# From the Headmaster

Each year the Magazine celebrates the School and all that we have achieved together. It is a reflection of the times in which we live and the moments we cherish. It is also a particularly special publication for our Year 12s as they graduate from St Peter's College as the Class of 2019.

It is a unique time for our young men as they prepare to embark on the rest of their lives. Saying goodbye to school is an enormous milestone and there are many important traditions at St Peter's College as we farewell the Year 12s. It starts with the House Dinners and a personal acknowledgement of each student. Celebration Day brings staff, students and families together for breakfast followed by a series of events focused on the Year 12s including communion at Chapel, the Valedictory Muster, the beloved and emotional Avenue of Honour. The farewell ends with Speech Day and the Valedictory Dinner.

At each point, there are special moments of reflection, nostalgia and storytelling. The aim is to celebrate the commitment and journey undertaken by each student, along with his family, throughout his schooling life.

It would be remiss of me not to mention the enormous role played by staff at the School. Our teachers work extraordinarily hard to guide students as they seek to discover, push boundaries and understand who they are and the contributions they can make. Thank you for your dedication, passion and boundless enthusiasm. The achievements of our students is a celebration of them and a credit to our staff.

The Magazine is also a celebration of activity across the School from our youngest students in the Early Learning Centre who are starting their journey at St Peter's College, right through to the graduating Class of 2019.

It celebrates our achievements on the stage, in the classroom and on the sporting field. It showcases the highs and documents the lows so that we can record and learn from all that we have done. The Magazine is an important record of the year and I hope it will be treasured by both students and parents for many years to come.

# From the Chapel

God is at the heart of all that exists. If we are attentive, we will hear a call to a deeper awareness of, and a connection with, something greater than ourselves: the Divine. In this respect, the spiritual life and the more general notion of mindfulness are closely connected. The Chapel and worship life of the School are invitations to enter more deeply into the spiritual life. Each week, the challenge is to present the Gospel to the students in an engaging way, which invites them to ponder what they believe and to reflect on life.

A number of students took an important step in their spiritual journey by choosing to be confirmed in the Anglican Church on Tuesday evening 24 September in the Chapel. Adelaide's new Assistant Bishop, Denise Ferguson, presided at the service and confirmed the students.

The confirmation service was preceded by an overnight camp, led by Fr Theo and Rev Ben, down at the School's campsite at Finnis. The boys participated in a number of physical activities, as well as times of study and quiet reflection. Water sports, indoor soccer and an evening campfire were followed by reflections on faith, the Bible, the Church, prayer life, and the Holy Spirit.

In the season of Lent, the School Captains organised another very successful hot cross bun fundraiser, raising funds for the Anglican Board of Mission. This year, they chose to support an Indigenous coeducational institute located in Sydney, named Gawura.

Rev Ben took long service leave in Term 2 and was replaced by the Reverend Stuart Langshaw. He was a welcome pastoral presence in the School, leading Chapel on alternate weeks, taking some Junior School RAVE classes and encouraging everyone.

Part of the School's focus is to give every student a taste of the feasts and symbols of Anglicanism. Some highlights of the School's liturgical year are the celebration of Ash Wednesday, at the start of Lent, and then Holy Week just before Easter. It is a tribute to the culture of respect and courtesy at Saints that the students were so involved in the worship. Many came forward to be anointed with ash on Ash Wednesday and to receive Holy Communion at the Maundy Thursday Eucharist.

The annual Saints' Christmas carol service in St Peter's Cathedral took place on Monday evening 25 November. This was a wonderful expression of music and liturgy.

# From the Deputy Headmaster/ Head of Senior School

I have the privilege of meeting many new and prospective families who are considering Saints for their son's education. Joining these families on their school tours provides opportunity to articulate what it is that makes St Peter's College what it is and the heart of who we are. Inevitably, these conversations include a summary of the extraordinary grounds and facilities. We discuss our outstanding academic culture, broad range of co-curricular offerings, Outdoor Education, the House structure and the Middle Years home in Pentreath.

But the most important message to our prospective families is that Saints is a community. And that at the heart of this community are the people who make it real. Whilst our community is global, it is our staff, students and their families, who give so much of their time and energy every day, that make the School the community that it is.

This year, our community says thank you and goodbye to a number of long serving staff, some of whom have dedicated more than twenty years of their professional lives serving the families of Saints. This is an extraordinary contribution, particularly into today's workplace landscape where modern professionals can expect to have many career changes. And where loyalty to organisations is becoming increasingly a romantic notion from bygone eras.

Peter Warnes (36 years of service), Chris Smyth (34 years), Laurence Humphreys (26 years), Tony Begley (21 years) and Catherine Waldron (17 years) all concluded their stellar service to the School at the end of 2019 and we thank them for their exceptional contributions. These staff have committed an extraordinary amount of professional energy and impacted the lives of countless students, families and colleagues. You leave with our absolute gratitude and our very best wishes for everything that lies ahead for you and your families.

As I depart St Peter's College as a staff member, I take the opportunity to thank the community for the opportunity it afforded me as the Head of Middle Years over the past five years. Supporting the transition of the Year 7 students into the Senior School and working with staff to develop and foster a culture of support for our Middle Years' students, has been a wonderfully rewarding and enjoyable experience.

I look forward to watching the impact of our young graduates in the years to come.

# Year 12 Captain Speech Day Address

Honouring who we are is something we each strive to achieve but may struggle to do. Today marks the last time we'll be together as students of St Peter's College. On this final day, we need to acknowledge each other for our truth, to put aside judgment, competitiveness or resentment.

It was a year ago today that I sat in those very seats in front of me, feeling excited but nervous and scared of what lay ahead. For some of us, Saints has been our home since ELC and for others maybe just two years but what we have each experienced is the incredible mateship that comes with wearing the blue and white striped shirt and the white knee high socks. Saints offers incredible academic resources and the best and most modern facilities but its true offering is the relationships and community that we're able to form. This may be the end of our time as students but this is only the beginning as a graduating class.

Thank you to the parents, grandparents and guardians who worked tirelessly to send us to such an incredible school and for supporting us emotionally as we grew, made errors in judgment, faced stressful times and developed into young men.

Thank you also for giving up your time to support us on the sidelines, whether that was by attending our music concerts, drama performances, sporting fixtures, debating competitions and many other passions. I hope that, through our future actions, we make you proud and bring justice to your selfless act of sending us to St Peter's College.

Thank you to our teachers who inspire us with the drive and passion to exceed in our academic studies. And your constant sacrifices, giving up your lunchtimes and afternoons to ensure that we achieve the best results. It would be naïve to say that you only supply us with academic

knowledge. Particularly in Year 12, we may just be spending more time with you than our own families. So, thank you, also, for the emotional support, banter and negotiated extension dates to ease our minds of stress and fatigue.

I would like to thank each of the Pastoral Care staff, mentors and Heads of House who have been with us on varying schooling journeys.

Thank you to our School Chaplains, Father Theo and Rev Ben. We appreciate your relatability and effort to include current pop culture references to keep us each engaged at services and musters.

Thank you to our formidable School Counsellors, Dr Oliver, Miss Jackman and Ms Alford. How lucky are we to have such an incredible resource to fall back on during our times of self doubt and stress and remind us of our true potential.

Thank you to the grounds and maintenance staff for working all hours to ensure the Holy grass remains Holy. Thank you to our nurses, Glenda, Cate and Ness, to our catering staff and to Connie. Thank you to the Learning Support, Keystone and Library Staff for their hard work, the PE Department and our dedicated sport and extracurricular managers, to the Outdoor Ed Team for our eye opening and character building camps and to all behind the scenes including Ms Cocca and the admin, marketing, admissions, finance and support teams. These unsung heroes collectively ensure that Saints operates at its most efficient level.

I would like to thank Mr Browning, Mr Tamblyn and Mr Hanisch for their guidance and genuine care. Thank you to Ms Patton and Mr Scott for ensuring that we all behave and maintain a fringe which doesn't stoop lower than our eyebrows.

I would like to thank the dedicated prefects, who continuously raised their hands, brought their unique ideas to the table and challenged pre existing beliefs.

And finally, I would like to acknowledge, congratulate and thank the graduating Class of 2019. You are a cohort who worked tirelessly to serve and build upon the foundations of the School. The genuine mateship and pride is what binds us.

From this point forth, we need to be the ones who dictate our path, remain true to our core beliefs and follow the journey in which we desire. Don't be afraid to make mistakes, question your decisions or venture down a path less taken. Be courageous enough to take these risks, acknowledge mistakes and use them to build on your character and become an even greater asset to the community.

We will be bound by blue blood and I urge you to continue supporting each other to ensure that your mates are being the best men they can be. Likewise, don't be afraid to lean on the Saints community when the going gets tough.

I wish each of you the very best for the future and I look forward to sharing how we are all making the world a better place.

Hugo Hart  
School Captain

# Senior School Leaders 2019

The 2019 school prefects began their time in office absolutely superbly, when they were called to duty to assist in giving school tours during open morning. Immediately it became clear that this group were a collective of honest and dependable young men, who were courteous, polite and inclusive in their dealings with others. This theme continued through the year as the prefects went out of their way to spend time with the Middle Years' students and showed genuine interest in them.

From one of the first meetings, the need for leaders to be courageous and authentic was discussed. This is one of the most challenging aspects for a young man when it comes to leading his peers. It is hard to speak to your mate and ask him to pull into line if he is behaving poorly. But student leadership is a great opportunity to learn about being a leader, what type of leader you may be and what aspects you may need to work on through the rest of your leadership journey, far beyond Year 12.

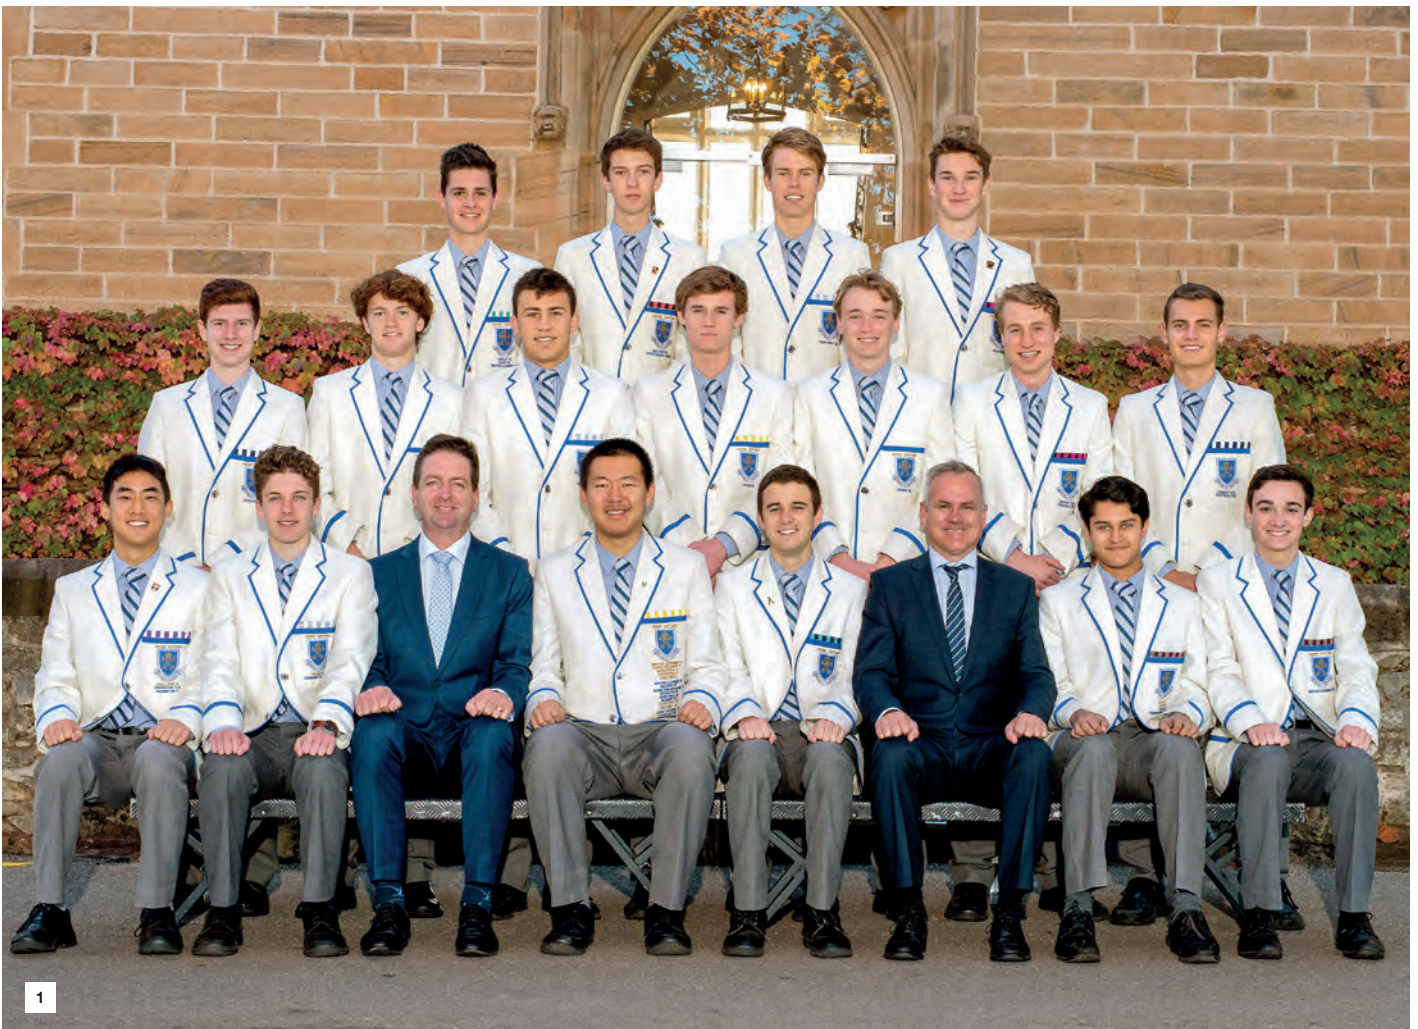

I was impressed with how our leaders were willing to learn and share ideas and strategies with each other. Throughout the year the prefects organised many events and united their Houses at Pyramid of Cans, Swimming Carnival, Sports Day and Community Day. There have also been many new initiatives introduced by our School Captain. A special mention to the Bullying Committee and the introduction of the first Wear it Purple Day to promote inclusivity amongst the LGBTQI+ community.

I must give a special mention to the 2019 School Captain and Vice Captain, Hugo Hart (Year 13) and David Quan (Year 13). Both of these fine young men were incredibly well grounded. They made a concerted effort to be visible in the Senior School as well as the Junior School. I know the staff and students of the School were very appreciative of their gentle nature, thorough organisation, and down to earth approach to leadership.

Thank you to Hugo and David for the mark they have left on our School.

Da Costa; 2017 - 2019; SACE; 2019 A Grenfell Price Prize for Geography Studies, Football (Third XVIII), Tennis (Senior B), 2018 Bowman Scholarship Prize for Geography, Football (Third XVIII), Tennis (Senior B), Debating (Senior B)

### Adan Taat

School & Allen; 2014 - 2019; SACE; 2019 Basketball (Open C), Reconciliation Committee, 2018 Basketball (Open B), Cricket (Third XI/Fourth XI), Reconciliation Committee

### Cooper Silby

Da Costa; 2015 - 2019; SACE; 2019 House Vice Captain, Da Costa House Jack Klemich All-Rounder Award (Recipient), Hockey (Colours), Hockey (Co-Vice Captain), Sailing Team (Symbols), Sailing Team (Vice Captain), Squash (Division 2), AV Society, 2018 Service Learning (Blue Certificate), Sony Foundation Children's Camp, Badminton (Senior C), Hockey (First XI), Sailing Team (Team Captain) (Member), Squash (Division 2)

### Blake Tamiaans

Short; 2007 - 2019; SACE; 2019 Badminton (Open B), Soccer (Third XI), Squash (Division 2), Volleyball (Open B), 2018 Badminton (Open C), Soccer (Third XI), Squash (Division 2), Volleyball (Open C)

### Harrison Silcock

Young; 2010 - 2019; SACE; 2019 Football (Second/Third XVIII), 2018 Service Learning (First XVIII Football - water boy) (Blue Certificate), Cricket (Third XI), Football (Third XVIII), Water Polo (Open B/C)

### Dihan Tang

Howard; 2014 - 2019; SACE; 2019 AMT Australian Mathematics Competition (Year 12) (Distinction), Badminton (Symbols), Badminton (Open A), Soccer (Open B), Debating (Intermediate A), 2018 Prankerd Scholarship Prize for Chinese, House Colours, AMT Australian Mathematics Competition (Year 11) (Distinction), Badminton (Symbols), Badminton (Open A), Soccer (Third XI), Debating (Intermediate A)

### Adam Slimming

Howard; 2009 - 2019; SACE; 2019 Old Collegians Physical Education Prize, Soccer (Symbols), Soccer (First XI) Captain, UK Soccer Tour (Soccer First XI), 2018 Athletics/Interclub, Athletics/Interclub (Symbols), Best Player in the Intercollegiate Soccer Game, JF Roe Cup for the Player of the year in the First XI Soccer, Soccer (Colours), Soccer (First XI - SAAS Champions)

# Year 12 Valetes

## Harrison Tennant

Hawkes; 2014 - 2019; SACE; 2019 School Prefect, House Captain, D E Genders Prize for English (IB), Old Collegians Art Prize (IB), Old Collegians Biology Prize (IB), Hawkes House M W Bednall Prize - Senior (Recipient), Soccer (Symbols), Soccer (Second XI (Open A North)), Water Polo (Open B), Senior Rock Band, German Society, 2018 J W Downer Scholarship, House Colours, Service Learning (Blue Certificate), Service Learning (White Certificate), Soccer (Symbols), Soccer (First XI - SAAS Champions) , Water Polo (Open B)

## Hardy Tesseyman

School & Allen; 2010 - 2019; SACE; 2019 Rugby (Symbols), Rugby (First XV), 2018 Rugby (Under 16/First XV)

## William Thompson

Hawkes; 2010 - 2019; SACE; 2019 Charles Gillham Memorial Prize for Physics (IB), JS Thomson Prize for Chemistry (IB), LAG Symons Prize for Mathematics (IB), AMT Australian Mathematics Competition (Year 12) (Distinction), Badminton (Symbols), Badminton (Open A), Soccer (Second XI (Open A North)), Flute Choir, Senior Concert Band (Symbols), 2018 House Colours, AMT Australian Mathematics Competition (Year 11) (High Distinction), Service Learning (White Certificate), Badminton (Senior B), Soccer (Third XI), Flute Choir, Senior Concert Band (Colours), European Science Tour

## William Trotman-Dickenson

Howard; 2014 - 2019; SACE; 2019 School Prefect, House Captain, Howard House Service Prize (Year 12) (Recipient), Basketball (Senior 2B), Drama Production (Hamlet), 2018 House Colours, Service Learning (Blue Certificate), Service Learning (Gold Certificate), Service Learning (White Certificate), Athletics/ Interclub, Athletics/Interclub (Symbols), Basketball (Open B), Public Speaking

## Will Varga

Farr; 2015 - 2019; SACE; 2019 Big Band (Symbols), Generations in Jazz, Orchestra (Colours), String Orchestra, 2018 House Colours, Badminton (Senior B), Pedal Prix, Pedal Prix (Symbols), Big Band (Colours), Generations in Jazz, Orchestra (Symbols), String Orchestra

## Jordan Vidale

Hawkes; 2010 - 2019; SACE; 2019 Soccer (First XI), Tournament of Minds, 2018 Soccer (First XI)

## Harry Vincent

School & Allen; 2017 - 2019; SACE; 2019 House Vice Captain, School & Allen House Adam Millar Dixon Memorial Award, Football (Symbols), Football (First XVIII), Tennis (Senior A), 2018 School & Allen House Brian Tenant Swift Bursary, Football (First XVIII), Tennis (Senior A)

## Alexander Wakeham

Woodcock; 2008 - 2019; SACE; 2019 House Vice Captain, Woodcock House Bungee Prize (Year 12) (Recipient), Rugby (Symbols), Rugby (First XV), Exploration Society, 2018 House Colours, Service Learning (White Certificate), Sony Foundation Children's Camp, Cricket (Second XI)

## Thomas Ware

Short; 2018 - 2019; SACE; 2018 Elix Scholarship, Athletics/Interclub, Boat Club (Member), Football (Third XVIII)

## William Warrick

Howard; 2015 - 2019; SACE; 2019 School Prefect, Cricket (Symbols), Cricket (First XI), Football Captain, Football (Symbols), England Cricket Tour, 2018 House Colours, AMT Australian Mathematics Competition (Year 11) (Credit), Service Learning (Blue Certificate), Service Learning (Gold Certificate), Achilles Cup, Cricket (Symbols), Cricket (First XI) (Vice Captain), Football (Symbols), Football (First XVIII), Webb Cricket Trophy for Fielding

### Timothy Weir

School & Allen; 2015 - 2019; SACE; 2019 House Colours, Sacristan, Rugby (Symbols), Rugby (First XV), 2018 School & Allen House Jamie Summers Memorial Prize (Year 11), Sacristan, Service Learning (White Certificate), Sony Foundation Children's Camp, Rugby (Under 16), Debating (Senior B)

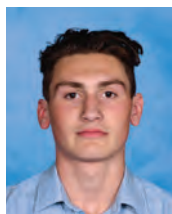

### Luca Wilson

Woodcock; 2014 - 2019; SACE; 2019 Football (Second XVIII), Rowing (Second VIII), 2018 Boat Club (Member), Football (Second XVIII), Rowing (Second VIII)

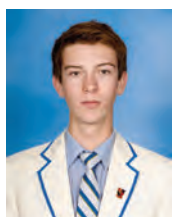

### Wenbo Wu

Da Costa; 2014 - 2019; IB; 2019 Badminton (Open C), Basketball (Senior 3B), Generations in Jazz, Debating (Senior A), Chinese Society (Co-Captain), 2018 AMT Australian Mathematics Competition (Year 11) (Credit), Service Learning (Blue Certificate), Sony Foundation Children's Camp, Basketball (Senior C), Sailing Team (Member), Generations in Jazz, Stage Band, Debating (Senior B)

### Oscar Wynne-Jones

Farrell; 2015 - 2019; SACE; 2019 Rugby (First XV), 2018 Service Learning (White Certificate), Fairs Cup for Most Valuable Player in First XV Rugby, Rugby (Colours), Rugby (First XV), Chess

### George Young

Young; 2010 - 2019; SACE; 2019 School Prefect, House Prefect, Old Collegians Chinese B Prize (IB), Young House Ella Roe Prize (Year 12) (Recipient), Sailing Team Captain, Sailing Team (Symbols), Big Band (Colours), Generations in Jazz, Improvisational Ensemble, Music Leader (Vice Captain), Saxophone Quartet, Senior Concert Band Captain, Chinese Society, 2018 House Colours, Young House Basedow Prize (Year 11), Boat Club Member, Rowing (Second IV), Sailing Team (Team Captain) (Member), Soccer (Second XI), Big Band (Symbols), Generations in Jazz, Saxophone Quartet, Senior Concert Band (Symbols), Stage Band, Exploration Society

### James Zecevic

Woodcock; 2005 - 2019; SACE; 2018 Table Tennis (Open B), Tennis (Senior C), 2017 AMT Australian Mathematics Competition (Year 10), Table Tennis (Senior B), Tennis (Senior C)

### Zhuo Ting Zhang

Young; 2017 - 2019; SACE; 2019 Table Tennis (Open B), 2018 Badminton (Senior C), Table Tennis (Open B)

### Brian Zhao

Da Costa; 2015 - 2019; SACE; 2019 Badminton (Open C), Rugby (First XV), 2018 Badminton (Open B), Rugby (First XV), Debating (Senior B)

### Eric Zhou

Farrell; 2015 - 2019; SACE; 2019 School Prefect, House Captain, Farrell House G M & D H Steele Memorial Prize (Year 12) (Recipient), AMT Australian Mathematics Competition (Year 12) (High Distinction), Badminton (Co-Vice Captain), Badminton (Symbols), Basketball (Senior 2B), Pedal Prix Captain, Pedal Prix (Colours), Orchestra, String Orchestra, Maths@Saints, 2018 Denton Scholarship Prize for Economics, AMT Australian Mathematics Competition (Year 11) (Distinction), Badminton (Symbols), Badminton (Open A), Basketball (Senior B), Pedal Prix (Colours), Pedal Prix (Vice Captain), Orchestra (Symbols), Mathematical Society, European Science Tour

### John Zhu

Short; 2014 - 2019; SACE; 2019 House Prefect, House Colours, Badminton (Co-Vice Captain), Badminton (Symbols), 2018 House Colours, Short House Bill Bullock Memorial Prize (Year 11), AMT Australian Mathematics Competition (Year 11) (Distinction), Service Learning (Symbols), Badminton (Symbols), Badminton (Open A), Basketball (Senior B), Debating (Senior B)

# Celebration Day Breakfast

# Guard of Honour

# Blue and White

# Careers Evening

The Careers Evening continues to be an integral part of the Careers program at Saints and is an important event on the School's calendar.

Our 20th event, held on 18 March this year, attracted over 330 boys and parents to hear presenters from 40 career areas. These presenters included apprenticeship agencies, old scholars, current and former parents, university staff and entrepreneurs. It was particularly pleasing to see some new careers represented for the first time, especially in the technology and performing arts space.

The benefits for the boys who attend are significant. For the Year 10 students, this is a particularly important exercise as it is linked to the learning undertaken in the compulsory SACE subject — Personal Learning Plan — and helps them select their subjects for Year 11.

The night received fantastic support from the St Peter's Collegians' Association and in particular from Mrs Annie Bawden.

Mr Cameron Hromin  
Assistant Careers Counsellor

# SPOC New Members BBQ

St Peter's Old Collegians (SPOC) congratulates the class of 2019 for all that you have achieved during your time at Saints. You are now a part of one of the oldest and largest old scholar communities in Australia and our diverse community provides a lifelong link to the School and to each other. The Association is committed to providing a support network for old scholars and dedicated to enriching the School. The spirit of Saints is celebrated and upheld in the old scholar community through reunions, networking events and sporting activities.

In October, St Peter's Old Collegians hosted a BBQ for outgoing Year 12s to welcome them to the age of old scholars. SPOC Committee members and SPOC Sporting Club representatives prepared a lunch-time sausage sizzle for the boys on the lawns next to Main Oval. The gathering provided an opportunity for students to meet with members of the old scholar community and explore the wide range of SPOC sporting clubs on offer for old scholars to join.

St Peter's Old Collegians Chairman, Jonathan Bowden (YNG '03) and Mr James Tamblin (HWD '92) shared their own experiences as members of the old scholar community and encouraged students to get involved in the Association.

Mrs Annie Bawden  
Events & Administration Manager, SPOC

# Year 7-11 Speech Day

# Middle Years Reports

# Year 8 Report

Year 8 was the second year in the School's Middle Years program for most boys and allowed them to consolidate many skills around independence and organisation.

The year began with camp lead in days at Finnis which allowed classes to bond, as well as learn essential Outdoor Education skills. The boys participated in Community Day on the final Saturday of Term 1 before setting off for the Grampians for their six day Pushing the Boundaries journey.

There was a smorgasbord of opportunities for the Year 8 students to get involved in across the year, ranging from Book Week competitions to Sports Week activities. The boys continued to enjoy their involvement in House based events such as Summer House Sports Day, Athletics and Swimming Carnivals, House Dinners, Battle of the Bands and Pyramid of Cans. A number of Year 8 students also played key roles in the Junior School play *The Snow*.

Following the success of the Healthy Relationships and Sexuality Education program last year, the Year 8 cohort were again involved in a series of engaging workshops before finishing the year with a Co-education Day with St Peter's Girls and Walford Anglican School as well as an activities day.

Mr Michael Gilmore  
Year 8 Coordinator

**1** Junior House Cross Country. **2** Bingqi An wins the Year 8 Public Speaking competition with David Griggs and Ed Pegge. **3** Thomas Browning, Daniel Spiby, Toby McCallum and Jake Gill enjoying Da Costa House Dinner. **4** Henry Nitschke hits out at Summer House Sports.

# Year 7 Report

The first year of Senior School is initially fraught with a lot of nerves and a great deal of excitement. There are new friends to make, teachers to meet and buildings, classrooms, facilities, subjects and routines to discover. This year's cohort settled quickly and embraced the opportunities presented to them with open arms.

Besides immersing themselves in a rich academic program, the boys enjoyed a variety of extra activities to enhance their learning. They took part in the Night of the Notables, two outdoor education experiences, a range of House activities, a rocket powered car event, creating a class Mesopotamian ancient civilisation (using Minecraft), designing personalised narratives for their Junior School buddies and some even participated in *The Snow*; a Junior School play.

The students also thrived on the co-curricular opportunities on offer including a variety of sports, an abundance of musical groups and performances, art and drama clubs, speeches, chess and debating.

This year, the Year 7 cohort have fully participated in all opportunities to the best of their ability. They have embraced the Middle Years' program and are entering Year 8 equipped with the skills to thrive.

Mr Nicholas Crawley  
Year 7 Coordinator

**1** Bilal Shahin, Brayden Sims, Sid Hissaria and Dr Hamish McTernan working on a molecular gastronomy experiment in Science. **2** Oliver Hamilton, Josh Ledger, Harvey Ledger and Clancy Vincent making Chinese lanterns. **3** Year 7 boys from Hawkes House at their House Dinner. **4** Year 7 boys, led by Henry Xenophou, running in the House Cross Country event. **5** Boys from mentor class 7NJC testing the rocket-powered cars they built in Science.

# Sir George Murray Shield

1

The Sir George Murray Shield was first awarded in 1929 to the House which does the best in schoolwork. The award was based on the boys' cumulative performance in examinations and class rankings. It was awarded every year until the early 1970s when Short House were victorious.

In 2007, the shield was reintroduced but an alternative set of criteria are now applied. The shield acts as the interhouse shield and points are awarded based on performance, participation and service.

In 2019, Woodcock House was the eventual winner in what was a tight contest. The House was competitive across all sports and activities and the boys consistently performed to the best of their ability. This is the third occasion in the past five years that Woodcock House has won the shield.

Highlights were the performances in both the Athletics Carnival and Swimming Carnival. Both our Junior and Senior House Teams have maintained a great level of spirit

and passion in their competitions and they have been fine ambassadors for the House.

Daniel Cardone  
Head of Woodcock House

1 Alex Wakeham and Oliver Cobain presented with the Sir George Murray Shield.

# Senior School House Reports

# Da Costa House Report

One of the greatest aspects of our student life here at Saints is the House culture driven by our elected leaders and the support and guidance we gain from the Heads of House and mentors.

Da Costa students truly embody the characteristics of determination, accountability and cooperation evident across all of our House activities. The Swimming and Athletics Carnivals, in particular, showcase the diverse range of athletes our House has to offer and a high degree of service which the boys gave. It was great to see all the Da Costa boys demonstrate teamwork, commitment and camaraderie, to uphold the House culture, by competing in significantly more heats than most other houses.

Da Costa excelled in the pool this year winning the Swimming Carnival in Term 2 and the House Water Polo, on Summer Sports Day, in Term 4. Our only other outright victory was in Touch Football but Da Costa consistently finished in the top half in most competitions. As a result, Da

Costa finished in a convincing overall third position in the Sir George Murray Shield and with fewer key injuries on Athletics Carnival Day, would undoubtedly have challenged for top spot.

Success should also be accredited to the parents and friends of Da Costa House, who helped raise a significant amount of money (\$4000) for our House charities: The Violet Foundation and Huntington's Disease research.

The end of 2019 saw the departure of some key members of the Da Costa community. Mr Inman, our Head of House for the past five years, has stepped down to take up the position of Head of Wellbeing. Mr Geraghty enters the role of Head of House in 2020 and I am sure he will continue the success he had with other Houses. In addition to Mr Inman, Mr Warnes and Mrs Aller also depart the House after numerous years of service. Their ongoing support and wise mentorship have helped develop hundreds of Da Costa students across the years and shaped them from young boys into gentlemen.

Da Costa's successes in 2019 were partly due to the cohesiveness of the student leadership team of Tom Spiby (Year 12), Cooper Silby (Year 12), Will Seaton (Year 12), Charlie Dowling (Year 12), Will Golding (Year 12) and Jack Kelsh (Year 12). We achieved our goals of all-round participation and inclusivity, especially with the Middle Years students.

It has been an absolute pleasure leading Da Costa House this year.

**Thomas Spiby**  
Da Costa House Captain 2019

**1** Charlie Dowling (Year 12). **2** Playing cricket for Da Costa. **3** Volleyball with Mitch Nikitins (Year 11), Bill Sinclair (Year 11), Riley van Roekel (Year 11) and Nic Michaels (Year 11). **4** James Gasparin (Year 7), Sam Upton (Year 11) at Da Costa House dinner. **5** Thomas Spiby (Year 12) playing guitar.

# Farr House Report

A new focus on House participation and a greater emphasis on involvement from all students helped Farr's success, placing first in Pyramid of Cans and a close second place in Battle of the Bands.

Battle of the Bands is an important event, raising money and awareness for Beyond Blue. This year it was very exciting because for the first time we had professional sound and light to showcase the incredible talent of our musicians. We were also treated to a performance by the School Rock Band and two staff bands to showcase the work of the Music department.

Pyramid of Cans is an important initiative where we contributed more than 1300 cans to support Anglicare and disadvantaged community members. Additionally, the Farr House Games run every Friday by Hugo Bowyer was an initiative supported by our Middle Years' boys and created an important link between our older and younger boys, enhancing our community focused culture.

Community Day was a special event with the Farr House students, parents and community members joining to support boys in their games. Farr was also successful in this year's House Cross Country with 49 boys participating, placing third in Seniors and fifth in Juniors. Farr was incredibly successful in the Athletics Carnival with three boys taking out Age Champions.

A massive congratulations to Aidan Murphy (Year 12), Jonathan Harris (Year 9) and Josh Moro (Year 7) who shared the Tony Keynes Medal for setting records at this year's Achilles Cup, a massive achievement and a true testament to their hard work and dedication. Well done to my peers, Josh Dunstan (Year 12) and Harry Sclater (Year 12) who rowed in the First VIII where we were successful in retaining the Blackmore Intercol Shield. In addition, well done to Brandon Seeto (Year 11) who played in the School Drive Team and Jacob Davey (Year 12) for playing First Rugby.

Furthermore, Farr was victorious in the House Debating competition as the negative side against Farrell, debating whether students should be allowed to strike during school hours.

Farr's musical talent and prowess were clearly evident with Henry Allen (Year 12) and Kush Goyal (Year 12) elected as Co-Captains of Music and Josh Dunstan and Will Varga (Year 12) awarded Co-Vice Captains of Music. The representation of Farr in many co-curricular programs is incredibly important to the School as a whole and is a testament to the range of interests and talents which we embrace.

Tim Prince  
Farr House Captain 2019

- 1 Matthew Zappia and Eton Williams on the Cambodia Tour.
- 2 Winning the House Debating final.
- 3 Competing at Athletics Day.
- 4 Winning the Pyramid of Cans.
- 5 House Cross Country.
- 6 Paul Karytinios at Athletics Day.

Absent: David Beswick, Joseph Beswick, Jeremy Harding, Aiden Juma, Samuel Robran, Xavier van Oijen, Mrs Irene Castrechini-Sutton

# Farrell House Report

Farrell House enjoyed another successful year. The first major House event of the year was Community Day, which saw the boys face off against other Houses in a number of winter sports. It was a great opportunity for the boys and their families to enjoy each other's company in the Da Costa Dining Hall. The day went smoothly, thanks to the help of the Year 12 parents.

The next major event for the year was the Swimming Carnival, where the boys competed fiercely to finish fourth and first in the Senior and Junior category respectively. Contributions from Darcy Tsamaidis (Year 11) under 16 champion and Will Disney (Year 7) under 13 runner up were exceptional. The Open 6 x 50m Freestyle Relay Team rounded out the day on a high by breaking the School record.

During the Pyramid of Cans, the boys created a structure using the theme of 1970s. The creative minds of Mr Fabbro and Mrs Heim helped the boys design a disco themed artwork. The hundreds of cans collected were then donated to the

Anglican Mission. The House donated a further \$2200 to the Women's and Children's Hospital, the Motor Neurone Disease Association of SA and Nick Burr (Year 10) and Jeremy Beale's (Year 10) participation in Relay for Life.

Battle of the Bands saw a revamp this year, restricting each House to only one band. The Farrell House band saw unprecedented participation, with 14 boys taking part. Their rendition of Smooth by Carlos Santana saw them take the trophy to spirited applause.

The Farrell House Dinner was another success. The Year 12 video, directed and edited by Shant Becker (Year 12), was humorous and enjoyed by all. A number of older boys attended, a testament to the long-lasting connections formed in the House community.

A successful Summer House Sports Day capped off Farrell's ninety ninth year. The boys took out the Senior Tennis trophy, the Junior Water Polo trophy, as well as the

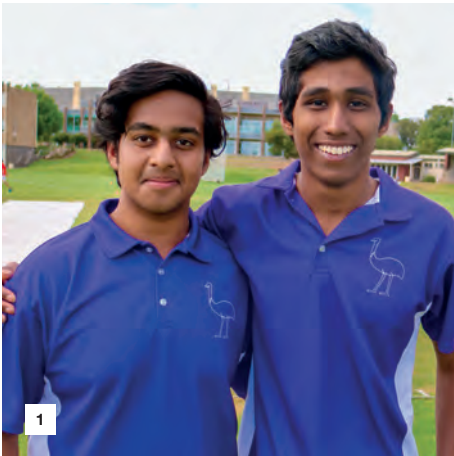

Senior Rowing trophy, in which they broke the Australian record for their age group, a fitting reward for their training and talent.

Thank you to the mentors, Mr Gabb, Mrs Heim, Mr Fabbro, Mrs McCauley and Mr French for their support and involvement. A special thank you to Head of House Mr Alfred Jehle for his unwavering dedication to the House and his genuine care for the boys.

As we look towards Farrell House's one hundredth year, the future looks bright.

# Hawkes House Report

Another successful year has passed in the Hawkes' calendar. It's been our privilege to lead this House and we look forward to what next year's leaders will do with it.

Obviously, with Ms Patton's temporary promotion, we had the appointment of our interim Head of House, Mr Carter, who brought a passion and excitement that has revitalised the House spirit.

The year has had many House events including the Summer House Sports Day, Community Day, Battle of the Bands, Pyramid of Cans, Swimming Carnival and House Chess to name a few. Each event has been memorable and a few have seen Hawkes perform well, like our stunning rendition of Get Lucky by Daft Punk that saw us claim third in Battle of the Bands.

A youthful basketball team under David Quan's (Year 12) experienced leadership also came away with first place in Senior Basketball. We were very happy with the effort put into building our Pac-Man and the number of cans we contributed for Pyramid of Cans.

Hawkes House spirit has been boosted by a new Hawkes footy tipping competition that was introduced by Mr Kube and the battle was fierce with big rewards. The CARE program continued this year, providing pastoral care in year groups instead of normal lessons. However, there is still plenty of interaction within Hawkes House and all levels with a friendly atmosphere.

As our time in the House drew to a close, we held mentor sessions to ask some of the Year 12 group about their time in the House. Everyone reflected positively on their time and the good moments with friends over the years.

As a cohort, we would like to thank our mentors over the last four years: Mr Begley, Mrs Bartz, Ms Flanagan and Mr Crouch, who have been there every day. Whether congratulating or reprimanding, always having a chat and helping us make the most of our time at Saints. We would also like to thank Mr Docwra, Ms Patton and Mr Carter for undertaking Head of House during our

time in Hawkes and the influence they have had on us. Finally, as a cohort, and as a leadership team, we would like to express our thanks to all the boys of Hawkes House, who have made our time truly enjoyable and memorable with their dedication, willingness to participate and positive attitude that they bring to the House.

# Howard House Report

2019 was a highly successful year for Howard House, with the boys having faced a number of challenges, yet left with a number of achievements.

The year began in Term 4 of 2018, with Summer House Sports Day being the first event to contribute House points towards the legendary Sir George Murray Shield. Having narrowly missed out in 2018, the boys were eager to start off the new year strong and reclaim the shield.

The Swimming Carnival was perhaps the event that truly demonstrated the strength of Howard House when the boys came together as one. I witnessed each and every boy, regardless of their swimming ability, selflessly giving up their time to attend swimming trials and gain points for the House. While we did not win every event on the day, the sheer enormity of points created by each boy attending their trials and events put us in close contention for first place, narrowly missing out on the win to Da Costa. Our spirit unbroken, the

camaraderie and sense of community was again displayed during Athletics Carnival, where the House made one final dash for victory. Through hours of athletics trials and a display of determination and grit on the day, we again displayed true strength, pulling off an astonishing victory.

While the House again fell second place to Woodcock for the Sir George Murray Shield by the closest of margins, I could not be prouder of the efforts displayed by each boy throughout the year.

While we may not be the largest House, Howard is nothing without the boys who make up its ranks and their contributions, whether on the field or in the Debating room, were all pivotal in the House being yet again a strong contender for the shield.

The robustness of Howard is what makes the House truly special. Achievements in sport, academics, service and other individual endeavours are all celebrated, creating a tightknit family of

brothers who deeply care about each other and their successes.

