6 Canberra Tour was a fabulous experience.

The trip was filled with many learning experiences: Parliament House, National Capital Exhibition, Royal Australian Mint, Canberra Deep Space Communication Complex, Australian Electoral Commission, National Portrait Gallery, National Museum of Australia, the Australian War Memorial, Australian Institute of Sport and Questacon.

Our highlights included viewing the Senate in action, giant slide and lightning cage at Questacon and Last Post Ceremony at the Australian War Memorial.

Our whirlwind tour ended when we arrived back home exhausted but knowing so much more about our system of government and how democracy in Australia works.

Kate Nixon
Year 6 Teacher

1. The Last Post Ceremony, Australian War Memorial.
2. Boys all ready to climb.
3. Role Playing Parliament.
4. Josh Myers in front of boys in the big shovel bucket at the National Museum of Australia.

Year 5 camp

The Year 5 Camp — filled with adventure and unique learning experiences — visited the Port Elliot, Victor Harbor and Middleton areas.

The students visited The Big Duck, had a surfing lesson, undertook the Finnis Challenge, heard a talk from a Sea Shepherd volunteer and enjoyed science experiments plus went bike riding and sailing.

They also learnt about Aboriginal Art and designed their own artwork and entered the House Raft Making Competition (which Stokes-Ware won).

It was a memorable experience and could not have occurred without the planning and organisation of Mr Jamie Buxton-Stewart and Ms Lisa Sachse.

Ms Clare Brooking
Junior School Teacher

Year 5 report

1. Comparing the size of planets with Mr Kevin Davey, during his *Planets and the Solar Systems* visits.
2. Fred Dyer winners Alexander Nguyen and Hamish Porter.

This year was very busy and productive for our 96 Year 5 boys. The character strengths of self regulation and teamwork were important for the boys as they went about organising themselves for the daily tasks and mastering new routines.

The swimming season culminated with the Swimming Carnival in which our boys took up the challenge and involved themselves in as many events as possible, striving to do their very best for their House.

Other interesting activities included going to Finnis for a three night camp, an amazing day trip to Monarto Zoo, Independent Primary School Heads of Australia (IPSHA) Junior Orator Competition and a cross country run. Additionally, the boys participated in the Winter House Games Carnival, Book Week activities, Frank's Lab on Legs science presentation plus many more.

The winners of the IPSHA Junior Orator Competition were Harry Manifold, Henry Wigg, Charlie Bruce, Yiorgos Coutsoumbes, Ahaan Kothari, Alexander Piscioneri, Anirvan Iyengar and Krish Raju.

Furthermore we were very lucky to have Mr Kevin Davey present fascinating talks about the planets and solar system, plus two visits from Indigenous guest educator, Mr Trent Hill. Mr Hill, a Noongar man from South West Western Australia, engaged the boys with explanations of how traditional tools and technologies from a variety of language groups from across Australia were made.

In Term 3, the boys created and performed poetry where Lochie Siow was selected as the Year 5 representative from St Peter's College to perform in the IPSHA Poetry Competition.

Over the year, each class also had the opportunity to work on robotics with Mr Becker to build a Lego robot and program it to perform various tasks.

The final part of the School year saw the boys researching and writing a journal from the perspective of a courageous Australian who experienced duty in conflict or peacekeeping. To support this research, the classes visited Athelney House where they examined historical medals, photos and memorabilia. Then, on Remembrance Day, our students participated in a moving ceremony led by Father Theo McCall. Alexander Nguyen and Hamish Porter were the recipients of the Fred Dyer Award for their impressive journalling efforts.

Throughout the year, there has been significant growth in maturity and responsibility of the Year 5 student cohort, preparing them suitably for leadership roles in Year 6. They are well prepared as they enter their final year of Junior School.

Year 4 report

The Year 4 cohort have immersed themselves in their learning for this year and have strived to always achieve their best. The academic program has been well supported by a number of interesting incursions and excursions. The boys have been involved in a wide range of co-curricular activities and it has been pleasing to see the enjoyment and dedication of each boy.

Throughout the year, the boys worked with many important guest educators. In Term 1, we were visited by the Warrawong 2U program as part of our science lessons. The boys were studying biological sciences and the dependence that living things have on their environment for survival and really enjoyed the close up experience of holding snakes, a potoroo, swamp wallaby and a Major Mitchell's cockatoo.

The boys were also challenged by the activities of Frank's Lab on Legs. We had two sessions with Frank, exploring both chemical and physical sciences.

The Year 4 classes worked with Walford Anglican School for Girls on two occasions throughout the year. The Walford girls visited St Peter's College in Term 3 and all students were involved in a yoga session, Lego construction activities and problem solving tasks. During Term 4, we travelled to Walford and enjoyed participating in an engineering task, stop motion movie making and a group problem solving challenge.

A new program for Year 4 this year was linked to our RAVE lessons. All Year 4 boys visited the St Peter's Cathedral and enjoyed learning about the history of the Cathedral and its important connection to our School.

The Year 4 camp was a significant event for the boys. We spent two nights in tents at the Finnis campsite. The boys were involved in a variety of interesting activities, connecting to the learning we had undertaken about sustainability. This visit to the Coorong area was closely linked to our class novel, *Storm Boy* and also to the significant Aboriginal

history of the area. As staff, we saw the impact of this tour on the collegiality and learning of the boys.

It was pleasing to see all of the Year 6 boys work with rigour and challenge themselves to achieve academically throughout the year. This group will now move into Year 5 with a great deal of confidence and to participate in all of the opportunities that St Peter's College has to offer.

Ashley Weinert
Year 4 Teacher

Year 4 camp

In Term 4, we ventured to Finnis for an enjoyable camping experience. For many, it was their first time sleeping in tents.

The boys engaged in orienteering, boomerang painting and humpy building. During the evening they participated in a traditional Welcome to Country ceremony conducted by a Ngarrindjeri elder.

Leading up to the camp, the boys read *Storm Boy* and we boarded the Spirit of the Coorong in Goolwa to explore the issues raised in the book.

The boys spent the day walking amongst the dunes and beach, exploring cultural sites and flora significant to the Ngarrindjeri people.

Ashley Weinhert
Year 4 Teacher

Year 3 camp

In Term 4, the Year 3 boys departed for a two day Outdoor Education trip to Mylor Baptist Camp, which offered varied problem solving and challenging indoor and outdoor experiences, further developing their confidence and resilience.

The focus was on building teamwork skills, developing positive relationships and perseverance. The boys rotated through activities such as the flying fox, initiative pursuit, scavenger hunt, crate stacking, the bouldering wall and low ropes.

The boys were extremely well behaved and cooperative at all times. A special thank you to Mr Howes, Mrs Dansie, Mrs Norman and Luke, our exchange student, who assisted us.

Ms Ada D'Onofrio, Ms Sally Menadue and Mr Richard Davey
Year 3 Coordinators

Year 3 report

The Year 3 students of 2018 have had a wonderful year. It has been a pleasure to watch their personal, social and emotional growth alongside seeing their many achievements and significant academic progress since they joined us in January.

Term 1 was an exciting time as the boys moved from Junior Primary to join the older boys. A particular highlight was starting to attend fortnightly House meetings, where they got to know the older boys within their Houses.

The boys also enjoyed investigating Australia, its features and significant landmarks and reasons why they should be protected.

Term 2 saw the boys inquiring into celebrations and commemorations. Another highlight was a visit from Frank's Lab on Legs to complement our science topic. A visit from the Year 3 girls from Wilderness School allowed the boys to practise their hosting skills, as they engaged in a range of fun activities with their buddies and enjoyed a delicious morning tea and extended play.

Day and night was a focus of learning during Term 3. The boys enjoyed learning about the sun, earth and moon, with boys engaging in a range of activities to extend and demonstrate their knowledge such as creating animated diagrams and constructing and testing their own sundials.

During Term 4, the Year 3 boys went on camp for the first time. They participated in a range of activities such as a scavenger hunt, climbing a bouldering wall, initiative pursuit games, bridge building and the flying fox. It was pleasing to see the boys exhibit so many of their character strengths, with bravery, teamwork and perseverance on display from all.

We also welcomed Mrs Menadue to Year 3 as Mrs Norman moved into a new role within the School. The boys showed maturity and adaptability as they made Mrs Menadue feel at home.

2018 has been a wonderful year full of celebrations and firsts for many of the boys and we thank all of their families for their support this year. We wish the boys all the best as they move into Year 4.

Ada D'Onofrio
Junior School Teacher

Year 2 report

Asking questions was the springboard for many learning journeys throughout 2018 for the Year 2 cohort. Some of those enlightening questions included: what are Earth's resources and how are they used? How are we connected to people and places? How many books can we read this year? What strategies can we use to answer this maths problem? How can we program the Bee Bot to move from one point to another? Sometimes we found answers quickly and sometimes we didn't. We discovered that learning journeys required patience, grit and trusting relationships.

Positive and trusting relationships were the keystones of the Year 2 classrooms. Under the guidance and care of the teachers, Mr Tirrell (and Mrs Wilson during Term 3), Mrs Irvine and Mrs Cole, old friendships were strengthened and new relationships flourished. The boys quickly discovered that

their classrooms were a place of risk taking and mistake making, as it was only by doing so that learning journeys could begin.

Year 2 boys had opportunities to demonstrate their knowledge and understanding in many and divergent ways and across a variety of topics. Conversations were had, books were read, topics were researched, robots were programmed, songs were sung, races were run and stories were written.

The boys were asked to recount their memories of Year 2.

'After a challenging and fascinating Year 2, I am going to show you the highlights of Year 2. My favourites were Maths, PE, Bastille Day, Art and Sports Day. These are my highlights of Year 2. There are other subjects such as the Year 1 and 2 Concert, English and Writing,' Tao Wong.

'Year 2 was the best year of my life. I really liked the Year 2 sleepover because it was amazing. I loved having the Living Eggs chicks in our classroom because we got to hold them. Yoga was new for me and it made me feel peaceful,' Nizam Ghuman.

'In Year 2, I loved Bastille Day. My favourite part was when we ate a croissant and drank hot chocolate. I really enjoyed the Science Bonanza. The best experiment was making slime because it was very fidgety and soft. I also loved the Year 2 sleepover and enjoyed searching for the white fox,' Kiran Wheelock.

As the year drew to a close, many questions were answered but some will be part of a future learning journey for the students.

Mrs Mara Cole
Year 2 Teacher

Year 2 sleep over

1

As Term 4 approached, curiosity filled the Year 2 classrooms as the boys demonstrated eager anticipation for the Year 2 Sleepover.

Students were enthusiastic as they arrived back to their classroom at 5:30pm, setting up their beds before playing games on Palm House Oval. Following this, the boys enjoyed a delicious sausage sizzle before engaging in a range of activities and games, including a night walk around the School in hope of spotting the notorious white fox and then a movie.

The boys demonstrated the character strengths of teamwork, perseverance, kindness, gratitude and zest as well as exceptional manners.

Mara Cole
Junior School Teacher

2

3

1. Ready for bed.
2. Enjoying ice-creams at the Year 2 sleepover.
3. Sausages in bread for dinner.

Year 1 report

Year 1 saw so much fun learning! The boys have particularly loved THRASS and Big Writes. The students' literacy skills have improved a lot and they are now very good at thinking of exciting vocabulary for classroom stories and all the Year 1 teachers have been very impressed.

The students all enjoyed a visit to the Adelaide Botanic Gardens to learn more about indigenous plants and the Aboriginal culture. It was fascinating how many things one plant could be used for.

Another excursion undertaken was a trip to the Road Safety Centre. Everyone enjoyed burning around the tracks on the bikes and learning the road rules as they did so.

Science has been a very popular lesson this year with the opportunity to hypothesise, investigate and experiment with concepts on change, living things and weather and use the Senior School labs. Additionally, the Year 1 boys extracted DNA from strawberries, made electrical circuits, exploded elephant toothpaste and other exciting things.

STEM (science, technology, engineering and mathematics) is a favourite time, particularly for challenges. The entire group have become very good at creative thinking and problem solving.

A highlight was the Seymour College visit which involved a THRASS hunt around the School and where Mr Tamblyn was discovered dressed up as a banana!

Gingerbread house making for Christmas was a very sweet time and the boys said it was the best day of their lives. All the houses looked delectable!

Our Year 1 and 2 concert was also a huge success and enjoyable time.

Furthermore, the Gratitude Project was a major focus this year and the boys put on a gratitude assembly and a surprise morning tea for all the staff in the entire school. It was brilliant and made the staff feel appreciated and the boys feel great!

It has helped to culminate an attitude of gratitude amongst the students and beyond.

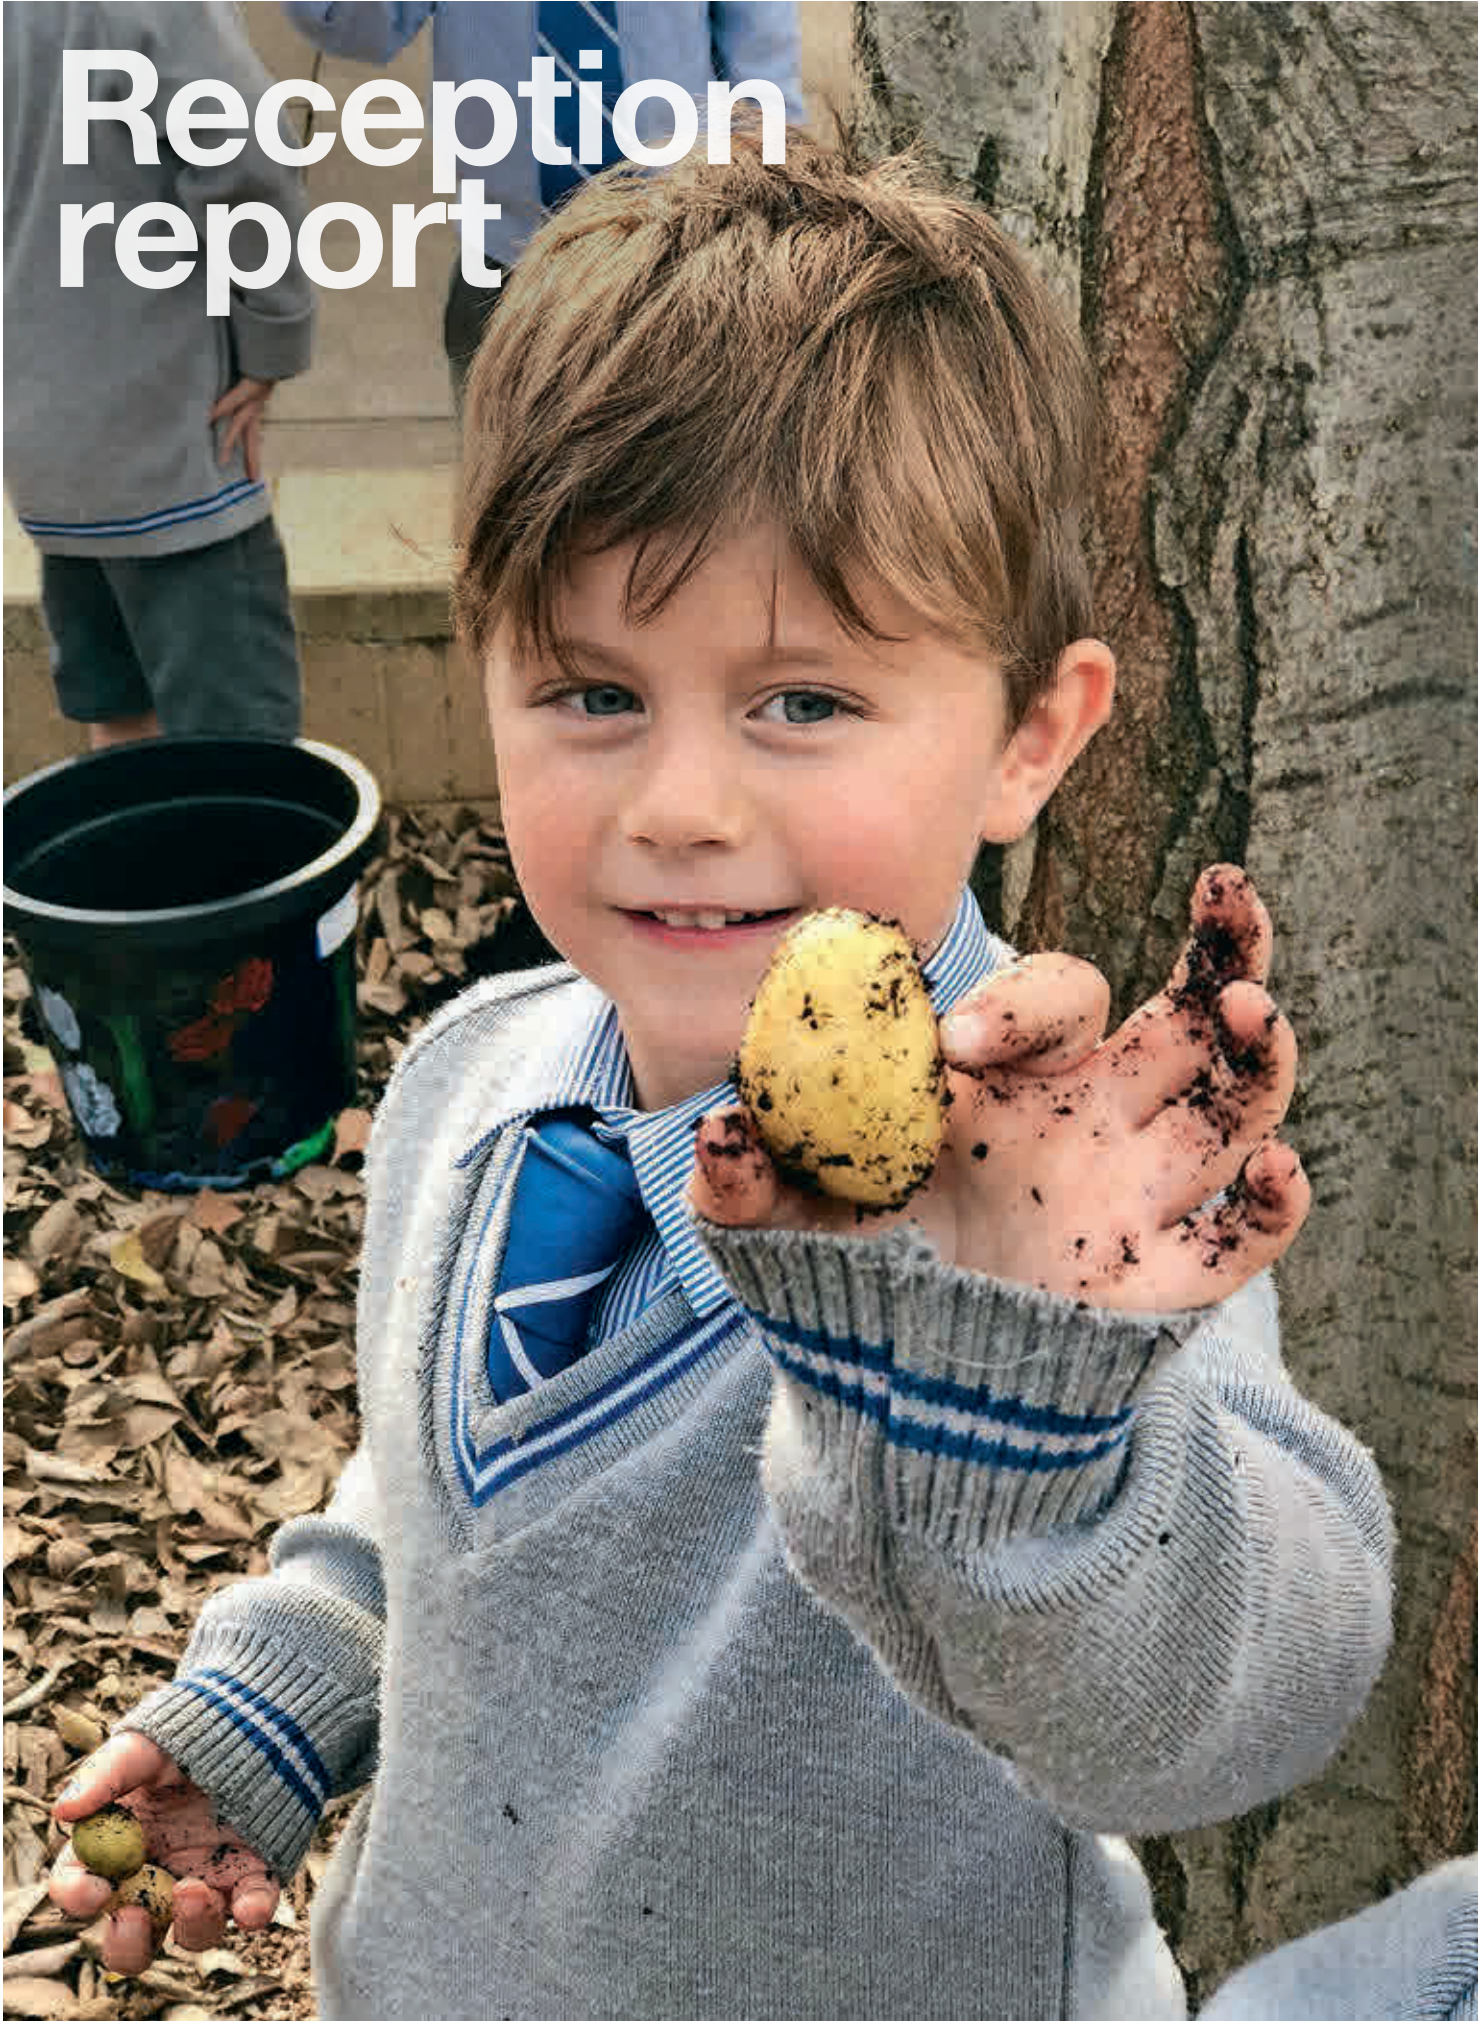

It has been a very special year and the students and staff will treasure the memories of our times together.

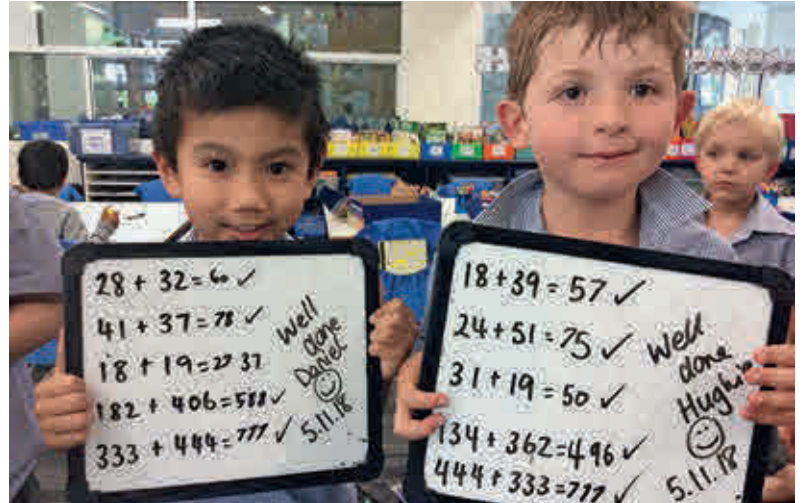

Emily Rogers
Year 1 and 2 Coordinator

1. Michael Liu and Thomas Alexander making an electrical circuit.

2. Science investigations by Thomas Waller and Patrick Reeve.

Reception report

In 2018 we welcomed 59 boys in three classes with three teachers: Miss Barnes, Mrs DiMonte and Miss Tierney. The boys settled in quickly over Term 1, adjusting to new routines and expectations.

Swimming was an exciting adventure in Term 1. All the boys improved their water confidence and skills in the Sports Centre swimming pool, and they became increasingly independent changing in and out of their bathers after each session.

Just before Easter, the Reception boys once again presented the Easter play of *The Last Supper* to their parents. It was a lovely highlight and such an achievement to mark the end of Term 1 at school.

In Term 2, the boys quickly settled back into the rhythm of school life and they began to explore our school community. This included a visit to the School Chapel for their first church service with Reverend Ben, a special visit to Mr Browning's office and an opportunity to take a guided tour of the Boarding House and buy a recess treat from the tuckshop.

The ever exciting Book Week parade was definitely a highlight in Term 3, along with the Read Around with Dad program in the lead up to Fathers' Day. As we broadened

our study of "The Community" beyond our school, we had a great time exploring the Central Market, choosing fruit for a fruit platter back at school and a special treat to enjoy in the moment!

At the beginning of Term 4, the boys were involved in their first Junior Primary Sports Day. The weather was warm, and they enjoyed participating in the tabloid events, encouraging their classmates and celebrating each other's achievements.

Many boys took great delight in being a part of the Norwood Christmas Pageant on November 24, and they all played a special part in our annual Nativity Concert. The boys performed beautifully as they sang and re-enacted the Christmas story. For Mr Hine, Ms Sedgely and Ms Helen Press, this was sadly their very last Reception Concert!

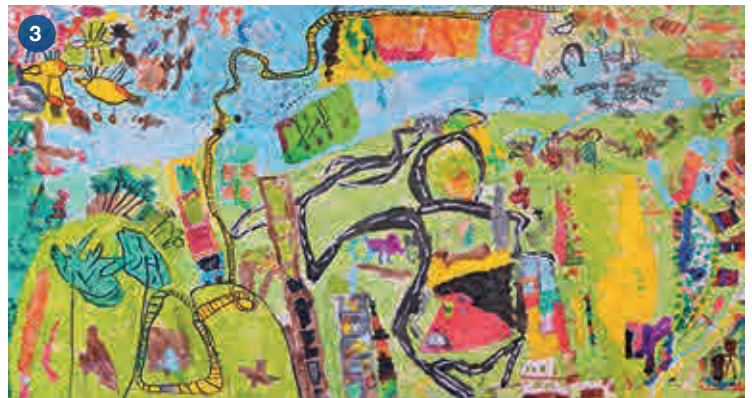

Without exception, all of our boys have worked hard this year, reaching for their own significant milestones. We wish them the very best as their learning journeys continue. We look forward to hearing of your great holiday adventures and seeing how much you have grown over the summer!

Miss Lisa Barnes, Mrs Wendy DiMonte and Miss Joanna Tierney
Reception Teachers

Early Learning Centre

1. ELC A city construction.
2. ELC A city planners.
3. ELC B Faraway mural.

Throughout the year 73 boys, aged 3-5, attended the ELC. Whilst the three groups each shared their own learning journeys, there were opportunities for boys and educators to connect and collaborate in different ways. The new 8.00am-5.00pm day provided greater flexibility for families and stability for boys and increased learning opportunities as new rituals were established.

There was high demand for places in the three year old group (ELC A) and 30 of the youngest Saints students began their learning journey at the start of 2018. The boys explored living things and habitats journeying to the ELC frog pond and observing the fish in the Junior School pond. They explored drawing and sculpture as part of their learning about frogs, fish and habitats. Additionally, they developed an interest in facial features and self portraits which culminated with painted clay self portraits.

Tall buildings and cities became a focus later in the year as did interest in block play. A city was constructed, complete with its own lighting system, green spaces and a working fountain. Materials including wire, aluminium foil, Plasticine, paints, markers, paper and playdough were used.

ELC B welcomed 22 new boys who quickly established themselves as a cohesive and collaborative group of learners. The boys looked at the interrelationships between themselves, plants, water and animals. These ideas were explored through story, coding, drawing and clay. The story of 29 000 rubber ducks that fell off a ship and travelled the world deeply resonated with them. This learning culminated in the making of two films: one with an important message of sustainability and the other, *Ducks Overboard*, a feat of craftsmanship, collaboration, and creativity.

ELC C continued on their second year together. The development of visual representational skills and the learning dispositions of critical thinking, craftsmanship, courage and creativity, have been significant threads throughout the year. The processes of critique and effective peer feedback supported the development of communication and skills in visually representing with increased detail, depth and intention. Through intentional teaching, educators have also focused on the character strengths of kindness and empathy, which contributed to the boys' overall sense of wellbeing. Positive language, collaborative play, sense of community and wellbeing have all been important elements.

The end of year celebration was a final opportunity for us to celebrate the youngest Saints boys and their unique competencies and capacities for learning.

Sheryle Yorston
Head of Early Years

House

Reports

Alliston-Jones

1

Alliston-Jones enjoyed a positive year in the Junior School House competitions. All boys have contributed to various House activities across the year. The peer selected House leaders for 2018 were Remy Sawers and Alex Cavinett. Remy and Alex did an outstanding job of supporting the teachers and boys within the House. They led by example and always gave their best during House activities.

To start the House competition, the boys dove into the house swimming. They paddled and kicked their way through the pool chasing the maximum points. Standout performers included Charlie Harrington and Dougal Grieve who participated in every event possible. Luca Dimitri also did the House proudly when he came second in overall points for his age group. Overall, the House finished fourth.

The sun was out for Summer House Sports Day which saw the boys competing in a variety of different sporting events. AJ had some great results including being placed second for tee ball, second for modified cricket, fourth for cricket, second for volleyball and third for tennis. It was very pleasing to see the Year 3 Kickball Team come first.

Term 2 saw the start of winter sports, including the cross country competition. Alliston-Jones finished fourth, however, the following boys made the top ten for their age group: Callum McLachlan, Lucas Daskalos, Zhi Bo (Tony) Li, Jimmy Hele, Jack Grosser and Thomas Grosser (who won his event).

Minute to Win It is always a fun and exciting House event and this year we came away with a win, despite the fierce heats. Well done to Yongjian Huang and Alfred Chan for their first place in chopsticks and also our winning Year 4 and Year 5 bottle flippers.

Winter House Sports Day saw the boys play football, hockey, cricket and basketball. Unfortunately, we were unable to come away with a win but all boys certainly gave it their best.

In Term 3, athletics and House singing events took over. The athletics was the closest competition we have had in some years. We just missed out on the top two positions to finish third place. Thomas Grosser and Jimmy Hele both finished first for their age groups but the most pleasing was to see the Year 3 AJ boys take out the placings for their age group: Jordy Brown (first), Callum McLachlan (second) and Sarvin Mahadavan (third). The House singing theme was The Beatles and we sang *Twist and Shout* led by Mrs Bartholomaeus.

In Term 4 the Year 6 boys participated in The Mind Lab activities whilst the Year 5 and 4 boys watched our debating team. Meanwhile, the chess players were going head to head. Congratulations to the Year 6 debating team who won. Inspiringly, we managed to draw with Clayton-Dyer for the trophy.

Each boy contributed and gave their best when competing or earning points for the House.

Mr Travis Burrige
Head of Alliston-Jones

6. Charlie Harrington and Dougal Grieve finishing their race for the Edward Cherry Trophy.
7. House Singing.

Brooks

As the Head of Brooks House this year, I was ably assisted by the following staff; Mr Storer, Mr Clutton, Ms Sedgley, Miss Schubert, Mrs D'Onofrio and Mrs Simpson. Congratulations to David Taylor and Wilson Lee who were elected by their peers, to be Co-captains of Brooks House for 2018.

In the first House meeting, we welcomed the new and Year 3 boys to the House Program. In a new initiative, during House meetings, boys played against other Houses in different games. These games were not for points but provided an opportunity for the boys to get to know other students in their House. All boys competed in their vertically grouped mentor teams.

The first official event on the House event calendar was the Summer House Sports Day. Despite the warm day, Brooks displayed grit and determination to win the House Tennis competition.

The Swimming Carnival was a fabulous way to follow on from the primary swimming lessons. Split into two carnivals, boys competed in competitive and novelty events.

During the Winter House Sports Day, Brooks managed to win the soccer, hockey and basketball competitions and saw an extraordinary effort by all involved.

Later in Term 2—a favourite with the boys—the Minute to Win it competition, saw the culmination of challenging tasks, undertaken all under a

minute. All boys practised these tasks during House meetings, leading up to the finals. This year, more boys were given an opportunity to represent their House in this exciting extravaganza.

Additionally, the boys had an opportunity to display their musical talents in the House Singing competition. All boys were amazing when singing *Help* by The Beatles and winning the competition. We also took a clean sweep in the Chess competition during the newly introduced Mind Games competition.

The array of individual and team success unified the House. Impressively, we achieved first place in the following activities: tennis, soccer, hockey, basketball, music, public speaking and chess.

The Brooks boys maintained a positive House spirit and enthusiastic involvement throughout the year, supporting each other in all aspects of the program. Many individual House members experienced personal achievements and it was most gratifying, especially witnessing the boys demonstrating pride in their House and working collaboratively.

Congratulations to all Brooks boys for their outstanding contributions this year, particularly being awarded Champion House and winning the Sir Howard Lloyd Cup for the second year in a row.

Mr John Athanasiou
Head of Brooks House

9. Alexander Piscioneri representing Brooks in the House Debating Competition.
10. Thomas Wright clearing the High Jump bar.
11. Brooks House Captains Wilson Lee and David Taylor with Mr John Athanasiou (Head of Brooks House) with the Sir Howard Lloyd Cup.

Clayton-Dyer

2018 was an excellent year for Clayton-Dyer across all House competitions. We were led admirably by House Co-Captains, Will Disney and Charlie Milne. Both boys showed much leadership and growth throughout the year and supported their peers through empathy, kindness and perseverance in all House activities.

The year began with Swimming Carnival. All boys were encouraged to partake in at least one event and some even competed in them all! Stand out performers on the day were Lachlan Escort-Hughes and Will Disney, who each placed first in their age group. Will also won the Gardiner Cup for the fastest boy in the 100m freestyle. Max Mitchell and Thomas Wu placed in their respective age groups. Term 1 concluded with Summer House Sports Day. Students competed in a variety of different sporting events including tennis, cricket and volleyball.

Term 2 began with the annual cross country competition. George Wicks and Bailey Kerr both placed second in their age groups. Winter House Sports Day soon followed, with boys competing in football, hockey and basketball. Whilst our stocks were somewhat depleted in basketball due to

injury and absence, our footballers were strong performers. They gave their all before going down in a tight final to Stokes-Ware.

Athletics Day was the highlight of Term 3, with the closest competition in many years producing our first team trophy, the Parkhouse Cup for House Athletics. Some exceptional performances from Joshua Moro, George Wicks and Ethan Cross helped them place in their individual age groups, while Oscar Kleinig took out the Tony Keynes Cup as the Champion for boys born in 2009.

In Term 4, we concluded House events with a joint win in debating and a strong performance in chess, where many boys stepped up to participate despite not being regular players.

It was a fantastic year for Clayton-Dyer overall, with success on an individual and team level throughout many competitions. Most pleasingly, classroom behaviour and the upholding of school values was exemplary from our boys all year. I wish Clayton-Dyer House all the best for 2019 and beyond.

Mr Nicholas Crawley
Head of Clayton-Dyer House

JUNIOR
HOUSE

1. Stellan Stolcman leads home his Brooks rivals in a 200m event at on House Athletics Day.
2. Hamish Donlan and Ethan Cross sprint for the line at House Cross Country.
3. Charlie Milne, co-captain of Clayton-Dyer in 2018, prepares himself to throw in his shotput event on House Athletics Day.
4. Oscar Shorthose bowls as his Brooks opponent watches on during Summer House Games.
5. Angus Bond strikes during a T-ball event at Summer House Games.
6. (L-R) Rukshan Jayachakaran, Lachlan Hunt, Thomas Hill, George Wicks and Charlie Milne relax on the sidelines during a cricket match at Summer House Games.
7. Jenson Grudnoff, Laurence Anderson and Angus Tolley concentrate hard during the House Chess tournament.
8. (Front row L-R) Anderson Nguyen, Aston Khoo, Hudson Kerr and Daniel Spyrou stretch their vocal chords during House Singing.

Stokes-Ware

2018 has been a year of triumph, teamwork, fortitude and service for all members of Stokes-Ware House. From the individual success of an event victory to the conscientious acts of service for the school community, all boys have had a hand to play in 2018 House program.

Led by inspiring Captains, Dejan Dimovic and Noah Latimer, Term 1 saw the boys take to the pool in search of glory and the odd Killer Python to buoy the energy levels. Both were quickly found, with wins coming across all year levels and swim strokes. Knowing that every place counted, determination from every member was evident and the mellifluous poolside chanting helped encourage contribution from all. The day finished with Stokes-Ware taking out overall first place; William Donnelly winning his year level and the foundation for the year ahead was set.

Summer House Sports Day finished off the term and the Stokes-Ware team spirit was evident throughout. Success was found in House cricket, where we deftly batted and bowled our way through the strong competition to take first place.

In Term 2, the boys gave their all in the House cross country and we tasted success again with both Leo Dreosti and Ben Francou embodying determination and perseverance when coming first in their respective age groups. Next up, was the hugely popular Minute to Win It challenge. An eclectic mix of chopsticks, nut stacking, bottle flipping and egg carton pong was enough to send the crowd into swathes of frenzied excitement. Safe to say, the event was the winner!

