## Thank you

The School thanks everyone involved in preparing the Magazine, including the students and staff who supplied articles and photos. The School also thanks the team at JRP Group for their contribution of photos to this publication.

St Peter's College acknowledges that we learn on the traditional Country of the Kaurna people of the Adelaide Plains and pay our respect to Elders past and present. We recognise and respect their cultural heritage, beliefs and relationship with the land. We acknowledge that they are of continuing importance to the Kaurna people living today.

# From the Headmaster

2021, the second year of the pandemic, brought significant challenge to the SPSC community. Again, our students, staff and families responded with determination and ingenuity to ensure that programs were maintained and opportunities were presented for all boys to achieve. This success and achievement was made possible through the highly professional staff team who take great pride in their vocation and commitment to St Peter's College and our strong shared partnership with all families. We learnt in the first year of the pandemic that disruption caused by cancellation or delay to events and significant occasions for adults is disappointing, yet manageable; in the world of a young student, disruption or denial of access to specific occasions and experiences is far more significant. I remain ever grateful to our dedicated staff team for working creatively to ensure activities proceeded or were reinvented across the full age spectrum to ensure our young students maintained access to our programs.

Our School Captains, Sam Jackson and Rushan Khurram, have played an enormous role in connecting the entire School throughout the year. As an unlikely pairing, their teamwork and commitment to playing to their strengths has seen the flourishing of school spirit during these challenging times and the enhanced connection across varied parts of the School and student body. I commend both their example and service to our community throughout 2021.

The major capital project involving the complete renewal of the School's heritage precinct proceeded throughout the year. It is a credit to all students and staff that decanting of rooms was achieved without a single temporary demountable room being required. Big School Room and Big Quad have certainly been missed yet the promise of new, accessible facilities has brought about much anticipation. Our old scholars will remember rooms 4, 5 and 6 right up to 12 and a half with great fondness. Each of these spaces has been reimagined so that they can be deployed more effectively against modern and flexible pedagogy and practice. With new foundations and underpinning supporting the entire precinct, we look forward to Big Quad sustaining the centre of academia for the next 175 years. The renewal has been a complex and challenging project and I thank staff and students for managing all inconveniences.

As Headmaster I am regularly asked by stakeholders to name the greatest challenge to SPSC. Such a challenge is complacency. Education is changing, our nation and the world is changing, and it is essential that SPSC continues to innovate and develop programs that support our students in a way that they might meet the world with confident eyes. As a school it is vital that we continually look outside our postcode and benchmark our programs and achievements so that we are well placed to meet all future challenges. It is pleasing to see our academic results

place our median student in the top 8% of the nation. Likewise, winning the National Rowing Championship and seeing a number of our musicians selected for national honours sets an appropriate benchmark. The commitment and creativity of our staff team to develop and successfully pilot a new Cyber Studies curriculum for South Australia is further demonstration that SPSC is not complacent about the future and seeks to lift the horizon of the SPSC community and all students in the state.

At SPSC, culture is everything. As a school for boys, it is essential that we overtly normalise the right behaviours in the actions and minds of all our young men and boys. Following the national outcry regarding the issues of consent and relationships in Australian society and the inspiring visit to St Peter's College by Australian of the Year, Grace Tame as part of the Rex J Lipman Fellows Program, a review of our culture and interactions was initiated. While this review is ongoing, I have been pleased to see a willingness from students to reflect on all conduct and interactions. The School anticipates introducing new and broad induction programs to address this important matter throughout our community.

As we approach the 175th year of the School's operations it is also timely that we reflect on the generosity of those who have come before us. Dating back to the original bequest by the Society for Promoting Christian Knowledge when the land for our campus

was purchased and Big School Room was erected, everything we enjoy at SPSC is a gift. In 2021, for the first time, a public campaign was undertaken to promote our strong history of philanthropy and raise funds for a new student scholarship. This campaign saw 700 members of our community give generously to the campaign and establish this new scholarship. I am encouraged by the support of the community to work collaboratively to ensure that access to a first-class education at St Peter's College is broadened to more families.

This publication records only a flavour of the achievements of our students and the wider SPSC community throughout 2021 and I acknowledge the strong partnership between the School and each home that has made all progress possible. I commend the yearbook to you as a record of both the aspirations and achievements of 2021. I thank the graduates for their leadership and passion for both the School and their peers and wish them well in their future endeavours. May they and all other members of our community seek to present a balance of both strength and love in all pursuits beyond the School gates.

# From the Chapel

The Chapel continues to play a significant role in the journey of each student at St Peter's College, providing a regular place of prayer, worship, reflection and, impressively for a boys' school, good singing. In their homilies, the chaplains continue to connect deep theology and Bible stories with real-life experiences, including using photos, short videos and music.

The major Christian festivals were celebrated with aplomb this year, with the celebration of Easter being a major cause for joy after the previous year's restrictions. The Rev'd Julie Worrall, Parish Priest of St Chad's Fullarton and Director of Formation (Clergy) for the Anglican Diocese of Adelaide, was the guest preacher on Maundy Thursday in the Senior School. For the major festival of St Peter's Day, the Venerable Sam Goodes, Parish Priest of St Andrew's Walkerville and Archdeacon of the Para region, preached on the spiritual writer Henri Nouwen and encouraged the boys to take the spiritual life seriously. In the Junior School, the Baptism and Holy Communion program (part of the RAVE Curriculum) culminated on the last day of

term in a whole of Junior School Eucharist, which included Baptism and Admission to Holy Communion. This was a wonderful way to celebrate St Peter's Day, as two students were baptised by the School Chaplain and 12 in total were admitted to Holy Communion.

In Semester 2 Alan Barrientos was appointed as the lay Assistant Chaplain (in training) to study at St Barnabas College and to offer himself for ordination as a school chaplain and an Anglican priest. Alan quickly established himself as a friendly, positive pastoral presence in the School.

The Confirmation program in the Senior School was again well received, as the school community welcomed Bishop Denise Ferguson to the Chapel on Wednesday 22 September for a 7.00pm service of Baptism and Confirmation in the Eucharist, with four students being baptised and 14 in total being confirmed.

Father Theo contributed a chapter on spirituality to The Palgrave Handbook of Positive Education. The chapter entitled

'Positive Spirituality' was accepted for publication and is chapter 23. The book has now been published by Palgrave (and also Springer) online as 'Open Access'. The entire book (or just individual chapters) is available as a free download. Simply search The Palgrave Handbook of Positive Education.

# Senior School

# From the Deputy Headmaster/ Head of Senior School

Compared to most of the rest of the world, the South Australian school year was not ravaged by COVID-19 restrictions. Maybe we have this ahead of us, but in the bubble of 2021, we have been allowed to celebrate a school calendar full of mirth and muster. It has been a highly successful year in many ways. However, it is fair to say that many of the great things I have seen over the past 12 months have not all been the result of exceptional talent or ability, but simply the outcome of a positive attitude, good character and high effort; attributes accessible to all.

I have seen a student take a stand against the poor conduct of an opposing team and write a letter to the CEO of the National Governing Body; another student who has used a passion and skillset developed in his Research Project to lead a team of students in review of school policy; I saw another student show great initiative in bringing an idea to life in the form of a school-wide Student Reconciliation Pledge. During National Boarding Week, two boarding students eloquently delivered powerful and inspiring speeches in Muster about their boarding journey and the ongoing impact of COVID-19. It was their courage to share their personal stories – as much as the stories themselves – that silenced Memorial Hall and offered a glimpse of how galvanised and connected our student body can be in support of each other.

There are, of course, many more examples of individuals doing great things, and it would be fair to acknowledge the team that is often around these individuals and undoubtedly serves as inspiration and support in equal measure. To the staff of 2021, thank you.

On a collective level, I was particularly proud of all boys at the Swimming Carnival, not discounting that, for many, such an environment would have led them some way outside of their comfort zones, for all sorts of reasons. I was also proud of our Year 11 cohort, who represented the School and themselves admirably at the Healthy Relationships Day, exploring a number of important and intimate concepts with their peers from St Peter's Girls School, Walford Anglican School for Girls and Wilderness School. It was great to see them all socialising with respect in the forefront of their minds. And it would be remiss of me not to acknowledge the 1st XV Rugby team for the generosity of their spirit and support of each other in a difficult season, and for prioritising a training environment that puts the experience and wellbeing of their teammates above performance or results.

Clearly, I have seen some of the best that our student culture has to offer.

It would be easy to assume that one's community is derived from one's place in the world: one's school, one's neighbourhood, one's town. But this

would not be helpful nor appropriate for our graduates who spread their wings each year. It is important that we acknowledge that community is about more than a postcode. Yes, it may start out as something based on shared circumstances, but community, in a St Peter's College context, is all about a more transcendent kind of togetherness. When you graduate from St Peter's College, as 174 young men have done this year, you join a membership of over 11,000 old scholars around the world. I congratulate the Class of 2021 for the grace and gratitude they showed at valedictory and the months leading up to it.

Mr Marcus Blackburn  
Deputy Headmaster/Head of Senior School

**1** Athletics Carnival: Back row: Mr Tim Browning, Ethan Allison (Year 8), Hugh Wells (Year 10), Josh White (Year 11), Ben Korte (Year 12), Felix Packer (Year 12), Jonathan Harris (Year 10), Adam Goddard (Year 12), Mr Marcus Blackburn. # School Captain Speech Day Address

I would like to extend a warm welcome to the Archbishop of Adelaide, The Most Reverend Geoffrey Smith, Chairman of the Council of Governors, Mr Joe Thorp, Headmaster, distinguished guests, parents, staff and students.

Whilst Gillon McLachlan, CEO of the AFL couldn't be here today to deliver his address in person, I would like to thank him for his inspirational video message. There are two great messages from his video that I would like to mention. The first is to know that when you step into any role, there will be insecurities, challenges and doubts, but remember to be yourself, because that's what got you there. And the second is to say 'yes', more often than you say 'no'.

I stand here this afternoon as your School Captain, a previous Year 12 student, a brother, but most importantly, a mate. Our journey at Sancti Petri Schola Collegiata is coming to a close and we have nothing left to do but reflect on the wild ride we have had through these walls and fields.

In 2016, I walked through the Hackney gates for the first time, and began my journey at St Peter's College alongside my little brother Arch. To think that I now have the opportunity, six years later, to walk out those very gates for the last time with him and the 2021 cohort by my side, is something extremely special that I will take with me the whole way through life, and I know standing here, you all feel the same.

This wouldn't be a true student leader speech if I didn't incorporate a quote or two, so here's a quote from a Vietnamese proverb: "When eating fruit, remember the one who planted the tree." Now you're

probably sitting there nudging the person next to you thinking, *what is he on about?* Well, let's look at the first part of the quote. Let the fruit represent your future success with whatever you choose to do in life, and the rest is just remembering who, how and what got you there. The sacrifice that your parents, grandparents or guardian made to give you the gift of a St Peter's College education is undeniably large, not only in money, but in time and effort. Think about the hours they have spent driving you to and from school or waking up at 5am to get you to sport, or even proofreading your essay five minutes before the final version is due. They made this sacrifice for you, and your future. Not theirs; remember that.

This brings me to my next point.

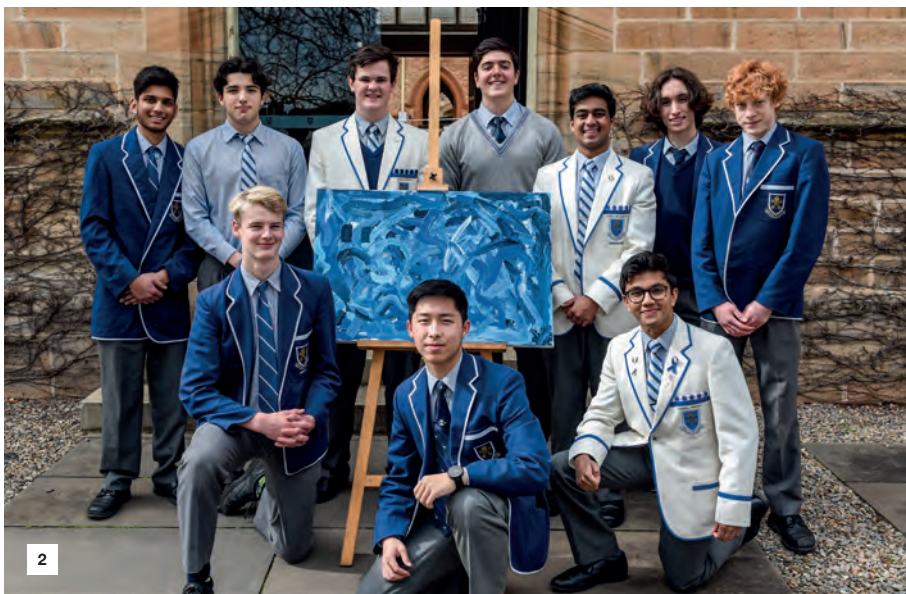

We have heard Mr Browning, our Headmaster, say, "When you walk through the gates you should feel the weight of expectation on you." Mr Browning, I would like to respectfully disagree with this statement. I believe that it will be when we walk out of these gates for the very last time, that is when we should feel the weight of expectation due to the amazing head start we have had in life. My only other option to St Peter's College was to continue School of the Air. School of the Air or SOTA is where children who live in remote areas of the country complete school at home. Students receive all their work in the mail at the beginning of each term, laid out week by week. Students then connect with their class teacher in town via a zoom-like call once a day as a whole class. Students then spend the rest of the school day completing work with the help of their governess. No, not like the one off 'The Chase Australia', a

governess is usually a young woman, not long out of school herself who is venturing into the outback for the first time with no idea what to expect. At the end of each week, when the mail plane comes, you send your work back to your class teacher in town. The teaching and learning program stays the same from Reception all the way to Year 12.