I would like to extend my congratulations to the new leadership team who will lead the House into 2020 and I wish them and their cohort the very best. Through their leadership, and the continued support and determination of our family of blue, I am certain Howard House will continue to see great success throughout next year, and years to come through 'deeds not words'.

# MacDermott House Report

MacDermott celebrated its eighty second year as a respected House of the Senior School community, and the boys cherished the wide range of events that took place over the year.

The Summer House Sports Day marked the first event for the 2019 calendar year. The Junior Basketball Team should be congratulated on their efforts despite some close results whereas the Junior Badminton Team took first place.

At the beginning of Term 2, the annual Swimming Carnival showcased the youthful and upcoming talent of MacDermott House. Highly commendable efforts were seen from Archie Young (Year 7), Fraser Balnaves (Year 9), Henry Miller (Year 8), Joshua McDowell (Year 8), Will Rozenbids (Year 8), Aidan Hua (Year 9), Kyle Miller (Year 9), Christopher Kapetanos (Year 12), Angus Miller (Year 11) and Ben Belperio (Year 11) and this highlighted the swimming talent in the House.

The MacDermott House Community Day afforded the boys an opportunity to compete in a winter sport as well

as enjoying a well catered lunch and a generous raffle donated by the families of the House of which the proceeds were forwarded to Catherine House.

The annual Pyramid of Cans saw the creation and destruction of the Berlin Wall, which earned us a closely fought second place. The donations by the boys in the House underpinned the importance of giving back to the community and the culmination of these generous donations will provide the Magdalene Centre with an opportunity to distribute canned goods statewide to those in need.

I commend Jack Royce for his efforts in organising the Battle of the Bands for 2019. The boys' performance of Footloose was a crowd favourite. Similarly, George Karassoulous (Year 12) and his team's efforts in the House Chess competition earned MacDermott first place. A defeat in the House mooting grand final was not a reflection of the quality of the MacDermott team. Many participants from the House helping to analyse the case material should be commended for their efforts.

The annual House Dinner celebrated the graduating class of 2019 in spectacular fashion. The mentors commented on the boys' progress over the past five years in the House and wished them well for the future. I also wish to congratulate the winner of the Year 11 GK Henderson Prize for service to the House, Lachlan Jenkins (Year 11).

We would like to thank Christopher Kapetanos, Jack Royce (Year 12) and Tom Palmer as the House Leaders for 2019 and wish the best of luck to Lachlan Jenkins, Fred Fox (Year 11), Thomas Ganzis (Year 11) and Josh Reseigh (Year 11) as House Leaders for 2020.

# School & Allen House Report

2019 has brought another year of success for School & Allen and some changes, with the newly built staff residence and additional rooms in the Year 12 corridor.

In Term 1, the House showed great spirit and camaraderie in the Swimming Carnival, as well as witnessing some new talent.

Community Day saw the whole School & Allen community coming together. The boys all contributed well, with some surprising performances such as the Hockey team making it into the grand final as the underdogs. Athletics Carnival saw fourth place for School & Allen, placing second within the senior division. Congratulations to David Amaechi (Year 12) for being the Open Champion.

The 2019 House prizes were announced at the conclusion of Term 3 at our House Dinner: The Melville Clayton Prize to Harry Raff (Year 9), JH Hill Prize to Will Bowman (Year 11), Wyatt Prize to Jordan Chu (Year 11), Brodie Klein Memorial Prize to Josh Crook (Year 11), Jamie Summers

Memorial Prize to Patrick Nugent (Year 11), Trevor Owen-Smyth Scholarship to Darcy Lillecrapp (Year 11), Brian Tennant Smith Bursary to Sam Jackson (Year 11), The Senior House Leadership Prize to Jock Bache (Year 12) and the Adam Millar Dixon Memorial award to Harry Vincent (Year 12).

This year, a significant highlight was coming together and forming a ribbon shape on Main Oval in respect and acknowledgment of White Ribbon and the importance of stopping violence against women. The Mary Potter Foundation's Walk for Love was another important highlight which saw a group of School & Allen boys completing the seven kilometre walk to raise awareness for the hospice.

The conclusion of 2019 has seen the departure and arrival of our gap students. We bid farewell to Luke Matthews at the conclusion of Term 2 and welcomed Matteo Intrigila and Roberto Maione. We welcomed Sam Elliott, Henry Hazell and Sara Neville as supervisors and assistants.

Our incredibly passionate and caring House Mother, Mrs Tracey Hiern, we cannot thank you enough for your tireless effort and you always offer us love and care.

Thank you to our incredible nursing staff, Ms Cate Behenna, Ms Vanessa Charter and Mrs Glenda Wilson for consistently helping all of us through sickness and injury.

A special thank you to Mr Rob Green and Mr Mark Colsey for all of the tireless work and sacrifices you make. We genuinely appreciate your guidance and support.

Finally, a huge thank you to Mr Ray Pearson for his incredible effort, passion and positive influence.

Lachlan Parker

# Short House Report

This year, Short House improved the culture around inclusive achievements and saw many sporting and musical triumphs this year while continuing to passionately strive to serve others.

Through the culture of togetherness, Short House achieved victories in Junior Table Tennis, Badminton and classic catches during PE week. The House also recorded 11 top three finishes in a variety of other sporting events. Special mention goes to Short House Sports Prefect for 2019, Thomas Kelly (Year 12), who used his leadership to emphasise a positive and inclusive culture.

Through events, such as the Pyramid of Cans in which Short built a remarkable Disney Mickey Mouse design, we aim to give back to the community. Short House was also heavily involved with our sponsor child from Cambodia led by the Service Prefect, James Hanlon (Year 12).

This year, John Zhu (Year 12) did an outstanding job of enthusiastically spending time with the Year 7 and 8

students to ensure they felt comfortable and involved.

Thank you to the House Prefects: Thomas Kelly, James Hanlon (Year 12) and John Zhu, particularly for your energy, culture building and vocal discussions.

I would also like to thank the Year 12 cohort for 2019 for a memorable school year.

As always, the mentors played a huge part in shaping the House, so a massive thank you to Mr O'Shea, Ms Dickson, Mr Perry, Mr Quevas and Mr Cretan. Thank you for your kindness and guidance that you provided daily. And, of course, a huge thanks to Ms van Rensburg, who continued to lead Short House so well with excellent guidance.

To the boys and their families, your presence and involvement in community events is what keeps the lion's heart beating! Community Day is always a highlight of the year as it is so rewarding to see the boys' families come together to celebrate this.

Thank you all for the opportunity to lead Short House in 2019. It was truly one of the greatest experiences I have ever been apart of. I will forever be grateful for the opportunity and the support I received from all of those around me.

I wish the best of luck to James Howard who is captaining the House in 2020. Finally, best of luck to the Short House Lions!

# Woodcock House Report

Following a triumphant 2018, the cerise and black, once again, showed that the Woodcock mantra of 'having a go' pays dividends in the competition for the coveted Sir George Murray Shield, with another victory this year.

Woodcock started strong with a fine display at the Term 4 Summer House Sports Day, winning a number of events including Senior Rowing. The boys' efforts and commitment to the House were clearly on display which put Woodcock in good stead for the shield for a consecutive year.

The Swimming Carnival was an incredibly close fight, with a strong and determined Da Costa coming out on top. However, this did not prevent the Seniors from finishing first on the day, and it only served to ignite the competitive passion in each Woodcock boy. We are most grateful for the organisational efforts of all Woodcock Year 12 students on this day.

Community Day was another highlight, with boys competing in a range of sports

with families invited to spectate and join us for a superbly run lunch. A further family highlight held later in the year, occurred when our Year 12 parents were invited to our annual House Dinner, where old scholar, Dimitris Parhas (WDK '00) spoke about his career as a partner of a legal firm, player manager and agent.

The annual Pyramid of Cans saw us construct the Empire State Building and although we had hundreds of cans (which was the main objective) we need some improvement with our design skills. This unfortunate display, however, was contrasted with great efforts in House Chess, Junior House Debating and House Mooting.

The Athletics Carnival followed as one of the final big events which led to outstanding results during the trials from the Juniors, leading them to win overall, with Seniors just falling short. The day itself brought more opportunities for the Woodcock ensemble to compete.

Special thanks to the Year 12 group, whose passion and efforts have directly contributed to the success this year and triumph of winning the Sir George Murray Shield. The boys' camaraderie and support for each other truly make us proud and we wish Woodcock the best of luck for the coming years.

No such success and triumph that 2019 brought would ever be attainable without the dedicated efforts of Mr Cardone, at the helm, and the House Mentors, Mr Carter, Ms Traino, Ms Christensen, Mr Swanson, Mr Smyth and Mr de Lacy.

# Young House Report

As the first event of the year, it was wonderful to see the whole House involved in Community Day. Our boys performed well with our Senior Soccer Team participating in the finals. I was excited to read in Louis Mangan's Junior School Football report that 'we still managed to have fun and keep a smile on our faces, had good teamwork and everyone gave it a good go'.

The donations from the silent auction and raffle items generated much needed funds in support of House charities. Other fundraising activities included our annual Shrove Tuesday Pancake Day and \$1000 was donated to Novita.

Term 2 saw us participating in the Swimming Carnival, securing fourth place in the trials with 1948 points. The stronger swimmers, Lachie De Cesare (Year 11), Henry Minson (Year 12) and Rory Lethbridge (Year 9) scored well and contributed to the House's success.

The Pyramid of Cans competition was great fun and many Young House boys,

especially the Juniors, donated many cans towards the Anglicare Mission.

Junior Debating and Mooting competitions saw younger boys such as Kosta Tolis (Year 7) and Laith Shahin (Year 8) participate. House Chess was also enjoyable and featured a four move checkmate by Nick Basedow (Year 11), winning the game in under 10 seconds.

Young House has also participated in Cross Country and special mention must be made to Adam Goddard (Year 10) who won the individual Junior competition in a time of 7 minutes 45 seconds (11 seconds faster than last year).

The Young House Band poured their heart and soul into their Battle of the Band's performance and while the final result doesn't show the outstanding commitment, all the boys loved the performance, with commendations to Tristan's epic vocals.

Summer Sports Day saw the Junior Water Polo Team come second in the finals

and it was a fun day all round for the other teams competing.

The highlight event for the year was the House Dinner, where we gathered to acknowledge worthy prize and House colours' recipients in recognition of their contributions. Guest speaker, Matthew Goh (YNG '15) shared a glimpse of his life since leaving Saints. He emphasised the need to follow your passions, be willing to try new things and understand your privilege by making the most of it. However, the focus of the evening farewelled the Year 12 cohort with speeches and presentations that acknowledged their personal accomplishments within the House and School.

George Young  
Young House Captain 2019

**1** Henry Minson (Year 12) Athletics Carnival.  
**2** Young House Musicians - Battle of the Bands.  
**3** Adam Goddard (Year 10) House Cross Country Competition. **4** Lucas Langley (Year 10) House Dinner. **5** Year 12's House Dinner.

# Junior School

# From Head of Junior School

It has been an honour to join the St Peter's College community as Head of Junior School in 2019. Although I only joined the School at the commencement of Term 2, I have seen the boys do so much.

I've tasted the olives collected and preserved by ELC students, been delighted by the Reception Nativity Play and enthused by joining the Year 1 group in their STEM challenge. I've loved seeing boys have their first taste of independence at the Year 2 Sleepover.

The strength and breadth of the Music program that the boys were involved in is evident in our very youngest students' percussion skills showcased in the ELC Christmas Celebration through to our Year 6 students, already participating in Senior School ensembles.

In Sport, I've witnessed the boys' determination and teamwork in Hockey, Tennis, T-ball, Soccer, Basketball, Cricket, Cross Country, Junior Primary Sports Day and Winter House Games.

The visual art created by our students is outstanding. Not only do our boys have the technical skill to produce impressive pieces but the vocabulary to talk about connections between their art and broader world.

Our incredibly dedicated staff, along with the combined support of our parent community, make it possible for our boys to accomplish and participate so widely.

I would like to acknowledge the following staff for their collective contribution of some 80 years of service to our community as they embark on new adventures. I wish them the most amazing onward journey:

- Ms Anne Cowan, Early Learning Centre Teacher
- Mr David Kolpak, Head of Junior Years: Wellbeing and Administration
- Mr Sam Howse, Strings Coordinator and Music Teacher
- Mr Trevor Hamlyn, Junior School Teacher

I would also like to thank Mrs Mellissa Larkin and the committed Junior School Friends of Saints Committee. The "friend raising" this group of parents, along with class representatives and volunteers, is invaluable to our school community where relationships are paramount.

In Mitchell Resnick's book, *Lifelong Kindergarten*, he states that '...today everyone needs to be a risk taker, a doer, a maker of things not necessarily to bend the arc of history, but to bend the arc of their own lives'. This year, the boys in our Junior School have demonstrated that they are indeed risk takers, doers and makers of things.

I look forward to supporting our students' endeavours; academic, sporting, artistic and otherwise into 2020.

Ms Jasmine Taylor  
Head of Junior School

1 Ms Jasmine Taylor, Head of Junior School. 2 Ms Ceri Slinger, Ms Jasmine Taylor and Mr David Kolpak celebrating Book Week. 3 Ms Jasmine Taylor addressing the community.

# Junior School Leadership

During Term 4 in 2018, the Year 5 boys went through a defined process with Mr David Hine to choose who they would like to represent them as Junior School Leaders for 2019. In consultation with the Junior School teachers, the boys listed were chosen to be the leaders for this academic year.

The chosen leaders have demonstrated their leadership in a range of contexts throughout the year. Jackson McNamara (Year 6), our Art Captain, spoke at the opening of the annual Junior School Art Exhibition. Max Mitchell (Year 6), our Sports Captain, announced fixture highlights and results in fortnightly assemblies. Yiorgos Coutsoumbes (Year 6), our Music Captain, articulately introduced countless performances across a calendar of concerts. Charlie Bruce (Year 6) fluently verbalised an Acknowledgement of Country at almost every Junior School gathering and Joey read with reverence at the Nine Lessons and Carol Cathedral service in December. These are a handful of examples of how our student leaders in the Junior School have confidently led by example.

In Term 3, along with students from 12 other Anglican Schools across Adelaide, the Junior School Captain, Vice Captain and House Captains explored the concept of forgiveness: giving for relationships and how the basic elements of quality relationships are trust, forgiveness, integrity, hope and compassion. Working with John Hendry OAM, consultant at the Institute of Positive Education at Geelong Grammar School, the Junior School Leaders worked on a plan to share their understanding of quality relationships with all of the boys in our Junior School Community. They presented in subsequent Junior School assemblies around these elements with a view to further cultivating a culture of respect and service in our Saints community.

Ms Jasmine Taylor  
Head of Junior School

## 2019 Junior School Leaders

Junior School Captain	Charlie Bruce

# Year 6 Graduation

# Year 6 Report

Year 6 marks the end of a significant journey for boys in the Junior School, as they leave the security of their comfort zone and venture into the vast array of new experiences that await them as students in the Middle Years.

Looking back, Year 6 has been a significant year of change and growth for the majority of the 2019 cohort. With signs of physical change happening right before our eyes, we have also witnessed the development of much academic growth and development of character in all.

Leadership is an integral part of the journey and with the countless opportunities for boys to do so, many have taken these responsibilities in their stride and carried out their duties with a great sense of pride. From the very onset of the year, the boys were set a challenge of living up to the expectations and code of conduct of our Year 6 motto which is 'We Set the Tone'.

Within the classroom, the Year 6 boys have immersed themselves in the rich learning experiences on offer. Whilst at times very

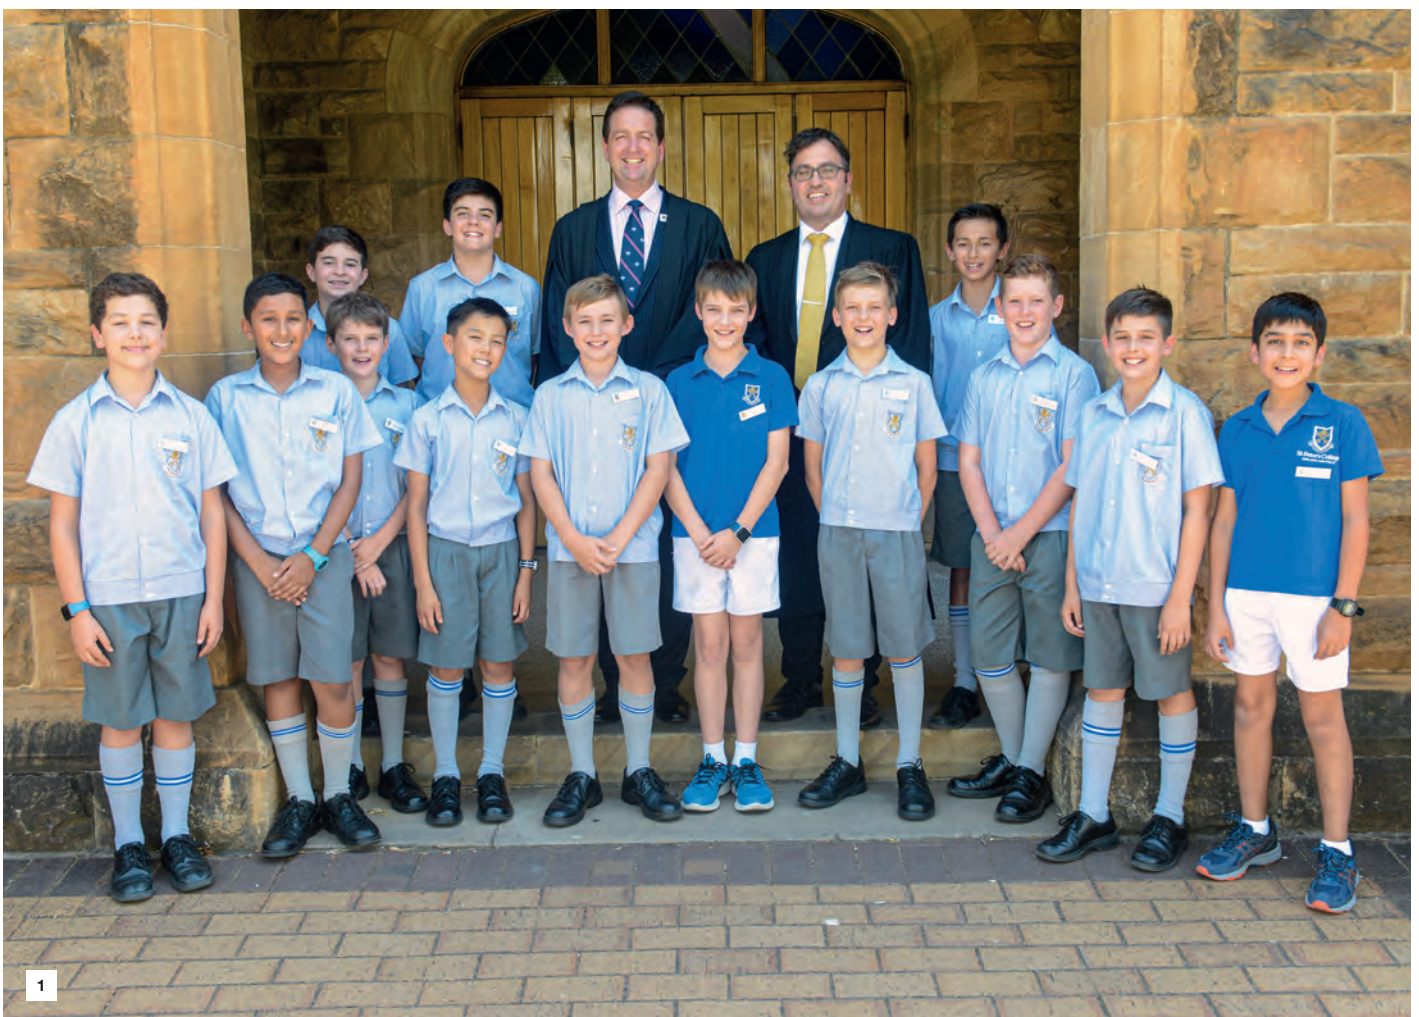

hectic, the boys were also engaged in many activities that have enriched their learning such as Frank's Lab on Legs, Artist in Residence Program with Sasha Hill, Q&A with Dr Richard Harris SC OAM (Thailand cave rescue diver), Anglican Charities Day and the Canberra Tour, Morris Gleitzman visit, Jackie French presentation, Ryka Ali performance, as well as be visited by guest speakers Jo Elsom (ABC), Kevin Du (migrant parent) and Ros Winter (Office of Home Affairs). All opportunities have extended their learning and engaged the boys with what's on offer in the wider Saints community.

Over the course of the year, the boys commenced their journey into the Middle Years. Many of the usual routines and expectations incrementally morphed into those that a Middle Years student would experience daily. This helped the boys to achieve greater independence, both in and out, of the classroom and also improved organisation and workload management, holding them in good stead for their future years.

The 2019 cohort will be fondly remembered for their positive approach to school and their legacy is befitting of the high reputation they have forged for themselves in 2019. Congratulations to all the boys who have involved themselves in the many opportunities offered to them at Saints.

Mr Adam Clutton  
Year 6 Coordinator

- 1 Mr Browning and Mr Kolpak with all of the Junior School Student Leaders and House Leaders after their Commissioning Service.
- 2 Hugo Wurm, Perry Whitehorn and Benjamin Short at Anglican Charities Day.
- 3 Alexander Piscioneri (Year 6) and Charlie Tonkin (Year 6) in Art class.
- 4 Anay Mittal (Year 2), Ryan Nie (Year 1), Laurence Anderson (Year 6) and Fred Kidman (Year 6) at Anglican Charities Day.
- 5 Donovan Fahey, Nicky Lockie, Kartik Asundi and Lucas Choi at Anglican Charities Day.
- 6 Bae Versace and Annirvan Iyengar show their face paintings after the Ryka Ali cultural performance.
- 7 Charlie Harrington and Henry Wigg at Anglican Charities Day.

# Year 5 Report

As with most years at St Peter's College, 2019 was a year of growth, learning and adventure for all of the Year 5 cohort. Although there was some trepidation at the start of the year, all boys flourished under the guidance and expertise of their teachers. The year of development was punctuated by individual moments of joy and improvement plus tremendous amounts of teamwork and grit.

The year started with high expectations and the Outdoor Education camp to Finnis made for a fantastic start to the year. The boys bonded with the new Year 5 students and strengthened existing friendships throughout the trip.

Other highlights included an exciting trip to Monarto Zoo, the Independent Primary School Heads of Australia (IPSHA) Junior Orator Competition and a cross country run. The winner of the Junior Orator Competition was Emerson Cooper with an incredible talk on 'If I could design a school...'. Additionally, the boys participated in the Winter House Games, Book Week, Frank's Lab on Legs and many other exciting events.

2019 also saw an abundance of visitors who came to enrich the boys' learning. Mr Kevin Davey was a special guest who delivered detailed and informative presentations on the wonders of the solar system. Mr Trent Hill, a Noongar man from South West Western Australia, delivered fascinating talks on traditional tools and technologies, cultural history and how we have a responsibility to share our understanding of the world we live in.

In Term 3, the boys entered the IPSHA Poetry Competition and James Wilson delivered an outstanding recital, with poise and presence, and was selected as the winner for Year 5.

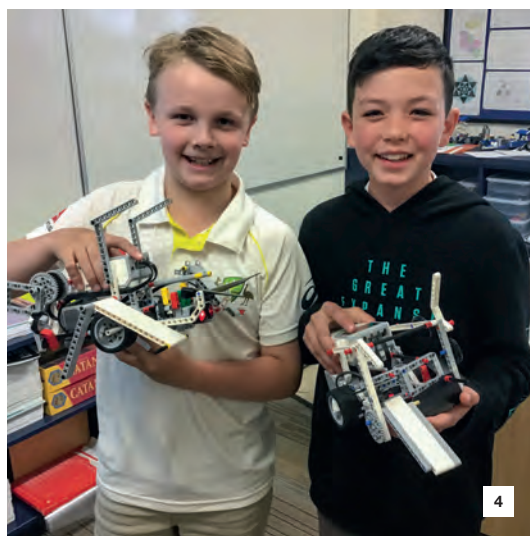

During Term 4, the boys delved deeply into research on significant Australians and were visited by Mr Nathan Bolton, who shared his experience and insight as an Australian War Veteran. The boys also visited Athelney Cottage where they examined photos, medals and memorabilia. On Remembrance Day, the boys attended an emotive service led by The Reverend Dr Theo McCall. The Term culminated with Shaarav Reddy winning the Fred Dyer Award for Journal Writing on the topic of courageous Australians.

The year has been filled with many memorable achievements and all boys have contributed to enhancing their own personal development. They have demonstrated teamwork, growth and maturity throughout the year and the boys have positioned themselves well to make best use of the opportunities of Year 6.

Mr Richard Davey  
Year 5 Coordinator

**1** Mr Nathan Bolton sharing his experience of being a soldier in Afghanistan. **2** 5D on their excursion to Monarto Zoo. **3** 5S enjoying sailing on the Finnis Camp. **4** Edward Penley and Alfie Barker with their competition robots. **5** Mr Kevin Davey's Space presentation. **6** Boys relishing the Big Duck experience.

# Year 4 Report

The Year 4 cohort had an exceptional year in the Junior School, displaying outstanding effort across all areas of school life. The boys enjoyed the opportunity to be involved in a wide range of co-curricular activities.

Throughout the year, the boys heard from important guest speakers and enjoyed both excursions and incursions. The Lab on Legs session, visit from Warrawong2U and trip to the St Peter's Cathedral expanded the learning of the boys.

The Year 4 venture was a significant event for the boys, with a variety of cultural and environmental activities. As staff, we saw the impact of this venture on the collegiality and learning of the boys and were thoroughly impressed by the connections that the boys made to the work undertaken prior to the venture.

Additionally, activities such as the Year 4 Band Program, Sports and Chess were all well supported by the boys.

The Year 4 Robotics program has been developed by Mr Becker to challenge the problem solving and thinking skills of the boys. The boys also participated in a semester of Mind Lab activities, providing the classes with the opportunity to further their problem solving skills.

During Term 3, we hosted the Year 4 girls from Walford Anglican School for Girls. The boys and girls enjoyed a STEM activity, Mind Lab games and a Robotics session. It was a great chance for the boys to display their collaborative skills.

During 2019, we have seen a great deal of positive social and academic development across Year 4. The Positive Education work of the boys continued to develop their understanding of character strengths, impacting positively on their work in the Junior School. For the first time this year, the boys have been involved in the URStrong program. This has provided

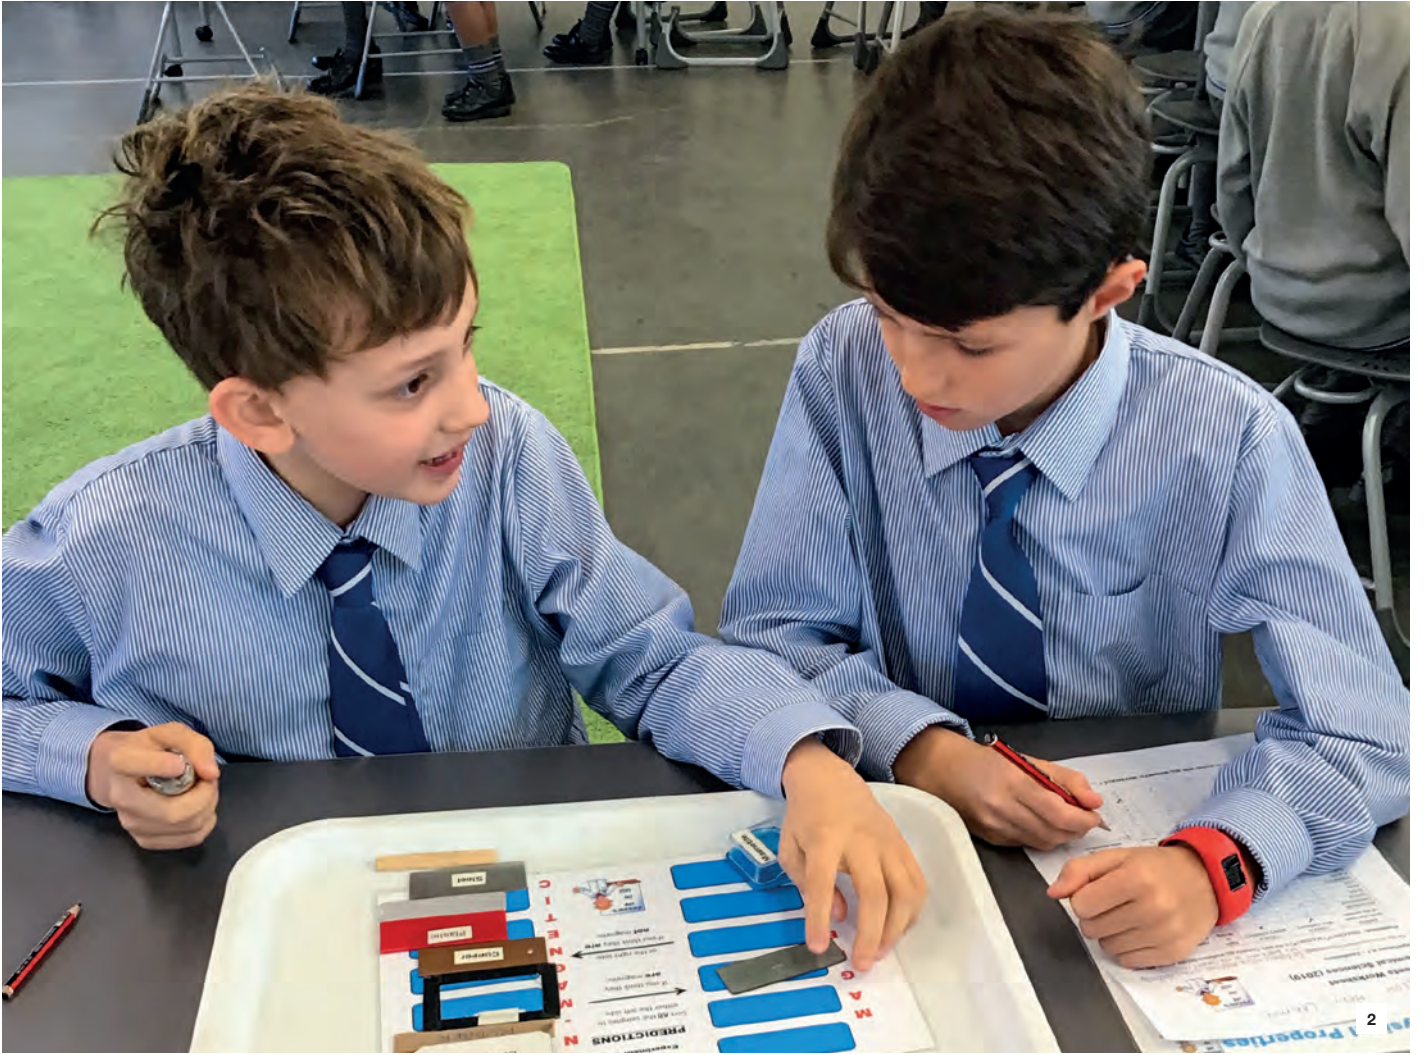

the boys with strategies to build their relationship skills.

It was pleasing to see all of the Year 4 boys challenge themselves to achieve academically and to grow socially throughout the year. This group will now move into Year 5 with a great deal of confidence and to participate in all of the opportunities that St Peter's College has to offer.

Ben Storer  
Year 4 Teacher

3

# Year 3 Report

2019 has been a year of great personal growth, academic improvement and a year of firsts including representing their House at many events, NAPLAN testing and going on camp. It has been a pleasure to watch the Year 3 boys personal, social and emotional growth alongside witnessing their significant academic achievements since they joined us.

This year was the first time the students have been able to represent their House in House Competitions. These included the Swimming Carnival, Summer House Games, Cross Country, Winter House Games, Sports Day, Singing Competition, Minute to Win It and watching the Debating Competition. The students have shown enthusiasm and competitive spirit as they have embraced the House Competitions.

The URSTRONG program, introduced to the Year 3 students this year, empowered them with the skills to manage their friendships with fun concepts that they could put immediately into practice.

Participating in formal Robotics lessons for the first time this year was exciting for many as they worked with a partner to participate in coding lessons. The competitions and team challenges were lots of fun and enhanced the students character strengths of creativity, perseverance and love of learning.

In Term 2, the Year 3 girls from Wilderness School met their buddies from St Peter's College. They were treated to a morning of fun activities such as Mind Lab games, coding and team building challenges.

Over sixty boys sang and played a string instrument at the Year 3 Strings concert. It was a remarkable achievement for them and the Music Department. The audience members and the teachers were extremely proud and impressed at the high standard the students set.

The Year 3 students stepped up to the challenge of the mobile rock climbing wall that visited us in Term 4. They helped and supported their classmates, shouting suggestions for possible routes up the wall and we were amazed at how well they did. It was rewarding to see so many boys overcome their fear of heights and take risks in a safe environment.

Congratulations to the Year 3 students on what has been an exciting year of growth and development. 2019 has been full of celebrations and firsts for many of the boys and we thank all of their families for their support this year. We wish the students all the best for their future as they move into Year 4.

Samantha Irvine, Ada D'Onofrio, Lauren Trowse  
Year 3 Teachers

**1** Aidon Maios, Andrew Lucas and Nicholas Corbet. **2** Students enjoying sports. **3** Isaac Downes at Book Week. **4** Edward Robertson. **5** Joshua Bell, Ms Lauren Trowse and William Harper at Book Week.

# Year 2 Sleepover

On Friday 18 October, the Year 2 boys had their first experience of the much anticipated sleepover. Excitement and energy levels were high as the boys arrived and set up their sleeping bags!

Mrs Taylor and Mr Browning cooked a sausage sizzle before we played some games. Toilet Paper Over Under was the favourite and brought much laughter and determined concentration as the teams battled to pass along two rolls of toilet paper with the fewest breaks.

After a night walk in search of the famous white fox and a movie, complete with popcorn, the boys settled and drifted off to sleep.

Mrs Caryn Schutz  
Year 3 Teacher

**1** Oscar Sounes, Ziggy McKenna and Mr Browning. **2** Sleepover fun – Rupert Rickman, Andrew Dahdah and Steven Passaris. **3** Steven and Harry Passaris. **4** Anay Mittal and Stefan Dimovic. **5** Year 2 Sleepover 2019. **6** Hugo Yates. **7** Tug-o-war. **8** Nathan Koh, Edward Minney, Steven Passaris, Andrew Dahdah, Spencer Wallace, Hamish Ward and Harry Passaris. **9** Bedtime! Ziggy McKenna and Zain Shahyan.

# Year 2 Report

Another fantastic year has flown by for Year 2 at Saints. The three classes, led by Mrs Schutz, Mrs Cole and Mr Tirrell, have been busy learning, making new friends and engaging in the wider activities on offer. This year we welcomed the Morfesi, Zhou, Chen, Scarsella, Kelly and Rickman families into our school community.

Term 1 was busy. The classes settled quickly into the new routine and started on their learning journey. The highlight was our excursion to Woodhouse in the Adelaide Hills. As they made their way through a series of obstacles on Challenge Hill, the boys displayed many character strengths including bravery, teamwork and perseverance. In addition to this, they played frisbee golf and created amazing structures during a nature art experience. Swimming lessons in the middle of Term 1 were another highlight.

Term 2 focused on mixtures and materials in Science. The boys loved the hands-on nature of their Science lessons as they worked through experiments, hypothesising what might happen and recording their results. At the end of Term 2, the boys enjoyed the annual tradition of storming the Da Costa Dining Hall in celebration of Bastille Day.

Term 3 was exceptionally busy. The boys focused on exploring the history of the School with guided tours and slide shows by Mr Docwra and visits to Athelney House to see the School archives. Book Week was, again, a real success with the boys taking part in a range of different activities based around the shortlisted and their own favourite books. A particular highlight was Read Around with Dad, with many fathers, grandfathers, uncles and brothers making the experience very special for all of the boys. Year 2 ended the term in spectacular style, with the combined Year 1 and 2 Concert showing their hard work and enthusiasm as they performed songs and dances.

As always, Term 4 passed with lightning speed as we learned about the lifecycle of living things and consolidated our learning in many ways. In Positive Education, we spent time thinking about all the character strengths we have developed this year and setting goals for the year to come.

It has been a pleasure watching these boys grow and learn this year and hopefully it has been a year of happy memories for all.

Mrs Caryn Schutz  
Year 2 Teacher

**1** Oscar Sounes, Rupert Rickman and Easton Papps-Burford.  
**2** Thomas Alexander and Alastair Kelly. **3** Zain Shahyan, Roscoe Scott, Anay Mittal, Cristiano Cavuoto and Rupert Rickman performing.  
**4** Patrick Zinghini and Harrison Russo.

# Year 1 Report

What a wonderful and productive year we had in Year 1. The boys developed their skills via so many exciting activities in all areas across our rich curriculum.

We had a major focus on living things, their lifecycles and interesting features. We investigated a variety of plants and animals closely to observe their specific features. We even hatched our own chickens. We loved our feathery friends, who are now happily running around at Ollie and Will's homes!

Science is a very popular subject in Year 1 and the boys loved hypothesising and then experimenting themselves to make conclusions. Some of our experiments included exploding bags, colour mixing, forming rain clouds, bending light waves, fizzing lemons and many more. We became real scientists and spent many a time wondering and questioning the world around us.

STEM was another popular lesson where the boys were involved in numerous challenges, designing and creating

structures to solve problems, such as making a bed for Goldilocks that was just right or a boat for the gingerbread man to cross the river in.

A very big highlight was our excursion to Seymour College, for a THRASS extravaganza! The boys had the most amazing time exploring ideas and concepts to support our learning in language and using THRASS as our tool. Word study is a big part of our literacy program and our boys have thrived on deeper investigations about words in our English language, making spelling times an exciting learning opportunity. We spent time looking at the morphology of words, what they mean and what are the meaningful parts.

The Year 1 and 2 concert songs about friendship were spectacular and the boys were brilliant! Mrs Carey did an amazing job of teaching them throughout the year so they could showcase their extraordinary talents.

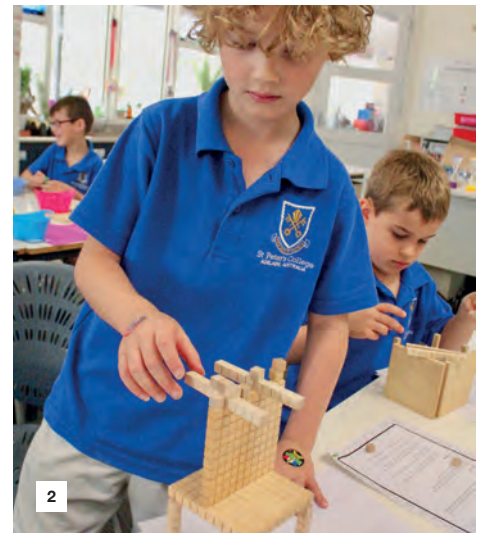

Recycling and sustainability were hot topics in the Year 1 area, driven by Ollie

Rheade whose passion for the environment is superb. The School has made so many new initiatives to help make our place a more sustainable environment and help our planet. It is amazing what our young voices can do.

2019 was a year to remember and treasure forever.

Emily Rogers  
Year 1 Teacher

**1** Archie Handshin, Ronan Daly and Aryan Jabery. **2** Tom Meyer in the Maths Challenge. **3** Scientist Aryan Jabery and Paxton Le. **4** Paxton Le and Rohan Daly investigating a flower. **5** Poli Guo, Aarjav Chaudhuri and Tab Jiang at Book Week. **6** Parker Rohrlach, Will Foorman and Alex Coleman at Footy Day. **7** Ryan Nie and Charles Pan experimenting. **8** Luke Rocca with a lizard. **9** Hatching Chicks with Aarjav Chaudhuri and Sebastian Van Niekerk. **10** Storytime with Mr Browning. **11** Ronan Daly designing constructions.

# Reception

Our year in Reception in 2019 was an exciting time of learning and growing together.

THRASS dress up day and treasure hunt were huge successes. The boys came dressed as an object or a character from the THRASS chart. We made banana bread and built objects off the chart using Lego. It was an engaging and exciting experience for all.

Our Science unit, Living Things, focused on plants and animals and their needs. The boys were encouraged to bring their pet or a stuffed animal to share with their friends; there were birds, a lizard, a cockroach and some chooks.

The Reception boys presented the Easter play, The Last Supper, to their parents and the Palm House boys. They were exceptional; memorising speaking parts and learning dance moves and the songs and it was a lovely way to celebrate Easter and Term 1 together.

Creative Learning was a highlight. The three Reception classes combined once a week to participate in a range of engaging, self directed activities. They made delicious pasta, friendship cakes and damper and dressed up and created their own role play scenarios.

During Term 4, the Reception classes participated in an excursion to the River Torrens and the outlet at West Beach. Our focus was the environment and the impact we have on our surroundings. We saw rubbish, graffiti and pipes running into the river. A special guest from the Coastal Protection Board met us on the beach and spoke to us about the importance of walking on the paths and how we can help keep our fragile coast healthy. We enjoyed fish and chips together and had a wonderful time digging and building in the sand. It was an exhausting but wonderful day out.