In Term 3, we had a champion athlete in our midst, with Alexander McClure winning the Ian Seppelt

Cup for first place overall in his age group at the Athletics Carnival.

In the Winter House Sports Day, success was found in the football competition where our grit and determination shone through to claim victory. The eagerly anticipated House Singing competition saw Mr Browning being given the honour of competition judge. And with the stage emphatically set, it was down to the Stokes-Ware boys to harmoniously serenade the audience with a rousing edition of The Beatles classic, *Hey Jude*. Despite not winning, the clarity and delivery of the song was noteworthy.

Term 4 finished the year off with a diverse collection of Mind Games which included Chess, Debating and The Mind Lab. With each Year participating in a different event, it was an attempt to glean as many points as possible in the hope that it would be a set of Stokes-Ware hands cradling the coveted Lloyd Cup in the final assembly. But alas, it was not to be.

Whilst not always being victorious, it is fair to say that each member of Stokes-Ware made a considered contribution. Boys took it upon themselves to be a part of something greater than their individual standing. A team built on respect, graciousness, courage and fairness is a team that will achieve success in a great number of subtle yet important ways.

Congratulations on striving for greatness and continuously strengthening and revelling in the humour and warmth of the Stokes-Ware team spirit.

Mr Richard Davey
Head of Stokes-Ware House

Front Row: Benjamin Richards, Edward Moss, Brayden Sims, Jack Cluse, Bilal Shahin, Thomas Grosser, Alexander McClure, Bailey Kerr

Awards &

Prizes

Academic awards

Young Exhibition for the Dux of the School

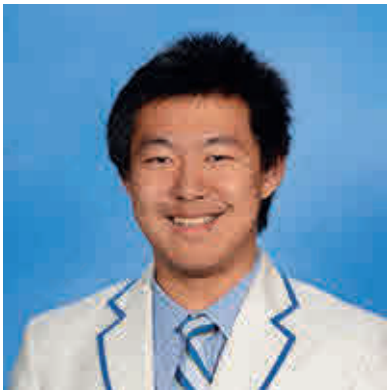

Domenico Perrotta (SACE) 99.95

Subjects: Accounting (Merit), Chemistry (Merit), English (Merit), Mathematical Methods (Merit), Research Project, and Biology

Domenico commenced his studies at St Peter's College in 2013. Domenico is a young man who sets clear academic goals for himself and goes about achieving them with quiet determination and confidence. He is incredibly respectful and hardworking. He generates positive and mature relationships with both staff and peers making him well-liked and a much-appreciated member of the House and Mentor Group. Domenico

is always willing to lend his support to others, which was demonstrated by his commitment to Service Learning and in his interactions with younger members of the House. As well as this, he made the most of the school's co-curricular program by participating successfully in the basketball program, often representing the school at the highest level. He was a part of the winning Intercol Basketball team in 2017. Throughout his schooling, Domenico has maintained his organisation and dedication to a wide range of subject choices in the hopes of achieving the best possible academic results. Domenico's kindness and courtesy will certainly be remembered with great fondness.

Robley Prize for the Proxime Accessit

Dingwen (David) Quan (IB) 44 99.85

Subjects: Chemistry HL (Merit), Chinese B-Mandarin HL (Merit), Economics HL (Merit), English A SL, Mathematics SL (Merit), Physics SL (Merit), Theory of Knowledge, Extended Essay, CAS

David commenced his studies at St Peter's College in 2013. An engaged and active leader, David has led his House and School with distinction as a School Prefect and Captain of Hawkes. As a leader, he has set a fine example, acted in the best interest of others and has always been an engaging and reliable young man. David has set exceptionally high academic standards whilst studying for the IB Diploma. His

list of achievements is nothing short of phenomenal. A talented athlete, he has lead by example, being Vice-Captain of Basketball. He has been respectful displaying his leadership responsibilities as Captain of Public Speaking, Captain of Chinese Society and Vice-Captain of Music. David valued all aspects of his Service-Learning program, having obtained the highest amount of service hours by anyone at the school. His enthusiasm is infectious, and he has dedicated himself with great loyalty to his School and House. David's devotion and genuine care and concern for others have been traits that he has openly shared with his peers and the staff at School. He is a one of a kind and a true gentleman.

Longcheng Li (SACE) 99.85

Subjects: Accounting (Merit), Chemistry, English (Merit), Mathematical Methods (Merit), Research Project, Biology

Longchen commenced his studies at St Peter's College in 2014. Longcheng has proved himself to be a gentle and caring member of MacDermott House. He always encourages others around him and his gentle nature draws people to him. Longcheng is naturally talented yet remains humble about his abilities. He is a dedicated scholar with a propensity for Mathematics and

the Sciences, particularly Chemistry and Biology, where he has won a number of academic prizes. He is also a talented writer, and this ability saw him win second place in the National Poetry Competition in 2016. Longcheng has been heavily involved in table tennis and was awarded Colours for his service to the Table Tennis team as the Vice-Captain in 2017. Longcheng has truly endeavoured to, and succeeded in, achieving academic excellence. Longcheng can work successfully by himself and excels at involving others when working in a team.

Keys awards

Dingwen (David) Quan

David Quan has made an outstanding contribution to the life of the School notably in basketball and music however it is in the area of service where he most admirably fulfils the criteria of Keys selection.

David has been a pioneer in service. When service-learning began five years ago, he was eager to be involved, voluntarily assisting with coaching at the Norwood Flames Basketball Club. The positive and meticulous method in which he prepared trainings, and the gentle manner he displayed to the young boys in his care were not unnoticed. David is the definition of a gentlemen, impressing coaches and parents with his authentic care for the boys on his team.

David was at the forefront of raising awareness for Huntington's Disease, an illness which had struck down one of our staff members, Mr Ben Wilson, four years ago. David worked tirelessly to organise fundraising and raise the awareness of the debilitating condition. The School rallied behind the cause due to the work of David. In 2017, after winning the Day Foundation Scholarship for Social Entrepreneurship, David started his own empathy awareness program to continue the worthwhile cause. He led a group of 23 Middle School students for more than two terms. He was determined to help the next generation of students develop an understanding of such a worthy cause and to develop their understanding. David continued to work in service as part of the Service Society and giving back in his numerous leadership positions. For his mentoring and community service engagements, David was recognised with an Order of Australian SA Student Citizenship Awards.

On the basketball court, David consistently displayed the characteristics of endeavour, grit, teamwork and integrity. He was a state representative and a member of the 2015 Open First State Championship Team as the only Year 9. He was awarded the Rob Phillips Medal in 2017 for the Most Valuable Player in the Basketball Intercol epitomising the qualities of selflessness and team first.

As Music Vice-Captain, David performed in multiple ensembles and has represented Big Band 1 since Year 9. He has also won the W Irwin Prize for Public Speaking in 2017. He is a servant leader regularly spending time in the Junior and Middle Schools supporting and mentoring the next generation of Saints students. It is a testament to his caring character that David values the littlest acts of kindness: welcoming younger students back from camp, having genuine conversations and remembering people's names. David is undoubtedly an inspiration and positive role-model for students at St Peter's College.

Jack Clearly

Jack has represented the school at the highest level in Water polo for the past three seasons and Captained Water polo this year. Jack's hard-work, exceptional skill level, and desire to perform at the highest level have earned him many accolades including captaining State teams, representing his country in Serbia, representing his State in the National League competition, securing a SASI scholarship, receiving Club Water polo Best and Fairest awards, Colours in 2017 and 2018, being awarded the Kalogeras Trophy for Most Valuable Player in the First Water Polo Team 2017 and the SS and PE Richardson Water Polo Trophy for Outstanding Service and Ability in 2018.

Anyone that has watched the last 3 intercollegiate matches would be in awe of Jack's goal keeping ability. During games his leadership was outstanding but he shone in practices, explaining defensive tactics and insisting on higher standards and commitment. His ability to provide well-considered, direct and positive feedback to his peers was a mark of his strong and disciplined character. Jack continued to set high standards of himself and the team and often drew praise from opposition coaches and players for his demeanour and performance. Jack can feel proud of his contribution to Water polo at Saints, not only for leading the First team to three close Intercol victories, but for also forging a leadership style that has inspired students to want to be involved in the sport and to perform at their best.

Keys awards

Angus Dawson

Angus Dawson is an exceptional rower who has given outstanding service to the School and the State.

Since Year 10, Angus was an integral member of the First VIII crew. Natural ability alone has not made Angus the outstanding oarsman. It is his dedication, attention to detail and willingness to learn that has resulted in his status as one of the top oarsmen in the country for his age group. To achieve this level of performance required Angus trained extensively, often demanding 5am starts for training. That Angus managed these extensive commitments very effectively while still succeeding with his studies was most commendable. He went above and beyond what might be expected for students in a similar situation, as Angus has displayed purpose and intent to make the most of his ability.

His achievements in rowing are remarkable. Selected in South Australian State Youth 8 (under 19) crew in 2016/2017. Bronze medal at the Australian National Rowing Championships. Offered Scholarship at SASI in 2017 based on his outstanding results in single skull time trials and ergo results. Stroke First VIII 2017/18 Head of the River win, plus success in many other regattas, and the crew was awarded the Most Successful Schoolboy Crew award in 2018. In 2018, Angus won the South Australian Double Skull Open Men's Championship. Selected in South Australian State Youth 8 (under 19) crew for 2017/2018—5th place in Nationals. In 2018 he was invited to Australian Junior Trials in Sydney—3rd best ergo in his age group in Australia.

As Captain of Boats, Angus demonstrated great leadership, a commitment to serve, and positive behaviours that have both inspired and positively influenced other students around him. In the Boat Club, Angus was able to support and encourage boys in other crews through personal contact and taking a sincere interest in their progress. Angus' modest and approachable manner endeared himself to other rowers, and the impact of the support he provided was very effective.

His sporting ability goes beyond rowing. He represented the School in water polo, and at the highest level in First XV 2017 Rugby and the First XVIII in 2017 and 2018 (runner up Best and Fairest 2018) while still maintaining significant external rowing commitments with SASI in 2018.

Angus was a Prefect in School and Allen House where he had specific responsibility for sport and other co-curricular activities for the House. He was brilliant at managing all of the House's incredibly successful sporting teams and non-sports-based activities in 2018 and received colours for his outstanding service to the House.

List of merit recipients

South Australian Certificate of Education

Students must achieve an A+ in a subject to earn a Merit but not all A+ grades are awarded a Merit. Merits are given sparingly and only to the very highest achievers of A+ students, as determined by the SACE Board.

Senior School art

Artist in Residence

The Senior School Art Department was fortunate to have Tsering Hannaford work with our boys during this year's Artist in Residence program. Tsering is a highly acclaimed artist who has been an Archibald Prize finalist for the past four years and a semi finalist in the Doug Moran National Portrait Prize. It was little wonder that our students were fully engaged as she taught our Year 9 and 10 cohort skills associated with portrait drawing.

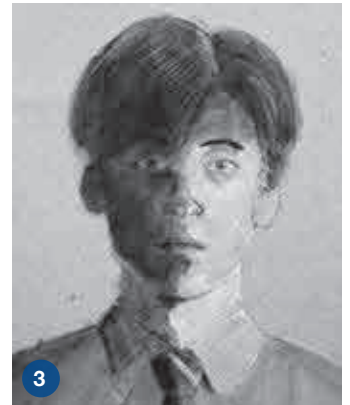

They were taught specific charcoal rendering techniques as they worked with mirrors and a directional light source to draw self portraits. The results were truly exceptional.

An exciting aspect of the Artist in Residence program is always the group project that is produced during lunchtimes. Boys from all year levels were invited to participate, and over a three week period they collaborated with the artist to create a large atmospheric charcoal drawing of Old School House. The drawing clearly demonstrates the boy's artistic skills and their ability to work together to produce an inspirational result.

Tsering was our twentieth Artist in Residence and the success and quality of the work created by the boys during her residency was a testament to her talent and her calm, friendly and professional approach.

Mr Scott Russell

Marra Dreaming Aboriginal Art Workshop

Marra Dreaming is a community centre that fosters cultural awareness by running arts and crafts programs for Aboriginal people and the wider community. Saints were fortunate enough to experience a workshop.

During Term 2, Indigenous artists Samantha and Raylene Snow worked with all our Year 7 boys during a one week program. Each class had a two and a half hour session with the artists, where they used x-ray painting techniques to create images based on native flora and fauna.

The workshops enabled our boys to have a better understanding of Indigenous contemporary and traditional painting styles and gave them the opportunity to work alongside highly talented and skilful Aboriginal artists. The program was once again very successful, with all the boys enjoying a rich cultural experience as they created their own interpretations of Aboriginal imagery.

Year 12 Art and Design

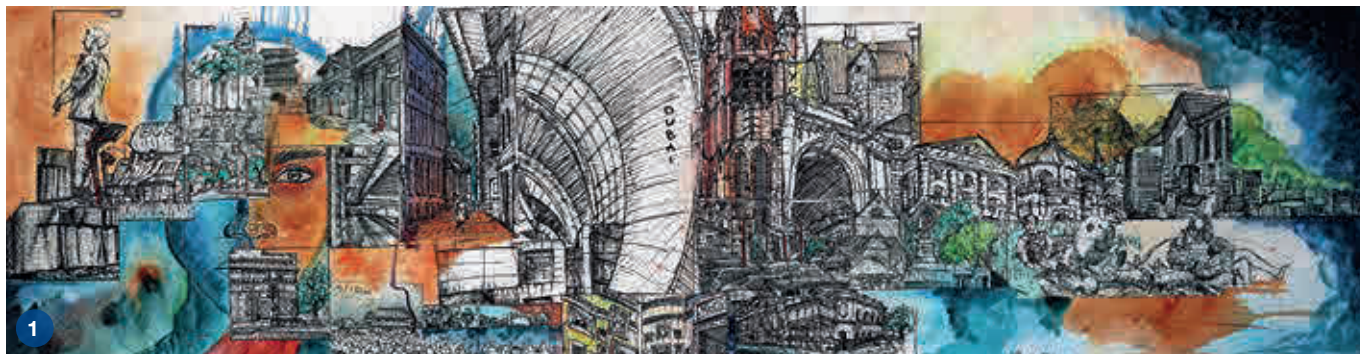

We were very pleased to work with a large group of Year 12 SACE and IB Visual Art students this year. Their enthusiasm and commitment helped to ensure the art studios were a dynamic, bustling and passionate environment of creativity.

A strong cohort of keen students produced an exceptional array of artworks, which were of personal significance to them. A large variety of subject matter and themes were explored and the large array of media which the boys utilised was impressive. These included oil and acrylic paintings, mixed media, collage, Adobe Illustrator and Photoshop works, a clay bust, assemblage sculpture and drawing.

It was wonderful to see the boys persevere and work through their creative challenges. To see them develop, expand their ideas and knowledge, not only of art, history and culture but also of themselves. The opportunity to see a passionate group of boys working with their hands, hearts and minds to make something which is special to them is a most worthwhile venture. Their sense of relief, achievement and self esteem when they finally completed their artworks was definitely a rewarding experience to be a part of.

Mr Tim O'Shea
Visual Arts Teacher

1. Alex Halloran (Year 7)
2. Alexander Harrington (Year 8)
3. Alistair Sarah (Year 9)

11. Yash Patil (Year 9)
12. Matthew Pearce (Year 9)

Year 7-12 Art and Design Exhibition

The Year 7-12 Art and Design Exhibition was held in the Art Centre on Tuesday 20 November and was opened by Tsering Hannaford, who was this year's Artist in Residence.

The exhibition was well attended with the gallery spaces filled with students and their families and friends. The evening was an opportunity for our Saints community to come together and celebrate the creativity of our boys.

The exhibition featured a wide range of media and techniques that showcased the extensive variety of subject matter and themes. The clay sculptures, drawings and paintings of our Year 7 boys were proudly

displayed alongside the sophisticated work by our senior students. The quantity of art on display was a testament to the many hours of creative work the boys invested during the year and the quality of work was once again inspiring to those in attendance.

After the exhibition is hung, it always gives me a great deal of pleasure to see the evidence that the boys embrace their art classes and take the opportunity to express themselves through the visual arts. The fun and risk taking can be clearly seen across all the year levels.

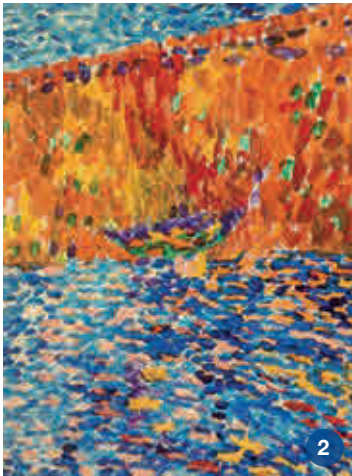

I would like to take this opportunity to thank the parents and friends of the boys for attending the exhibition and supporting our

art students in this important, creative area of the School's curriculum.

8. Parker George (Year 12)

Junior School art

Junior School Visual Art

The Junior School Visual Art program immersed the boys in creativity, imagination and exploration. New skills, new materials, specific techniques and experimentation, permeated throughout each boy's learning. Printmaking, painting, drawing, collage, weaving, woodwork, mixed media, sculpture and fabrics; provided each boy with a diverse knowledge of subject matter through a hands on experience. The joy of creating and exploring all areas of the visual arts expanded the imagination of each boy while nurturing their creativity.

The Junior School had the pleasure of welcoming our 2018 Artist in Residence, Sarah McDonald. Sarah is a South Australian artist and for 20 years has worked as an artist and art teacher. The Year 6 boys had the opportunity to experience painting on canvas with palette knives, which none of the boys had experienced before.

Sarah showed the boys how to blend colour with the palette knife, mixing with impasto gel for thickness. The paint was glided on horizontally to create sky and hills as a background. Trees were created in the landscape foreground by applying the palette knife vertically, creating textures representing bark. Short stroked and dabbing techniques formed textures of leaves and grasses.

In Term 3, we celebrated our 2018 Junior School Art Exhibition titled *Impressionism and Post Impressionism, Colour and Techniques of the Modern Masters*. The Junior School art exhibition displayed nine weeks of learning by Reception to Year 6 students, which explored the significance of the impressionist and post impressionist art movement. Students immersed themselves in the worlds of Monet, Cezanne, Seurat, Signac, van Gogh, Pissarro, Renoir, Morisset and numerous others with colour and technique permeating throughout every lesson.

Each student can be proud of the artworks they created this year and the learning they discovered.

Miss Sally Houston

The Collaborators by John Hodge

Dictators are fearful of the arts. The dictator believes that freedom of expression is a dangerous weapon that either should function in defence of propaganda or be disabled. If the artist cannot be “educated” then she or he must be destroyed. John Hodge’s *Collaborators* tells of Stalin’s manipulation and control of the Soviet playwright, Mikhail Bulgakov (1891-1940). Hodge’s surreal retelling of history shows how an artist compromises his integrity and then must face the consequences of his actions.

Lachlan Winter’s portrayal of Stalin captured the wily monster who seduces, cajoles and deceives in order to assert his power. Winter, with moustache, black boots and pipe in hand, dominated with his stage presence. Connor Kitching’s Bulgakov was a fragile, flawed and compromised artist; he successfully captured the man’s complexities. His love for his wife was reciprocated and supported by a sensitive and nuanced performance by Julian Hallworth. Hallworth’s Yelena never compromised her independence. Christian Mason was Vladimir, an NKVD officer who tortures victims before noon, and spends his

afternoons directing plays. These seemingly irreconcilable actions were made plausible by the impressive skills of a talented student. Alexander Bampton’s powerful depiction of Sergei included many memorable moments; we witnessed the young factory worker’s idealism slowly crushed by horrific political truths. Stepan, a menacing NKVD officer, was played by Lachlan Painter. With few words and much intense glaring, his threatening nature was made explicit.

Supporting roles were performed Year 11 students and their highly commendable work certainly contributed to the production’s success. Of special note were the efforts of Henry Allen and his portrayal of Grigory. Allen’s mature and insightful acting captured the tragic intensity of the young author’s martyrdom.

Hodge’s *Collaborators* reminds us not only of a country’s brutal history and its many victims but also of the heroic struggle of individuals who, despite adverse and life threatening circumstances, cling on to principles that define their individuality.

Year 10 drama day

In Term 3, both Year 10 classes took part in Drama Day. The day involved a morning dress rehearsal, then a performance for students and finally, a performance for the School community in the evening. The day is an invaluable learning experience.

We considered the possibility of an interdisciplinary thematic exploration as the basis of play selection. As English teachers, we were aware of the war poetry that was studied in the classroom and thought that Drama Day was a great opportunity to delve deeper into understanding the complexities of conflict. Guilt, shame, suffering, triumph and power reside in the tumultuous landscape of war and we wanted to particularly examine how physical aggression shapes masculinity and impacts on the development of young men.

Students performed *The Grandfathers* by Rory Mullarkey and *Children of Killers* by Katori Hall. *The Grandfathers* tells of young conscripts training to be soldiers, and *Children of Killers* refers to the children of fathers who took part in the Rwandan genocide of 1994. We intended for the plays to provoke discussion regarding the cyclic nature of inheriting values, attitudes and behaviours in a war scenario. Furthermore, we wished to illuminate the tremendous difficulty of breaking this cycle and establishing a new way of living that is fuelled by a desire to seek a brighter future.

The boys were dedicated, passionate and invested in the process from the first table reading. We were overwhelmed by their mature approach, their ability to unite as an ensemble and put on a terrific show. Their

growth as actors was impressive and their pride in their work was truly moving. They loved performing and developed a unique comradery that is only ever achieved when people are brave enough to express their vulnerabilities and overcome them together.

Overall, their performances were mature, considered and moving.

Mr Darcy Crouch and Miss Hayley Patton
Drama Teachers

Junior Drama Production

Ti-Jean and His Brothers by Derek Walcott

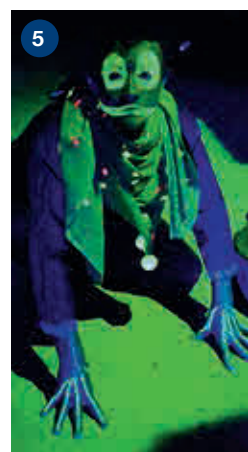

Often in life, we seem to get transfixed by wealth and fame and can find ourselves absorbed in menial pursuits that have little to do with what truly matters: kindness, selflessness and love. This year's Junior School production, *Ti-Jean and His Brothers*, by Nobel Prize winner Derek Walcott, resonates with these universal themes.

Ms Jacqueline Cook and I gathered an ensemble of 21 cast and crew comprised of boys from Year 7, 8 and 9. Both Ms Cook and I repeatedly noted what a joy it was to witness the strength in camaraderie shared between the years and the remarkable eagerness, talent and maturity of the boys who participated.

Ti-Jean and His Brothers is a parabolic play, exploring the destructive force of human ego and the power of selflessness and open mindedness. The play was presented in the style of magical realism; a contemporary fairy tale with the battle between good versus evil at the fore. Three brothers try their hand at defeating the Devil in an attempt to free themselves and their mother from poverty. The forest comes alive as all of nature rises to the challenge of this battle. Through frivolity and festivity, the play resonates with magic, while simultaneously exposing the inequalities of our world and ultimately reminding us of what truly matters.

We were extremely proud of the boys' efforts and grateful to work with a group of talented young men. We must thank the Arts Faculty, in particular, Mr Paul Fabbro, Ms Hayley Patton and Ms Brigid Dighton. Also, a big thank you to my technical support team; James Ritossa, Nick Burr and Ivar Stockhoff for sound and special effects, and Jake Nesbitt for his brilliance with lights and stage management.

Mr Darcy Crouch

Senior School music

2018 has been a year full of extraordinary music performances, awakening and growth for all boys involved in the Senior School Music program.

A superb highlight for the year was performing Faure's *Requiem* at St Peter's Cathedral. Another impressive highlight was winning the division two, section one Generations in Jazz, City of Mount Gambier National Stage Band Awards as well as personally being selected to receive the Band Directors Award for 2018.

Additionally, we launched two new jazz vocal ensembles and placed fifth in division one.

Other enjoyable highlights included an outstanding concert at The Gov with guest artist and multi instrumentalist, Adam Page. For the second year in a row, our music festival *This is Me* was a sellout and featured the guest artist and jazz violinist, Julian Ferraretto.

Throughout the year we learnt that musically trained children have better language and communication skills, can focus for longer and are more likely to stick with difficult problems until they solve them. Furthermore, they are able to control their own emotional responses and understand

emotional responses of others and they have significantly better working and long term memory systems. These enhancements then support happier and healthy lifestyles and choices in adulthood, the capacity to both shift and advance in their professional lives and maintain their brain health into later life.

This year also saw the music department move to the Hill Wing which was formally the boarding house from 1965-2002. This move was the first stage of further growth and development in the music department structure. Our move enabled us to hold rehearsals in one central location, which afforded us space to accommodate larger ensembles such as concert Band. The second stage will take place over the 2018 Christmas season and we will see some demolition and construction work being completed in the Hill Wing with the outcome of many more individual music tuition rooms, more rehearsal spaces and a very large space to hold orchestral rehearsal with the possibility of housing an audience for approximately 80 people.

Captains of music

Left to Right: James Donlan (Co-Vice Captain), Robert Jones (Captain), Dingwen Quan (Co-Vice Captain)

Absent: Mr Phillip Walsh (Director of Music)

Big band 1

Front Row: William Begg, Alexander Rouss, Dingwen Quan (Co-Vice Captain), Mr Phillip Walsh (Director of Music), Robert Jones (Captain), Noah Pitkin, Charles Wells

Middle Row: Aiden Donnevert, Eton Williams, Henry Allen, Will Varga, Joshua Dunstan, Anthony Tran, Kush Goyal

Back Row: Thomas Panayiaris, George Young, Benjamin Ashman, Teja Nairn, Benjamin Hall

Brass choir

Front Row: Samuel Rodgers

Back Row: Aiden Donnevert, Tom Brooke-Smith, Max Schuller, Ben Ashman, Fraser Town, Thomas Jose

Absent: Geoff Bradley (Ensemble Director)

Contemporary & jazz vocal ensemble

Front Row: Charlie Wells, Alexander Rouss, Kush Goyal, James Donlan (Vice-Captain of Music), Tom Oldfield, Daniel Jesudason, Will Fitzgerald

Back Row: Menura Gamage, Connor Kitching, Henry Allen, Chisomo Banzi, Luke Williams, Yi Qin, Sally Cameron (Ensemble Director)

Absent: James Grosser, Jake Nesbitt, Jack Royce, Eton Williams, Derek Yang

Dixieland band

Front Row: Christopher Begg, Robert Jones, Mr Gabriel Chammah (Teacher in Charge), Lachlan Bellifemine, Jason Zhao

Back Row: Thomas Brooke-Smith, Thomas Gaertner, Martin Daenke

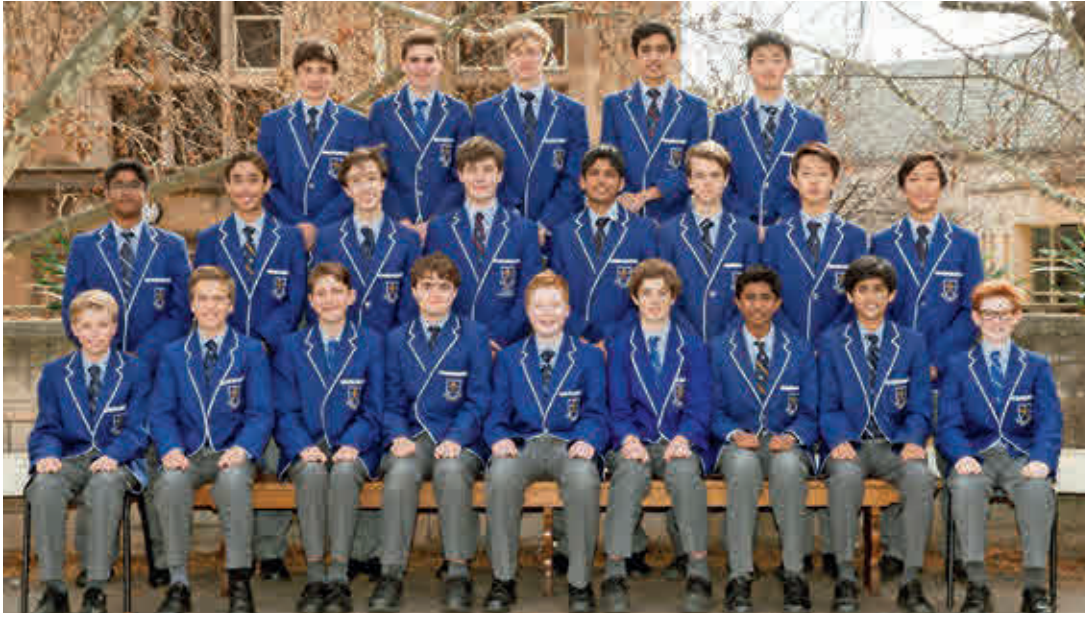

Flute ensemble

Front Row: Henry Reynolds, Derek Yang, Ashwin Atukorala, Chisomo Banzi, William Thompsn, Jarvis Zhao, Gunin Singhal

Absent: Mrs Karen Fletcher (Teacher in Charge)

Senior School music groups

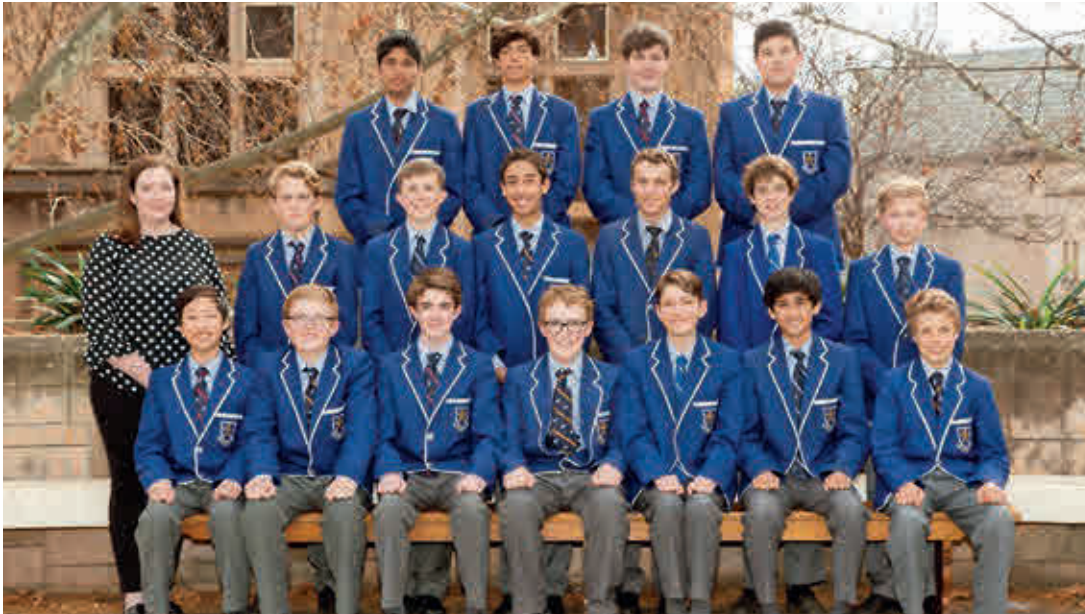

Intermediate concert band

Front Row: Hugo Wurm, William Begg, Jack Maitland, Robert Beattie, Andrzej Czechowitz, William Dowling, Daniel Jesudason, Sachin Ravindran, Charles Wells

Middle Row: Nithin Vivekanandan, Saeed Bajhau, Guy Della-Iacovo, James Butcher, Arvind Pati, Tom Wickham, Nathan Choi, Ridho Redford

Back Row: Wilbur Glaetzer, Joshua Watson, Thomas Oldfield, Shreyas Khanna, Tsz Ngong You

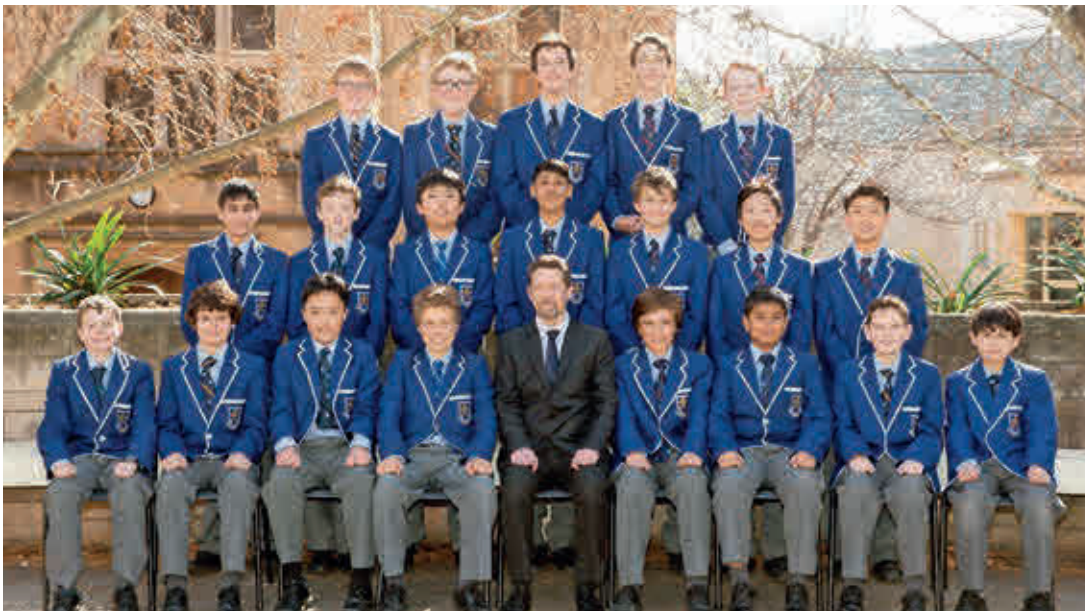

Jazz band

Front Row: Kelvin Jian, William White, Aidan Hughes, Richard Thompson, Jack Maitland, Sachin Ravindran, Wyl Godfrey

Middle Row: Ms Cassie Pope (Teacher in Charge), Henry Wicks, James Grosser, Saeed Bajhau, Rhys Godfrey, William Dowling, Hugo Wurm

Back Row: Arvind Pati, Sebastian Lockie, James Butcher, Jonathan Miteff

Middle concert band

Front Row: Jack Cole, Kristian Musolino, Christian Weng, Wyl Godfrey, Mr Neal Holmes (Teacher in Charge), Jack Lynch, Gunin Singhal, Henry Sawers, Cameron Johnson

Middle Row: Jesse Sanders, Conan Baird, Guanhong Peng, Joshua Rai, Henry Reynolds, Yuhui Jian, Bingqi An

Back Row: William White, Richard Thompson, William Lawrence, Oliver Grieve, Thomas Hodgkison

Absent: Henry Colbourne, Oliver Colbourne, Lucas Donlan, Eric Guo, Jasper Hermann, William Mestrov

Saxophone quartet

Left to Right: Henry Allen, Noah Pitkin, Kush Goyal, George Young

Absent: Mr Damien Hurn (Teacher In Charge)

Senior choir

Front Row: Daniel Jesudason, Aidan Hua, Kush Goyal, James Donlan, Nathan Choi, Jonathan Harris, Alexander Rouss

Middle Row: Eton Williams, Henry Chipperfield, Alexander Adams, Wesley Johnson, Aiden Donnevert
Back Row: James Tallent, Luke Williams, Thomas Oldfield

Absent: Alexander Bampton, Liam Costello, Nicholas Koh, Teja Nairn, Jules Sheedy, Alistair Teagle, Zhiwen Yang, Jason Zhao

Senior concert band

Front Row: James Grosser, Anthony Tran, Christopher Begg, Robert Jones (Captain), Mr Phillip Walsh (Director of Music), Dingwen (David) Quan (Co-Vice Captain), Nathan Choi, Noah Pitkin, Alexander Rouss

Middle Row: Kush Goyal, Tsz Ngong You, Joshua Dunstan, Alex Hofmann, Blake Lawrenson, Eton Williams, Andrew Chen, Thomas Jose, William Gaertner, Aiden Donnevert

Back Row: Henry Allen, Lachlan Bellifemine, George Young, Thomas Gaertner, Martin Daenke, Benjamin Hall, Tristan Theseira

Absent: Thomas Disney, Edward Duggan, Chathula Kiripitige, William Thompson, Aaron Wu, Junshi Zhao

Senior School music groups

Small jazz vocal ensemble

Left to Right: Alexander Rouss, Tom Oldfield, Chisomo Banzi, James Donlan (Vice-Captain of Music), Sally Cameron (Ensemble Director), Kush Goyal, Charlie Wells