So where would I be now if I had not attended SPSC? Well, realistically, I would have probably dropped out of SOTA in either Year 10 or 11 with the majority of my peers. I would have then probably gone and got a trade or would be working as a jackaroo, which are by no means bad options, however, probably the only options I would have had. Instead, I have been fortunate to have been gifted a St Peter's College education which has provided me with endless options to pursue. I am now ready to accept that weight of expectation as I walk out of the Hackney gates for the last time, knowing that the world is my oyster.

Let's put aside the academic side of this education for a second because yes, that's important, but what is arguably more important in my eyes is who you become as a person because of your St Peter's College journey. I am confident that you are all graduating as young men, not older boys. St Peter's College has been a great place for you to take risks, make mistakes and be supported as you grow through the experience. And don't stop taking these risks throughout the rest of your life, because that's how you will achieve greatness.

I agree with Mr Browning that we have been the luckiest group of students in this nation.

As I stand in front of the 2021 leavers, let me reflect on what this year has been. 2021 has been a year of mixed emotions as COVID-19 posed a threat to us while we watched it destroy our neighbours in New South Wales and Victoria. I believe that over the past two years, more than ever in our School's history, we need to be thankful for what we have been able to achieve. Whilst it may not have been what you would call normal, we have been extremely lucky compared with other students; not just in Australia, but world-wide.

We should be thankful that we were able to host our School's Blue & White, we should be thankful for our inter House sports days, and we should be thankful for our virtually uninterrupted learning.

As one door closes another opens, and I wish Chirath, Aidan and the 2022 cohort all the very best for next year. I am sure that you will lead this School fantastically, empowered by its values of truth, respect, and service. Next year is the 175th year of St Peter's College operation. The baton is now in your hands, and it is now up to you what you do with it. Next year will be a special year for all of you as you lead the School in a positive direction. I can guarantee there will be plenty of bumps in the road, but I am confident you will get over them with hard work and determination.

On behalf of the graduating Class of 2021, I would like to thank a number of people who have helped us on this journey.

I would like to begin by thanking Mr Browning, Headmaster and Mr Blackburn, Deputy Headmaster, for your outstanding

leadership, guidance and care. The past two years have been difficult and we thank you for your efforts in keeping the School operating nearly next to normal.

Thank you to our teachers, mentors and Heads of House for putting up with us. You have always been there for us, whether that be before school, at school, after school or late at night. We would have been lost without your support.

I would also like to acknowledge the staff in the Junior School, Marketing, Business, Events, Administration, Grounds and Maintenance. Our School councillors, chaplains, Outdoor Education Department, coaches, our School nurses, Kate, Glenda and Ness, Chartwells, and the team at Keystone. You are all integral links in the chain and without you St Peter's College would not be the same, so I can't thank you enough.

To the Prefects and graduating Class of 2021, I would like to thank you for being an excellent group of young men. Whilst there have been highs, lows and challenges, you should be proud of the way you have led this School as seniors. When I accepted this role, I was stepping into the unknown. You have been there for me and have had my back every step of the way. This leads me to Rushan. Your work this year has been outstanding; your efficiency, dedication and genuine hard work has not gone unnoticed amongst the community.

Mr Pearson, Mr Colsey, Mr Green, Mr Lamont and all staff in the Boarding House; thank you for everything you do. The past two years have been tough; COVID-19 has had a massive impact on boarding and the

support you have shown has been second to none. You aren't just staff, you are family to me, so thank you.

Thank you to our parents, grandparents and guardians for gifting us a St Peter's College education. As I mentioned earlier, the sacrifices you have made have been significant and we can't thank you enough.

Mum and Dad, where do I start? Words cannot describe how thankful I am for the opportunity you have granted Archie and me to study at this School. I will be forever grateful for the lengths you have taken to make trips back and forth to watch us participate in sport, House activities or to just to visit us. It has been hard this year not seeing you as much as I would have liked. I know you would have loved to have been here to cheer on my Rugby team in the Intercol or help me get 'flushed up' for the Blue & White. Just like plenty of other parents around the world separated from their kids. As you watch on I just want to say a big thank you.

Pro Deo et Patria.

# Senior School Leaders 2021

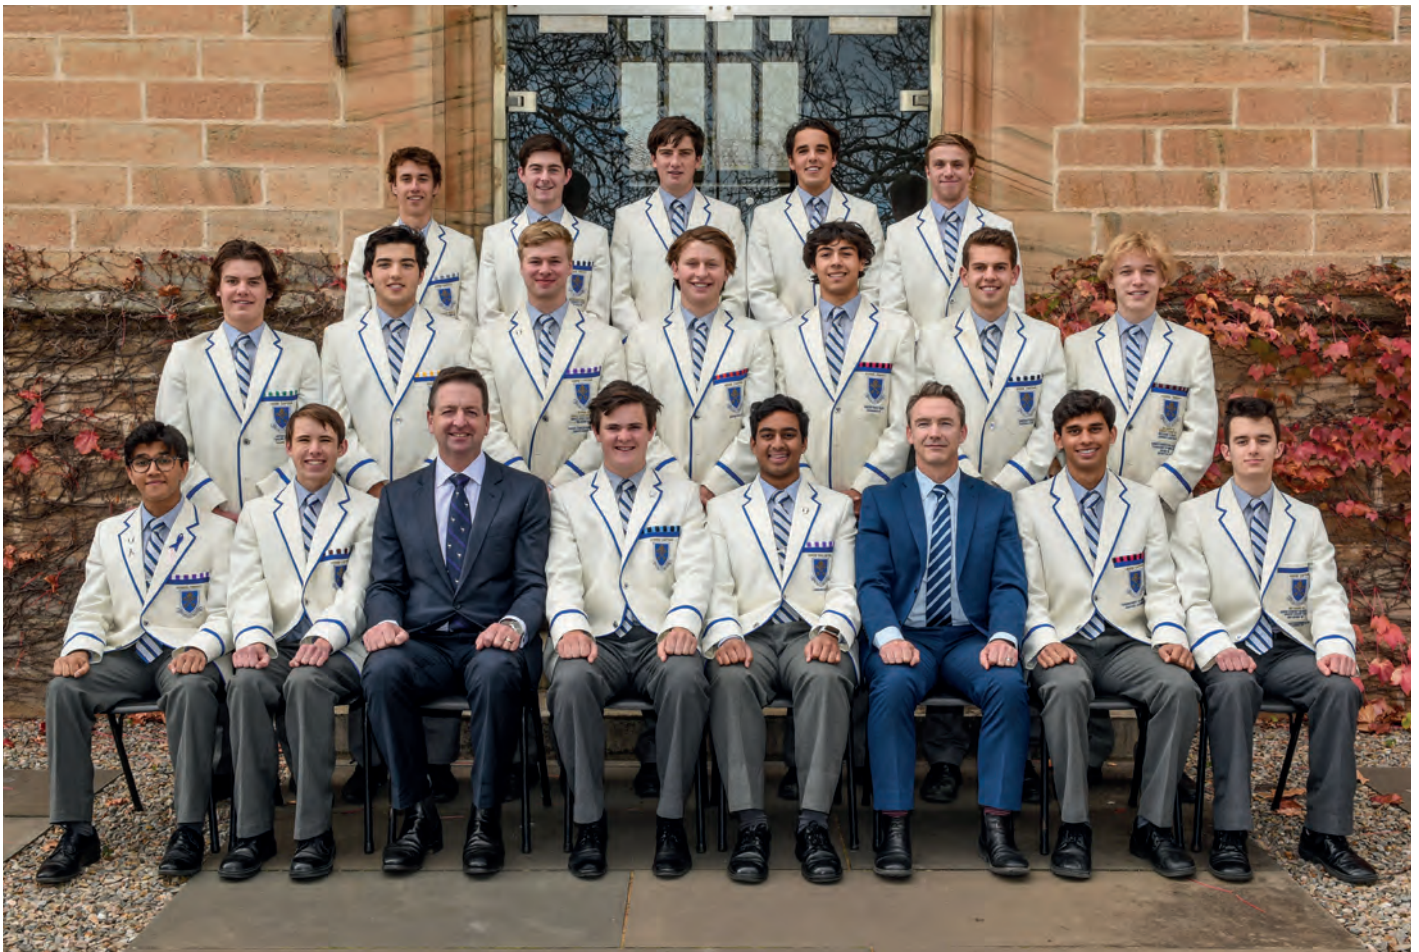

Our student leaders embarked on their final year of school with a mix of excitement at the prospect of greater responsibility and trepidation of what the world of COVID might bring, with its clichéd reference to 'these unprecedented times'. What eventuated was unity around aspirations to make a difference in culture in all settings across the School.

There is only ever a short period of time to achieve this as a Year 12 student, of course, and the prefect team did not waste any time in putting forward ideas in support of students in our earliest years right through to those in their own peer group. Every prefect body aims to build on the work and successes of its predecessors, and this team did just this but also sought input and inspiration from the School's archivist.

What emerged was the formation of a range of portfolios that had roots reaching deep into the School's history, and yet were as equally relevant today – everything from promoting student wellbeing to enriching the student experience and amplifying the student voice. In all of their work, the Prefects of 2021 helped to strengthen the sense of belonging to SPSC that will hopefully reach as far forward as whence it came.

# Class of 2021 Academic Summary

The Class of 2021 achieved exceptional academic results. The record number of boys achieving at the very highest in the SACE, International Baccalaureate and national ATAR results is testament to the rigour, resilience and agility of this wonderful group of young men, their families and their teachers.

Median ATAR of Class of 2021 in the top 8% of the country

## Class of 2021 Tertiary Entrance Offers

### Destination Overview

The destinations of the 170 Class of 2021 graduates are as follows:

Starting (or deferred) tertiary/further study in SA	63.5%
Tertiary study interstate	17.6%
Tertiary study overseas	4.7%
Year 12/13 repeat or continue elsewhere	4.7%
Working	4.1%
Working or service (inc military) now, study later	1.8%
Pre-vocational courses, apprentice/traineeships	1.2%
Unknown/undecided/other	1.2%
Other non uni courses – TAFE or private providers	0.6%
Transition to uni or foundation programs	0.6%

### Tertiary Entrance Offers

The percentage of students:

Applying for a tertiary place who received an offer	99.4%
Who received their 1st or 2nd preference course	92.4%

### Tertiary Discipline Areas

Of the 146 students who received tertiary offers in SA, interstate or overseas the following summarises the courses they will be studying.

Laws	16%
Business and Commerce	16%
Engineering	14%
Medical and Health Science	13%
Medicine	10%
Arts and Humanities	7%
Maths, Computing and Information Technology	6%
Agriculture	4%
Construction Management	4%
Science	3%
Art, Architecture and Design	3%
Creative Arts, Drama and Music	1%
Property	1%
Education	1%
Aviation	1%

### Distribution of offers

Post-secondary institutions at which the 146 students who received tertiary offers have been offered and have either accepted or deferred a further study or training place.

South Australian Universities	74%
Interstate Universities	20%
Overseas Universities	5%
Other - Private	1%

### South Australian Universities

The 108 graduates studying in South Australia are attending the following institutions

University of Adelaide	67%
University of SA	29%
Flinders University	4%

### Overseas Universities

In total, eight graduates will be studying overseas in the following countries:

United Kingdom	5
United States of America	2
Hong Kong	1

### Interstate Universities

The 30 graduates studying interstate are attending the following institutions:

University of NSW	23%
University of Melbourne	17%
Bond University	17%
ANU	10%
Monash University	7%
RMIT	7%
University of Qld	7%
University of Sydney	3%
University of New England	3%
La Trobe University	3%
Queensland University of Technology	3%

# SPOC New Members BBQ

St Peter's Old Collegians (SPOC) hosted a barbeque lunch in October for the graduating Class of 2021 to welcome them as our newest old scholars. Year 12 students received a SPOC cap and enjoyed a sausage sizzle prepared by members of the SPOC Committee.

The barbeque provided students the opportunity to learn more about the old scholar community and join the 10 official SPOC sporting clubs on offer. At the lunch, SPOC Chairman Oliver Sheahan (HWK 2007) extended a warm welcome to the

Class of 2021 and encouraged them to stay connected after leaving school.

2021 leavers are now life members of the St Peter's Old Collegians Association and belong to one of the oldest and largest old scholar communities in Australia. Congratulations and welcome to SPOC.