The Nativity Play was a special way to end our year together. The boys sang and performed with a great sense of pride and enthusiasm. It gave the audience the opportunity to reflect on how far each one of them had thrived throughout the year. We were incredibly proud of them all.

On behalf of the Reception team, I would like to thank the boys and their families for the positive and enriching experiences you contributed to our learning environment during 2019. Our year was not without its challenges and the support you gave to each other was sincere and deeply appreciated by all.

Joanna Tierney  
Reception Teacher

**1** Lucas Pourgiezis making pasta. **2** Three Shepherds - Ned Lahey, Eoin Carty and Ariyan Roy Kookana. **3** Phillip Mai as an Angel. **4** Austin Wang as a Shepherd. **5** Jack Marshall Archie Cluse at Sports Day. **6** Damien Willis and Alex Willis at Read Around with Dad.

# Early Learning Centre

During 2019, 70 boys participated in three learning communities led by Ms Gemma Cross, Ms Anne Cowan, Mr Ben Cooper and during Term 3, Ms Olivia Jones. The curriculum and learning experiences planned predominantly from boys' interests, resulted in many diverse projects across the Centre.

The exploration of Aboriginal and Torres Strait Islander perspectives in ELC G through songs and Dreaming stories, led them on a journey to a greater understanding of billabongs, Australian flora and fauna and indigenous symbols and connected them as a group of learners.

Highlights of the ELC C year included the finding, harvesting, brining, bottling, labeling and gifting of olives discovered in the grounds of Athelney. During Term 3 they explored the anatomy, behavior and contribution that bees make to our school gardens and the ecosystem. They used devices to capture photographs of plants that attract bees in various locations around the School as well as producing observational drawings and collages. They came to understand that bees do so much more than make honey.

The Soft Plastics project in ELC A was a significant component of their learning this year. Boys learnt to identify plastic used in daily life, its impact on the environment and consider ways we can reduce the use of plastic. Their learning was documented in a short movie and shared with the School community. The voice of some of our youngest learners was a powerful reminder about our shared responsibility for the world we live and learn in.

Part time teachers Stephanie Cabot, Raegan Hill, Olivia Jones and Sheryle Yorston contributed to learning across the Centre. The boys interest and engagement with bird watching and identification, planting and constructing a dry 'creek' in the digging patch and Flags of the World, became rich opportunities for collaboration, co-constructing knowledge and learning.

The end of year ELC Celebration enabled us to share a snapshot of learning from throughout the year with families and friends of the ELC. The boys artwork adorned the stage and provided an eye-catching backdrop. The audience was welcomed in Kurna, each group singing Niina Marni

Welcome before a heart-warming rendition of Feliz Navidad. We were delighted to share our work with Author-in-residence Phil Cummings, 'Rita Rhyme at Christmas Time', celebrating the boys knowledge of rhyme and their skills as illustrators. A highlight of the celebration was the drumming extravaganza, 67 boys singing and pa-rum-pa-pum-pum-ing was spectacular and a fitting end to a wonderful year.

Sheryle Yorston  
Head of Early Years

- 1** Mahad Sheikh. **2** Olive picking. **3** ELC A artists, Jaden Zeng, Xavier Martin and Jordan Sims.

# Junior School House Reports

# Alliston-Jones House Report

This year's House competition was a close race all year. The members of Alliston-Jones fought to improve their placing from the previous year.

Our House leaders were Dougal Grieve (Year 6) and Lachlan Siow (Year 6) who demonstrated true leadership and passion. Lachlan and Dougal led by example, always willing to put themselves forward and stand up the front even when it was challenging.

Term 1 was action packed full of House events! The boys participated in Swimming, Athletics and Summer House Games. Swimming has never been a huge strength in the Alliston-Jones House but it was rewarding to see many boys diving in and giving their best to earn some points.

Later in the term, we shone at House Athletics. The boys did an outstanding job contending with the tricky weather. We postponed the relays to the following day, and this is where we captured the most points. We dominated in most of the age groups, especially the Year 3 Team which managed to win by a good 50 metres. At the conclusion of the day, Alliston-Jones managed to come away and win the PARK House Cup. Summer House games followed only a week later, the boys participated in Cricket, Tennis, Volleyball, T-ball and Kickball. All Alliston-Jones boys gave their best, with many teams coming second.

At the beginning of Term 2, the boys showed their stamina and endurance when running the Cross Country. We had many boys who made the School team which was an excellent result. Throughout the rest of Term 2, the boys prepared themselves for Minute to Win It. Every House meeting they contested against each other for the opportunity to represent the House at the finals. The boys did an outstanding job, taking out first prize.

House singing took over in Term 3. It was a hotly contested sing off to the theme 'songs from screen or stage'. We sang *I Will Follow Him* from the movie *Sister Act*, and the second verse of the School song.

Term 4 saw the boys compete in House Chess, Debating and Mind Lab. All boys who represented their House in these events did an excellent job, however, we didn't manage to secure any silverware in these events.

Overall, it has been a successful year in Alliston-Jones and the boys should be proud of their achievements finishing third in the race for the House Cup.

Mr Travis Burridge  
Head of Alliston-Jones House

**1** Ben McCorley and Leonardo Vignera. **2** Lachlan Siow and Dougal Grieve House Singing. **3** Dougal Grieve house activities. **4** Masih Mazraeh House Mindgames (Quoridor). **5** Aidan Makris, Edward Thomas and Lachlan Kamencak. **6** AJ House Activities – Continuous Cricket. **7** Jackson McNamara and Oscar Wurm – House Volleyball. **8** Charlie Harrington – Winter House Games. **9** Lachlan Jones, Yongjian Huang and Jack Cosenza House Debating. **10** Year 3 AJ Boys watching House Cross Country.

# Brooks House Report

2019 was another successful and enjoyable year for the Brooks House. The array of individual and team success unified Brooks House this year.

As the Head of Brooks House, I was assisted by Ms Sally Menadue, Mr Adam Clutton, Mr Simon Varga, Ms Georgia Pavy, Mrs Julie Marshall and Mrs Ada D'Onofrio. Congratulations to Alexander Piscioneri and Ahaan Kothari who were elected by their peers to be Co-Captains of Brooks House for 2019.

In the first House meeting, we welcomed the new boys and the Year 3 students to the House program. In a new initiative, during House meetings, boys played against other Houses in different games. These games were not for points but provided an opportunity for the boys to get to know other students in their House. All boys competed in their vertically grouped mentor teams.

The first official event on the House calendar was the Summer House Games Competition. On a warm day, Brooks displayed grit and determination to win the volleyball competition.

The Swimming Carnival was a fabulous way to follow on from the primary swimming lessons. Split into two carnivals, boys undertook competitive and novelty events.

During the Winter House Games, Brooks managed to win the Basketball competitions. What an extraordinary effort by all involved gaining several second places.

Later in Term 2, the Minute To Win It Competition (a favourite with the boys), saw the culmination of challenging tasks, undertaken within a minute. All boys practised these tasks during House meetings, leading up to the finals. This year, more boys were given an opportunity to represent their House in this exciting extravaganza.

The boys had an opportunity to display their musical talents in the House Singing Competition. All boys were amazing in singing *Stand by Me* by Ben E King. We also took out the Debating competition during the newly introduced Mind Games competition.

The Brooks boys maintained a positive House spirit throughout the year, supporting each other in all aspects. The enthusiastic involvement of the boys in Brooks led to the continued success of the House this year and many individual House members experienced personal achievements and it was most gratifying, viewing boys demonstrating pride in their House and working collaboratively.

Congratulations to all Brooks boys for their outstanding contributions this year.

Mr John Athanasiou  
Head of Brooks House

**1** "Stand By Me" sung beautifully by the Brooks House. **2** Alexis Prakash during the House Debating Competition. **3** Co-captains of Brooks Alexander Piscioneri and Ahaan Kothari during the Swimming Carnival. **4** Oliver Maung and William Sanders at the Winter House Games Competition. **5** Bae Versace in full flight during the House Cross Country Competition. **6** Zane Haseldine about to start the 4 x 100m relay. **7** The Brooks team during the Junior School Swimming Carnival. **8** Being part of a team Peter Athanasiadis and Sebastian Yates. **9** Anirvan Iyengar being strategic at the Mind Lab Competition. **10** Gustaw Czechowicz after completing his race at the Swimming Carnival.

# Clayton-Dyer House Report

2019 was a very successful year for Clayton-Dyer House where we were the joint winners of the Sir Howard Lloyd Cup for The Champion House with Stokes-Ware.

Thank you to House Co-Captains, Laurence Anderson (Year 6) and Max Mitchell (Year 6), for their leadership, teamwork, fairness and zest in all House activities. They, along with the other Year 6 cohort, were excellent role models.

The year began with House Swimming where all boys displayed enthusiasm and perseverance. Notable mentions to Max Mitchell, Lachlan Escourt-Hughes, Ethan Cross, Alden Au and Henry Estcourt Hughes (Year 6). Sports Day was the next event with excellent achievements by Lawson Jones (Year 6), Max Mitchell and Ethan Cross (Year 5). We concluded the term with Summer House Games where we won the W H Naughton Cup for House Tennis.

Term 2 began with Cross Country where everyone participated in trying conditions. It was great to see boys supporting other boys during the event by running alongside them.

The highly energised event of Minute To Win It was next where selected boys had to use chopsticks, ping pong balls, cups and skewers to compete in events. Shout out to the teachers who also competed. We finished the term with Winter House Games where boys competed in Football, Soccer, Hockey and Basketball.

Term 3 was our House Singing Competition time where the boys displayed much hard work and unison to win the Foley Hogarth Cup for House Music. The boys' singing and movements to the song *I Just Can't Wait to be King* from the movie *The Lion King* was outstanding. The Year 6 cohort were the stars of the show with Henry Wigg (Year 6), Joey Fitzgerald (Year 6), Nicholas Latella (Year 5), Ben Short (Year 6) and Ryan Stockhoff (Year 6) performed and sang brilliantly.

Term 4 was the House Mind Games of Chess, Debating and Mind Lab. We finished first in Mind Lab as well as winning the Old Scholars' Trophy for House Chess. Great effort by our Year 6 students Bal Gilhotra, Angus Tolley, Joshua Ooi and Jenson Grudnoff.

Lastly, it was delightful to see boys gain House points for effort and manners in class.

Thank you to the team of teachers who supported the House this year, including Ms Carey, Mr Cosgrove, Mr Davey, Ms Day, Mrs James and Mrs Irvine. Your efforts are much appreciated.

I look forward to another year of doing our best for Clayton-Dyer House!

Mrs Trish Bartholomaeus  
Head of Clayton-Dyer House

**1** Joey Fitzgerald, Lawrence Anderson, Max Mitchell. **2** Winter House games Basketball – Nicholas Lockie. **3** Benjamin Wang at the House Singing Championships. **4** House Singing Champions. **5** Hudson Kerr, Anzhi Liao, Henry Escourt-Hughes, Henry Wigg. **6** Ren Anderson, Max Mitchell receiving their award. **7** House Singing Champions.

# Stokes-Ware House Report

What a successful year 2019 has been for Stokes-Ware House across the Junior School House Competitions. This was due to much cooperation, teamwork and enthusiasm from all House members.

This year, the House was led by Co-Captains Jack Pillay (Year 6) and Charlie Tonkin (Year 6) who always demonstrated zest, bravery and kindness. Support also came from the following staff: Mrs Dansie, Ms Houston, Mr Howes, Miss Tindle, Miss Schubert and Mr Storer.

It seemed that we had barely started the year getting to know our buddy groups and the Swimming Carnival was upon us. As the Stokes-Ware boys swam their hearts out in the pool, those on the sidelines were shouting their voices out with chants and cheers. This certainly got us over the line with an emphatic win. An extremely positive way to start the year!

Term 1 continued to be a busy one on the House event calendar. Despite some fantastic efforts, Athletics Day was not our day. Stokes-Ware did, however, regroup the following week and won Cricket and Year 3 Kickball during the Summer House Sports Day.

Minute To Win It during Term 2 is always a major highlight of the year and 2019 was no exception. After training hard in the lead up, Stokes-Ware entered the arena with great confidence and excitement. Alas, there was no victory.

Winter House Games rounded out the wintry term with strong performances in Football and Hockey. Many thanks to Miss Schubert who led Stokes-Ware during this term.

Term 3 brought House singing. Although not victorious overall, we definitely won the category of most enthusiastic and energetic with our rendition of *This Is Me* from *The Greatest Showman*.

The House competitions for the year finished in Term 4 with an afternoon of Mind Games consisting of Chess, Debating and Mind Lab. Stokes-Wares did very well in these events thanks to both individual strength and stamina in Chess and Mind Lab, and teamwork in Debating.

We set out at our first meeting in Term 1 to be the best that Stokes-Ware could be and, although we had to wait until the third to last day of the year to confirm it, Stokes-Ware

did become the best — finishing in equal first place for the Sir Howard Lloyd Cup.

Congratulations to all involved in Stokes-Ware in 2019!

Miss Kate Nixon  
Head of Stokes-Ware House

**1** Stokes-Ware singing beautifully in the House singing competition. **2** Charlie Melillo, George Xenophou, Charles Nguyen and Jay Ingole enjoying the Swimming Carnival. **3** Clayton-Dyer and Stokes-Ware in a tug of War at Summer House Games. **4** Jack Pillay, Ms Nixon and Charlie Tokin with the winning end of year House Cup. **5** Charlie Harrington showing his footy skills during Winter House Games. **6** David Penkoff showing off his Basketball skills at Winter House Games. **7** Brooks and Stokes-Ware head to head in a footy match during Winter House Games. **8** Stokes-Ware boys preparing for the House singing competition.

# Awards and Prizes

# Academic Awards

## Young Exhibition for the Dux of School

**Angus Ritossa**

*(SACE) ATAR 99.9*

Angus has dedicated himself to his studies throughout his time at St Peter's College and has achieved outstanding results. He readily engaged in School events, functions and activities and earned House Colours in 2018. Angus has excelled in the areas of Mathematics and Informatics while at the School and in 2019 attended the International Olympiad in Informatics where he placed ninth overall. He has also represented the School in numerous Mathematics competitions, was awarded the Wyatt Scholarship for Mathematics in 2018, was Vice Captain of the School's Pedal Prix team and also participated in Debating, Soccer and Tennis.

## Robley Prize for the Proxime Accessit

**Thomas Panayiaris**

*(SACE) ATAR 99.9*

Thomas has achieved a great deal during his time at St Peter's College. He was a member of numerous bands and ensembles and represented the School at the Generations in Jazz festival many times. He has also been active in sport, favouring Table Tennis and Badminton and representing his House in Swimming and Athletics. He is a deep thinker, capable of planning ahead, and the recipient of numerous prizes including the MR Freney Prize for Chemistry and the Old Collegians Mathematical Methods Prize.

# List of Merit Recipients

## South Australian Certificate of Education

Students must achieve an A+ in a subject to earn a Merit but not all A+ grades are awarded a Merit. Merits are given sparingly and only to the very highest achievers of A+ students, as determined by the SACE Board.

# Creative Arts

# Senior School Art

## Artist in Residence

Thom Buchanan was this year's Artist in Residence in the Senior School. During his three week residency, Thom worked with boys in Year 9 and Year 10 during class time and with a group of boys from all year levels during lunchtime.

The below image of Memorial Hall was created by Thom and the boys by building layers of textures using brushes, sponges and stencils. It was an important learning experience as Thom explained that the painting process can be very dynamic. The boys discovered that the image can be reworked multiple times to create a rich tapestry of tone and colour.

Thom's approach with the boys was to show that there are no mistakes when painting, as the image can always evolve.

Mr Scott Russell  
Head of Faculty – The Arts

**1** James Randall, Ethan Lim, Thom Buchanan and Nicholas Andreyev. **2** Henry Fisell and Fraser Bone. **3** George Young, Riley Brunsgard, Arki Galantomos, George Nery, Harry Tennant and Thom Buchanan.

## Year 7 Marra Dreaming Workshop

Our Year 7 boys, once again, had the opportunity to work with artists from Marra Dreaming Indigenous Arts and Crafts Centre. This is the fourth year of our relationship with Marra Dreaming and it has proven to be an exciting and enlightening component of our Arts curriculum.

Over a one week period, all our Year 7 boys worked with Rayleen and Samantha Snow to create five totem poles. Under the guidance of Raylene and Samantha, the boys worked in groups to carefully and accurately paint animal motifs and design elements on the poles.

As part of our Reconciliation Week at Saints, we celebrated our First Nations People by installing the 3.6m totems in the garden between the Pentreath Building and the library.

Mr Scott Russell  
Head of Faculty – The Arts

1-2 Year 7 boys painting totems.  
3 Marra Dreaming totems.

# Year 7 to 12 Art and Design Exhibition

The Year 7 to 12 Art and Design Exhibition was held in the Art Centre on Monday 18 November.

It was wonderful to see such a large number of parents and boys attending the evening and being a part of celebrating the Visual Arts at Saints. The work on display highlighted the creative talents of our boys and clearly demonstrated the diverse approach our students take as they expressed their ideas.

The exhibition included paintings, drawings, photographs, graphic designs and mixed media images by our nineteen Year 12 Art/Design students, as well as the incredibly colourful and imaginative work by our Junior School classes. The drawings that were inspired by our Artist in Residence, Thom Buchanan, were also on display.

Once again, it has been a very successful year in the Art Centre. I would like to thank the boys for their energy and passion, as they experimented with media and techniques and to their teachers for their commitment, expertise and energy for the teaching of Art.

Mr Scott Russell

- 16 Harry Tennant, Year 12
- 17 Angus Crawford, Year 7

# Junior School Art

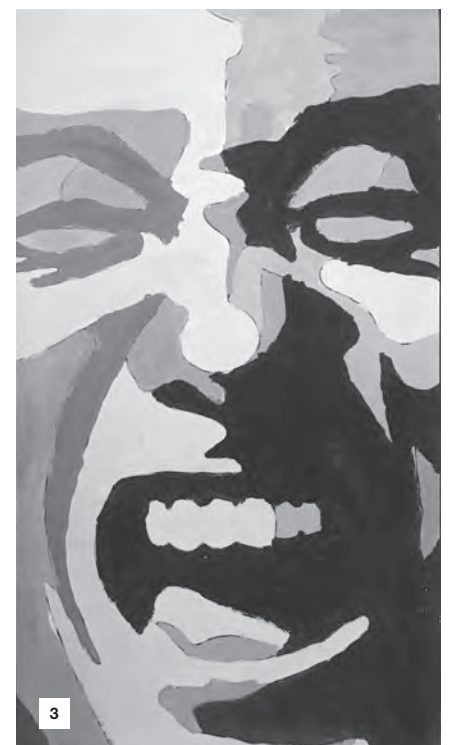

Visual Art in the Junior School provided a wonderful learning environment for all the boys. Mrs Cabot, our Reception Art teacher, provided engaging experiences and insight into contemporary art and specific techniques of art making. Boys in Year 1 through to Year 6 explored many topics, specifically designed to build upon skills, techniques and knowledge. The imagination and awareness of the visual arts were unlimited.

This year's highlight was our Artist in Residence program with Aboriginal artist, Sasha Hill. As an artist for over 15 years, Sasha shared the significance of Aboriginal culture, language, history and creativity. Sasha demonstrated her painting techniques and how these are incorporated onto canvas. The boys applied dot painting techniques to canvases with skill and patience. Storylines were outlined in black paint, symbols enhanced with white paint and backgrounds immersed in clusters of colours.

Every boy in the Junior School, from the Early Learning Centre to Year 6, participated in the Artist in Resident program. Drawing from imagery and symbolism. They developed stories and formed their paintings; representing journeys of travel across the land, of animals and of hunting. Symbols of resting places and waterholes represent a unity of togetherness, meeting and community. The Reception boys experienced the creation of artworks on canvas, exploring animals and colours. Our Early Learning Centre boys transformed words into sculptures, capturing imagery from stories and manipulating clay into beautiful expressive sculptures.

Our 2019 Junior School Art Exhibition was titled Journeys and Stories and celebrated the artworks all the boys created with Sasha. The exhibition represented the journey of learning which they experienced and the Aboriginal inspired stories and symbols we shared, to create the artworks. Sasha's guidance of skills and techniques were reflected in the impressive exhibition.

# Senior Drama Production

## The Caucasian Chalk Circle by Bertolt Brecht

In Term 2, the Drama Centre saw talented Saints boys from Year 9-12 join forces with skilled girls from neighbouring schools to perform Brecht's, *The Caucasian Chalk Circle*. This world renowned play is a parable that explores what happens when the law conflicts with justice. The play compels us to ask who is right and wrong. *The Caucasian Chalk Circle* is a testament to Brecht's ability to energise his political purpose with an unsentimental fairy tale, song, romance, battles, beheadings, dangerous journeys and a high stake trial.

With a beautiful, haunting original score by Eton Williams (Year 10) and a striking, industrial steampunk design, the production successfully reenvisioned a modern classic. The students' dedication and countless hours of rehearsals paid off, with audiences impressed by the high standard achieved by all. Special mention must be made of Sam Harrison (Year 11) for his outstanding performance as Azdak the Judge. Sam handled this challenging role with great skill, providing a nuanced and thoughtful interpretation that left audiences thinking and thoroughly entertained. Mahala Truscott (St Peter's Girls) was mesmerising as the protagonist, Grusha, successfully taking the audience on her journey to save an innocent child with courage and sensitivity. A noteworthy performance was also given by Madison Lacy (Walford Anglican School for Girls) who delivered a sophisticated portrayal of Natella, finding wonderful moments of both comedy and drama.

I would like to thank Mr Paul Fabbro for his unwavering support and assistance throughout the rehearsal process and Mr Scott Russell and Ms Brigid Dighton for turning the steampunk vision into a reality.

To be involved in a drama production is a unique and memorable experience and these students made the most of it. I couldn't be prouder of their efforts.

Ms Jacqueline Cook  
Drama Teacher

**8** Jack Maitland (Year 10), Madison Lacy.

# Year 12 Drama

## Hamlet by William Shakespeare

People often use the word courage when describing the tenacity of sportspeople and yet the same word is equally valid when describing the daring of the actor. It takes courage to commit to a role; determination and resolve are essential ingredients of rehearsals; and bravery is necessary when presenting one's art to an audience. This year's Year 12 students proved to have both the talent and tenacity to present Shakespeare's *Hamlet*.

Shakespeare's play allowed seven young actors to demonstrate a professionalism well beyond their years. Shant Becker (Year 12) accepted the challenge of performing the role of the melancholy Dane and the result was a remarkable performance. His young, brooding, and at times dangerous and volatile Hamlet dominated, in an effortless manner, the stage. He was able to present the vulnerability, "madness" and distress of a prince who has been given a commission he does not want. Shant was not intimidated by the complexity and richness of the bard's words. Soliloquies were delivered with a naturalism and truth that spoke to all.

Henry Allen (Year 12) did not flinch from the task of depicting both Gertrude and Ophelia. As Hamlet's mother, he presented a haughty and assured demeanour; a woman who was not ashamed of her

infidelity and was not prepared to tolerate her son's eccentricities and acts of rebellion. His Ophelia displayed an inner strength, as she fought for her dignity against the manipulation of her father and the cruelty of Hamlet. Sodden with water and smeared with mud, Henry's mad Ophelia clenched her father's shroud and educed sympathy.

As Claudius, Thomas Spiby (Year 12) presented a lascivious seducer and ruthless murderer who was prepared to torture his nephew. His soliloquy revealed a tormented sinner entrapped by his dark desires.

Kush Goyal's (Year 12) Horatio captured the frustrations and pain of unrequited love. Few will forget his cries of pain as he wept over the body of his tormented friend.

William Trotman-Dickenson (Year 12) ably portrayed both father and son. His Polonius was more sinister than comic and his passionate, reckless Laertes provided the play's denouement with a captivating duel.

Kijana Kamau (Year 12) and William Langley (Year 12) demonstrated their versatility by presenting a number of characters. Their Rosencrantz and Guildenstern failed to comprehend the extent of Hamlet's pain and their gravediggers added moments of levity before the tragedy's final moments of devastation.

The production's plaudits were many and each actor demonstrated exceptional talent and undeniable courage.

Mr Paul Fabbro  
Head of Drama

# Year 11 Drama

## Mojo by Jez Butterworth

Directed by Hayley Patton

*Mojo* is an extraordinary tale of rock 'n' roll and revenge.

The students portrayed Butterworth's brutally funny journey through the seedy London rock scene of the 1950s. The play follows a gang of would be power players who, seduced by the promise of fame and fortune, battle for control of a hot teen singing and dancing idol, Silver Johnny. *Mojo* was a tightly wound thriller which examined grim humour and the dark underside of the fun and carefree days of rock 'n' roll.

All the students committed themselves to their roles and duties, and showed exceptional talent when it came to this unique and intriguing production.

Ms Hayley Patton  
Drama Teacher

**1** The Cast of *Mojo*. **2, 3** Jamie Grozev and Sam Harrison.

### Cast

Sydney Potts	Tristan Theseira
Mickey	Jayden Le
Sweets	Aaron Godfrey
Ezra	Ted Hickenbotham
Charlie Dodds	Bill Sinclair
Mr Ross	Jeremy Harding
	Ben Ashman and Jake Nesbit
Lighting/Sound	

# Year 10 Drama

## Hacktivists by Ben Ockernet

Ben Ockernet's play, *Hacktivists*, tells of our world today and how technology is, in many ways, making our lives more complex.

The Year 10 drama students, performing for peers and parents, became characters who struggle with moral and ethical dilemmas. Computer "geeks" have their lives disrupted by Ben (Alex Karytinis, Year 10), a new boy who helps them to recognise their power and the wider consequences of their actions. Freedom of expression and thought come into conflict with the government's right to know.

*Hacktivists* provided each actor with an opportunity to create a character with distinct traits. The ensemble nature of the production meant that success depended on the hard work of all. Performers focused on honing their acting skills as they aimed to present, as realistically as possible, students of today. Of particular note were the performances of Alex Karytinis (Year 10),

Yash Patil (Year 10), David D'Ottavi (Year 10), Lianos Karapetis (Year 10) and Josh Wilson (Year 10). Each brought a degree of complexity and passion to his role. The students showed audiences how the young can use contemporary theatre to speak of serious political issues that shape our lives now and will determine our way of life in the future.

Paul Fabbro  
Head of Drama

**1, 2** The Cast of *Hacktivists*. **3** Yash Patil, Lianos Karapetis and Henry Chipperfield.

Alex	Josh Wilson

# Junior Drama

## The Snow by Finegan Kruckemeyer

In 2019, it is apparent that within our world resides much unsubstantiated hate and vitriol. It appears many of us find voice as keyboard warriors and often our tribalised opinions are fuelled by an anxiety in feeling left out of the conversation. This beautiful play, by distinguished Adelaide born playwright, Finegan Kruckemeyer, reminds us that we all come from the same source: the magical energy of creation. Now, more than ever, we must confront our personal darkneses and unite in love, harmony and compassion.

When an epic snowfall imprisons the residents of the tiny village of Kishka, young Theo and Dore Sutton propose that the villagers build a catapult to fling them and six of the village's bravest and strongest out in search of a solution. The catapult hastily assembled, Theo, Dore and the heroes are launched over the snow and into the grandest of adventures.

With design elements inspired by the block colours and imaginative illustrations of Ted Geisel (AKA Dr Seuss), the play was presented in the style of magical realism. Whimsical and humorous, dark and mysterious, heartfelt and sincere, this play truly did weave a fantastical Grimmian tale that was celebrated by the entire family.

The commitment, talent and investment exhibited by the boys in the ensemble were truly remarkable. I was moved by their willingness to invest wholeheartedly in the project, overcome adversity and challenge and ultimately present an outstanding piece of work. I am grateful to work with such inspiring young men and I am sure we will see some of them grace the stage in the professional context.

Firstly, I must thank Ms Jaqueline Cook, my Assistant Director. Without her, this show would not have been accomplished. Additionally, I must thank the Arts Faculty, in particular, Mr Paul Fabbro, Mr Scott Russell, Ms Hayley Patton and Ms Brigid Dighton.

Mr Darcy Crouch  
Drama Teacher

# Senior School Music

## From the lawns of the Hill Wing to the streets of Venice

It has been an exciting and fulfilling year of music making at St Peter's College, with students presenting various performances across the globe. Our students gave performances on the green lawns of the Hill Wing through to the stages of Memorial Hall, and not to forget the muddy grounds of The Barn in Mount Gambier.

We even travelled all the way to Europe for al fresco performances on the streets of Venice.

Our music students have risen, yet again, to greater heights as they relished all the performance opportunities offered to them this year and gave such outstanding performances.

Highlights from 2019 include our small jazz vocal ensemble coming fourth in Division 1 in Generations in Jazz. Charlie

Wells was named the most promising jazz vocalist in this year's competition. Additionally, the St Peter's College Big Band performed in Division 1 and placed seventh in this national competition overall.

Other highlights most definitely include the amazing combined St Peter's College and Wilderness School European Music Tour. We competed in the Bratislava International Youth Music Festival and received seven awards for musical excellence and very much enjoyed all the beautiful cities we visited.

Our music students are always appreciative of the talented and dedicated Ensemble Directors at St Peter's College who continue to inspire and motivate them through their weekly rehearsals. They also value performances and workshop sessions with visiting inspirational

musicians. Our students have been blessed this year with working alongside Hugh Jackman, Ross Irwin, James Morrison, David Newdick, Michelle Nicolle, Emma Pask just to name a few. These memories will stay with our young musicians for years to come.

Mr Philip Walsh  
Director of Music

**1** Music Captains: Kush Goyal (Co-Captain of Music), Joshua Dunstan (Vice Captain), Will Varga (Vice Captain), Henry Allen (Co-Captain of Music), George Young (Vice Captain). Absent: Mr Philip Walsh (Teacher in Charge). **2** Generations in Jazz, Large Jazz Vocal Ensemble. **3** Generations in Jazz, Stage Band: Tom Oldfield, Josh Watson, Will Gaertner. **4** St Peter's College and Wilderness School European Music Tour 2019. **5** Jazz @ The Gov, Fraser Town. **6** Jazz @ The Gov, Dixieland Band, Saeed Bajhau, Tom Gaertner, Aiden Donnevert.

# Junior School Music

The Annual Concert was a colourful presentation of a variety of styles from the eighties era. The choirs, bands and ensembles transported the audience back to a time of big hair, fluro fashion and power ballads.

The Year 1 and 2 Concert, *Songs of Friendship*, under the direction of Ms Katie Carey, demonstrated a skilful blend of singing, dancing, body percussion and a real sense of joy and pride throughout.

The Year 3 boys were immersed into the world of strings under the guidance of Mr Sam Howes. The Year 4 students then further built on their musical knowledge as they developed their skillset of playing a band instrument. The programs for both these year levels develop the boys' musical skills to an exceptionally high level at such a young age.

All bands, ensembles and choirs performed at the end of year Music Showcase which concluded with an emotionally charged tribute to Mr Sam Howes and Mr David Kolpak.

The Reception boys performed *The Nativity* through song, dance and drama. The ELC classes showcased their musical skills at the Christmas Celebration.

We have an incredible team of instrumental staff. They not only teach the boys to play their instruments but they are willing to impart their knowledge and experiences and therefore instill accountability, passion, discipline and determination. The boys benefit and develop responsibility, teamwork and goal setting when taking part in these groups with like-minded learners.

I would like to thank the entire community for making me feel so welcome during my first year at Saints.

Mr Simon Varga  
Junior School Music Coordinator

**1** Years 5 and 6 Choir performing at the Annual Concert. **2** Junior School Concert Band performing at the Junior School Music Showcase. **3** Junior String Orchestra performing at the Junior School Music Showcase. **4** Year 5 Xylophones performing at the Annual Concert. **5** Year 6 Dance performance at the Annual Concert. **6** Finalé Performance at the Annual Concert. **7** Year 5 Xylophones performing at the Annual Concert. **8** Year 6 Dance performing at the Annual Concert. **9** 6/7 Swing Band performing at the Annual Concert. **10** Percussion Ensemble performing at the Annual Concert.

**Absent:** Angus Cameron, Krishen Nair, Hailun Wang, Peter Zhang

# Curricular

# Creativity Action Service (CAS)

Creativity, Activity, Service (CAS) is at the heart of the Diploma Program. The three strands of CAS, which are often interwoven with particular activities, and a CAS Project, are characterised as follows.

- **Creativity:** arts, and other experiences that involve creative thinking and learning new skills.
- **Activity:** physical exertion contributing to a healthy lifestyle, complementing academic work elsewhere in the Diploma Programme.
- **Service:** an unpaid and voluntary exchange that has a learning benefit for the student. The rights, dignity and autonomy of all those involved are respected.

I am pleased to report that the IB Class of 2019 embraced the true spirit of the CAS program and participated in, and organised an enormous range of activities that, for most, involved new and challenging experiences.

Some of the significant CAS Projects that were initiated by the boys included:

- Toy making for children from disadvantaged backgrounds.
- Volunteering at various shelters that aid marginalised patrons.
- Teaching refugees English.

Mr Paul Hadfield  
IBD and CAS Coordinator

# English / EALD

## English

2019 started with a celebration as we considered some of the best results at Year 12 level. It is a credit to the Faculty that our boys produced some outstanding work.

Thank you to the staff for their consistent hard work and dedication. Ms Filomena Roma has been an outstanding and experienced new staff member and Ms Georgia Brass joined in Semester 2 and has proved herself to be a hardworking and innovative teacher.

We said goodbye to Ms Kiralee Thompson who filled a variety of roles in Semester 2 and goodbye to Ms Amy Martin and Ms Catherine Waldron, all of whom will be greatly missed. Finally, Mr Darcy Crouch heads off on a big adventure for a year and we wish him all the best!

Ms Nia O'Loughlin joins us next year, who is an exceptional prospect winning the University of Adelaide's award for Most Outstanding Student Teacher in 2019.

and Ms Christine Iadanza rejoins after a year of maternity leave. Many thanks to Ms Vanessa Traino for dutifully stepping into her role this year. Equally, thanks to Ms Meg Reid for all her support with the Middle School curriculum.

The strength of the Faculty as a whole and the positive collegial environment makes the School such a wonderful place to work.

Mr Glyn Roberts  
Senior School Teacher

## EALD

The EALD program continues to go from strength to strength. 2019 saw an influx of students at all levels, as well as new teachers. We are incredibly lucky to have a huge wealth of experience in the program with lots of different interests and perspectives.

Students across all year levels were busy with lots of new and exciting parts of the curriculum, from learning about Australia's big things in Year 7, reading Colin Thiele's Storm Boy in Year 10 and so much more.

The big highlights for the year were the Year 7 to 9 Adelaide Hills excursion on 14

November. The tour took the students to The Big Rocking Horse, Melba's Chocolate Factory, the Hahndorf Inn for lunch and then Beerenberg Farm for strawberry picking.

The Year 10 class undertook an excursion to the Coorong on 21 November. They attended the Whale Centre at Victor Harbor, lunched at Corio Hotel, walked along Hindmarsh Weir and explored the Goolwa Wharf and Train Station.

The Year 11 group had dinner at the Belgian Beer Café to finish the year and farewell Miss Sally Ziniak.

Thanks to all students and staff who made it such a successful and wonderful year.

Ms Sally Ziniak  
Coordinator of EALD (Year 10 to 12)

Ms Ana Christensen  
Coordinator of EALD (Year 7 to 9)

1-3 Year 7 to 9 students exploring the Adelaide Hills.

# Chinese

## Senior School

The Year 7 to 12 students had opportunities to enjoy the Chinese culture through various activities embedded in the Chinese program.

At the beginning of the year, all year levels celebrated the Spring Festival. The highlight was when Year 8 students learnt how to hand make dumplings.

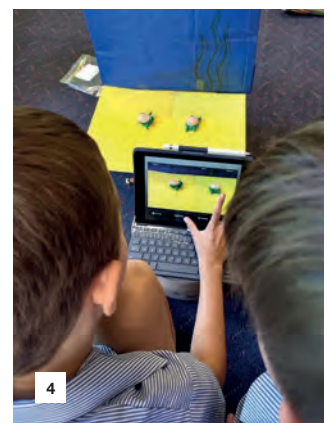

Throughout the year there were many enjoyable events and outings for the students. The Year 7 to 9 students enjoyed their annual Chinese lunches on campus. The Year 8 to 12 students went to watch the movie *Farewell*, which sparked interesting discussions in the classroom. As a special treat for our Senior School students, the Year 11 and 12 group enjoyed a feast of hot pot and an amazing race during the excursion to Chinatown.

Additionally, the Year 7 students painted lanterns and the Year 8 students made mooncake during the Moon Festival and the Year 9 classes experienced Chinese martial arts firsthand.

The Chinese Society organised Chinese games and movies during lunchtimes and social events with Seymour College during Dragon Boat Festival and Moon Festival.

Congratulations to Chathula Kiripitige (Year 10), who won third place in the "Chinese Bridge" Chinese Proficiency Regional Final Competition and Eton Williams (Year 10), who won the 2019 CLTASA Chinese Language Award.

Ms Xiaoning Wang and Ms Fangfang Qiu  
Chinese Department

## Junior School

The Year of the Pig was a busy time for boys in Year 3 to 6 Chinese. All year levels started by celebrating Chinese New Year and made lanterns to decorate their classrooms. Year 3 students learnt to write and say numbers, participated in performances of Happy Birthday, learnt about components, made comics and a Puppet Pal to introduce themselves. They also compared and contrasted *The Four Dragons* with an Indigenous story *How the Murray Was Made*.

Year 4 students built on their knowledge of numbers to include hundreds and thousands, blogged about China's tourist attractions, made posters to introduce themselves, and created a beautiful family tree display and puppets for a performance of the song *Two Tigers*.

The Year 5 students learnt about important dates in Chinese and Indigenous history, created a blog to introduce themselves plus a weather broadcast and their own business at a travel expo.

This year, the Year 6 group made a timetable of their activities, a daily routine iMovie, looked at different and unique Chinese foods and finished the year with fried rice cooking for their families.

Congratulations to Ren Anderson who won the Chinese Prize.

Mrs Trish Bartholomaeus  
Junior School Chinese Teacher

**1** Year 7A Chinese Class. **2** Thomas Luhrs (Year 7), Kevin Dinh (Year 7) making lanterns. **3** Chinese cooking class with Ren Anderson, Dougal Grieve, Charlie Tonkin. **4** Claymation. **5** Junior School hanging Chinese lanterns.

# French

## Senior School

The 2019 French program included cultural and language activities and events including French breakfasts, morning teas and an indoor picnic, as well as lunch at La Lorientaise (Year 10), while the Year 11 and 12 students used their best French ordering at Hey Jupiter. In addition, French Society, led by J Psaltis, W Subramanian and J Mortimer, welcomed French Chef, Patrick Ulbrich, in Term 2.

The boys enjoyed the Competitive Languages Soccer competition, our Junior French students won SAFTA Annual

School's pétanque competition and the SAFTA Year 7 Poetry competition was won by B Kerr and S Ran.

The Alliance Française French Film Festival, Adelaide University French Club and Panache plays were among the excursion highlights.

Other academic highlights included the Year 12 French evening at Flinders University, the SAFTA best Year 7 French student, won by Henry Robertson and the annual Education Perfect Languages

Championship, where many students achieved outstanding results.

The Year 7 group presented their French monuments and the Year 10 students produced original bilingual children's stories to the Junior School French students.

Félicitations! Merci to all boys and to their French teachers Mme Spiby, Mme Rek, Mlle Harvey and Mme McLachlan for their efforts and enthusiasm.

Ms Irene Castrechini-Sutton  
Coordinator of French

## Junior School

The 2019 theme for the Junior School French classes was a *Holiday in France*.

Throughout the year we explored Paris and other French places through their cultural festivals.

We were very fortunate to have a French folk dancing teacher, Laurel de Vietri, teach energetic new dances to the Year 2 classes during Term 2.

We also celebrated Bastille Day, in style, with delicious warm croissants and hot chocolate in the Da Costa Dining Hall.

The musical items were performed by the Year 2 Strings group and they were

joined by Ryan Nie (Year 1) and Beau Leon (Year 1). Certificates and prizes were awarded to some students with celebrations recognising students' efforts.

Congratulations must go to Kaeshav Rajasekaran, who was the 2019 winner of the R/1 category in the annual South Australian French Teachers' Association Poetry Competition (le Grand Concours de la Poésie Recitée) and Nicholas Savvoulidis was runner up of the 2/3 category.

Some of the Senior School French students shared their monument projects with us during Term 4. The Reception students had a wonderful session with some talented Year

10 boys who wrote some very interesting stories and created iBooks to share.

Ms Marcia McLachlan  
Junior School French Teacher

- 1 Education Perfect competition winners.
- 2 Year 2 Pétanque champions 2019 with Madame McLachlan, Nicholas Painter, Jason Penkoff, Austin Scarsella and Stefan Dimovic.
- 3 French Society with guest French chef Patrick Ulbrich.
- 4 Shehroz Ayaz 2S French Show and Tell.
- 5 Hamish Hill, Hugo Yates, Jayden Pham and Patrick Zingini at Bastille Day.

# Spanish / German

## Spanish Ab Initio

Committing to two years of learning a new language from scratch in Year 11 can be a daunting experience but this is exactly what the Spanish Ab Initio students sign up to. The first challenge in learning a new language is to cope with the pace when grasping new topic vocabulary and grammar. Add to that, the rigours of the IB curriculum in which we address international mindedness and embrace Theory of Knowledge (TOK) and Creativity, Action, Service (CAS).