Absent: Will Fitzgerald, Jonathan Harris

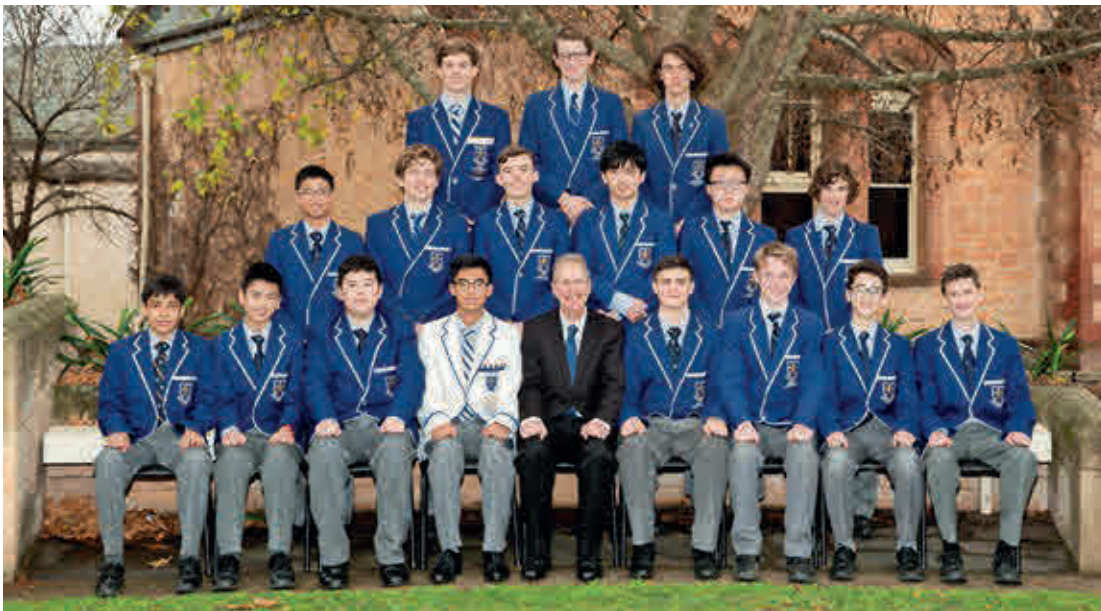

Stage band

Front Row: Christopher Begg, Thomas Wickham, Maximilien Schuller, Thomas Brooke-Smith, William Gaertner, Guy Dello-Iacovo, Ridho Redford

Middle Row: Alex Hofmann, Jai Yi Qin, Joshua Watson, Wenbo Wu, Fraser Town, Thomas Jose

Back Row: Martin Daenke, Samuel Rodgers, Thomas Oldfield

Absent: Jack Davies, Mr Damien Hurn (Teacher in Charge)

String orchestra

Front Row: Chathula Kiripitige, Ethan Lim, Jonathan Miteff, Indran Mukherjee, Mr Sam Howes (Teacher in Charge), Nicholas Bentley, Benjamin Wright, Nicholas Bowes, William McConnell

Middle Row: Shiva Mukherjee, Henry Chipperfield, James Tallent, Danny Guo, Joshua Lau, Alexander Robertson

Back Row: Alistair Teagle, Teja Nairn, Will Varga

Absent: James Butcher, Ms Jacqui Carias, Mr Tom Marlin, Connor Murphy

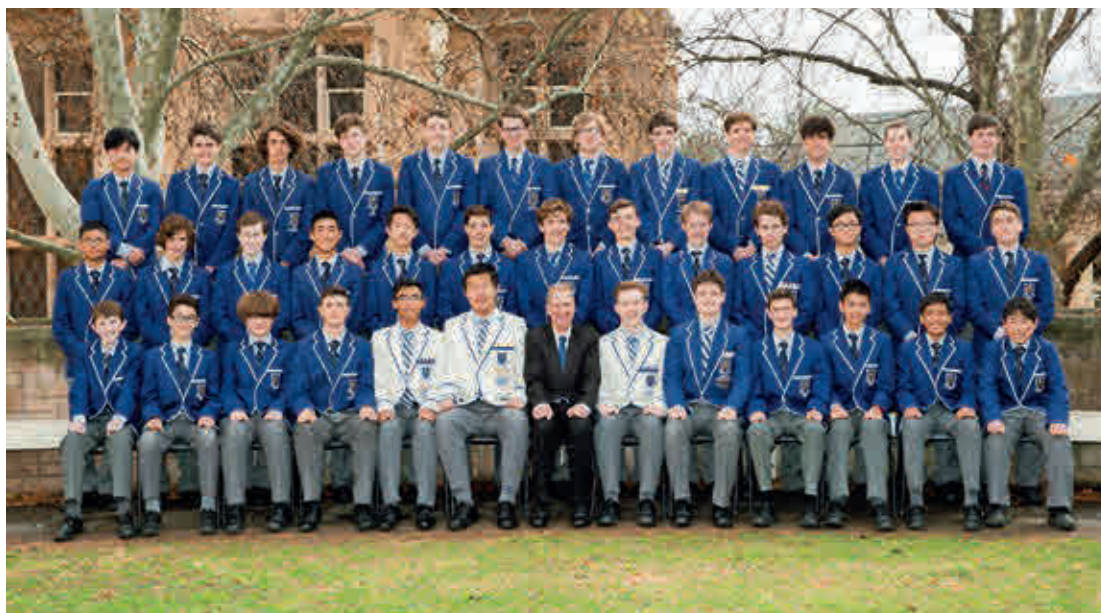

Treble choir

Front Row: Cameron Johnson, Oscar Page, Charles Wells, Bingqi An, Yuhui Jian, Daniel Spiby, Henry Sawers, Oscar Hanisch

Back Row: Laurence Williams, William Begg, Richard Thompson, William Fitzgerald, Jake Nesbitt, Tobias de Wit

Absent: Ms Katie Carey (Teacher in Charge), Mr Andrew Chatterton (Teacher in Charge), Joshua McDowell, Patrick Murray, Joshua Wilson

Orchestra

Front Row: Laurence Williams, Nicholas Bowes, Jack Davies, Nicholas Bentley, Indran Mukherjee, Dingwen Quan, Mr Sam Howes (Ensemble Director), James Donlan, Robert Jones, William McConnel, Ethan Lim, Chathula Kiripitige, Jayden Tseng

Middle Row: Shiva Mukherjee, Alexander Robertson, Noah Pitkin, Eric Zhou, Nathan Choi, Darcy Tsamaidis, Henry Chipperfield, James Tallent, Benjamin Wright, Maximilien Schuller, Aidan Hua, Joshua Lau, Dimitri Savvoulidis

Back Row: Danny Guo, Austen Lindsay, Will Varga, Thomas Brooke-Smith, Thomas Gaertner, Teja Nairn, Maximilian Behrens, Martin Daenke, Alistair Teagle, Fraser Town, Blake Lawrenson, James Butcher

Absent: Mr Denis Agafonov, Jock Burton, Mr Chris Costello, Callum Gale, Jonathan Harris, Mr Mark Joyner, Nicholas Koh, Mr Tom Marlin, Jonty Milford, Connor Murphy, Vincent Oberdan, Josip Podreka

Junior School music

Music in the Junior School has thrived this year, with the boys achieving successful outcomes in all areas. There have been many highlights throughout the year for each year level. The Year 5 and 6 boys celebrated the joy of Motown at their mid-year concert, with all Year 6 boys performing a dance routine and all Year 5 boys singing as part of a choir and playing xylophones.

The Year 1 and 2 boys thoroughly enjoyed preparing, rehearsing and performing their repertoire for their concert at the end of Term 3. The Year 3 String program and Year 4 Band program gave the boys the opportunity to develop their skills and musicianship on their instrument, working with the School's instrumental tutors. Each year level presented their concert in Term 4, to very appreciative audiences. The Reception boys' performance of their Nativity play brought a joyful end to the year.

The co-curricular program has involved many boys preparing repertoire for a variety of concerts throughout the year.

The Choirs, under the direction of Mr Chatterton and Mrs Carey, began the year by rehearsing for the performance of Faure's *Requiem* at St Peter's Cathedral. The three Junior School Choirs joined with our two Concert Bands and their Senior School colleagues to perform at the Bands and Choral Concert in Term 2. The Swing Band had great success performing at Jazz@theGov, joining boys from the Senior School in a celebration of Jazz. The Chamber Strings, conducted by Mr Howes and our Concert Bands, conducted by Mr Hurn and Mr Holmes enjoyed success at the ABODA Music Festival, held at Westminster School. The year finished with a joyous celebration of Music with all co-curricular ensembles and bands performing at the groups concert. Mr David Hine and Ms Barbara Sedgley joined the Junior School Concert Band for the Finale, lighting sparklers and popping balloons during the performance of the 1812 Overture.

Front Row: Henry Robertson, Edward Moss, Leo Sage, Lachlan Gallagher, Harry Orchard, Thomas Parkinson, Dejan Dimovic, Edward Forbes

Absent: Charles Harrington

Ceramics

Creativity, Activity, Service (CAS)

Creativity, Activity, Service (CAS) is at the heart of the IB Diploma Programme. It is one of the three essential elements in every student's IB Diploma Programme experience. It involves students in a range of activities alongside their academic studies. The three strands of CAS, which are often interwoven with particular activities, and a CAS project, are characterised as follows.

Creativity: arts and other experiences that involve creative thinking and learning new skills.

Activity: physical exertion contributing to a healthy lifestyle, complementing academic work elsewhere in the IB Diploma Programme.

Service: an unpaid and voluntary exchange that has a learning benefit for the student. The rights, dignity and autonomy of all those involved are respected.

Some of the significant CAS projects that were initiated by the boys include establishing a:

1. Creative writing workshop and website for children at a local library.
2. Huntington's disease awareness program within and beyond the School.
3. Teaching refugees English.

I am pleased to report the IB class of 2018 embraced the true spirit of CAS and participated in and organised an enormous range of activities that, for most, involved new and challenging experiences.

Mr Paul Hadfield
IBD and CAS Coordinator

English

The English Department has moved forward in its design of assessment and learning. This year we focussed on putting the love of literature, creativity and writing back into the classroom, as well as challenging the boys to do more than analyse works but also feel and respond with their emotions to texts.

We have had, as always, a wonderful year in English although we said goodbye to a few members of the department. Dr Walter Barbieri has followed Dr Mathew White to University of Adelaide. Mr Marcus Tickner has returned to England to be close to his family and the wonderful Ms Frances Zubreckyj is moving into retirement. To add to our losses for next year, Ms Christine Iadanza is taking maternity leave and we hope that all goes well for her with the birth of her first child.

We welcome the amazing Ms Amy Martin and the dedicated Ms Ashleigh Wellington who join us in 2019. Thank you to Ms Katie Duffield, who has stepped in to cover long service leave for Ms Catherine Waldron.

A sincere thank you to all my team for their efforts and a great job in all areas of the English curriculum.

Mr Glyn Robert
Head of English

EALD

The EALD program at Saints continues to grow. Over the last three years, numbers have tripled as 2018 saw an influx of students at Year 9 and 10.

The first major event of the year was the annual International Social Event with PAC. The students took part in basketball, indoor soccer, badminton and table tennis matches against other international students. 2018 was PAC's turn to host and we were warmly welcomed by their Headmaster and students. It was a great evening which continued to build the bonds between students at both schools.

Other major events took place in Term 4. October saw the Year 12 Celebration Dinner, held at the Kings Head Pub which has a South Australian themed menu. The students enjoyed the meal, including one student who bravely ordered the pie floater!

In November, the Year 7 to 10 EALD students took part in team building at Mega Adventure Australia and then had an enjoyable Aussie pub lunch at the West Beach Surf Life Saving Club.

Thank you to Mrs McCauley and Miss Ziniak who have continued to support the EALD boys in their studies throughout 2018.

Miss Sally Ziniak
Coordinator of English as an Additional Language or Dialect (EALD)

Chinese Senior School

There were many enjoyable learning experiences and accolades throughout 2018.

During Chinese New Year celebration, Year 7 students undertook paper cutting and red packet making whilst Year 8 students learned how to make dumplings.

Year 7, 8, 9 and 12 students enjoyed their annual Chinese lunches on campus and Year 10 went to Star House restaurant to experience yum cha, followed by an educational trip to the Adelaide Central Market. Year 11 students visited Go-In Hotpot to sample mooncakes to celebrate the Moon Festival.

As well as learning culture through food, students also enriched their understanding by watching the movie, *Crazy Rich Asians* and the Chinese play, *Secret Love in Peach Blossom Land* (暗恋桃花源) as part of the OzAsia Festival. Year 10 students were treated to an informative Chinese medicine workshop focusing on acupuncture and moxibustion.

Congratulations to William Thompson who won the 2018 CLTASA Chinese Language Award in the secondary school category for high academic performance, consistent effort and passion for the Chinese language and culture.

Additionally, Charlie Heithersay and James Tallent were selected to represent South Australia to compete in the 2018 Chinese Bridge Chinese Proficiency Preliminary Competition in Perth.

Ms Fangfang Qiu
Coordinator of Chinese

1. Marcus To, Charlie Heithersay and Dylan Lennon drinking Bubble Tea on an excursion to the Adelaide Central Markets

2. Billy Dowling and Fraser Connel with their home made dumplings

3. EALD excursion

Chinese Junior School

All year levels started by celebrating Chinese New Year and made lanterns to decorate their rooms. They also helped create a cherry blossom tree by naming learning skills that they would like to work on in Chinese during the year.

Year 3 students learnt to write and say numbers, participated in performances of Happy Birthday, learnt about components, made comics and a Puppet Pal to introduce themselves as well as compared and contrasted *The Four Dragons* with an Indigenous story *How the Murray was Made*.

Year 4 students built on their knowledge of numbers to include hundreds and thousands, made posters to introduce themselves, blog about China's tourist attractions, devised a family tree and created a puppet for a performance of the song *Two Tigers*.

The Year 5 group learnt about important dates in both Chinese and Indigenous history, created a blog to introduce themselves, a weather broadcast and their own business at a travel expo.

All the Year 6 boys made a timetable of their activities and a daily routine iMovie as well as looked at different and unique Chinese foods. They finished the year with by cooking fried rice.

Mrs Trish Bartholomaeus
Junior School Teacher

1. Year 4 boys Ben Howell, Lockie McKenna, Yongjian Huang, Seth Irwin, Emerson Cooper and Leo Dreosti in front of their family tree

2. Lion dancers welcome the new year in

1. The combined French teams who participated in the SAFTA Schools Pétanque competition
2. Year 2 Pétanque Champions, Charlie Paull, Jenson Lau and Zane Haseldine with Mrs Hine
3. Aarit Kothari wins 2/3 section of SAFTA Poetry Competition

French Senior School

The French program in 2018 has been full, with many enjoyable events and outings complementing the academic program.

Our Junior and Senior School French Soccer Teams won our annual languages soccer competition and our junior French students won the South Australian French Teachers' Association (SAFTA) pétanque competition.

Other outings and events saw the Year 8 boys enjoying a French breakfast at the School and a quiz and competition night with Seymour College girls.

The Year 7 group displayed their roleplaying skills at a French morning tea, all year levels enjoyed the Alliance Française French Film Festival, the Year 10 cohort discovered crêpes and galettes at La Lorientaise, whilst Year 11 and 12 students ordered lunch in French at Le Carpe Diem.

Academic highlights included the SAFTA Year 7 French poetry competition, won by Thomas McDonald and best Year 7 French student, won by Murphy Eaton. Also pleasing

was the Alliance Concours de langue française in Year 10, 11 and 12, won by Luke Williams and Simon Staal (placed second) and the Education World Language Perfect World Championships and South Australian competitions, where many students achieved outstanding results.

Félicitations! Merci to all boys for their fine efforts and enthusiasm in French.

Ms Irene Castrechini-Sutton
Coordinator of French

French Junior School

The language and cultural themes for 2018 were la table et le petit-déjeuner (the table and breakfast) la famille (the family), les animaux (animals), les vêtements (clothing) and colours.

Bastille Day Morning Tea was held in Term 2 and saw the boys march down The Avenues dressed in blue, white and red. Special presentations preceded our delicious morning tea of croissants whilst the Year 2 strings group accompanied our splendid

rendition of *Frère Jacques*. There was also a beautiful violin performance by Tao Wong.

The Headmaster presented a certificate to the class winners of the French Show and Tell Competition and the Year 2 Pétanque Cup was then presented by Mrs Hine to Jenson Lau, Zane Haseldine and Charlie Paul.

During Term 3, the boys learnt about impressionism and relevant artists and work, which coincided with the *Colours of Impressionism* exhibition at the Art Gallery of South Australia.

St Peter's College once again had success in the annual South Australian French Teachers' Association (SAFTA) Poetry Competition. Aarit Kothari came equal first in his age group and Stefan Dimovic was equal runner up in his category.

Congratulations to students, as they showed so much interest in the French language and culture.

Madame Marcia McLachlan
French Teacher

2

3

Spanish Senior School

Both IB and SACE boys are attracted to learning a new language in Year 11. Now in its fifth year at Saints, Spanish Ab Initio offers students with no prior knowledge an intense learning experience covering both language instruction and intercultural understanding.

With three prescribed topics; the individual and society, leisure and work and the urban and rural environment, which covers twenty topics, the boys acquire a vast amount of vocabulary and understanding of grammar over the two year course.

In May, we attended the Spanish Film Festival and saw *Tadeo Jones 2: el Secreto del Rey Midas* without subtitles, which was a real challenge for the students.

In Term 3, the boys enjoyed a Spanish lunch of gazpacho, paella and a crowd favourite, churros con chocolate.

In September, the boys competed in the Languages Soccer Cup but were defeated by a strong French team. The Year 11 boys also attended a Spanish quiz night at Seymour College, answering questions about language and culture.

During the break, the boys engaged in some salsa dancing.

To cap the year off, in November we celebrated the Mexican festival, El día de los Muertos, with staff and students.

Mrs Rachel Spiby
Head of Languages

German Senior School

German has seen another vibrant year.

The Year 7, 8 and 9 students engaged in Easter egg colouring and a traditional Schuhplattler (slapdancing) workshop by a Bavarian dancer in full traditional dress. And the Year 8 and 9 groups undertook an excursion to see a showing in the German Film Festival.

German food is always popular with students, particularly the German lunch days. They enjoyed servings of schnitzel, viennas, bratwurst, sauerkraut, rostkartoffeln accompanied by a large pretzel and Berliner cake.

The two enthusiastic Year 7 classes also took part in a German pancake breakfast and were able to order in German.

An excursion to the Art Gallery of South Australia was undertaken by Year 11 and 12 students for a tour with a German tour guide and they were surprised at the amount of German that they understood. Later in the year, a lunch visit to the German Club was also greatly enjoyed.

The Year 10 German students experienced an excursion to Hahndorf to investigate the lives of the early German pioneers and settlers and indulge in delicious cuisine.

These experiences allow students to both broaden their understanding of the German culture and give them opportunities to use the language.

Ms Monica McCauley
Coordinator of German

1. George Nery, David Amaechi, Phil Stevens, Alistair Teagle, Liam Costello, Jack Duggan, William Ritossa, Nikolas Glynatsis and Hamish Tugado attend the Spanish Film Festival at Palace Nova

2. Excursion to Hahndorf where students visited Cedars Studio

3. Alistair Teagle, Laim Costello, James Donlan, Tom Brooke-Smith, Nikolas Glynatsis, Jack Duggan and Phil Stevens enjoying Spanish food

1. Guest speaker d'Arcy Lunn, Founder of Teaspoons of Change with Senior School students
2. Year 7 Minecraft Mesopotamian City Project

Humanities

Humanities students have been involved in a variety of activities across the Middle Years and Senior School throughout the year, including:

- Geography field trips to the Adelaide Botanic Gardens, Adelaide Hills and coastline.
- The Minecraft Mesopotamian City Project and the Ancient History Models Project.
- During their studies of ancient Indian civilisations, Year 7 students also prepared and shared an Indian feast with peers and teachers.
- A visiting swordmaster introduced Year 8 students to Samurai history.
- A business and enterprise excursion to the offices of Maras Group.
- Guest speaker, Dr Rachel Milte, research fellow at the School of Commerce, UniSA, spoke to Year 11 Economics students on the economics of healthcare.

- Eight Year 11 History students attended the International Red Cross workshop titled Even Wars Have Laws.

Plus, we were fortunate to experience a range of business and enterprise speakers including The Right Honourable The Lord Mayor of Adelaide, Martin Haese, global citizenship educator d'Arcy Lunn, Tom Hannon-Tan, managing director of McGregor Tan and Guy Roberts, managing director of Nobles.

It's pleasing to share that Alexander Shierlaw was the top placed student in the state in the Australian Geography Competition. He is also a member of the team representing Australia at the 16th International Geography Olympiad in Hong Kong in 2019.

David Quan was successful in winning the SA National Economic Prize and the Adelaide University Economics field trip, where students sat in on a first year lecture and university style tutorial.

In Year 11 Legal Studies, Blake Lawrenson was selected to be one of the representatives to the National Schools Constitutional Convention in March 2019. This was based on his participation at the State Constitutional Convention and his presentation.

Farewell to Mrs Zubreckyj and congratulations on her retirement. Her expertise, warmth and compassion will be greatly missed by staff and students.

Ms Trudi Duggin
Head of Humanities

1

Mathematics

2018 has been another very successful year in Mathematics for our boys and staff.

This year we welcomed the expertise of Mr Leigh Kube, Ms Louise Firth, Dr Chris Holden and Mr Geoffrey Tinagli to the Mathematics faculty. These staff members have made a positive impact on student learning and we are grateful for their significant contributions.

At the end of 2018, we will say farewell to Mr Alex Smith, Mr Michael Salter and Dr Chris Holden. Each of these people have been highly valued members and we wish each of them every success in their future endeavours.

In 2019, we will be welcoming four new staff members to our team including Mr Nicholas Crawley, Ms Louise Firth (returning to us), Ms Hayley Horton and Ms Lisa Southwell. Each of them are highly regarded educators and we can't wait to have them on board.

Saints is a wonderful place to work and learn. There are brilliant students and collegiate staff who enjoy working together towards the common goal of instilling passion for Mathematics in our students so that they may go forward in their life to achieve their very best in any chosen future pursuits.

Ms Vanessa Gorman
Head of Mathematics

Personal development

Health and physical education

Students engaged in a range of individual and game based activities in their core Physical Education lessons in 2018. The focus included composition of movement, game understanding, human performance and fitness. Practical lessons looked at maximum engagement through developing core skills applied in a range of contexts. The Year 10 group also had the opportunity to work towards their bronze medallion certificate in the Swimming and Lifesaving Unit.

In Health lessons, the Year 8 group completed a unit on Relationships and Sexuality led by psychologist Dr Tessa Opie. We are committed to providing students with relevant, evidence based knowledge and understanding so that they are able to make informed decisions.

1. Learning new skills on the Year 7 Journey
2. Facing fears on the Year 8 Journey

Physical Education Week was held in November this year and the addition of new activities (dance and golf) were enjoyed. Combined with Summer House Sports Day, this created healthy competition between the Houses and promoted lifelong physical activity.

Religious and Values Education (RAVE)

The Religious and Values Education (RAVE) topic endeavours to increase our students' awareness of the spiritual aspects of life and to see them as an essential and necessary part of who they are.

At each year level, we explore the person of Jesus Christ, Biblical texts, philosophy of religion, world religions and stillness. Giving opportunity for our students to engage intelligently with Christianity— and more broadly— religious thinking and to engage carefully and critically with them which builds important life skills. Knowing how to articulate a point of view and to interact with a variety of opinions while honouring and respecting each person is critical.

Positive education

The Positive Education curriculum continues to evolve to ensure our programs are appropriate yet specific versions of the University of Pennsylvania programs that we implemented in 2012.

Our Year 7 and Year 8 mentors and our specialist Year 10 teachers add ideas and lesson plans to grow both our program content and our worldwide reputation for Positive Education delivery. The addition of a visible wellbeing focus in 2018 has ensured that all areas of the School, beyond the Positive Education classroom, have developed modules and tasks which are wellbeing centred.

The Year 10 curriculum includes a venture focus with a task related to the demands of our Pushing the Boundary 21 day journey. The Year 7 and 8 camps will include similar tasks with connections to the Positive Education curriculum next year.

Mr Matthew French
Acting Head of Personal Development

Subjects

1

Science

The year started with the Year 12 IB students teaching the Year 7 students about solids, liquids and gases for a whole day. This was one of the highlights for the Year 7 students and the Year 12 cohort began to appreciate the challenge involved in teaching younger boys!

Once again, we had the Year 1 students visit the Senior School labs for a lesson on changes. All the Year 1 boys got to experience making some elephant's toothpaste, then extracted DNA from strawberries and, finally, made some doorbell circuits.

Early in Term 2, the Year 11 IB Biology students went on an overnight excursion to Yookamurra Wildlife Sanctuary. Yookamurra is significant because it contains an area of 1100 hectares, surrounded by a feral proof fence, that is free of all feral predators and herbivores. The students continued a 20 year tradition of measuring the growth of the *Acacia cambagei* trees in the sanctuary as well as learning how the staff measure the ecological health of the Western Pygmy Possum.

In June, students from Years 7 to 10 sat the 2018 International Competitions and Assessments for Schools (ICAS) Science tests, conducted by the University of New South Wales. There was an impressive total of 66 distinctions, meaning they were placed in the top 10 per cent and 14 high distinctions which is awarded to the top 1 per cent of those who completed.

The high distinctions were awarded to:

Shreyans Sinhal
 Nic Koh
 Alexander Rowe
 Derek Yang
 Callum Gale
 Archie Goodson
 Stefan Kudra
 Max Wang
 Chathula Kiripitige
 Oliver Grieve
 Eric You
 Darren Nguyen
 Gabriel Lowe
 Gunin Singhal

Saints also scored the highest in SA and NT in Years 7 and 10, with Gunin Singhal winning the Year 7 medal and Shreyans Sinhal winning the Year 10 medal.

We also entered the Physics and Chemistry Olympiads which are the most demanding challenges and this year we achieved five high distinctions.

Chemistry:

Alex Hofmann
 Angus Ritossa
 William Thompson

Physics:

Alexander Rowe
 Eric Zhou

At the end of the year, we held the traditional rocket car race. The rules for this event are becoming more like the rules for Formula 1, with mass, height clearance and dimensions restrictions all now in place. The car with the most points was raced by Jonathan Harris, Alex Halloran, Archie Goodson with a point total of 114.8109; they just beat second place by a mere 0.5143 points.

Mr Karl Grice
 Head of Science

1. Year 9 students Archie Jackson, Harry Comley and William Maloney working on their garden trolley for Year 9 Industrial Product Design
2. Timothy Prince (Year 11) working on his arcade machine
3. Derek Yang (Year 8) creating a pewter cast in Design Technology

Technology

2017 proved to be a busy and exciting year for the Technology faculty.

The Year 7 cohort continued to reap the benefits of a refurbished Middle Years Technology Centre. This is now an amazing purpose built facility that both the boys and staff enjoyed.

Digital technology

A key focus this year has been innovations in technology, specifically on autonomous vehicles and the technology behind them, culminating with students programming their own fully functioning autonomous models using Python programming language.

Design technology

Each year the Rotary Club of St Peters invite the Design Technology Department to nominate two students to receive the Vocational Technical Excellence Award for their work during the year. In 2018, the recipients were Cameron Florance for his superb 4x4 ute tray produced in the Material Products class and Lewis Fox for his arcade machine, developed as part of the Year 11 Integrated Learning class.

Pedal prix

This year also saw the Technology faculty continue its association with the Pedal Prix event. This was highly successful and our thanks go to all those involved in this action packed activity.

Science and engineering challenge

The Technology faculty, in conjunction with the Year 10 Enrichment class, entered the University of Newcastle's Science and Engineering Challenge. This national competition aims to promote STEM subjects through engineering and problem solving challenges. This year the Saint's team won their regional final, the state final and represented the state at the national final held in Darwin. The team came an impressive fourth place from hundreds of schools that entered this year.

Art/technology show

The Art, Design and Technology Exhibition was a huge success this year. Student work from all year levels and subjects were on show for the community to enjoy. As usual, the range and quality of the student work on display were extraordinary.

Finally, I would like to thank all the students and staff for their continued support of the Technology faculty.

Mr Nick Lamont
Head of Technology

Congratulations to the following students that were awarded academic prizes in the Technology faculty.

Year 12

Benjamin Stuart:
AB Sailor Webb Material Products Prize

Thomas Grozev:
Information Technology Prize

Year 11

Thomas Kelly:
Material Products Prize

Timothy Prince:
Stage 2 Integrated Learning Prize

Aaditya Mangla:
Information Technology

Year 10

Rhys Godfrey:
AB Sailor Webb Material Products Prize

Nicholas Bentley:
Systems and Control
Products Prize

Thomas Gaertner:
Information Technology

Year 9

Thomas Hosking:
Information Technology

Library

Miller library

A major focus and enquiry for the Miller Library has been the provision of books suitable for the Middle Years students.

Organising a collection by author is logical and the books are easy to locate on the shelves... if you know the author. This means it can be more difficult for a student to find a book about sport, music, a mystery, adventure and so on. To this end, we have created a specific Middle Years section, where the books are grouped based on genre, then by A-Z within each genre. All book spines have genre stickers, making it easier not only for the students to find a book but for staff to reshelve returned books. The students have been very positive about the changes. It is easier for the more prolific readers to find new authors or books similar to what they already read. For the students who do not know what to read, it is much easier to select a genre and choose from a smaller collection.

Junior School library

This year we have been fortunate, with our Author in Residence program, to welcome Boori Monty Pryor who immersed students in a dreamtime experience, Gabriel Evans presented a workshop about the process of illustrating and Jane Jolly related her research techniques in preparation for writing a picture book. These opportunities widened the boys' understanding of literature and engaged them with new ideas and challenges.

The importance of reading and being part of a literate community was recognised through many library events including the popular Book Week activities and its theme Find Your Treasure. Our annual Read Around with Dad was held as a special Father's Day event this year, our 100 per cent participation in the Premier's Reading Challenge and the phenomenal 45,000 books borrowed by our Junior School boys, all reaffirm the importance of being a reader.

A new addition to the Library this year, was the installation of the Library Leaders honour board. The leadership shown by our committee of Year 6 students organised events such as a book swap in Term 4 and a *Star Wars* quiz in Term 2. These leaders showed enthusiasm and organisation through these student led initiatives.

The Library team create an inspiring, welcoming and safe environment that supports all boys in book selection and literature challenges, which is available before and after school, at lunch time and within two Library lessons per week.

Junior School pottery club

Pottery Club was a unique opportunity for Year 6 boys to develop their skills and techniques on the pottery wheel.

Held each morning before school, each boy was enthusiastic to work with wet clay and enjoy the accelerating speeds of the wheel. This was an intense and regimented course that involved the teaching of particular techniques on the pottery wheel.

Influenced by specific Japanese techniques, the boys required focus, timing, concentration and instinct. Boys were astounded at the incredible strength required to manipulate the clay into a functional form. Glazing techniques with underglazes and gloss glazes were applied as the final process of the pottery course. Vessels were coated with vibrant colours once fired in the kiln.

The tradition of pottery in the Junior School continued to thrive and capture the learning of each boy, as it is a unique craft and skill to master. The Year 6 students achieved great success mastering the pottery wheel and throwing on the wheel, creating a rewarding experience for all the boys.

Miss Sally Houston
Junior School Art Teacher

1. Year 5 Felix Hanisch deep in concentration
2. Year 6 working with terracotta clay
3. Year 5 Hamish Porter creating a clay bowl

Co-Curricular

Battle of the bands

A wonderful array of musical talent was on display by the 18 student bands at the 2018 Battle of the Bands. Every group enjoyed their time in the spotlight as they performed to a full-house in Memorial Hall.

Congratulations to the Farr House Prefects, led by House Captain Kosta Dimitropoulos, for organising such a fabulous event which raised funds for *beyondblue*. Congratulations to the following Junior and Senior Houses for their rousing renditions of some of the greats.

Jon Inge
Head of Farr House

Junior House Champions

1. Da Costa: INXS' *Never Tear Us Apart*
2. Farrell: The Cat Empire's *Two Shoes*
3. Young: The Gorillaz's *Feel Good Inc*
4. Woodcock: Green Day's *When I Come Around*

Senior House Champions

1. MacDermott: Queen's *Don't Stop Me Now*
2. Farr: Red Hot Chili Pepper's *Can't Stop*
3. Howard: September's *Earth Wine & Fire*
4. Farrell: Stevie Wonder's *Superstition*

Debating

Debating Intercol

The 2018 Debating Intercol against PAC was a challenge but the team of Connor Kitching, Shiva Mukherjee, Indran Mukerjee were well supported by Lucas Michaels, Will Ritossa and Chisomo Banzi. The coach, Mr Gordon Wicks, was an excellent support throughout the year, attending all practices and debates. His advice about rebuttals and points of information was useful and appreciated. A very successful and prideful debating season for the team at Saints overall.

Senior A Team 1

Coach: Mr Gordon Wicks

Senior A Team 1 consisted of Connor Kitching, Chisomo Banzi, Lucas Michaels, Indran Mukherjee, Shiva Mukherjee and William Ritossa. Though they were an experienced team of debaters, they faced a competitive year in the SA Debating Association (SADA) A grade competition.

After winning four out of five of their debates in the minor rounds, they progressed to the finals. The grand final was held in Parliament House against Seymour College. In a challenging debate about the merits of incarcerating non violent offenders, Saints managed to beat the top team from Seymour College in a close 3-2 decision.

Senior A Team 2

Coach: Mr Paul Fabbro

For a third year, Sam Burton, Nikolas Glynatsis, Alek Kudra, William McDonald, Sathyajith Sukumaran and Hamish Tugado came together to spend many a lunchtime discussing strategies. Special thanks to Hugo Bowyer, for rescuing the team in round three.

Topics included the plight of developing countries and whether they should be held to different environmental standards, Donald Trump's presidency was evaluated and the team successfully argued that pharmaceutical companies should be able to patent lifesaving medications. Of particular note were the talents of Sam Burton and his excellent leadership.

Senior B Team 1

Coaches: Mr Isaac Tennant and Mr Matthew Worley

A great effort was displayed from the Senior B team 1 during the season.

Despite many of the boys not having debated in the past, they worked very hard to develop the skills of debating and honed them to

a high standard. Our personal highlight from the season was a tight victory against a well organised and very self confident Seymour College team, made possible by the outstanding performance of Shant Becker and Anuk Kariyawasam. Other notable mentions go to Yi Qin, Brian Xhao and Alex Shierlaw for great debating elsewhere in the season.

Senior B Team 2

Coach: Mr Paul Fabbro

Unfortunately, the Senior B team was only able to debate on three occasions; the result was two wins and one loss.

The team was comprised of Angus Ritossa, Aditya Mangla, Alex Hofmann, Lachlan Bellifemine, Jeremy Harding and Brandon Seeto. They convinced adjudicators that social media is good for democracy and that preventative strikes are a sound means of warfare.

The students displayed impressive skills and will undoubtedly develop their talents and thrive in the future.

Senior B Team 3

Coach: Mr Alexei Economou

Fantastic season, with outstanding debates from Kareem Shahin, Oliver Cobain, Harrison Georgiadis and Ben Norris.

The team were grand final winners which was incredibly impressive and we all look forward to seeing them debate next year as they progress onwards and upwards.

Senior B Team 4

Coach: Mr Glyn Roberts

The Year 10 boys have had an enjoyable— if at times frustrating— year and have approached the debates with enthusiasm.

Ollie motivated the boys and they would spend a great deal of time discussing proposed questions and different approaches to them. Significantly, the boys improved throughout the year and their enthusiasm and their desire to win were admirable. How they missed out on the finals is still a mystery!

But, in the end, Alexander Rowe, James Grosser, Hugo Bowyer, Ollie Kleinig, Alex Andreyev and Thomas Jose were a great team to work with and worthy representatives of Saints.

Senior B Team 5

Coach: Mr Connor Kitching

2018 proved a fantastic season with admirable involvement from Thomas Gaertner, Jack Morton, Isaac Hoe, Tristan Theseira, Richard Rosser, Luke Robertson and Christian Maios.

Although there were not as many wins under the belt as desired it was certainly an enjoyable debating season, yet again.

They were a great team to work with and are worthy representatives of Saints and have developed many skills that will hold them in good stead for years to come.

Senior B Team 6

Coach: Mr Oliver Cobain and Kareem Shahin

What an effort from the mighty Senior B Team 6 this season!

Although off to a rocky start with little prior debating experience, the team's cohesion paid off dividends in the long run. Nic Michael's leadership helped the team while Jack Kain and Jack Randello's knowledge of governmental roles helped the team to be competitive. The latecomer, Malachy Caruthers, helped get us across the line in multiple debates and Danny Chebotenko's knowledge of Shakespeare helped the team in a close fight against a rival Saints team. Furthermore, Tom Disney's assistance advanced our team to experience great success.

Intermediate A Team 1

Coach: Mr Jimmy Psaltis

This debating season was one characterised by improvement from everyone in the team.