Mrs Annie Bawden  
SPOC Events and Administration Manager

**1** Year 12 students Michael Slavotinek, Lachie Cole, Luke Turner, Harry Cooney and Luke Wheare. **2** Year 12 students Oliver Beadman, Paty Morris, Tobey Ledger and Matthew Roberts sporting their new SPOC caps. **3** Samuel Warrick (Year 12) and Felix Packer (Year 12). **4** Chamith Waragoda (Year 12) and Wilbur Glaetzer (Year 12) enjoying the SPOC BBQ. **5** Year 12 students signing up to the SPOC Basketball Club.

# Careers Evening

The Careers Evening continues to be an integral part of the Careers Program and is an important event on the School's calendar.

Our 21st event, held on Tuesday 16 March, attracted over 330 students and parents to hear presenters from 40 career areas. These presenters included apprenticeship agencies, old scholars, current and former parents, university staff, and entrepreneurs. It was particularly pleasing to see some new careers represented for the first time, especially in the technology and performing arts space.

The benefits for the students who attend are significant. For Year 10 students, this is a particularly important exercise as it is linked to the learning undertaken in the compulsory SACE Personal Learning Plan subject and helps inform their Year 11 subject selections.

The night received fantastic support from St Peter's Old Collegians, and particularly from Mrs Annie Bawden.

Mr Cameron Hromin  
Assistant Careers Counsellor

**1** Students and parents learning about a career as a Paramedic from Alex Wells (HWK 2003).  
**2** Sam Ting (HWK 2014) presenting information about Accounting.  
**3** Police Officer, Tom McNeil (WDK 2013) mentoring current students at the Careers Evening.

# Senior School House Reports

# Da Costa House Report

2021 was another excellent year for Da Costa House. Having won the Sir George Murray Shield in 2020, the Da Costa boys were eager for success in 2021. Once again, it was a year filled with camaraderie and wonderful House spirit.

At the beginning of the year, House leaders Alistair Sarah, Josh Wilson, Dougie Scott-Young, Dimitri Savvoulidis and I discussed our House goals and plans for the coming year. In these meetings we discussed ways in which we could improve upon House involvement and, in particular, how we could ensure all Years 7 to 9 students felt comfortable and included in the House. To achieve this, early in Term 1 the House leaders ran inter-mentor competitions, which helped develop relationships across all year levels.

Our Head of House Mr Geraghty also installed some key House values early in the year. In House Musters we were reminded, "It's the little things" that will make a successful House. That is, little things like being organised, and wearing our uniform correctly and with pride that go a long way and don't go unnoticed. Additionally, Mr Geraghty continuously reminded us that initiative is one of the best ways to show leadership in the House. Boys like Hugo Wurm (Year 11) showed initiative with the 'Once Loved Initiative' as did James Randall (Year 11) with his 'Be Brave and Shave Campaign', just to name a few.

House spirit and pride were on display in the many inter House events throughout the School calendar. Da Costa House saw great success and commitment from boys across all events. We had some terrific results throughout the year but, in particular, we had great achievement in Swimming Carnival, coming a close second, and in Athletics Carnival where we won both the Junior Cup and Senior Cup. We also won the prestigious overall Champion Athletic House trophy, a highlight of the year for many of the boys.

The great success of Da Costa House in these events saw us place second for the Sir George Murray Shield. The excellent year can be attributed to the involvement of all boys and our Head of House, Mr Geraghty, and House Leaders' leadership and guidance throughout the year. A mention must also be made of all Da Costa House mentors for their continued support and care for the boys of the House.

**Sam Golding**  
House Captain

**1** Dougie Scott-Young (Year 12). **2** Vinh Lam (Year 7). **3** Daniel Spiby (Year 10). **4** Back row: Hamish Scott-Young, Daniel Spiby, Thomas Browning, Henry Maerschel, Jake Gill, Donovan Fahey, Hugo Gray, William White, Jake Davis. Front row: Alex Randall, James Gasparin, Noah Browning, Daniel Spencer, Luca Falivene, Edward Thomas, Edward Weeks. **5** Year 9 students at the Da Costa House Dinner: Back row: Mason Webster, Edward Thomas, Kieran Bonython, Ethan Howes, Tony Y Li. Front row: Will Gill, Phillip Zikos, Safinn Gue, Finn Woods, Oscar Wurm. **6** Hamish Scott-Young (Year 10).

# Farr House Report

2021 will always be remembered as a year of change, and Farr House showed extraordinary resilience and House spirit in a year that was both challenging and uplifting. The year began with Farr House moving into our new Farr House Hub. It was wonderful to have all the boys in the same area: a games room and a venue that catered for House Musters. Our new leadership group, led superbly by Alexander Rouss, David Beswick, Alec Padfield, Eton Williams, Jamie Wells and Nicholas Piscioneri built a strong culture of engagement and new initiatives. The introduction of mentor groups producing the weekly Farr news was a highlight; it showcased the many and varied talents of our boys and was a great way to connect. Each morning mentor saw a fierce brain challenge competition contested, with boys working together to solve a variety of puzzles and conundrums. The Castrechini-Sutton mentor group emerged victorious in the brain challenges and was also awarded the Top Mentor Group of 2021.

Farr House's strength as a 'smart House' was definitely on show, with outstanding performances in the 11th Battle of the Bands, producing a superb performance of 'Beggins', and the House Mooting Competition where the legal eagles continued their recent successes.

Farr House's athletic prowess continued to shine with strong performances from our junior athletes, led by the record-breaking feats of Jonathan Harris (Year 10) and Joshua Moro (Year 9). The Junior Cross

Country Team were also impressive with their second place. On Community Day, strong performances from our Junior Football (second) Soccer (third) and Table Tennis teams (fourth) augur well for the future.

A special thank you to all our House mentors for instilling the values of the House and being a constant support to each boy. Changes continued to keep the boys on their toes, as did the loss of two of our finest mentors. Mr Roberts moved to a new role as Principal of Endeavour College and Jade Bester took up another teaching opportunity. It was also the final year of the second Head of Farr House, Mr Inge, who has stepped down after 31 years in Farr House and over 22 years as Head of Farr House. As a House and community, Farr will always be indebted to Mr Inge for his dedication and passion in fostering key moral values in every boy, and his continued goal to create a truly special community.

Alexander Rouss  
House Captain

**1** Josh Thomson, Bailey Kerr, Haseef Emad, Sean Ran, Casper Cai, Archie Bater, Stephen Vasilunas, Joshua Moro, Loyd Williams at the Year 9 Camp. **2** Jonathan Harris (Year 10), Hugh Wells (Year 10), Joshua Moro (Year 9) at Athletics Carnival. **3** Alexander Rouss (Year 12) performs at Battle of the Bands. **4** Year 11 students at Farr House Dinner: Back row: Tommy McDonald, Hieu Pham, Bingqi An. Front row: Henry Reynolds, Aidan Green, Adam Freeman, Jack Lynch. **5** Eton Williams (Year 12) and Rajiv Paranavithana (Year 11) at Battle of the Bands.

**Absent:** Mr Tim O'Shea, Mr Mark Proctor, Aidan Green, Ben Hewson, Sam Krix, Fergus Lamp-Brooks, Kelvin Lu, Patrick Murray, Hugh Phillips, Shaarav Reddy, Hereward Tonkin

# Farrell House Report

While proving a rather difficult year, Farrell House certainly saw great progress and development throughout 2021. With a few victories and a plethora of second places, the boys in purple polos maintained the high reputation of Farrell House whilst competing in all House events. The House Debating saw an incredible display of leadership from younger boys in the organisation of the team, leading to another high placing.

In a similar fashion, the senior cohort were challenged in the House Mooting, placing second overall. The House Rowing proved a great challenge with an anguishing second place to Woodcock House. Battle of the Bands was an event the Farrell House Band prepared well for, rehearsing in less than desirable venues (having a 12-piece band in my bedroom) to execute a great performance that was devastatingly ranked another second place. In Athletics, some rising stars in Ethan Allison (Year 8) and Joshua White (Year 11) both won their age champion bracket and Joshua White went on to share the distinction of School Athletic Champion.

Absence of success in some areas allowed for growth and learning, for both the leadership team and the boys, who now look to the future to improve processes of organisation and House proactivity. With that being said, having had the privilege of leading 'the house that gets it right' as aptly titled by Mr Jehle, I can detail that Farrell House's true strength is in its large diversity of individual strengths. Farrell House certainly had many great achievements far beyond the 5069 postcode. Nick Bowes received the Music Rotary Prize, three Farrell boys were part of the crew that won the Rowing Nationals in Tasmania, and many more achievements are testament to the numerous

things of which Farrell House boys are capable. I was fortunate to work with a team of incredible leaders within the Farrell House Leadership Team, namely, Jeremy Beale, Chirath Lekamge, Meshach Begg, Nick Burr, Chamith Waragoda and Wilbur Glaetzer who, as any boy would agree, went above and beyond in their leadership roles.

In my address to the House at our annual dinner, we were able to recognise Mr Jehle's contribution to Farrell House throughout his seventeen year tenure as Head of Farrell House. As his final year in leadership drew to a close, it was important to recognise that, throughout his time, Mr Jehle has developed a culture of dignity, respect and inclusivity within the House; such a culture in an all-boy, independent school environment, is so incredibly important in maintaining a safe space for a widely diverse group of individuals to work and operate. With such a fantastic culture established, I am very excited to see what the future holds for Farrell House. We are all thrilled that Farrell House's Chirath Lekamge will lead as School Captain in 2022.

I am grateful for the support this great purple and white House has shown me over many years and I am especially hopeful for the continuing legacy of Farrell House. Pro Deo, et Patria.

Tom Oldfield

# Hawkes House Report

2021 marked the 101st year of Hawkes House and, this year, I had the pleasure to captain this great House. The year came with its own unique set of challenges and accomplishments. As I write this report, it is important to reflect on the Class of 2021's journey through St Peter's College.

I joined Hawkes House in Year 7 having attended SPSC since Year 3. I had three older brothers come through Hawkes House (Edward, Alex and Harry), so I was familiar with what to expect when coming into the Senior School. During my first year (2016), I had no idea of the long-lasting memories this House would give me. Still to this day I remember the excitement I experienced as every House event arrived, from Swimming Carnival to Athletics Day. These moments, when the whole House comes together as a collective, are something I doubt I'll find anywhere else and are moments I will sorely miss.

My journey as Captain started in Term 4 last year and the first event I was given the task of coordinating was Summer House Sports Day. This event provided a great end to the year and a chance for everyone in the House to come together for the last time in 2020. I played Cricket with the Hawkes House team for the last time as we bowled over the competition, having fun along the way.

Through Term 1, not much happened in terms of House events. To fill the abundant House meetings, the leaders and I attempted many different activities from Capture the Flag to Kahoot to kicking the footy. It was during these simple House events that I was able to see the variety of personalities in the House, which makes Hawkes House so welcoming.

Upon return after the March school holidays, the boys were ready to come together for Community Day; which, in my opinion, is one of the highlights of the year. It is truly special to have the whole House and parents come together and get a couple of wins on the board. The huge amount of work Miss Patton does behind the scenes to allow such events to run as smoothly as they do should be

acknowledged. I could not be more grateful for her work and ongoing support of the students.

Matthew Pearce Day was the next event on the School calendar. Hawkes House is a very strong House in swimming and this year was no exception. Matthew Pearce (Year 12) taking out the School Championship led the way for the rest of the House as we also broke a record in the Open Medley Relay and came third overall.

Athletics Day was the next event on the calendar and is my favourite event. This exciting, yet exhausting day provides another opportunity to join with your House mates and compete for one another. Hawkes House did very well this year, coming fourth, and I am so proud of all the efforts put in by each and every student in the House.

As I approach the end of my synopsis, it's hard to talk about Hawkes House without mentioning the mentors; they are the backbone of this great House community. All the care and time they put into their students' wellbeing and schooling must be acknowledged with a massive thank you. I had the honour of being mentored by three separate teachers, Mr Begley, Mr de Lacy and Mr Hromin (my Year 8 mentor); each taught me the importance of the community Hawkes House represents.

A huge thank you goes to Miss Hayley Patton for all the hard work she does, unseen and largely without acknowledgement. She has made all the leaders' journeys fun and memorable. The House cannot thank her enough and I hope the boys keep showing their gratitude to her.

After such an incredible and unique year, Hawkes House is ready to hand over its leadership to new challengers. I wish the new leaders good luck on their journey as they ultimately create their own legacy, as I and the other leaders have tried to do.

# Howard House Report

I feel extremely fortunate that Ms Christine Iadanza had faith in me to lead Howard House in 2021 while she was on maternity leave. Having been an outsider attached to a rival House, I was excited to be a part of, and lead, Howard House; a House that had always been well respected for its competitiveness and for its students' strong sense of community and loyalty.

The House motto, 'Deeds not words' was evident as each mentor group was involved in the chip packet blanket service activity, which essentially involved saving chip packets from becoming land fill and turning them into survival blankets. Students were involved in a process of cleaning, cutting and ironing chip packets together with a protective plastic field to make lightweight blankets for the homeless of Adelaide. Howard House was able to contribute significantly to reach the Salvation Army's goal of 50 survival blankets in readiness for winter. A special mention goes to Andrzej Czechowicz (Year 11) and Oscar Chen (Year 11) for their passion and organisation to drive the program for the House.