Our students researched and presented on a range of themes in creative online ways, such as Adobe Spark for oral presentations on a Hispanic fact file or iMovie to describe a notable Hispanic person from history. Online resources including Education Perfect, OneNote, Youtube videos and news items in Newsela enhanced the learning experience to practise language acquisition and engage with relevant articles.

In less than 24 months, students learnt to converse in a range of tenses and topics including the environment, festivals and social questions.

Highlights included a quiz night at Seymour College in which our team placed second, the Spanish lunch, the Spanish Film Festival and competing in the Languages Soccer Cup as part of the UN team.

Mrs Rachel Spiby  
Head of Languages, Teacher of Spanish

## Senior School German

This year, German students engaged in a number of events and cultural activities, including excursions, workshops and German food.

The Year 8 and Year 9 classes watched films showing at the German Film Festival as well as enjoying German food on the German lunch days. The Year 7 classes did not miss out, taking part in a German breakfast menu of waffles, apple sauce, fruit and hot chocolate.

A food stall selling berliners and pretzels was organised on the Languages Soccer Day, where the Senior School German students gave the rest of the School a taste of Germany. And both the Senior and Junior German teams were overall soccer winners of the day!

The Year 10 and 11 classes took part in the German Day Out organised by the German Department at the University of Adelaide, which involved attending language games, information sessions and movement activities, giving them a small taste of life on campus.

The German Society has been very active this year, organising a range of activities such as German games, quizzes, soccer, table tennis and a film. Interest shown by the upcoming Year 12 group will ensure that the success of this society continues in 2020.

Ms Monica McCauley  
Coordinator of German

**1** Senior and Junior German team winners of the 2019 Languages Cup. **2** Merit Award winners for the German Education Prefect competition. **3** Enjoying food at the Year 8 German lunch. **4** Attending the German Film Festival in the city.

# Humanities

The Year 8 Geography students visited Christie Walk Eco Village in the Adelaide CBD. The area was revitalised by a group of socially and environmentally conscientious community members and houses 45 people in medium density housing that is not only highly sustainable but designed to foster a rich community. The students learnt about the various sustainable design philosophies implemented and recycled materials used.

During October a group of Year 9 historians travelled to Port Adelaide to explore early Australian colonial settlement experiences. The boys visited the Port Adelaide Lighthouse, South Australian Maritime Museum and the oldest clipper ship in the world, City of Adelaide.

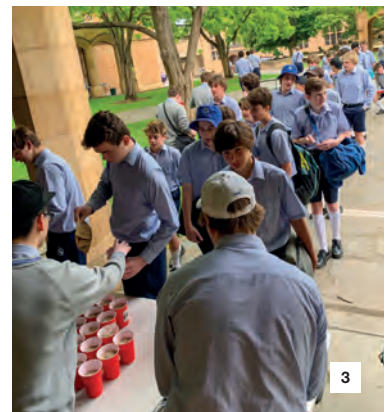

The Year 11 Business and Enterprise students ran a series of business stalls and, working in groups of four, sold a range of food and drink products including pancakes, ice creams and confectionery. The class needed to sell products that would attract their target market and three of the four stalls completely sold out of their products. They made a combined profit of over \$760 in just 20 minutes and the class donated all the profits to Huntington's Disease SA in recognition for Mr Ben Wilson.

St Peter's College Economics students had their tenth annual University of Adelaide Economics Experience and enjoyed game theory activities as well as discussion with current Economics students and a Macroeconomics lecture. Students also attended an insightful lecture by Dr Luci Ellis, Assistant Governor (Economic) Reserve Bank of Australia, who gave a keynote address on monetary policy and current economic conditions. Both were insightful experiences we hope gave our students an idea into the importance of Economics and the potential career opportunities it provides.

Shreyas Khanna (Year 10) was a proud recipient of the 2019 Premier's Anzac Spirit School Prize and subsequent Vietnam tour, for his study of the World War I service.

Ms Trudi Duggin  
Head of Humanities

**1-3** Students enjoying the Business and Enterprise Stalls. **4** Students at the Clipper Ship – Port Adelaide. **5** Students outside the Lighthouse at Port Adelaide. **6** Students at the Maritime Museum – Port Adelaide.

# Maths / Science

## Maths

2019 has been a very successful year in Mathematics. Our 2019 Mathematician in Residence, Dr James Tanton (PhD, Mathematics, Princeton 1994), provided outstanding lectures to all. His message that mathematics is accessible to all encouraged the boys to find delight and beauty in the subject.

This year we welcomed Ms Lisa Southwell and Ms Hayley Horton to the Mathematics faculty. These staff members have made a positive impact on student learning and we are grateful for their significant contributions.

In 2020, we will be welcoming Dr Chris Holden and Mr James McRae. We look forward to inducting them into the Mathematics Faculty at Saints.

The St Peter's College Mathematics staff are highly professional, skilled and dedicated professionals who aim to always provide the very best learning environment for your son to thrive in this subject.

The following quote echoes the passion held by staff for our subject. 'Mathematics has beauty and romance. It's not a boring

place to be, the mathematical world. It's an extraordinary place; it's worth spending time there,' Marcus du Sautoy, British mathematician.

We look forward to continuing to support and challenge your son in Mathematics during 2020.

**Mrs Vanessa Gorman**  
Head of Mathematics

## Science

A year of farewells, with the Science Faculty saying goodbye to Mr Peter Warnes, Mr Chris Smyth and Mr Tony Begley. We are losing 83 years of experience with their departure and we wish them all the very best.

Ms Kat Jenkins and Dr Anne Jensen came to the School to talk to the IB students about the Murray-Darling Basin and the significant environmental impact the farmers were having on the basin and the ecology of the river, and the difficulties in dealing with such a lack of water.

In April, we were fortunate enough to be able to take seven 10 inch reflecting telescopes to the Grampians and some astronomy on the Year 8 camp and the students looked at planets, nebula and other galaxies.

In June, we tested all students in Year 7 to 9, and they did exceptionally well, with Casper Cai, Eddie Moss, Ben Northcote, Jacob Sweet, Oliver Hamilton, Darren Nguyen,

Hieu Pham, Max Wang, Will Lawrence, Henry Reynolds, Charlie Wells, Derek Yang, Duc Pham and William McConnel all scoring within the top one per cent of the nation at their year level. A further 40 boys scored within the top ten per cent.

A group of Year 11 students also participated in the Physics Olympiad, which is a very demanding physics competition, with impressive results. Shrey Sinhal and Thomas Gaertner received high distinctions (top ten per cent of all entrants), Alexander Rowe and Nickolas Tolis received distinctions and James Tallent and David Wang received credits.

All boys did well in the long examination and it is worth mentioning that Matthew Goh (YNG '15), who has just been awarded a Rhodes Scholarship to continue his studies in Physics also scored a High Distinction in this competition.

The Year 7 and 8 students participated in many Science activities. They learnt how to separate mixtures through molecular gastronomy, a subdiscipline of food science, whilst our Year 8 students enjoyed making mousetrap cars during their energy unit.

At the end of the year, students participated in the annual Year 7 rocket powered car race. In this race, students raced a high density styrofoam car, that they have carefully produced, reaching speeds around 100km per hour.

2020 looks to be very exciting, with two new teachers and changes to the timetable.

**Mr Karl Grice**  
Head of Science

- 1 Dr James Tanton presenting at muster.
- 2 IB Presentation on the Murray-Darling Basin.
- 3 Students listening to Dr James Tanton's presentation.
- 4 Year 7 rocket car race day.

# Personal Development

The Personal Development Faculty is comprised of the Health and Physical Education, RAVE and Wellbeing departments. Over the course of the 2019 academic year there were a number of highlights and developments with all departments. With the appointment of Barnaby Eaton as the Director of Sport and HPE, a new strategic direction for Health, Physical Education, Sport and Athletic Development began to take shape. This included changes to elective options starting in 2020, a new Physical Education course in SACE and students in both SACE

and the IB undertaking the IB Sports, Exercise and Health Science course. In the Wellbeing department all students in Years 7, 8 and 10 continued with the taught curriculum which focused on Wellbeing theory and practice. The *Night of the Notables* was again a highlight with the Year 7 cohort. At the end of the year Mr Sean Inman was appointed as the Head of Wellbeing with the responsibility to embed Wellbeing theory and practice across all aspects of the Senior School. In RAVE lessons students from Year 7 – 11 engaged in regular taught lessons which underpins

and strengthens the Chaplaincy program at the School. As the students move into 2020 Religious Studies is now being offered as a Stage 2 Year 12 subject.

Mr Matthew French  
Head of Personal Development

1 Students using the gym facilities.

# Technology

2019 was a busy and exciting year for the Technology Faculty. With new equipment and revised courses, both staff and boys are to be commended on the exceptional work.

A key focus was on innovations in technology, specifically on game and app development. The introduction of the Voxel volumetric display has provided a specific focus with boys designing 3D games using Unity software.

## Design Technology

Each year, the Rotary Club of St Peters invite the Design Technology Department to nominate students to receive the Vocational Technical Excellence Award for their work during the year. In 2019, the two recipients were Will Golding for his superb bike workbench and Shiva Mukherjee for his arcade machine.

## Science and Engineering Challenge

The Technology Faculty, in conjunction with the Year 9 Enrichment class, entered the University of Newcastle's Science and Engineering Challenge. This national competition aims to promote STEM subjects through engineering and problem solving challenges. Although the team did not progress through to the state final, they all enjoyed the worthwhile experience.

## Pedal Prix

This year also saw the Technology Faculty continue its successful association with the Pedal Prix event. This was highly successful and our thanks go to all those involved in this action packed activity. The workshop was a hive of activity at peak times during the season, both preparing and repairing vehicles.

## Art/Technology Show

The Art, Design and Technology Exhibition was a huge success. Student work from all year levels and subjects were on show for the School community to enjoy.

This year, Will Daniels was the guest speaker. His association with the Design Technology Department has been significant through the Subs in Schools program, through which Will coordinates SAAB Australia's mentoring program.

Congratulations to the following students that were awarded academic prizes in the Technology Faculty:

- AB Sailor Webb Material Products Prize: Samuel Craven (Year 12)
- Digital Technology Prize: Samuel He (Year 12)
- Material Products Prize: Rhys Godfrey (Year 11)

- Stage 2 Integrated Learning Prize: Abdullah Rizwan (Year 11)
- Digital Technology: Toby Grice (Year 11)
- AB Sailor Webb Material Products Prize: Felix Packer (Year 10)
- Systems and Control Products Prize: Austin Hushen (Year 10)
- Digital Technology: Wei Hang Khoo (Year 10)
- Digital Technology: Louis Rust (Year 9)
- Industrial Product Design: Christian Bizot (Year 9)

Thank you to all the students and staff for their continued support. I would like to thank Mrs Pat Aller for her years of service and dedication in the Department. We wish her well in her retirement.

Mr Nick Lamont  
Head of Technology

- 1 Austin Hushen, Luke Wheare and Will Gunner admiring a tank at the Edinburgh RAAF Base during the AstroSTEM day.
- 2 Tom Disney, Nic Michaels, James Howard and Ned Duggin admiring Jock Burton's arcade machine.
- 3 Patrick Bury and Sebastian Rogers working on a chicken coop for the Junior School.
- 4 Shiva Mukherjee and Will Golding with their certificates at the 2019 Rotary Creativity and Design award night.
- 5 Paty Morris receiving instruction on flight simulator RAAF AstroSTEM day.

# Miller Library

A major focus for the Miller Library has been the provision of audio and ebooks to complement our existing collections.

The importance of reading was recognised firstly through Book Week celebrations. Students were sent on a clue quest around the Senior School campus ending in the library, solving intricate puzzles so that they could progress. Oscar Chen's (Year 9) entry was the first correct one drawn.

The staff quiz is always a perennial favourite. Students needed to guess the superpower that their teachers wished they had. The winner of this competition was Hugo Wurm (Year 9).

We also participated in International Games Week, which celebrates the educational, recreational and social value of video, board and card games, which gave the boys a chance to realise that there is more to a library than books.

The Year 7 students also had the pleasure of listening to an interesting presentation by one of Australia's most successful authors, Morris Gleitzman.

At the end of 2018, we farewelled Mrs Julie Manser and in early 2019 welcomed Miss Katherine Hicks from the University of South Australia as our new Library Services Officer.

Ms Pat Aller  
Head of Library

# Junior School Library

The Junior School Library offered many opportunities including meeting the renowned authors Jacqueline Harvey, Morris Gleitzman, Phil Cummings, Sally Heinrich, Boori Monty Pryor and Jackie French.

Our dynamic displays — always a talking point — included celebrating the anniversary of the moon landing, Remembrance Day, Premier's Reading Challenge and a massive wall with all boys dressed as a superhero for the Book Week theme *Reading is My Secret Power*.

Our Library Leaders, Anirvan Iyengar (Year 6) and Harrison Gray (Year 6), plus the Library Committee were fully involved in leading a number of events including hosting a *Star Wars* quiz, a treasure hunt, draw a mystery character and book swap.

## Students' thoughts

'I love the complete atmosphere of the Junior School Library. As soon as you step through the doors, you are greeted by very friendly librarians who are always prepared to help you find a good book,' Anirvan Iyengar.

'The Junior School Library has lots of amazing books with many different genres. My favourite would have to be fantasy. *Percy Jackson and the Heroes of Olympus* would have to be the best series of all time,' Hudson Kerr (Year 4).

'Does running to the Library count as sport?,' Feng Feng Li (Year 2).

Ms Alison Winter and Ms Sue Dansie  
Teacher-Librarians

# Art and Pottery Club

## Art Club

Art Club allowed boys to build, make, explore, create and problem solve an unlimited number of artworks and sculptures. A diverse range of materials allowed boys to create via painting, sculpture making, weaving, wood building and construction, drawing, collage and card constructions. Building boats, planes, rockets, spaceships and cars were extremely popular. Weaving projects were formed into bowls, pillows and hanging sculptures. Large canvases of Aboriginal dot paintings filled the entire Art Room allowing boys to swarm, discuss and create collaboratively. The imagination of each boy was unlimited, permeating exploration and creativity.

## Pottery Club

Our morning Pottery Club was open to all Year 6 boys. A series of specialised classes were developed, requiring a great deal of focus and discipline. Focusing specifically on Japanese pottery wheel throwing techniques, students concentrated on specific steps to achieve high results.

The small classes were a lot of fun and a lovely way for the Year 6 boys to understand Japanese ceramic techniques. Glazing techniques were also applied and the boys were so proud to take their pottery home after the firing process.

Miss Sally Houston  
Junior School Art Teacher

**1** Year 6 hand built pots. **2** Donovan Fahey on the pottery wheel. **3** Laurence Anderson on the pottery wheel. **4** Sheharyar Shahid on the pottery wheel.

# Co-Curricular

# Battle of the Bands

Battle of the Bands continues to be a wonderful platform where the School is brought together to celebrate the amazing talent of our musicians and showcase student leadership.

As Farr House's annual fundraiser for Beyond Blue, the event has evolved to promote our incredibly diverse community and the importance of balance and mental health. The event was an incredible success with each House working hard to coordinate rehearsals and their House's performance.

This year, Farr House was led by Tim Prince (Year 12) who worked tirelessly behind the scenes to ensure the production ran smoothly and, for the first time, had professional sound and lighting.

Thank you to Josh Dunstan (Year 12) and Will Varga (Year 12) for leading our band, who placed second for their performance of *Are You Gonna Be My Girl?* The event would not have been possible without the behind the scenes work of Mrs Pat Aller and Mr Conor Kinsella; the judges, who had such a tough job with so much talent, and the musicians who put on an amazing show.

Well done to Farrell House who placed first in the competition with their performance of *Smooth* and to all the other bands who competed.

Tim Prince  
Year 12 Prefect, Farr House

## Awarded Order

1. Farrell
2. Farr
3. Hawkes
4. McDermott and Young
5. Short
6. Woodcock
7. Da Costa
8. Howard
9. School & Allen

# Debating

## Senior A Team I

There is no doubting the tremendous level of skill and sophistication Senior A Team I showed throughout the season, breaking into finals as expected. The development that this team has shown over the last three years is astounding. From relatively new debaters in their first year to winning the Senior B title in their second year to beating some of the best Senior A Teams this year, the motivation and maturity shown by the Team drove their success.

Alexei Economou

## Senior A Team II

Senior A Team II had a rewarding season, developing considerably as the year progressed. Alexander Rowe (Year 11), Angus Ritossa (Year 12), Hugo Bowyer (Year 12), Jeremy Harding (Year 11), Shant Becker (Year 12) and Thomas Jose (Year 11), worked well together to bring a diverse range of knowledge and expertise across topics ranging from the ethicality of pill testing at festivals to the viability of privatising the ABC.

Whilst the team did not progress to the finals this year, all deserve to be proud of their involvement throughout the season and gained a wide variety of analytical, rhetorical and communication skills, in addition to thriving Year 11 and 12.

William Ritossa

## Senior A Team III

The Senior A Team III, the 'meme team who turned into a dream team' had a successful year that ended in a quarter finals elimination from the team who eventually went on to win the Senior A competition.

Notable achievements include Rushan Khurram (Year 11) and Archie Goodson (Year 8) who were standouts throughout the season. However, the whole team proved that they are at a Senior A level. The most notable debate was that against the Seymour College 2 Team, in which the boys defeated two state team members in a close debate.

Connor Kitching

## Senior A Team IV

The Senior A Team IV included Isaac Hoe (Year 11), Charles Morton (Year 11), Jack Morton (Year 11), Richard Rosser (Year 11), Thomas Gaertner (Year 11) and Will Gaertner (Year 11). Despite some boys not having prior debating experience, they worked together excellently in planning debates.

Throughout the year, they all demonstrated notable improvements in their abilities to formulate convincing arguments. The boys had an enjoyable season, culminating in an entertaining debate against Seymour College concerning single use plastics.

It was a pleasure to watch their skills develop and I wish them well in their future debating endeavours.

Saujas Chanana

**1** Senior A1 Debating Team -Front Row: Kareem Shahin, Shiva Mukherjee, Mr Alexei Economou, Harrison Georgadis, Ollie Kleining Ms Meg Reid, Oliver Cobain, Ms Ashlea Wellington. **2** Intercol Debating Tournament. **3** Ollie Kleining debating.

# Debating

## Senior B Team I

The Senior B Team I consisted of Saeed Bajhau (Year 10), Lianos Karapetis (Year 10), Darryl Chu (Year 10), Joshua Chu (Year 11) and Eton Williams (Year 10).

It was a surprisingly successful season considering the significant interruptions and the numerous fill in students this team required due to Year 10 camp, Generations in Jazz and other worthy school commitments.

Knocked out in the quarter finals, I was very impressed with how the boys worked together under pressure to present sound arguments.

Mr Glyn Roberts

## Senior B Team II

The Senior B Team II had a great debating season this year.

With significant setbacks through the first few debates, all of the boys persisted and their exceptional performance is a testament to the talent and teamwork of the boys.

The team has great potential and will continue to achieve a lot in future years.

Alex Rowe

## Senior B Team III

The Senior B Team III had an inconsistent year, with them winning some debates convincingly and losing others with not much effort shown.

Events throughout the year, such as Year 10 camp and other events, inhibited the boys' prowess during the season. However, there were signs of dedication from some members such as Arvind Pati (Year 10) specifically.

If the boys continue to debate in the years to come, I'm sure they will show significant improvements and excel in the future.

Connor Kitching

## Intermediate A Team I

The Intermediate A Team I consisted of Josh, Gunin, Rohan, Archie, Will and Darren. The team performed well this year and each boy should be proud of their growth.

The boys got their first introduction to secret topic debates — where debaters only have 90 minutes between being given the topic and having to debate. Some of the boys were also lucky enough to have a chance to represent the School in some of the higher divisions, filling in for teams in the Senior A and competitions.

Shiva Mukherjee

## Intermediate A Team II

The Intermediate A Team II — consisting of Xander Grice (Year 9), Rajiv Paravithana (Year 9), Daniel Jesudason (Year 9), Nathan Choi (Year 9), Aidan Eaton (Year 8) and Ben Hewson (Year 9) — had an outstanding season, going undefeated in the minor round debates.

Their debating ability is incredibly promising with all of the boys taking major strides over the season.

Due to clashes with the Year 9 camp, the team was unable to thoroughly prepare for the quarter final debate. Nonetheless, they made a commendable effort, gracious in their defeat by the narrowest of margins.

It has been good to see their progress and we wish them the best.

Aaditya Mangla and Eric Zhou

## Intermediate A Team III

Aidan Hughes (Year 10), Ayden Matchett (Year 10), Lucas Langley (Year 10), Chirath Lekamge (Year 10) and Angadbir Sohi (Year 10) had a great season, with many close wins.

The team worked hard together against opposing teams, whilst picking up new skills. All boys showed noticeable improvement throughout the season, especially when it came to points of information.

The boys should be proud of themselves for putting up exceptional arguments against opposing schools, showing great teamwork and perseverance skills. It was a pleasure to coach them and we wish them well for their future Debating careers.

Menura Gamage and Abdullah Rizwan

## Intermediate A Team IV

What a season from the mighty Intermediate A Team IV! Although off to a shaky start with camps and boys overseas, we certainly pulled together when it was needed.

Although we were unlucky not to progress to the finals, Shreyas, Will, Sam, Seb and Jason should be proud of their efforts this season.

I wish the boys all the best for their future debating. Onwards and upwards for the mighty Intermediate A Team IV.

Oliver Cobain

## Intermediate A Team V

This year, the Intermediate A Team V dealt with a rocky season, due to interruptions such as the 21 Day Venture. However, with an unlucky loss in the first round and a strong win in the fourth, all debaters showed great promise.

Jack Maitland (Year 10) and Toby de Wit (Year 10) were strong first speakers and continued to develop as the season progressed. James Loftus demonstrated great understanding and knowledge throughout each debate and Zihao Wu (Year 10) continued his strong performances all year with great confidence and passion in each debate.

Overall, the team did very well and have promising debating careers in the future.

Harrison Georgiadis and Kareem Shahin

## Intermediate B Team III

The Intermediate B Team III consisted of Christian Weng (Year 8), Marcus Ooi (Year 8), Laith Shahin (Year 8), Oscar Chen (Year 9) and Adam Li (Year 9). Some team members had more experience than others coming into this season but it was pleasing to see all working together, respecting others' opinions and supporting each other.

All debaters showed improvement. In particular, Adam Li's debating style and confidence began to really shine towards the second half and this was great to watch. Special mention goes to Laith Shahin for his commitment and reliability. All boys should be commended for their effort as debating is a challenging co-curricular activity.

Ms Filomena Roma

## Intermediate B Team IV

The Intermediate B Team IV consisted of Ridho Redford (Year 9), Vithu Jayachakaran (Year 8), Xavier van Oijen (Year 8), Derek Yang (Year 9) and Gary Peng (Year 8). Whilst some members of this team were quite proficient from the outset, others should be commended on just how much they achieved in this first season.

All debaters showed improvement throughout the season but some put greater effort into their involvement than others and this really shone through. In particular, Ridho Redford and Vithu Jayachakaran displayed huge growth, learning from each round and this was fantastic to see.

Special mention goes to Xavier van Oijen for his consistent commitment and reliability.

Ms Filomena Roma

## Junior Team I

The Junior Team I, consisting of Tom Grosser (Year 7), Austin Brooks (Year 7), Oliver Hamilton (Year 7), Alex Koh (Year 7) and Dhruv Joshi (Year 7), had quite a successful year.

Unfortunately for the boys, they had to forfeit their first debate of the season as they were on camp, meaning one loss throughout the season and they would not make finals. This was tough to achieve and although the boys fought valiantly throughout the year putting up some impressive debates, they were unable to make a finals run.

I was very impressed by the stellar improvements the boys made and am sure they will advance further in Debating.

Connor Kitching

## Junior Team II

The boys had a great first attempt at Debating, with each improving significantly.

Aadi was a very reliable team member and a good all rounder, always willing to help out in the team.

Sid was an accountable member of the team. His enthusiasm during meetings is to be commended.

Kosta showed improvement in his rebuttal throughout this Debating season and David was an enthusiastic debater and his speech writing improved greatly throughout the season.

Stephen improved significantly in his rebuttal this season. He was very willing to take advice and showed admirable leadership qualities within the team.

Ollie Kleinig

## Junior Team III

This year's team consisted of Lucas Chan (Year 7), Haydn Kamencak (Year 7), Ruckshan Jayachakaran (Year 7), Carlos Liu (Year 7), Thomas Wu (Year 7) and Jesse Gallard (Year 7).

For many of the boys, it was their first year of Debating. The team won fewer debates than they were aiming for at the beginning of the year but, nonetheless, the boys sacrificed lunchtimes working on speeches.

They all worked incredibly hard throughout the season and should all be proud of their efforts.

William and Thomas Gaertner

## Junior Debating Team

I thoroughly enjoyed this year's Debating program. The boys involved should all feel very proud of the skills they have acquired and what they have achieved.

The number of boys in Debating continues to be strong, proving to be a popular activity. This year our Year 5 group was the largest ever. The Year 5 program is an excellent starting point for the boys to learn basic skills in debating before entering the inter-school competition in Year 6. I would like to thank Mrs Em Wilson for all of her dedication and hard work to provide such a rewarding experience for the Year 5 students.

Our B Grade Debaters (Year 6) enjoyed four rounds of competition this year. For some, this was their first experience Debating. The topics this year were quite challenging and I commend all boys on their effort in researching and developing strong team cases. Congratulations to Team 4 – Lachlan, Alex, Zimu and Anthony – who made it through all four rounds and won their Quarter Final, but were narrowly defeated in the Semi Final. However, they should feel very proud of their achievement.

The Year 6B Teams were fortunate to have three very capable and committed Senior School boys. The work of James Grosser, Eric You and Rajiv Paravithana was very much appreciated by all.

Hopefully, as a result of their experiences this year, all the boys will continue with Debating in future years. They have all gained experience in public speaking as well as confidence to convey ideas in a logical argument.

Mr David Kolpak  
Head of Junior Years

## Junior Debating

**Teacher:** Mr David Kolpak

**Front Row:** Lachlan slow, Nikolaj Wylie, Ahaan Kothari, Borun Li, Zimu Fan, Harry Manifold, Anthony Ibrahim

**Back Row:** Henry Wigg, Alexander Piscioneri, Lachlan Estcourt Hughes, Laurence Anderson, Alexis Prakash, Anirvan Iyengar

# Future Problem Solving

Future Problem Solving (FPS) is an international education program for students that focuses on the development of creative and futuristic thinking skills. Through the imagining of future social concerns, participation in the program fosters the enhancement of such skills as problem identification and the consideration of positive solutions to those problems.

Through thoughtful engagement, FPS aims to give young people the skills to design and promote positive futures for the society in which they live.

In short, students who participate in FPS have an opportunity to think more creatively and positively about complex social issues, develop an active interest in the future, improve communication (oral, written and dramatic) and research skills, think critically, analytically and creatively.

This year, the students had a variety of social concerns to consider. The future scenes included mission to the moon, Mars and beyond, food loss and waste, coping with stress and criminal justice.

St Peter's College successfully participated in one of the FPS options available to students: scenario writing. Our national results were very strong. Darren Nguyen (Year 8) placed third nationally in the Middle Division for his scenario: genetically modified long lasting food. Further to this outstanding outcome, Darren travelled to Queensland to compete in the FPS Australian Finals where he was awarded fifth place in the onsite scenario writing competition.

Special mention must be made of the other students who participated this year without winning a national place. These students include Jeremy Beale (Year 10) and Gunin Singhal (Year 8) who directed their own learning and submitted credible responses to the future scenes given.

Future Problem Solving is a wonderful opportunity for students to imagine the world they would like for their future. As action follows thought, this could be their first step to making their imaginings a reality.

Ms Kerry Skujins  
Teacher in Charge

# Historical Society

The Historical Society was revived in 2019 by a very enthusiastic committee, comprising James Loftus (Year 10), Andrzej Czechowicz (Year 9), Shreyas Khanna (Year 10) and Toby de Wit (Year 10) who spent the best part of this year constructing a new focus for the Society, based on the School's history and on seminal commemorative events, with the aim of increasing interest and involvement.

To this end, three highly successful tours of Old School House were held, with close to one hundred students and staff taking the opportunity to visit the original Saints building. From the Headmaster's private chapel, pre 1930 boarders' graffiti and 22 calibre slug pockmarks in the firing range on the top storey, to the bread ovens, below stairs servants' quarters and cold stores in the basement, visitors were taken back to a time when the School was a microcosm of life.

Athelney House was also toured this year, with its grand ballroom and marvellous view from the tower of the city and western Adelaide. This tour was very popular with the boarders, many of whom had fathers who had been boarders themselves in the 1970s to the 1990s.

James Loftus organised a commemoration of the 50th anniversary of the Apollo Moon Landing in 1969, which included the showing of an impressive documentary tracing the planning and progress of the landing.

The Historical Society Committee members also arranged with Mr Coventry and Mr Gilmore to lead guided tours for each of the Year 7 and Year 8 classes, visiting the School's many World War I commemorative sites.

Congratulations to the new committee, for their enthusiasm and determination to have history live again at St Peter's College.

Ms Sally Bartz  
Co-ordinator of History Studies

# Maths@Saints

The Maths@Saints year began when Angus Ritossa (Year 12) and Eric Zhou (Year 12) called a meeting of all interested boys to discuss how things could run in 2019. These young leaders have been invaluable and are always willing to impart knowledge and skills to others with plans to return to mentor the boys in 2020 in Informatics.

In 2019, the Maths@Saints Society evolved to include three branches: Mathematics, Informatics and Maths Help. Due to the tight schedules of the older students, Maths@Saints met in the Horace Matters Room on Tuesday's at lunchtime with Maths Help running on Monday and Thursday at lunchtime. This included a group of Year 11 students mentoring younger boys in the Pentreath. Thursday Afternoon Mathematics Enrichment Sessions (ThAMES) took a hiatus for 2019 but will return in 2020 with visiting speakers and interesting problems to explore.

Informatics has been a focus in 2019, with Angus Ritossa being selected into the Australian Informatics Olympiad Selection School, subsequently winning a Gold Medal in the 2019 International Olympiad in Informatics in Azerbaijan. Alongside this, two teams of three boys participated in the main round of the UNSW ProgComp 2019 with PonyJoe Express, comprised of Angus Ritossa, Eric Zhou and Nicholas Koh (Year 9), achieving a perfect score of 100. They went on to win the Grand Final in Sydney by again achieving a perfect score of 100.

In terms of participation, our top three competitions were: the Hamaan School Mathematics Competition for Society of Petroleum Engineers (150 boys competed), the Computational and Algorithmic Thinking Competition (150 boys competed), the Australian Mathematics Competition (400 boys competed). With this large rate of participation, boys who are good at problem solving are able to shine. In particular, the AMC gives the boys information about the topic areas of strength just in time for end of year exams.

In addition to the timed competitions, Maths@Saints facilitated the introduction of the Australian Mathematics Trust (AMT) Maths Challenge into some of our Mathematics classes from Year 7 to 10. The boys were given a suitable level text from the AMT resources to support finding solutions to some challenging problems over a four week period.

In 2020, the boys in Year 7 to 10 who achieved the best results were invited to sit the Australian Intermediate Mathematics Olympiad. These students included Darren Nguyen (Year 8), Hieu Si Pham (Year 8), Nicholas Koh (Year 9) and Xian Huang (Year 10).

Ms Lisa Southwell  
Maths@Saints Coordinator

1 The Australian International Olympiad in Informatics Team including Angus Ritossa with a Gold Medal. 2 PonyJoe Express including Nicholas Koh, Angus Ritossa, and Eric Zhou.

# Exchanges

This year, several of our Year 10 students had the opportunity, experience and challenge of studying at one of our international exchange partner schools. Below is a collection of their reflections on their respective exchanges.

## Seb Lockie

*Trinity College, Canada*

My journey as an Australian exchange student in Canada was unforgettable, and I will always look back on the amazing experiences I had, whether it be immersing myself in a new, foreign culture, getting to see the might of Niagara Falls first-hand, watching a packed out Blue Jays game, or creating friendships that I will always cherish and remember.

## Henry Hawker

*St Andrew's College, South Africa*

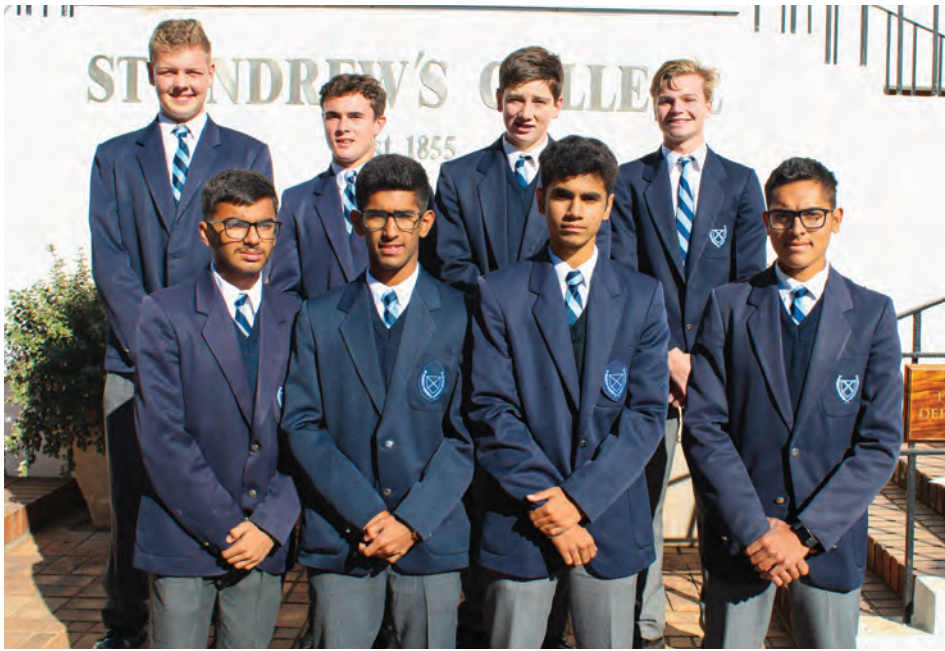

St Andrew's was 90% boarding so it allowed for more compulsory activities as the boys were on campus full time. This resulted in more school spirit. Boarding at St Andrew's was a wonderful experience and made it much easier to get to know all the boys, not just our exchanges. This was one of the best things about the exchange to St Andrew's, living with boys from all different backgrounds and ethnicities was an amazing experience. The boarding experience allowed us to make so many great mates. School sport was amazing with the whole school going to watch the first team Rugby and Hockey every week. This provided an atmosphere like our Intercol with chanting and crowds present every week.

## Tom Wickham

*Trinity College, Canada*

Overall the exchange was an excellent opportunity that was given to me to participate in a new culture in a new country that I had never been to. This exchange will be something that I will treasure for the rest of my life, looking back on all of the unique and special memories that I created whilst over in Canada, and all of the relationships that I made. I would most definitely recommend this trip to others and to take up this amazing opportunity that St Peter's College has to offer.

# Exploration Society

It was another year full of epic adventures for the Exploration Society which continued to experience considerable growth in student participation with almost every activity day and extended trip full to capacity.

After returning from the 2018 Franklin River white water rafting end of year expedition, the Exploration Society Committee was excited to see what they could achieve and focused on planning the activities and expeditions.

The Mount Arapiles rock climbing trip conducted during Term 1 school holidays continues to be a very popular permanent fixture with daytimes filled with beautiful scenery, top roping, lead climbing and abseiling, followed by relaxing nights spent by the pizza oven fire, BBQ and local burger bar.

As winter arrives and the first snow falls on the ski fields, the excitement builds for the annual winter pilgrimage. This year, for the first time, a large group headed for accommodation in the snow at Mt Hotham. The snow falls before and during the trip ensured that there was just enough snow for all participants to experience an action packed five days of skiing and snowboarding.

The Term 3 holidays included a five day camp in the Adelaide Hills to highlight the best rock climbing and mountain biking available in our own backyard. Students embraced this opportunity and participants demonstrated an increase in skills and abilities as the camp progressed.

A host of other well attended opportunities were offered throughout the year including rock climbing, paddling and mountain bike days across South Australia.

I wrote this in New Zealand, on the end of year New Zealand epic adventure which included mountain biking, caving, glow worms, white water rafting, the Tongariro Alpine Crossing, a Mitai cultural experience and a thermal park. This certainly created memories to last a lifetime!

**Mr Anthony Bates**  
Director of Outdoor Education

# Mooting

The School's Mooting tradition continued in 2019, with solid performances in the South Australian Law Society's Competition.

Our Mooting Team comprised of boys from new Year 10 participants, in what was their first Mooting season ever, through to our returning Year 12 members. The team supported one another and performed well against extremely strong competition.

The boys started strong in round one against Marryatville High School. They continued their winning streak in round two, which was an amazing opportunity for the boys to moot at the Adelaide Magistrates Court during National Law Week.

Round three led to a hard earned win against a formidable Walford, which included nationally recognised mooters.

Eventually, the boys were able to defeat Cabra College in the semi finals in order to progress to the much anticipated grand final of the South Australian Law Society Competition. In the grand final, the team came in second place from of all the schools in the state. Shant Becker (Year 12) won a trophy for best witness, in his role as a charming but sleazy politician, Blake Lawrenson (Year 12) won an internship with Supreme Court Justice Stanley and the team won a \$400 cash prize.

2019 also brought the return of House Mooting. The Houses competed in three rounds of highly contested legal battles, which introduced the art of Mooting to the boys from Year 7 to 12. The competition between Houses led to some fierce legal challenges, which promoted a sense of

House spirit, camaraderie and competition. Farr demonstrated their Mooting strength and came in victorious against a strong MacDermott Team. The House Mooting competition also saw the return of a few old scholars from Adelaide and interstate to judge various rounds of competition.

**Ms Ana Christensen**  
Teacher in Charge Mooting

# China Tour

Eleven boys and two staff members departed from Adelaide on the China Tour in April. This year, the group visited five cities: Beijing, Xi'an, Kunming, Lijiang and Shanghai, where the first four cities were mainly for sightseeing. In Shanghai, however, students did a school visit to our sister school Shixi High School and were hosted by their Shixi billets.

Students saw many great modern and historical sights and toured numerous urban areas to experience the structure and life of China. The highlights of the trip included the Forbidden City, the Great Wall of China and the Terracotta Army. Students had the chance to go to local markets and practise their bargaining and Chinese language skills. They also tried famous local delicacies in every city.

Throughout the five day visit, students lived with their generous host families and were given the privilege of having the authentic experience of living and studying in another country.

It was a great and successful trip and friendships were formed between our students and Shixi High School students. The boys gained confidence in speaking the Chinese language and developed a greater understanding of Chinese arts, culture and history.

Ms Xiaoning Wang and Ms Fangfang Qiu  
Chinese Department

# Europe Music Tour

# Germany Tour

Thirteen German students, accompanied by Frau McCauley and Herr Swanson, were greeted by unusually cold weather of four degrees in Hamburg. The itinerary included German language lessons at Tandem International Multilingual School, excursions to various parts of Hamburg and the marzipan city of Lübeck and the Baltic Sea.

We reached Berlin on the ICE train and this colourful metropolis was a favourite for many students and brought to life the darker history of the Cold War days. Another sombre, but meaningful, site visited was the concentration camp of Sachsenhausen.

Dresden and its impressive Zwinger Palace and the Green Vault treasures was our next stop.

On the way to Munich, we ate in the medieval heart of the fortress city of Nuremberg and our first meal was in the famous Hofbräuhaus, where the Oompah band and German dancing impressed some of the boys enough to have a go. We also visited the fairytale castle of Neuschwanstein and neighbouring Hohenschwangau in the Bavarian Alps. Another day was devoted to visiting Salzburg in the Austrian Alps via Austria's oldest subterranean lake and salt mine at Hallein.

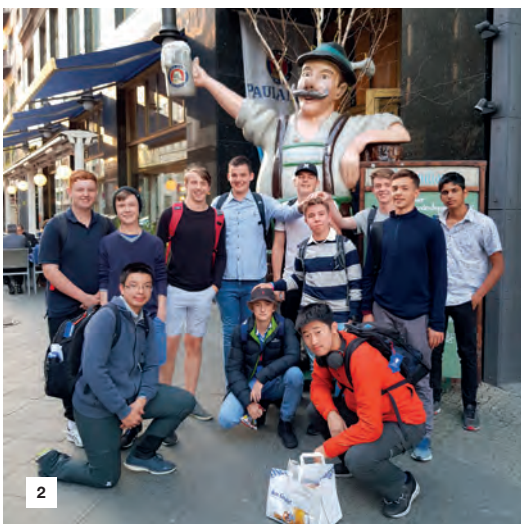

All too soon it was over, leaving participants with a plethora of memories and language experiences.

Ms Monica McCauley  
Coordinator of German

1-3 Year 10 and 11 students exploring Germany.

# Tech Tour to the US

The sixth instalment of the School's USA Technology Tour consisted of 15 days in the USA with visits to key technology venues, nine flights, one interstate train trip and countless chartered buses.