The team started the season with a diverse set of skills ranging from seasoned debaters to people who had never debated. Despite this, the team collaborated cohesively, respectfully and pushed each other forward.

George Gadalla and Leon Connop, both new debaters, showed enthusiasm and a strong desire to improve. Eric You, Eton Williams and Nicholas Piscisneri, seasoned debaters, were eager to take on feedback and their improvement during the season was commendable.

While the team didn't make finals this year, the improvement and teamwork that were shown was very impressive.

Debating

Debating Intercol

Intermediate A Team 2

Coach: Mr Eric You and Mr Aaditya Mangla

The team, consisting of Chathula Kiripitige, Jack Foster, Rajiv Paranthavithana, Nathan Choi, Xander Grice and Daniel Jesudason, had a very close season, with three wins and two losses. Many of these debates came down to a one point difference, which is a commendable effort from the boys. This, coupled with their ability to come up with sophisticated arguments, saw triumph in many of the debates.

While this season was not the most successful season, it was great to see every single one of the boys develop their debating skills over the season, especially in the Secret Topic debates.

Intermediate A Team 3

Coach: Mr Saujas Chanana and Ms Ashlea Wellington

The team of Chanidu Fernando, Chirath Lekamge, Gabe Lowe, Noah Pitkin and Angadbir Sohi enjoyed a tremendous debating season, reaching the semi finals.

Throughout the year, they worked cohesively and articulated complex responses to relevant problems. As first speakers, Angad and Chanidu were able to set up debates proficiently whilst relaying our team's model.

Chirath and Noah continued our team's case through astute and insightful substantive points. Whilst Gabe delivered perceptive rebuttal at third speaker and utilised thematic rebuttal to critique the opponent's arguments.

The team should all be very proud of the progress they have made this season.

Intermediate A Team 4

Coach: Ms Laura Desmond

The large team of James Tallent, Jimmy Psaltis, Samarth Dhattrak, Abdullah Rizwan, Max Probert and Rushan Khurram brought a wealth of experience and debating knowledge to this year's season.

The boys worked well together when planning debates, even under time pressure in the Secret Topic round. The boys presented themselves well at debates, with calm, respectful speaking and well researched arguments and evidence.

The boys made it into the first round of finals but unfortunately did not progress any further.

These intelligent and professional young men should be very proud of their efforts this season.

Intermediate A Team 5

Coach: Mr Angus Ritossa and Mr James Grosser

Aidan Hughes, Josh Watson, Nithin Vivekanandan, Sachin Ravindran and Shreyas Khanna had a great season, with many close debates and a seven point win.

The team had a mix of new and experienced debaters and worked very well together during both the preparation and the debates.

All team members showed noticeable improvement over the season, especially when it came to rebuttal, with the team developing sophisticated arguments. The team did very well, progressing into the quarter finals, unfortunately losing a hard fought debate.

It was a pleasure to coach them and we wish them well in their debating careers.

Intermediate A Team 6

Coaches: Ms Laura Desmond and Mr Joel Baker

This season was a great growth period for Arvind Pati, Jarvis Zhao, David Rus, Duc Pham and Saeed Bajhau in the intermediate division.

While some members of this team had little previous experience, those with more knowledge were quick to help and support which was great to see.

Together, we studied the SADA guidelines and presentation, forming of arguments and rebuttal points improved greatly over the season as a result.

The efforts put in by these young men this year will be a fantastic ground for them to continue finessing their skills next season and beyond.

Intermediate B Team 1

Coach: Mr Simon Roberts-Thomson

A challenging season of debating for Sebastian Hoe, Nicholas Koh, Derek Yang, Ethan Leo, Nicholas Rayner and Nicholas Andreyev.

There were some surprising losses, however, lots of debating skills were certainly developed.

All round, there was a strong team effort, with excellent collaboration from all involved and it was a pleasure to coach them and witness their potential.

Intermediate B Team 2

Coach: Mr Max Probert and Mr Abdullah Rizwan

A memorable season for the students of Intermediate B Team 2.

Despite a fairly shaky start to the season, the team was able to pull through and gain a win through stringent efforts and working together well as a team.

Will Lawrence and Vithu Jayachakaran were two notable members of the team as they showed up to meetings when they were supposed to, put significant effort into every debate yet still managed to continue a positive and upbeat attitude throughout the season.

It was a delight to coach you all and we wish you the best for 2019 and onwards.

Intermediate B Team 3

Coach: Ms Frances Zubreckyj

The Intermediate B Team 3 should be commended for their prodigious achievements and progress this year.

Right from the outset, the team's enthusiasm, not only to perform and represent the School to the best of their ability but to learn and progress their skills were greatly appreciated and extremely impressive.

The team rightfully secured a place in quarter finals and then proceeded to the semi final round where they, unfortunately, lost to Seymour College.

Intermediate B Team 4

Coach: Ms Rachel Spiby

From the first debating meeting, this group of students were enthusiastic.

The team consisted of Sam Golding, Seb Lockie, Will Subramaniam, Sean Ooi, Jason Zhao and Tom Hosking.

Some boys had more experience than others coming into the season but what became clear was the respect for each other's opinions, an effective work ethic and plenty of debate from both sides of the argument. It has been an absolute pleasure to work with this group of students and they should be congratulated for the improvements they've made. They are fabulous ambassadors for the School.

Intermediate B Team 5

Coach: Mr Chris Chadwick and Mr Richard Rosser

Toby De Wit brought unmistakable charm to the role, lending convincing performances that clearly and methodically trounced the arguments of those teams unlucky to fall within his path.

The oratory prodigy, Zihao Wu, mustered enthralling arguments that had the audiences on the edge of their seats, excelling in his role as third speaker. He is truly a debater of legendary humour and sophistication.

Jack Maitland represented the pinnacle of debating, decimating his opponents.

James Loftus is an elegant debater, whose arguments are characterised by their finesse.

And finally Jimmy Butcher, whose positive attitude and constructive input helped the team flourish.

Junior debating

Coach: Shiva Mukherjee (Year 10) and Ms Arasmia Hanna

The team of Josh Rai, Gunin Singhal, Rohan Thiruvencatam, Kartheek Laddipeerla, Archie Goodson, William Barone and Darren Nguyen represented Saints in the junior division this year with skill, eloquence and enough statistics to put the Australian Bureau of Statistics to shame.

They approached each debate with enthusiasm and demonstrated serious growth throughout the season. Thanks to their ability to build a strong case through discussion, internal debate and many emails the boys successfully made it to the finals.

Their season culminated in a win at the grand final where Rohan was also awarded the medal for best speaker.

1

Junior School debating

Debating is a popular co-curricular activity, with lots of boys from Year 5 and Year 6 participating.

This year, our B grade debaters enjoyed four rounds of competition. For some boys, this was their first experience debating.

The Year 6 B Teams were fortunate to have three very capable and committed Senior School boys: James Grosser, Ollie Kleinig and Chisomo Banzi.

I commend all of the boys on their effort in researching and developing strong team cases with such challenging topics. They have all gained experience in public speaking as well as confidence to convey ideas in a logical argument.

Mr David Kolpak
Head of Junior Years

Future problem solving

Future Problem Solving (FPS) is an international education program for students that focuses on the development of creative and futuristic thinking skills. Through the imagining of future social concerns, participation in the program fosters the enhancement of skills such as problem identification and the consideration of positive solutions to those problems. Through thoughtful engagement, FPS aims to give young people the skills to design and promote positive futures for the society in which they live.

In short, students who participate in FPS develop their ability to:

- think more creatively and positively about complex social issues,
- develop an active interest in the future,

- improve communication skills (oral, written and dramatic),
- develop a variety of research skills and
- think critically, analytically and creatively.

Captain of FPS this year was Chisomo Banzi. This experienced and talented student mentored younger participants and proved to be excellent role model and ambassador for the program and for the School itself. Chisomo's 2017 Scenario *Stranger in the Mirror*, won second place at Future Problem Solving Program International.

This year, the students had a variety of social concerns to consider including spread of infectious diseases, toxic materials, philanthrocapitalism, cloud storage and biosecurity.

In 2018 Saint Peter's College successfully participated in the Scenario Writing competition with the work of two boys selected to go into the national competition; Alexander Row for *The Storm* and Gunin Singal for *The Spread*.

Special mention must be made of all students who participated in FPS this year without winning a national place. These students directed their own learning and submitted high quality responses to the future scenes given.

Future Problem Solving is a wonderful opportunity for students to imagine the world they would like for their future. As action follows thought, this could be their first step to making their imaginings a reality.

Kerry Skujins
Teacher in Charge

Maths@Saints

The Maths@Saints program exists to provide opportunities for boys and teachers at St Peter's College to engage in such activities and events that convince one of the truthfulness of mathematics. There are many aspects to the program, including the Informatics and Mathematics Societies and the Thursday Afternoon Mathematics Enrichment Sessions (ThAMES).

Once again, the boys performed brilliantly across the board in the many and varied mathematics and informatics competitions over the year. Rather than provide a recap of the results and placings from these

competitions, which can be found in past newsletters, I will, instead, reflect on what I have observed the boys gaining from the Maths@Saints program during 2018.

First and foremost, the rise of informatics. The success of the Informatics Society and its members is due solely to the care, guidance and interest that Angus Ritossa has provided. Having benefitted from the mentorship and friendship of previous scholar, Jack McKinney, Angus offered the same for the other members of the Informatics Society.

Maths@Saints is proud to have supported Angus in his own informatics endeavours, with his Silver Medal in the 2018 International Olympiad in Informatics held in Japan being his most significant achievement to date.

Another key component of Maths@Saints is the Mathematics Society which meets every Tuesday and Friday lunchtime in the Horace Matters Room, where members of the society provide mathematics support for any student who drops in. No student is too young, too old or too advanced to learn from those who give up their lunchtimes to provide assistance with mathematics.

As the final article I ever write for a Saints magazine, I allow myself the indulgence of thanking Jane Hogarth (guardian of the Maths@Saints fund), the staff of the Mathematics faculty for their support of the program, past visiting fellows and especially the boys, whose passion for all things related to informatics and mathematics enables Maths@Saints to be the success it is.

I wish the students of the Mathematics and Informatics Societies and the staff who support the Maths@Saints program all the very best for the future.

Mr Alex Smith
Maths@Saints Coordinator

1. The Guardians of the Informatics Society: Nicholas Koh, Zihao Wu, Angus Ritossa, Darren Nguyen and Eric Zhou.

Exchanges

1

2

3

This year, several of our Year 10 students enjoyed the opportunity, experience and challenge of studying at one of our international exchange partner schools. Below is a collection of their reflections on their respective exchanges.

'The highlight of my exchange was doing the biggest bungee jump in the world, shark cage diving and zip lining through the jungle. I found the exchange to be a life changing trip and would highly recommend anyone to apply for it,' Sam Upton, Bishops Diocesan College, South Africa.

'Opportunities, like this one, only ever come around once in a lifetime and what we learned and what has resonated with us will stay with us forever,' Jock Burton and Ned Dowling, St Andrew's College, South Africa.

'It had just begun snowing and I was in a Latin class; I took a second to look around and appreciate where I was. A new country, culture and climate, all of which I had never remotely experienced,' Isaac Hoe and Jonty Milford, Trinity College, Canada.

'I don't think anyone can really share it with you or try and know what it was really like unless you were there but this is why it is so special. There are memories and experiences that are so unique and special to you, that only you can dwell on and remember them. Memories and experiences can be the most valuable thing in your life,' Will Bradley, Upper Canada College, Canada.

Jack Kain was our first ever exchange student to attend the Episcopal Academy in Philadelphia, USA. Jack attended throughout Term 4 so was still very much enjoying his time when the deadline for Magazine reports passed!

Mr David Scott
Head of Senior Years

1. Jonty Milford (far left) and Isaac Hoe (third from right) enjoying the sights of Canada
2. Jonty Milford enjoying the snow in Canada
3. Sam Upton gets up close with some locals

Language societies

1

2

3

German Society

Earlier in the year, an enthusiastic and committed group of Year 11 German students (Alex Hofmann, George Karassoulos, Alex Roe and Harry Tennant) formed the inaugural German Society.

With promising activities sure to interest other students and to spread German culture, several meetings were held at lunchtimes by the committee in order to organise suitable activities.

The meetings, games, quizzes and music have proven to be a hit, although undeniably the most popular activity was the cake stall selling Berliners and Sachertorte (rich chocolate cake) on the Languages Soccer Day with 240 cakes sold.

Further activities including German board games, European handball and German films are planned for future meetings.

Ms Monica McCauley
Coordinator of German

Chinese Society

Chinese Society resumed after a ten year break.

In the first half of the year, the Chinese Society held a special Chinese food market to celebrate Chinese New Year, held a Chinese quiz competition to introduce Chinese culture as well as introduced Chinese chess to the members.

In the second half of the year, the Society continued to share Chinese culture by holding the Jianzi (毽子) competition to not only introduce this fun Chinese game but also encourage students to collect recyclable cans and bottles to keep the School grounds pristine for Summer House Sports Day. The Chinese medicine workshop was also well received by staff and students.

The committee consists of Co-Captains David Quan and Chisomo Banzi and the Secretary, Difan Deng. The committee members the comprise the society are Anson Lu, George Young, Eton Williams, Will Fitzgerald, Binqi An.

Fangfang Qiu
Coordinator of Chinese

French Society

The aim of the French Society is to share French language and culture with all students and the wider community, through informative and fun activities.

In 2018, Co-Captains Simon Staal and Robert Jones worked together to offer several cultural quizzes, Tuesday lunchtime French support sessions, pétanque practice to prepare for the South Australian French Teachers' Association (SAFTA) Pétanque Competition and French film events. The Society was also instrumental in working with Seymour College Senior Students to organise and MC the SAFTA Annual Year 8 Interschool Quiz and Games night.

Félicitations à tout le monde. Congratulations on another successful year.

Ms Irene Castrechini-Sutton
Coordinator of French

1. German society
2. Will Fitzgerald and Bryan Wang playing Chinese Chess
3. French Society

Exploration society

1. 2. 3. Exploration Society on the Franklin River tour in Tasmania, December 2018.

1

2018 heralded another year of epic adventures with the Exploration Society. It was also a year where the society experienced considerable growth, both in student participation numbers, and in trip offerings throughout the year.

Our year begins in December with the popular End of Year Venture. This consists of a spectacular ten days spent experiencing some of what Tasmania has to offer. Mountain biking the famous Derby trails, visiting historic Port Arthur, and hiking the incredibly scenic 3 Capes Walk on the stunning Tasman Peninsula, were just some of the highlights of this trip.

Tasmania was so popular that we returned there for another End of Year trip this year where we experienced white water rafting on the world-famous Franklin River. This 10-day wild river journey is rated as one of the top ten rafting trips in the world. Paddling through the virtually untouched Tasmanian Wilderness World Heritage Area was certainly a highlight of the journey and being so remote made you feel like you were alone in the world.

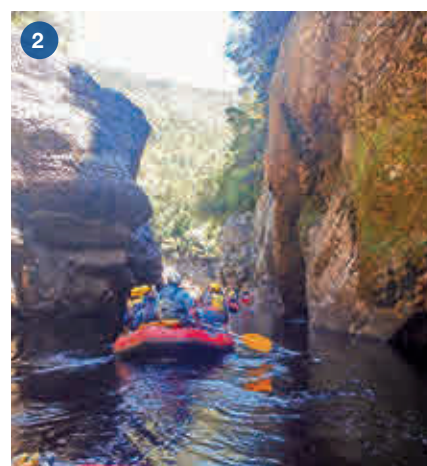

The Mount Arapiles rock climbing trip conducted during the first term school holidays has become a very popular permanent fixture on the calendar. This trip fills to capacity very quickly with daytimes filled with beautiful scenery, top roping, lead climbing and abseiling, followed by relaxing nights spent by the pizza oven fire, BBQ and local burger bar.

Winter saw a large group attend the annual pilgrimage to the Victorian Ski Fields. We were lucky to experience good snow falls with 5 days of action-packed skiing and snowboarding, not to mention snow ball fights and building snow people.

A new 5-day camp in the Adelaide Hills was developed for Term 3 with some incredible rock climbing and mountain biking.

Students embraced this new opportunity and created many lasting memories through campfire stories, camp games building bike trails.

Anthony Bates
Head of Outdoor Education

2

3

Mooting

The Saints Mooting tradition continued again in 2018, with solid performances in the South Australian Law Society's competition and the inaugural University of Adelaide Mooting Competition.

Our Mooting Team, comprised of boys from new Year 10 participants, in what was their first mooting season ever, through to our returning Year 12 members, performed well against extremely strong competition.

Throughout the year, the team had to cover a few absences each round due to illness and various other co-curricular commitments. The boys started strong in round 1 against Pembroke, where, as the defendant, they successfully created a reasonable doubt in the magistrate's mind as to the motor traffic offence of dangerous driving and the charges were dismissed.

The team continued their winning streak in round 2, conducted in the Supreme Court of South Australia during Law Week, against University Senior College, with Oliver Kleinig and Henry Allen taking on the roles

of first and second barrister for the first time. Both boys conducted strong cross examinations and had winning opening and closing arguments.

However, the team lost round three by a point, in what the magistrate called the 'best moot he[sic] had ever judged' and just missed a semi final berth with Oliver Cobain doing an outstanding job as witness.

To end the year, the boys participated in the inaugural University of Adelaide Mooting Competition where they were invited to compete against a strong group of schools from across Adelaide, in a new and unfamiliar format.

Although outnumbered, with only a small group of boys available for this Term 3 competition, the team placed third and won a \$500 prize. Additionally, Kush Goyal was named the third best speaker in the competition.

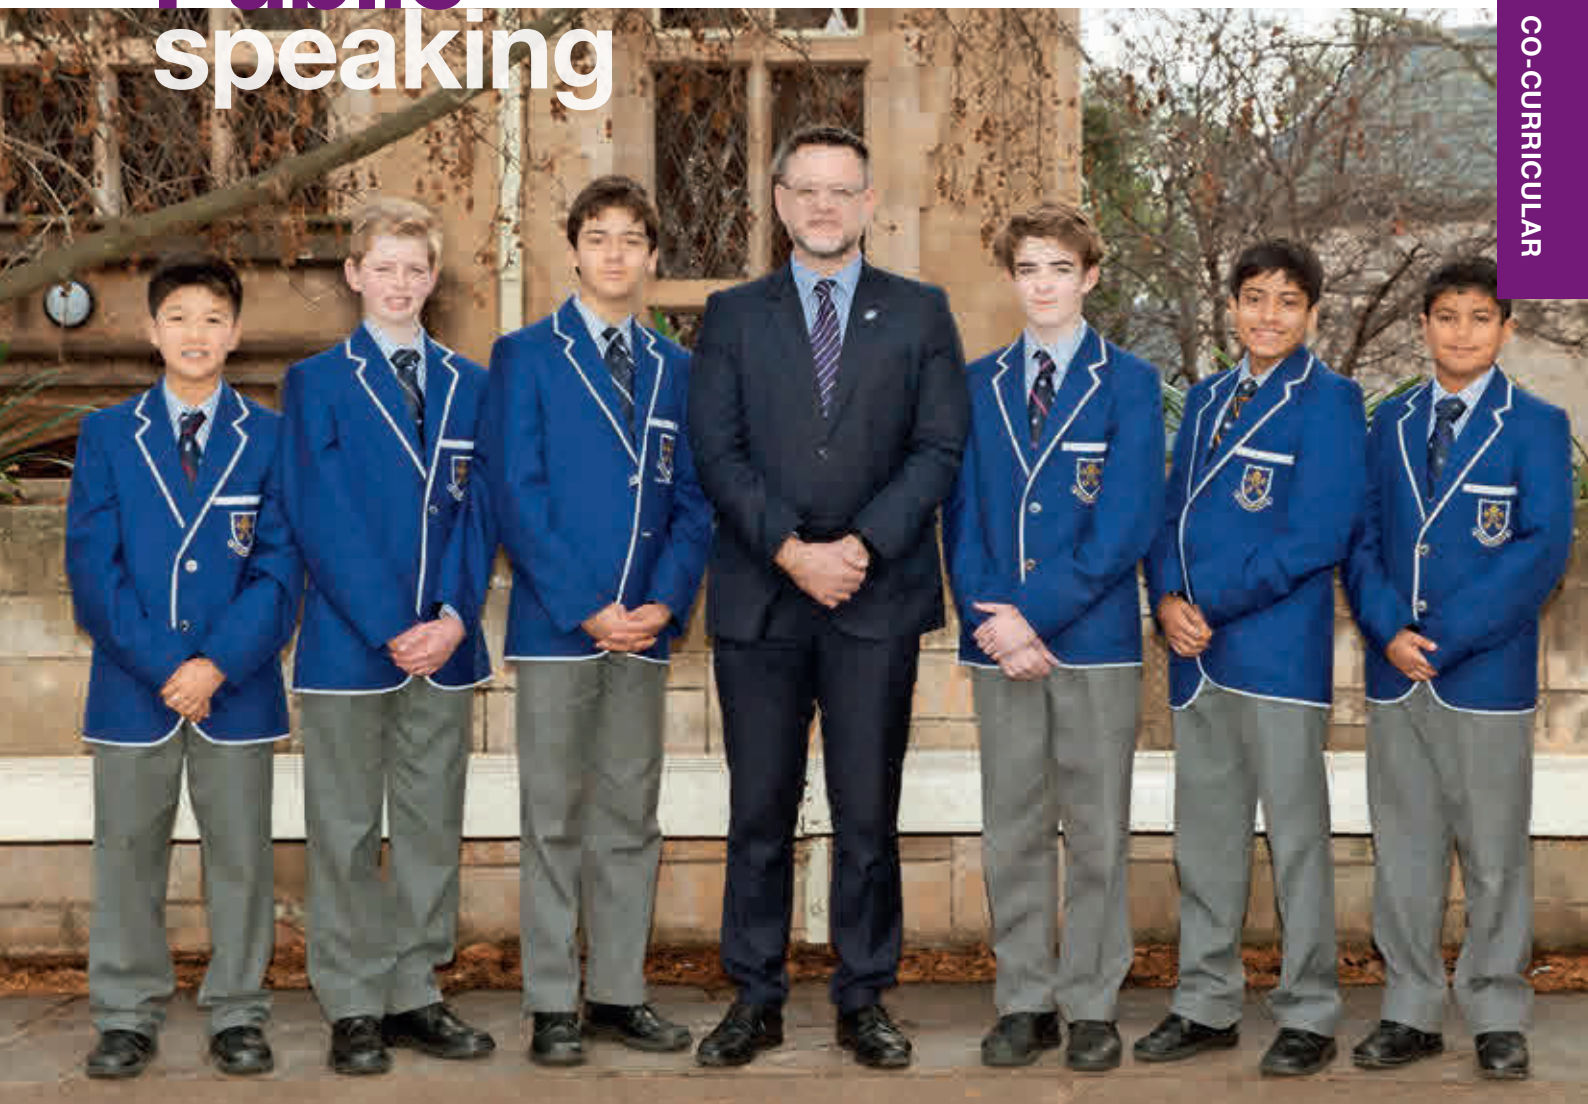

Ms Ana Christensen
Co-Teacher in Charge of Mooting

Front Row: Kush Goyal, Oliver Kleinig, Connor Kitching, Martin Daenke, Henry Allen, Ramith Waragoda, Benjamin Harding

Back Row: Ms Vanessa Gorman (Teacher in Charge), Lucas Michaels, Oliver Cobain, Ms Ana Christensen (Teacher in Charge)

Absent: Thomas Aplin, Rushan Khurram

Public speaking

Once again, we had a very successful year in Public Speaking.

We had a very enthusiastic group enter the statewide Rostrum Voice of Youth competition, with Chathula Kiripitige, once again, reaching the final eight. He presented in the final, which was held in state parliament. Chathula was a credit to the School, speaking well and he spoke with enthusiasm and kept the audience engaged. Hopefully, he can make it third time lucky and win in 2019!

Both the school internal Public Speaking competitions were of a very high standard. Aidan Hughes won the Arnold Reid competition which was held in Term 2 and is for students in Year 7, 8 and 9. Chisomo Banzi won the prestigious WH Irwin Prize which is for the senior boys.

Both competition finals were of exceptional quality and all the boys who took part should be extremely proud of their writing and excellence of their presentations.

Mr Glyn Roberts

Left to Right: Bingqi An, Thomas Browning, Jimmy Psaltis, Mr Glyn Roberts (Teacher in Charge), Aidan Hughes, Chathula Kiripitige, Gunin Singhal

True service is challenging work. It requires commitment and a sense of discomfort. It takes out of our comfort zone and into new places with situations that are often very different to our own.

At Saints, students reflect on the transformational experience of their service and find much meaning in the helping of others. Many of our boys, give their time, energy, expertise and compassion to help others, look after animals and care for the environment. Some of the service work includes assisting in residential care facilities, providing meals, helping in literacy programs, cleaning up rivers and caring for distressed animals.

Furthermore, Service Society has been active this year with a number of very successful actions. The awareness and fundraising of World Vision 40 Hour Famine was a great success. The week was driven by Service Prefects Chisomo Banzi, Jordan Schultz and Fabian Wightman who coordinated a variety of in house activities for the Senior School.

Term 4 saw the Service Society coordinate the collection of over 200 pairs of pyjamas for the Backpacks 4 SA Kids organisation.

It has been a fantastic year for Service at Saints.

Kerry Skujins

1. Students lined up for the sponge throw activity that raised funds for 40 Hour Famine
2. Mason Jones supporting a fundraising sausage sizzle

1. The students enjoy the view at the Eiffel Tower
2. The tour visits St Peter's Basilica

The inaugural European Science Tour started in Rome, where the boys learned about the science and engineering of the Colosseum and the science of the Vatican's artwork.

The group then went to Florence where they toured Museo Galileo and Uffizi Gallery. After Florence, the boys travelled to Pisa to see where Galileo worked and investigated the Leaning Tower of Pisa.

Next up was Milan and the Alfa Romeo Museum, the Navigli canals, the National Museum of Science and Technology "Leonardo da Vinci" and *The Last Supper*.

The boys then went to CERN, Geneva, where they learned about recent advances in particle physics. Following CERN, the boys

travelled to Paris where they visited the tomb of Marie Curie, Foucault's pendulum, the Meridian line, the Louvre and the Eiffel Tower.

The group then travelled to Oxford for a guided tour of the University followed by King's College London - The Gordon Museum of Pathology and were treated to a lecture from Michael Foale, astronaut. The boys then visited the Royal Institution as well as visiting the British and Science Museums to round out the tour.

The boys learned valuable lessons about science, art and history and were a supportive and helpful group.

Dr Hamish McTernan

Saints to Cambodia

Twenty-three students spent an action packed ten days in Cambodia, where they experienced a strong service commitment with a wonderful cultural journey.

Our tour began in Phnom Penh visiting the Genocide Museum of Tuol Sleng and students saw the confronting conditions and reality of this “re-education” centre that fronted as the regime’s central torture location. It was a stark reminder of the horrors of the Khmer genocide.

The examination of the Angkor Wat temple complex was an incredible experience and the students spent many hours wandering the three big temples of Angkor Wat, Ta Prohm and the beautiful and mysterious Bayon temple.

Service Learning formed the centrepiece of the tour and in Komphein Village outside of Siem Reap. The team built three houses for local families. Working in groups they built frames out of bamboo and thatched the sides with leaves. Together, they assembled the houses and felt the unique grace of changing the lives of disadvantaged families. Students also taught English lessons in HUSK School eventually delivering their own lessons after collaboration and planning of appropriate activities, games and tasks.

Students embraced the challenges of the tour with good humour. All students participated in circus workshops, a cooking class, a traditional Apsara dance, a hot bike ride and a spirited challenge in the Amazing Race around Siem Reap town.

Thank you to Mr Paul Hadfield, Ms Marie Daziani for their support and participation in all activities with the students. Thank you also to School Nurse, Ms Cate Behenna who assisted in dealing with scrapes, headaches and tummy bugs. Her medical expertise was greatly appreciated.

The 2018 tour was a fantastic achievement by all of those involved.

Ms Kerry Skujins
Senior School Teacher

Indigenous program

The Indigenous Program exists to ensure our Indigenous students are given the best support academically and emotionally.

Our Reconciliation Plan has seen us host a staff cultural awareness workshop as well as many crucial activities such as Welcome to Country and a smoking ceremony at our special Reconciliation Week muster for all of our students.

The program's students spoke to the broader student community and staff about Reconciliation and what it meant to them. It was an extremely powerful and deeply prideful event as these boys declared who they are to our whole School.

Another highlight involved The Honourable Steven Marshall MP, Premier of South Australia and His Excellency The Honourable Hieu Van Le AC, Governor of South Australia who spoke to the boys about being leaders. Plus, we had football royalty— Steven Motlop and Gavin Wanganeen— talk about making the most of opportunities and being great role models.

This year, we've welcomed many tremendous things including: Indigenous artists in residence, in house musicians and dancers. A partnership with University of Adelaide's Marni Wingku program. Indigenous career trackers engaged to support our boys' paid internships. An intensive literacy program called Maq Lit, devised by Macquarie University and the Indigenous Round football against Rostrevor College as well as Jukurpa (Dreamtime) art studio.

Saints also announced our School Captain for 2019, Hugo Hart, who is an indigenous student from Victor Harbor.

Mrs Frances Zubreckyj
Indigenous Coordinator

1. Leon Connop (Year 7) and Nathan Spry (Year 7) raising awareness about racism
2. Deputy Headmaster Ben Hanisch with Adan Taat
3. Mrs Frances Zubreckyj with Saints Indigenous students enjoying the Yaitya Tita

Tournament of minds

Tournament of minds (TOM) provides students with the opportunity to work creatively and collaboratively to solve challenges in the areas of Social Sciences, Language Literature, STEM and The Arts.

St Peter's College fielded one team of seven students from Year 8 to 10 in the STEM category.

The team had six weeks to create their own play in response to the challenge: the imagined discovery of a new mammal. Meeting every Saturday and during the week the boys worked cohesively to write, block and practice their script plus create costumes from a \$75.00 budget. They performed and presented their final challenge solutions on Tournament Day at Flinders University and as such was awarded Honours in the Australasian Pacific Finals.

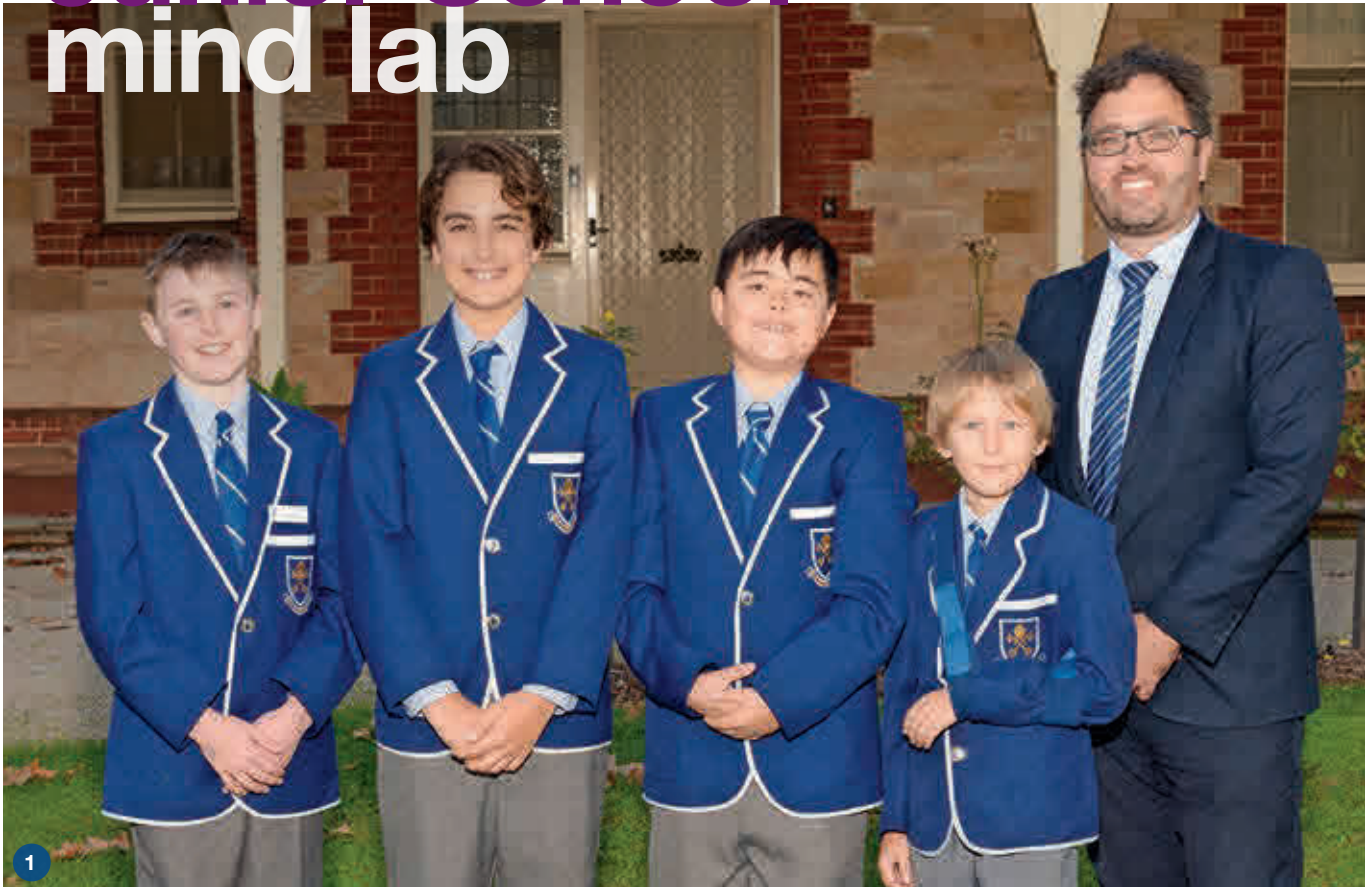

The students exhibited creativity, teamwork, leadership and dramatic flair as well as quick thinking and problem solving skills in the Spontaneous Challenge.

The STEM Team, captained by Alexander Rowe, included Teja Nairn, Yash Patil, Noah Pitkin, Eton Williams, Rajiv Paranavithana and Charlie Wells.

Although a lot of work, TOM is tremendous fun. The boys were a privilege to work with and conducted themselves with style, manners and expansive sportsmanship wherever they went and were a credit to St Peter's College.

Ms Kerry Skujins
Teacher in Charge

Junior School mind lab

Congratulations to the Saints boys for their continued enjoyment and enthusiasm for The Mind Lab program. The growth in this program has been significant and now attracts large numbers of boys to the training sessions which provides great insight into other strategies of how to develop the character strengths of our boys.

The Mind Lab program in the Junior School is a collection of hands on strategy games that develop cognitive, emotional and social skills through play. Boys in Year 4 and 6 have the opportunity to learn through The Mind Lab program as part of their classroom program. In addition, Year 5 and 6 students can experience these activities through lunchtime and after school sessions and eventually compete against each other to earn a place in the School's representative teams. This team then competed against other South Australian schools and recently represented Australia.

This year, we came first in the state to gain a place at the international competition in Antalya, Turkey. The students performed well and while they didn't place, they competed with poise and conducted themselves well in the face of strong competition.

Mr David Kolpak
Head of Junior Years – Wellbeing and Administration

1. Mind Lab Olympic Team Teacher: Mr David Kolpak

L to R: David Taylor, Michael Lazarevich, Sze-Siong Koh-Buckland, Timothy Silcock

2. Toby Kent (Year 6) deep in concentration

3. Vipul Pabbathi (Year 4) making his move in a game of Octi against Benjamin Howell (Year 4)

4. Steven Vasilunas (Year 6) playing Cuoridor

Junior School robotics

The Robotics Club has seen exciting changes this year.

Eighty boys participated in two different programs. Boys in Year 4, 5 and 6 were involved during Term 1 and 2 in the RoboCup Junior Rescue Competition. They designed and built their own robots and coded them to follow a black line. The black line had difficult curves, objects to avoid, seesaw panels to cross, ramps to go up and down and at the end, they had to rescue an object and push it out of the “danger zone”.

Twenty boys attended a holiday workshop and during Term 2 and competed in the state competition. Three teams finished in first, second and third places and a number of our other teams also placed well.

During Term 3, the three teams who won the state competition kept training ready for their participation in the national competition in Melbourne during the Term 3 break. It was an exciting weekend and the boys did well with our highest placed team finishing in the top 20.

During Term 4, 20 Year 4 boys trained for the RoboCup Sumo Competition. They performed really well although our two best teams were knocked out in the quarter finals.

Mr Colin Becker
Teacher – Junior School

SPORTS

147th Athletics Carnival

1

The Athletics Carnival is one of the most anticipated days on the School's sporting calendar, with many people instrumental in making it a success. In 2018 the weather put on a perfect show for a day filled with colour, carnival atmosphere, outstanding performances and where 19 records tumbled.