Year 10 students James Hattingh, Will Barone and Hamish Grace led the collection of clothing and new toiletries for the Youth Hamper Drive in November to assist people in less fortunate circumstances than our own. Little things can mean a lot to others in need, and I am proud that we have members in our community that lead in the service of others.

I was fortunate to attend the final days of the Year 10 Outdoor Education 21 Day Journey and talk to the Howard House students. The immense sense of personal pride of accomplishment and the camaraderie forged between Howard House students over the 21 days was clearly evident.

A personal highlight of the year was the respect shown by the Years 7 to 11 students towards the Year 12 students as we began the graduating Class of 2021's farewells at the Howard House Dinner. The sense of pride and genuine love the boys feel for being part of Howard House was clearly apparent. Major award winners recognised on the evening were:

## Subject Effort Award

- John Lucas (Year 7), William Carrigan (Year 8), David Taylor (Year 9), James Hattingh (Year 10), Christos Angelopoulos (Year 11), Sam Warrick (Year 12)

## The R.L. Ingleton Award for Service

- Andrzej Czechowicz (Year 11)

## House Spirit Award

- Harry Mintz (Year 12)

## Howard House Prize

- Ned Gauvin (Year 12)

I would like to thank the hard-working mentors for their care and compassion in support of the students in Howard House. And I would like to thank the students of Howard House for their cooperation and passion for the House that saw them rewarded with winning the Sir George Murray Shield in 2021.

Mr Glen Malkin  
Acting Head of Howard House

# MacDermott House Report

2021 was a successful year for MacDermott House. Our boys immersed themselves by participating in several significant events.

Competition for the Sir George Murray Shield started with a successful Summer House Sports Day. A special mention goes to our Senior Cricket Team who managed to bowl and bat their way into the semi-finals.

Term 1 saw the junior boys achieve our first win of the year in the Junior House Debating competition. Congratulations and thank you to Pardhiv Meruga (Year 8), Nick Latella (Year 7) and Eddie Moss (Year 9) who made a great team. A special mention must be made of Aidan Hua (Year 11) and Zihao Wu (Year 12) for coaching the team.

The annual House swimming trials and carnival took place in Term 2. Throughout this event, the boys showed motivation and support of the House through positive attitudes and ensuring our lane always had a swimmer in it. I commend all boys for their participation and efforts in this event.

At the beginning of Term 2, the much anticipated Community Day was held. This event allowed each of our boys to participate and show off their skills and House pride in their chosen winter sport. A massive thank you is to be extended to the families of MacDermott House for their generous raffle donations. The proceeds were donated to Catherine House charity.

The boys are also to be congratulated for their Pyramid of Cans win. This auspicious event was held in Term 3 and saw each of the boys bring in cans to assist the House

in constructing an Australian themed icon. Judging was based on the number of cans, quality of construction and creativity. With this criteria in mind, there was a unanimous decision among the boys to construct the Australian Coat of Arms.

Thank you to our 2022 House Captain Aidan Hua for his organisation of Battle of the Bands. Thank you to our band; Aidan Hua (Year 11), Archie Young (Year 9), Kyle Miller (Year 11), Luis Volmer (Year 11), Nick Latella (Year 7) and Ansen Li (Year 8) for their entertaining rendition of The Kinks song, 'You Really Got Me'.

I would like to pass on my thanks to the leadership team of Harry Cooney (Year 12), George Ilic (Year 12), Axel Copas (Year 12) and Jasper Burns (Year 12) for their support in 2021.

**Sam Steele**  
House Captain

# School & Allen House Report

While 2021 was challenging, it was also another year of success for School & Allen House. The boys returned from summer holidays to boarding, all hoping COVID-19 would stay away in 2021, but it wasn't to be. A big thank you goes to the maintenance staff for the work undertaken during the holidays and for keeping our House in excellent condition.

Term 1 saw the continuation of COVID-19 guidelines for all boarders and staff to follow to ensure the Boarding House was kept open, safe and running as normal as possible. The Year 12 students started the year strongly with the prefect group being particularly active in managing many aspects of the House for the betterment of all the boys. The Year 12 students led the House extremely well with many being rewarded with House Colours for the invaluable service they provided in 2021. We were fortunate to have the valued staff leadership of Mr Pearson, Mr Green and Mr Colsey in 2021, who all worked tirelessly to make the House the positive place it is today. When COVID-19 first struck, the international students were unable to return home or venture into the city to celebrate the Lunar New Year. Instead the House observed the event in the Boarding House with delicious Chinese food served in Da Costa, which lifted the morale within the House and brought us all closer together.

This year was a very successful one for School & Allen House with all boys giving it their best in sports and other activities, and the House finishing fifth in the Sir George Murray Shield. The Battle of the Bands was a highlight event; most of our performers

were not musicians but were prepared to put their hand up and give their best for the House, which took great courage! School & Allen finished fifth, but the House spirit that was generated was immeasurable and an excellent reflection of what can be achieved by a 'Band of Brothers'. Another highlight was the Senior House Football Team winning the grand final on Community Day. In what was a tense and high standard game against archrivals Woodcock House, a goal kicked after the siren by Henry Hawker (Year 12) put us ahead for the win.

In our ongoing commitment to service, the Mary Potter Foundation Walk for Love was well attended by the boarders. The boys walked 7km around North Adelaide wearing a name of a family's loved one who had passed away. The boys represented the House extremely well and completed this walk with respect and pride. An intercollegiate boarder's cricket match against Prince Alfred College, organised by Sebastian Rogers (Year 11), was held in 2021. Two matches were played, one for the juniors and one for the seniors, with School & Allen being successful in the juniors. The games were played in great spirit, but most importantly, raised money for the McGrath Foundation.

Mrs Tracey Hiern, is the House's incredibly passionate and caring House Mother. The boys thank her for another incredible year in the Boarding House by helping make School & Allen feel like our home. Tracey is always there for anything that the boys need, and always offers her love, support and care.

Thank you to Mrs Sara Neville. Mrs Neville is an amazing staff member. We are grateful

to have her around to support the boys with our academic work, but also to make us better people through her thoughtful advice and kind and generous support.

The House has outstanding medical staff. Thank you to Mrs Wilson, Ms Behenna, Ms Charter and Dr Walsh for took great care of the boys when we struggled with sickness or injury. Your compassion for the boys was very much appreciated and helped make School & Allen feel like home.

The School & Allen residential and Mentor staff have assisted us throughout the year. Organising fun activities, providing academic and pastoral support and being friendly and welcoming, helped to build the positive relationships with the School & Allen boys. These staff were committed to ensure the House is a place we can call home.

At the end of 2021, we farewelled Mr Pearson who has led our House as the Director of Boarding since 2017. Mr Pearson made a significant contribution to the House by improving the structures and pastoral approaches during his five years. Mr Pearson provided great leadership of the House with many of his changes helped build a culture in our community based on the values of respect and selflessness. Mr Pearson will be missed by the School & Allen community, and we wish him and his family well in Armidale.

Oakley Price  
School & Allen House Captain 2022

# Short House Report

Short House exceeded expectations (and most certainly our reputation!) in 2021, in an undeniably successful 101st year for the House. The enthusiasm, commitment and determination of the boys have allowed this year to be one of the House's best in recent years. Achievements on the sporting field have been matched by excellence in other areas of House competition.

Community Day, as always, was a highlight of the year. It was wonderful to have the House community gathered together, and this passion was supported by excellent, all-round performances on the day, including a first place in Senior Table Tennis, second in Junior Table Tennis and a nail-biting grand final loss in Senior Touch Rugby. Fighting performances at the Swimming and Athletics carnivals were performed in true House spirit, with many exceptional individual performances. The dedication of the boys in these sporting endeavours, (even organising pasta nights before Community Day!) made Short House a force to be reckoned with.

At Battle of the Bands, despite a last-minute change of song, the House band created an outstanding rendition of Elvis Presley's 'Hound Dog', with Ethan Lim (Year 11) and Ethan Leo (Year 11) on vocals. At the Pyramid of Cans, the boys assembled their donated cans into an impressive sculpture of the Great Wall of China while the Chess Team emerged victorious from the House Chess competition for the first time in nearly 30 years.

Our House Dinner was another highpoint of the year and provided an opportunity to celebrate our achievements. Among the many accomplishments of the boys in the house, the work of Evan Nguyen (Year 8) to organise a highly successful fundraiser for children's cancer treatment should be acknowledged. Meanwhile, the House's buddy program facilitated stronger connections between junior and senior boys during House meetings.

In Term 4, Short House experienced success in the Senior School Chess competition,

winning the inter House trophy after a thrilling final, featuring a win by Andrew Xu (Year 8). The Summer House Sports Day and the associated PE week saw the boys participating enthusiastically. The Junior Badminton Team came up trumps with a win in a very high-quality competition, while the Junior Cricket Team got oh-so-close in their final game. Outstanding House spirit was evident throughout the day.

I would like to thank our 2021 House Prefects, especially Vice-Captain Jules Sheedy who worked exceptionally well to ensure every House event ran smoothly. The contributions of the rest of the Year 12 cohort to the improvement of the House over the year cannot be overstated.

The House Mentors are an integral part of making the House what it is, and your efforts to support and guide the boys in the House are significant. I would also like to particularly thank Mrs van Rensburg for her incredible work in coordinating the boys, looking out for everyone, and pushing us to succeed.

I am very thankful for the opportunity to be House Captain this year, and am truly grateful for the support I've received from the House. I wish Luca Paull (Year 11) the best fortune next year as House Captain and I feel very confident that next year's leadership team can continue to advance the House in new ways. Go the Brown Lions!

# Woodcock House Report

After a challenging year in 2020 facing the pandemic, Woodcock students entered 2021 with vitality and drive. This communal incentive to tackle the year head-on allowed for close relationships and a uniquely strong culture within Woodcock House. The experiences gained, and the memories forged, were highlights. This made 2021 a year Woodcock students are unlikely to forget.

The House competition season began in Term 4 of 2020, with the boys demonstrating their skills in individual sports at the annual Summer House Sports Day. The boys performed extremely well in both Rowing and Cricket, with a special mention going to our Junior and Senior Tennis teams for their excellent results. Following a well-deserved summer break, 2021 started with our House spirit stronger than ever, with new bonds being developed across varying year levels through mentoring sessions and meetings.

Term 2 consisted of two significant events: Swimming Carnival and Community Day. Our boys showed determination and vigour to secure high placings for Woodcock House in both of these events. Special mentions go to the Senior and Junior House Football teams on their tremendous performances. The day concluded with a delightful House Lunch where over 200 members of our Woodcock House family gathered.

Term 3 reinforced our true House spirit, as another busy time culminated in a multitude of competitions. In the five competitions that were held, Woodcock House placed no lower than third. At the Athletics trials and the Carnival, our engagement and accountability were of the highest order. Lachlan Estcourt

Hughes (Under 13), Felix Packer (Open) and Cormac Dwyer (Year 11) performed exceptionally well, while the House itself fought hard to secure second place in both the Junior and Senior categories.

Our House Dinner served as a particularly special occasion, as a fantastic group of Year 12 boys said their farewells. This was also Mr Cardone's last House Dinner. He has served Woodcock House as an outstanding leader for over 18 years. Mr Cardone has made a positive impact on every boy, and he will forever be a part of the Woodcock House family. He has challenged the students to give of their best, whilst setting high standards and expectations. To Mr Cardone and our wonderful team of mentors, we thank you for your support and guidance and for making 2021 a memorable year for us all.

# Young House Report

2021 was a year of great change for the Young House community. After 17 years at the helm, Mr Con Sinanis stepped down as Head of House and we welcomed new Head of House, Mr Michael Lucas. Whilst staying true to the kookaburra spirit and strong traditions that Young House has established over its rich history, the House flourished under the stewardship of Mr Lucas who brought many new ideas and a renewed energy to the House.

In Term 1, Young House hit the ground running with our annual Shrove Tuesday fundraiser. The fundraiser was a huge success as the boys of Young House rallied to organise and sell pancakes, raising \$1,270 for our House Charity, Novita Children's Services. This sense of community spirit was further on display at Community Day. It was great to welcome the new families into Young House and see the community come together for a day of House competition, celebration, and fun. In true Young House fashion, we raised a massive \$2,136 for our House charities thanks to the generosity of the parents, families, and friends of Young House who contributed towards the raffle and silent auction on the day.

Young House also enjoyed much success across the various House competitions, taking out top spot in the Junior Debating, Senior Soccer, Junior Swimming, and Junior Cross Country. Our sense of community was further exemplified at the House Dinner, Battle of the Bands, and Pyramid of Cans competitions, where Young House students demonstrated their willingness to go above and beyond in service to their House, while at the same time take themselves outside of

their comfort zone. It is these acts of service that ultimately builds the strong character that defines a Young House scholar.

Beyond the success and results we have achieved this year, there is a real sense of connection that has blossomed within the mentor groups. Boys across year levels communicating, sharing ideas, having fun, and helping one another is something I have had the pleasure of witnessing this year and hope to see continue for many years to come. I would like to thank the Young House Mentors in Mr Scott, Mr Turner, Ms Xu, Mr Grice, and Mr Vari for fostering this environment and for their unwavering care and support this year.