The 2019 Tech Tour featured some extraordinary opportunities to see real world applications including the Boeing Aeroplane factory in Seattle, Microsoft Headquarters, NASA's Kennedy Space Centre in Florida, Autodesk, CISCO, Apple, Google, Harvard campus and so much more!

Additionally, we enjoyed the cultural aspects including a Major League Baseball match in Seattle, Blizzard Beach, iconic New York subway trips, San Francisco cable cars, 9/11 Memorial, Wall Street, Grand Central Station and many more attractions.

This trip would not have been possible without the many hours of organisation and commitment put in by Mr Lamont, as well as Mr Green, Mr Papazoglou and Mr Cuevas who accompanied us on the tour and got us back home safely.

We would definitely recommend any boy with an interest and passion for technology to apply for future tours and experience this once in a lifetime trip to the United States.

Menura Gamage, Austen Lindsay and Will Subramaniam

# Cambodia Tour

A trip away from home is a chance to learn, reflect, and bond with others, and never more so than when it is a group of students together experiencing a new culture. Cambodia is a land of extremes; the beauty of the people and the harshness of their history come together to present a rich and humbling environment in which students extend their academic and social intelligence.

This year, eighteen Year 10 students, accompanied by four staff, landed in Phnom Penh with eyes and hearts wide open. Whilst they were greeted by the glorious aesthetics of Cambodian life and the warm embrace of the people, it was not long before the devastation that is engrained in the genes of modern civilisation were faced head-on. Students braced themselves to learn about the impact of the Khmer Rouge through

visiting the Killing Fields and the Genocide Museum. More than ever, the boys were spurred on to help the beautiful people of Cambodia. Working with the Husk organisation in Siem Reap, they built three homes in three days for families who were on the lowest socio-economic tier. Teaching children in the Husk school filled their days with excitement, laughter, and joy. A hike to watch the sunrise, a cooking class, a visit to Angkor Wat, and participating in the circus workshop are only some of the many experiences that enriched their understanding of Cambodian culture.

It was a pleasure to be supported by Mr Rob Green, Dr Hamish McTernan, and School Matron Ms Cate Behenna, who engaged closely with the boys and participated wholeheartedly in every

challenging event. Thank you to Ms Kerry Skujins, who planned the entire trip and worked tirelessly behind the scenes. As a School, we are forever grateful to Lee, our Cambodian guide, who was with us every step of the way.

Cambodia puts life into a bigger perspective. We are changed forever, and for the better.

Mrs Marie Daziani  
Senior School Teacher

# Public Speaking

## The W H Irwin Memorial Prize for Public Speaking

2019 marked the 71st year of the Reverend W H Irwin Memorial Prize for Public Speaking, which has been conducted annually since 1948.

This year's contest was comprised of James Tallent (Year 11), Jimmy Psaltis (Year 11) and Henry Allen (Year 12). They all gave engaging, insightful and well prepared speeches on a range of ideas. In the end, Jimmy Psaltis claimed the prize with an emotive speech about the effects of dementia on his family.

## The Arnold Reid Prize for Public Speaking

An old scholar who attended the School from 1912 to 1915 established the Arnold Reid Prize for Public Speaking. Although first awarded in 1945, it was not contested after 1981. It was with pleasure that we were able to reestablish this competition in 2010.

The competition is offered to Year 7 to 9 students who have demonstrated a flair for, or interest in, public speaking. Students prepared a six minute speech and then delivered a three minute impromptu speech.

After a round of heats, Bingqi An (Year 8), Nathan Choi (Year 9) and Gunin Singhal (Year 8) all competed in the finals. All the boys performed admirably and the judges found it difficult to pick the winner. Nathan Choi took out the award with a fine, consistent performance.

Mr Glyn Roberts  
Senior School Teacher

# Service Learning

St Peter's College seeks to serve the needs of our wider community and Service Learning empowers students to become aware, able and active contributors to their communities.

Service Learning is central to helping boys develop character, meaning and values beyond the classroom. It also advances and inspires social and emotional development and offers students the opportunity to put their ideals and values into action and grow as compassionate people and active agents of change.

Working with a variety of socially active partners, the boys encountered a hands on, direct and meaningful experience that helped cultivate ongoing commitment to action in local, national and international communities.

Service is one of the three school values, it accompanies truth and respect. As such, we understand that the world is a community in which order and wisdom must prevail in order to serve life for all beings in a sustainable way.

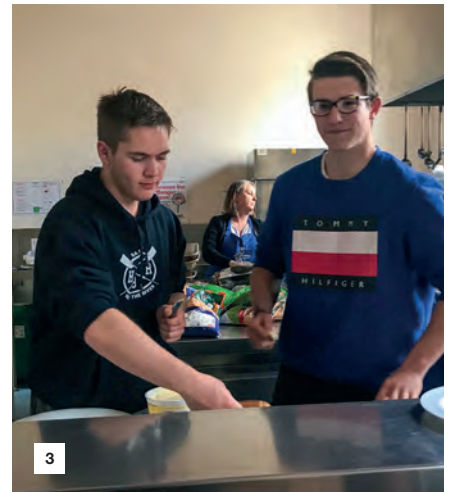

Ms Kerry Skujins  
Coordinator of Service Learning

1 Supporting the Junior School Sleep Over. 2 Sleeping Rough for Anglicare. 3 Getting ready to serve dinner. 4 Adding some colour to the Magdalene Centre. 5 Serving dinner. 6 The Magdalene Centre cooking crew.

# International Programs

There were many activities throughout the year, which started with dinner with the Boarding House students, both international and local, to celebrate Chinese New Year.

Harmony Day was celebrated at a Muster on 20 March and the international social event is always a highlight for the international students. St Peter's College hosted the annual sporting event on the same day at the Burchnall Sports Centre. Students took part in a range of sporting activities such as Basketball, Table Tennis, Badminton and Indoor Soccer. The evening ended up with an overall two all draw.

St Peter's College hosted the Seymour students for the Dragon Boat Festival on 7 June, where activities included quizzes, making zongzi and enjoying snacks.

Seymour hosted the Mid-Autumn Festival on 13 September where singing, quizzes and eating moon cakes were the order of the day.

The International Programs go from strength to strength as they become more integrated within the School.

Ms Sally Ziniak  
Coordinator of International Programs

**1** St Peter's College and Prince Alfred College students at the annual sporting event.

# Tournament of Minds

Tournament of Minds (TOM) gives students with the opportunity to work creatively and collaboratively to solve a challenge in Social Sciences, Language Literature, STEM and The Arts.

In 2019, St Peter's College fielded two teams from Year 8 to 10 in the STEM and Language and Literature categories. Each team had six weeks to create their own dramatic representation in response to the challenge. The boys worked cohesively to write, block and practice their script, create costumes and properties from a \$75 budget and presented on Tournament Day at Flinders University.

The STEM team, co-captained by Yash Patil and Noah Pitkin included Charlie Wells in Year 9 and Year 8 students who brought their own charm and creativity. These boys were Darren Nguyen, Gunin Singal, Rohan Thiru and Marvin Xu.

The School also fielded a team in the category of Language and Literature. This team was co-captained by Jeremy Beale (Year 10) and Eton Williams (Year 10). The Year 9 students included Andrzej Czechowicz and Rajiv Paravithana, and the Year 8 students included George Austin, William Barone and Will Lawrence.

The boys conducted themselves with style, manners and expansive sportsmanship wherever they went and were a credit to St Peter's College.

Ms Kerry Skujins  
Teacher in Charge

**2** The STEM Team, Charlie Wells, Darren Nguyen, Noah Pitkin, Gunin Singal, Rohan Thiru, Marvin Xu and Yash Patil.

# Indigenous Program

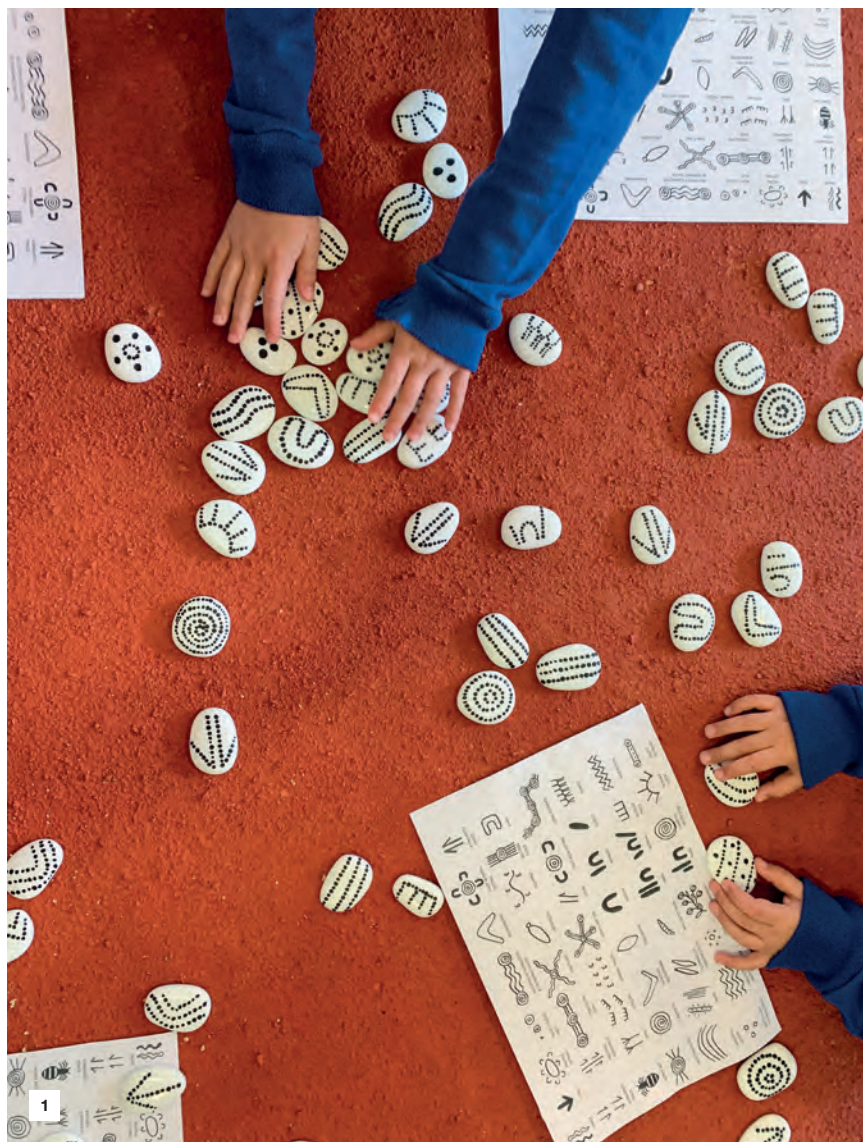

St Peter's College continues its commitment to reconciliation through the Indigenous Education Program. Including scholarships and ongoing support for Indigenous students, the Indigenous Education Program provides increased opportunities for the School's community to learn about, and demonstrate respect for, Indigenous culture guided by the School's Reconciliation Action Plan.

For the first time in the history of St Peter's College, on the first day of Term 1 in 2019, the whole School gathered to share a smoking ceremony. The smoking ceremony was led by Uncle John Lochowiak, Indigenous Elder, alongside some of our Indigenous students on the Girdlestone Oval. This was a significant event in the history of the School, as our community gathered to recognise and respect the traditional custodians of the Adelaide Plains, Kurna people. The School will continue to commence each academic year with a smoking ceremony.

Many guest speakers, performers and artists visited St Peter's College to contribute to the learning of our students in 2019 including artist Sasha Hill, Ryka Ali with his performance *Kadul, Like Me, Like You* by ActNow Theatre, Paul Vandenberg and players from Port Adelaide Football Club, Nathan May Music, Trent Hill and native foods Chef Shannon Fleming.

# Junior School Robotics

The Robotics program, from Year 3 to 6, is an everchanging curriculum.

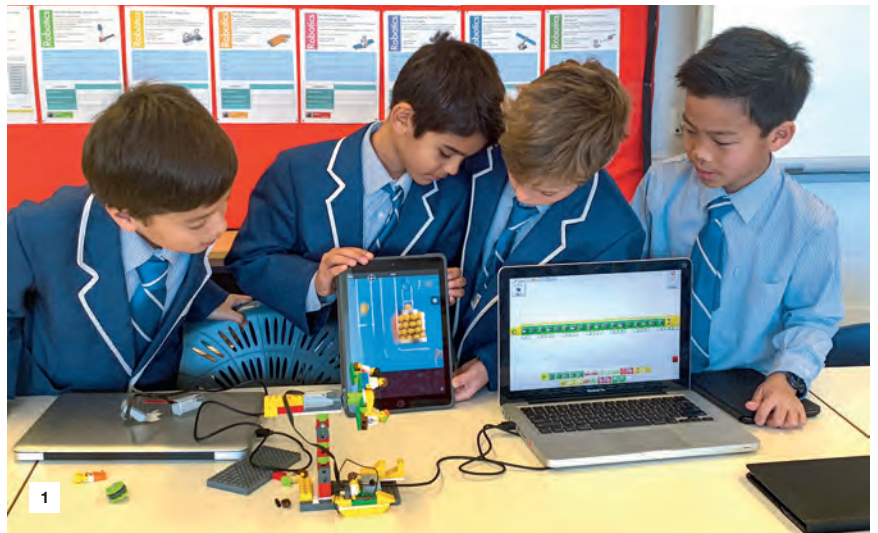

In 2019, Year 4 classes began using WeDo2.0 and Simple and Powered Machines kits to investigate machines that use gears or pulleys to function. Boys designed, built and coded multispeed fans with a safety cut off device.

In Year 6, the boys explored a unit of work on autonomous vehicles and then followed up with designing, building and coding transport vehicles for a smart city.

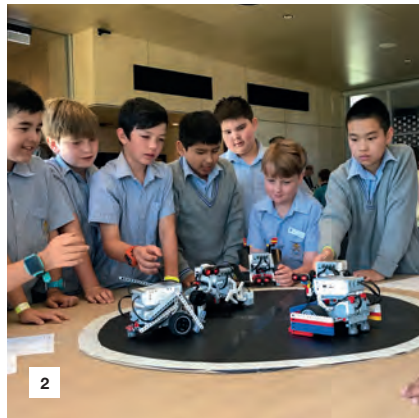

For the second year in a row, we had about 20 boys attend a holiday workshop to improve their coding for their robot as part of the RoboCup Junior Rescue competition. Teams performed well in the state competition and exceeded all expectations in the national competition with two of the four teams finishing in the top ten places.

During Term 3 and 4, 36 Year 4 and 5 boys trained for the RoboCup Junior Sumo competition. Nine teams of two competed near the end of term and they performed well with one team making it to the quarter finals. All up, 60 boys participated in the Robotics co-curricular clubs.

# Sports

# Senior School Athletics Carnival

Life is always busy at St Peter's College and no sooner had the winter Intercols been completed, it was time for the Athletics Carnival season to commence. In an intense four weeks of after school and lunchtime trials, boys had performed over 10,000 athletic attempts and all was ready for the 148th Senior School Athletics Carnival.

Due to heavy rain, the day was postponed from Friday to the Monday but this did not prevent the grounds staff from presenting the back ovals in pristine condition.

Many questions were asked during the day: Would Woodcock continue its dominance? Who would win the age championships? Who would gain selection in the much sought after Achilles Cup Team?

At the end of the day 10 records were set, David Amaechi (Year 12) became the School Athletics Champion and Howard House won the Champion Athletics House trophy from a gallant Woodcock House.

Mr Laurie Humphreys  
Athletics Carnival and Achilles Cup Coordinator

## Athletics Team 2018-2019

**Front Row:** Dejan Dimovic, Amith Paranavithana (Co-Vice Captain), Lachlan Bellifemine (Co-Vice Captain), Dr Hamish McTernan, Ashton Haseldine (Captain), Nicholas Egarr (Co-Vice Captain), Tristan Lowe

**Middle Row:** Annette van Rensburg (Manager), Meshach Begg, Haydn Kamencak, Kijana Kamau, Anthony Nguyen, David Amaechi, Nick Birks (Coach)

**Back Row:** Thomas Ferguson, Arthur Drayton, James Edwards

**Absent:** Tom Archer, Sam Barnfield (Coach), Nick Bowes, Angus Brock (Coach), Zac Connell, Sam Dukalskis, Fin Foster, Adam Goddard, Tom Grosser, Jonathan Harris, Alex Hofmann, Tony Keynes (Head Coach), Jordan Kildare (Coach), Nicholas Koh, Amy Martin (Manager), Robert Melin (Coach), Chris Minchin (Coach), Aidan Murphy, Huss Naji, Fox Obst (Coach), Josh Poole, Harry Raff, Jack Randello, Hans van Bavel (Coach), Josh White, Zac Wilmshurst (Coach)

1 House athletics.

# Achilles Cup

St Peter's College went into the 49th Achilles Cup with a high quality team of 74 talented and confident young men determined to continue our dominance. At the end of the day, we had, once again, emerged triumphant, winning every age group pennant, and the overall competition, by just under 400 points.

Jonathan Harris (Year 8), with records in the under 14 800m and 1500m, shared the Tony Keynes Medal for the most outstanding performance in the true spirit of the Achilles Cup with Aidan Murphy (Year 11), who ran in the open age group 400m, even though he is under 16, in a time of 49.68 seconds.

## Results

St Peter's College	1508
TC	1122
Prince Alfred College	989

Mr Laurie Humphreys  
Athletics Carnival and Achilles Cup Coordinator

1-4 Students competing during the Achilles Cup.

# Interschool Athletics Competition

The 2019 Athletics Squad had a great start to the year, dominating interclub competitions in their age divisions during start of Term 1. Their hard work greatly contributed to the Saints Athletics Club winning the pennants in the Under 14, Under 16 and Under 18 divisions for the 2018 to 2019 season.

This effort was followed by some great performances at the State Athletics Championships in February, with the boys winning three Gold, thirteen Silver and four Bronze Medals. A highlight of the day was Aidan Murphy (Year 11) breaking a 34 year old state record for the men's Under 16 200m.

The boys' efforts at the State Championships led to many competing at the National Athletics Championships in Sydney in April. Adam Goddard (Year 10) was a standout at the competition, winning Silver in both the Under 17 men's 1500m and 3000m. Following this, the squad competed in the School Sport SA A Grade Track and Field Championships. Despite missing all Year 8 competitors (due to Year 8 Journey), the team achieved Silver, narrowly missing out on Gold by just 12 points.

In Term 4, the Athletics Squad went back to their dominant ways, leading the interclub points in the Under 14, Under 16 and Under 18 divisions by the conclusion of the term. Furthermore, many students qualified for nationals at the VIVA SA All Schools Game in October, winning four Gold, two Silver and two Bronze.

Finally, the Athletics Squad competed at the State Relay Championships achieving five Gold and three Silver.

Mr Tony Keynes and the rest of the coaching and management team should be acknowledged for their commitment to helping the boys achieve their best throughout the year. Overall, it was an extremely successful year of Athletics with the squad in a very good position leading into 2020.

Dr Hamish McTernan  
Senior School Teacher

# Year 3-6 Sports Day

As in previous years, the structure of our Sports Day means that every boy has the opportunity to participate in every athletic event showcase they had been working on during their Physical Education lessons.

After all of the events were finished and the points tallied, The Parkhouse Cup was awarded to the boys in Alliston-Jones House. Due to the competition being so tight, we were unable to split Clayton-Dyer and Stokes-Ware and both were awarded second place. Brooks House placed third.

## Individual age champions

Malcolm Stevenson Cup  
Lawson Jones (12 year old)

Ian Seppelt Cup  
Jimmy Hele (11 year old)

Dick Niehuus Cup  
Peter Kalamboyas (10 year old)

Tony Keynes Cup  
Justin Scarpin (9 year old)

The boys from Alliston-Jones were awarded the BH Morrison Cup for the Junior Circular Relay, the SPSC Cup for the Junior Shuttle Relay and Tim Wall Cup for the Senior Shuttle Relay.

Congratulations to the following boys who were the top three place getters in the age championships:

### Born 2007

First	Lawson Jones
Second	Bae Versace
Third	Max Mitchell

### Born 2008

First	Jimmy Hele
Second	Lockie McKenna
Third	Ethan Cross

### Born 2009

First	Peter Kalamboyas
Second	Leo Dreosti
Third	Thinura Wagaarachchi

### Born 2010/2011

First	Justin Scarpin
Second	Jordy Brown
Third	Vasili Angelopoulos

Thank you to the grounds staff for all the effort that they put in and to all of the staff in the Junior School for their support for the day.

Finally, I would like to congratulate all of the boys for their efforts. They all competed well and did their best to make sure that their team had the best possibility to win.

Mr Jason Cosgrove  
Junior School PE and Sports Coordinator

1 Year 5 Tug-O-War. 2 Lutanda McLeod on the high jump. 3 800m race 4 Sunn Zhang.

3

4

# Badminton

2019 has been an exciting year for the St Peter's College Badminton program with great improvement from players at all levels, as well as increased participation across a range of school and state competitions.

The year began with a holiday training camp open to all current Senior School Badminton students which saw fantastic attendance from boys at all levels of play, allowing them to improve their skills before the first competition.

In Term 1, the program fielded 13 teams across both middle and senior competitions. Though many weeks of competition were cancelled due to poor weather conditions, the program boasted an 87 per cent win rate. Week 9 saw the 29th Badminton Intercol hosted at PAC. The team opened with a 2-2 result in doubles before running away with dominant victories in singles boasting a 7-1 scoreline bringing the team to a 9-3 victory. The weekend after the Intercol saw another four Senior Badminton Teams compete against PAC recording 9-3, 12-0, 12-0 and 12-1 results respectively.

In Term 2 and 3, students of the Badminton program were given the opportunity to continue improving at offseason training sessions. Many students devoted many early mornings to further pursue Badminton.

At the end of Term 3, the First Badminton Team competed in the Open State Badminton Championships where they defeated Marryatville High School 6-2 in the final. Five of the members of this team were Year 10 students, indicating a bright

future for the School to defend this title in coming years. The beginning of Term 4 saw the top middle school players from the Badminton program finish runners up to a strong Glenunga International High School in the Middle State Badminton Championship. Both of these teams should be congratulated for the sportsmanship and level of play that they exhibited during the competition.

In the September/October holidays, the Badminton program held another training camp, this time offering players in the Junior School the opportunity. The other major change for this training camp was the separation of sessions based on skill level which allowed more players to participate in the camp without overcrowding the hall at the same time.

In Term 4, St Peter's College fielded 14 teams across middle and senior competitions. The teams achieved an impressive 63 per cent win rate bringing the final win rate for 2019 to 72 per cent, an impressive feat showing dominance across all areas of the program. It extended its athletic focus by introducing strength and conditioning sessions for a select group of Middle and Senior Year Badminton students. We hope to eventually open these sessions to more players as the sport grows.

## State competition

2019 saw fantastic participation from St Peter's College students in Badminton competitions outside of the School with 19 players competing in tournaments organised by the South Australian

Badminton Association. Students who won a division of a tournament are listed as follows by competition:

### Be Active City of Adelaide Badminton Championship

Noah Luc	men's doubles C
----------	-----------------

### 2019 Joy Twining and Joan Jones Championship

Alec Vitalievich	men's singles C
------------------	-----------------

### 2019 Be Active Schools Tournament

Bal Gilhotra	Under 13 boys singles
	Under 19 boys singles
Alec Vitalievich	Under 19 boys doubles
Noah Loc	Under 19 boys doubles
Kelvin Jian	Under 16 boys doubles
Cameron Johnson	Under 16 boys doubles

## State representatives

As well as competing in state level competitions, the following boys have represented South Australia at the national level, indicating true dedication and excellence.

Victor Dang	Under 17
Cameron Johnson	Under 15
Wesley Johnson	Under 17, Under 19
Max Le Mire	Under 19

This year, Victor Dang (Year 10) was the recipient of the Shannon Riggs Medal from the South Australian Badminton Association. This medal is awarded to a

### Open A Badminton

**Front Row:** Noah Luc, Alec Vitalievich, Andrew Chen, Eric Zhou (Co-Vice Captain), John Zhu (Co-Vice Captain), Max Le Mire, Kingsley Chan, Victor Dang

**Middle Row:** Ryan Dai, Chao Chen, Mr Stuart Rowlands (Head Coach and TIC), Wesley Johnson (Co-Vice Captain), Samuel Kow

**Back Row:** Dihan Tang, William Thompson, Austen Lindsay

**Absent:** Kingsley Chan, Lewis Fox (Captain)

state player from the Under 15, 17 or 19 age groups, voted by their coaches and managers on the basis of attendance, performance, ability to follow instructions, willingness to assist, positive attitude to team spirit, consideration for others and consistent effort in all endeavours. Congratulations to Victor for earning this well deserved award.

### Leadership

The Badminton Leadership Team for the 2018/19 season was as follows:

- Captain: Lewis Fox
- Co-Vice Captain: John Zhu
- Co-Vice Captain: Eric Zhou
- Co-Vice Captain: Wesley Johnson

The Badminton Leadership Team for the 2019/20 season is as follows:

- Captain: Austen Lindsay
- First Team Captain: Wesley Johnson

### Coaches and managers

The following list comprises the St Peter's College Badminton coaches and managers:

- Mr Stuart Rowlands (Head of Badminton)
- Mr Alfred Jehle
- Mr Franklin Kovilpillai
- Mr Martin Gabb
- Dr Hamish McTernan
- Tom Champion
- Gavin Lai
- Kevin Lu
- Irvin Ong
- Paul Yik
- Emerson Krystic
- Callan Bubner
- Jason Chan
- Lewis Fox
- John Zhu
- Eric Zhou

Thank you to all coaches and staff members for your dedication and contribution to the Badminton program this year. The success of the program would be impossible without your work.

### 2020 and beyond

In 2020, the Badminton program will seek to progress the skill and involvement of players to create a solid foundation of the program at a younger age. The program will also seek to defend the Intercol and senior state knockout title as well as reclaim the middle knockout title, plus flesh out a sense of community.

Austen Lindsay  
Badminton Captain

# Basketball

## Open B1 Team

It was a successful season for the Open B1 Team. Riley Brunsgard was a threat from midrange. Luke Wheare (Year 10) was dependable and both Luke Robertson (Year 11) and Will Tremaine (Year 10) were tenacious on defence. Ben Ashman (Year 11) and Lachlan Ng (Year 11) were our relentless big men whilst Mitch Nikitins (Year 11) was someone eager to get out in transition. Ben Korte (Year 10) and Thomas Mestrov (Year 10) lead the team offensively, winning Co-MVP honours. Charles Morton (Year 11) was awarded most improved. Special mention to Nick Burr (Year 10) for his continued support after injury.

Samuel McGough  
Open Seconds Coach

## Open C1 Team

The Open C1 Team held each other accountable for a high level of play all season. We started the season with an impressive 4-0 and only dropped two games all year.

Our Intercol match was one for the books, seeing a number of crowd pleasing dunks, three pointers and tenacious defence. This group was full of hard working achievers.

I am extremely proud of this group of young men who showed up to work hard every week, listened to instructions and had fun playing. Thank you to all. I'm lucky to have coached you and will proudly remember this season.

James Legan  
Open C1 Team Head Coach

## Senior 1 Team

The 2019 season was an exciting and competitive experience for the Senior 1 Team playing in a competition with multiple experienced teams. All boys saw massive improvements to their game with many being moved to the next team up as rewards for their hard work.

The team started the season strong winning every game but one, mainly due to absence of players. After the break, the team struggled to find the same rhythm but through it all everyone kept the same positive and hardworking attitude.

I am very proud of the boys and wish them the best in future endeavours.

Mr Julian Hallworth  
Senior 1's Coach/Old Scholar

## Senior 2A Team

What an amazing season with an enthusiastic bunch of boys, most of whom had little basketball experience but were extremely open to learning.

As the season progressed, we grew closer as a team and developed our skill level and knowledge. The boys came out each Thursday and Saturday with their ears open willing to be coached, particularly as the season progressed.

We started the season early with a few tough games but as the boys became more skilled, we strung a few wins together in the second half of the season.

Callan Prider  
Senior 2A's Coach

## Senior 2B Team

The season saw amazing improvement which were rewarded with a convincing win against PAC in our final game.

William Trotman-Dickenson (Year 12) and Charlie George (Year 11) showed their innate scoring ability game in, game out. Ably supported in the backcourt by Eric Zhou (Year 12), Kijana Kamau (Year 12) and George Ilic (Year 10) who displayed incredibly tenacious defence. Kelvin Lu's court awareness and teamplay improved substantially over the season while Bryan Kwan (Year 10), Luke Zhu (Year 10) and Seb Lockie (Year 10) spread the floor with their crisp passing and silky skills.

William Good  
Senior 2B Coach

## Senior 3A Team

Thomas Albertini (Year 10) was a consistent threat and Eric Gao (Year 12) was very easy to coach with his attentiveness. Dion Konidaris (Year 10) displayed great court awareness in our zone defence and Johnny Miteff (Year 10) was the workhorse of the team with a winning attitude. Kobey Nilsson (Year 10) dedicated himself to becoming a true point guard and Angadbir Sohi (Year 10) played every position well. Eton Williams (Year 10) was a terrific, positive teammate and Jerry Yang (Year 10) was our inside scorer with great touch around the rim.

Thank you to all the players and the parents and supporters for their efforts.

Tobias Dowdell  
Senior 3A Coach

## Open A1 Basketball

**Front Row:** Ben Korte, David Quan, Thomas Spiby (Vice Captain), Cameron Huefner (Captain), Max Buttignol (Vice Captain), Thomas Ferguson, Brandon Seeto

**Back Row:** Todd Matthews (Director of Basketball), Ned Duggan, Matthew Fowler, Thomas Mestrov

**Absent:** Michael Lucas (Teacher in Charge), Reece Turner (Open 1st Team Coach)

### Senior 3B Team

The Senior 3B Team came to every training ready to learn and get better. Each boy pushed themselves during the skill building exercises and it was great to see their dribbling, passing and shooting develop as the season progressed.

They battled hard each game and their confidence in one another on the court grew dramatically. After a number of narrow losses, it was great to see the boys get two big wins against Pembroke and PAC.

I would like to thank each of the boys. You are a great group and you have been a pleasure to coach.

Josh Bond  
Coach

### Senior 3C Team

The Senior 3C Team faced tough opponents, however, displayed many improvements.

James Tallent (Year 11) was a terrific defender whilst Hanson Huang (Year 10) was able to fly around on defence and intercept the opposition's passes. Michael Liang (Year 11) was a tenacious rebounder and Thomas Huang (Year 11) was always very switched on in games. Jack Sun (Year 10) was our most skilled player on offence and had an impressive ability to drive to the basket. Ethan Tseng (Year 11) was a great defender and Wilson Chen (Year 10) was a great rim protector and good rebounder. Kingsley Chan's (Year 11) shooting was impressive.

Oscar Perryman  
Coach

### Middle A1 Team

The 2019 season was successful and rewarding for the Middle A1 Team.

It began with a trip to Sydney for a preseason competition. The team performed very well, winning multiple games including a hard fought victory. This tournament created great momentum and they performed exceptionally well throughout the year.

Improvement was evident in the final match as the boys overcame a large quarter time deficit to beat the talented PAC in overtime. The team finished with nine wins over the season — an incredibly successful record.

Each player certainly displayed individual improvement within the team game.

Matthew Lycett  
Middle A Coach

### Middle B1 Team

The Middle B1 Team had a very successful season facing some tough competition. The team finished with an impressive record of 9-1-1.

Each member played a vital role in the team and consistently gave it their all on the court. The boys really played well together and have improved immensely over the season, both as a team and as individuals.

All the boys should be proud of their efforts and hard work throughout the season and it was a pleasure to coach them. I wish them all the best for the future.

Ethan Yeo  
Middle B Coach

### Middle C1 Team

The Middle C Team had an exceptional season finishing with eight wins. The boys displayed great commitment resulting in obvious individual and team improvements.

Max Jongebloed (Year 9) displayed true leadership and defensive tenacity on the court, whilst Seb Bower (Year 9) rebounded hard and was aggressive to the basket. Tom Grosser (Year 7) and Sebastian Hoe (Year 9) controlled the point position with style, whilst Dhruv Joshi (Year 7) and Luca Paull (Year 9) were solid all season with great team play and big shots. Karim Hennes (Year 9) proved his role blocking plenty of shots.

Michael Lucas  
Middle C Coach

### Middle 1 Team

The Middle 1 Team had an enjoyable and hardworking season. Although wins were hard to come by, the boys never faulted in their determination and had a huge win in their Intercol match.

Nicholas Andreyev (Year 9) was solid in defence and well supported by Joshua Bested who rebounded hard each game. Jordan Lau (Year 7) and Panagiotis Konidaris (Year 8) handled the ball well, consistently. Christian Weng (Year 8) was aggressive in attack, whilst Jamie Graves (Year 9) led well. Ben Hewson (Year 9) was most improved as he dominated at both ends of the floor, earning a promotion to the Middle C Team.

Michael Lucas  
Coach

# Basketball

## Middle 2A Team

2019 proved to be challenging, yet very gratifying with varied success and multiple games decided by single digit margins.

Casey Van Heuven (Year 9) provided a consistent spark of energy with defensive intensity. Joe Beswick (Year 9) was another whose consistency proved to be a great asset. Martin Kim (Year 8) really developed and came into his own in the latter half of the season. Max Wang (Year 8) was a stable force with his capable ball handling skills and shooting. Ashwin George (Year 9) was a force defensively and was continually relied upon. Faris Harb (Year 9) won most improved player award this season and Will Barone (Year 8) was the Middle 2A MVP.

Cain Ness  
Middle 2A Coach

## Middle 2B Team

The 2019 season was a time of significant skill development for the boys in the Middle 2B Team. Despite playing in a tough division, the boys demonstrated resilience and overcame any setbacks.

Over the season, the boys further advanced their Basketball skills and increased their knowledge of the game. Hopefully, this will provide an excellent foundation for future Basketball seasons.

Coaching these young men has been an absolute pleasure and I hope they look back on the season and remember all they have learnt whilst playing and training.

## Middle 3A Team

The 2019 season gave the Middle 3A Team a good challenge and each week they had to play against strong competition.

This season was a successful one because each of the players improved their Basketball skills. Our emphasis was on ball handling and moving without the ball.

For the final game, we merged with the two other Middle 3 Teams and managed our first win of the season.

It was a pleasure coaching these boys as they were always willing to learn and get better. The boys should be happy about their growth as a team and as individuals.

Brandon Brine  
Middle 3A Head Coach

## Middle 3B Team

This season produced significant growth in player ability, as well as team play. The boys improved their defensive skills early on, which meant they kept the opposition's scoring in check.

Whilst we were facing taller and stronger teams most weeks, we developed our own style and maintained our confidence. When our first win came late in the season our strong defence, once again, played a key role.

We were able to form a composite team from the Middle Squad, which faced PAC in the last game of the season. The boys fought hard for a close and exciting win.

Sam Cheesman  
Manager

## Middle 3C Team

The 2019 program was an exciting and busy season.

The boy's improvement from game one was very exciting to see. The boys improved drastically not only on their skills but feel for the game and seeing a strong development of their will to win as a coach was very inspiring.

The boys got their one and only win late in the season which was a culmination of their improvement throughout the season.

I hope to see the boys continue their Basketball and keep improving as they have only just started to unlock their potential.

Mark Proctor  
Coach

# Chess

## Intercol

Captain George Karassoulos (Year 12), and Vice Captain Thomas Jose (Year 11), got the team into the mindset, doubling down on coach Punala Kiripitige's strategy. The boys attacked the 12 boards, with the shortest match running for two hours.

The team consisted of Jeremy Beale (Year 10), Ben Brierley (Year 10), Xander Grice (Year 9), Chathula Kiripitige (Year 10), James Loftus (Year 10), Julian Mortimer (Year 10), Luca Paull (Year 9), Alexander Rowe (Year 11), Dimitri Savvoulidis (Year 10) and Marcus Sorvanis (Year 10).

St Peter's College finished 2-10 with Chathula and James scoring draws and Thomas winning.

Thank you to all for displaying true sportsmanship in the face of a hard match.

Mr James Carter  
Coordinator of Chess

## Division 1

2019 was a successful year with two teams, Blue and White, made up of the keenest of players. With many returning players in the team, the group was led by Captain George Karassoulos (Year 12) and Vice Captain Thomas Jose (Year 11).

The boys came up against some stiff competition but again PAC proved to be the standard bearer of the game even though we pushed hard all season competing for the top prize. The Blue Team finished third on the ladder whilst the White Team finished a solid eleventh in the tough field.

The boys should be proud of their efforts.

Mr James Carter  
Coordinator of Chess

## Division 2

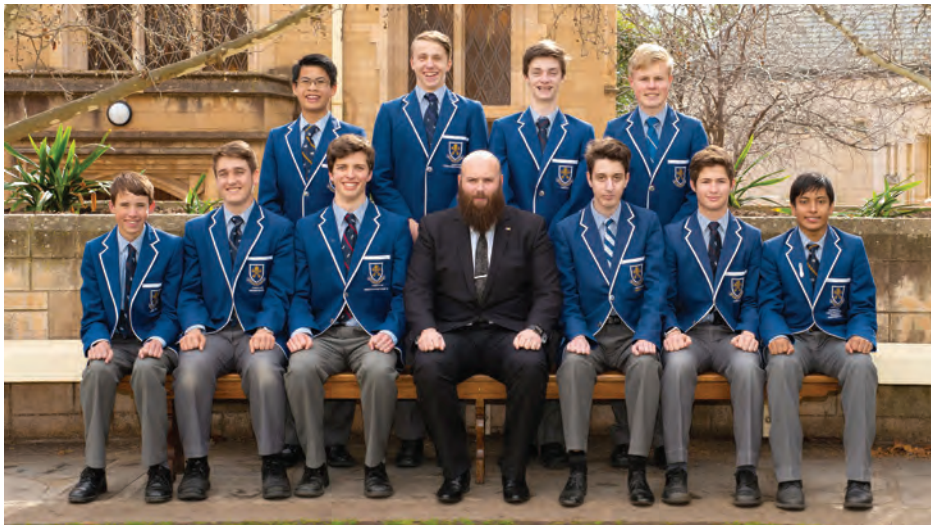

The Division 2 Teams showed their camaraderie, inclusivity and spirit throughout the season. There were four teams this year, making St Peter's College the most represented school in the competition.

The Friday night matches produced some fierce games, with all boys playing two games each night.

Out of the field of 20 teams in Division 2, the boys came away with the following results: Saints Yellow — fifth, Saints Red — sixth, Saints Brown — eighth and Saints Green — thirteenth.

All of the boys should be proud of their efforts in the 2019 season, especially as Division 2 continues to get tougher.

Mr James Carter  
Coordinator of Chess

## Division 1 Chess

**Front Row:** James Loftus, Dimitri Savvoulidis, Thomas Jose (Vice Captain), James Carter (Teacher in Charge), George Karassoulos (Captain), Julian Mortimer, Chathula Kiripitige

**Back Row:** Nicholas Koh, Jeremy Beale, Luca Paull, Ben Brierley

**Absent:** Xander Grice, Punala Kiripitige (Coach), Hayley Patton (Coach), Alexander Rowe, Marcus Sorvanis

1

2

3

### Division 3

Another season brought some tough, but fun, competition.

Division 3 is always enjoyable and presents interesting match ups. The team was built around youthful eagerness with Rayan Abou-Hamdan (Year 8), William Barone (Year 8), Henry Green (Year 8) and Marvin Xu (Year 8) presenting as the core of the team.

Overall, the boys came seventeenth out of the large competition, with points very close between eleventh and seventeenth. This is a great effort in an extremely hard fought competition.

With many schools playing and a variety of players, the experience has been second to none. Congratulations on a great season!

Ms Hayley Patton  
Coach and Manager

### Junior School Chess

The Chess Club continued to grow with over 50 boys in 14 teams competing.

Congratulations to C Gold — Joshua Joshi (Year 5), Nathan Tang (Year 5), Daniel Cao (Year 4) and Nicholas Savvoulidis (Year 3) — who are the C Grade champions. In the EK Shield, we finished fourth as well as finishing third in B Grade.

Thank you to Daniela Nutu-Gajic and George Karassoulos for coaching and Chess Captain Sze-Siong Koh-Buckland (Year 6) for his support and help.

House Chess saw 10 boys from each House participate and results were first — Clayton-Dyer, second — Brooks, third — Alliston-Jones and fourth — Stokes-Ware.

#### Chess B

**Teacher:** Mrs P Bartholomaeus

**Back Row:** Quinn Murphy, Joshua Ooi, Elliott Penn, William Kyros, Kelton Hayward, Anirvan Iyengar, Tyson Hoey

# Cricket

## Intercol

The 2019 Cricket Intercol proved to be a tough challenge for the First XI. PAC won the toss and elected to bat on a fantastic wicket. Saints toiled in the field bowling 141 overs with PAC making 243.

Alex Roe (Year 12) was the standout bowler taking four wickets. Unfortunately, we were unable to perform how we would have liked with the bat in both innings with Peter Unerkov (Year 11) top scoring with 34 for the game.

Hamish LePlastrier (Year 12) was the strongest bowler ending with six wickets. Although this was a disappointing result it was not a true reflection of the season.

Mr Tom McNeil  
Coach

## England Tour

The First XI Cricket Squad held their England Cricket Tour in 2019, which was a great success.