Congratulations to all students on their efforts in particular Jonathan Harris (Year 7), Luke Harvey (Year 8), Josh White (Year 8), Adam Goddard (Year 9), Aidan Murphy (Year 10), Alex Kudra (Year 12) and Fox Obst (Year 12) who between them amassed 18 individual records.

Thank you to the Grounds and Maintenance Staff, Teachers in Charge, Directors of each sport, coaches and managers who without their support would not be able to run such a fantastic carnival.

19 records set in 2018

Name	Event	New Record
Adam Goddard (Year 9)	U15 1500m	4:23.40
	Open 3000m	9:18.40
Jonathan Harris (Year 7)	U13 1500m	4:38.40
	U13 800m	2:19.60
	U13 400m	61.00
Luke Harvey (Year 8)	U13 Shot put	12.67m
	U13 Long jump	11.61m
	U13 Triple jump	5.47m
	U13 200m	26.00
Alex Kudra (Year 12)	U17 Long jump	6.60m
	U17 110m hurdles	15.60m

Name	Event	New Record
Aidan Murphy (Year 10)	U15 400m	52.30
	U15 200m	22.50
	U15 100m	11.30
Josh White (Year 8)	U14 200m	24.80
Fox Obst (Year 12)	Open Shot put	13.9m (6kg)
	Open Discus	35.3m (1.75kg)
	Open Hammer	34.10m (6kg)
School and Allen	U17 Swedish Relay	2:07.10

2

In 2018 the overall House Championship Trophy was awarded to Woodcock House. The Junior House Champion was DaCosta and the Senior House Champion was School & Allen.

Individual age group winners

Under 13: Luke Harvey (Year 8)

Under 14: Josh White (Year 8)

Under 15: Aidan Murphy (Year 10)

Under 16: David Amaechi (Year 11)

Under 17: Dylan Stephens (Year 12)

Open: Tom McClure (Year 12)

CI Taylor Medal: Dylan Stephens (Year 12)

The AK Gordon Trophy (for most outstanding performance): Adam Goddard (Year 9), Aidan Murphy (Year 10), Alx Kudra (Year 12) and Fox Obst (Year 12)

The AK Gordon Trophy for was awarded to Aidan Murphy for breaking a 72-year-old record in the Under 15 100m, finishing in a record time of 11.30 seconds. Adam Goddard broke his own Open 3000m record set last year by over seven seconds. Alex Kudra set a new record of 6.60m in the Under 17 long jump and Fox Obst set a record of 13.9m in the Open shot put.

Grant Wyman
Director of Sport and Athletic Development

1. Tom McClure (Year 12), Open age winner
2. Adam Goddard (Year 9), a recipient of the AK Gordon Trophy for breaking the Open 3000m and U15 1500m

Achilles Cup

1

2

Saints continued its long tradition of success at the Achilles Cup on Thursday 27 September, winning the trophy for 2018 and each individual age group. The team also won the Athletics Intercol between Saints and PAC by 389 points.

This win continues Saints' long tradition at the Achilles Cup, having only been defeated once in the Cup's 47 year history. There were some outstanding performances on the day. Congratulations to Aidan Murphy (Year 10) who broke the Under 15 400m record, last set in 2007.

Results	Total Points
Saints	1494
PAC	1105
Rostrevor	1027
Trinity	1013
Pembroke	830
CBC	813
Glenunga	768
Immanuel	716

Grant Wyman
Director of Sport and Athletic Development

1. 2018 Achilles Cup winning team
2. Under 15 age winner, Aidan Murphy (Year 10) broke 3 records, including a 72-year-old record in the 100m sprint

Interschool athletic competition

The St Peters College competed in the A1 grade of the SSSSA Track and Field Championships at the end of Term 1, alongside the top 9 South Australian boys' school teams.

Saints had a strong team and dominated from the start. Our hurdlers set up a wonderful start winning all but one of the age divisions. David Amaechi (Year 11) ran the 100M hurdles in 14.12, setting a new meet record. Our Open 4 x 100 relay team also broke the existing record. Once again it was our depth across both track, field and jumps that enabled Saints to win the SSSSSA A1 grade boys division.

The team gained 19 standard certificates and 33 medal certificate; 19 firsts placings, 8 second placings and 6 third placings.

SSSSA Track and Field Championships gold medal winners were:

Open 4 x 100 Relay, U15 4 x 100 Relay, U14 4 x 100 Relay, Tom McClure 400M, Cormack Dwyer 100, 200 and 400M, Zac Connell U15 1500, Ashton Haseldine Open 110M Hurdles and Triple Jump, Keshav Shrestha U15 100M Hurdles and Triple Jump, David Amaechi U16 100M Hurdles and 100M, Jacob Lowe U16 Triple Jump, Josh White U14 Triple Jump, Fox Obst Open Shot Put and Discus, and Sam Potter U16 Javelin.

10 Saints boys qualified for the Australian All Schools Championships which were held in Cairns in December.

Jonathan Harris, Luke Harvey, Huss Naji, Cormack Dwyer, David Amaechi, Adam Goddard and Fox Obst competed with some fantastic results. Aiden Murphy, Zac Connell and Ed Miller chose not to compete in this event.

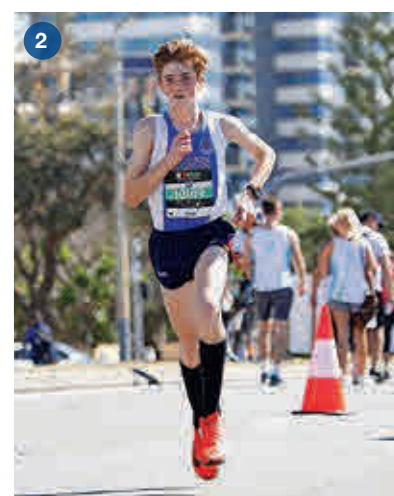

Adam Goddard placed 2nd in the U16 3000M and 3rd in the U16 1500. Jonathan Harris placed 3rd in the U14 1500 and 5th in the U14 800.

Congratulations to all the boys for their efforts in this competition but also for their contribution to making the Saints Athletic Club win the U18 boys Premiership competition last summer. The club is in a very strong position half way through the current summer season being a clear leader in U14, U16 and U18 boys age divisions.

We are fortunate to have wonderful training facilities and a school which prides itself on athletic performance. Our wonderful, knowledgeable and passionate coaches truly add value to this group. This is demonstrated by the huge number of personal bests achieved by so many boys during Term1 and 4 every year. In 2018 the boys were ably led by Ryan O'Callaghan, Fox Obst, Charlton Gunn and Jacob Aston.

It is a pleasure and privilege to be involved with athletics at St Peters College. It is the individual performances and the positive development of every boy that drives our coaching team to be the best they can be.

Tony Keynes
Manager in Charge of Athletics 2018

1. Athletics Team 2017 - 2018

Front Row: Harry Raff, Will McConnel, Meshach Begg, Thanasi Christopoulos, Fox Obst (Co-Vice Captain), Ryan O'Callaghan (Captain), Charlton Gunn (Co-Vice Captain), Keshav Shrestha, Zac Connell, Nathan Spry, Leon Connop

Middle Row: Mr Tony Keynes (Teacher in Charge of Athletics), Harry Mintz, Angus Urry, Conor Dwyer, Adam Slimming, William Trotman-Dickenson, Jack Randello, Mason Jones, Tom Disney, Ned Mintz

Back Row: Amith Paranavithana, Thomas Ferguson, Sam Dukalskis, Nic Enright, Ashton Haseldine, Liam Costello

2. Jonathan Harris (Year 7) placed third at the National Cross Country Championships

Junior sports day

Reception – Year 2 Sports Day

The Reception - Year 2 Sports Day was held on Friday of Week 3. The Junior Primary boys were greeted with a warm and humid day for competition. As is custom, each class was divided into Red, Blue, Green and Yellow teams.

The boys participated in a number of events that they had been practicing during PE lessons. All of the boys are to be congratulated for their efforts throughout the day, despite the warm conditions. They all displayed fantastic sportsmanship in each of the events that they participated in.

Thank you to the parents and family members who came out to support the boys and to the Year 6 Junior School Leaders and Palm House Staff for ensuring the day ran smoothly.

I would also like to thank Mr Travis Burrige for preparing the boys for the event and thank the Groundsmen for ensuring that Palm House Oval was in pristine condition for the day.

Jason Cosgrove
Junior School PE and Sports Coordinator

1. And they're off
2. Jumping hurdles
3. Reception – Year 2 students enjoying Sports Day

Year 3 – 6 Sports Day

In the last week of Term 3, the Year 3 – 6 students competed in the the highly anticipated Junior School Athletics Carnival.

After all of the events were finished and the points tallied, the Parkhouse Cup for the overall Champion House was awarded to the boys in Clayton-Dyer for the third year in a row. Brooks finished in second place, Alliston-Jones third place and Stokes-Ware fourth place.

The individual age Champions were as follows:

Malcolm Stevenson Cup

12 year old Champion
Thomas Grosser

Ian Seppelt Cup

11 year old Champion
Alexander McClure

Dick Niehuus Cup

10 year old Champion
Jimmy Hele

Tony Keynes Cup

9 year old Champion
Oscar Kleinig

Tony Keynes Cup

8 year old Champion
Jordy Brown

Alliston-Jones were awarded the B.H. Morrison Cup for the Junior Circular Relay (10 year old). Alliston-Jones also won the

S.P.S.C. Cup for the Junior Shuttle Relay. The Tim Wall Cup for the Senior Shuttle Relay was won by Alliston Jones

Congratulations to the following boys who were the top three place getters in the age championships:

2006

- 1 Thomas Grosser
- 2 Joshua Moro
- 3 George Wicks

2007

- 1 Alexander McClure
- 2 Tristan Lowe
- 3 Charlie Bruce

2008

- 1 Jimmy Hele
- 2 Ethan Cross
- 3 Christian Oberdan

2009

- 1 Oscar Kleinig
- 2 Leo Dreosti
- 3 Thinura Wagaarachchi

2010

- 1 Jordy Brown
- 2 Callum McLachlan
- 3 Sarvin Mahadavan

I would like to congratulate all of the boys for their efforts. They all did their best to make sure that their team had the best possibility to win Sports Day.

Jason Cosgrove
Junior School PE and Sports Coordinator

1. Open A badminton 2018

Front Row: Max Le Mire, Chao Chen, Wesley Johnson, Louis Lau (Captain), Steven Zhang, Eric Zhou

Back Row: Dihan Tang, Lewis Fox (Vice Captain), John Zhu, Alexander Dottore

Absent: Jason Chan, Mr Stuart Rowlands (Teacher in Charge of Badminton)

It has been a fantastic year for the St Peter's College Badminton program. With numbers growing, more wins across the board and an increase in the average playing level of the players, the program is looking very healthy. Across 127 team matches, Saints Badminton Teams won 85 times in 2018. With 11 teams in Term 1 and 13 teams in Term 4, five of those teams remained unbeaten by other schools within the Sports Association for Adelaide Schools competition. Thank you to all the coaches and teachers involved and congratulations to the players on an awesome year.

Mr Stuart Rowlands
Head Coach and Teacher in Charge of Badminton

Open B badminton

It has been another strong term for the Open B Badminton Team. It was pleasing to see the extremely competitive spirit of the group.

Efforts on match day were always dialled up to 11 and there wasn't a single game where a player didn't give their all, which should make them very proud.

Many of the players on this roster have both the potential and drive to someday play in the Open A Badminton Team. Saints can look forward to seeing what they will accomplish with their badminton by the time they graduate.

Mr Callan Bubner
Coach

Open C1 badminton Term 1

What a term of badminton for the Saints Open C1 Badminton Team, which both played and won six games! Congratulations to all players involved in the team.

Victories included beating Saints' Second Team 11-1, St Paul's 9-3, Pembroke 10-2, St Ignatius 10-2, Unley 10-2 and PAC 7-5.

It is wonderful to see a group of friends enjoying the experience of playing badminton, listening to their coach and achieving great results week after week.

Mr Stuart Rowlands
Head Coach and Teacher in Charge of Badminton

Senior C1 badminton

The Senior C1 Badminton Team had an amazing term, winning 5-0 games this half of the season.

An opening match 9-3 victory against Unley was a prelude of what was to follow. The team then went on to score 12-0 two weeks in a row against PAC— a twice in a lifetime performance. The players then scored 9-3 and 10-2 in back to back matches against St Ignatius to round out an undefeated season.

It is hard to highlight key performances as all the players gave their all. Their dedication and hard work during trainings paid off on game days.

Dr Hamish McTernan

Open C2 badminton Term 1

The Saints Open C2 Badminton Team finished with a mixed bag of results in Term 1, winning two out of five matches.

The team lost to Saints Open C1 11-1, PAC 8-4 and Pembroke 8-4 but beat St Pauls 6-6 (13-12) and St Ignatius 8-4.

It was great to see several members of this group attending additional training sessions over the course of the year. This has resulted in excellent progress and some players being moved up to higher teams. Hopefully, all players continue to love playing badminton at St Peter's College and make further progress in 2019.

Mr Stuart Rowlands
Head Coach and Teacher in Charge of Badminton

Open C2 badminton Term 4

The Open C2 Badminton Team had a successful term, winning three out of five matches. The team defeated St Ignatius and two separate PAC teams but lost to Norwood Morialta and a higher ranked St Ignatius team.

A number of players showed a real desire to improve their badminton by attending extra sessions throughout the term. Special mention to Tom Edmonds-Wilson who has worked tirelessly throughout 2018, rightfully earning his spot in the Open C1 on a few occasions this term. Well done, Tom—and to all players involved in the Open C2 Team.

Mr Stuart Rowlands
Head Coach and Teacher in Charge of Badminton

Badminton

1. Open State Knockout Team
2. Middle State Knockout Team
3. Intercol 2018

Senior C3 badminton Term 1

The Senior C3 Badminton Team had a challenging Term 1, starting with a loss in the opening match against St Ignatius College. They then scored 0-12 and 3-9 in back to back games against PAC, showing improvement the second time around.

Following this, the team lost 2-10 against a higher Saints team at home. The highlight of the season was their first victory of the season in a 7-5 win against Pembroke. Following this, the players finished at 0-12 against a more experienced Nazareth team. The Senior C3 Team should be commended for their improvements throughout the season.

Dr Hamish McTernan

Open C3 badminton Term 4

The Open C3 Badminton Team was unlucky not to win more matches during Term 4. Several games were decided by two or three points.

However, the team had a very satisfying win in their final match against PAC. Wenbo Wu, Yifan Zhao and Patrick Jiang played strong high up in the order. Menura Gamage, Lebron Huang, Michael Liang and Joshua Snell played in the middle order and put their training and new found skills to good use.

Rounding out the regular line up were Ricardo Liu, Aryo Javanmard and Luke Williams. These players combined well to overcome their opposition.

Mr Alfred L Jehle
Manager and Coach

Middle 1 badminton Term 1

In Term 1 of 2018, the Middle 1 Team displayed fine performances against St Ignatius', St Paul's, Unley and Adelaide High to finish the season unbeaten.

All players showed excellent team spirit, encouraging and pushing each other to do their best. In 2018 they focused on consistency, rally building and the ability to move their opponents in order to receive the weak return. They demonstrated excellent progress and understanding of these skills.

Noah Luh, in particular, demonstrated his superior tactical awareness and was consequently advanced to the Open A Team in Term 4.

Miss Panuga Riou
Coach

Middle 1 blue badminton Term 4

The Middle 1 Blue Badminton Team dominated the Middle A division in Term 4, winning all their matches 12-0.

Their progress and determination in matches and training were commendable. It was great to see such a motivated group that was always willing to learn and develop their badminton.

Whilst the whole group has been impressive, Ryan Mah, in particular, has displayed excellent team spirit and enthusiasm both on and off the court. Well done to all.

Miss Panuga Riou
Coach

Middle 1 white badminton Term 4

The Middle 1 White Team remained unbeaten in Term 4. Whilst only a few matches were challenging for the team, they made a huge amount of progress in training.

This group of players took every opportunity to improve their badminton. Even against weaker opposition, all team members continued to practise their key development areas. It was great to see how much the players on the team enjoyed badminton. The level of enjoyment, combined with the dedication to work on their weaknesses, is what makes this group a great prospect for the future of the St Peter's College badminton program.

Mr Tom Champion
Coach

Badminton Intercol

In 2017, Saints lost the Badminton Intercol for the first time in ten years. Since then, we had been rebuilding ahead of our next chance to take back the title.

The 2018 Badminton Intercol was played on home soil. In what was one of the closest Badminton Intercols we have ever seen, Saints lost the match seven games to five. We congratulate PAC on their victory and commend them for their resilience. It was a tough loss for the Saints players to stomach but the reaction has been superb and each player's badminton progress has been excellent this year.

Mr Stuart Rowlands
Head Coach and Teacher in Charge of Badminton

Middle 2 badminton Term 1

In Term 1, the Middle 2 Badminton Team continued their unbeaten run from Term 4 of 2017.

Results aside, what was more important was how much the players improved as individuals and as a team. For some of the team members, it was their first term of badminton. It was great to see them enjoying the sport and wanting to improve.

The summer holiday training camp greatly helped several in the team. The more experienced members of the team continued to show great commitment to badminton and gave 100 per cent in trainings and matches.

Tom Champion
Coach

Middle 3 badminton Term 1

The Middle 3 Badminton Team had some convincing wins.

The number one position usually fell to Julian Mortimer or Johnny Miteff, who worked diligently to overcome talented opposition players. Marcus Ooi and Justyn Russell, usually in positions three and four, played some skilful badminton. Playing lower in the order were Rayan Abou-Hamdan, Arsh Pattnaik, Nicholas Rayner, Henry Sawers and Jack Maitland. These five players demonstrated great teamwork and persistence.

Perhaps the hardest working player, and certainly the most improved was Myles Burrough. Myles started the season lower in the order and played at number one or two by season's end.

Mr Alfred L. Jehle
Manager and Coach

Middle 3 badminton Term 4

The level of skill in the Middle 3 Badminton Team improved immensely over Term 4.

Each member of the Team has shown excellent commitment to training and developing their abilities. They must be commended on their sportsmanship and attitudes in each and every match.

Whilst there is still work to be done, their basic technical and tactical skills have progressed this term and they ended the season positively— winning four out of six matches. The team beat Woodcroft 10-2, Blackfriars 9-3, Adelaide High 8-4 and Saints Middle 5 7-5. Losses came to Marryatville 10-2 and Saints Middle 2 8-4.

Mr Gavin Lai
Coach

Open Boys State Knockout

The 2018 Open Boys State Knockout was a successful competition for the Saints team. In the first round, the team played two tough matches against Unley and Adelaide High, winning 6-2 and 5-3 respectively.

To reach the final, Saints defeated Parafield Gardens 8-0 and Blackfriars 4-4 to give themselves the opportunity to play against a very strong Glenunga team. Glenunga had two state players and one national squad member in their team.

Whilst there were some competitive matches Saints lost 8-0. Congratulations on finishing in second place to all players involved. Hopefully, Saints will finish one place higher next year.

Mr Stuart Rowlands
Head Coach and Teacher in Charge of Badminton

Middle Boys State Knockout

The Saints Middle School Badminton Team were crowned champions in Term 4, defeating Unley High School in the final. This is the first time in Saints badminton history that a Saints team has won a state title.

A huge congratulations to the team who have been extremely committed throughout 2018. This group of boys are some of our most talented badminton players and go the extra mile to get the best out of themselves. I am confident the boys will continue to progress over the next few years and we will see them achieve even greater things in the future.

Mr Stuart Rowlands
Head Coach and Teacher in Charge of Badminton

Middle 4 badminton Term 1

This large squad of dedicated players made it challenging for all players with a shot at glory but no one ever complained about missing a match.

Despite losing early matches against more experienced sides, the team's efforts paid off in the long term. Over the course of the season, the Middle 4 Badminton Team started to remember their footwork and move the shuttlecock around, and they were rewarded with more wins. Their enthusiasm, discipline and grit—regardless of the scoreline—was to be applauded.

Dr Chris Holden
Manager

Middle 4 badminton Term 4

This was a team of committed players who never once grumbled about Tom Champion's gruelling training sessions. Their keenness to improve their skills through drills was evident throughout the season.

Turnout to matches was excellent with every player determined to play up the order. More match practice would have seen the Middle 4 Badminton Team elevated to the top of their grouping since pressure against slightly better teams saw them soon forget the basics of footwork and positioning. Even then, the losing scores did not reflect the three rubber sets and close games.

They should be proud of their accomplishments.

Dr Chris Holden
Manager

Badminton

Middle 5 badminton Term 1

It was excellent to witness the progress of the Middle 5 Badminton Team made throughout Term 1. They listened intently to their coaches' instructions and utilised these new skills in both practice and in their games.

There were many close games and it was unfortunate they were only able to win a single game in the season. The players in the Middle 5 Badminton Team demonstrated an excellent attitude to the game and applied themselves well.

They should be proud of their efforts.

Mr Martin Gabb
Manager

Middle 5 badminton Term 4

Despite the challenges of an unforgiving Monday morning training timeslot, the Middle 5 Team were enthusiastic and undeterred. They had excellent turnouts at all trainings and the team should be proud of their commitment and focus during these sessions.

With their hard work in improving their badminton skills, the Middle 5 Badminton Team improved considerably this term; they all demonstrated more consistent shots and began focusing on their game day strategies. Overall, they were an extremely productive group and hopefully, each player also noticed their improvements.

Mr Callan Bubner
Coach

Middle 6 badminton Term 4

It was a challenging season for the Middle 6 Badminton Team.

They were up against some excellent sides but showed a fighting spirit in all of their games. It was great to see the progress in skills development and enthusiasm the players had throughout the season, culminating in a single hard fought win against an excellent side.

They should be proud of their achievements.

Mr Martin Gabb
Manager

Open A badminton Term 1

It was an unbeaten term prior to the Intercol for the Saints Open A Badminton Team. Wins against Adelaide High 12-0, Norwood Morialta 12-0, Blackfriars 8-4, Pembroke 11-1 and PAC 7-5 made Saints the top team in the division.

These performances were evidence of the huge improvement the team has made since 2017— the result of hard work and dedication to their badminton development.

Thanks goes to Jason Chan, Alexander Dottore, Steven Zhang and especially Louis Lau (Captain) for their contribution to badminton at St Peter's College, as Term 1 saw them graduate from the badminton program.

Mr Stuart Rowlands
Head Coach and Teacher in Charge of Badminton

Open A blue badminton

The Open A Blue Team was one of two Saints teams competing in the newly formed Open A Badminton competition at the Adelaide Badminton Centre.

The team won four out of five matches throughout the term, beating Pembroke 9-3, PAC's Second Team 12-0, Blackfriars 7-5, Unley 7-5 and losing to PAC's First Team 8-4.

The team was unfortunate to lose the last game of the term, losing six out of seven three set matches against PAC. This group of players has trained extremely hard; hopefully a number of them will be representing the school in the 2019 Intercol.

Mr Stuart Rowlands
Head Coach and Teacher in Charge of Badminton

Open A white badminton

The Open A White Team had an unbeaten term, winning all five of their matches in the new Open A Badminton competition hosted by the Adelaide Badminton Centre.

Victories against PAC's First Team 8-4, Norwood Morialta 7-5, Pembroke 12-0, Immanuel 9-3 and Adelaide High 10-2 meant the Saints Open A White Team topped the league.

There are a number of talented, young players in this team and if they continue to be dedicated to their badminton, they can be sure to achieve even greater feats in 2019.

Mr Stuart Rowlands
Head Coach and Teacher in Charge of Badminton

Open B1 badminton

The Open B1 Badminton Team took no prisoners in Term 1 of 2018 as they seized control of the Open B division.

They ruthlessly defeated Sacred Heart 12-0, St Ignatius 12-0, Westminster 12-0, St Paul's 12-0 and PAC 11-1. They trained exceptionally hard this term with many players joining the Open A trainings as well as the Open B sessions.

The team made excellent progress and should be proud of their efforts. This season has certainly given each player the motivation to push harder and almost the entire team are now part of the Open A program.

Mr Emerson Krstic
Coach

Open B2 badminton

This talented group lost only two matches for the season, which were both against higher ranked teams: PAC and Saints B1.

The Open B2 players developed their skills significantly over the course of the term and it was great to see how much progress was made, particularly in core skills like overhead consistency and stronger footwork. This was most definitely due to the players' increased efforts in training, which is pleasing to see pay off directly.

Mr Callan Bubner
Coach

Basketball

Year 6 basketball

Basketball in 2018 brought mixed results for the three Year 6 teams, however the emphasis during the season was on teamwork, sportsmanship and skill building.

The boys persevered and displayed excellent teamwork, increasing their win rate by the end of the season. This showed their resilience and ability to grow individually and as a unit.

Alex Kourani led well and was encouraging as Captain. Jordan Lau played at a consistently high level whilst playing fairly, earning him the Old Scholars Most Valuable Player for Basketball Award at Speech Day.

The boys should be proud of the progress they have made.

Mr Sam Tirrell
Junior School Teacher

Year 4 and 5 basketball

This year, four teams represented the School in the Year 4 and 5 Basketball competition held at MARS Stadium.

Team Blue was coached by Tyler Kennedy and Mark Proctor, Team White was coached by Mr Michael Cuevas while Team Brown was coached and managed by Miss Jamie Schubert. Team Red was coached by Jake Lang.

The managers all noticed that each of the boys generously improved in both skills and teamwork. They also demonstrated persistence, resilience and sportsmanship whilst refining their ancillary skills of being organised, character building, friendship making and improving their fitness.

Ms Kathy Simpson

Year 4-5 blue basketball

Absent: Aaron Sweet, Jacob Sweet

Basketball

1

Open A1 basketball

The 2018 season was one in which the Open A1 Basketball Team looked to build from the previous year and compete at a high level and they did exactly that, finishing the season with only three losses.

Every player gave their all during the games and strenuous trainings. Their dedication to the team and to the game of basketball was admirable.

It was a pleasure getting to know each of the players. Thank you to the team for their efforts.

CJ Reed
Coach

Senior 3C basketball

The 2018 season was incredibly competitive for the Senior 3C Basketball Team, playing in a division with a number of highly skilled teams.

The team consistently gave it their all and never backed down. All the players should be proud of their efforts and hard work throughout the season. It was great to start and end the season on a win.

All the best to each of them for the future.

Mr Ethan Yeo
Coach

Middle A1 basketball

The 2018 season was an incredibly competitive competition for the Middle A1 Basketball Team. As the season progressed, the team continued to improve and never gave up and winning two of the last three games. The Middle A1 Team finished with a record of two wins, eight losses and a draw.

The team's commitment throughout the year was commendable. Each player certainly displayed improvement individually and in the team game. Although the season didn't yield as many wins as they were hoping for, all players should be proud of their efforts.

Mr Matthew Lycett
Coach

Middle B1 basketball

The Middle B1 Basketball Team had a challenging yet enjoyable year. The season opened with mixed results as Saints went down to Westminster in game one, followed by a convincing win against Concordia in game two.

The team was put to the test in the proceeding losses against Trinity and Cabra but during mid season, the team had arguably their best win for the year against Westminster.

In the second half of the season, the team had a strong performance against Immanuel and narrow losses to Norwood Morialta and PAC.

All the best to players and their future basketball.

Middle C1 basketball

The Junior C1 Team had a phenomenal season, winning all but three matches. The way the team gelled together was exceptionally satisfying, and their improvement from game one to the Intercol against PAC was remarkable. The players' development was unprecedented. Examples include Vinnie Belperio's defensive efforts, Ryan Mah's pass first mentality, Tom Albertini's offensive output, Alex Edwards's confidence in possession, Dion Konidaris's ball handling skills, Karim Hennes's transition play, Kelvin Lu's basketball IQ, Noah Robertson's leadership, Jarvis Loveday's mentality and Luca Paull's finishing.

One could not have asked for a better, more responsive and dedicated team to coach.

Mr Liam Cobain
Coach

Middle 1 basketball

The 2018 season for the Middle 1 Basketball Team was a rollercoaster ride filled with determination, hard work and dedication—although this season has seen the team take a few losses, some were a narrow defeat.

Whether after a win or a loss, the team responded every week at practice and focused on being better for the next game. They improved their skill and mental approach tremendously over the course of the season and always did what was asked of them on the court.

Everyone who was part of this year's Middle 1 Team should be proud of their efforts.

Mr James Legan
Coach

Middle 2A basketball

The Middle 2A Basketball Team showed great improvement this year, individually and as a team. All players' individual skills were constantly improving. The team focused on learning new footwork and ball skills. Their ball movement, teamwork and understanding of offense were at a good level by the end of the season, as players worked hard to learn and implement new concepts.

Overall, the team worked hard, listened and were easy to coach. They learned new individual skills and offensive and defensive concepts that will hold them in good stead for future years.

Mr Michael Rogers
Coach

Middle 2B basketball

The Middle 2B Team showed dramatic improvements throughout the year, developing as a team and as individuals. The players' skills consistently improved with each training with new footwork and ball handling skills that will benefit them in future years. Their ball movement and understanding of offensive plays were at a good level by the end of the season, as players worked hard to learn and implement their newly acquired skills.

Overall, the Middle 2B players worked hard, listened and were easy to coach. They should be proud of their efforts in another great year of Saints basketball.

Rev Ben Bleby
Coach

Middle 3A basketball

This season has been very rewarding and fun for the Middle 3A Basketball Team. The year started with a loss to PAC but the players came back strong the next week with a buzzer beater to win the game against Pembroke.

When the season began, team conversations focused on staying together and working hard all year no matter what the win loss record was. As the season progressed, Middle 3A found themselves on the losing side more times than they had hoped; however, they progressed enormously and finished the year strong.

Mr Tyler Kennedy
Coach

Middle 3B basketball

Across the ten games of the season, the players in Middle 3B developed both individually and as a team. The two wins, one against Pembroke and the other an internal match, were the season highlights— in addition to outscoring PAC (12 to 4) in the last quarter of the final game.

The average margin between us and the opposing teams decreased during Term 3 matches, particularly as Saints improved in offence, relying less on drives to the basket and gaining more from rebounding.

The two most valuable Middle 3B players were Hieu Pham and Christian Weng.

Mr Sam Cheesman
Coach

Open B1 basketball

The Open B1 Basketball Team had an extremely successful season this year, only losing three of their games.

They are an extremely competitive and hard working group, who would do whatever was needed to claim the win. They showed great poise and composure in close games, proving to have consistent clutch scorers in the squad. The players were always switched on at both trainings and games and everyone contributed.

This season was a great success and the team should be very proud.

Mr Andrew Gibbons
Coach

1. First V Basketball 2018

Front Row: Domenico Perrotta, Thomas Ferguson, David Daniel (Co-Vice Captain), Julian Hallworth (Captain), David Quan (Co-Vice Captain), William Tran, Max Buttignol

Back Row: William Bryson, Matthew Fowler, Cameron Huefner

Absent: Mr Hamish McTernan (Teacher in Charge), Mr Todd Matthews (Director of Basketball), Mr C.J. Reed (Coach)

2. Open A1: Cameron Huefner drives for the basket

3. Middle A1: Ben Korte catches a high pass

Basketball

1. Middle B1: Daniel Spiby throws a no look pass

Open C1 basketball

The Open C1 Basketball Team started with an emphatic victory over Westminster and a similar win against Concordia.

The Open C1 preferred game style became one where the team pushed the ball at every opportunity and ran for reward. The manner in which they found ways to win most games was very impressive. Each player always looked to find someone in a better position and the team certainly deserved their season record of nine wins from 12 games, including an outstanding victory against PAC in the final game.

They should be commended for their commitment, good humour and teamwork.

Mr David Scott
Head of Senior Years

Senior 1 basketball

The Senior 1 Basketball Team had mixed results this season going 5-5 against sound opposition. Highlights included redeeming a difficult loss in a win against Glenunga as well as dominant victories against Sacred Heart and PAC.

The team finished the season strong going 3-1 in their last four matches.

The Senior 1 players should be proud of their achievements this season and as they continue to develop in future seasons.

Mr Nick Bannister
Coach

Senior 2A basketball

The 2018 basketball season was very challenging but rewarding for the Senior 2A Team. The team finished the season with

a record of five wins and five losses in a division that consisted of some extremely talented teams.

The Senior 2A Team played with great respect for each opponent and gave their all in every outing. They should be extremely proud of their season. They all showed great improvement, both individually and in their teamwork.

All the best to each of them in the future.

Mr Cain Ness
Coach

Senior 2B basketball

The 2018 season was a very strong season for the Senior 2B Basketball Team which lost only three games all season, two of which were against Woodcroft's firsts.

The highlight of the season was the final game in which the team beat Sacred Heart by eight points, overcoming a nine point deficit at half time.

The team should be very proud of their achievements throughout the season, both in the victories as well as the defeats.

Indran Mukherjee
2018 School Captain

Senior 3A basketball

The Senior 3A Basketball Team has become a better team and developed some new skills. The players have become more assertive on the court and have been passing the ball with more intent and using the high low system against zone defence to good effect. Even if the defence is not always correctly utilised, the effort was always there and that shows the team are willing to work hard and help each other.

They are sure to experience continued improvement next year, hopefully after a great offseason working on their skills.

Mr Mark Proctor
Coach

Senior 3A basketball

The Senior 3A Basketball Team has had a season full of development and learning. The team grew in confidence and developed not only their skills but also their ability to work through challenges and execute under pressure.

It was great to see their success in Term 3.

All players should be proud of their efforts throughout the year. Hopefully, they continue to set high goals for themselves in order to progress even further in the future.

Mr Mackenzie Huefner
Coach

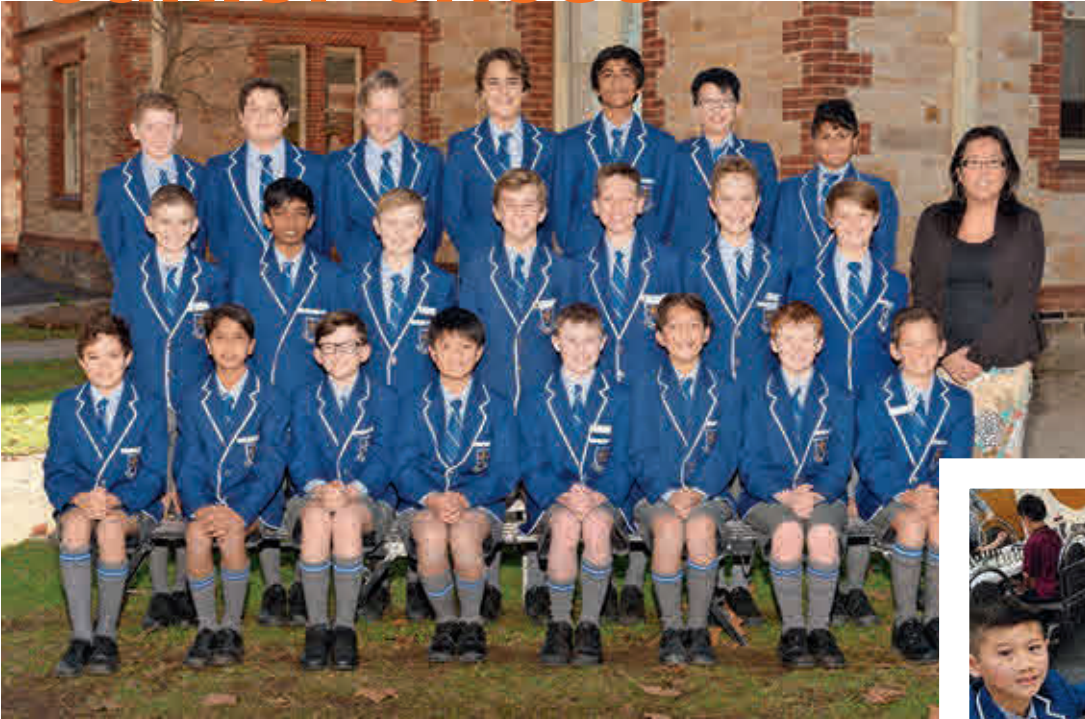

Senior 3B basketball

The Senior 3B Basketball Team worked hard to improve, always maintained a positive attitude and were keen to learn. As the season progressed, the players developed the ability to rebound and run as a group and were able to put more points on the board.

In late Term 2, they scored a season high 50 points to defeat Pembroke and in the penultimate game of the year, they finished with 42 points, defeating a fellow Saints team. This was one of the most enjoyable games of the season; it was terrific to see everyone come together as a team.

Mr Josh Bond
Coach

Junior chess

Junior School chess

45 boys were involved in Chess and over 30 Year 2 and 3 boys undertook lunchtime practice.

Well done to the B Brown Team who finished third and the C White Team who finished fifth in the B and C grade finals.