It has been an honour to be the Young House Captain and, along with the leadership team, serve Young House with great pride in 2021. We wish all members of the Young House community much success in the future!

Lucas Langley  
House Captain

# Sir George Murray Shield

The secret to Howard House's success in winning the Sir George Murray Shield in 2021 was not winning every competition, but instead being consistent in placing in the top five for most activities that contributed points to the Sir George Murray Shield.

The highlights of the House competition for Howard House during the year were:

- First in the 2021 Swimming Carnival overall (first in the Juniors and third in the Seniors)
- First on Summer Sports Day (first in the Junior and Senior Badminton, first in Junior Cricket, second in Senior Cricket, second in Junior Water Polo and third in Senior Water Polo)
- Third on Athletics Day
- Fourth on Community Day (first Junior Table Tennis, second Senior Soccer and Senior Table Tennis)
- Fourth in the Mooting Competition
- Fifth in the Pyramid of Cans (our leaders did a wonderful job building a COVIDsafe Howardsorus Rex attacking Can-Tokyo, to meet the brief of designing and building something with cans that related to a country of our choice).

The key to success was the call for every student to compete and be proud to represent Howard House. Every boy had to play their part in accumulating points in the trials, which helped amass points that contributed to the final score for various activities.

This contribution helped us enormously on the day of Swimming Carnival and Athletics Day. While the Battle of the Bands was not our most successful activity of the year, the effort students made in representing the Howard House community contributed to the total points we scraped together; which, in the end, helped Howard House achieve a narrow win over Da Costa House.

Mr Glen Malkin  
Acting Head of Howard House

**Back row:** Mr Glen Malkin, Hudson Jones, Jack Blackburn, Eric You, Noah Luc, Connor Murphy, Tom Wickham, Josh Watson

**Front row:** Gurjot Singh, Jack Davies, Ned Mintz, Fred Potter, Samuel Warrick, Cooper McDonald, Ned Gauvin, Harry Mintz, Victor Dang, Sachin Ravindran

# National Student Leadership Summit

St Peter's College welcomed over 100 student leaders from across Australia for the 10th National Student Leadership Summit on Friday 8 March. Facilitated by School Captains, Sam Jackson and Rushan Khurram, with the support of Education Futurist Louka Parry, the summit focused on the pressing issues for students, encouraging dialog, critical thinking and creative problem solving to help students ignite their communities.

Sam and Rushan facilitated an exceptional one-day intensive summit and saw their own leadership inspired by the many like-minded students and the projects they developed over the day.

The commitment to student support went beyond the event with Sam and Rushan maintaining contact with students as they faced the many difficulties of leadership through the uncertainties of COVID-19.

Ms Astrid Innes  
Publications and Events Officer

**1** National Student Leadership Summit (NSLS) Year 12 Prefect attendees. # Year 8 Report

This year was not without disruption and change; however, our students are seeing this rollercoaster as our new normal. Led professionally by their mentors, students have taken on all challenges before them and have continued to progress through their final year in the Middle School in a successful manner. No sooner had we welcomed the boys back for Term 3, we found ourselves briefing students on how to manage their remote learning due to a state-wide lockdown. The boys adapted very quickly and after a week of great adaptability and engagement with their teachers and peers through a screen, we were back together and seemingly, no one had missed a beat.

Our Outdoor Education program was, once again, a highlight for many of the boys this year. The opportunities provided saw the boys move out of their comfort zone, taking on responsibility of managing their own meals, connecting with their peers and teachers in a different environment and enjoying camping out in the great outdoors. Despite the chilly weather and ever-present rain during the first few days, the experience is one the boys will remember for years to come.

Our Year 8 students thoroughly enjoyed the opportunity to connect with their Years 3 and 4 buddies from the Junior School. Each session was met with different activities, engaging conversations, and friendly and supportive interaction. Our Year 8 boys learned just as much from their friends in the Junior School, as they did from us. The pride each cohort displayed when showing their buddy what a typical day at school looks like was heart-warming.

Whether in the classroom, as part of educational competitions outside the School, on the sporting fields, on the stage in drama and musical performances, in Chapel services and Musters, or in the corridors of Pentreath, we have thoroughly enjoyed witnessing the growth and progression of our boys. Across the year, our Year 8 students have been supportive of one another and dedicated to the service of others, whether that be support of each other in the school yard or through larger service initiatives across the whole cohort. We commend them on the legacy they leave in the Pentreath Building and wish them well as they embark on their Senior Years.

Mr David de Lacy  
Acting Year 8 Coordinator

**1** Year 8 students Zac Michaels and Banjo Yates with Year 3 students Nicholas Steele and William Dorman during the Buddy Program. **2** Pardhiv Meruga, Lochie Siow and Kit Bernsee. **3** Yash Bhattacharjya and Charlie Frost on Clean Up Australia Day. **4** Joey Fitzgerald and Jackson McNamara at Co-Ed Day. **5** James Corbin and Kieran Bonython at Community Day. **6** Will Dean, Safinn Gue, Christian Dawes, Ishaan Chaudhuri, Oliver Maddern, Nicky Lockie at the Medieval Fair. **7** Vaughan Galloway, Jack Bell and Lachlan Estcourt Hughes in the Junior Play. **8** Matthew Lok at the Ash Wednesday Service.

# Year 7 Report

Year 7 is a vital cog in a St Peter's College student's development as they embark on their Senior School journey. The Middle Years program has been designed to guide students in discovering their limits and fostering their passions. Many have embraced the ever-growing number of opportunities presented to them and all have demonstrated varying degrees of growth. Despite students starting the year with natural trepidation, all students flourished under the guidance and expertise of their mentors.

A rich and diversified Academic Program has underpinned each student's daily life. This, coupled with a pursuit of greater independence, has cultivated opportunities for boys to deepen and enhance their learning. From designing and building rocket powered cars in Science, to recreating ancient civilisations with Minecraft in History, the students demonstrated equal measures of creativity and ingenuity. Students also had the chance to fully immerse themselves in a range of valuable co-curricular opportunities. The Year 7 Music program catered to a range of abilities, as did the countless sporting options available to all students in the Middle Years.

The School's values of truth, respect and service have been integral to consistent messaging around how a SPSC student should engage with their peers, teachers, coaches, family and the wider community. The Service Program gave boys an opportunity to demonstrate these values and give back to their community. Under the guidance of their mentors, the boys enthusiastically played their part in organising, knitting, collecting, creating, and delivering a range of objects, ideas and initiatives. As these values continue to be ingrained in each student, a greater sense of community is being fostered; one where the needs of others are held in higher regard than one's own.

Despite the great number of challenges presented to students in 2021, the cohort can be proud of their fortitude, vigour and perseverance. This striving for success has enabled them to achieve more and has helped them to lay a fertile foundation on which to flourish.

Mr Richard Davey  
Year 7 Coordinator

**1** Jack Zhang, Max Arkadianos, Elliott Penn, Angus Bond, Leo Dreosti and Dr Hamish McTernan learning about chemical and physical reactions with food in Science. **2** Louis von Doussa, Alexander Lippett, Gustaw Czechowicz at Athletics Heats. **3** Tony Li, Oliver Maung, Miles Chipperfield. **4** Jack Zhang, Joshua Joshi, Atticus Clayton, Will Foreman, Emerson Cooper at Community Day. **5** Adam Lee, Angus Adamson, Max Arkadianos make ice cream with liquid nitrogen. **6** Jack Zhang at Book Week. **7** Henry Darcey and Oscar Larwood at the Concert Band Showcase.

# Junior School

# From the Head of Junior School

In his book 'Finding your Element', the late Sir Ken Robinson states that many people never discover their passion; they never get to know what it feels like to be good at something and to love it too. He explains that this is because some individuals never have the chance to try the thing that lies within them or the attitude that makes them want to try something new.

When you try a new sport, a new game, a new instrument, or a new after school activity, you give yourself the chance to discover something that you might love; to 'find your element'.

At St Peter's College, students have an extensive range of opportunities across a broad range of experiences and, through these, a chance to discover their passions. In 2021, we have been able to continue to expand the offerings available for the boys in the Junior School. Despite the disruption of COVID-19, our focus on taking student learning beyond the classroom has amplified.

Increasing the number of excursions, guest speaker engagements and performances the boys are involved in has been an ongoing priority. Being involved in different aspects of school life, both within and beyond the classroom, provides our boys opportunities to discover who they are and who they are going to become.

Through Art, Sport, Music, and Academic programs, our students have demonstrated exceptional achievement and progress throughout the year, while simultaneously finding and growing passions for the future.

We have had an incredibly successful year reflected in our students' learning and outlook as well as sustained growth in Junior School enrolments. This growth resulted in the introduction of an additional Year 3 and Year 4 class at the start of 2021.

I would like to thank my colleagues at St Peter's College for the care and guidance they have shown their students this year. I am particularly grateful for the support and advice of Headmaster, Mr Tim Browning

and the Junior School Leadership team of Mr Ben Storer, Mrs Holly Baulderstone and Mr Jon Gelsthorpe.

To Emily Tsoutouras and her Junior School Friends of Saints Committee; my sincere thanks for another successful year of friend raising and community building. A special mention of the JSFoS Movie Night; an event that highlighted positive relationships within our wider community.

I look forward to further expansion and development of our academic and co-curricular offerings as well as strengthening relationships across our community in 2022.

Mrs Jasmine Taylor  
Head of Junior School

**1** With Mrs Vanessa Browning, Seymour College Principal and Year 3 students at Friendship Day. **2** With Zis Ginos (Year 3) at the Junior School Art Exhibition. **3** Book Week celebrations with Noah Lee (Year 1). **4** Presenting at the Junior School House Singing. **5** Colour Run. **6** Mrs Jasmine Taylor with Junior School parents Con and Emily Tsoutouras at the Welcome Cocktail Evening.

# Junior School Leadership

The 2021 student leaders were carefully chosen by their peers in consultation with Junior School teachers. Throughout the year, the leaders have been role models, speaking in assemblies, supporting House competitions and participating in service learning opportunities. It was excellent to see the boys conduct themselves respectfully, and promote student action. An example of this was Ryan Weinert, Junior School Vice Captain, introducing and running a Rubik's Cube Club at lunch times, open to all students across the Junior School.

Mrs Jasmine Taylor  
Head of Junior School

**1** Mrs Jasmine Taylor, Ryan Weinert (Vice Captain) and Caleb Scott (Captain). **2** Student Leaders. Back row: Hunter Di Blasio, Jerry Liu, Sam Lake, Daniel Spyrou, Krishn Arora, Sebastian Harms. Hunter Di Blasio	Alliston-Jones Co-Captain
Krishn Arora	Brooks Co-Captain
Joshua Maung	Brooks Co-Captain
Sebastian Harms	Clayton-Dyer Co-Captain
Daniel Spyrou	Clayton-Dyer Co-Captain
Sam Lake	Stokes-Ware Co-Captain
Jerry Liu	Stokes-Ware Co-Captain

# Year 6 Report

Year 6 was truly an exceptional community of learners. Students thrived and were stretched with a multitude of learning opportunities. They collaborated, demonstrated curiosity, took risks and grew. We also had a lot of fun along the way.

Students channelled their inner entrepreneurs in Term 2 as they formed businesses to raise money on Anglican Charities Day. They were challenged to best utilise \$20 of capital investment. As a result of wise planning and the support of the whole Junior School, over \$6,000 was raised to support a number of Anglican charities that help people in our community.

International travel was almost non-existent in 2021, yet students were still able to engage in learning encompassing the world. At the end of the year, students engaged with a diverse range of migration stories, exploring the causes, challenges and changes that affect migration. They responded to the themes and messages found in the stories studied by producing

a creative artefact. Students blew us away with sculptures, pictures, poems and music at our Migration Showcase. It was not an international cruise, but we did sail to Kangaroo Island for an adventure-filled five days as part of our Outdoor Education Program.

We heard from a variety of guest speakers throughout the year, including Bruce Djite, Lord Mayor Sandy Verschoor, Dr Sam Shahin, Uncle John, Manal Younus and members of the Australian Migrant Resource Centre, all sharing their migration stories. As students learnt about the interconnection and changes of the systems of the human body, they heard from medical professionals in our School community, including a neurologist, dermatologist, urologist, psychologist, obstetrician and gynaecologist.

In Year 6 we have a motto that as the oldest students of the Junior School, 'we set the tone'. All students had opportunities to lead throughout the year in many roles.

It wasn't just those with formal leadership positions, all students demonstrated a responsibility to serve and lead. This was particularly on show for the Barista Boys who fuelled staff and parents with caffeine, and students with hot chocolates. They learnt lifelong hospitality skills throughout this experience.

Middle School now awaits the Year 6 class of 2021. Our Year 6 teachers cannot wait to see these students shine.