Over 20 days, the team played 11 matches, winning nine and losing two. On field highlights included playing the Felsted Carnival, fixtures against many schools much older than St Peter's College and an emphatic defeat of a quality Surrey County Cricket Club Under 17 lineup in a two day match.

Off the field, the tour attended the Australia vs New Zealand World Cup fixture at Lord's, visited key tourist attractions throughout London and Oxford, attended *The Lion King* on London's West End, and had some fantastic billeting experiences with various hosts.

Thanks to Mr Ciaran Geraghty for his assistance in planning a successful tour and Mr Ben Hanisch for connecting us with World Cup tickets.

Mr Jeremy Borgas  
Teacher and Coach

## First XI

The First XI Team entered Term 1 in third place on the 2018/2019 one day competition table.

Coming off a superb win at the Neil Dansie Carnival, the team was closer than ever before and this showed in the semi final as they fielded marvellously to secure the win against a powerful Rostrevor team. This set up a final against PAC where it came down to the last over.

Our hard work paid off and we were crowned Premiers for the 2018/2019 season.

The 2019/2020 season started well with a young School team finishing top of the one day competition.

Mr Jake Platen  
Teacher and Coach

## Second XI

The Second XI Cricket Team competed in over 40 matches in Term 1 and 4, as well as T-20 matches throughout Term 4.

In Term 1, the team was wonderfully led by Harrison Chow (Year 12) and Will Quigley-Smith (Year 12), with our best performed players including Jagga Cross (Year 12), Christian Maios (Year 11), Sam Bruce (Year 12) and Sam Potter (Year 12).

In Term 4, our Captain was Sam Jackson (Year 11) and our best performing players included Nic Michaels (Year 11), Ned Duggan (Year 11) and Pierce Cordes-Harvey (Year 11).

The lads demonstrated tremendous team spirit and showed great potential.

Mr Barrie Bryan  
Teacher and Coach

## 10A Cricket

Term 1 saw a win against Pembroke, and losses to Adelaide High and PAC.

We reached semi finals in the Secondary Schools Sports Association 20/20 competition.

Term 4 also recorded wins but lost narrowly to Adelaide High.

The skills, knowledge and character development of the 18 men and individual highlights were commendable. Particularly by Matthew Roberts (Year 10), Jasper Polglase (Year 10) and Bradley Jefferies (Year 10). Bradley also achieved the highest run aggregate and Luke Turner (Year 10) the highest wicket taking aggregate. Matthew Roberts, Lachy Gitsham (Year 10) and Alex Robertson (Year 10) were all promoted to the First XI Team.

Mr Peter Warnes  
Coach

## 9A Cricket

The 9A Team had mixed success. The talented group of players won most matches but did not take down bigger scalps such as Adelaide High or PAC, after being in winning positions and dropping catches.

Standout performances included a 64-ball 114 not out from Billy Dowling (Year 9), a four wicket haul from Noah Browning (Year 9) and a 72 not out from Ashwin Atukorala (Year 9).

The team was a delight to coach, with players stepping up and performing well in Term 4 as Seb McVann (Year 9) and Cormac Dwyer (Year 9) were called into the First XI.

Mr Jeremy Borgas  
Teacher and Coach

### First XI Cricket Intercol Team

**Front Row:** William Warrick, Lachlan Parker, William Montgomery (Captain), Mr Tom McNeil (Coach), Charlie Allan, Hamish LePlastrier, Harrison Chow

**Back Row:** Mr Jeremy Borgas (Coordinator), Matthew Roberts, Thomas Kelly, James Howard, Peter Unerkov, Samuel Warrick, Alex Roe, Mr Stewart Smith (Director)

### First XI Cricket Team

**Front Row:** William Warrick, Lachlan Parker, William Montgomery (Captain), Mr Tom McNeil (Coach), Charlie Allan, Hamish LePlastrier, Henry Nelligan

**Middle Row:** Mr Jeremy Borgas (Coordinator), Harrison Chow, Jett May, Matthew Roberts, Samuel Warrick, Alex Roe, William Quigley-Smith, Mr Stewart Smith (Director)

**Back Row:** Thomas Kelly, Sam Bruce, Sam Potter, James Howard, Peter Unerkov

**Absent:** Mr Jake Platen (Assistant Coach)

### Messenger Shield Winners

# Cricket

## 9B Cricket

In Term 1, we defeated Blackfriars and Pembroke, after a loss to Mercedes. Charlie Allgrove (Year 9) made 56 against Blackfriars.

In Term 4, we won four matches and lost one. Charlie Allgrove made 52 not out and Hugo Stockman (Year 9) made 44 not out in a partnership of 97 against St Ignatius. Binuga Pathirana (Year 9) made 47 not out in our victory over Pembroke. Daniel Jesudason (Year 9) was a thoughtful Captain, who led the team well. Charlie Wells (Year 9) made some runs almost every week. Tom McFarlane (Year 9) and Campbell McKee (Year 9) showed great promise as all rounders. Will Humphries (Year 9) was a good wicket keeper.

Mr David Docwra  
Coach 9B

## 8A Cricket

The 8A Team had a very strong season of cricket finishing the year undefeated.

Captained by Ethan Trewartha (Year 8) and Harrison Moule-Hooworth (Year 8), they have worked hard to develop many areas of their game. Ethan and Harrison stood out with the bat while Ethan and James Hattingh (Year 8) had the best of it with the ball. The Nitschke twins, Ed and Henry (Year 8), both improved out of sight to also dominate with the bat.

Highlights included beating PAC three times over the year, with a win on the final ball in the last game of the season.

Mr William Freesmith  
Coach 8A

## 8B Cricket

The 8B Team had a successful Term 4 winning three out of the four matches, losing the last match to PAC.

The team played with great spirit and fun. They enjoyed the moments when someone took a great catch or belted a boundary. Importantly, however, they always played with good sportsmanship.

Although the boys played well together as a team there needs to be special mentions to Joshua McDowell (Year 8) as Captain of the Team, Ben Howard (Year 8) who made 122 runs at an average of 61 and Vithu Jayachakaran, (Year 8), six, and Aidan Green (Year 8), five, wickets each.

Mr Bill Burnett  
Coach

### Year 4 Cricket - Blue

**Teacher:** Ms G Pavy

**Back Row:** Kaspar Jongeneel, Aarav Kochar, Krishn Arora, Alexander Molga

**Front Row:** Christian Hughes, George Xenophou, Charlie Kemble, Sambhav Tegginamat, Nicholas Hill

### Year 4 Cricket - Gold

**Teacher:** Mrs S Irvine

**Back Row:** Aditya Baghel, Thomas Burns, Leo Iannella, Oscar Kleinig

**Front Row:** Jordy Brown, Joshua Maung, Archer Papps Burford, Joshua Howes, Eamon Boylon

**Absent:** Henry Zappia

### Year 4 Cricket - White

**Teacher:** Mr J Cosgrove

**Back Row:** Samuel Humble, Leonardo Vignera, Edward Manifold, Jay Ingle

**Front Row:** Darcy Thatcher, Caleb Scott, Sebastian Yates, Hudson Kerr, Joshua Zhang

### Year 5 Cricket - Blue

**Teacher:** Ms J Tierney

**Back Row:** Hamish Donlan, Atticus Clayton, Hugo Bower, Daniel Latimer, William Sanders

**Front Row:** Benjamin Howell, Angus Adamson, Leo Dreosti, John Lucas, Louis Adamson, Harry Binns

**Absent:** Isaac Brooks, Harry Hoadley

## 7A Cricket

The 7A Team completed an outstanding season, winning seven of nine matches. The boys should be commended on the manner in which they conducted themselves; a very professional outfit, supporting each other and playing with humility.

As a team, batting was our biggest strength. The highlight was a huge total of 198 from 20 overs against PAC in the last match. There were many great individual performances with both bat and ball.

Thank you to all parents for their support over the season, particularly with scoring. I very much enjoyed coaching this group and wish them all the best.

Mr Nicholas Crawley  
Teacher and Coach

## Junior School Cricket

Over 90 boys represented the School on the cricket field and many coaches brought a vast array of cricketing knowledge and continued to improve the standard.

Each of our Junior School teams experienced a level of success throughout the season, with every boy contributing in some way.

The Woolworths Junior Blasters program for more than 50 boys in Reception to Year 2 was a popular facet and introduction to Cricket.

Thank you to all of the boys, staff and parents involved and the grounds staff for preparing the grounds and practice wickets each week.

Mr Jason Cosgrove  
Junior School PE and Sports Coordinator  
TIC Cricket – Junior School

## Year 5 Cricket - Gold

**Teacher:** Mr R Davey

**Back Row:** Andrew Hattingh, Miles Chipperfield, Joshua Joshi, Taurus Johnson, Thomas Smith, Sebastian Dreosti

**Front Row:** Lachlan Jones, Thomas Joseph, John McAuliffe, William Howard, Sunny Zhang, Angus Cameron

**Absent:** Angus Bond

## Year 5 Cricket - White

**Front Row:** Hugo Browne, Oliver Wright, Louis von Doussa, Jimmy Hele, Carl Cavenett, Findlay Hillier

**Absent:** Preston Dickson

## Year 6 Cricket - Blue

**Teacher:** Mr B Storer

**Back Row:** Edward Thomas, Balsehaj Gilhotra, Harrison Gray, Sebastian Lowe, Thomas Dalcin, Alexis Prakash

**Front Row:** Krishen Nair, Ishaan Chaudhuri, William Donnelly, Henry Wigg, Harry Manifold, Christian Dawes, Jenson Grudhoff

## Year 6 Cricket - White

**Teacher:** Miss K Nixon

**Back Row:** Felix Hanisch, Lachlan Kamencak, Lachlan Estcourt Hughes, James O'Neill, Laurence Anderson, Henry Taylor

**Front Row:** Benjamin Short, Angus Grace, Max Mitchell, Zachary Michaels, Ryan Stockhoff, Jackson Walker

**Absent:** Yiorgos Coutsoumbes

# Cross Country

The boys demonstrated strong camaraderie and dedication to the program designed by Coach Rick Wilson. The team was captained by William Langley (Year 12) and Zac Connell (Year 11) and had a good mix of students from Year 7 to 12.

A welcomed new recruit, Tom Grosser (Year 7), made it to the Nationals Cross Country Championship in Wollongong along with Adam Goddard (Year 10), Zac Connell, Jonathan Harris (Year 8), Archie Goodson (Year 8), Henry Braithwaite (Year 9), who finished first, and third in Under 16, first and third in Under 14 and fifth in Under 15 of the State Championship at Oakbank. In addition, Harry Raff (Year 9) finished sixth in Under 15 and Jonathan Harris, Archie Goodson, Oscar Hanisch (Year 8) and William Osborn (Year 8) finished second in the Under 14 team category.

The achievements have inspired new recruits in Year 7 including Tom Archer, Arki Galantomos, Hugh Hazell, Peter Morfesi and in Year 12 including Andrew Chapman, William Ryan and Seb Hughes.

In the Sports Association for Adelaide Schools Relay Competition Alec Disney (Year 9), Jonathan Harris, Henry Braithwaite and Archie Goodson finished first in the Junior while Luke Russell (Year 11), Jeremy Beale (Year 10), Meshach Begg (Year 10) and Zac Connell finished fourth in the Senior.

All boys must be commended in their efforts and great sportsmanship and on an enjoyable season.

**Mr Brian Wong**  
Senior School Teacher

## Senior Cross Country

**Front Row:** Tom Archer, Henry Braithwaite, Zac Connell (Vice Captain), William Langley (Captain), Alec Disney, Harry Raff, Tom Grosser

**Back Row:** Brian Wong, Meshach Begg, Andrew Chapman, Jeremy Beale, Luke Russell, Archie Goodson, Sara Neville

**Absent:** Arki Galantomos, Jonathan Harris, Hugh Hazell, Seb Hughes, Peter Morfesi, Will Ryan

## Junior Cross Country

**Teachers:** Miss M Moore, Mr C Becker

**Back Row:** Pierce Larkin, Hamish Porter, Nicholas Robertson, Lachlan Estcourt Hughes, Zach Hoberg, Gustaw Czechowicz, Jack Hollington, Louis von Doussa, Henry Lehman

**Second Row:** Oscar Kleinig, Lachlan McKenna, Donovan Fahey, Dougal Grieve, Lawson Jones, Max Mitchell, Frederick Kidman, William Donnelly, Jason (Pei En) Liu

**Front Row:** Joshua Maung, Oliver Maung, Taurus Johnson, Charles Tonkin, Joshua Murray, Jack Grosser, Anthony Ibrahim, Christian Oberdan, John Lucas, Hugo Browne

**Absent:** Angus Bond, Balsehaj Gilhotra, Safinn Gue, Hugo Hill, Zachary Michaels, Daniel Rocca, Jake Wong, Oscar Wurm

# Football

## First XVIII Football

We had a great start to the season by measuring ourselves against Melbourne Grammar, who we lost to by only three points.

Despite injuries and challenges, the boys found a way to win and our School record was eight wins and two losses.

The change of our training structure to enable all players to fulfil their roles and the implementation of a new game plan allowed us to turn up to Intercol day in good shape.

The boys should be extremely proud of their teamwork, selflessness and discipline to follow match plans as well as consistency in their attitude and effort.

## Second XVIII

2019 saw the Second XVIII Team go through quite a few changes, form a new game plan, group standards and competition.

Competing against a combination of first and second sides we saw a competitive season that ended with a 5-5 record.

We are really proud of the number of players who cycled through the side (41) as well as those who got selected in the first side (14). Seeing the really strong culture within the group, as well as new training standards and some exciting gameplay, each week was very pleasing from the coaching point of view.

Chris O'Connor

## Third XVIII Team

The Third XVIII Team enjoyed a challenging, yet rewarding, season. They demonstrated tenacity and resilience throughout, with a couple of wins.

While the Intercol match against PAC resulted in a 14 goal loss, the attitude of the team was very impressive. All players were incredibly gracious in their defeat, not once dropping their heads or indulging in any untoward play. The boys maintained their communication around the ground and continued to run until the final siren.

A talented and well equipped group of young men, it was my pleasure to oversee the entire experience.

Ms Margaret Reid

# Football

## 10A Football

The focus for the year was player development to prepare the boys for First XVIII in the future.

The year was originally difficult to gain any momentum, however, in Term 3 they continued to take calculated risks, develop a deeper understanding of the game plan and play their role.

It was encouraging to see that four Year 10 boys — Bradley Jefferies, Morgan Ferres, Matthew Roberts and Samuel Warrick — all played the entire year in the First XVIII in addition to Felix Packer, Tom Gibson and Weston Rata who each played a game.

I would like to thank all the boys and their families for an enjoyable year.

Mr Michael O'Leary

## 10B Team

The 10B Team had plenty of challenges this year and to their credit they stuck at it for the entirety.

The boys came to training with positivity and, throughout the year we incorporated our footballing knowledge and key aspects of the game to ensure competitiveness. This built significantly over the season.

We were extremely pleased with the effort in the annual Intercollegiate match against PAC. We had a great week on the track and all players were focused and enthusiastic. Although the result did not go our way, we couldn't have been prouder of the performance.

Nick McGill and Edward Allan

## 9A Team

The 9A Team completed an undefeated season highlighted by strong wins.

The effort, determination and enthusiasm that the boys showed at every training session was a key factor behind their improvement throughout the year. Such was the strength and talent of the group, that the coaches often had the luxury of moving boys to unfamiliar positions on the ground to further their development.

Max Blacker (Year 9), Billy Dowling (Year 9) and Frank Packer (Year 9) were selected in the Under 15 state schools' team and played exceptionally well in the National Championships.

The Intercol match against PAC resulted in a five goal win for St Peter's College.

Mr CJ Geraghty  
Assistant Coach and Manager

## 8A Team

Creating an environment of enthusiasm, optimism, taking risks and positivity to play the game, despite the challenges associated with a broad range of physical development, was easy with the 8A Team. Each boy was encouraged to know, accept and play his role for the team.

The annual Intercollegiate match against PAC resulted in a 50 point loss for St Peter's College. However, we successfully put as much pressure as possible on them.

I can unequivocally state that it has been an absolute privilege and pleasure to work with the young men who represented the 8A Team this season

Mr Peter Warnes

## 8B1 Team

Due to a large number of boys in the Year 8 group, two B Teams were created. 8B1 Team consisted of a core of about 15 boys, who enjoyed a very successful season.

The team lost only three games and won seven, including a resounding victory in the annual Intercollegiate match against PAC.

The development and improvement shown by the boys was most encouraging, with all boys ending the season vastly more confident in their skills and knowledge of the game.

## First XVIII Football

**Front Row:** Tom Palmer, William Quigley-Smith, Nic Michaels, Jasper Benson, Will Warrick (Captain of Football), Henry Nelligan (1st XVIII Captain), Jack Kelsh (Vice Captain of Football), Lachie De Cesare, Jagga Cross, Henry Minson, Harry Vincent

**Second Row:** Fraser Warrick (Team Manager), Jack Packer, James Higgins, Brad Jefferies, Tom Kelly, Matthew Roberts, Mr Sam Elliott (Director of Football), Charlie Allan, Charlie Kirchner, James Hanlon, Ben Belperio, James Kerr, Glen Malkin (Assistant Coach)

**Third Row:** Michael Bolton (Runner), Sam Warrick, Jasper Hoffmann, Charlie Dowling, Sam Bruce, Jack Kain, William Montgomery, Will Bradley, Malachy Carruthers, Ian White (Assistant Coach)

**Back Row:** Felix Packer, Sam Dukalskis, Wyatt Ryan, Sam Potter, Morgan Ferres

It was a pleasure coaching the lads and we look forward to monitoring their progress in the coming years.

Sam McLeay

### 8B2 Team

Season 2019 presented as an exciting time for the 8B2 Team, which was full of improvement, learning and, most importantly, fun.

Our season started superbly with eight wins. The highlight was our improvement from round one to the end of Term 2 where a lot of players grew confidence in their skills and ability.

The boys must be commended for games in Term 3 against much stronger opposition and their effort never wavered.

The Intercol match against PAC resulted in a 10 goal win with our combined 8B Team. It was the most impressive performance of the season.

Mitch Harvey

### 7A Team

After a disappointing loss to begin the season, the team strung six consecutive wins together to complete a very pleasing Term 1.

Tough matches to begin Term 2 against very strong Sacred Heart teams, turned out to be good for our development and we responded well to finish the season strongly.

The team is to be commended for the way it competed each week. We focused on working hard to defend when the opposition had possession and moving the ball quickly when we had it. Our development in these aspects of the game over the season was very pleasing.

James Tamblyn

### 7B Team

The 7B Team had a fantastic year and showed great growth as individuals and as a group.

After a slow start to the year, the boys managed to string together wins consistently exemplifying the improvement of their abilities over the season. Highlights included wins against Sacred Heart and beating Trinity on many occasions.

The boys showed fantastic character over the year which was demonstrated through wins where they came from behind in the second half to defeat their opponent.

I look forward to seeing the boys develop their abilities over the years to come.

Hamish Gitsham

### Junior School Football

The Junior School Football Program was represented strongly once again this season with three teams taking to the field.

Throughout the season, all teams came away with some outstanding results. All of our boys are to be congratulated for the way they went about playing their football this year. Whilst fiercely competitive, they did so with a high degree of sportsmanship.

I would like to thank Mr Adam Clutton and Mr Ben Storer for their coaching this season.

I look forward to seeing our football program grow even stronger in the coming years.

Mr Jason Cosgrove  
Junior School PE and Sports Coordinator  
Year 5/6 Blue Football Coach

# Football

## Year 4/5 Football - Blue

**Teacher:** Mr B Storer

**Back Row:** Angus Adamson, Edward Penley, Daniel Latimer, Elliott Penn, Oliver Sils, Thomas Worrall, Oliver Wright, William Bodycote

**Second Row:** William Atkins, William Howard, Fabian Johnson, Jimmy Hele, Taurus Johnson, Oliver Coleman, Kaspar Jongeneel, Hugo Browne, Hunter Di Blasio

**Front Row:** Harry Binns, Jordy Brown, George Xenophou, Darcy Thatcher, Thomas Clayton, Callum McLachlan, Lachlan Jones, Louis Adamson, Edward Gartrell

**Absent:** Angus Bond, Isaac Brooks, Oakley Stratton

## Year 5/6 Football

**Teacher:** Mr J Cosgrove

**Back Row:** Nikolaj Wylie, Felix Hanisch, Lawson Jones, Dougal Grieve, Charles Harrington

**Second Row:** Charlie Bruce, William Colbourne, James O'Neill, Joseph Fitzgerald, Max Mitchell, Timothy Silcock

**Front Row:** Jackson Walker, Angus Tolley, Henry Taylor, Lachlan Estcourt Hughes, Jimmy Hele, Frederick Kidman, William Howard

**Absent:** Isaac Brooks

## Year 5/6 Football - White

**Teacher:** Mr A Clutton

**Back Row:** Henry Wigg, Laurence Anderson, Elliott Penn, Daniel Rocca, Harrison Sorvanis, Angus Grace, Donovan Fahey, William Donnelly

**Front Row:** Hugo Browne, Christian Dawes, Benjamin Short, Hamish Porter, Zachary Michaels (Captain), Charles Tonkin, Bae Versace, Oliver Wright, Jenson Grudnoff

**Absent:** Beau Jeffries, Oakley Stratton

# Hockey

## First XI

2019 saw a largely inexperienced First XI side develop significantly.

Unfortunately we lost Dugald MacLachlan (Year 11) to injury and the Year 10 Venture also took some key players.

Under pressure, leaders Oscar Bryant (Year 12), Cooper Silby (Year 12), Ben Wright (Year 11), Josh Reseigh (Year 11) and Lachlan Bellifemine (Year 12) supported the younger players. Wins against St Ignatius College, Glenunga International High School and Adelaide High School later in the season, highlighted the development. The team finished third in the metropolitan section of the State Schools' Knockout Competition.

Thank you to Cameron Higgins, the parents for their support and the grounds staff.

Mr Garry Grosvenor

## Second XI

The Second XI completed a good season where everyone developed skill and game awareness.

Lachlan Jenkins (Year 11) provided sound leadership throughout as they often faced First XI opposition. Not daunted, the team scored regular goals and also recorded a victory over PAC late in Term 3. Paxton Silby should be commended for his enthusiastic coaching.

It was lovely to see some of the younger team members represent in the State Schools' Knockout Competition, a sign of player development in the program.

Special thanks to all the parents for their support and the grounds staff for the pitch upkeep.

Mr Garry Grosvenor

## Middle Hockey

Middle Hockey entered two teams in 2019. With our large intake of Year 7 and 8 players, and a wide range of competencies, we focused on skills development, teamwork and field placement strategies. Players were encouraged to develop the confidence to transfer their skills into whatever game situations required of them.

Results for the season were six wins, four draws and eight losses, four of which were certainly influenced by illness and injury and splitting our competition teams across two venues.

PAC and St Michael's were formidable opponents but our play and confidence improved against both schools across the season, with a victory against St Michael's in our third contest. In this match, James Hattingh showed his mastery as a striker, scoring three goals, while Finn Stentiford eclipsed an excellent captain's knock by scoring from our corner. While we lost the Intercol match, it was a terrific fast paced and exciting game, with a superb flying

field goal scored by Will Disney in the second half.

All in all, we scored 28 goals for the season, with leading strikers Finn Williams (Year 9), James Hattingh (Year 8) and Will Disney (Year 7), together with Finn Stentiford (Year 9), as the main goal scorers. Others to score included Coell Williams (Year 8), Ned Carney (Year 9) and Andrzej Czechowicz (Year 9).

The increasing strength of our centre midfield, dominated by Finn Stentiford, Casey Van Heuven (Year 9) and Harry Burns (Year 7), was augmented by Alex Halloran (Year 8), whose natural ability ensured a quick trajectory from beginner to most valued player.

Other newcomers whose determination and enthusiasm for the game proved essential to the team's improvement, were Griffin Bierlein (Year 9) and Zig Jonats (Year 7) and Will White (Year 8) made significant progress on field.

James Loftus (Year 10) really found his confidence this year and has become a reliable midfield defender. Others to show increasing fluency on field this year were Donny Coscia (Year 9) and Jesse Sanders (Year 8) who, together with Toby Kent (Year 7), Liam Duerden (Year 7), Saveen Wickramanayake (Year 7) and Haiding Wang (Year 7), provided good engagement with the ball from defensive to forward positions.

# Hockey

Where would we have been this year without the stalwart defence of James Ewart (Year 9) and Ivar Stockhoff (Year 9), supported in the deep by Tomas Conroy (Year 9), Archie Bater (Year 7), Will Strong and Lachy Gallagher (Year 7), all of whom had a most demanding season. We will certainly miss Ivar and James as they move to Senior Hockey next year.

Our thanks to the untiring efforts of Will Bessell who has directed our practices in 2019 and will be missed next year.

Sally Bartz

## Junior School Hockey

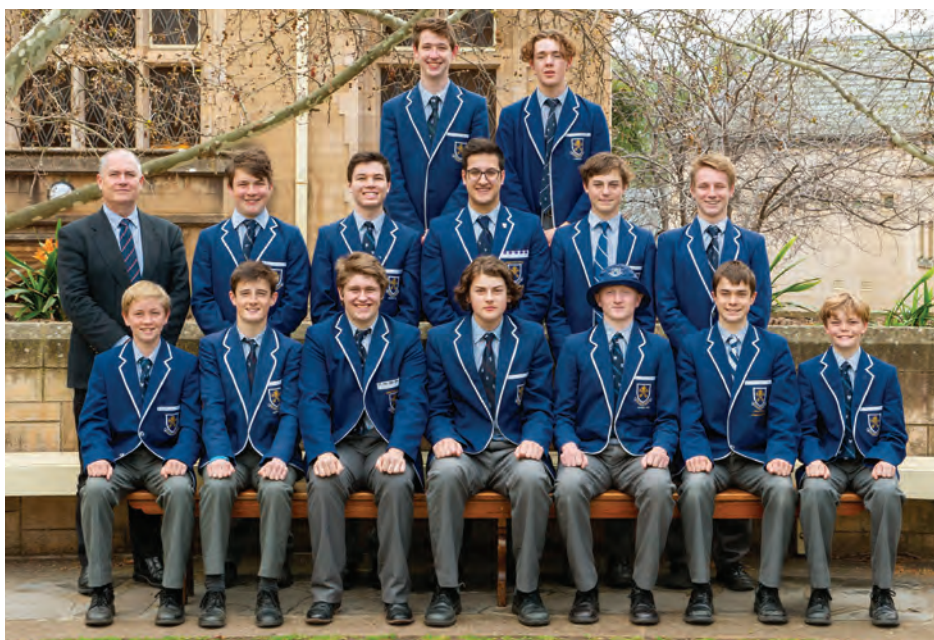

Congratulations to all the players on an enjoyable, competitive and successful Hockey season. This year's Intercol included three teams made up of boys from Year 4 to 6. Many boys played a variety of positions.

The season has seen many successes and continued growth in all the players. There were many highlights and most pleasing were the team spirit, enthusiasm and determination.

Thank you to the many parents who have supported the boys and volunteered to supply refreshments.

Congratulations to Sinclair Conroy (Year 6) receiving the Valuable Player Award.

Mr Ashley Weinert and Mr Richard Davey

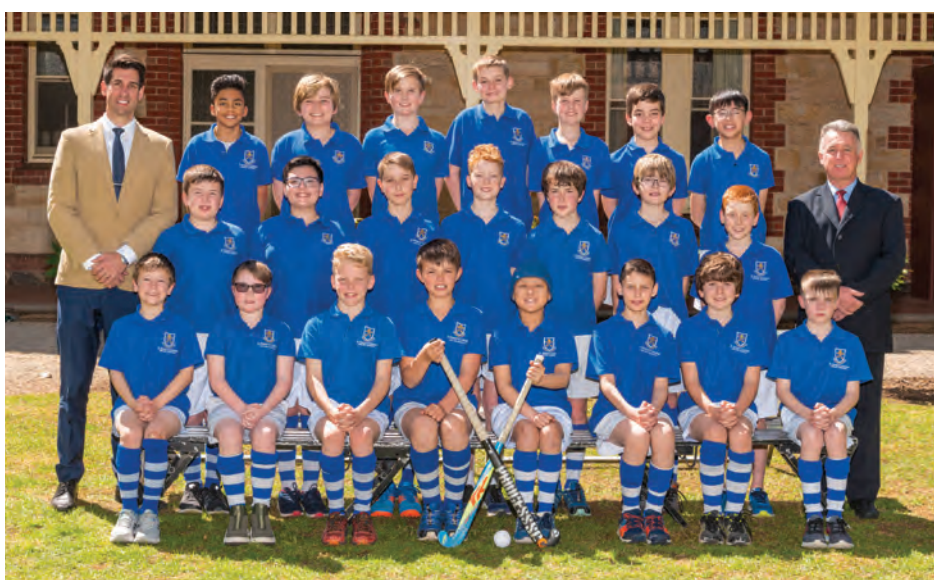

## First XI Hockey

**Front Row:** Finn Williams, Alistair Jones, Cooper Silby (Co vice-captain), Oscar Bryant (Captain), Dugald MacLachlan (Co vice-captain), Zac Connell, Coell Williams

**Middle Row:** Garry Grosvenor (Teacher in Charge), Finn Stentiford, Stefan Kudra, Lachlan Bellifemine, Oscar Bird, Ben Wright

**Back Row:** Josh Reseigh, Guy Radbone

**Absent:** Fred Fox, Cameron Higgins (Teacher in Charge)

## Year 4/5/6 Hockey

**Teachers:** Mr R Davey, Mr A Weinert

**Back Row:** Safinn Gue, Miles Chipperfield, Nicholas Robertson, Edward Gross, William Dean, Luka Dimitri, Kyran Cheung

**Second Row:** Ioannis Athanasiadis, Nicholas Latella, Thomas Burns, Gustaw Czechowicz, Alexander Lippett, Harry Manifold, John Lucas

**Front Row:** Peter Athanasiadis, Angus Ireland, Andrew Hattingh, Sinclair Conroy, Evan Nguyen, Jackson Cleanthous, Edward Manifold, Christian Hughes

**Absent:** Maximos Arkadianos, Jack Cosenza, Hugo Michell

# Junior School House Games

## Summer House Games

The end of Term 1 saw the Junior School boys compete in their annual Summer House Games. Every boy from each of the four Houses was put into a team to compete in a sport. The boys can represent their House in Cricket, Modified Cricket, Tennis, Tee Ball or Volleyball. As this is the first time our Year 3 boys have participated in Summer House Games, they played Kickball.

As always, the competition throughout the event was fierce, with House pride on the line but it was great to see a high level of sportsmanship from all the competitors.

I would like to thank all of the boys for their participation and the Senior School boys who helped to umpire the Cricket matches. I would also like to thank the Junior School staff for their efforts in running the different matches.

A big thank you to our four House Leaders, Mr Athanasiou (Brooks), Mr Burrigge (Alliston-Jones), Mrs Bartholomaeus (Clayton-Dyer) and Miss Nixon (Stokes-Ware) for all of the time that they invested to ensure an enjoyable day.

## Winter House Games

This Junior School House Winter Games was a fantastic day for all of the boys in Year 3 to 6 as they have the opportunity to represent their House on the sporting field. The Year 3 boys were introduced to their first House Winter Games by playing Soccer.

The overall results were very close but Alliston-Jones won Soccer, Brooks won Basketball and Stokes-Ware won Football and Hockey.

All of the boys are to be congratulated for their efforts throughout the day. Despite the weather and the fact that competition was

fierce, with House pride on the line, high levels of sportsmanship were on display during each game.

I would like to thank the Junior School staff for their assistance with the supervising of events and the Senior School boys who umpired matches. It means a lot to the Junior School boys to have school leaders give up their time to help them out.

A special thank you to the grounds staff for marking all of the playing fields and the Junior School Friends of Saints for providing a BBQ.

Mr Jason Cosgrove  
Junior School PE and Sports Coordinator

- 1 Year 5/6 Soccer – Brooks v Alliston-Jones.
- 2 Year 5 Basketball Stokes-Ware vs Brooks.
- 3 Sinclair Conroy, Luka Dimitri, Jack Cosenza, Evan Nguyen and William Dean.
- 4 Year 4/5 Soccer Clayton-Dyer vs Stokes-Ware.

# Pedal Prix

The Australian HPV Super Series, known as Pedal Prix, is the largest event of its kind in anywhere of the world. Participants race enclosed, aerodynamic trikes in a recumbent position Human Powered Vehicle (HPV).

During Term 3, the four Teams (Vector, Delta-V, Quicksilver and Cicada) arrived in Murray Bridge to race against over 200 teams from around Australia. Vector started the race strongly capping off a great year with a win. Having finished the season undefeated, the team were crowned series winners of the Australian HPV Super Series and are National Champions!

Delta-V finished the season in 26th place out of 54 competitors whilst Quicksilver and Cicada finished in 11th and 42nd place, respectively, out of 112 teams.

These results are St Peter's College best yet and reflect the strong growth of the Pedal Prix program led by staff and students.

Special thanks must go to teachers Mr Lamont and Mr Coventry for organising the teams throughout the season, coaches Fergus Kelso and William Ritossa for their continued good work with training and maintaining the vehicles.

Thank you to all the parents for volunteering throughout the season. All the boys appreciate their continued support.

Eric Zhou  
Pedal Prix Captain

As Teacher in Charge of Pedal Prix, I would like to make particular mention of the exceptional leadership of Captain, Eric Zhou (Year 12) and Co-Vice Captains, Will Golding (Year 12) and Angus Ritossa (Year 12). Through their hard work and guidance, I am confident the Pedal Prix season has been a positive experience for all concerned.

Mr Nick Lamont  
Teacher in Charge Pedal Prix

**1** The Pedal Prix team pre-race Murray Bridge. **2** Eric Zhou and Yi Qin completing some last minute repairs. **3** Angus Ritossa after a rain affected stint in Murray Bridge 24-hour race. **4** Jasper Hermann assisting Archie Goodson (In-car). **5** Team Vector L 2. **6** 'Vector' team pre-race at Loxton 6-hour event. **7** Loxton Mayor Leon Stasinowsky presenting Angus Miller, Sam Golding and Will Golding with the winners medallions. **8** Angus Miller enjoying the limelight! **9** Angus Miller recovering after a long stint in Loxton 6-hour.

**Pedal Prix**

**Front Row:** Rhys Godfrey, James Ritossa, Will Golding, Mr Nick Lamont (Teacher in charge), Eric Zhou (Captain), Jake Nesbitt, Archie Goodson

**Back Row:** Cooper Cox, Angus Miller, James Howard, Sam Golding

**Absent:** Angus Ritossa (Vice-Captain)

# Rowing

## Australian Rowing Nationals

The week following their successful Head of the River Regatta, fourteen members of the Senior Rowing Squad travelled to Penrith to compete in the Australian Rowing Championships.

Racing against the fastest 20 crews from around the country, the St Peter's College First VIII performed commendably to earn a spot in the A final and finished seventh overall.

The squad combined with rowers from Pembroke, Pulteney, Adelaide and Torrens Rowing Clubs to race in the Under 19 men's event. In an exciting finish, the combined crew finished with a Bronze Medal, the first time a South Australian crew has medalled in the event for a number of years.

Another notable performance of the week was James Andrewartha (Year 12) competing in the Under 19 men's single scull. Not only was James able to make the A final, in a high standard field of 33 entries, he was just 0.9 seconds from the Bronze Medal winner and edged out the Pembroke sculler by 0.09 seconds, making him the highest ranked South Australian in the event.

Overall, the trip was an excellent learning experience for the boys allowing them to see the standards set by other schools around the country.

**Mr James McRae**  
Teacher and Coach

## Boat Club

The 2018/19 season saw 40 per cent year on year growth in numbers at the St Peter's College Boat Club.

Well done to all boys for their personal and collective achievements on, and off, the water. It is rewarding for all to see the boys' ownership of their success, setting their own standards and pushing each other.

Whilst there are always improvements to be made, it is pleasing to see the culture of resilience, ownership and respect forming. Boys driving these values has allowed performance to constantly lift to result in success taking care of itself.

**Mr Tim Hennessy**  
Head of Rowing

## Finniss Training Camps

Finniss welcomed the Senior, Intermediate and Junior squads for their annual training camp in January.

It was an important camp for the Senior squad, developing and strengthening our technical and racing skills. It was also vital in continuing the success of our Junior and Intermediate squads who had the opportunity to refine their skills and host internal competition between crews.

Boys also developed their understanding of the relationship between rowers and coxswains and their roles to contribute to the boat's speed.

All camps were successful in building relationships between all boys and their coaches, further establishing the club's culture.

**Tim Prince**  
Captain of Boats

### Year 9/10

The Year 9/10 Rowing program enabled the boys to develop great friendships, leadership and time management strategies which are all valuable life skills.

Goal setting at the January camp improved their focus, helping the boys become the fittest they have ever been. The ergo testing in February produced personal best times across the squad, exceeding all expectations.

Although we were unable to achieve the ultimate goal in winning Head of The River, the boys learnt valuable lessons in teamwork, persistence and resilience that will set them up for their future in, and away, from rowing.

Ms Jo Francou

### Year 8/9

The Year 8/9 Squad boated seven crews of well-prepared students at the Head of the River regatta. Every crew finished in the top three of their race and five crews achieved first place. A, B and C races were the fastest ever at this age level.

Earlier in the season, the A crew won the State Championships in record time.

Other successes included increasing self-motivation, time management and responsibility for equipment and each other.

At the Finniss Rowing Camp, the boys learnt to help each other through tough sessions and the discomfort of heat.

Mr David Cornelius

### Year 7/8

An enthusiastic group of boys encouraged each other to maximise their sculling skills and learning during Term 4. They were quick onto the water and eager to learn from the talented coaching squad.

Rowing Camp saw the squad develop into one of the most promising groups we have had in years. This was proven at the Head of the River Regatta where all but one crew won their race. The B Team thoroughly deserved to win but due to influences beyond their control, came second.

Well done boys! What a promising future the club has with you on board.

Mr Michael Gilmore

### Year 7

In Term 1, we gained a new cohort of Year 7 students into the Rowing program, with record numbers at 38 students. Following this successful "come and try" season, we had even more Year 7 students join for Term 4.

The boys progressed throughout the term from having a coach in the boat, to being very competent in the tub singles, with majority progressing to the racing skull by the end of the term.

Thankfully, we had no quad skulls capsized this year. This was balanced out by a number of swimmers in the Torrens from the single skulls!

Ms Louise Firth

1 Rowing State Champs. 2-3 Year 8 Rowing Racing.

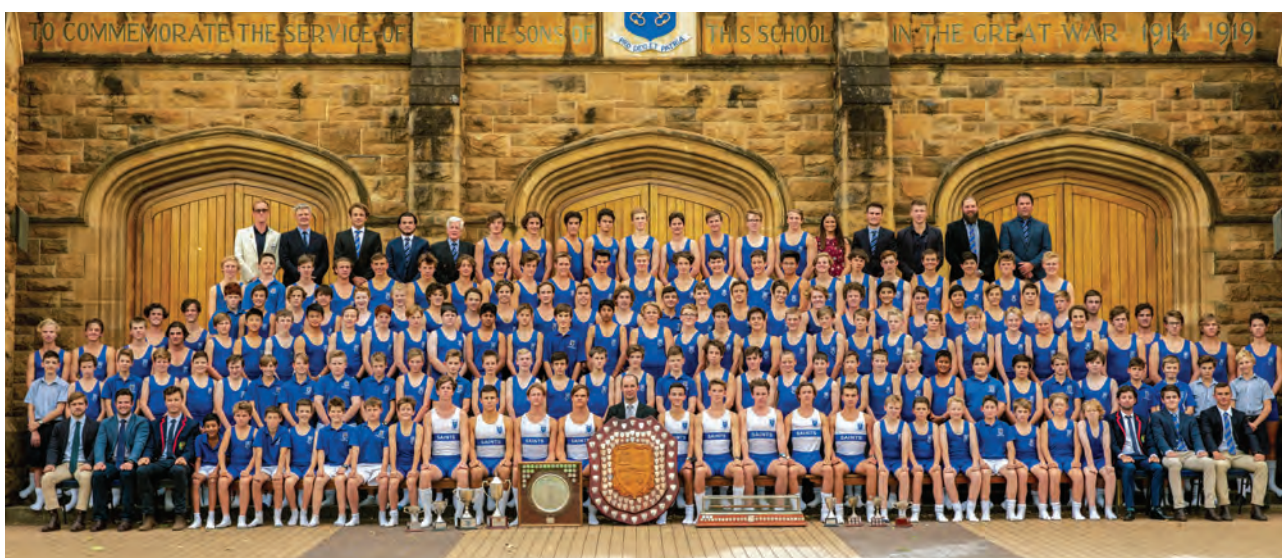

# Rowing

## 1st VIII Rowing

**Front Row:** Max Linton, Jack Kelsh, Tim Prince, Oliver Cobain, Harry Sclater

**Back Row:** James McRae (Coach), Ben Ashman, James Andrewartha, George Nery, Josh Dunstan, Tim Hennessy (Director of Rowing)

## Boat Club

**Absent:** Alex Andreyev, William Barone, Vinnie Belperio, Sophie Camens (Coach), Jordan Chu, Axel Copas, Dave Cornelius (Coach), Thomas Crosby, Alec Disney, Will Disney, Louise Firth (Coach), Jo Francou (Coach), Arki Galantomos, Michael Gilmore (Coach), Archie Goodson, Tom Hall, John Hearn, Alyssa Hennessy (Coach), Eddie Hetherington, Isaac Johnson, Jack Lynch, Oscar Moore (Coach), Eddie Moss, Cameron Natt (Coach), Vincent Oberdan, Felix Packer, Marius Paroidi (Boatman), Mark Proctor (Coach), Alexander Rowe, Hamish Scobie, Laith Shahin, Philip Stevens (Coach), Alex Wei, Tom Wickham, Fabian Wightman (Coach), Luca Wilson

# Rugby

## Under 16

The Under 16 Rugby Team completed a remarkable season winning every game including the opening sevens tournament, SA Schools' Rugby Under 16 Grand Final and Under 16 Intercol.