The team comprised of Gunin Singal, Christian Musolino, Darren Nguyen, Bingqi An, Bal Gilhotra, Noah Latimer, Alexander Koh, David Taylor, Aadi Mittal and Jake Wong finished third in the EK Shield.

House Chess saw Brooks win, followed Stokes-Ware, Clayton-Dyer and Alliston-Jones, respectively.

Thank you to Ms Zoe Alford, Mr Lachlan Cameron and mr George Karassoulous for coaching and Chess Captain, Noah Latimer, for his help.

Mrs Trish Bartholomaeus

1. Thomas Jose (Year 11) competing at the chess Intercol
2. Julian Mortimer (Year 10) considers his next move at the chess Intercol
3. Albert Vu (Year 12) at the chess Intercol

4. Division 1 Chess

Front Row: James Loftus, Dimitri Savvoulidis, Luca Paull, Albert Vu (Captain), George Karassoulos (Vice Captain), Ben Brierley, Chathula Kiripitige

Back Row: Mr James Carter (Teacher in Charge), Jeremy Beale, Alexander Rowe, Thomas Jose
Absent: Julian Mortimer

Chess 2018 Intercol

The Chess Intercol is a true meeting of the minds. PAC has been dominant over the past ten years, but Saints were focused and determined to pull back some ground.

The matches once again proved to be extremely close, with the first board taking over an hour to be decided. Many of the 12 boards lasted over two hours as the players battled in strategic thought.

Chathula Kiripitige, Ben Brierley and Jeremy Beale displayed some interesting strategies and approaches to take on their lofty opponents. Yet it was Thomas Jose who achieved the only victory of the night.

Mr James Carter
Teacher in Charge of Chess

Division 1 chess

It was a successful year for Division 1. Keen players made up the Blue and White Teams.

With many returning players, Saints welcomed Luca Paull as the newest addition to Team Blue. The team came up against some stiff competition but, once again, PAC proved to be the standard bearer of the game.

Saints pushed hard all season, competing for the top prize right up to the last round. The team eventually finished second on the ladder, proving their excellent tenacity and that, as Demosthenes once said, 'small opportunities are often the beginning of great enterprises.'

Mr James Carter
Teacher in Charge of Chess

Division 2 chess

Once again, the Division 2 Chess Teams showed their comradery and spirit, ensuring that everyone was involved and learning from each other.

This year, the four teams made Saints the most represented school in the competition and Friday nights produced some fierce matches.

Special mentions go to Zihao Wu who produced the perfect season, remaining undefeated all year and to Benjamin Harding who pulled out an epic win, coming from behind and finishing with less than a second on the clock.

All teams finished in the top 20, with the Division 2 Blue Team finishing seventh.

Mr James Carter
Teacher in Charge of Chess

Junior chess

Junior Chess is usually the final chance for the Year 7 students to play in the primary school competition and soak in the Friday afternoon atmosphere.

Playing in Division 1, Saints took on the toughest opponents seen in years. Understanding that, as Herodotus said, 'haste in every business brings failure,' it was clear that strategy was on the mind with the average game lasting about 45 minutes.

Congratulations go to Kristian Musolino, Darren Nguyen and Gunin Singhal for their wins during the season.

The team can now look forward to playing in the senior ranks and the competition it brings.

Ms Hayley Patton
Chess Coach

Junior School cricket

Cricket proved to be popular, with over 100 boys wanting to represent the School.

Our program was very positive and each team experienced success throughout the season. Every boy in the Saints cricket program contributed in some way to their team's success.

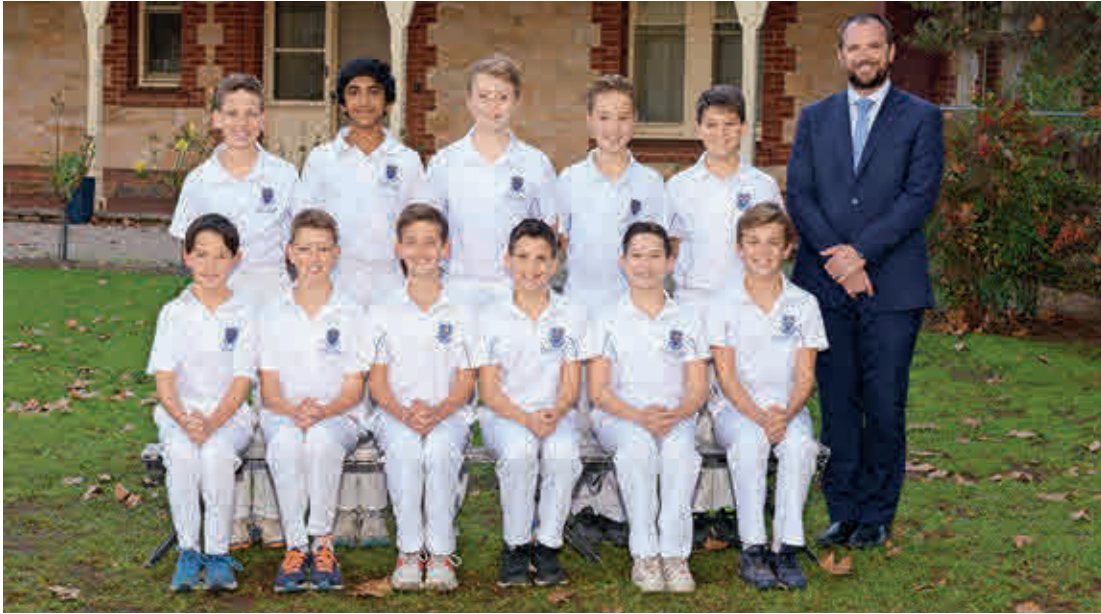

A highlight was a visit from Scots College, Sydney. Our Primary A boys were lucky enough to play them in a Twenty20 match and came away with a strong victory.

Director of Cricket, Mr Stewart Smith, ran our Junior Blasters program, which saw large numbers of participation. Hopefully, this is merely the start of their cricket journey.

Mr Jason Cosgrove
Junior School PE and Sports Coordinator
Teacher in Charge of Cricket – Junior School

Senior School cricket

First XI Intercol

The 142nd Intercol was held at PAC in 2018.

Saints got off to a strong start with great performances from William Montgomery making 60 and Charlie Allan making 83. Unfortunately, Saints collapsed— bowled out for 273— and PAC compiled a large total of 505.

Lachlan Parker led a standout bowling resistance with 5/83 off 34 overs. In the second innings, Louis Green set the tone with a strong score of 87, supported in an inspiring inning from an unwell William Montgomery making 39 not out.

PAC was too strong over the four days, winning by an innings and 32 runs.

Mr Tom McNeil
First XI Coach

First XI cricket

This season provided 18 players with the opportunity to play First XI— in its own right a fantastic honour.

The results were mixed: nine wins, seven losses, one draw and two cancellations. At times, the First XI Team played an exciting brand of cricket with comprehensive wins. However, they struggled to remain consistent and ultimate fell short in close encounters. They made it to the T20 Final but came unstuck against a strong Rostrevor side.

In the 40 Over competition, the team won four out of six games with strong performances from Vice Captain Charlie Allan and Captain William Montgomery.

Mr Tom McNeil
Coach

Second XI cricket

The Second XI Cricket Team played exceptionally and had a strong 4-1 win-loss record.

Best performing T20 players included Jagga Cross, Lachlan Gitsham, William Quigley-Smith and Abdullah Rizwan, with the highlight of the T20 season being Luke Turner's hat trick against Sacred Heart.

The season's best performing players included Sam Bruce, Harrison Chow, Charlie Kirchner, Tom Palmer, Sam Potter, William Quigley-Smith and Sam Rodgers, with highlights including the batting of Sam Bruce and William Quigley-Smith, who scored two half centuries each and the fast bowling and wicket taking of Charlie Kirchner, Tom Palmer and Sam Potter.

Mr Barrie Bryan
Coach

1. First XI Cricket Team

Front Row: Hamish Ferguson, Thomas Kelly, Jordan Schultz, Louis Green, Hamish Gitsham (Captain), William Montgomery (Vice Captain), Sam Langley, Alex Roe, Jett May

Middle Row: Mr Jeremy Borgas (Teacher in Charge), William Warrick, Joshua Turner, Mr Tom McNeil (Coach), Peter Unerkov, Charlie Allan, Mr Nick Hunter (Assistant Coach)

Back Row: Samuel Warrick, Hamish LePlastrier, Sam Bruce, Lachlan Parker, Arham Hashmi
Absent: Mr Johan Botha (Assistant Coach)

Senior School cricket

10A cricket

Sixteen players represented the 10A Cricket Team this year. They all deserve to be pleased with their results.

Eight one day matches were played, as well as a two day match against PAC. Six wins were achieved, with the remaining matches being keenly contested although narrow losses were sustained.

Each of the players are now better cricketers with more resilience. Individual highlights were achieved by Malachy Carruthers (85 not out), Peter Unerkov (75 not out), Tom Ferguson (64 not out), Christian Maios (53 not out) and Sam Jackson (one over, four wickets for one run, including a hat trick).

Mr Peter Warnes
Coach

10B cricket

It was a great year for the Saints 10B Cricket Team. Out of 11 games played, only two resulted in losses.

A fantastic start to the season at Scotch saw a gritty 51* from Ben Wright. The bowling brigade backed up the batsmen with the ever consistent Samarth Dhatrak and the speed of Connor Dwyer, continually claiming early wickets.

Special mention to Patrick Nugent who frequently claimed wickets bowling leg spins. A tremendous win came at Cabra, where Tom Jose held strong to lead a victory.

Unfortunately, one of the two losses was to PAC in the annual Intercol game.

Mr Jack Douventzidis

9A cricket

The 9A Cricket Team had an enjoyable season, with the team showing strong improvement throughout the year. The team worked on applying pressure in the field, bowling consistent areas and accumulating runs by playing to their strengths.

They finished with a pleasing 7-4 record, including strong wins over PAC and Adelaide High in Term 1.

Thanks to all players for demonstrating sportsmanship and a commitment to improvement throughout the season. Individual highlights included Tom Natrass 4/9 versus Pembroke, Charlie Bear 4/4 versus Rostrevor and 61 versus St Michael's and Sachin Ravindran 55 versus Concordia and 56 vs Adelaide High.

Mr Jeremy Borgas
Coach

9B cricket

The 9B Cricket Team lost more games than they won. Their best performance was against Rostrevor when Jack Foster (46) and Reed Hayman (28) had a partnership of 79. The Team made four for 126 and dismissed Rostrevor for 73 to win by 53 runs.

Good scores were made by Harry Cooney (47), Jack Foster (44), Matthew Zappia (36 not out), Yash Patil (36) and Oscar Bird (34). Jack Foster scored the most runs (108). Lachie Cole was the best bowler with five wickets and Tom Gibson and Chamith Waragoda showed fine leadership.

Great skill development occurred throughout the season.

Mr David Docwra
Coach

8A cricket

The 8A Cricket Team had a very strong season of cricket, losing just one game.

Captained by Cormac Dwyer, the side has worked hard to develop many areas of their game including in the field; with walking in and positioning, running between the wickets and calling with the bat in hand being focus areas.

Noah Browning and Seb McVann dominated with the ball all season while Cormac Dwyer and Billy Dowling were consistent with the bat. Stirling Smith, Harry Lienert and Ashwin Atukorala all impressively worked their way up from the B Team to further strengthen the side.

Mr William Freesmith
Teacher

8B and 8C cricket

The 8 B/C Team was led by numerous people throughout the year. A special thank you to coaches for showing great leadership and passion.

It was a very successful year with both teams succeeding consistently. With many bowling, batting and fielding achievements from individuals, the whole team truly put together a display that was fair and powerful.

There were many highlights throughout the season which included a comfortable win over PAC as well as Charlie Xenephous's 100 runs.

Consistent batting was seen by Henry Wicks, Fergus Carruthers, Ashwin Atukorala, Tom McFarlane, Hugo Oleary, Hugo Gibson and Louis Mangan. Consistent bowling was displayed by Sterling Smith, Daniel

Jesudason, Binuga Pathirana, Hugo Worm, Charlie Allgrove and Sonny Driver.

The 2018 season for the 8C Team encountered many ups and downs with a changing squad and unpredictable weather. The season included some very good wins against PAC and Sacred Heart College during the year. Two highlights for the year included Henry Wicks smashing 50 against Sacred Heart and Stirling who knocked out 50 against Cabra Dominican College.

Thank you to all the boys for putting in a solid effort all year.

Charlie Potter and Fergus Carruthers

7A cricket

The 7A Cricket Team must be congratulated for their conduct and application over the course of the year. It was a very successful and enjoyable season; the players can be proud of the way they represented themselves and supported each other. With victories in seven of the nine matches played, they are also to be commended for the quality and consistency of cricket they produced.

Thank you to all parents for their support on Saturday mornings, particularly to those who gave up their time to score.

Best of luck to all players with their cricket in the years to come.

Mr James Tamblyn
Coach

7B cricket

The 7B Cricket Team trained and played with enthusiasm, showed sportsmanship and teamwork and conducted themselves in a positive manner in 2018. They played 11 matches over the two terms, winning ten.

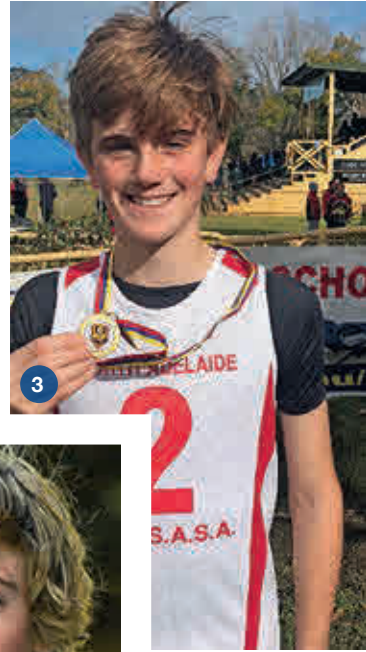

With such good cricket skills already in place, a focus of the year was to fine tune their technique and to think about the strategies they employ during a game.

Thank you to all the players and a special thank you to the parents for all their support and assistance over the year, especially with scoring. It was a pleasure to coach this fine group of young cricketers.

Mr Leigh Kube
Coach

Cross country

The 2018 Cross Country Team started as a small but dedicated group of runners coached superbly by Isaac Aitken (S&A '12). Isaac's coaching focused on endurance, fitness and helping students achieve their personal goals.

When competing at the State Cross Country Championships at Oakbank in June, Jonathan Harris won gold in the primary division, Adam Goddard won gold in the junior division and Zac Connell won bronze, also in the junior division. Harry Raff came eighth and Luke Robertson came eighteenth in a field of over 120 competitors. The remaining competitors— Meshach Begg, Jeremy Beale, Sam Golding, Coby Goldner and William Langley represented St Peter's College with pride.

The annual Cross Country House Championships were held in August and the team were blessed with a beautiful day.

The Junior School Cross Country Champion was Adam Goddard with a time of 7'56.21 (3km) and the Senior Cross Country Champion was Jordan Schultz with a time of 17'09.32 (5.5km). The Junior House Cross Country Championship was won by Woodcock and the Senior House Cross Country Championship was won by DaCosta.

Enormous thanks to Mr Isaac Aitken, Mr Lachlan Winter and special mention to Ms Natalie Worster and Mr Grant Wyman for their continued support and guidance.

Junior School House cross country

Term 2 saw boys from Year 3 – 6 compete in the annual Junior School House Cross Country. The days leading up to the event were wet and windy but luckily the rain held off long enough for our boys to run, with some minor adjustments. The boys ran in their year of birth over distances of 3km, 2km and 1km.

All of the boys are to be congratulated on their efforts as they all strived to do the best for their house. The boys are to be commended for the way that they were able to adapt to the changes and weather.

A special thank you to Mr Becker for his help in setting up the course. Thank you also to all of the Junior School staff for their involvement and support of the day and their willingness to adjust to the change to the program.

Special congratulations go to the following boys for placing in the top three for their age group races:

2006
First: Thomas Grosser
Second: George Wicks
Third: Fergus Lamp-Brooks

2007
First: Ben Franco
Second: Bailey Kerr
Third: Tristian Lowe

2008
First: Tony Li
Second: Jimmy Hele
Third: Pierce Larkin

2009
First: Leo Dreosti
Second: Joshua Maung
Third: James Tolis

2010
First: Callum McLachlan
Second: Sarvin Mahadavan
Third: Jordy Brown

The overall winning House for 2018 was Brooks. Second went to Stokes-Ware, followed by third place to Clayton-Dyer, with Alliston-Jones coming fourth.

Mr Jason Cosgrove
Junior School PE and Sports Coordinator

6. Students from School & Allen competing in the House Cross Country Championships

7. Teachers: Miss Maryann Moore, Mr Colin Becker

Back Row: Oliver Francou, Lachlan Kamencak, Hugh Hazell, Haydn Kamencak, Jonas Hahn, Noah Latimer, Brayden Sims, Dougal Grieve, Edward Thomas

Absent: Charlie Dowling, Cameron Florance, Charlie Kirchner, Mr Jacob O'Connell (Fitness Trainer), Wyatt Ryan, Ben Stuart

First XVIII football

Over 50 players strived to make the First XVIII Team. Thirty two players were selected, playing 12 matches, winning five and attending the football exchange in Melbourne.

Awards went to Declan Fahey (DM Fowler Cup for Outstanding Service and Ability), Will Cameron (Opie Medal for Best Player in the Intercol Match), Charlie Allan (Robert Johnstone Medal for Best Team Player), James Higgins (Old Scholars Trophy for Best First Season Player) and Angus Dawson (Runner Up Best and Fairest). Special mention goes to Dylan Stephens (playing state under 18) and Henry Nelligen and James Higgins (selected for South Australia's under 16).

Mr Darren Trevena
Coach

Year 7B football

The Year 7B Football Team finished the season with four wins and seven losses, beating St Paul's, Trinity, Rostrevor and PAC. However, this win loss tally did not accurately reflect the success of the season which included two narrow one point losses in Term 2.

The team's commitment, enthusiasm, determination and positive attitudes shaped this football season into a fun and memorable experience for all involved— a

highlight of which was Saints' two point win over PAC in the annual Intercol match.

Good luck to all the players with their footy moving forward.

Mr Harry Hayward
Coach

Second XVIII football

The Second XVIII Football Team played a total of 12 matches, winning 11 and losing only one.

To their credit, players adapted to constant change within the team and continued to win.

Standout games included the first win over Immanuel— a gutsy victory by 23 points — along with the defeat of tough Sacred Heart and Rostrevor teams twice in the season.

Unfortunately, Saints lost the annual Intercol by 29 points. Season awards went to Lacky Satritski (Most Improved), James Hanlon (Most Courageous), Nicholas Egarr (Best Team Player), Hamish Ferguson (Runner Up Best and Fairest) and Henry Mclachlan (Best and Fairest).

Third XVIII football

The 2018 Third XVIII Football Team enjoyed a very successful season. Losing only two out of ten games suggests that the team were an incredibly talented and well equipped group of young players.

The annual Intercol match against PAC resulted in a 13 point win for Saints (13-4-82 versus 9-15-69), with memorable performances from Nicholas Norton, Henry Minson, Thomas Green, Lucas Michaels, Luca Wilson, Alex Shierlaw and Will Quigley-Smith.

Every team member can be proud of the collective effort in playing to such a high standard when the most important game of the season was on the line.

Ms Margaret Reid
Third XVIII Coach

Year 10A football

2018 was a short season of seven games, with the majority of Term 2 devoted to the 21 day Pushing the Boundaries venture.

The Year 10A Football Team enjoyed every game and achieved some success with three wins over Westminster, St Ignatius and St Michael's.

At all times, the players demonstrated commitment to the team, pride in themselves and the School and improvement in their skills.

Special congratulations to the award winners: Malachy Carruthers (Best and Fairest), Ben Belperio (Runner Up Best and Fairest), Felix Pyne (Best Team Player), Lachie De Cesare (Most Courageous) and Sam Tregenza (Most Improved).

Mr Glen Malkin
Year 10A Coach

Year 10B football

It was a difficult season for the Year 10B Football Team, with only one win.

The team chose to focus on how the players were benefitting from playing football. The Year 10B Team formed valuable friendships and learned new skills and resilience to apply to sport and beyond.

Despite what seemed to be a season of gloom, they registered a convincing 63 point victory against Scotch College.

Congratulations to the season award winners: Sam Jackson (Best Team Player), Ned and Harry Mintz (Most Improved), Ethan Phipps (Most Courageous), Tobey Ledger (Runner Up Best and Fairest), and Link Ryan (Best and Fairest).

Year 9A football

The Year 9A Football Team had a mixed season, with seven wins and three losses.

In Term 2, the team were able to play the majority of the fixtures on their terms which resulted in an undefeated term.

Term 3 was frustrating as injuries and an improved opposition somewhat limited the momentum of the season, resulting in only two wins for the term. In several of the games in which the Year 9A Team were defeated, the results could have gone either way.

Regardless of the scores, there was great growth within the team as the year progressed.

Mr Cameron Hromin
Year 9A Coach

Year 8A football

In 2018, the Year 8A footballers displayed their skills, endeavoured to make good decisions, helped their teammates and tried their best under the pressure of competition.

The cohort rose to the challenge and the results speak for themselves: an undefeated season!

The annual Intercol match against PAC resulted in a 71 point win for Saints, with a standout performance from Frank Packer.

Season awards went to Frank Packer (Most Improved), Cormac Dwyer (Most Courageous), Louis Craven (Best Team Player), Billy Dowling (Runner Up Best and Fairest) and joint winners, Luke Harvey and Max Blacker (Best and Fairest).

Mr Peter Warnes
Coach

Year 8B football

In 2018 the Year 8B Football Team had a very successful season, winning eight of their 11 games and providing many highlights to be remembered.

Looking back on the season, each player made a significant impact on the team— whether it was a shepherd, kick, handball, mark or tackle they contributed— and has a great footy career at Saints ahead of them.

Congratulations to all players recognised with an award this season, including Flynn Carroll (Best and Fairest), Louis Tolley (Runner Up Best and Fairest), Max Henry (Most Courageous), Jake Nesbitt (Best Team Player) and Fraser Connell (Most Improved).

7A football

The Year 7A Football Team started strong, winning three of its first four matches and defeating PAC, Rostrevor and Trinity.

The second half of the season proved more challenging with injuries to several key players. Despite this, the team is to be commended for the way they competed.

The focus was on working hard to defend when the opposition had possession and moving the ball quickly when Saints has possession.

Team awards went to Henry Maerschel (Best and Fairest), Nathan Spry (Runner Up Best and Fairest), Will Rozenbilds (Best Team Player), Will Davidson (Most Courageous) and Will Osborn (Most Improved).

1. First XVIII during the Indigenous Round with Coach Darren Trevena
2. Second XVIII with Coach Tony Dey
3. Alek Kudra (Year 12) v Rostrevor at Rostrevor
4. Coach Harry Hayward with 7B Team at training

Junior School football

1. Year 4-5 Blue Team on Girdlestone Oval
2. Year 4-5 Blue Team vs White Team on Girdlestone Oval
3. Year 4-5 Blue Team with Jimmy Hele (Year 4) in the middle

Once again, the Saints' Junior School Football program was well supported with over 70 boys eager to represent the School. With such strong numbers, we were able to field four teams each week.

Whilst not all of our teams gained the same level of success throughout the season, all boys are to be congratulated for the way they

played and conducted themselves. Whilst fiercely competitive, they did so with a high degree of sportsmanship.

I look forward to seeing our football program grow even stronger in the coming years.

Mr Jason Cosgrove
Junior School PE and Sports Coordinator
Primary A Football Coach

Senior School hockey

1

First XI hockey

The First XI Hockey Team was a young team this year and they performed admirably against seasoned opposition. Their improvement over the season was most pleasing. No better example of this was shown than when the team defeated Trinity College 2-1, after earlier losing to the same opposition 1-4.

Special mention should go to the three Year 12 leaders in the team: Paxton Silby, Willem Daniel and Euan MacLachlan. And to coach Harry Johns for making this development possible.

The team finished second in the Sports Association of Adelaide Schools competition and completed a fine season.

Mr Garry Grosvenor
Teacher in Charge of Hockey and First XI Manager

Second XI hockey

It is always difficult for the Second XI Hockey Team as most opposition are First XI teams. That said, the 2018 team equipped themselves well. They recorded victories and improved on several results in the latter part of the season.

Coach Cameron Higgins did a great job in developing the skills and the team play of the squad and this was obvious by the season's end.

Well done to all members on a fine year.

Mr Garry Grosvenor
Teacher in Charge of Hockey

Middle blue and white hockey

Saints was again able to field two middle grade teams, with much interchange, in 2018.

Neither team experienced a loss this season, finishing with a total of sixteen wins and four draws. Top goalscorers were Oliver Beadman and Finn Williams, followed by Marcus Sorvanis and Campbell Le Quesne. The Middle Blue and White Teams started the season with one goalie, James Ewart, but he was soon joined by Ivar Stockhoff, who proved a quick learner and most capable keeper.

Several players gained extra match experience with the Seconds and this enabled some to try out for the Firsts. Finn

Williams, Stefan Kudra, Oliver Beadman and Marcus Sorvanis played regularly with the seniors and all earned a place in the Firsts Squad leading up to the Intercol.

While all players increased their expertise and extended their field abilities, there are some whose improvements deserve special mention. Andrzej Czechowicz and Jimmy Butcher really found their feet— many goals can be attributed to their good positioning— while Aidan Hughes made huge strides as a fearless utility player. Donny Coscia, Sam Loftus and Jesse Sanders showed considerable growth in confidence and skills.

Thanks to the team for their enthusiasm, consistency and sportsmanship.

Sally Bartz and William Bessell
Coaches

1. First XI Hockey

Front Row: Finn Williams, Alistair Jones, Willem Daniel (Co-Vice Captain), Paxton Silby (Captain), Euan MacLachlan (Co-Vice Captain), Oscar Bird, Marcus Sorvanis

Back Row: Oscar Bryant, Guy Radbone, Oliver Beadman

Absent: Cooper Silby

Junior School hockey

At the start of the 2018 season, it was clear from the outset that Junior School Hockey had a cohort of talented and enthusiastic sportsmen.

This year's interschool competition included three teams made up of Year 4 to 6. Harry Burns performed well in his role as Captain, encouraging and supporting all players.

Well done to all players for their perseverance, zest and sportsmanship. All teams enjoyed a high standard of hockey, along with an obvious improvement that reflected their determination to develop individual and team skills.

Congratulations to Haiding Wang on receiving the Valuable Player award for 2018.

Ashley Weinert and Richard Davey

4. Clayton-Dyer cricketers
5. Great concentration

Junior School Summer House Games

The boys were confronted with a very hot and unseasonal Autumn day when they competed in the annual Summer House Games and they are to be commended for their efforts.

Every boy from each of the four Houses were put into a team to compete in a sport against the other houses. The boys represent their house in either Cricket, Modified Cricket, Tennis, Tee Ball or Volleyball. For the first time, we introduced Kickball for Year 3 boys to compete in.

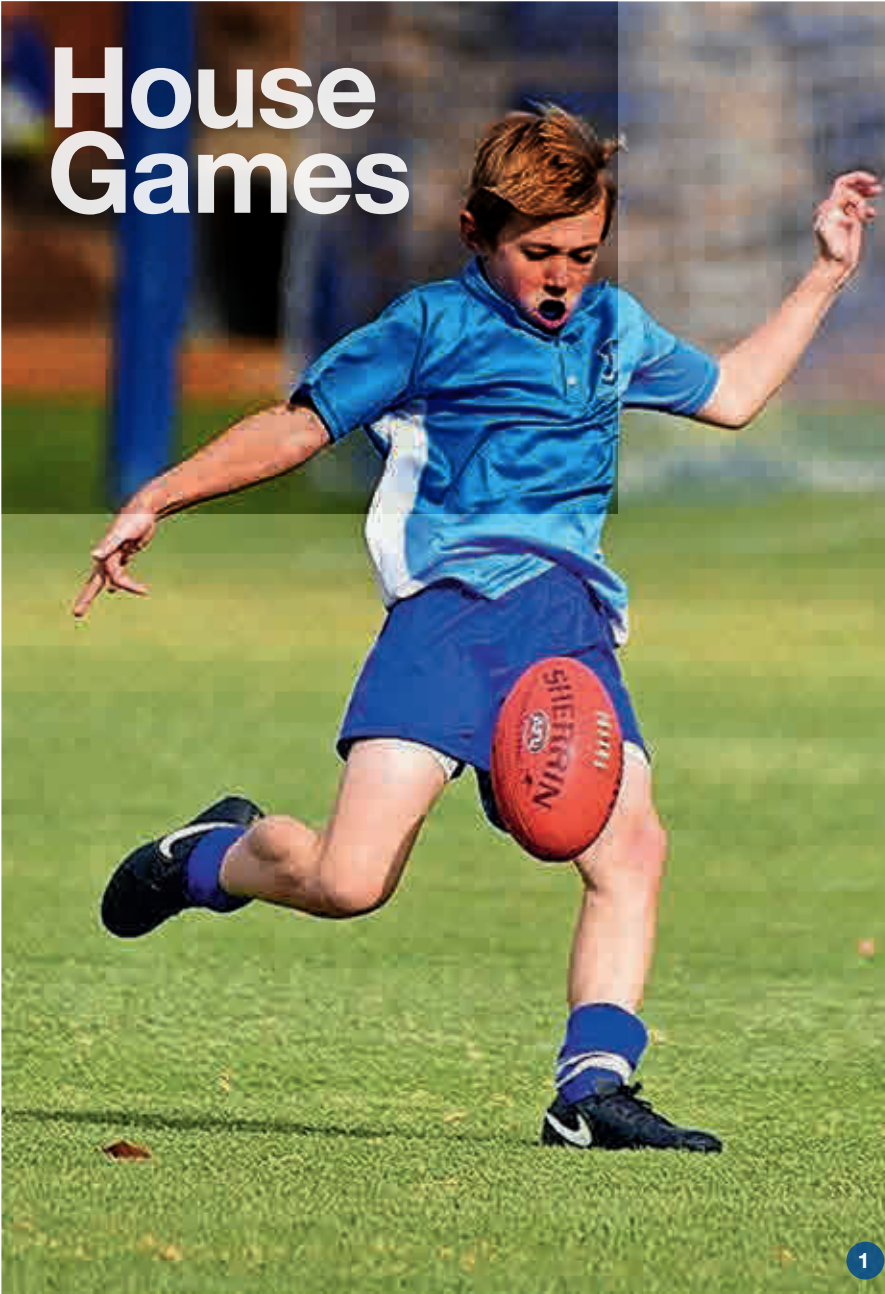

Throughout the event the competition was fierce, and it was great to see a high level of sportsmanship from all the competitors. Each House had a win with Stokes-Ware winning Tee Ball and Cricket, Clayton-Dyer winning Modified Cricket and Volleyball, Alliston-Jones winning Year 3 Kickball and Brooks winning Tennis.

I would like to thank all of the boys for their participation and the Senior School boys who helped to umpire the cricket matches. I would also like to thank the Junior School staff for their efforts in running the different matches.

A big thank you must also go to our four House Leaders, Mr John Athanasiou (Brooks), Mr Travis Burrridge (Alliston-Jones), Mr Nicholas Crawley (Clayton-Dyer) and Mr Richard Davey (Stokes-Ware) for all of the time that they invested to ensure all of the different teams were selected and that all of the boys had an enjoyable day.

Mr Jason Cosgrove
Junior School PE and Sports Coordinator

House Games

1

Junior School Winter House Games

The Winter House Games is a fantastic day for all of the boys in Year 3 to 6 as they represent their House.

Every effort was made by the House Leaders to place each boy in the sport that they represent. Some boys were asked to fill in for a different sport and are to be commended for doing so without fuss as it was a help their House.

Overall, results were very close but Brooks had a very successful day, coming first in Basketball, Hockey and Soccer. Football was won by Stokes-Ware.

All of the boys are to be congratulated for their efforts throughout the day as high levels of sportsmanship was on display during each game.

I would like to thank the Junior School staff for supervising events, especially considering how cold it was. I would also like to thank the Senior School boys who umpired matches. It means a lot to the Junior School boys to have some of our school leaders give up their time to help out.

A special thank you also goes to the grounds staff for marking all of the playing fields and the Junior School Friends of Saints for providing a BBQ.

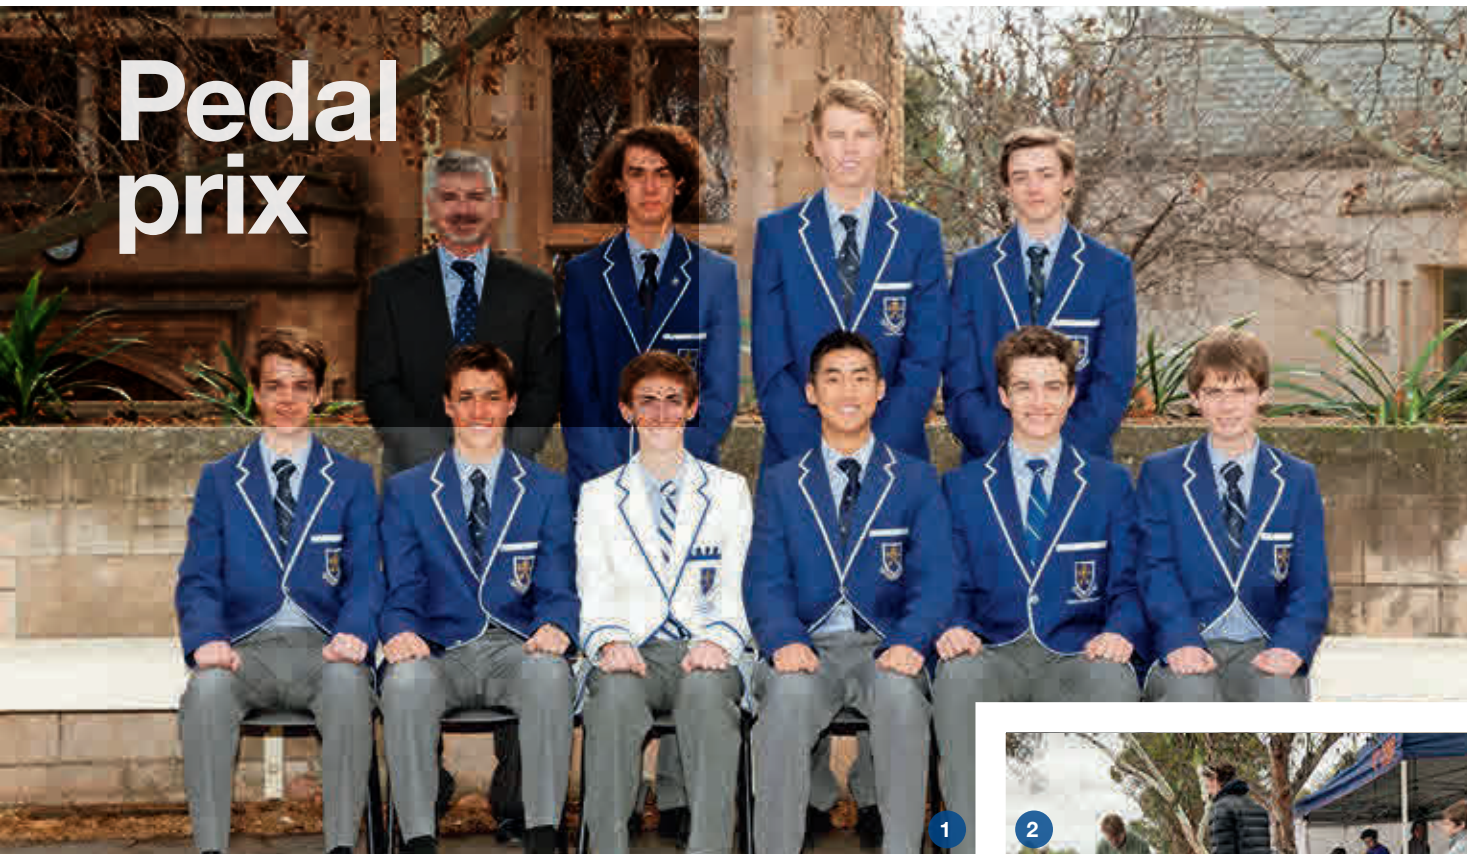

Mr Jason Cosgrove
Junior School PE and Sports Coordinator

Pedal prix

1. Pedal Prix Category 3 Vector

Front Row: Thomas Wickham, Samuel Golding, William Ritossa (Captain), Eric Zhou (Vice Captain), Joshua Dunstan, Angus Ritossa

Back Row: Mr Nick Lamont (Teacher in Charge), Will Varga, William Golding, George Nery

Absent: Mr Fergus Kelso (Coach), Angus Miller

1. Rider change-over in the pits at the Murray Bridge 24-hour race.

3. Job well done! Some of the Saints Pedal Prix team post-race at Murray Bridge

The Australian HPV Super Series is the largest event of its kind in anywhere in the world. Participants race enclosed, aerodynamic trikes in recumbent position human powered vehicles (HPV), which they also maintain. This year was the first time that Saints has entered four teams.