Mr Christopher Sanders  
Year 6 Coordinator

**1** Year 6 Camp on Kangaroo Island. **2** Spike Yates, Caleb Scott, Louis Bizot, Sarvin Mahadavan, Ben McCorley, William Atkins and Charlie Gauvin at Step Up Day. **3** Barista Boys Archer Papps-Burford, Krishn Arora and Hugo Hill. **4** Louis Bizot, William Atkins, Jordy Brown and Leonardo Vignera at the Anglican Charities Day. **5** Hayden Wu, Adi Baghel, Joshua Howes, Aston Khoo and Peter Athanasiadis during the Light Up Vanuatu Project. **6** Archer Papps-Burford and Charlie Kemble on Year 6 Camp. **7** Dancing at the Years 5 and 6 Concert.

# Year 5 Report

This year was very busy and productive for our 98 Year 5 boys. The character strengths of self-regulation and teamwork were important for the boys as they went about organising themselves for daily tasks and mastering new routines.

The swimming season culminated with the Swimming Carnival, in which our boys took up the challenge and involved themselves in as many events as possible, striving to do their very best for their House.

Other interesting activities included going to Finniss for a three-night camp, an amazing day trip to Adelaide Zoo and having SciWorld visit with the awesome Star Dome as part of our Earth Science unit.

All boys learnt and recited poetry for the IPSHA Poetry Competition. Congratulations to Aarit Kothari who was chosen as the Year 5 St Peter's College representative in the IPSHA Poetry Competition final at Seymour College.

In Term 1, the boys learnt about democracy and then built upon this knowledge in Term

2 as they investigated the Australian Gold Rush. It was wonderful to welcome parents and special guests back onto the campus to be part of the interactive Gold Rush presentations, where boys researched and dressed up as important characters from the 1840s.

Over the year, each class also had an opportunity to work on Robotics with Mr Becker to build a Lego robot and program it to perform various tasks, including collecting moon rocks and launching satellites.

The final part of the school year saw the boys learn all about financial literacies through our work on Banqer. The boys were busy completing their class jobs to earn Banqer Bucks so they could buy property and own cars, bikes, or scooters all while learning about tax, insurance and superannuation.

The cohort also explored the devastating effects that bushfires can have on communities through our HASS and

English units. All students researched and prepared a Bushfire Action Plan and explored the Indigenous reasons for controlled burn-offs.

Throughout the year, there has been significant growth in maturity and responsibility of the Year 5 student cohort, suitably preparing them for leadership roles in Year 6. They are well prepared, and I wish them well as they enter their final year of the Junior School.

Miss Georga Pavy  
Year 5 Coordinator

**1** Science experiments with Harrison McClurg, Alexander Catinari, Ms Lisa Zollo, Aarav Bhatnagar, Matthew Tran and Charlie Johnson. **2** Zane Haseldine in class. **3** Thomas Pyke at Swimming Carnival. **4** Andrew Lucas performing at the Years 3 to 6 Speech Day. **5** Phoenix Von Brackel and Callum Foreman in class. **6** Max Harms and Jonathan Angelos performing at the Years 5 and 6 Concert.

# Year 4 Report

2021 proved to be a busy and rewarding year filled with many memorable highlights. In Semester 1, we saw the boys transform themselves into British sailors from the 1700s for our Term 1 Endeavour Day, become Joseph Banks inspired botanists during our excursion to the Botanic Gardens and, in their role as physicists, investigate various forces at work in our world. We ventured to the Maritime Museum, where we explored the rich history of our early settlers, expanded our reading horizons through the introduction of reading rotation workshops and became social justice marathon runners as we raised much needed funds for our brothers and sisters in Vanuatu.

Semester 2 was equally filled with an array of rich learning opportunities. To kick off the semester, we turned our attention to the IPSHA Poetry Recital Competition, where the boys were given the opportunity to showcase their theatrical flair through expressive performances. We delved into the geography of South America and Africa, with a particular focus on sustainability issues and what we can do in our lives to make a positive impact on our world. A particularly memorable project saw the boys transfer this learning into the realm of Mathematics, where they interpreted, represented and analysed different sets of data that tell a story of our planet.

Another highlight of the semester came during our very first Three-Way-Conferences, which offered the invaluable opportunity of involving the boys in discussions about the learning that they themselves are at the helm of. This was a rewarding experience where we saw the boys confidently articulate and showcase examples of successes, goals and challenges in their learning.

Term 4 saw us venture to the School's Finnis campsite for our Year 4 'Storm Boy' Camp. The camp offered the boys a wonderful opportunity to see firsthand the unique ecosystem described so beautifully in Colin Thiele's famous book we read in preparation for the camp. Our trip to the Murray Mouth was a particular highlight of our three-day experience, with many a Mr Percival spotted along the way!

The end of year Band Concert Evening was a truly wonderful event and a fitting celebration of the boys' hard work and talent. This was the culmination of many hours of practice and dedication, with each boy learning a new instrument as part of the year-long program. Needless to say, the performance was a tremendous success and an opportune way to celebrate what was a memorable 2021!

Mr Julian Burke  
Year 4 Coordinator

**1** Austin Scarsella, Girolamo Vinci, Tim Xu, Angas Hollington and Jeffrey Lan on Year 4 camp. **2** Joey Burchnall, Mr Richard Burchnall, Mrs Jane Burchnall and Ollie Burchnall at Grandparents Day. **3** Ziggy McKenna performing at the Year 4 Concert. **4** Alastair Kelly enjoying Endeavour Day. **5** Jack Lai cooking on Year 4 camp. **6** Class 4W performing at the Year 4 Concert. **7** Endeavour Day with Ms Lauren Trowse and Henry Morfesi.

# Year 3 Report

What a wonderful year 2021 was for our Year 3 cohort. Year 3 provides plenty of opportunities for exciting 'firsts' and this year was no exception. We were the first Year 3 group to have four classes and this worked beautifully for our boys.

The year began with great excitement as the boys experienced being a part of their House group. Their first event was an exciting, fun-filled Swimming Carnival. Every boy approached House events and competitions across the year with excellent sportsmanship and dedication to their House.

Another first for the boys was NAPLAN in Term 2 and for the first time in Year 3, the testing was completed online. We were so impressed with all our boys for the amazing effort they put in and how they tackled these testing days with great positivity.

Science was a special focus in Term 3 where we learnt the skills to be a true scientist. Scientists need to observe, experiment, measure and communicate

their discoveries. Our boys did this in presenting their own experiment at our inaugural Year 3 Science Fair, where our parents, friends, teachers and other classes joined us to witness 'science in action'.

In Term 4 we had our Friendship Day with Seymour College. In Term 1 we established a Pen Pal connection with the girls and then we welcomed them to our School so we could meet them in person. We were able to use our relationship building skills that we had been working on through our URSTRONG Program to make stronger connections with our friends. This was such a special occasion. We hope to continue these friendship connections in the future.

This year we immersed ourselves in, and stimulated a love of, poetry. We all learnt a poem and presented it to the class. Watching and listening to the boys deliver their presentations was wonderful. Mr Browning also joined us and he helped us write a funny poem about a bird, that we then turned into an illustrated book.

In Geography we looked closely at our neighbouring countries and then held a Travel Expo for the parents to convince them that when the international borders open they should take a holiday to one of these special places. It certainly made us all get the travel bug!

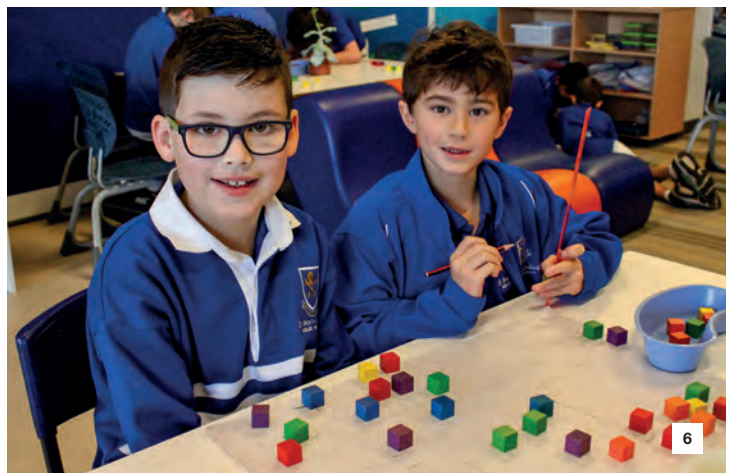

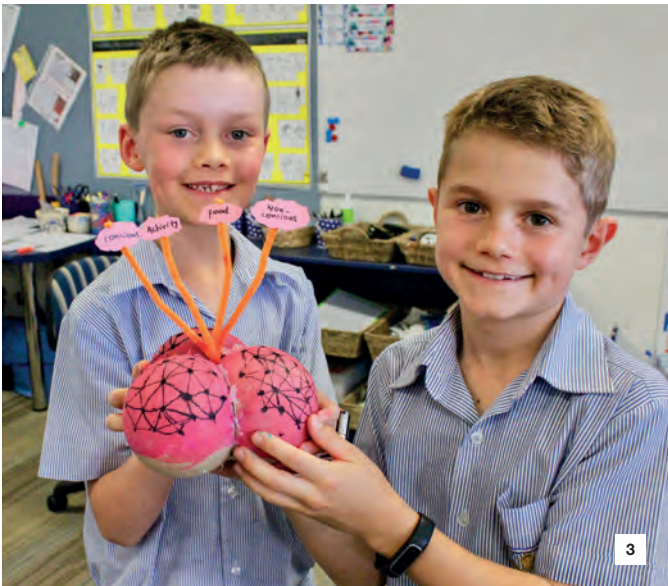

It proved to be an exceptional year filled with excellence in learning, boundless excitement, overwhelming joy and plenty of laughs.

Mrs Emily Rogers  
Year 3 Coordinator

**1** Performing at the Year 3 Concert. **2** Poli Guo, Nicholas Yang, Sebastian Matthews, Surin Mukenya and Charles Pan. **3** Vincent Farnsworth and Beau Leon in class. **4** Nicholas Yang and Archie Handshin at the Year 3 Science Fair. **5** Gian Patel and Orlando Ng. **6** Evan Higginson and Ned Iles during Mathematics.

# Year 2 Report

Our Year 2 students made pleasing progress during 2021. As leaders of Junior Primary, they displayed increased maturity in class and in the yard, and modelled positive behaviour for other year levels to learn from. Many students demonstrated their developing leadership skills, representing their classes and the year group as both SRC Representatives and Year 2 Student Leaders.

Term 1 was a busy and exciting start to our year. We welcomed new students to our classes who settled in well under the care of both the staff and existing students. All students quickly adapted to the new expectations of Year 2 and enjoyed new privileges, including visiting the library at lunch times. Our Term 1 learning centred around 'Water as a precious resource' with special guest speaker Jason Haseldine, Director of Finance and Administration at St Peter's College, stopping by to answer student questions about how we use water sustainably at the School. We had a beautiful time in the Secret Garden for our Wind in the Willows performance organised by Librarians Mrs Allison Winter and Mrs Sue Dansie.

Terms 2 and 3 were busy, with preparations for the Year 1 and 2 Concert well under way. Under the guidance of Ms Katie

Carey, the students prepared an impressive number of performances, including songs, dances and instrumental pieces. Students designed their very own 3D printed toy and enjoyed a visit from Makers Empire at their 'Celebration of Learning' to conclude their Term 2 inquiry on toys. The boys demonstrated their learning through a Keynote presentation and also created a persuasive advertisement to show their parents and grandparents during the celebration. This was a wonderful event to share their learning journey. An inquiry into the history of Memorial Hall and the School Chapel were highlights of Term 3. Students enjoyed the opportunity to work with Ms Andrea McKinnon-Matthews, School Archivist, to look at many images and artefacts from the School's 174 year history.

In Term 4, we visited Cleland Wildlife Park to consolidate our learning about living things and life cycles. The students enjoyed exploring the Wildlife Park and seeing many native Australian animals in their natural environment. Through this exploration, students showed caring and respectful interactions.

One of the highlights of the year for many students was the Junior Primary Sports Day. This was their last Palm House Sports Day before moving to Year 3. Boys were

organised into House Groups to participate and have fun in a variety of sporting activities, including an obstacle course, relays, Soccer shooting and mini High Jump. The final 100m Year Level Sprint Races were a great way to conclude the successful day.

It has been a true pleasure to see the Year 2 students make such excellent progress this year, flourishing academically and socially. They have led the Junior Primary exceedingly well and left a lasting impression on all staff who have had the privilege to work with them.

Mrs Samantha Irvine, Mrs Bethany James and Ms Sarah Leyson  
Year 2 Teachers

**1** Year 2 students with 'Badger' from the Wind in the Willows performance. **2** William Desyllas on Pet Day. **3** Hector Ross on Bastille Day. **4** George Storer, Eoin Carty and Harrison Maung at the Year 2 Sleepover. **5** Marcus Northcott at Book Week. **6** Daniel Zhang at Year 2 Sleepover.

# Year 1 Report

As the 2021 school year draws to a close, it is time to reflect on our journey through Year 1. It has been a fabulous year of learning and laughing together. The boys participated in a range of exciting and engaging activities both at School and within the wider community.

Our Term 1 Science topic this year focused on the features of animals and their habitats. We seized the opportunity to invite our pets to a Palm House Pet Day. The School came alive with dogs, bunnies, turtles and other interesting creatures. We brought in pet treats and a gold coin to donate to the RSPCA.