Cormac Dwyer (Year 9) was the top scorer, Noah Browning (Year 9) was named best back and Luke Sikalu (Year 10) scored eleven tries and four conversions. Jayden Le (Year 11) was Captain for most of the season before being called up to the First XV and was named best forward.

Tom Mocatta (Year 10) completed the season as Captain and was named best team man. Jake Platten is to be congratulated for outstanding coaching.

Mr Steven Perry

## Under 14

The Under 14 Rugby Team, under Coach Mr Browning, had a successful year and should be proud of how far they came with both their skill set and their understanding of how to play the game.

The season started with a sevens tournament before progressing to 15 a side. The team played eight matches over the two winter terms, winning four of them.

Training initially focused on basic ball movement and body positioning but developed to include set lineout plays and defensive moves.

Thank you to all the boys and parents for all their support, especially with scoring.

Mr Leigh Kube

## Rugby

**Front Row:** Joshua Snell, Hy (Jayden) Le, Alex Wakeham, Maxwell Monfries (Captain), Fraser Jaffray (Vice-Captain), Jeremy Harding, Jagga Cross, Felix Pyne

**Second Row:** Lauren Brenton (Manager), Jamie Grosev, Luke Robertson, Jamie Fenwick-Elliott, Jacob Davey, Ashton Haseldine, Angus Urry, Tony Begley (Head Coach)

**Third Row:** Will Bradley, Jack Pamminger, Fin Foster, Conor Dwyer, Weston Rata, Timothy Weir

**Back Row:** Hardy Tesserman, Henry Southcott, Guy Radbone  
Absent: Oscar Wynne-Jones, Brian Zhao, Jack Campion (Assistant Coach)

# Sailing

Team Sailing is often described as “Chess on Water” requiring both skill and tactics to be competitive. All three of the Sailing Teams this year demonstrated an ample amount of both, led by Captain George Young. George was well supported by Cooper Silby (Vice Captain) who motivated all members of the squad to perform to the best of their ability each and every regatta.

Two teams were entered into the State Championships where they both achieved excellent results, especially with many new and inexperienced sailors in the squad.

It was fantastic to see all members of the squad, regardless of age, year level, or experience, working together as a team to achieve so much success throughout the season.

Mr Anthony Bates  
Head of Outdoor Education

## Sailing

**Front Row:** Charlie Piro, Luca Quinn, Ian Irwin, Yi Qin, George Young (Captain), Cooper Silby (Vice Captain), Samuel Loftus, David Taylor, Edward Forbes

**Middle Row:** Mr Anthony Bates (Teacher in Charge), Alexander Rouss, Kevin He, Albert Howard, Sam Steele, Frank Pu, Derek Yang, Casper Cai, Jesse Sanders, Lachy Gallagher

**Back Row:** Eric You, Will Howard, Jonty Milford, Jacob Lowe, Samuel He

**Absent:** Jarvis Zhao

# Soccer

## Intercol

The Intercol was the final game of the year and was a tense and emotionally draining affair with both sides giving their all to claim the Simpson Cup.

PAC went ahead early in the game courtesy of a penalty kick, although the First XI boys were on top in the game, creating a number of chances before scoring an equaliser late in the first half.

The second half offered many close opportunities for both sides. But in the first half of extra time, Orlando Sagrillo-Yeamon (Year 10) scored at the back post and we won the game 2-1 and reclaimed the cup.

## First XI

The 2019 season was marked with many highlights and achievements for the First XI that will be remembered for many years to come by all players and staff involved.

Highlights of the year included an England tour to play seven matches against club, academy and school teams and training at iconic clubs including Manchester City, Tottenham Hotspur and at the English Football Association. The tour was a fantastic success with the First XI playing an attacking and entertaining brand of soccer being victorious against large private schools and football academy teams.

After the successful tour of England, the First XI returned home and travelled to Melbourne to play in the annual John Roe Shield match against Scotch College Melbourne. With St Peter's College being holders of the shield, Scotch College came out firing in the first half to lead 1-0 at half time in front of their vocal home crowd. After some adjustments our boys wrestled back momentum of the game to equalise early, then go on to dominate the second half, winning 5-1 and retaining the shield for a second year in a row.

The annual Interstate Boys Coalition Cup (IBC) between Newington College Sydney, Brisbane Grammar, Canberra Grammar and St Peter's College was held in Adelaide.

After winning the competition in 2018, the First XI were attempting to win the tournament back to back, a feat never before achieved by the School. The boys produced near perfect performances to secure victories in all three matches played and won the IBC cup again in 2019.

Keshav Shrestha (Year 11) was named the player of the tournament with Phillip Rocca (Year 12), Adam Slimming (Year 12), Jasper Hoffmann (Year 12) and Oliver Craig (Year 12) also being named in the team of the tournament.

A big congratulations to all players and staff involved, who worked tirelessly making the season one to remember.

## Second XI

We had an outstanding season by winning or drawing all but one of our games and played a high quality standard of Soccer.

A passing game, that setup from the back, saw the team create numerous opportunities upfront. Led by a dynamic midfield group and the use of speed down the wings, the team performed exceptionally well with highlights including victories over Rostrevor away and a 2-1 victory over rivals PAC.

Alex Roe (Year 12) won the best player award and Christian Marchetti (Year 12) was the best team man.

Congratulations to all 21 boys that represented the team in 2019!

## Third XI

Our best result was at St Ignatius, Lucas Roman (Year 11) and Caleb Wilson (Year 11) scored amazing goals to make 2-0. Our keeper, Nick Basedow (Year 11), produced several fine saves. Jacob Lowe (Year 11), Dihan Tang (Year 11), Raphael Woo (Year 11), William Thompson (Year 12), Marcus To (Year 11), Joshua Chu (Year 11), Desmond Rowland Woodall (Year 11), Jake Hodgkinson (Year 11), Lachlan Theseira (Year 8) and Jimmy Psaltis (Year 11) also played well.

Another good game was the 2-2 draw at Rostrevor when Lucas Roman and Isaac Hoe (Year 11) were our wingers. We kept possession and controlled the game.

Vyk Bishnoi (Year 11) and Yifan Zhao (Year 11) contributed well across the season.

## 10A Team

The season began with some tough matches, losing our first three. We showed great resilience in the second half, unbeaten in our last four matches.

The highlight was our victory over CBC, winning 4-1 and overturning a previous 4-0 loss and showing real proof of character.

Our ability to play out an entire match was evident in the second half of the season where we also demonstrated fantastic short one touch passing that was concise and created many goal scoring opportunities.

Player of the year was Connor Murphy (Year 10) and Hamish Scobie (Year 10) was best team man.

## 10B Team

The team had an excellent year. There was significant improvement in the confidence they had on the ball, understanding of positioning and movement, passing, tackling and their camaraderie on the field. This improvement was a testament to their fantastic attendance at training sessions and good spirits.

Each game was hard fought until the end. The boys thoroughly enjoyed what the season had to offer and we should be proud of how they represented the School.

We hope that each boy continues to play Soccer as they move into Year 11. It was an absolute pleasure coaching this team.

Mackenzie Thompson  
10B Coach

## Middle A Team

We started and ended the season well, convincingly winning our Intercol match.

We often played an attacking and fluid game, putting teams under pressure, but we left too many spaces for attack and conceded easy goals. This was a good learning experience and with three boys regularly playing in the First XI, gave younger players the opportunity to play at this level.

There is a lot of talent amongst this group and with the right mindset, they will improve throughout the Soccer program. The group worked hard at training and were a pleasure to coach.

# Soccer

## Middle B Team

The dedication to the season the Middle B Team demonstrated is a credit to all.

The team worked hard to implement playing the St Peter's College Soccer style which soon became a habit. There were so many highlights and we positively responded well as a team.

After many hours on the field, we still had one more match St Peter's College versus PAC which was much like a Grand Final — tense and contested for the full 70 minutes.

I'm fortunate to have been the Coach for the Middle B Team in 2019 and look forward to being part of the boys' development in 2020.

## 9B Team

We had a tough start to the season with two big losses, although we learnt from the experience.

From the third week onwards, the team changed their mindset and were focused and committed, and through this approach their competitiveness improved. This led to much closer results and some drawn matches.

It was an honour to coach the 9B Team this year and I hope that the bonds they created and lessons they learnt on the Soccer field will last forever. Thank you, boys, for the effort you put into matches and the laughs and good times shared together.

## 8B Team

The 8B Team enjoyed a fantastic year and had an incredibly successful season.

We played eleven games and won nine and only lost two. Opposing teams stood no chance as games were often won by five or more goals.

The boys should be commended on demonstrating hard work, resilience and teamwork and developing these skills very fast in training and in games.

Additionally, the enthusiasm was tremendous and the team spirit was amazing.

The player of the year was Tom Hodgkison (Year 8) and team man of the year was Oliver Grieve (Year 8).

## 7A Team

The 7A Team had a very strong year and showed excellent progression over the season, particularly in their defensive understanding. The team lost three games with many strong wins and most importantly they enjoyed themselves.

The group had plenty of experienced players who listened well, worked hard at training and were keen to lead their peers. Much of the team was made of players who had progressed from Junior School, however, there were some significant new additions that strengthened the squad.

Oso Oyugbo (Year 7) won best player with 13 goals and Henry Robertson (Year 7) won best team man.

## 7B Team

This season saw the 7B Team play 10 games in total, playing hard every match. Whilst we saw more losses than wins, our boys held their heads high each week closing the gap between goals scored as the season progressed. The boys showed commitment, building on their ball skills during weekly training sessions, thanks to the dedication of their Coach, Jack Eccleston.

Each player was able to improve throughout the season, growing confidence and becoming closer as a team. The boys' passion was evident each week and they should be proud of their accomplishments.

## Junior School

Over 100 boys played Soccer for the Junior School, with six teams spanning Years 4-7. Our focus was fostering boys' enjoyment of the game, skill development, acquisition and development of coaches and retaining healthy numbers. The skill development led to more touches on the ball and more goals.

Of notable mention is the 6A Team who remained undefeated. The most valuable player award went to Iliia Shrestha who also gained SAPSASA representation.

My thanks go to the parents for their positive support and assistance. All players should be proud of their wonderful efforts throughout the season.

Mr John Athanasiou  
Teacher in Charge of Junior School Soccer

**Year 5/6 Soccer White**

**Teacher:** Mrs C Slinger

**Back Row:** Lucas Choi, Balsehaj Gilhotra, Zimu Fan, Daniel Wickham, Pierce Larkin

**Front Row:** Hamish Donlan, Ethan Cross, Max Hilditch, Aidan Makris, Joshua Murray, Christian Oberdan

**Absent:** Zhi Bo Li, Oscar Wurm

# Squash

The six squash teams consisted of 30 players from Year 7 to 12 competing in their respective divisions. All of the matches were played in great spirit, with our players showing respect for their opponents at all times and humility in victory.

The Division 1 Team were competitive against some very strong opposition and should be commended for finishing the season in third place.

The Division 2 Teams (Blue, White and Gold) both contained a mixture of experienced players and novices but all worked hard to improve their game each round. The Year 10 White Team made the Grand Final but were defeated by a very strong Adelaide High.

Both Year 9 Blue and White Teams displayed significant improvement as the season progressed and impressed all with the way they conducted themselves.

The Year 8 Team finished the minor round in third place behind PAC and St Ignatius and produced a dominating performance in their semi final against PAC to march into the Grand Final versing Saint Ignatius who only narrowly secured victory.

St Peter's College finished in third place (out of eleven) at the South Australian High School Championship, which was a great effort.

Overall, all the boys have been determined and should be proud of what they have

achieved. And with fantastic support from family and friends, our boys kept their cool under pressure.

I would like to thank the coaching staff and I am sure that the boys will keep their competitive spirit in the future.

**Harrison Georgiadis**  
Squash Captain

**Mr Nick Lamont**  
Teacher in Charge Squash

**1** Year 8 Team Champions: Rayan Abou-Hamdan, Gunin Singhal, Aiden Eaton, Mr Chris Romanos (Coach), Sam Cheatle (kneeling).  
**2** Year 10 Blue Team Runners-up: Mr Tony Cretan (Coach) William Griffin, Guy Dello Iacovo, Matt Edmonds-Wilson, William Gunner.

## Squash Division 1

Nick Lamont (Teacher in Charge), Chathula Kiripitige, Harrison Georgiadis (Captain), Jimmy Dianos, James Hanlon (Vice-Captain), Ben Norris

**Absent:** James Grosser

# Swimming

## SAAS Swimming Team

In a new era at St Peter's College, early morning practices were scheduled and boys could select Swimming as their first choice sport.

Under the expert eye of our Head Coach, Josh Thiele, the team started to dominate the Wednesday SAAS competition like never before.

In the state A Grade Championships, we secured a most creditable second place behind a very strong PAC but we wanted more and were on the improve.

The SAAS Final was once again held at our pool where the big question was: could we break through to win our very first SAAS Championship since the competition commenced in 1974? In the final, we held a narrow lead after the individual events and needed a big performance in the all important relays. The boys performed magnificently, winning six of the eight relays and St Peter's College were crowned SAAS Champions for the first time in our history and the forty six year wait was over!

In defeating PAC, we also won the Intercol and proudly returned the Tony O'Donohue Trophy to the cabinet in Memorial Hall.

## Senior School Swimming Carnival

The points for trial performances were, once again, increased and this had an immediate impact with a record number of boys attending lunchtime trials over an intense three-week period.

Will Gaertner became the 2019 School Champion with a narrow victory over Swimming Captain Zac Nash-Smith (Year 12), while Matthew Pearce (Year 10) smashed a nineteen-year-old record in the breaststroke, on his way to the Under 15 Championship. Other records were broken by Jake Nesbitt (Year 9) in the Under 15 freestyle and three relay records to Woodcock, Short and Farrell Houses.

In the House competition, Farrell prevailed in the Juniors, Woodcock had a narrow victory in the Seniors and Da Costa won the overall competition, receiving the prestigious Champion Swimming House Trophy.

Mr Laurie Humphreys  
Teacher in Charge of Swimming

## Swimming

**Front Row:** Daniel Spiby, Henry Miller, Jake Nesbitt, Thomas Spiby (Vice-Captain), Zac Nash-Smith (Captain), Jack Gooden, Hamish Scott-Young, Theo Dimitri

**Middle Row:** Mr Laurie Humphreys (Teacher in Charge), Tom Disney, David Rus, Josh Watson, Will Gaertner, Darcy Tsamaidis, Mr Josh Thiele (Coach)

**Back Row:** Aleksandar Dobrijevc, Ned Gauvin, Morgan Ferres, Rory Lethbridge, Isaac Au

**Absent:** Will Disney, Seb Lockie, Matthew Pearce, Maximilian Trask

# Table Tennis

Over 100 students formed nine solid teams and participated in great spirit. All boys had the opportunity to train hard and to improve their skills and technique through round robins, friendly inhouse competitions and entering SAPSASA competitions.

The Open First Team won the Intercol trophy once again, Open B Team took out the season undefeated and the Year 7 Team improved rapidly. All teams bonded well and enjoyed more wins than losses.

State Junior players, Oscar Chen (Year 9) and Glen Li (Year 5), moved up the ranks to play with our Open First Team and continuing in 2020.

## Open A1 Team

The 2019 season was a strong one with the Open A1 Team remaining undefeated, with the exception of one loss.

The competition remained friendly and enthusiastic and they worked hard to improve all skill areas. The players improved service delivery and variation, playing strategies and consistency. Of particular note, was the team's ability to be flexible when partnering up with a different doubles combination.

In the final showdown at the Intercol, we took out the match with a final score of 12-8.

Special thanks must go to Coach Ms Kay Crowell, for her professionalism, expertise and dedication to the team.

K Flanagan  
Manager

## Second VIII Team

The Second VIII Team faced a challenging season with all the games pitted against First Teams. While victories were rare, all the players were forced to hone their skills and lift their intensity and it resulted in a steady improvement over the year.

It promises to have the team well prepared for the challenges of 2020. Players to make a strong impact during the year include Alex Roe (Year 12), Austen Lindsay (Year 11) and Shrey Sinhal (Year 11).

Jon Inge

## Senior B1 Team

The Senior B1 Team competed against higher ranked teams and were competitive, winning one of their eleven games.

Rayden Wang (Year 10) and Xavier Georgitsis (Year 11) were very dedicated and consistent players. Aiden Donnevert (Year 10), Jack Maitland (Year 10), Nickolas

Tolis (Year 11), Tom Shangguan (Year 11) and Benjamin Harding (Year 12) proved to be keen and reliable players. Jarvis Zhao (Year 10), Jack Maitland, Menura Gamage (Year 11), Patrick Jiang (Year 11), Chao Chen (Year 11) and Aryo Javanmard were reliable players who improved.

It was great to see the boys grow in confidence and watch accomplishments.

## Senior B2 Team

The Senior B2 Team enjoyed a season of effective skills development, camaraderie and competition.

The team consisted of Jyun Jing Chan (Year 11), Darryl Chu (Year 10), Toby de Wit (Year 10), Daniel Feng (Year 10), George Gadalla (Year 11), Benjamin Harding (Year 11), Sam Harrison (Year 11), Lebron Huang (Year 11), Lachlan Judge (Year 11), Ricardo Liu (Year 11), Shiva Mukherjee (Year 11), Dyllan Nguyen (Year 10), Eric Zhang (Year 11), Nickolas Tolis (Year 11) and Jordan Zhang (Year 12). They attained considerable success securing seven wins with three losses for the season.

Thank you to all players who showed good sportsmanship and spirit of play.

Mr Tim O'Shea  
Coach

## Open A1 Table Tennis

Irene Castrechini-Sutton (Table Tennis Coordinator), Sachin Ravindran, Aaditya Mangla (Vice Captain), Harrison Hughes, Alex Hofmann (Captain), Eric Gao, Upol Sarker, Oscar Chen

**Absent:** James Carter (Acting Coordinator), Kay Crowell (Head Coach), Kylie Flanagan (Team Manager), Callum Gale, Glen Li, Alexander Rouss

### Middle B Year 7 Team

The Middle B Year 7 Team demonstrated great enthusiasm and determination throughout the season, growing in confidence and skills development.

Team spirit and friendships developed and players readily attended lunchtime training sessions, keen to give their all in the Friday afternoon matches. They struggled in early matches but rallied hard in the second half.

Oliver Hamilton (Year 7) and Jayden Pham (Year 2) formed a strong double team and thrived on several occasions over strong competition in both double and single games. As did Lucas Chan (Year 7) and Daniel Nguyen (Year 7).

Congratulations on an enjoyable season.

Ms Xiaoning Wang  
Manager

### Middle B2 Team

Middle B2 opened the season with a very impressive demonstration. Throughout the season, many players achieved consecutive wins in all three games whilst others experienced success in honing their driving skills, forehand push and the great smash. Serves were perfected and some dynamic duos started to improve their play such as Henry and Ed Nitschke (Year 8).

Best improved player for the season goes to Louis Rust (Year 9), however, all players are to be congratulated on an excellent effort this year.

Ms Amy Martin  
Team Manager

### Junior A1 Team

Congratulations to the Junior A1 Team for their commitment to training and games.

I also would like to praise the team's resilience. They fought valiantly and displayed a commendable sense of team spirit and improved their skills. The players fought some impressive individual matches and sportsmanship and mutual support were strong features.

James, Ethan, Sebastian and Carson were stalwart, ably supported by Seb, Justin, Aidan, Lincoln, Alan, Karan, William, Ethan, Adam and Michael.

Coach Kay showed them how to work on the table and her contribution to their success was greatly appreciated by the boys.

### Junior A2 Team

The Junior A2 Team had a successful season, winning most of their games. The players were a committed group who regularly practised and constantly worked on improving.

Of note was Bingqi, who began the season at the bottom but improved to the number one player, winning the Coach's Award.

Seb played a consistent game at number two, while William, Adam, Alan and Kristian were enthusiastic and are to be congratulated for always being present at practices. Michael, Yiding and Daniel showed persistence and received encouragement awards.

All players showed a marked increase in the refinement of their skills.

Ms Monica McCauley  
Team Manager

# T-Ball

Term 1 began with a lot of excitement for the Year 4/5 T-Ball boys, as the Blue and White teams were formed over the first few weeks of practices. The boys were very keen to compete in their first game, with the Year 5 boys showing great leadership on the field.

We were fortunate to have a national softball player, Sophie Roberts, as our Coach, and this resulted in a huge improvement in the boys' knowledge of the game, as well as their skill levels. Results for the year were mixed for both teams as the boys developed their knowledge of the game while improving their skills.

Congratulations to all boys who participated in T-Ball this year. Both teams improved over the season with all boys participating with enthusiasm, team spirit and outstanding sportsmanship.

Ms Sue Dansie  
Junior School Teacher-Librarian

# Tennis

There were 300 boys participating in the Tennis program from Year 4 to 12.

In the Junior School, our success has continued with a winning record of 78 percent of all matches played. Special mention goes to the Junior A1 and A2 Teams who — for the eighth year running — were undefeated.

The Hotshots' Program for boys in Reception to Year 3 built a great platform for younger students starting on their Tennis journey.

In the Senior School, we can be proud of a 72 percent winning record. Special mention to the Drive Team, led by Callum Gale (Year 11). They have had an incredible season, losing only three matches for the year.

Congratulations to Captain of Tennis in the Senior School, Callum Gale, and Charlie Bruce (Year 6) in the Junior School, for the leadership they have shown this year.

I would like to thank the teachers in charge of Tennis, Sally Bartz and John Athanasiou, for their significant contribution and all team Managers and Coaches.

Mr Todd Perry  
Director of Tennis

## Drive Team

Experienced Drive Team members, Captain Callum Gale (Year 11), Jasper Benson (Year 12), Richard Rosser (Year 11) and Brandon Seeto (Year 11), provided highlights and mentoring to younger members.

Harry Bruce (Year 8), Angus Koeroessy (Year 8) and Jude Gale (Year 8) continue to develop and are now key members.

Although injured for Term 4, Kye Bennett (Year 9) developed his game and Seb Birdseye (Year 7) made a promising debut.

Special mention to Jasper Benson and James Higgins (Year 11) for their outstanding contributions.

Special thanks to Coach Todd Perry for developing the team into a highly talented lineup and to the grounds staff for all their support.

Mr Garry Grosvenor

## Middle A1 (1) Team

The Middle A1 (1) Team finished Term 1 undefeated.

When Will and Seb were seconded to the Senior A1 Team in Term 4, Tom Grosser (Year 7) and Lachlan Langton (Year 8) stepped into this role, supported by the consistency of Kobe Strazdins (Year 9) and Victor Sun (Year 7). Sid Jacka (Year 8) and Alex Ma (Year 8) made up the team's third pair.

This combination won all matches, except those against a formidable Marrayatville side and a surprisingly strong CBC, who had improved considerably since Term 1.

The team completed an excellent playing season and its members deserve commendation for their camaraderie.

Ms Sally Bartz

## Middle A1 (2) Team

The Middle A1 (2) Team had seven wins and four losses.

Will Fitzgerald (Year 9) anchored the team, undefeated except one and formed strong doubles with Oliver Grieve (Year 8).

Max Blacker (Year 9) split his time between position two and three, but his season was unfortunately cut short due to injury.

Luis Vollmer's (Year 9) strong service games and agility were impressive features, while Conan Baird had a consistent year, combining well with Charlie Silcock (Year 8).

Will McConnel (Year 9) was most improved player, regularly moving up to number four. Harry Eyres (Year 9) improved, scoring an impressive 6-0 win against Pulteney.

Ms Pat Aller

## Middle A1 (3) Team

Following a 3-2 win loss in Term 1, Term 4 proved to be successful for the Middle A1 (3) Team, recording a 5-1 win loss.

Patrick Higgins (Year 8) was a great competitor, treating onlookers to gripping matches. Carson Liang (Year 9), Samuel Higgins (Year 8) and Sebastian Hoe (Year 9) were steady and consistent. Hugh Wells (Year 8) and his aggressive forehand added impressive depth, and Karan Sethi (Year 9) is to be congratulated for turning around a difficult start. It was a shame that Joshua Ledger (Year 7) missed Term 4 due to injury, after a solid Term 1.

Harrison Nienaber

## Drive Tennis

**Front Row:** Richard Rosser, Angus Koeroessy, Jasper Benson, Callum Gale (Captain), Harry Vincent, Kye Bennett, Jude Gale

**Back Row:** Garry Grosvenor (Manager), Brandon Seeto, James Higgins, Harry Bruce, Todd Perry (Director and Head Coach)

**Absent:** Sally Bartz (Teacher in Charge)

# Tennis

## Middle A2 Team

The Middle A2 Team only lost one match across the whole year. The players supported each other well, celebrating everyone's success.

Christos Angelopoulos (Year 9) did not lose a single match in Term 1 or 4 supported in the doubles by the ever-reliable Patrick.

Finn, Angus, Hugo and Seb were a keen bunch and Seb and Hugo even managed to work Tennis in with other sports on Saturday's, such was their enthusiasm!

The team lost Henry MacLachlan (Year 7) to injury in Term 4 but Alexander and Nicholas joined in Term 4 and played well in a good end to the season.

Mr Karl Grice

## Middle B1 (1) Team

The culmination of the Middle B1 (1) Team's season has left its competition rattled.

The power players — Joshua Bested (Year 9), Li, Josip Podreka (Year 9), Kian Mylankal (Year 9) and Ethan Leo (Year 9) — were formidable forces. These players, along with the consistency of Peter Kasimatis (Year 9), Josh Poole (Year 7) and Kelvin Lu (Year 10), dominated the

opposition on the scoreboard which left us with five wins and one loss in Term 4.

They are all to be congratulated on the quality of Tennis and for the support they showed one another throughout the season.

Charlton Gunn

## Middle B1 (2) Team

Term 4 saw mixed success for the Middle B1 (2) Team with an equal number of wins and losses.

Olivier Bizot (Year 7) showed great improvement in both confidence and his overall ability. James Wallwork (Year 8) and Sebastian Hillier (Year 8) played some excellent doubles matches together, while Alex Koh (Year 7) put his best foot forward in every match. Both Kristian Musolino (Year 8) and Rajiv Paravithana (Year 9) were excellent role models with their excellent teamwork and communication.

It was also great to see newcomers Christian Bizot and Anthony Maios (Year 9) grow their confidence exponentially.

Mr John Wright

## Middle B1 (3) Team

In Term 1, the Middle B1 (3) Team won three of its five matches, only going down to Immanuel and PAC in hard fought contests.

Term 4 saw the team win three and lose three, once again to PAC.

Nevertheless, Peter and Henry played their best games of the year against PAC, to win singles matches 6-1 and 6-3 respectively. Henry, Wilson, Ben and Jock were consistent across the season and Martin and Adam showed increasing confidence. Henry Forby only joined in Term 4 but soon found his place.

All players proved capable of meeting the challenges with resilience and effort.

Ms Sally Bartz

## Middle B2 Team

The Middle B2 Team had a strong season, with all boys playing well and being rewarded with frequent success on the courts.

Max Wang (Year 8) and Luc van den Hengel (Year 9) were two of our standout players, consistently playing at a high level even against difficult competition.

The team represented the School commendably, with a strong commitment to matches and training sessions. The boys were well mannered on the courts and willing to help out by playing additional games when we were low on numbers.

William Miller

### Middle C1

Henry and Ollie Colbourne (Year 8) were the only players remaining from the 2018 C1 Team and are to be congratulated for their mentoring. In Term 4, this role was capably filled by Zig Jonats (Year 7) and Panagiotis Konidaris (Year 8).

Term 1 was mixed and we were often unlucky to narrowly lose matches.

In Term 4, we played Saint Ignatius College in three of the six games, with varying levels of success. These teams provided strong competition for us.

Particular congratulations to Pana, Jack, Zig and Luc, who improved their games significantly and to Louis, who won the award for best game under pressure, winning his singles against PAC in Term 1 and making it to Head of the River in time to see his year level row!

In addition, a big thank you to Toby Kent, who filled in and remained competitive.

New members to the team Ben Northcote (Year 7), Joe Xu (Year 8), Samuel Siebert (Year 7) and Tony Wang (Year 7), improved considerably over the term.

Ms Trudi Duggin

### Middle C2 Team

All Middle C2 players began the year new with the team and some had very limited knowledge of Tennis. Therefore, the training focused on developing their basic techniques and being familiar with the tennis rules.

Even though the team did not win any games, all students showed good sportsmanship and learned a lot from their chance to play competitively.

In Term 4, the team was collapsed into the Middle C1 Team and many boys completed the year competing effectively at this higher playing level.

Ms Fangfang Qiu

### Junior School Tennis

This year, 117 boys played Junior School Tennis and the quality and strength were excellent. Of notable mention was the A1/A2 Team who remained undefeated — for the ninth year in a row — for the season.

The Captain of Tennis for 2019 was Charlie Bruce (Year 6) and congratulations for his leadership and organisation. He was also awarded Most Valuable Player.

Thank you to the Coaches and Managers for their efforts and a smooth season. Thank you also to the parents and grandparents who provided transport, flexibility and encouragement throughout the season. A special thank you to Todd Perry, the Director of Tennis, for his significant contribution and outstanding organisation, leadership and direction.

All players should be proud of their wonderful efforts.

Mr John Athanasiou  
Teacher in Charge of Tennis

# Tennis

## Senior A (1)

The A1(1) team won four of its six matches in Term 1, including the final match against PAC during Intercol Week. Of the five matches played in Term 4, the team recorded two wins and three losses to Marryatville and PAC. The players improved in their doubles ability, only dropping a total of five rubbers in this format. This allowed for crucial matches to be won, contributing to the success seen over the term. James Higgins, James Grounds and Edric Ong performed especially well in singles matches, while strong doubles results were achieved by Lachlan Ng, George Ilic and William Maloney.

William Bessell

## Senior A1 (2)

Term 1 resulted in 3-2 win-loss ratio, signalling a term of strong victories against all opposition except PAC who won both matches. In Term 4, the team was joined by former Middle A players, Will Davidson and Seb Birdseye, and our younger team stood up well against older opposition in two victories against St. Ignatius College and Immanuel. PAC and Marryatville, however, proved too tough to master. Jamie Wells and Luke Sikalu regularly performed well whilst Ethan Bennett and Dylan Lennon showed tenacity and progressed across the season. Ollie White moved up from the Bs, giving him confidence to play in 2020.

Sean Inman & Sally Bartz

## Senior B1 (1)

During Term 1, the B1(1) team scored three wins and three losses. The final results for Term 4 were two wins and three losses. The B1(1) squad was full of latent talent and differing dynamics, with some players more technical and others fast-paced. The final scorecard fails to highlight each boy's hard-work and determination to improve at every Thursday training session, and to put into practice their skills on game-day. Players deserve commendation for the appropriate manner in which they conducted themselves against all opponents. Continue this way in 2020 and the future is going to be an exciting one!

Sebastian Cardone

### Senior B1 (2)

The Senior B1(2) squad commenced Term 1 with victory against St Ignatius College (8 – 1) and Scotch College (11 – 1) setting the tone for an unbeaten term in all matches, except the final PAC match in the Intercol round.

Some minor changes in Term 4 didn't dampen enthusiasm, even though the team won two and lost three matches. A win against St Ignatius and victory over Sacred Heart College the highlights.

Shrey Sinhal, James Tallent, Charlie Morton and Jimmy Psaltis were standout players. Ben Korte, Marcus Tremellen and Paul Karytinis were persistent, working hard all season. Sadly, Paul Musolino missed many games in Term 4 through injury.

John Papazoglou

### Senior B1 (3)

The Senior B1(3) team was made up of Year 12 players, under the coaching batons of Paul Kramberger and William Miller. The team played highly competitive tennis, winning four of their five matches, with their only loss being against the Saints A1(1) team. Their fighting spirit really showed in their last match against St Ignatius. The scores broke even after the doubles sets so it was down to the singles to decide the final result; and with the even scores continuing in the singles. In the end, Harrison Georgiadis' 6-0 singles win was the deciding contest.

Sally Bartz

### Open C1

During Term 1 St Peter's College competed with two teams at the C1 level, condensed into one for Term 4. In Term 1, the combined results saw an even number of wins to losses. Term 4 was successful for the remaining Open C1s, with wins against SIC and Blackfriars. Old rivals, PAC, proved worthy opponents in the last fixture of the year. Jeremy Harding was unable to complete the season in Term 4 owing to injury. The team have shown great improvement this year, including Eric Zhang, Darryl Chu and Dionisios Konidaris, winning a number of matches throughout the season.

Patrick Swanson

## Volleyball - Blue

Jackson McNamara, Borun Li, Jonas Hahn, Zimu Fan, Ioannis Athanasiadis

**Absent:** Lucas Choi, Perry Whitehorn, Oscar Wurm

**Teacher:** Mr T Burrigge

### Australian Volleyball Schools Cup

We sent the First VI Team to compete in the 2019 Australian Volleyball Schools Cup (AVSC) for the first time.

The boys got off to a sensational and energetic start, winning our first three games. The next two games produced a draw.

As the week rolled on, the competition became harder and the team struggled to snatch a win for the next games. They dug deep to win the last two games of the tournament, taking our win count to a respectable five out of twelve matches.

The boys were outstanding in their application and attitude throughout the event.

Mr Michael Cuevas  
Teacher in Charge of Volleyball

### First VI Team

The Open A Team began the season with three consecutive wins and some very narrow losses.

Captain Nickolas Tolis (Year 11) always served and hit well, while Aaron Godfrey (Year 11) was well organised. James Grosser (Year 11) served particularly well. Jayden Le (Year 11) put the opposition under constant pressure and was the main setter along with Jonty Milford (Year 11). Desmond Rowland Woodall (Year 11) and Connor Murphy (Year 10) were ever alert. Riley Van Roekel (Year 11) was great at the net, while Pierce Cordes-Harvey (Year 11) served and set well. Wilbur Glaetzer (Year 10) always served powerfully and accurately.

In Term 4, the team found it hard to match their opponents' consistency in the opening matches; however, they won their final two matches in convincing style.

The Reverend Dr Theo McCall  
Team Manager

### Senior B1 Team

While none of the five games in Term 4 were wins, there were sets won and the team was always competitive. Confidence and skills improved with every match.

Vyk Bishnoi (Year 11), Matt, and Thomas were quiet achievers who got on with the task, always competitive. Rhys was the motivator and Max enjoyed the fellowship of the team. Cooper and Mitch showed quick reflexes and were able to keep the ball in play. Jayden was the most competitive player and pushed everyone to do their best.

Thanks to Serena Shahin for sharing knowledge and helping the team improve.

# Volleyball

## Senior B2 Team

The scores did not reflect the quality of the matches or the determination. It was clear that as the season progressed key skills were dramatically improved to ensure we could dictate play and all of these matches were close, hard fought encounters against well drilled and formidable teams.

The Open B White Team began the new Term 4 season with a loss but the next two matches were excellent wins. It was clear the quality serving and improved skills with less unforced errors set up the win.

Throughout the year they showed glimpses of high quality, and often entertaining, volleyball.

Mr Nick Lamont  
Coach

## Middle A Team

The Middle A Team had a promising season. With so many new players to Volleyball, this was a season of development and many players had the opportunity to play in the A Team.

While the team did not win any games in Term 4, each week they played against high quality opposition and came close to having some wins. Any regular observer would have noticed a significant improvement during the season.

The boys are to be congratulated for their positivity and enthusiasm at practice. Each

week they went out and gave it their best, which impressed me and many parents.

Mr Mark Colsey  
Coach and Manager

## Middle B1 Team

The Middle B1 Team consisted of many eager players across Term 1 and Term 4.

Throughout the year, we trained hard on our sets, spikes and serves and endeavoured to always play the ball three times before returning it to the opposition. It was pleasing to see the huge improvement in skill level as the season progressed.

All matches were played in good spirits with boys always showing respect for their opponents and encouraging each other as a team.

Ms Amy Martin  
Coach

## Middle B2 Team

This year, an increase in the popularity of Volleyball necessitated an extra team.

The Middle B2 Team had early success this term, eventually winning two matches although all games were competitive.

The most pleasing aspect was the growing understanding of the balance between skills and teamwork. Increasingly, rallies became longer and more vocal as players recognised the benefits of setting up their teammates for deeper shots over the

net. At different times, every player was able to perform a special feat that had his teammates excited and motivated!

We look forward with great promise to having the boys continuing.

Mr Andy Payne  
Coach

## Junior School Volleyball

We fielded one team in the Friday night competition made up of eight excitable boys of different abilities.

Each boy gave their best in their training and their matches. It was pleasing to see their growth all throughout the season.

We competed against some tough competition and demonstrated excellent sportsmanship and resilience when the games were close. Often the skill and determination to stay in points was a great indication of how far they had come.

Oscar Wurm (Year 6) was the Captain and he did an excellent job at engaging the other boys and leading from the front.

## Junior A Team

Andreyev N, Carney N, Cox H, Fowler R, Hillier S, Jongebloed M, Kourani A, Kourani E, Li T, Luhrs T, Mestrov W, Ran S, Stentford F, Taat S, Zandel H.

Travis Burridge

# Water Polo

## Intercol

The ninth Intercol match also served as the SAAS Grand Final and it was incredibly tense and exciting.

PAC opened strongly but St Peter's College got their game plan back on track in the second quarter. Scores were level after the third quarter yet the final quarter was incredibly tense and with three goals up and minutes to go. However, to PAC's credit, they put in a huge effort to tie up the game at full time.

In extra time both teams scored and the game was still in the balance but we eventually secured the win, 14-13; our ninth consecutive victory!

Mr Paul Hadfield  
Open A Coach

## Open A

An encouraging first half to the season with three wins and one loss and improvement in skill and team play. The highlights include the 6-5 win over PAC and narrow loss of 6-8 to Blackfriars.

In Term 1, the Open A Team memorably won all seven matches including the first win for many years over Blackfriars. Plus, winning an incredibly intense Intercol match 14-13 and securing the SAAS Schoolboy State Champions award.

The team was exceptionally well led by Captain Nicolas Maddern (Year 12) and Vice-Captain Henry Minson (Year 12).

Special mention to Mr Bruce and Matt Martin for their dedication and support.

Mr Paul Hadfield  
Open A Coach

## Open B1

The team finished the first half of the season at the end of Term 4 of 2018 with wins against Saints B2's 11-2 and PAC 8-3 with younger players stepping up into the team.

In Term 1 of 2019, the Open B1 team had 4 wins (including a 23-0 win versus Sacred Heart), 1 loss and a draw, with the highlight being the 8-7 win after extra time and a penalty shootout against PAC in the Intercol.

Tom Mestrov controlled the team from goals, whilst Ben Belperio and Charlie Dowling combined well in attack. Jas Bhara and Jock Hardy were tough defenders, with Alex Andreyev and Tom Gaertner using their speed to good effect. Fred Potter and Lachie De Cesare were also solid contributors and both read the game exceptionally well.

Thanks to Mr Hadfield who made a valuable contribution to the development of teamwork and tactics at trainings.

Mark Bruce

## Middle A Team

Throughout the season, the Middle A Team have shown dedication and spirit in trainings and matches. They won seven games with quick and efficient passing, drew one and lost three.

Coach Matt Martin has been instrumental in developing the team's ball handling skills, strength and stamina whilst matches were expertly coached by old scholars Jack Cleary and Jack Duggan.

In Term 4, the team won one game with improvements in defence and offence. The team also drew one and lost three during Term 4.

Ms Rachel Spiby and Ms Marie Daziani  
Middle A Managers

# Water Polo

## Middle B Team

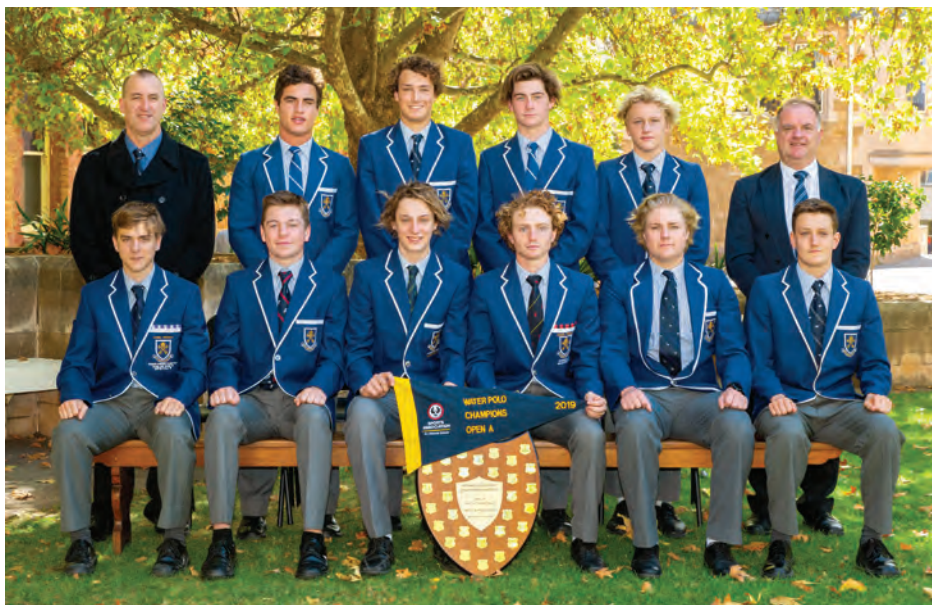

The Middle B Team comprised Year 7 and 8 players. They showed enthusiasm and commitment in both trainings and matches.