After the 24 hours, Team Vector finished second in the race and also second in the series in Category 3 (upper secondary schools), with the fantastic result reflecting the many hours of extra training and

involvement. Delta-V finished twelfth in the race in Category 3— a fantastic result considering most other schools in the category only entered one team. Schrittmacher finished forty fourth in Category 2 (lower secondary schools) after battling issues with their trike's chain throughout the 24 hours and Max-Q finished thirteenth in Category 1 (primary school), which was very impressive as they did not have as many riders compared to their opposition teams— most of whom also raced Year 6 students.

These results are Saint's best results yet.

Particular mention should be made of the exceptional leadership of Captain William Ritossa and Vice Captain Eric Zhou. Student, Angus Ritossa, impressed by developing an in trike iPhone app and accompanying Mac app which allowed the team to view trike location, lap times and contact students while they were riding.

William Ritossa
Pedal Prix Captain
Mr Nick Lamont
Teacher in Charge of Pedal Prix

Australian Rowing Championships/Nationals

After a successful home season taking out the School Boys State Championship and SA Head of the River, the First VIII made their way over to Penrith, Sydney, to compete in the National Rowing Regatta. Due to the Melbourne schools' Head of the River being on the same weekend, the field was slightly smaller than in previous years, resulting in the Under 19 Men's Eight and Schoolboy Eight heading to a straight final. This provided good training leading up to the races on Saturday and Sunday.

On Sunday in the Under 19 M8+, the crew was met with high class opponents not usually faced in domestic regattas. Stepping up to the challenge, the rowers managed fifth place— just two seconds off a medal. With the last chance to race on Sunday in the Schoolboys 8+, the crew knew this would be the final opportunity to race together.

With mixed emotions, the crew went out with a purpose and took a respectable sixth place amongst some of the top schools in Australia. It may not have achieved the results they desired but it was a great experience for the crew with ingrained memories to be taken into the future.

Angus Dawson (Year 12)
Captain of Boats

Boat Club

Made up of rowers, parents, coaches, old scholars and other supporters, the Saints Boat Club has had a successful season—not necessarily based on wins, but on the foundation built in 2017/18 with the values of respect, resilience and ownership.

The art of rowing is about more than simply moving a boat backwards. Teamwork, time management, hard work and perseverance are what will see a boat club excel on and off the water.

Saints can be proud of this year's rowers and look forward to building the boat club community in the future whilst respecting its 168 year history.

Mr Tim Hennessy
Director of Rowing

Senior Squad rowing

It was another notable season for Saints Senior Rowing with victories in the First 8+, Second 8+ and Second 4+ at the Head of the River Regatta— in addition to commendable racing by the whole squad throughout the season at West Lakes, Murray Bridge, Renmark and Penrith.

The introduction of a December training camp in Renmark, after competing in the Riverland Regatta, was a season highlight. Along with October and January camps at Finnis, these opportunities allowed the rowers to build a strong, positive culture within the boat club as well as their ability to work effectively in a team.

Mr James McRae

Year 9/10 rowing

The Year 9/10 Rowing Squad was particularly strong in 2017/18 with six crews competing in the Head of the River, culminating in an impressive five Head of the River wins.

The large number of rowers meant that competition was fierce for crew positions. Final crews were not decided until two weeks before the Head of the River, after a weekend at Murray Bridge where the Year 9 and 10 groups were seat racing for final positions.

The squad's depth of talent, coupled with their commitment, bodes well for the Boat Club in the coming years.

Well done to all.

Mr Jonathan Forbes

Rowing

Year 8/9 rowing

This season presented opportunities for personal development, new friendships and competition against well prepared crews.

Most rowers were one year veterans of the rowing scene with a common goal: to do better than last season. At season's end, half the crews had improved their results and all had achieved the sense of self respect from giving one's best effort in fierce competition.

The squad greatly appreciated the Finnisss campsite where the Year 8 and 9 groups enjoyed excellent rowing, great food and unmatched comradery.

Thank you to Mr Michael Gilmore, Mr Tim Hennessy and the support of the broader school community.

Mr David Cornelius

Year 7/8 rowing

The Year 7/8 Rowing Squad enjoyed a successful season. Significant skill development took place in single sculls on the Torrens and at Finnisss with rowers earning their crew placements on sculling performance. They demonstrated good camaraderie and represented the School well at regattas and on the summer holiday training camp.

The season culminated with a remarkable performance at the Head of the River regatta in which the B Crew placed second against strong opposition into a headwind and the E, D, C and A Crews all won their respective events.

Mr Steven Perry
Year 8 Coach

Year 7 rowing

The Year 7 Rowing Team had a successful start to their rowing careers in Term 1 at the Torrens Boat Shed. The rowers progressed gradually throughout the term, starting with a coach rowing in the boat with them and then advancing to mixed crews with their peers. They had a strong finish to the season with a fun internal regatta at West Lakes consisting of crews made up of Year 7 and senior rowers.

Thank you to all the coaches— the team really appreciated the enthusiasm and patience you brought to training and races.

Ms Louise Firth

Rugby

Rugby Intercol

As expected, PAC used their big forwards to execute long phase play denying Saints possession. Saints used their scraps of possession well, using the kick and chase tactic to turn the opposition around and gaining a further two chances to score; one from another kick and chase, another from a promising backline attack.

PAC cleverly narrowed their attack and utilised bigger players in different patterns. Saints rallied and used the width better, as well as more incisive running lines off the back of the dominant lineout, but were unable to take home the win with Saints 20 to PAC 29.

Mr Tony Begley
Master in Charge of Rugby

First XV rugby

The First XV Rugby Team were minor premiers in a close race between Saints, Pembroke and PAC.

Overall, they showed very good tactical play and strategy but they did lose their way a couple of times in crucial matches. By the end of the season, the team spirit and belief in each other was quite high, with the team contributing extra effort to get to the breakdown or run a supporting line in attack.

Losing the grand final was a bitter pill to swallow as they didn't play to their ability but there are great signs for a stellar 2019.

Mr Tony Begley
Master in Charge of Rugby

Under 16 white rugby

The Under 16 White Rugby Team had an excellent season. The mix of new and experienced players quickly gelled as a team.

Losing the Year 10 students to their Pushing the Boundaries journey allowed the remaining players to step up and demonstrate their resilience by going undefeated during this period including a 17-7 Intercol win.

While all players will walk away with great stories of their individual brilliance, it was the team performances that defined their season.

Congratulations to Ben Briery (best forward), Tobey Ledger (best back) and Luke Robertson (Captain and best team player).

Ray Pearson

Under 16 blue rugby

It was a somewhat disjointed year for the Under 16 Blue Team with the Year 10 students absent through the middle of the season, which meant blending with the White Team at times.

In the end, the season was defined by great attacking but also by being outsized in defence. Games were often decided by the end of the first half but then the team would step up and show that they were no pushovers.

The final game against PAC showed the team's true colours with a magnificent win. Congratulations, especially to Felix Pyne, who led by example.

Glyn Roberts

Under 14 rugby

The Under 14 group included many players new to rugby, who quickly learned the rules and how to play as a team. They came to trust their teammates and their skills improved throughout the season, particularly in tackling and communication.

The Intercol against PAC proved to be the best match of the season. Saints scored an early try and led the score throughout. However, the last five minutes saw PAC camped on the Saints line and, after pulling the defence in, the opposition took the lead in extra time and won in a terrific game.

Mr Karl Grice

1. First XV Rugby

Front Row: Calvin Hunter, Max Monfries, James Rees, Louis Wauchope, Joshua Snell, Jamie Fenwick Elliott

Absent: Derek Yang, Eric Gao

2. Light winds during the State Championships

3. Saints Sailing Squad, State Championships

4. Action on the water at the State Championships

The 2017/2018 sailing season began with several regattas at Port River in which the Blue, White and Gold Teams raced competitively against other metro schools, finishing strongly in all events. The students trained hard for these regattas under the guidance of coach and manager, Josh Dierickx and assistant coaches Jesse Mitton, James Damin and Will Donald

Significantly, all teams took part in the State Teams Racing Championship where more than 20 teams competed over three long days at Goolwa during the April holidays. Winds were light for much of the event but spirits were high— especially given the unique opportunity to sail against Scots College from Sydney, the New South Wales state winners.

Despite gallant efforts, Saints Blue finished outside the top four, missing out on a place at the nationals for the first time in many years. Saints White sailed well but lacked the consistency of wins needed to move up the ranking table. Special mentions go to James Damin and Myles Wilson for their outstanding performances and to Lachlan Mann and Kosta Dimitropoulos for captaining the team throughout the season.

Thanks go to outgoing coach Josh Dierix for his commitment to sailing at Saints over a number of years as a student, coach and manager. Josh was an integral member of sailing at Saints for many years and will be missed.

Ms Tiffany Young
Manager

Junior School soccer

Over 100 boys, forming six teams, played soccer for the Junior School.

Our focus was fostering enjoyment, developing skills and knowledge, retaining healthy numbers and the acquisition and development of coaches. The players should be proud of their wonderful efforts.

I am fortunate to have a dedicated and reliable team and I thank the staff and coaches and the season ran smoothly thanks to them. My thanks go to the parents for supporting and transporting boys and for assisting in running the line.

The most valuable player for 2018 was awarded to Alexander McClure, who also gained SAPSASA representation.

Intercol soccer

The St Peter's College First XI Soccer Team arrived at the 40th Intercol with PAC, confident after having such a successful season.

From kick off, neither team able to take control of the midfield. Both sides had opportunities in the first half until PAC pulled ahead through courtesy of a penalty.

The Saints team then rallied and with a well taken penalty by Isaac Burnett. The second half had spectators on edge as neither team dominated possession. With a draw at full time, ultimately Saints could not kick the winning goal.

The game finished at 1-1, a deserving final score.

Mr Matthew French
Teacher in Charge of Soccer

First XI soccer

The 2018 season was memorable. The first match saw the First XI Soccer Team claim victory at the John Roe Shield before venturing to Canberra to compete in— and win— the annual three day Interstate Boys Coalition Cup tournament.

The team also competed in the Sports Association of Adelaide Schools' league competition. After finishing first, they went on to claim the premiership, winning the grand final 3-2 against Trinity College.

The year rounded out with the South Australia State Cup Knock Out competition, which resulted in a narrow loss to St Michael's in the semi final.

Congratulations to all!

Mr Paul Vanis
First XI Coach

Second XI soccer

The Second XI Soccer Team enjoyed another great year.

Underpinned by the skilful goalkeeping of Euan Gallagher, the defence— comprised of Phillip Rocca, Seb Cardone, Lachlan Kay, Alex Hofmann and James Mortimer— proved incredibly difficult for opposition teams.

The midfield was fuelled by Christian Marchetti's positioning, Alex Roe's propositional running and Jordan Vidale's vision.

The attacking force— featuring Akshay Kanhere, Jack Hughes, Angus McNab, Harry Tennant and Kareem Shahin— was routinely devastating, scoring an impressive 34 goals in 11 games.

Overall, the team registered one defeat, two draws and eight victories, with a final 1-1 draw in the Intercol.

Mr Walter Barbieri
Second XI Coach

2

3

Third XI soccer

The Third XI Soccer Team were hardworking, willing and accomplished this season.

On a weekly basis, the team faced quality opposition, mainly against Second XI teams. Their eagerness to perform at their best and play disciplined and spirited football— also the way they trained— made coaching this team a joy.

Playing an attacking brand of football, the team scored 33 goals, conceded 22 and had 13 different goal scorers. Twenty eight players represented the team at various times this season. Special mention goes to Captain Sam Hillier for his fine leadership and to best player of the season, Jason Petsios.

10A soccer

The season comprised of victories over CBC and Glenunga, tight losses to Marryatville and St Michael's and strong defeats over Westminster and Cabra.

The 10A team conceded 15 goals and scored 31 goals (16 by James Hosking and seven by Alex Andreyev). Midfielders James Edwards, Alex Andreyev, Fin Foster and Caleb Wilson worked well together. James Hosking was a dangerous strike. Improvement from Jacob Lowe was remarkable.

Player of the Year was Alex Andreyev and Best Team Player was James Edwards. Special mention to Lucas Roman, Richard Rosser, Jake Hodgkinson, Caleb Wilson, Nick Basedow and Jack Pamminger— all demonstrated brilliant moments.

Mr John Papazoglou
Coach

1. First XI Soccer

Front Row: James Mortimer, Wil Carter, Tom Disney, Dion Gouskos (Co-Vice Captain), Paul Vanis (Coach), Tom McClure (Captain), Isaac Burnett (Co-Vice Captain), Connor Murphy, Keshav Shrestha

2. Please caption with name of player
3. 7A Soccer Team

10B soccer

The 10B Soccer Team enjoyed a fantastic year with an unbelievable ending— playing eight games, winning one, drawing one and losing six.

These bare facts hide the amazing journey of 12 outstanding young players. Demonstrating hard work, resilience and teamwork, these students developed rapidly in a very short amount of time. They learned well in training, increased their skill levels and showed passion in all games.

They struggled to achieve the results they wanted but this finally changed on the last day of the season with their first win— a dominant and skilful victory against St Michael's College.

Mr Jonathan Gill
Coach

Middle A soccer

The Middle A Soccer Team has given an outstanding account of itself during the winter sports season in 2018. All team members demonstrated maturity and leadership well beyond their years, evidenced by the hardiness and resolute character shown during the come from behind efforts against challenging opponents.

From the talented forwards, to the creative midfield and industrious defence, each department displayed great promise in actualising— both at training and during match play— the high technical standards of St Peter's College.

Thanks to all parents and the coaching of Mr Andres Cortes Romero and Mr Papazoglou for their valued contribution.

Mr Geoffrey Tinagli
Team Manager

Middle B soccer

It was a pleasure to watch the Middle B Team this year.

Results wise, it was a fantastic season with only three losses throughout and some excellent soccer played in a number of games. However, success should not be measured only by win loss percentages. There were many learning opportunities in 2018.

The Middle B players, led by Nivranshu Irkulla, were sponges for information and always conducted themselves with fairness and commitment to the team. This group are sure to develop their skills as soccer players into their senior years at St Peter's College.

Mr Matthew French
Middle B Coach

3

9B soccer

The 9B Team had a fantastic season that was filled with ups and downs and eventually lots of goals and wins.

The players showed a willingness to learn and most definitely a passion for the sport, which shone through in every game regardless of the result.

The final game of the season showcased their dramatic improvements in all aspects of the game particularly structuring, movement and finishing.

All players improved considerably and should be proud of their efforts.

Mr Mackenzie Thompson
Coach

8B soccer

The 8B Soccer Team had a good season—winning three matches, drawing two and losing three.

Will McConnell (Player of the Season) dominated midfield. Alexander Harrington (Best Team Player) and James Randall worked well in defence. Nick Rayner and Emmanuel Syrianos were outstanding in goal. Nathan Choi (the leading goal scorer with four goals), Hugh Sanders and

Nick Bowes were strong in attack. Justyn Russell, Patrick Rodgers, Will Fitzgerald, Ridho Redford and Arsh Pattnaik played with determination. Ben Hewson and Daniel Jesudason played well in the last three games.

Thanks to the team's loyal parents for their support.

Mr David Docwra
Manager

7A soccer

The 7A Soccer Team had a strong year with only two losses and one draw over the season.

It was a team blessed with many talented players. The 7A players developed well over the season with a focus on skills supplemented by learning to play simply, understanding team shape, playing the way you face, defending together, showing leadership and playing physically.

Special mention goes to Oscar Page, who dominated in goals and was well supported by Ian Irwin, Jude Gale and Angus Koeroessy. James Wallwork, Tobey McCallum and Huss Naji all played exceptionally in the middle of the park.

Mr William Freesmith
Teacher

7B soccer

For 7B Soccer, this year's season was thrilling, to say the least.

Each player arrived on game day ready to work hard. Through every triumph, the 7B team maintained their humility and through every defeat, they held their heads high and vowed to work even harder.

As a team, 7B formed a strong bond enabling them to come away with a positive attitude regardless of the score. Every player in this team should be very proud of the progress they made both individually and together.

Ultimately, the 7B team ended the season as a force to be reckoned with.

Squash

1. Chathula Kiripitige (Year 9) receiving his 2018 Junior State High School trophy

2. Squash Division 1

Left to Right: Harrison Georgiadis (Vice Captain), James Hanlon, Mr Nick Lamont (Teacher in Charge), Dimitrios Dianos, Ramith Waragoda (Captain)

Absent: Benjamin Norris

In 2018, Saints entered seven teams in the Squash SA interschool weekly competition. It has been five years since the School entered a team in the Division 1 competition, such was the talent of the current crop of senior players. The team were competitive against some very strong opposition and should be commended for finishing the season in fourth place with five round wins.

The Division 2 teams (Blue and White) consisted of a mix of experienced players and complete novices but all worked hard to improve their skills. Neither team made the finals but both can be proud of their efforts.

Healthy numbers meant that Saints was able to nominate two Year 9 teams: Blue and White. The Year 9 Blue Team must be especially commended for their performance. They progressed through the minor rounds of the weekly competition

undefeated and reached the grand final where, unfortunately, they faced a strong St Ignatius team. Despite their best efforts, St Ignatius was victorious by a very narrow margin.

The Year 8/Under Division was made up of Year 7 and 8 players. Both teams impressed with their determination to learn and improve throughout the season and they did so with a healthy dose of enjoyment and laughter.

At the annual High School Championship, Saints finished in second place— a fantastic effort for all concerned. Special mention to Chathula Kiripitige as the state junior division champion and Ramith Waragoda as the senior champion.

Ramith Waragoda
Squash Captain
Mr Nick Lamont
Teacher in Charge of Squash

Junior School swimming carnival

The annual Swimming Carnival for the boys in Year 3 to 6 was held in the Birchnall Sports Centre Pool. As in previous years, the Carnival was split into two sections with the boys from Year 3 and 4 competing in the first section before lunch and then the boys from Year 5 and 6 competing after lunch until the end of the school day.

Each event was a very competitive exhibition of swimming with all boys striving to do the best for their House to maximise their points.

It's a good culmination of all the hard work the boys had done during their swimming lessons in the previous weeks and they are to be congratulated for their efforts in the pool and for the support that they showed each other.

There are two cups that the boys in Year 5 and Year 6 have the opportunity to compete for during the carnival. These are the Edward Cherry Cup for the 4x25m Open Medley and the Gardiner Cup for the 100m Freestyle. This year Nicholas Clayton won the Edward Cherry Cup and William Disney won the Gardiner Cup. Both boys are in Year 6.

Although everyone tried their best, there can only be one winning House and for the third year in a row Stokes-Ware won.

I would like to thank all of the staff for their support and willingness to help out throughout the day. I would also like to thank Bernie Juckers and his team in the Sports Centre for their help in setting up and ensuring that we had everything that we needed for a successful day.

The following boys were the top place getters for their age groups:

Boys born 2010

First: Henry Lehman
Second: Daniel Cao
Third: Sarvin Mahadavan

Boys born 2009

First: Peter Yong
Second: Fraser Smith
Third: Michael Teo
Third: Leo Dreosti

Boys born 2008

First: Lachlan Estcourt Hughes
Second: Luka Dimitri
Third: Peter Zhang

Boys born 2007

First: William Donnelly
Second: Jonas Hahn
Second: Max Mitchell
Third: Donovan Fahey

Boys born 2006

First: William Disney
Second: Nicholas Clayton
Third: Thomas Wu

Mr Jason Cosgrove

Tee ball

Our two Tee Ball Teams competed against four other schools in 2018 and have shown true sportsmanship with their on and off field behaviour and attitude. The opposing teams comprised of girls and boys, as well as teams of older students, with our boys showing care and respect for everyone involved.

The skill level of the boys improved remarkably through the year and both teams approached Term 4 with an increased understanding of the game.

Mrs Marshall and I have appreciated the support of parents at all of our games, both here at Saints and away at other schools.

Mrs Sue Dansie

Absent: Pei En Liu

Table tennis

First VIII open table tennis

It was a strong 2018 season for the First VIII Open Table Tennis Team, who worked hard to improve all skill areas. Of particular note was the team's ability to be flexible when partnering in different doubles combinations.

The players concentrated on improving service delivery and variation, playing strategies and consistency throughout matches. The name of the game was not to win at all costs but to play fairly and enjoy the rallies.

In the final showdown with PAC at the Intercol, the Saints First VIII Open Team was not only strong from the start but confident. Taking out the match at the red centre with a final score of 18-4, after a win at 12-1, it was clear that the Saints team's hard work paid off.

Ms Irene Castrechini-Sutton

Junior A1 table tennis

Congratulations to the Junior A1 Team on their commitment to table tennis during training times on Tuesdays and Thursdays and Friday games.

It has been a resilient team in 2018. They fought valiantly and displayed a commendable sense of team spirit. James Mortimer, Ethan Leo, Alec Vitalievich, and Zihao Wu were team stalwarts supported by their teammates Kartheek Laddipeerla, Saeed Bajhau, Noah Pitkin, Julian Mortimer, Alexander Rouss and James Grounds.

This year, the team has improved their skills and the players fought some impressive individual matches. Sportsmanship and mutual support were strong features of this group of players.

Hiwa Jaldiani
Coach

Second VIII open table tennis

The 2018 season provided a much more competitive playing field after being pitted against only First teams in 2017. As a result, the Second VII Open Team returned to dominance— winning all games except the two matches against CBC and Mercedes' First teams.

Regular rotations gave everyone opportunities to play, including with other open teams.

After three strong seasons in Second VIII Open, the team farewelled Year 12 players Difan Deng and Chen (Rongchen) Li but welcomed a new breed of talented players who will continue to build on the strength of Seconds.

Jon Inge

Senior B1 table tennis

A keen and interested Senior B1 Team ensured an enjoyable season of table tennis in 2018.

The group consisted of Year 10, 11 and 12 players. The B1 Team achieved a good ratio of wins in both home and away games this season.

Thanks to all who played with good spirit and dedication.

Mr Tim O'Shea
Coach

Senior B2 table tennis

The Senior B2 Table Tennis Team had a challenging start to the season— some matches were cancelled and the Year 10 players were unavailable. The team won three games and lost four.

However, the second half of the season included some impressive victories. JJ Chan, Aryo Javanmard, Callum Royce, William Sergi, Eric Zhang and Michael Lucas were reliable and secured some excellent wins. Anson Lu, Noah Koeroessy, Nickolas Tolis, Patrick Jiang and James Zecevic, when available, proved to be valuable players winning some tight matches. Sam Harrison and Max Perryman were incredible support to the team.

Mr Con Sinanis
Coach

Middle A2 table tennis

The Middle A2 Team was a formidable force this year, winning all but two of their games for the 2018 season. Despite some formidable opposition, they remained

1. First VIII Tennis Open

Front Row: Oscar Chen, Alex Hofmann, Simon Zhang (Vice Captain), Ms Irene Castrechini-Sutton (Teacher in Charge), Aaron Wu (Captain), Upol Sarker, Samuel Kow

Back Row: Difan Deng, Andrew Chapman, Danny Guo

Absent: Callum Gale, Harrison Hughes

2. Alex Hoffman

3. Intercol Table Tennis Champions

disciplined and focused and applied the techniques practised in training.

Justin Dang, Seb Bower Ethan Leo and Shanuka Abegunawardene led the way, rarely losing a set, while Arvind Pati, Sahin Ravindran, Sebastian Hoe and Noah Luc remained reliable players, showing great talent and improvement during the season. Enthusiasm and skill were shown by Saeed Bajhau, Jason Zhao and Zihao Wu and we look forward to continued outstanding performances from all players next year.

Ms Monica McCauley
Coach

Middle A3 table tennis

The Middle A3 Team demonstrated a commendable fighting spirit throughout the season with impressive enthusiasm during trainings and matches.

New recruit, Noah Luc, displayed remarkable improvement in his skills. Shanuka Abegunawardene, Tauseef Ahmed, Aidan Hua, Ethan Lim and Jack Sun also fought some great matches resulting in close scores in singles competition.

In the doubles, Noah Luc and Jack Sun thrived on several occasions over strong competition— as did Ethan Lim and Aidan Hua. Chirath Lekamge, Jack Davies and Wilson Chen displayed consistent positive attitude and all players showed great sportsmanship throughout the season.

Mr Brian Wong and Xiaoning Wang

Middle B1 table tennis

Early in the season, Middle B1 came up against a redoubtable CBC team and despite particularly good performances from numerous players, CBC had too much in their arsenal. Achieving a convincing second place in this match, Saints showed outstanding resilience and faced opponents week after week with dedication and high spirits.

Throughout the season, many players achieved consecutive wins in all three games whilst others experienced success in honing their driving skills and forehand push— techniques which were being utilised with great impact towards the end of the season.

Congratulations on an enjoyable season Middle B1.

Ms Amy Martin
Coach

Middle B2 table tennis

The Middle B2 Table Tennis Team started the season with a dominant win against St Ignatius. They struggled in early matches but rallied hard in the second half.

Eton Williams and Lincoln Woodley won all games, while Dyllan Nguyen, Jonathan Harris and Christian Weng won all singles matches. Toby de Wit played well, winning the majority of his games.

In the penultimate game of the season, the team experienced the toughest loss of the year against Blackfriars, redeeming themselves in a conclusive win in the final game.

Overall, it was a great season with all players improving dramatically each week.

Dr Hamish McTernan
Coach

Middle B3 table tennis

As a first foray into table tennis for many players, the Middle B3 Team demonstrated great enthusiasm and determination throughout the season— growing in confidence and skills development.

The squad won three of nine fixtures, with a close home game against St Ignatius.

Team spirit and friendships developed and the players readily attended lunchtime training sessions, keen to give their all in the Friday afternoon matches.

Aaron Li and Darren Nguyen dominated many of their opponents, Binuga Pathirana and Aaron Pham made a formidable doubles team, Bryan Wang remained courageous and Alexander Duerr was endlessly enthusiastic.

Mr Michael Salter
Coach

Junior School tennis

1. Year 6 boys at the McMichael Cup
2. Oliver Hamilton being presented his ball-boy medal from Headmaster Tim Browning
3. Scots College Sydney Tour

Nearly one hundred boys from Year 4 -6 played Tennis. The Director of Tennis, Mr Todd Perry and Mr Trevor Hamlyn worked with a keen group of boys to develop their skills.

The quality and strength of Tennis in the Junior School is excellent. Of notable mention was the Primary A1/A2 team who remained undefeated even though they played against teams with older students.

Congratulations to Captain of Tennis, Thomas Grosser, who displayed great leadership and was selected for the SAPSASA Tennis Team as well as being awarded Most Valuable Player.

All players should be proud of their wonderful efforts.

Mr John Athanasiou

Senior School tennis

1

Tennis at Saints has seen considerable success in 2018, thanks in no small part to the effective coaching program devised and led by Director of Tennis, Mr Todd Perry, professional coach Todd Eason and old scholar clinic coaches Harrison Nienaber, Nick Teh and Anis Pakrou.

With a deliberate focus on positioning, reading and signalling court play, players across all middle and senior levels have benefitted from the easier transition between teams and squads that such a common training focus has assisted. Team coaches and managers have been able to reinforce the program's key instructions during Saturday matches, together with guiding all players to recognise the critical importance of sportsmanship and resilience, irrespective of the outcome of matches.

A number of internal championships were played throughout the year. In Term 1 Callum Gale and Noah Koeroessy competed for the McMichael Cup, with Callum the eventual winner in two sets (6-2, 6-4). Callum also contested the Bowman Cup, partnered by his brother Jude but on this occasion victory went to Richard Rosser and Noah Koeroessy (6-3).

In Term 4, the Junior Turnbull Cup was won by Harry Bruce, who defeated Kye Bennett 9-3.

Thanks to Mr Sean Inman for his leadership as Coordinator of Tennis, all coaches and team managers for their participation in the tennis program and all players for their enthusiastic enjoyment of the game. The tennis community wishes to also acknowledge the immense efforts put in by the grounds and maintenance staff to ensure that tennis runs smoothly at Saints, making it the envy of many other schools.

Ms Sally Bartz
Teacher in Charge of Tennis

Drive tennis team

The Drive Tennis Team completed an outstanding season, losing just one match in 2018— other than the Intercol.

Undeclared in Term 4, the team also competed in the Schools National Tennis Championships in Albury where Saints finished a creditable eighth.

Experienced members Captain Callum Gale, Jasper Benson, Noah Koeroessy, Richard Rosser and Brandon Seeto have all provided great leadership and mentoring for the younger and less experienced members.

Year 7 players Harry Bruce, Angus Koeroessy and Jude Gale are fast emerging as significant talents. Kye Bennett and James Higgins continue to develop as key members of the group.

Mr Todd Perry and Mr Garry Grosvenor
Coaches

Senior A1 tennis

Term 1 saw the Senior A1 group win four of their six matches, with excellent performances from Jordan Ng, Charles Higgins and Alastair Umpherston.

The team played exceptionally against some formidable opponents. Out of the six matches played, they lost only one match.

Most notable, however, was the way the players trained and implemented newfound skills. Angus Koeroessy, Harry Bruce and Jude Gale performed particularly well in singles matches, while James Higgins and Harry Vincent recorded no losses in their combined doubles campaign. Additionally, James Grounds and Jamie Wells proved invaluable, clinching victory by winning many close games.

Mr Will Bessell
Coach

1. Drive Tennis Team

Front Row: Richard Rosser, James Higgins, Callum Gale (Vice Captain), Jordan Ng, Angus Koeroessy

Middle Row: Mr Todd Perry (Coach), Harry Bruce, Jasper Benson, Noah Koeroessy, Mr Sean Inman (Teacher in Charge)

Back Row: Brandon Seeto, Harry Cooke (Captain), Kye Bennett

Absent: Mr Todd Eason (Assistant Coach), Alastair Umpherston

Senior School tennis

Senior A2 tennis

The Senior A2 Team won three out of six matches in Term 1, with the only losses against a strong PAC. Harrison Georgiadis was a standout performer, grinding out Lleyton Hewitt-esque wins.

A 5-4 win against Pembroke, sealed by a Harry Vincent singles, was the best team performance of 2018.

A close 4-5 loss to PAC was validation of their hard work. Dylan Stephens (6-4) and Guy Radbone (7-6) performed especially well. A dominant win over Rostrevor was a highlight of the term.

Losing the Year 12 group in Term 4 gave everyone a chance to move up the order.

Mr David Landers
Coach

Senior A3 tennis

The Senior A3 Tennis Team had a strong start in Term 1, with all players displaying great sportsmanship and performing excellently against Pulteney. This set the tone for all future matches.

The team claimed five wins out of six rounds played, only falling to PAC in the final round.

Many matches were fought against tough opponents but special mention must go to Lachy Staritski, Angus McNab and Aaditya Mangla for some resolute victories in singles and doubles during the season.

The Senior A3 Team did not continue in Term 4. Instead, its remaining players moved up into the A2 Team.

Sally Bartz
Coach

Senior B3 tennis

The Senior B3 Tennis Team made an impressive start to the season, with Shrey Sinhal and Difan Deng winning their doubles and singles matches— leading the team to a comfortable win of 8-2 sets against Concordia.

With four wins and only one loss for their Term 1 season, the team certainly acquitted themselves with honour. Doubles were a particular strength amongst all squad members but there were also some significant singles victories across the team.

With the retirement of the Year 12 group, the remaining B3 players received an instant promotion to the B2 ranks for Term 4.

Sally Bartz
Coach

Senior B1 tennis

After a solid first term with four match wins and two losses, the Senior B1s had a successful Term 4— winning five of their six matches.

The team demonstrated skilful tactics all while maintaining exemplary sportsmanship.

Special mentions must go to Alex Shierlaw, Bradley Robran, Ben Norris, Jimmy Dianos, Thomas Ganzis, James Hanlon, Charles Morton and Jack Morton for winning all their singles matches. Additionally, the doubles pairing of Jimmy Dianos and James Hanlon are to be congratulated on winning all their matches.

The team's efforts, and the manner in which they represented the School this term were highly commendable.

Mr Nicholas Teh
Coach

Senior B2 tennis

The Senior B2 Team commenced Term 1 with some very positive results, including early season victories against Concordia (8-2) and Scotch (10-2).

Term 4 saw some minor changes with the Year 12 group departing but the team persevered and swept aside Scotch (8-2) and Pembroke (5-4).

Most impressive were the many doubles performances that demonstrated a shift in focus to teamwork. Shrey Sinhal and James Tallent played at a consistently high standard. Jimmy Psaltis was the most improved, particularly in Term 4. Ben Harding, David Wang and Anthony Tran were persistent, working hard all season and showed a consistent standard.

Mr John Papazoglou
Coach

1. Will Fitz
2. Kye Bennett representing Saints in Albury at the National School Championships in November. Kye was the youngest member of the team and competed well in all of his matches.
3. Luis Vollmer

2

3

Senior C1 tennis

2018 was another successful year for the Open C1 Tennis Team. Although not always as successful on the court as other teams, the Open C1 Team more than made up for that in improved skills and sportsmanship.

The team celebrated wonderful wins against a number of schools including an old rival, PAC, in a closely fought Open C Intercol victory.

All players improved greatly over the course of the year, some of whom had played very little tennis in the past and others who had played since they were small.

Hopefully, 2019 is just as positive as 2018 has been.

Mr Patrick Swanson

Senior C2 tennis

The Senior C2 Tennis Team played a full round of matches in Term 1, winning as many as they lost.

In Round 4, they staged an upset against Pedare who had comprehensively beaten them only three weeks earlier.

It was pleasing to see a vast improvement in consistency across the term and some great leadership from the more experienced members of the team. All players should be pleased with their efforts. With the retirement from school tennis of the Year 12 group in Term 4, the remaining Senior C2 Team were amalgamated with the C1 Team.

Mrs Sally Bartz
Coach

Middle A1 and A2 tennis

During 2018 there was constant movement between the A1 and A2 Tennis Squads. Of the 12 matches, the A1 Team won ten and A2 Team won eight.

Leading players Ethan Bennett and Jude Gale progressed to senior and drive levels during the season, while Jamie Wells and James Grounds joined the seniors in Term 4.

Will Fitz, George Ilic, Luke Sikalu and Luis Vollmer performed as the regular top seeds throughout the year. Meanwhile, Carson Liang played for club in Term 1 but was a vital asset in the top pairings in Term 4, teaming effectively with Kartheek Laddipeerla who improved in leaps and bounds despite an injury.

Edric Ong was the best listener at training, together with Will Davidson who was cheerful and determined to improve and was reseeded as a result. Max Blacker demonstrated vast improvement in confidence and stroke play. Lachlan Langton and Oscar Page increased their rankings, while Harry Eyres and Hamish Colby worked hard to improve.

Noah Pitkin joined A2 in Term 1 but a broken arm kept him out of play in Term 4. In fact, several players suffered injuries this season but this created opportunities for others to test themselves at higher levels.

Ms Sally Bartz and Ms Pat Aller
Co-Coaches

Middle A3 tennis

The Middle A3 Tennis Team demonstrated great support and sportsmanship throughout the season. Tennis scores can be deceiving no matter how well the players performed, with sets often going to tie breaks.

The team were strong competitors this season. Ollie White was enthusiastic and hard working and Finn Williams showed great talent at the net. Will Maloney, Oliver Grieve, Sid Jacka and Conan Baird proved solid and dependable, while Fred Jacka and Christos Angelopoulos displayed some impressive play with the A1 Team.

All team members were always willing to play any seed and help at the end of the match.

Mr Karl Grice
Coach

Middle A4 tennis

The Middle A4 Tennis Team performed admirably throughout the season, playing an impressive brand of tennis with passion, determination and a willingness to succeed regardless of the challenges they faced.

With a pair of victories to close off Term 1, the team entered the break with two wins and three losses. With new faces making their way into the side, Term 4 provided the players with a new challenge: having to gel together and work to each other's strengths. With momentum building, they finished the season with three wins and three losses.

Thank you to all players for their efforts.

Seb Cardone
Coach

Senior School tennis

1

1. Director of Tennis Todd Perry (R) with members of the Drive Team at the National Tennis Championships (L-R): Kye Bennett, Brandon Seeto, Noah Koeroessy, Richard Rosser, Calum Gale

Middle B1 tennis

The Middle B1 Team had a terrific season of tennis in 2018 with victories over PAC, Marryatville and Immanuel being the stand out of the nine team wins across the season.

The team improved considerably on their technique and strategies over the course of the year.

Special mention goes to Paul Musolino for always putting his hand up to play two singles or two doubles matches when player shortages required it.

Good luck to all the Year 9 players in their tennis as they move up to the senior ranks at Saints next year.