Early in Term 1, we walked to the River Torrens to explore the human impact on our river system and the effect, not only on the river, but the coastal environment. We followed this up with an excursion to the beach where we identified changes in the coastline and once again, recognised the human impact on this fragile environment.

Our unit on sustainability has been a significant part of our HASS learning this year. Not only are we Waste Warriors, but we have also taken on the role of Chook Chiefs. Early in Term 3 we saw the revival of the Junior School Chook Project when

we welcomed eight lovely hens to the Palm House playground. The boys have embraced the opportunity to take care of the chooks and collect the eggs that are being sold to support those experiencing homelessness.

During Semester 2, we celebrated our rich cultural heritages. We were able to draw on our extensive cultural resources within our Year 1 families. The boys participated in Greek cooking and dancing, we made delicious dumplings and learnt the meaning behind the Chinese characters. We heard about life in South Africa, the food, the animals and the customs. We made teepees when we learnt about the North American Indigenous people, and we ate delicious, sweet treats during our session on Pakistan. Thank you to the families who provided such fabulous and rewarding experiences for all involved.

Our Science investigations have been a highlight throughout the year. Our 'mad' scientists explored chemical and physical reactions with shaving cream, detergent, and bi carb soda, just to name a few. Squeals of delight could be heard as they predicted, hypothesised, experimented, and continued to develop their scientific knowledge.

The Years 1 and 2 boys, together with the Music Department, are to be commended on their outstanding performance during our music concert. The boys did an exceptional job singing and dancing to many Sesame Street favourites.

On behalf of the Year 1 Teachers, I would like to take this opportunity to sincerely thank the boys and their families for the positive and enriching experiences you contributed to our learning environment during 2021. It has been a pleasure creating memories for the boys and we wish them all the best as they continue their journey of learning.

Ms Joanna Tierney  
Year 1 Coordinator

**1** James Zhao, Samuel Dorman and Jisnu Menon collecting eggs. **2** Henri Bartold, Samuel Dorman and Sebastian Roussos at the Christmas Pageant. **3** Jonathan Teh at Book Week. **4** Performing at the Years 1 and 2 Concert. **5** Kai Li's first egg.

# Reception Report

In 2021, we welcomed 46 boys into three classes, led by Mrs Barnes-Daysh, Miss Willsmore and Mrs Cole. The boys settled in quickly and began their learning journey. They showed great independence early on, entering the classrooms unassisted by parents and completing their morning jobs and activities with confidence. It was also an exciting time of learning, friendship, and growth.

Swimming was a highlight in Term 1 and all boys improved their water skills. To complement our Science unit on Living Things, the students enjoyed Pet Day, where they dressed up as an animal and brought their pet in for a parade. They also participated in their first incursion run by Nature Play SA held in the Secret Garden. The multi-sensory, play-based learning experience inspired creativity and joyful connections to nature. They created potions, used loose parts for creative play and made seed bombs.

Term 2 saw the boys engage in creative learning and gross motor activities where they rotated through the different classes. They learnt new games, yoga, developed fine and gross motor skills and enjoyed interacting with their peers. As part of their book study for 'We're Going on a Bear Hunt', the boys enjoyed Pyjama Day. They went on a bear hunt around the Junior School and read a story in Mr Browning's office.

The hands-on experiences continued in Term 3 with Mud Day. The ELC and Reception students spent the day in the Secret Garden learning through exploration by embracing the language of mud. As part of our Science unit on Moving Things, the boys had Wheels Day. They explained with excitement how their wheels moved and rolled down The Avenues.

During Term 4, the Reception classes participated in an excursion to Belair National Park for cubby building. Our focus was on materials and, in groups, the boys built their own cubby and ate lunch in it. They also had their first Junior Primary Sports Day and showed off their sporting skills. The Nativity was a special way to finish the year together. The boys sang and performed with enthusiasm, and it was a great to see how far they had come this year. We were incredibly proud.

On behalf of the Reception Team, I would like to congratulate the boys on a fantastic year and thank their families for their support and partnership. It has been a pleasure being part of their development and watching them grow.

Mrs Lisa Barnes-Daysh  
Reception Coordinator

**1** Dion Piteo on Mud Day. **2** Vinumr Agarwal, Zachariah Van Niekerk and Antoni Finocchio on Mud Day. **3** Spieth Le, Jackson Millhouse and Benno Seppelt in the Nativity. **4** Reading with Mr Tim Browning on Pyjama Day. **5** Mitchell Reynolds on Junior Primary Sports Day. **6** Wali Abbas at Book Week. **7** Peter Zhang in class. **8** Lincoln Wallace, Jack Eckermann and Ryan Le in the Nativity. **9** Ranidu Karunarathne in class.

# Early Learning Centre Report

Nothing without joy! This is one of the core underpinnings of the Reggio Emilia Philosophy, which inspires our program.

This philosophy was evident when the boys ventured on a Paddington Bear Picnic to celebrate Book Week. They harvested the oranges, washed them, and helped cut them up. The centre smelt beautiful as the golden liquid bubbled away. Waiting for the marmalade to set and cool gave us plenty of time to immerse ourselves in the literacy and language of books, especially the tales of a bear from deepest Peru.

We were thrilled to welcome families into the Centre for our Grandparents Day afternoon tea. During these unpredictable times, the act of physically sharing a cup of tea and a chat is precious.

There was an abundance of joy on Mud Day. The boys immersed themselves in the sticky, slippery, sloppy potential of mud as they dug, rolled, planted seeds, used dramatic play to expand their literacy, and explored measurement through creating potions and mud stews. This concrete exploration of the natural world forges

strong connections for the boys' learning and relationship with our environment.

We have loved building a relationship with the Vaillima Gardens Retirement Village. Intergenerational relationships are transformative. There is something cyclical in the exchange of joy and wisdom that transcends age; stretching the boundaries of the everyday into the extraordinary. The simple act of sharing a story, a conversation, an afternoon tea becomes a treasured memory and a trace of our belonging, being, and becoming.

Farewells are a time to reflect and recognise the contribution of staff that are moving on. Mrs Stephanie Cabot will join the Diverse Learning Team next year and Mrs Raegan Hill will join our Relief Teaching Team. Ms Emma Killey is taking leave and Ms Monika Ash will join our ELC Relief Team. Ms Dorina Bonifacio will retire after 21 years of investing love, care, and laughter into her days at the ELC. Her contributions will be cherished memories for so many boys and families in the St Peter's College community.

Joy can be an explosion of laughter or the warmth of a genuine smile, but it also has a quieter side expressed in a sense of purpose and connection with others. Whether it was the excitement of Mud Day or the comfort of reading a book with the residents at Vaillima, it has been a joyful year in the ELC.

Ms Holly Baulderstone  
Head of Early Years

- 1 Nicolas Tang, Hunter MacLeod and Edward Livesey in class with Ms Gemma Cross.
- 2 Sebastian Athanasiasdis at the ELC Christmas Celebration.
- 3 Biren Dedigama enjoying a swing.
- 4 ELC group artwork.
- 5 Kaeshav Naidu.
- 6 William Rudkin.
- 7 ELC students visiting the Valima Gardens Retirement Village.

# Junior School House Reports

# Alliston-Jones House Report

It was a great year in the Alliston Jones House. A focus for the AJ boys was to really apply themselves to classwork, their uniform, manners and to give their ultimate best in House activities in the hope of taking home the House Cup at the end of the year. Our Co-Captains for the year were Adi Baghel and Hunter Di Blasio. These boys demonstrated true leadership and passion for their House. Adi and Hunter led by example always willing to put themselves forward and stand up the front even when it has been challenging.

We started Term 1 strongly. Coming to the end of the term, we were announced as the leading House. This was due to the hard work and dedication of each boy in earning points any way they could. It was pleasing to see the boys apply themselves to Swimming and entering as many events as they could. It was great to have Summer House Games back for 2021. Boys participated in Cricket, T-Ball, Volleyball, and Tennis. We didn't manage to win anything, but we challenged the other Houses in most competitions.

Term 2 saw us return to the original format for Minute to Win It. With Year 2 students welcomed to the House program this year, we had Years 2 to 6 students challenging boys in their House to make the final team to compete against the other Houses. This year, the boys participated in Ping Pong Drop, Cup Stacker, Chopsticks and Nut Stacker. The energy was alive in the Junior School Hall for the finals and all boys did an excellent job.

Term 3 is a busy term for House activities. We started with Winter House Games (which was postponed from Term 2), House Singing and then finished off with the Years 3 to 6 Sports Day. House Singing took centre stage for our House meetings. With the role of women celebrated across the School, we felt it appropriate to celebrate influential women in music. This year we challenged ourselves by mashing two songs together, 'Born this Way' by Lady

Gaga and 'Vogue' by Madonna. The boys did an amazing job at learning the song, and the enthusiasm on stage was brilliant. Sports Day was held down on the Senior School ovals and it was great to see all the boys from Years 3 to 6 giving their best and earning valuable points for their House.

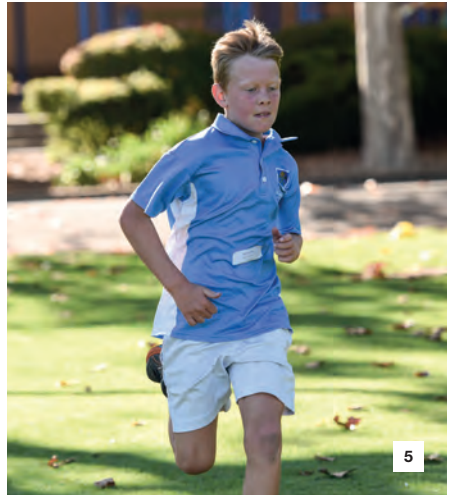

In Term 4, the boys in Years 3 to 6 participated in Debating, Chess and Mind Lab. These games proved to be very competitive with many of the boys winning their matches. It was also great to see both our Debating teams score convincing wins. One of the highlights of the year was the introduction of the Reception to Year 2 Junior Primary Sports Day. It was fantastic to see our youngest House members out there earning points for AJ in their House tops!

I am very proud of all the boys in Alliston Jones House who have given their best across the year and contributed to our House.

Mr Travis Burridge  
Head of Alliston-Jones House

**1** T Ball Team. Back row: Mahir Goyal (Year 5), Callum Foreman (Year 5), James Speirs (Year 5). Front row: Shrihan Kulkarni (Year 4), Ted Fabian (Year 4), Patrick Reeve (Year 4). **2** Year 5 students Fergus Browne and William Harper at Cross Country Carnival. **3** Adi Baghel and Hunter Di Blasio (Year 6) at the Swimming Carnival. **4** Junior School House Singing. Back row: Felix Siow (Year 4), Steven Passaris (Year 4), Joey Burchnall (Year 4). Front row: Sebastian Van Niekerk (Year 3), Harry Martin (Year 3), Aryan Jabery (Year 3). **5** Ben McCorely (Year 6) at Junior School Cross Country. **6** House Swimming. Back row: Hunter Di Blasio (Year 6), Mr Travis Burridge, Adi Baghel (Year 6). Front row: Aarjav Chaudhuri (Year 3), Harry Martin (Year 3), Daniel Le (Year 3), Jordan Tam (Year 3). **7** Year 6 students Callum McLachlan, Yifei Ren, Sarvin Mahadavan, Leonardo Vignera and Charlie Gauvin at the Years 3 to 6 Sport Day. **8** Justin Scarpin (Year 5) at Winter House Games Soccer. **9** Charlie Gauvin (Year 6) and Callum McLachlan (Year 6).

# Brooks House Report

In 2021, as the Head of Brooks House, I was ably assisted by the following staff: Ms Sally Houston, Mr Chris Sanders, Mr Julian Burke, Ms Jamie Schubert, Ms Georgia Pavy, Mrs Sharon Morley and Ms Ari Hanna. Congratulations to Year 6 students Joshua Maung and Krishn Arora who were elected by their peers to be Co-Captains of Brooks House for 2021.

In our first House meeting, we welcomed the new boys and the Year 3 students to the House Program. This was another successful and enjoyable year for Brooks House.

Continuing from a new initiative introduced in 2020, during House meetings boys played against other Houses in different games. These games were not for points but provided an opportunity for them to get to know other students in their House. All boys competed in their vertically grouped mentor teams.

The first official event on the House Program calendar was the Summer House Games. Brooks House won the W H Naughton Cup for House Tennis.

The Swimming Carnival was soon upon us and was a fabulous way to follow on

from the Junior School Swimming lessons. Split into two carnivals, boys competed in Swimming stroke and novelty events. Brooks was named the Champion Swimming House, taking out the Henry Ayers Cup.

During the Winter House Games, Brooks managed to win the Williams Cup for Basketball and the W A N Wells Cup for Hockey. What an extraordinary effort by all involved gaining several second places as well.

Later in Term 2, the Minute to Win it Competition, a favourite with the boys, saw the culmination of challenging tasks undertaken with a minute. All boys practiced these tasks during House meetings leading up to the Finals. This year, more boys were given an opportunity to represent their House in this exciting extravaganza.