The large group was split into three teams for matches, each team demonstrating improvements in defence and offence, communication, teamwork, blocking and efficient passing.

The team's main competition was Pembroke and Mercedes, where St Peter's College achieved three wins out of six games against both. A strong PAC team left them with two wins and eight losses, whilst they achieved three wins against both St Ignatius and Blackfriars.

Special mention to Mr Graeme Litster for his dedication.

Ms Carmen Bester and Ms Kylie Flanagan  
Middle B Managers

## Open A Waterpolo

**Front Row:** Christopher Begg, Rory Lethbridge, Nicolas Maddern (Captain), Henry Minson (Vice Captain), Sam Craven, William Gaertner

**Back Row:** Mr Mark Bruce (Coach Open B), William Bradley, Hugo Cavill, Ned Gauvin, Dougie Scott-Young, Mr Paul Hadfield (Coach & Teacher in Charge)

**Absent:** Jock Hardy, Seb Lockie, Sam Potter (Goal Keeper)

# Outdoor Education

# Year 10 Outdoor Education

The Year 10 *Pushing the Boundaries* experience is an intensive 21 day program centred around bushwalking and mountain biking in the rugged and magical Flinders Ranges.

The journey begins where the boys pack everything they need for the next 20 days into a rucksack. We then travel high into the Northern Flinders Ranges to hike, bike, and abseil our way south.

During the program, the boys explore themes of gratitude and character and are carefully guided through reflections and self discovery. Day 21 is spent reflecting on an amazing accomplishment, remembering the good and the tough times.

We thank the Adnyamathanha people for allowing us to experience their unique country and stories.

Mr Anthony Bates  
Director of Outdoor Education

# Year 9 Outdoor Education

The Year 9 Outdoor Education Journey is a seven day experience held across three amazing — yet challenging — outdoor venues in South Australia and Victoria.

They are Warren Gorge, for rock climbing and hiking, Mt Remarkable for mountain biking and hiking and Glenelg River for canoeing and hiking.

These unique environments encourage the students to challenge themselves and each other, both physically and mentally. The boys gain knowledge and understanding of their place in the world through the teachings of the traditional owners and through personal reflections on their journey.

Mr Anthony Bates  
Director of Outdoor Education

# Year 8 Outdoor Education

The Year 8 students commenced the year with two lead in days at Finnis in preparation for their journey. They revisited packing their backpacks, orienteering, bike riding, climbing skills and meal planning for the camp.

The journey in the Grampians was held in the final week of Term 1. The boys travelled by bus to various campsites dotted throughout the northern Grampians.

From these sites, the boys journeyed by foot, bike and occasionally bus to their next campsite. Climbing to the top of MacKenzie Falls, survival night and abseiling from cliffs were highlights for many of the boys.

Mr Michael Gilmore  
Senior School Teacher

**1** Walking into Cooinda Camp. **2** Settling in for the night, Cooinda. **3** Resting at the base of McKenzie Falls. **4** Ted Bond at Summerday Valley. **5** Riding along the base of the Grampians. **6** Heading off to climb at Summerday Valley.

# Year 7 Outdoor Education

Pushing the Boundaries during Year 7 means stepping out of one's comfort zone and enduring a week without electronic devices, toilets, showers, a home cooked meal, warm bed or hug from a family member. For many boys, this is the first extended period of time without such comforts and it is a great challenge.

Year 7 students enjoyed activities in the Riverland such as canoeing, hiking and cooking whilst, at the same time, cultivating relationships built on trust and cooperation. Most importantly though, are the skills they develop in independence and resilience.

Mr Mark Coventry  
Senior School Teacher

**1** Miss Firth's mentor class after reaching the first campsite on their Riverland journey. **2** Paddling down the Murray River. **3** Haydn Kamencak taking a break on the river bank. **4** Cooking dinner on Trangias. **5** Mr Wong's mentor class racing to their next destination.

# Year 5 Camp

In Week 6 of Term 1, the boys of Year 5 attended a school camp at the Finnis camp grounds.

This three night camp was an exciting adventure for the boys who visited Port Elliot, Middleton and Victor Harbor.

Activities explored whilst on camp included bike riding, a surfing lesson, sailing for some, artwork, a riveting evening of science experiments and raft building.

The Year 5 Camp was a memorable experience for all who attended. Special thanks to Ms Lisa Sachse and Mr Jamie Buxton-Stewart for the planning and organisation of this special event.

Ms Clare Brooking  
Year 5 Teacher

# Year 4 Camp

The Year 4 classes went on their venture to Finniss. When we arrived Uncle Tamaru, a Kaurna elder, performed Welcome to Country and a smoking ceremony.

Day one's activities consisted of boomerang painting, humpy building and a cultural session with Uncle Tamaru.

On day two, we journeyed along the Coorong experiencing the setting of Colin Thiele's novel, Storm Boy. After a walk along the beach, the day ended watching Storm Boy.

The final day consisted of throwing boomerangs and taking care of the campsite, planting and weeding. We showed our gratitude for our camp leaders before heading back to school.

Mr Ben Storer  
Year 4 Teacher

1 Peter Kalamboyas, Markis Kallos, Sebastian Yates and Jake Barclay building a humpy. 2 Year 4 boys unpacking their tents. 3 Boomerang throwing on Year 4 camp. 4 Tree planting. 5 Leo Iannella learning to play the yidaki with Uncle Tamaru.

# Year 3 Camp

In Term 4, a group of Year 3 boys departed for their very first camp at Mylor Adventure Campsite.

The boys engaged in a variety of activities to build relationships, teamwork, problem solving strategies and cooperation skills. The activities also provided an opportunity to move beyond their comfort zones and develop their resilience.

Camp highlights included the flying fox, crate stacking, low ropes, scavenger hunt and the scrumptious food!

All the boys had a tremendous amount of rewarding fun and were cooperative and well organised. A special thank you to Mrs Dansie, Mr Athanasiou, Mr Hamlyn and Sam Howes.

Ms Ada D'Onofrio, Ms Samantha Irvine and Ms Lauren Trowse  
Year 3 Teachers

1 Crate staking. 2 Nikhil Dahm. 3 Edward Robertson. 4 Elliot Lam and Aarit Kothari. 5 Phoenix Von Brackel and Daniel Kwan. 6 Team building games.

# Staff Valete

# Staff Valete

## Ben Hanisch

The close of Semester 1 saw the School farewell the Deputy Headmaster/Head of Senior School, Mr Ben Hanisch, after three years' of dedicated and loyal service. During his employment at the School, he worked tirelessly toward the improvement of educational programs to ensure that every student might thrive.

The School is particularly grateful to Ben for stepping into the role of Acting Headmaster during the second semester interregnum of 2017 following the retirement of the fourteenth Headmaster, Mr Simon Murray. During this important period, he managed a number of challenging matters on behalf of the School and ensured there was a smooth transition to the new leadership team in 2018.

As a career educator, he brought an appreciation of beauty and wonder to his role. Being very passionate about pastoral care he immediately worked toward the amplification of resources that underpinned Senior School Heads of House and the wider pastoral care system from Years 7 to 12.

He also identified the need to increase the emphasis placed upon diversity to ensure that all members of the Senior School might develop a strong sense of identity and belonging. In addition, he set about the establishment of a bullying subcommittee which led to one of the first surveys and implementation of many positive student led interventions.

His leadership in this area has moved the School toward a stronger focus on relationships and how genuine caring relationships between all members of the community underpin each individual's future success.

## James Tamblyn

When St Peter's College made the decision to move Year 7 into the Senior School and build a Middle Years' program, a strong leader and figurehead was required to carry the community forward. The Middle Years' program was an acknowledgement of the important stage of life that these students were experiencing and to provide a strong bridge into the Senior School. Mr James Tamblyn provided this leadership and the Senior School has benefitted greatly from his careful stewardship of the new program since he took on this important role.

James took on the role in May 2015, eight months prior to the first students beginning their journey in the new Middle Years' program of the Senior School. In these months prior to the arrival of students, he meticulously ensured that the Senior School's policies and procedures were aligned to the specific needs of this age group. As the first Year 6 and 7 students started visiting the newly refurbished Pentreath Building, the School began to see the warmth, professionalism and genuine affinity that he had for all students and their families.

He invested in each and every one of the boys in his care as well as working hard to embed a strong professional culture in the Middle Years' staff. His passion for education extended well beyond the classroom as he maintained coaching Middle Years sports teams.

His leadership also saw the establishment of an Annual Pastoral Retreat for key leaders which immediately raised the profile of pastoral care and moved the Senior School toward best practice.

Ben's strong focus on student wellbeing also had a positive impact on the Boarding House at St Peter's College. He oversaw the recruitment of the new Head of Boarding and the subsequent introduction of staff training and compliance systems. The Boarding House at St Peter's College has continued to thrive as a result.

As Head of Senior School, he focused on enhancing the relatively new Indigenous Education Program that was in place at the School. He raised the profile and increased resources of this important program. He also oversaw the introduction and development of the School's first Reconciliation Action Plan and the positive impact of this initiative will be evident in the habits and practices of the School for many years to come.

After three magnificent and industrious years, he returned to pursue his career in Melbourne. His legacy of leadership will go on to benefit all St Peter's College students for many years. The School remains grateful for his dedication, care and commitment to ensuring that all things at St Peter's College remain strong, lovely and of good report.

Mr Tim Browning  
Headmaster

## Sam Cheesman

He always looked boys in the eye, spoke gently, calmly and clearly to explain expectations. He communicated to families the importance of role modelling and also showed all other staff how to teach and care for younger students in the Senior School. Students in the Senior School now comment on how well prepared they are and this is, in no small way, due to the excellent work of James, his authentic dedication to the students' wellbeing and leadership of the dedicated Middle Years' pastoral care team.

The School is most thankful to him for stepping up to the role of Acting Deputy Headmaster/Head of Senior School in Semester 2, 2019. Knowing all of the boys in the Senior School, he led with genuine care and empathy and ensured that all students, particularly the class of 2019, had a strong finish to the year.

His recruitment to the position of Principal, Pedare College is a fitting tribute to his loyal and distinguished service at St Peter's College. We wish him well.

**Mr Tim Browning**  
Headmaster

Mr Sam Cheesman's history with St Peter's College is long and storied. He attended as a student and is proud of the myriad ways his family is connected to the institution. It was not until 2012, however, that he formally joined the School staff as Assistant Director of Learning and Teaching Excellence.

He had previously held a wide range of leadership and teaching positions around the state and overseas. He had, for instance, been the Head of Boarding at Prince Alfred College, the Academic Development Coordinator at SPH International in Jakarta, Head of Religious and Values Education at St John's Grammar School plus Head of Halstead House at the same school.

In the Assistant Director of Learning and Teaching Excellence role (plus concurrent duties as Learning Analytics Coordinator and SACE Coordinator), his expertise saw him utilised in many areas: he engineered and delivered the logistics of the Senior School curriculum, for example, while simultaneously overseeing new developments in tracking student performance against underlying ability. On top of this, he project managed the Senior School timetable construction and organised the placement, induction and management of all preservice teachers.

In 2016, his expertise in the art and science of curriculum delivery saw him appointed to the Special Provisions Advisory Panel on the SACE Board of SA.

He was appointed Acting Director of Learning and Teaching Excellence at St Peter's College in 2018, where his strategic, whole school mindset made him an invaluable member of the Senior Leadership Team. This role also saw him play the lead role in ensuring the School met all of its registration and compliance obligations for Student Learning and Assessment, a task requiring a deep and nuanced knowledge of widely varying curricula.

In 2019, he agreed to take on the role of Director of Studies at St Peter's College, running the mechanics of the Senior School curriculum whilst devising and managing a new, cross campus Learning Sciences team to enhance the ways educational stakeholders use data.

He leaves St Peter's College to become Principal at Tyndale Christian College, Strathalbyn Campus, where his deep pedagogical and technical expertise, combined with his compassionate, principled and faith based relational management skills will see him welcomed into his new community with the same love and admiration as he has enjoyed here. He will be greatly missed and we congratulate him on his new appointment.

**Mr Nicholas Carter**  
Academic Deputy

# Staff Valete

## David Kolpak

Mr David Kolpak joined St Peter's College in 1999, as a classroom teacher of Year 6 and then Year 7 students.

As a classroom teacher, he was an exceptional practitioner, developing meaningful and long lasting relationships with the students in his care. He brought innovation, laughter and a fresh approach to the Bickersteth classrooms and Junior School.

David engaged in all facets of life at St Peter's College. Beyond the classroom, some of these included debating, directing numerous Junior School concerts and musicals, Head of House and Mind Lab. He escorted many students to successful international Mind Lab Olympic finals in countries including Greece, Hungary and Turkey.

His humour, kindness and fairness made him a popular and well liked teacher by students, parents and colleagues. His unwavering commitment to, and care and compassion for, Junior School, Yalari and GAP students and his colleagues, is something he will be long remembered for.

His character strengths were evident long before the development of Positive Education and Wellbeing at St Peter's College, which thrived under his leadership.

He was instrumental in introducing Visible Wellbeing and the U R Strong programs in the Junior School. He proudly represented the Junior School locally, nationally and internationally. A highlight was his presentation in July of this year, sharing his work and that of his colleagues at the Sixth World Congress on Positive Psychology in Melbourne. Under his leadership, the language of Positive Education and Wellbeing can be seen and heard on a daily basis, it is truly embedded in the life of the Junior School. He always extended

his belief in the importance of wellbeing to staff and families, willingly giving up his time to anyone needing advice or compassion. Staff genuinely appreciated this, together with other acts of kindness, including covering duties unexpectedly, hot chip days and his genuine consideration for others. Mr Kolpak is to be commended for balancing his commitment and dedication to St Peter's College with that for his family.

As a member of the Junior School Leadership Team since 2005, he has worked tirelessly to ensure the efficient operation of the Junior School. His ability to magically manipulate numerous timetable parameters, staff teaching loads, relief teachers and continuous changes to the daily routine defies belief. His ability to bring fun and light heartedness to situations was welcomed and valued.

His capacity to see strengths and the best in everyone, especially students, was demonstrated in his interactions and conversations with all stakeholders.

The opportunity for him to act as Head of Junior School during Term 1 confirmed our belief that he was a Headmaster in the making. It was no surprise to us when he was appointed Principal of Trinity College, Gawler North Campus. His deep commitment to Positive Education and Wellbeing, together with his leadership skills and compassion will be great assets for Trinity College.

We sincerely thank him for his unwavering commitment and passion for St Peter's College Junior School staff and students and we wish him the very best of luck as he travels north, embarking on the next chapter of his leadership career.

Jasmine Taylor, Ceri Slinger and Sheryle Yorston  
Junior School Leadership Team

## Denis Agafonov

Mr Denis Agafonov began teaching at St Peter's College in 2010. He worked with students from Year 7 to Year 12 as a teacher and accompanist and was a co-conductor of the Senior School Orchestra.

The Music program at St Peter's College allowed him to foster the abilities of students who were already quite advanced in their musical studies but also to inspire beginners to begin that journey. He developed a program of study that would encourage boys to extend their existing musical capabilities and also to explore future trends.

In his time at St Peter's College, Mr Agafonov developed collaborative relationships with other staff members. This collaboration was particularly important with our instrumental teachers and together were able to prepare boys for the demands of performance within the classroom Music program and also as ensemble musicians.

His skill as an accompanist was valuable in supporting students in their preparation for performance assessments and he developed an excellent rapport with them. This was particularly evident when he prepared and performed a movement from Mendelssohn's Piano Concerto No. 1 in G minor with a Year 9 student at the Cabaret Concert in 2016. They received a standing ovation for their performance.

We wish him all the very best for his future international teacher appointment and thank him for his nine years' of service at St Peter's College.

Mr Philip Walsh  
Director of Music

## Pat Aller

Ms Pat Aller joined Saints in 2009 as the Head of Library Services and an associate to Hawkes House. From commencement of her role, she worked closely in the support of both staff and student learning and was known for her dedication to her work and her tireless efforts in selflessly serving all those who came to the Miller Library.

She became a mentor to Da Costa boys in the second semester of 2012 and quickly built a reputation as a thoroughly caring and supportive staff member. Many a Da Costa parent were pleased to entrust the trickier matters of pastoral care, safe in the knowledge that she would always follow up diligently.

She initially taught SACE Stage 1 Information Processing and Publishing and then Year 9 Information Technology. The blend of her skills saw new resources for Keystone and ensured countless boys could borrow from the Barr Smith Library as well as the Miller Library.

History classes that visited the Miller Library were treated to exceptional depth of knowledge, particularly in military history and access to Australian War Memorial history boxes arranged by her.

Within the Miller Library, she drove the change in library management systems from Sirsi Dynix to Oliver and introduced the efficient Bibliotheca self checking system. She also developed an encouraging Middle Years genre based collection to suit literary appetites.

Such was her reputation for supporting boys with citation and proper referencing, she would assist any student who came with an IB extended essay, SACE major investigation or other similar projects.

She is retiring at the end of a 44 year teaching career and, with her husband, is moving to Batemans Bay to be closer to family and her boys who both work in Canberra.

Mr Samuel Cheesman  
Director of Studies

## Nathan Allom

Mr Nathan Allom started at St Peter's College in 2018 and has fulfilled the role of Resident Boarding Supervisor with integrity, care and professionalism. Nathan and his family relocated from Queensland to take on this newly formed position, to enhance the consistency of supervision, care and support to our boys who live away from home during the School year. His contribution has been highly significant and widely praised by our parents and boys.

With over nine years' experience in a boarding supervisory role, he was able to provide support and guidance to new members of our boarding community and was consistently a calm voice of reason when challenges presented. His composed nature and even temperament were always well received by the boys who could rely on him for support, a laugh and guidance.

He will be fondly remembered as a much loved member of the Boarding House staff team with his warm sense of humour, desire to improve practice and his passion for enhancing the experience for all. His vast experience was a proven asset in training new staff and ensuring the needs of the boys was always the top priority.

It is often said that to be successful in boarding requires a lifestyle approach to the vocation. He has decided to change careers to spend more time with his growing family. In his relatively short time at the School, he has made a meaningful and significant impact on our boarding culture and we thank him for his dedication. With such a strong residential community we have grown very close to him and his family and extend our very best wishes to them as they embark on their next adventure.

Mr Ray Pearson  
Head of Boarding

# Staff Valete

## Tony Begley

Mr Tony Begley joined St Peter's College in January 1999 as a teacher of Chemistry. The following year he was appointed Year 12 Coordinator and held this role for a year jointly with the role of Head of Science in 2003 to 2007. From 2008 to date, he has been the Head of Chemistry.

He has two passions: Chemistry and rugby. His service and commitment to students has been exemplary in both these areas and there are many chemists, doctors and engineers in the state who use the knowledge he helped them gain.

He also supported his colleagues, helping new Chemistry teachers learn their craft and Chemistry technicians learn how to work in a school environment. He also had time for all new members of staff offering an ear and encouragement as often as needed.

He has been a mentor within Hawkes House for all 21 years of his service and wore the Hawkes House tie every day of his tenure. He modelled what being a gentleman means, with warmth and sincerity to generations of students.

He was involved in Cricket and Rugby and was Saints Rugby for the last 21 years and the Master in Charge of Rugby since 2001. He has coached the First XV to eight Intercol victories and organised seven tours to Melbourne.

Tony will be missed by students and parents for his warmhearted kindness, passion for mentoring and supporting boys.

He has moved to Mildura with his partner. We wish him well and hope to see him many times over the coming years.

Mr Karl Grice  
Head of Science

## Anne Cowan

Ms Anne Cowan joined St Peter's College in 1999, firstly working in before and after school care, then as a relief and part time teacher in the ELC. She was permanently appointed following an increase in enrolments and a second teacher being required. The ELC was, at that time, a very small team and we valued her collegiality and the different perspectives, skills and knowledge.

She has enriched the learning and lives of the ELC boys with her passion for, and commitment to, developing children's interests and responding to their individuality and uniqueness. She is attuned to the boys, responding to their developmental diversity and social and emotional differences. All whilst being a humble and understanding educator and her empathy has always been appreciated by boys and families alike. She honours the boys' thirst for knowledge about all manner of things and in doing so, has pursued a vast range of enquiry projects.

She was an enthusiastic supporter of co-curricular activities in the Junior School, taking responsibility for tennis and soccer teams for many years. She genuinely enjoyed the opportunity to engage with boys beyond the ELC.

Anne has been part of many changes during her time at the School such as changes to curriculum, leadership, reporting, technology, and the size and structure of the ELC. She has supported these changes and new initiatives, sharing her view and giving honest feedback but remaining loyal to her colleagues and to the School.

It was during her long service leave travels last term she decided to spread her teaching wings. We wish Anne happiness and success as she takes on another teaching role at Kings Baptist Grammar School.

Sheryle Yorston  
Head of Early Years

## Tony Cretan

Mr Tony Cretan joined St Peter's College as a member of the Technology Faculty in 2008 and quickly established himself as a much admired teacher and colleague.

His skillset is remarkable, as an accomplished Digital and Design Technology practitioner. As Digital Technology Subject Coordinator he was always pushing the boundaries in terms of developing authentic learning experiences via emerging technologies. He had a knack of turning potentially dry content into exciting learning activities.

He was a Short House mentor and enjoyed the admiration of all as he built positive relationships with the boys in his care.

A significant part of his time at St Peter's College was his influence in the School's co-curricular program. He coached cricket, basketball, various divisions of squash and was an official in the School's swimming program. His international coaching career took flight as Coach of the 2010 Basketball Tour of China.

As a colleague and friend, we have a sense of irreplaceability as he departs St Peter's College and the Technology Faculty. He has always made the office environment a sanctuary of frivolity and his anecdotes are the stuff of legends. He is more than what he has accomplished: he is a man with integrity, humour and genuine care for all whom he interacts with. With fellow staff members, he willingly shared resources, ideas and life experiences.

Tony will always be a truly valued member of our community.

Mr Nick Lamont  
Head of Technology

## Emily Drewniak

With over 18 years' experience in fundraising, public relations and communications, Ms Emily Drewniak joined St Peter's College in Term 1, 2018 as the Development Manager.

Emily made an enormous contribution to St Peter's College in a relatively short period of time. Working closely with the Headmaster and Foundation Board, She helped raise over \$1 million in 2018 to assist the School in providing new and improved educational and learning facilities as well as scholarships for promising and compassionate students regardless of circumstance.

As an active advocate and ambassador for philanthropic support, Emily was passionate about building relationships with donors and stakeholders. She was instrumental in establishing bespoke "giving circles" to provide opportunities to students for whom a St Peter's College education would otherwise be out of reach.

Additionally, Emily helped increase the number of donors and income generated through the annual appeal and made significant inroads into growing the Gift in Will program. She also helped foster a culture of giving through communicating the impact of giving in feature articles published on digital platforms and printed resources.

Emily left St Peter's College to take up the position of Associate Director of Philanthropy at Scotch College, Adelaide.

We wish Emily the very best of success in her new role and future endeavours.

Mr Tim Browning  
Headmaster

## Rebecca Foster

Ms Rebecca Foster commenced at St Peter's College in January 2015 as Alumni Officer and Secretary of the St Peter's Collegians' Association (SPCA). In July 2016, she moved into the Alumni and Community Relations Manager role before acting as the Development Manager in 2019.

In her role as Alumni and Community Relations Manager, Rebecca built strong relationships with the old scholar community and was very passionate about her work. In 2015, she helped establish the David Docwra Scholarship in recognition of a long serving member of staff who retired from the School in December 2015 after 37 years' service. This scholarship provides 50 percent remission of tuition fees to a student in Years 10 to 12 who wouldn't otherwise be able to attend St Peter's College.

Working closely with the Chairman, Executive and Committee Members of the SPCA, Rebecca carefully and meticulously planned events and initiatives to ensure old scholars remained connected and engaged with the School. The Old Blues Luncheon, Quarterly Old Scholar Lunches, Annual Old Scholars Dinner and milestone reunions were just a few events that she organised with exceptional precision and detail.

Through the annual Careers Evening, Rebecca also helped connect Year 10 and 11 students with old scholars from various occupations. Rebecca organised for old scholars to volunteer their time to provide career advice and discuss career pathways.

Rebecca has gone on to work at the University of South Australia in Advancement Services (Fundraising). We wish her the very best of success in her future endeavours.

Mr Tim Browning  
Headmaster

## Terry Fry

Mr Terry Fry joined the Maintenance Team in March 1995 as a Maintenance Carpenter.

His skills extended well beyond his trade and he is able to turn his hand to most things and repair almost anything.

He is an all round tradesman and also has some skill and know-how with the wet trades like bricklaying, tiling and concreting. When we were looking for sturdy wayfinding signs, he created some moulds and after a bit of play with the colours, produced the signs you see around the School today. An all-rounder like him is hard to find and the School was fortunate to have him as part of the team working on our restoration and refurbishment projects.

He took his long service leave at the end of 2018 and officially retired as of July 2019.

We wish Terry and Susan all the best in their retirement. However, I suspect his daughters will keep him busy and ensure his skills are put to good use.

Mr Brenton Till  
Property and Facilities Manager

# Staff Valete

## Rob Francis

Mr Rob Francis joined the Maintenance Team in 2002. He is a joiner by trade and was responsible for many fit-outs in classrooms, offices and storage areas. He is highly skilled and leaves behind a legacy of outstanding projects including the magnificent Harkness Table currently housed in the Blombery Studio in the Miller Library.

In recent years he built the Rhodes Scholar honour board in Big School Room and, with help from the team, managed to reproduce the magnificent Athelney House veranda balustrade. His attention to detail and high level of skills will see this reproduction last another 150 years.

His last project at Saints was the refurbishment of the Boarding House which included the homework room, recreation room and bedrooms. This robust design was a great team effort and suited the boys in the Boarding House. The final part of the Boarding House refurbishment was the reception area, which is now warm, friendly and functional.

The School has been fortunate to have someone with his skills to be able to custom make furniture to our requirements, and to ensure they are usable and affordable. His skills have seen him repair many of our original pieces and his good nature and can-do attitude will be missed by everyone in the School. The Property Services Team wish Rob and his wife Dee all the best in their retirement and hope the fish are always biting at Port Vincent!

Mr Brenton Till  
Property and Facilities Manager

## Trevor Hamlyn

Mr Trevor Hamlyn arrived at St Peter's College in 1995 to fulfil a short term contract. Twenty five years later, his contribution to the Junior School community has been varied and great. He has been a classroom teacher in Year 1, 2, 3, 4, 5 and 6, taught in the Learning Support team, English as an Additional Language and Physical Education.

Most recently, he taught Year 1, where he demonstrated, once again, that he always searched for the special gift or talent that each student possessed and fostered that, along with their confidence, hope and optimism.

He was Teacher in Charge of Tennis and ran the Tennis Program early in his career at St Peter's College. His initial groundwork within the program formed a foundation for the 117 boys now playing tennis in and for the Junior School.

His character strengths of honesty, self regulation, judgement and fairness have benefited so many boys across all of the year levels that he has taught. His calm and caring approach to teaching has been appreciated by many.

His commitment and dedication is to be highly commended and we wish him all the best in his retirement.

Ms Jasmine Taylor  
Head of Junior School

## Sam Howes

Mr Sam Howes began at St Peter's College in 1996 as a violin teacher and classroom Music teacher from Reception to Year 7.

In 2004, he was appointed Strings Coordinator giving him a position of responsibility and the opportunity to shape and develop the strings program. During his time at St Peter's College he assisted on four Senior School overseas music tours to the United Kingdom, France and Italy.

He was involved in the combined St Peter's College/Walford Orchestral Concert for 23 years and was fundamental at the inception of this annual event. In 1997, he introduced the Year 1 Strings program which graduated to the Year 3 Strings program in 2001.

He directed many ensembles at St Peter's College including the Year 2 and Year 4 string ensembles, Junior String Orchestra, Chamber Strings, Middle String Orchestra, Senior String Orchestra and Senior Orchestra. Working mainly in the Junior School afforded him the opportunity to attend many camps to the Coorong and Mylor.

He has taught hundreds of violin students in his 24 years across the whole School. He recognises his job at St Peter's College being a pleasure and yet a privilege, seeing the smiles on the students faces filled with the joys of making music. He says that he has become a better person professionally and spiritually because of his wonderful time at the School.

We wish him well and thank him once again for 24 years of sharing his passion and love for music with students at St Peter's College.

Mr Philip Walsh  
Director of Music

## Laurence Humphreys

Mr Laurence Humphreys joined St Peter's College in 1994 and held an impressive and successful 26 years' of service. He has always been an outstanding teacher who established an excellent learning environment based upon extensive subject knowledge, clear expectations and skilful classroom management.

As the Head of PE and Health for 19 years, building and maintaining positive relationships with colleagues was a key feature of his leadership style. He also argued skilfully to expand and develop the Senior School PE curriculum, using the experience and knowledge that he gained from serving three years on the SACE Advisory Board and ten years as a Year 12 PE moderator. As Head of PE, he was also instrumental in the design of The Burchnall Sports Centre which won a number of innovative design awards.

He quickly gained a reputation for being an excellent soccer coach. He was asked to coach the State High School and the State Independent school representative teams, and appointed as the teacher in charge of Soccer for 17 years.

He was held in very high esteem by his colleagues. He served as the teachers' representative through three enterprise bargaining negotiations and was a key figure in the development of internal pay structures for co-curricular activities.

He was an extremely popular and positive colleague amongst staff. A jovial, warm and friendly character who has always been able to effectively manage a range of challenging roles, whilst retaining a cool head and a balanced, wise perspective.

St Peter's College is indebted to him for his remarkable professionalism and commitment but we look forward to seeing him as he continues in the roles of Athletics and Swimming Coordinator. We wish him well for his retirement and thank him for his enormous contribution.

Mr Matthew French  
Head of Personal Development

## Matthew Ielasi

Mr Ielasi began in January 2015 as the Manager, Project Portfolio Operations then in 2017 as the Manager Projects, Risk and Compliance.

With experience working across a broad range of industries and businesses, he set about developing a project management framework including tools and templates and a governance structure for the delivery of projects across the whole School.

He provided project management oversight across a vast array of projects including:

- managing the tender, selection and transition of the School's catering contract,
- managing a range of contracted services engaged by the School to support change initiatives, and
- representing the School on several legal cases such as heritage, tree regulation, and development amendment.

From 2017, he developed and implemented risk management and compliance management frameworks to the School.

He was responsible for monitoring ongoing risk management activities and compliance obligations across the School.

Furthermore, he also oversaw the School's Work Health and Safety internal control framework in conjunction with human resources, property services department and all other staff with Work Health and Safety responsibilities.

Mr Ielasi has taken on an engagement to support DPTI on a significant project and we wish him all very best in the future.

Mr Jason Haseldine  
Director of Finance and Administration

# Staff Valete

## Sharon Kennedy

Ms Sharon Kennedy commenced her career with St Peter's College in 2005 as our Work Health and Safety (WH&S) Coordinator. Bringing with her a wealth of experience in health and safety, she made an enormous contribution, engaging with the whole School, in developing the School's WH&S frameworks, systems, policies and procedures.

Throughout her fourteen years at St Peter's College, Ms Kennedy expanded her skills and expertise into human resources and was appointed to the position of Human Resources and Work Health and Safety Coordinator in 2008 for the remainder of her time at the School.

She is an expert in her field. Her knowledge of Work, Health and Safety, in particular, is remarkable. She is adaptable, conscientious, calm under pressure, diplomatic in her approach and displays the highest level of integrity.

Ms Kennedy's years of service to the School have been greatly appreciated and we wish her every success in her new position as Human Resources Manager at Wilderness School.

Danielle Finimore  
Director of Human Resources

## Michelle Koop

Ms Michelle Koop commenced in 2017 as the Administrative Coordinator – Wellbeing, Positive Education and EPIC.

In addition to this role, throughout 2018, she was involved in other projects including the coordination of the Blue and White, Rex J Lipman Fellows Program and the National Student Leadership Summit. All of which have been a great success!

In April 2019, she demonstrated further agility by agreeing to join the Human Resources team. She stepped into this role during a period of change, as the Administration Coordinator and took on the challenge with gusto.

We would like to acknowledge Michelle for her varied contributions to St Peter's College and wish her great success in her new position at the University of Adelaide.

Danielle Finimore  
Director of Human Resources

## Amy Martin

Ms Amy Martin joined us from the Junior School last year to take over the Year 7 mentor roles. She immediately had a huge impact, bringing warmth and positivity to the classroom which the boys have loved.

She is a person of immense personal energy and enthusiasm. She has infused her classroom with positivity and dynamism and has helped the faculty update its Middle Years' curriculum with new texts and ideas. She is a fabulous team member, one who is collegial and optimistic in all she does and we will miss her immensely in the Middle Years' office and faculty meetings.

She is not, however, leaving us to go and start in another school. She is taking her family to Switzerland where her husband has accepted a specialised job. We wish her and her family every happiness on their big adventure and hope that it proves to be as exciting as it sounds!

Mr Glyn Roberts  
Head of English

## Andy Payne

Mr Andy Payne had a very successful career of 42 years. Prior to arriving at St Peter's College, he worked across South Australia, from Iron Knob to Brighton, as well as internationally in Brunei and Thailand.

He joined the School in 2009, initially within the Junior School. He has held both pastoral care and academic leadership positions across his career and he applied his considerable knowledge and insight to the role of Year 7 Coordinator.

He will most be remembered for his total focus on providing the greatest care possible for his students. His compassion and kindness helped innumerable boys in navigating the start of adolescence.

Following the move of the Year 7 Cohort to the Senior School in 2016, Mr Payne joined the Senior School Technology Faculty teaching multiple Year 7 technology classes. He worked hard to provide the boys with authentic learning experiences using advanced manufacturing techniques, including 3D printing and laser cutting.

Always composed, his calm and measured demeanour saw him engage the boys in this unique learning environment and he has always been a team player. His willingness to be involved in refining programs and developing meaningful resources was very much appreciated by his colleagues. His gentlemanly manner and kind approach to students enabled him to assist numerous boys in his care, particularly as they made the transition from Junior School to Middle Years, or from a different primary school, to St Peter's College at that crucial stage of life.

We wish him a very happy and long retirement.

Mr Samuel Cheesman  
Director of Studies

## Chris Smyth

Mr Chris Smyth began his career at St Peter's College in 1986, appointed as a teacher of Biology and Mathematics. After 14 years' of service, he was appointed as the Head of Biology until his resignation in 2019.

He has maintained his passion for biology throughout his career and his service and commitment to all has been excellent.

He has always endeavoured to form strong relationships with all of his students both inside and outside of the classroom. Whilst ensuring their academic progress, He also focused on developing boys' character. This was seen through his commitment to extra curricular events such as assisting students on multiple Exploration Society ski trips, a language and culture and a basketball tour to China and also as pastoral support on the Year 10 *Pushing the Boundaries* ventures.

Throughout his time as Head of Biology, he supported his colleagues, both established and new, to their careers. His support and help always went beyond the Science Faculty and his departure will leave a big hole in the Common Room. Mr Smyth was part of the EB negotiating team for the staff on several occasions.

He held various pastoral care roles across the School, including the Acting Head of House of both Farrell and Short Houses, a Year 9 form teacher for many years, mentor in Short House for 22 years and, most recently, a mentor in Woodcock House. He has been actively involved in basketball and volleyball and was the inaugural Teacher in Charge of Volleyball.

The staff are grateful for his commitment and his caring nature. We wish him all the success in his future aspirations and hope to continue to hear his stories for many years to come.

Mr Karl Grice  
Head of Science

## Catherine Waldron

After a number of years' service, Ms Catherine Waldron is leaving the School to pursue other opportunities in the world of teaching. During her time with St Peter's College she has battled with significant health issues and it has been fantastic to have her back as a member of the faculty after recovering.

She has been a professional and collegial member of the faculty who has a passionate love for all things literature. She has excelled as one of our IB Literature teachers, imparting her love of language and the craft of literature to the boys. Her love of the finer art of English, and the way in which she tried to create a sense of wonder and positivity about writing as an art, defined her teaching.

She always brought a consideration and sense of excellence to all she did and we have valued her contributions to faculty discussions and curriculum building.

We wish Catherine the very best for her future.

Mr Glyn Roberts  
Senior School Teacher

# Staff Valete

## Peter Warnes

Mr Peter Warnes was appointed teacher of Biology in 1984 and there was an immediate improvement in the Year 12 Biology results in 1984 and 1985. He was Head of Biology for nine years and has been an outstanding Biology teacher at St Peter's College for 36 years. He has also taught subjects such as Mathematics exceptionally well.

He was an excellent Head of Farrell House for nine years and showed a huge commitment to each boy's welfare and development. He instigated practical House activities such as study skills, ironing, sewing and cooking and tapped into the significant St Peter's College network of parents and old scholars for guest speakers who inspired and challenged the boys. He also acted as Head of Woodcock House for a semester and Da Costa House mentor for ten years and Howard House mentor for three years.

To say that he is passionate about sport is an understatement. His incredible involvement and dedication included First XVIII Football Coach, Football Coordinator, First XI Cricket Coach, six cricket tours of England, numerous interstate tours for Year 8, Year 10 Football and First XVIII Football and First VI Cricket, and Sportsmaster for eight years.

He has our very best wishes for a long, enjoyable, fulfilling and healthy retirement.

Mr Paul Hadfield  
IB Diploma Coordinator

## Sally Ziniak

A dedicated and considerate teacher, Ms Sally Ziniak has worked with determination to support the boys in Chinese and English as an Additional Language (EAL) from May 2007. During her time at St Peter's College she has taught Chinese from Year 8 to 12 and EAL from Year 7 to 12 in both the SACE and IB programs. She has also taught Year 8 History and Research Project.

In 2016, she was appointed as Coordinator of EAL. She also took on the role as International Programs Coordinator in 2019, collaborating with our partner schools across the globe and ensuring that our international students were supported both inside and outside of school. She has accompanied an ESL tour to Canberra and four tours to China.

In her role as Coordinator of EAL, she liaised with other teachers to ensure that the curriculum delivery was varied and effective. She regularly gave up many of her lunchtimes to run support sessions for EAL and international boys. In addition, she partnered with Prince Alfred College staff to organise the annual International Social Event where boys from both schools came together to compete in badminton, table tennis, indoor soccer and basketball.

Her level of commitment was also evident when she managed Soccer, Volleyball and Basketball. In 2016, she took on the role as Teacher in Charge of Volleyball.

We thank Sally for her service and wish her success and happiness in her future endeavours.

Mrs Rachel Spiby  
Head of Languages

# In Memoriam

## Eric Grant

Mr Eric Grant started at St Peter's College in July 2004 as the Maintenance Manager.

He was a Carpenter by trade and had vast experience in both building and maintenance. He oversaw many classroom and office refurbishments and was able to coordinate all the trades and complete the task often during tight schedules.

In 2011, he moved down to the Norm Howard Outdoor Education Centre at Finniss to maintain the buildings and equipment and manage the site. He lived in Strathalbyn, which was close to the site.

Additionally, he helped out in the local community getting involved in many environmental projects and was a quiet achiever who didn't mind getting his hands dirty, either around the town or along the banks of the Goolwa River. Similarly, at Finniss, he regularly set about improving the site and ensuring it was safe when the boys arrived.

In recent years, he was able to return to the School a few days a week to work with the School's cabinetmaker, Rob Francis, on the reproduction of the magnificent Athelney House verandas. He combined traditional hand skills and mathematics to work out the angles of the Southern Cross balustrade panels and then cut and join them all by hand. A great reproduction and lasting legacy of his skills.

Sadly Eric passed away due to ill health in January 2020, aged 65.

Brenton Till  
Property and Facilities Manager

# SPOC Sport

Sport has played a central role in the lives of old scholars since the formation of the first St Peter's Old Collegian (SPOC) sporting clubs in the 1920s and 1930s. SPOC sporting clubs offer sporting and recreational opportunities for old scholars and friends of St Peter's College.

There are ten official SPOC sporting clubs including Athletics, Badminton, Basketball, Cricket, Football, Hockey, Soccer, Tennis, Water Polo and the Blackmore Club who support rowing at St Peter's College. In addition to the range of sporting clubs on offer, a number of special interest groups organise intercollegiate activities for Bridge, Chess, Golf, Lawn Bowls and Squash.

SPOC sporting clubs provide participants with a connection to the School, fellow peers and the broader old scholar community. For further details visit: [www.spc.com.au/sporting-clubs](http://www.spc.com.au/sporting-clubs)