Mr Anis Pakrou
Coach

Middle B2 tennis

In Term 1, most of the Middle B2 Team had moved up to a higher team. This meant adding new talent from the Junior School, guided by Henry Filsell and Louis Tolley.

Will Brumby, Kristian Musolino, James Wallwork, Alexander Hickinbotham, Ben Lai and Seb Hillier all proved themselves, winning most games and quickly moving up the seed order.

In Term 4, the team were joined by Casey Van Heuven and Nicholas Koh. Both players formed strong bonds with the existing players. All the best to Oscar Maidment, Dionisios Konidaris and Tom Wickham as they advance to the senior teams.

Mr John Wright
Coach

Middle B3 tennis

Whilst the Middle B3 Team played a reduced number of matches in Term 4, all players performed exceptionally well and should be proud of their efforts.

The team did not suffer a single defeat and recorded strong victories against St Paul's College, Blackfriars and PAC, with the absolute whitewashing of the latter opponent being a definite highlight for all.

Nick Piscioneri had a number of outstanding comeback singles' wins and Joshua Bested, Chanidu Fernando, Alec Padfield and Josip Podreka could always be relied upon to produce excellent tennis.

Congratulations to all players and good luck for 2019!

Mr Harrison Nienaber
Coach

Middle B4 tennis

Although the Middle B4 Team had more losses than wins, they should be proud of their efforts. The year started strongly with excellent playing by Chanidu Fernando and Josip Podreka, who then moved up to the B3 Team.

Rajiv Paranavithana displayed impressive growth with numerous wins. Chirath Lekame demonstrated outstanding sportsmanship and Louis Treasure showed excellent skill after joining in Term 4. Sam Cheatle, Oscar Chen, Henry Hickinbotham, Ethan Leo, Zihao Wu, Gunin Singhal, Archie Jackson and Woody Gilbert were valuable team players and should be proud of the way they represented the School both on and off the courts.

Ms Jacqueline Cook
Coach

Middle C1 tennis

In Term 1 Louis Treasure stepped up into a mentoring role as the only remaining player from 2017.

By Round 3, the team list was relatively settled and the inclusion of Chinnmay Sawant made for strong flexible doubles combinations with Louis, Max Wang, Will Reynolds and Will Griffin. Henry and Ollie Colbourne, Isaac Iacopetta, Tomas Conroy and Justin Khuu played some excellent games.

Term 4 saw the introduction of newcomers Jock Gunner and Panagiotis Kondiaris. Of the 12 games this season, the Middle C1 Team was successful on five occasions and even when unsuccessful, often came close to a win.

Ms Trudi Duggin
Coach

Middle C2 tennis

The Middle C2 Tennis Team consisted of several players remaining from 2017, joined by new players with varied tennis experience. The year started well, with wins against both Pulteney and Gleeson; however, they lost the next three games.

Kelvin Lu and Rayden Wang teamed well, often winning their doubles and experiencing success in their singles matches. Jock Gunner, Jack Gooden, Louis Rust and Dyllan Nguyen also played some excellent games.

In Term 4, the team welcomed Kian Mylankal and Leon Connop. While there was limited success in the 2018 matches, all players developed their tennis skills and displayed good sportsmanship.

Ms Fangfang Qiu
Coach

Junior School volleyball

This year we saw growth in the volleyball program. Saints managed to field two teams in the after school competition and the competition expanded from four to ten teams.

Many of the boys had never played volleyball before this year and the growth in their abilities was impressive. The boys applied themselves to weekly training sessions where they focused on the fundamentals. They also continued to work on their game play and strategy.

Alfred Chan was elected as our Volleyball Captain and he led by example. Congratulations to all their growth as individuals and valuable team members.

Mr Travis Burridge
Coach

Saints blue volleyball

Teacher: Mr Travis Burridge

Back Row: Dhruv Joshi, Jack Kamleh

Front Row: William Disney, Lachlan Gallagher, Edward Forbes

Absent: Aaron Sweet

Saints white volleyball

Teacher: Mr Travis Burridge

Back Row: Lachlan Bishop-Spalding, Archibald Mackay, Joshua Baker

Front Row: Alfred Chan, Joshua Moro, Peter Morfesi, Matthew Graham

Senior School volleyball

Senior A volleyball

The Open A team had a mixed season, winning two matches, losing one and having three matches cancelled due to hot weather and an opposition forfeit.

Captain Hamish Tugado led the team very well, blocked consistently and scrambled for every point. Vice Captain Nikolas Glynatsis and Nickolas Tolis set beautifully, while Cameron Huefner, Fraser Green and Lachie Brunthaler-Lokan were a constant threat at the net.

Matt Doran's serves were sometimes unplayable and he was powerful and clever at the net. Hugh Madigan and Aaron Wu regularly won points on serve, while Levi Smith adjusted well to pressure in the back court.

The Reverend Dr Theo McCall

Open A Term 4

The Open A team made a reasonable start to the new season, working well as a brand new team.

Against the experienced teams of Westminster and St Paul's, they found it hard to match their opponents' consistency. However, they won their final three matches in convincing style.

Aaron Godfrey always set very well, Cameron Huefner, Max Buttignol and Jasper Hoffmann had excellent presence at the net, while Captain Nickolas Tolis was superb all around the court. Cameron Heufner often had the opposing blockers panicking. Connor Murphy served particularly well and James Grosser and Desmond Rowland Woodall contributed well.

The Rev'd Dr Theo McCall

Open B volleyball

Over the course of the season, the quality of play from the Open B Volleyball Team improved with training and determination and the results were seen in games. The Open B team was always competitive against solid opposition.

Wyatt Ryan and Zac Nash-Smith filled their roles well at the net. Jonty Milford, Connor Murphy and Riley Van Roekel served accurately. Rhys Godfrey, Mitch Nikitins and Lachlan Van Roekel ran for every loose ball, while Blake Tamiaans, Guy Dello-Iacovo, Isaac Ho and Hy Le set the ball for their teammates.

Thanks to Brodie Jackson, who coached the team this season.

Ms Betty-ann Heim
Team Manager

Senior C volleyball

The Open C team began the Term 4 season with a solid victory against a determined St Paul's team.

The second match against Pembroke was unusual in that a fire alarm sounded just as the match began! The team returned to be narrowly defeated in a tough game.

The following two matches were played away against St Ignatius. Although they tried hard, the opposition was highly skilled and Saints lost both matches.

1. Open A Volleyball 2018

Front Row: Fraser Green, Matt Doran, Nikolas Glynatsis, Aaron Wu, Hugh Madigan

Back Row: Fr Theo McCall (Team Manager), Jasper Hoffmann, Cameron Huefner, Levi Smith, Mr Michael Cuevas (Teacher in Charge)

Absent: Lachie Brunthaler-Lokan, Hamish Tugado (Captain), Nickolas Tolis, Mr Alex Whitelaw-Jenkins (Coach)

2. OPEN A

L-R: James Grosser, Guy Dello-Icova, Connor Murphy, Aaron Godfrey, Jasper Hoffman, Jacob Davey

3. OPEN B

L-R: Jayden Le, Brodie Jackson (Coach), Jacob Davey, Mitch Nikitins, Rhys Godfrey, Wyatt Ryan, Zac Nash-Smith, Jonty Milford, James Grosser, Isaac Hoe.

4. OPEN A1

L-R: Jacob Davey, Alex Whitelaw-Jenkins (Coach), Jasper Hoffman, Guy Dello-Icova, Aaron Godfrey

The final match against Pedare saw Saints win two sets to one.

Thanks to Brodie Jackson, who helped coach Open C this season.

Mr Nick Lamont
Coach

Junior A volleyball

The Junior A team had a tough start but quickly bonded as a team.

In his first season, Jonathan Harris demonstrated his potential. Connor Murphy, Guy Dello-Iacovo and Wilbur Glaetzer provided consistency and strength in attack. Jimmy Butcher was very comfortable at the A level. Nick Andreyev's enthusiasm and Luc van den Hengel's calmness under pressure were assets to the team.

Term 4 saw new players Tobey Ledger and Oliver Beadman make an immediate impact. Finn Stentiford served well and Max Jongbloed and Bryan Wang showed strong potential. Matt Edmonds-Wilson was always steady and composed.

Mr Mark Colsey
Coach and Team Manager

Middle B volleyball

Term 1 began with two teams in Middle B Volleyball but, with student movement, this was reduced to one team in Term 4.

The Middle B Teams experienced just a couple of wins but always held their heads high with their excellent efforts on court. Undoubtedly, their skills and strategies improved and this was obvious as the rallies became longer and more competitive.

With some fine leadership emerging, the players developed greater confidence in one another and this was displayed through improved awareness and enthusiasm on court. They can look forward to continuing in the same vein again next year.

Mr Andy Payne
Joint Coach

Junior C volleyball

In 2018, a relatively inexperienced Junior C Volleyball Team formed. They keenly worked to improve their skills and impress their coaches at training.

Early in the season, the team appreciated the deep and consistent serving from Harrison Justice and Alex Edwards. Later, Bryan Wang proved himself to be a consistent digger and setter and Ned Carney demonstrated quick reflexes with many desperate saves. Oliver Perrone showed great improvement and newcomers, Alex Duerr and Henry Cox, always tried their best.

The team won one match but the score was often close.

Dr Hamish McTiernan
Coach

Open A water polo

Front Row: Christopher Begg, Henry Minson, Edward Gauvin, Jack Cleary (Captain), Jack McNally, Jack Kroker, Rory Lethbridge

Back Row: Mr Paul Hadfield (Coach/Teacher in Charge), Nicolas Maddern, Lucas Michaels, Jack Duggan (Vice Captain), William Bradley, Jock Hardy, Mr Mark Bruce (Manager)

Water polo

Eighth Annual Water Polo Intercol

The 2018 Intercol was set to be another close and fiercely fought contest in water polo.

Saints started strong with Nicolas Maddern scoring the only two goals for the quarter. PAC rebounded in the second quarter, scoring three goals. Nic Maddern and Vice Captain Jack Duggan then took the score to 4-3.

After the break, a strong defence and brilliant goal keeping by Captain Jack Cleary restricted the score line to 4-4. The score remained even for the rest of the game until, with only seconds remaining, elite swimmer Jack Kroker stole the ball and scored the match winning goal!

Mr Paul Hadfield
Open A Coach

Open A water polo

Highlights of the Open A Team's water polo season included winning seven of the nine matches, an outstanding Intercol victory and two exceptionally competitive matches against Blackfriars— including the Sports Association of Adelaide Schools (SAAS) Water Polo Grand Final.

The team was well led by Jack Cleary and Jack Duggan (Term 1) and Nicolas Maddern and Henry Minson (Term 4).

Training sessions were conducted to a high standard with excellent input from Mr Mark Bruce and Matt Martin. The team's strong counter attack style, coupled with their intelligent zone defence and creative attacking moves, are a credit to their commitment.

Mr Paul Hadfield
Open A Coach and Teacher in Charge of Water Polo

Open B water polo

Open B Team finished Term 1 with wins against Saint Ignatius (16-0), Saints C Team (13-1) and Blackfriars (9-4) and Term 4 with wins against the Saints B2 Team (11-2) and PAC (8-3).

Three losses resulted from clashes with PAC, including an exciting Intercol with a narrow two goal margin.

Sam Potter provided great leadership, whilst Sam Craven and Toby Murray combined well in the centre forward position, with Thomas Spiby and Hugo Cavill using speed to their advantage. Alex Andreyev, Nicholas Corrie, Charlie Dowling and Harrison Georgiadis all improved greatly, whilst Jas Bhara and Ben Belperio were solid defenders.

Mr Mark Bruce
Coach

Open C water polo

In 2018, the Open C Water Polo Squad was comprised of Year 10 to 12 players.

The squad trained as one large group and split into four teams for matches (three in Term 4). By mixing up the teams each week, all players were given every opportunity to show their skills and learn how to work well together in different combinations.

The squad's main competition stemmed from Pembroke, Mercedes and PAC.

Special mention goes to James Hosking and Jack Packer who were excellent in the goal, Malachy Carruthers who scored seven times in one match and dedicated coach, Matt Martin.

Carmen Bester

Middle A water polo

With excellent performances across four teams, 2018 was perhaps the strongest year in living memory for Middle A Water Polo at Saints. The players' growth in reading and understanding the game was exceptional.

The Middle A Team recorded a staggering number of wins, including a decimating victory in the Intercol. The final three weeks of the season saw all games fought against Saints' water polo nemesis, Blackfriars.

In the final game, the score was so decidedly one sided in favour of Saints that the Blackfriars' coach observed that perhaps it was the end of one era and beginning of another!

Alex Smith and Kylie Flanagan
Team Managers

Middle B water polo

The Middle B Water Polo Team showed enthusiasm and commitment to the sport in both trainings and on match days.

Throughout the season, the team experienced growth in skill development with quick and efficient passing and improvements in defence and offence.

The players achieved six out of seven wins over PAC in Term 1. A strong Mercedes team left them with one loss, one draw and two wins, whilst Pembroke was unstoppable, taking three wins.

Term 4 saw CBC playing some high standard games, resulting in a nail biting draw, a loss and two wins for Saints.

Ms Rachel Spiby and Ms Marie Daziani

Valiente

Council of Governors valete

Chris McMichael

Chris McMichael (W&A '74) joined the Council of Governors on 8 August 2006 as the nominee of St Peter's College Foundation and served as a Governor until his retirement in July 2018. Chris served as Deputy Chairman of Council from February 2015 until July 2018, and as Chairman of the Audit & Risk Management Committee from 2014 until July 2018. He was a member of the Foundation Board from 2004 to 2016 (member of the Foundation Executive 2006 – 2016) and is a Foundation Senior Fellow.

Chris McMichael attended Saints from 1966 to 1974. He was an outstanding contributor at School with just some highlights including House Captain 1974 and House Prefect 1973 and recipient of the Headmaster's Prize 1974 and the Bruce Richards Memorial Prize for outstanding service.

Chris made a major contribution to the life of the School through his service to Council during which time the Junior School was substantially redeveloped, the Middle Years program was established in the remodelled Pentreath Building, the outdoor education program was significantly expanded, the positive education initiative established and the strategic major acquisition of the Sanitarium site undertaken.

Ben Wilson

Ben Wilson (DAC '86) served on the Council of Governors from July 2014 as an appointment of the Council of the Anglican Diocese of Adelaide until his retirement in August 2018. Ben served on the Finance Committee May 2011 to July 2017 as its Chairman from October 2014 including the Investment sub-Committee as well as the Audit & Risk Management Committee from March 2015 until September 2016. He is a Foundation Member of the Crossed Keys Society.

Ben attended Saints from 1979 to 1986 and received House Colours in 1986.

Ben will be particularly remembered for his contribution to improving the financial management of the School and its investments.

Staff valette

Emily FitzSimons

Miss Emily FitzSimons joined Saints in 2002. In sixteen years at the School, she gave exceptional service and leadership to the students and staff both within and outside the classroom.

Emily was first appointed as an English teacher in the Senior School and soon became a leading light within the department. In 2006, Emily also took up the role of boarding mentor in School & Allen House as the first ever female member of staff to do so.

She made a significant contribution to the boarders' cultural and culinary experiences, particularly when on weekend duty. In addition, she gave countless hours of academic support, for which the boys and their parents were very grateful.

Within the classroom, Emily is a wonderfully knowledgeable, incredibly well organised and supremely caring English teacher. Her passion for, and knowledge of, literature is outstanding and she has such a truly collegiate approach that her materials and text choices will leave a legacy in the English Faculty for years to come. It is no wonder that her teaching expertise, combined with her gifting in leadership, led to her appointment as Head of the English Faculty in 2009.

Like every good teacher, Emily is seriously committed to extending her own professional capabilities. She courageously took on the challenge of spending almost a year in America to complete a Masters of Applied Positive Psychology. The knowledge she brought back made a significant contribution to the School's goal of ensuring staff embrace student wellbeing in their daily work.

Emily was appointed to the role of Director of Learning & Teaching Excellence in 2015. In 2016, she oversaw the commencement of the Middle Years structure in the Senior School, with its focus on excellent teaching, in the newly refurbished flexible learning spaces of the Pentreath Building and innovative project based learning. Emily's drive to ensure the Middle Years' students received the very best education possible was inspiring.

As a senior English teacher, Emily has always been a model for dedication to supporting student learning. She proffered countless hours to the drafting and reviewing of student work, with a regular stream of senior English students appearing at her office.

Evidence of her passion for literature and her desire to impart it to her students was the care she took in helping them develop their abilities in critical thinking and written expression. Emily rightly took great pride in ensuring that both the International Baccalaureate and the SACE English programs were tailored to best suit the needs of the School's students.

Emily was equally as passionate about developing the students' spoken word ability and readily gave time to any student seeking help in preparing for public speaking events and competitions.

Emily's legacy in co-curricular activities is also substantial. For many seasons, she devoted significant time to support students in debating, mooting, tennis and water polo. On numerous occasions, Emily arranged for old scholars and friends of the School to provide expert support for our students in their mooting. With Emily's leadership,

the mooting team reached the state finals on more than one occasion. In the words of former Captain of Mooting, John Bouras, 'It can be said with great confidence, that without the help of Miss FitzSimons, the Saints team would not have achieved the success it did in the 2015 season.'

In administration, Emily stayed true to her passion for the written word by ensuring official documentation was easily understood, sensible and clearly presented. Such was her attention to detail and dedication to her work, that she reviewed and updated numerous policies and procedures.

In chairing meetings, as well as bringing her usual efficiency, Emily always ensured they were positive experiences aiming to bring out the best in others.

Emily brought her sharp mind, love of learning and determination to achieve success to all endeavours and is remembered for her genuine care for colleagues. We thank her for the substantial part she played in teaching and leading at Saints over sixteen years.

Sam Cheesman
Acting Director of Learning and Teaching Excellence

Staff valete

David Hine

With over forty years as an educator—thirty three of those as a Head of a Junior School— Mr David Hine's career was well established before joining Saints in 2011. David had previously held senior leadership positions at a variety of prestigious colleges across Australia. His passion, dedication and commitment to the School, boys, staff and community have ensured that continued growth of programs and enrolments have been a key feature of his eight years as the Head of the Junior School.

David's extensive experience with independent schools coupled with his theoretical and practical framework for understanding boys and their potential learning needs helped guide his ideals in developing the Junior School to one of the leading independent junior schools in the state.

David has high expectations of, not just the boys and the staff, but also of himself. His unwavering commitment to raising the bar has meant that all members of the Junior School community have tirelessly worked towards continual improvement.

During his time at Saints, David was instrumental in developing a number of initiatives in the Junior School. David's passion for reading and his belief that reading is central to the potential progress for learners, saw him introduce the Timed Precision Reading program to boys from Year 1 to Year 6. He was committed to the development of both reading speed and accuracy.

David has always been interested in tracking the data of our students

to ensure appropriate progress was made. He was keen to track individual students from the beginning, hence introducing the Performance Indicators in Primary Schools (PIPS) testing to our Reception boys. These literacy and numeracy tests were administered to gain baseline data of students who have just entered their primary schooling.

Under David's leadership, the robotics program in the Junior School has flourished. His commitment to the boys and the staff to create a world class program was evident this year with our student success in a number of robotics tournaments.

Another popular initiative has been the implementation of The Mind Lab. His understanding of gameplay, reasoning and logic as being important to the development of character has enabled this curriculum and co-curricular activity to become an incredibly popular choice for our students.

David was a strong advocate for the redevelopment of the Junior School playground, which now offers an amazing play space, designed to excite, challenge and promote imagination.

From the outset, David was a strong supporter of positive psychology and its benefits. His values closely aligned with development of the character strengths program for our boys— focusing on the fact that children have strengths that need to be nurtured and utilised.

We will miss David's leadership, guidance, passion, enthusiasm and sense of humour. But David leaves us with the knowledge that the Junior School is a better place

and that his unwavering commitment for our boys to develop a sense of gratitude, respect and manners has created an environment in which they can feel safe to be themselves. Thank you for all that you have done for us as a leadership team, educational institution and community.

We wish you every blessing for your future.

Sheryle Yorston, Ceri Slinger and
David Kolpak
Junior School Leadership Team

Walter Barbieri

Mr Walter Barbieri's service and dedication to St Peter's College was one that cannot be underestimated. He was a dedicated and respected teacher of English and Italian, imparting an incredible depth of knowledge to the classroom and an infectious enthusiasm for both of these subjects.

Walter held several roles at Saints including Head of the English Faculty, Italian Teacher and Director of eLearning, as well as being a passionate coach of the Second XI Soccer Team (although, he always called it football...)

Recognised as an innovator, Walter is an Apple Distinguished Educator. He brought his love of IT into the classroom, using a variety of different apps, devices and programs to enhance the students' learning experience. Walter was always on the lookout for the next big, groundbreaking idea, which is just one of the traits that made him inspiring in his classroom approaches. Additionally, he was brilliant at conveying and demonstrating ideas to the department meetings and his English teaching colleagues.

As Director of eLearning, Walter was the driving force behind the School's IT programs, working on the development of Keystone and The Learning Curve. Not stopping there, he spent many hours developing the skills of other staff in areas such as ebooks, OneNote plus other beneficial software and learning platforms.

Walter will be very much missed by the English Department but I have no doubt that our loss is The University of Adelaide's gain and that some of our students may well be lucky enough to meet him in his new incarnation as a lecturer in the future.

Glyn Roberts
Head of English

Kate Robertson

Ms Kate Robertson joined St Peter's College in Term 3, 2015 as Chief Advancement Officer and as a member of the Senior Leadership Team. She came with considerable fundraising, alumni and community engagement experience in both the UK and Australia across higher education and the arts.

The need to grow and diversify the School's community engagement activities saw Kate tasked with resourcing and overseeing an advancement portfolio including development, alumni, community relations, admissions, archives and marketing and communications functions. Every member in her department will attest that she did an incredible job of bringing together these individual units into a cohesive element.

During her two and a half year tenure, she supported greater accessibility to meritorious boys, regardless of circumstance and scholarships became more focused on students in need. She introduced the Scholarship Circle initiative where like minded individuals could pool together pledges to achieve transformational impact. Under her leadership, the St Peter's College Foundation awarded its inaugural scholarship to the first recipient and donation income reached new levels, which notably exceeded the previous twelve years.

Kate undertook a major governance project, which brought together various community groups as formally constituted branches of the St Peter's College Foundation. This provided the framework for compliance improvement, greater accountability and a cohesive approach to philanthropy across the School.

Furthermore, she delivered significant improvements in marketing and communications including a new website and oversaw enriched connectivity with old scholars, increased subscription rates and improved alumni data records.

Kate was enthusiastic about the School's archive collection and its storage needs. She championed the 170th anniversary museum exhibition, which attracted and engaged numerous community members, donors and old scholars.

Kate has made a lasting impression at Saints. Her strengths lie in her commitment to building relationships, championing fairness and fostering a culture of giving and believed that philanthropy and volunteerism should be visible through every layer of the community. Her character is a delightful combination of poise, determination and empathy, which makes her a natural mentor.

I speak for many of us when saying that Kate will be sorely missed. I have learned a great deal from her style of leadership and her constant quest to listen, understand, improve and build. We wish Kate the very best success in her future endeavours. Wherever she finds herself will, unquestionably, be the richer in benefiting from her integrity and expertise.

Rebecca Foster
Alumni and Community Relations Manager

Staff valete

Frances Zubreckyj

Mrs Frances Zubreckyj joined us from Christian Brothers College in 2013 where she had served in the position of Junior School Principal. She reentered the classroom as a Year 7 teacher bringing with her a wealth of experience and expertise having worked in the Education Department and Catholic Education system for over 30 years.

Frances was a much loved Middle Years mentor and member of both the English and Humanities faculties during her five years at St Peter's College. During this time, she also tutored in the Boarding House, coordinated the Indigenous program and coached Cricket and Debating.

Frances was a House Associate with Alliston-Jones in the Junior School and Woodcock as well as School & Allen in the Senior School.

Frances' impact on the School was felt immediately in the community and will echo for years to come as she viewed each student as if they were her own child. She was firm and set lofty expectations for her pupils but her default was always love and kindness. Frances offered enormous support and encouragement to all her students, regularly going above and beyond to see that both their learning and wellbeing needs were met.

She will be fondly remembered and forever missed.

Mark Coventry
Middle Years Humanities Coordinator

Barbara Sedgley

Ms Barbara Sedgley gave sixteen wonderful years of service to Junior School Music Department.

The Music program in the Junior School made huge developments under her leadership. Over the years, she has ensured that the Junior School and ELC boys use quality instruments, including djembes, Chinese drums and xylophones, which the boys love to play.

Barbara was responsible for introducing the Year 4 Band program, which gives all boys in the year an opportunity to play a band instrument, which many still continue.

Boys enjoyed experiencing singing, dancing and acting in musicals, including *Seussical*, *Man of Steel* and *Joseph*. It was very inspirational to see how skilful she coordinated and engaged the students to work together to produce such wonderful performances.

She was present at every instrumental chamber concert and she loved to see the progress of the boys. She always encouraged boys at these concerts to thank their parents for giving them the opportunity to learn an instrument.

She is known for her energy, drive and enthusiasm plus her organisational and administrative abilities were excellent.

Barbara will enjoy having time to be with her family and time to travel.

Sam Howes
Strings Coordinator
Katie Carey
Music Teacher

Raelene Schar

Ms Raelene Schar has been a valued member of the Miller Library staff since starting in 2007 as the Library Services Officer.

As Database Manager, she played a pivotal role in the change to the new Oliver library management system. Raelene oversaw the transformation project of the Middle Year's collection from hard copy to ebook format, which proved popular with the students. She was also responsible for the maintenance and development of the rare books and special collections which have subsequently grown under her guidance.

In addition to her library duties, Raelene was the Debating Coordinator for seven years. Not only did Raelene possess extensive knowledge about the debating process but her organisational skills were an asset to the School and the South Australian Debating Association. Raelene's passion for debating inspired all those who worked with her, especially the students. During her time as coordinator, she managed to weave debating into the fabric of St Peter's College, growing the activity to include over one hundred boys each year, expanding their education across an array of topics.

The Junior and Senior School libraries would like to wish Raelene all the best for her retirement and the new adventures that lie ahead.

Pat Aller
Head of Library Services

Pegah Seifi

Ms Pegah Seifi joined St Peter's College in May 2016 and has been an integral member of the Keystone Development Team. She has made an enormous contribution to digitising many of our processes and automating many of our daily tasks. Her dedication to her role and in assisting everyone with the automation process has produced some exceptional applications, time efficiencies and solutions for all of staff, students and parents. Thanks to her efforts, our data and databases are thorough, organised and functional.

Pegah always undertook her job with a passion and is incredibly kind. She is known for always being willing to help others and no task was ever too hard or burdensome.

One of Pegah's biggest contributions has been all the various and useful reports she has created and produced for Learning and Teaching (Analytics), student destinations and results, sports and co-curricular, advancement, marketing, admissions, financial services and many more.

We will miss Pegah's common sense, logic and mathematical abilities but we are confident that in her new role as a Senior Data Analyst Consultant with ASG Group, she will offer those same wonderful traits and we wish her the best.

John Cosenza
Head of ICT

Nathan McWilliams

Mr Nathan McWilliams commenced at Saints in July 2011. He was part of the IT Services Team for almost seven years and made a significant contribution to both the Keystone Support Team whilst supporting all staff, students and parents with their technology needs. Since joining Saints, Nathan managed to close a whopping 10 849 requests in total (which is a team record) and is a testament to the many individuals he supported over the years.

Nathan was an important part of our technology journey at Saints. He supported the introduction of the School's one to one program, the transition to Apple, Keystone requests and many other solutions over the years.

Nathan provided support in both the Junior and Senior School and was always open to supporting new and different technologies. He was the best person to ask about any new gadgets or technologies and was especially helpful when troubleshooting an Android phone!

Nathan's contribution to the School and community is very much appreciated. We would like to wish Nathan all the very best for the future.

John Cosenza
Head of ICT

Michael Salter

Mr Michael Salter joined St Peter's College in 2017 as a Mathematics teacher.

He is a talented mathematician who is able to capture the interest of all students, regardless of their ability. Michael has creative and innovative teaching practices which he has openly shared with members of the faculty. He is passionate about creating opportunities where students are able to question, apply and truly understand how mathematical constructs work. Students have achieved outstanding results in each class for which he has been responsible and thoroughly enjoyed their time working with him.

Additionally, Michael has been responsible for Table Tennis (2017-2018) and the management of this activity has been outstanding. As a mentor of Woodcock House, Michael has provided support, guidance and built positive relationships with his students.

He is, undoubtedly, a man of integrity with a good sense of humour, which is appreciated by all who have the privilege to work with him. Michael will always be a truly valued member of the academic staff at St Peter's College and will be greatly missed by his colleagues and students.

We wish him every success in his move to University Senior College.

Marcus Tickner

In 2008, Marcus Tickner moved to Adelaide from the UK and began teaching Year 5 students at St Peter's College Junior School. He quickly gained a reputation as a hard working, dedicated teacher who was devoted to his class.

When the opportunity to teach Year 7 students arose, he was keen to accept the challenge. Alongside his teaching of the general academic subjects to his class, he specialised in teaching Science, Civics and Citizenship.

In 2016, Marcus accepted the role as class mentor and Head of English in the Middle Years program within the Pentreath Building, where he taught English to Year 7 and 8 students, as well as Mathematics and Positive Education.

After eleven years in Adelaide, he returned to his home in the UK. We are thankful for his contribution to St Peter's College and congratulate him on his appointment at St Swithun's School as the Head of English from Reception to Year 6.

Andy Payne
Senior School Teacher

Kathy Simpson

Ms Kathy Simpson has spent the past 24 years working at St Peter's College, contributing in many valuable ways to the learning of hundreds of boys. She has been a strong advocate for boys with additional needs, supporting them and their families through their journey in the Junior School.

Kathy draws on her expertise and background as a Special Education Support teacher, family daycare provider and private tutor. Additionally, she has presented workshops and training at Specific Learning Difficulties Association of South Australia.

When Kathy began teaching at the School in 1995, she was the only learning support teacher in the Junior School. Kathy helped start the Learning and Assistance Program in 1996 and for several years she ran a four week evening course to help parents further understand their child's educational development. Kathy stepped down from her coordinator role in 2011 proceeded to develop our Early Literacy Intervention Program (ELIP).

Additionally, Kathy managed Tennis, Soccer and Basketball Teams, as well as helped with the Year 3 Skills program and her work as part of the Junior School Social Committee was tireless.

Kathy is an exceptional educator and she will be greatly missed.

David Hind
Head of Junior School

Joseph Mangong

Mr Joseph Mangong joined the Grounds and Maintenance Team in 2011 as a general hand. He has been a great team member who not only takes a lot of pride in his work but is always willing to help and learn more, extending his skills where he can.

He loved working in the Junior School and the Early Learning Centre. And being a family man with five children, he especially loved Book Week—both participating and observing.

Joseph left Saints to pursue other opportunities and we wish him the best for his future endeavours. He always has a big smile and a quiet nature and he will be greatly missed around the School.

Brenton Till
Property and Facilities Manager

Helen Press

Ms Helen Press commenced in the Junior School in 2011 in the position of Education Support Officer. During her time here, Helen worked predominantly in Reception and Year 1 and 2, providing valuable classroom support in the early years.

Helen will be remembered by boys, staff and parents alike for her tireless work with individuals and small groups, her warm and friendly disposition and sense of humour.

Helen's skills in supporting and encouraging learning were highly valued. Whether it be listening to reading, working with boys on their Hot Words, taking Guided Reading, Mathematics or Funtastics groups. The students were always eager to work with Helen, which is reflective of the positive and reassuring way she fulfilled her role.

Helen's knowledge and organisation of the costume collection and support of preparations for concerts and the annual nativity reenactment will be sorely missed. We wish Helen well as she leaves Saints to spend more time with her family.

Sheryle Yorston
Head of Early Years

Heather Hayden

Ms Heather Hayden took up the role of Daily Organiser in 2014 and she quickly established herself as a diligent and caring coworker. During her four and a half years with the School, she also fulfilled the role of Examinations Coordinator.

As the person responsible for appointing relief teachers each day, Heather developed a keen understanding of the Senior School staff and used her knowledge well in faithful service. Additionally, Heather completed numerous administrative tasks critical to the operation of the Senior School and always did so with graciousness and attention to detail.

She is known for her humour, patience and ability to solve problems under pressure and we wish her the utmost for her future plans.

Sam Cheesman
Acting Director of Learning and
Teaching Excellence

David Threadgold

Mr David Threadgold commenced in 2007 and it was quickly clear that the School had appointed a passionate and knowledgeable teacher. He is a highly skilled Senior School teacher and fascinated with using technology in the classroom.

He immersed himself into co-curricular life and was appointed the First XVIII Head Coach and Drive Team Coach in the Tennis program.

In 2012, David was appointed to the newly created position of Head of Personal Development, in which he oversaw Positive Education, Physical Education and RAVE. David brought through a number of initiatives, including the IB Sports, Exercise and Health Science Course. David is also an Apple Distinguished Educator for his work with technology in developing course content and is known for extending boundaries in new, engaging ways to teach students.

David worked in the Boarding House for a number of years as a mentor and is also a passionate guitarist and was regularly part of the staff band.

In 2018, David took a sabbatical year to work as an Educational Consultant in the United States, where he travelled to schools as part of a school improvement program.

We wish David the best of luck as he embarks on new adventures.

Matthew French
Acting Head of Personal Development

Staff valete

Dan Lehman

Mr Dan Lehman started at Saints as a Groundsman in 1997. He was involved in all aspects of gardening and also trained as a wicket maker, a skill he excelled in.

Dan also took on the role of Relief Caretaker to the Residential Caretaker and in 2000 became full time Residential Caretaker after the departure of the incumbent.

The role involves early morning unlocking and late night lockups; a fairly solitary role as most people are not around as he goes about his business. With the exception of Saturday where he often took on the role of Directional Liaison Officer ensuring visiting teams found the grounds or nearest carpark. In addition, he rounded up missing equipment, school bags and, sometimes, even students themselves.

Dan was also first in line for emergencies and, where he could, he would stem the flow, make safe or arrange repair. Dan kept the School safe with his night patrols, often accompanied by one of the School's resident foxes following him from a distance. He looked after the security guards and the relief caretakers.

Dan left Saints to further his studies and we wish him all the best.

Brenton Till
Property and Facilities Manager

Dale Smith

Mr Dale Smith joined the Grounds and Maintenance Team in 2009 as a gardener.

Dale was our lead gardener and took the garden from its development stage and shaped it into what it is today. He also helped develop the gardens around Memorial Hall and was instrumental in the shaping and maintenance of the hedges and topiary plants in this area.

It's obvious that Dale loves his work and continually seeks out knowledge and better ways of doing everything. His talents also stretched to turf and, when needed, was able to help out preparing wickets.

Dale has left Saints to start his own gardening business and the team wish him all the best success for his new venture.

Brenton Till
Property and Facilities Manager

Alex Smith

Mr Alex Smith joined St Peter's College in 2009 as a Mathematics teacher. He has delivered the International Diploma Higher Level Mathematics, Further Mathematics and Theory of Knowledge for many years with his students achieving outstanding results.

His work as Maths@Saints Coordinator, since 2013, has been invaluable in the development of talented students across all Year levels, as our outstanding results confirm.

As a Year 8 mentor, and more recently in School & Allen House, Mr Smith was an admirable role model, always supporting and building strong positive relationships.

He was also responsible for soccer, tennis, Exploration Society and water polo whilst at Saints and the management of these activities was outstanding.

Alex is more than what he has accomplished whilst being employed at Saints. He is a man of integrity, humour and genuine care for all whom he interacts with. With fellow staff members, he willingly shared his resources, ideas and life experiences. He will always be a truly valued member of the academic staff at St Peter's College and will be greatly missed by his colleagues and students.

We wish him every success in his move to Immanuel College.

Vanessa Gorman
Head of Mathematics

André Ryjoch

An accomplished musician and passionate music educator, André Ryjoch was appointed by Headmaster Tony Shinkfield in 1987 with the specific charter to establish a Bands Program for the School. Then Director of Music, Mr David Byrne and Deputy Headmaster, Mr Ray Stanley, were ardent supporters of the program and the benefits it would bring to the culture at Saints. A large number of bands grew under Andre's guidance from Reception – Year 12, including four Concert Bands and three Big Bands.

André and his bands performed the National Anthem and a sparkling variety of repertoire at Speech Days for over a quarter of a century! His bands gave countless performances, including for the Governor of South Australia, the Archbishop, performances with Australian jazz greats Don Burrows and James Morrison, and won prizes on multiple occasions at the SA Schools Band's Festival.

André helped music take its rightful place in the School, lifting its profile, with numerous interstate music tours. André jumped aboard the Generations of Jazz Festival concept from day 1 and took bands to the competition from 1993 onwards, enjoying frequent success. After 31 years of dedicated service, the School thanks André for all that he has done for music at Saints, and indeed, for the wider community.