The students had an opportunity to display their musical talents in the House Singing Competition based on our influential women in music theme. All boys were amazing in singing 'Lucky Star' by Madonna. We also took out the McFarlane Family Cup for House Debating during the Mind Games Competition.

The array of individual and team success unified Brooks House this year.

Brooks House boys maintained a positive House spirit throughout the year, supporting each other in all aspects of the House Program. The enthusiastic involvement of the boys in Brooks House led to the continued success in 2021. It was great to welcome Year 2 students to partake in House meetings for the first time. Many individual House members experienced personal achievements and it was most gratifying seeing them demonstrate pride in their House and working collaboratively.

Congratulations to all Brooks House boys for their outstanding contributions this year.

Mr John Athanasiou  
Head of Brooks House

**1** Junior School House Singing with Jacob Phipps (Year 6), Sebastian Yates (Year 6), and Peter Kalamboyas (Year 6). **2** Brooks House racing at Junior Primary Sports Day. **3** Junior School Summer House Games. **4** Tom Baker Evans (Year 6) at the Junior School Cross Country. **5** Nicholas Cleanthous (Year 5) at Minute to Win It. **6** Tao Wong (Year 5) at the Junior School Swimming Carnival.

# Clayton-Dyer House Report

2021 was another fantastic year for Clayton Dyer House. Thank you to House Co-Captains Sebastian Harms and Daniel Spyrou for their leadership, kindness and teamwork in leading our House in all activities. Along with all the Year 6 students, they set a wonderful example for the rest of the House to follow.

Our first event of the year was Swimming Carnival where the boys showed enthusiasm, energy and loud vocal support to the competitors. Well done to Daniel Spyrou (Year 6) for being awarded the Gardner Swimming Cup and also the Edward Cherry Cup for the Individual Medley. We also had Summer House Games where we won the A C McDonald Cup for House Cricket.

Term 2 began with Cross Country where the boys tried their best in sunny conditions. It was great to see the character strengths of perseverance and kindness in the boys as they ran, and helped younger students. The next event was the much-loved Minute to Win It. The boys competed in Chopsticks, Cup Stacker, Nut Stacker and Ping Pong Drop. It was great to see much encouragement and cheering during the event. Well done to the teachers who also participated in the Chopsticks. We finished the term with Winter House Games where, again, we were competitive and won the Wallace Sandford Cup for House Football, and the Tom Colovic Cup for House Soccer.

Term 3 had two events, House Singing and Sports Day. Our chosen song was 'Shake It Off' to fit with the powerful and influential women in music theme. We worked well as a whole choir and the boys sang and danced with great enthusiasm. So much so that we won

the Hogarth Foley Cup for House Music. Sports Day was another highlight for many of the boys. They participated in field and novelty events with determination and showed good House spirit when cheering on their House team members during the relays. It was a successful day, as we won the Parkhouse Cup for House Athletics.

Finally, in Term 4 we finished off the year with House Mind Games, which consisted of Chess, Debating and Year 6 Mindlab. The Chess competition was an especially tight contest with our House coming second by a few points.

Congratulations to all Clayton-Dyer boys. We placed second in many of the events. I look forward to next year's House activities.

Mrs Patricia Bartholomaeus  
Head of Clayton Dyer House

**1** Swimming Carnival. **2** Summer House Games Cricket Team. Raghu Byka (Year 6), Henry Estcourt Hughes (Year 5), George Bass (Year 5), Aarav Kochar (Year 6), Louis Bizot (Year 6), Tom Lamphee (Year 6), George Tsamandanis (Year 6), Eamon Boylon (Year 6). **3** Jimmy Huang (Year 5) at the Years 3 to 6 Sports Day. **4** Divith Kodali (Year 6) at Winter House Games Soccer. **5** House Singing. **6** Swimming Carnival. # Stokes-Ware House Report

Stokes-Ware House was led by Co-Captains Jerry Liu and Sam Lake. I thank them for their commitment, enthusiasm and involvement in preparing and supporting the boys in all House activities. Thank you also to all Junior School Staff in Stokes-Ware for their support, organisation and dedication.

The year began with the exciting Swimming Carnival. All boys were encouraged to participate in an event and give it their best. Standout performers were Lucas Chen (Year 4) placing second in the 2012 age group. In the 2010 age group, three Stokes-Ware boys took out placings: James Teo (Year 5) in first place, Henry Lehman (Year 6) in second place and Charles Johnson (Year 5) in third place. Congratulations to all boys.

Summer House Games concluded the term with a variety of sporting events, including Cricket, Modified Cricket, Tennis, T-Ball, Volleyball and Kickball for the Year 3 students. Stokes-Ware House came out strongly in Kickball, Volleyball and Tennis, placing second.

In Term 2, the boys across the Junior School demonstrated zest and bravery, competing in the House Cross Country event. It was a wonderful sea of colour watching the boys run around the beautiful school ovals earning points for their House.

Next up, was the highly anticipated Minute to Win It challenge. The Junior School Hall was buzzing with energy. Chopsticks, Nut Stacker, Gravity Ping Pong Drop and Cup Stacker proved to bring much entertainment. Well done to all Stokes-Ware House boys who actively participated or supported their House with pride.

Winter House Games soon followed. The boys put up a strong level of competition throughout the day, demonstrating teamwork, enthusiasm and leadership on and off the sports field. Well done to Brooks House and Clayton-Dyer House for winning the event.

This year's House Singing Competition theme was influential women in music. Stokes-Ware House sang Katy Perry's inspiring power pop single, 'Roar'. Unfortunately, we did not take out the trophy, but I was incredibly proud of the sensational singing, terrific teamwork, and joy the boys brought to the stage.

Sports Day was a great day for Stokes-Ware House, placing second overall, and the boys were awarded the B.H. Morrison Cup for the Junior Circular Relay (10 year old). Congratulations to the following boys who placed in the top three in the age championships: Thomas Pyke (Year 5) third in the 2010 age group and Fred

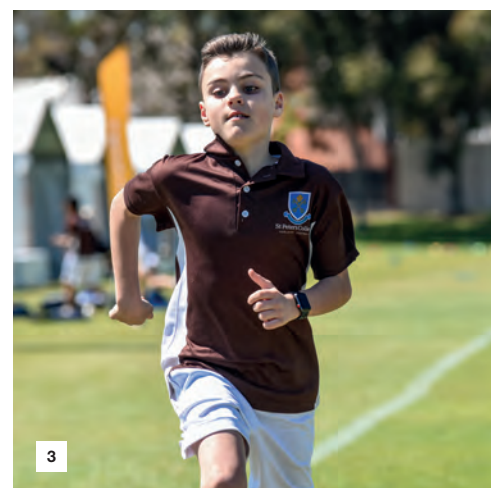

Fairweather (Year 4) second in the 2012 age group.

Debating, Chess and Mind Games saw the House events draw to a close. Problem solving, curiosity and determination was evident. Well done to our Chess boys for taking out the Old Scholar's Trophy for House Chess.

Thank you for a wonderful 2021 of House activities. I look forward to seeing what 2022 brings.

Mrs Bethany James  
Acting Head of Stokes-Ware House

**1** Year 4 students Edward Tonkin, Nicholas Painter and Stefan Dimovic at Summer House Games. **2** Year 3 students Orlando Ng, Alexander Collum and Oliver Tang at Minute to Win It. **3** Henry Willington (Year 5) on Sports Day. **4** House Singing. **5** Year 6 students Darcy Thatcher and George Xenophou at Summer House Games. **6** 2021 House Captains Jerry Liu (Year 6) and Sam Lake (Year 6). **7** House Singing. **8** Cross Country Daniel Teh (Year 4).

# Class Photos

## Class 6E

**Back row:** Mr Hugh Earlam, Hugo Hill, Alex Molga, Tom Burns, Shreyus Arramraj, Oscar Kleinig

**Middle row:** Jerry Liu, Caleb Hai, Kaspar Jongeneel, Daniel Spyrou, Jamie Wong, Daniel Song, Joshua Maung

**Front row:** Ace Hansford, Angus Ireland, You Yi Chen, Chris Hughes, Hudson Kerr, George Snelgrove, Oscar Sawers, Tom Lamphee, Mateen Baba

**Absent:** Markis Kallos

## Class 6M

**Back row:** Louis Bizot, Krishn Arora, Oliver Coleman, Leonardo Vignera, Charlie Gauvin, Fabian Johnson, Jacob Phipps

**Middle row:** Ms Kate Medlin, Ben McCorley, Callum McLachlan, Yifei Ren, Hanaan Hasan, Sebastian Harms, George Tsamandanis, Sarvin Mahadavan, Jason Li

**Front row:** Henry Zappia, Aaron Bala-Leng, Jay Ingole, Darcy Thatcher, George Xenophou, William Atkins, Jordy Brown, Eamon Boylon, Spike Yates

## Class 6S

**Back row:** Ryan Weinert, Leo Iannella, Sam Lake, Cruz Leon, Sasha Neledva

**Middle row:** Mr Christopher Sanders, Aarav Kochar, Charlie Melillo, Daniel Gerace, Henry Lehman, Harry Loan, Alfred Minney, Ned Manifold

**Front row:** Nicholas Hill, Wei Chuan Khoo, Archer Papps-Burford, Anderson Nguyen, Nicholas Miles, Dan Nguyen, Charles Nguyen, Oliver Marafiote, Xavier Bonython

**Absent:** Charlie Kemble, Jakob Sparkes

## Class 6W

**Back row:** Peter Kalamboyas, Brayden Xu, Oliver Kirkness, Lutanda McLeod, Caleb Scott

**Middle row:** Ms Lucinda Wilson, Alex Ascensio, Hunter Di Blasio, Daniel Cao, Sambhav Tegginamat, Adi Baghel, Divith Kodali, Sebastian Yates

**Front row:** Aston Khoo, William Bodycote, Joshua Howes, Peter Yong, Sam Humble, Raghu Byka, Luca Romeo-Cavuoto, Hayden Wu, Jake Barclay

### Class 5B

**Back row:** Ms Clare Brooking, Frederick Sils, Austen Speirs, Raham Khurram, Vasili Angelopoulos, Max Martin, Oscar Brook, Victor Farah

**Middle row:** Nicholas Corbet, Jimmy Huang, Lex Hewitt, William Russo, Tom Baker-Evans, Rafael Dreosti, Flynn Hyde

**Front row:** Shayan Ashraf, James Teo, Charles Paull, Henry Wellington, Ashton Tee, Ranulaka Hattotuwa, Hugh Zhang, Matthew Harris, Abhinav Anand

**Absent:** Rafferty Dean

### Class 5L

**Back row:** Mr Matt Lycett, Augustin Nicholson, Phoenix Von Brackel, George Bass, Eric Yang, Callum Foreman, Archie Dwyer, Sebastian Bagot, Kevin Ma

**Middle row:** Isaac Downes, Josh Nguyen, Elliot Lam, Ted Adams, Aarit Kothari, Nicholas Savvoulidis, Jonathan Angelos, Max Harms

**Front row:** Benjamin Wang, Jenson Lau, Justin Scarpin, Sujay Babu, Nizam Ghuman, Aidon Maios, Alexander Ibrahim, Fergus Browne, Andrew Lucas

### Class 5P

**Back row:** Ms Georga Pavy, Aarav Roy Kookana, Ethan Williamson, Edward Robertson, Aadil Janjua, Mahir Goyal, Phillip Makooh, Ziad Farah

**Middle row:** Daniel Kwan, Vincent Xu, Ewan Woodall, Benjamin Gill, Jack Cornish, Nikhil Dahm, James Speirs, Aarnav Sanghavi

**Front row:** Sebastian Gilbert, Charlie Baker, George Iles, Charles Goldfinch, Anzhi Liao, Sam Giglio, Kelvin Huan, Axel Tansu, Navinder Takhar

**Absent:** Ryan Lim

### Class 5Z

**Back row:** Harry Baker, Vincent Duong, Gus Focareta, Rupert White, Abhay Saini, Charles Johnson, Alex Darcey

**Middle row:** Ms Lisa Zollo, Harry Steele, Joshua Bell, Thomas Pyke, Oscar Kanellos, Alexander Catinari, Henry Estcourt Hughes, Zane Haseldine, Oliver Nehmy

**Front row:** Nathan Ong, Amit Bhat, Matthew Tran, Aarav Bhatnagar, Dimitri Diamantis, Charlie Camp, William Harper, Tao Wong, Harrison McClurg

**Absent:** Nirav Raghavan

# Class Photos

## Class 4B

**Back row:** Mr Julian Burke, Harrison Moukachar, Aryan Sengar, Nazir Rana, Maximilian Martin-Begg, Oliver Larkin, Nicholas Painter

**Middle row:** Mingzhe Lu, Lucas Chen, Spencer Wallace, Alastair Kelly, Will Marshall, Cristiano Cavuoto, Tristan Zhang

**Front row:** Ishaan Parasivam, Wolfe Douglas, Henry Ye, Christian De Angelis, Edward Minney, Jack Lai, Xander Leong, Patrick Reeve, Felix Siow

## Class 4S

**Back row:** Ms Ceri Slinger, Anay Mittal, Stefan Dimovic, Digby Silvestri, Harry Passaris, Zain Shahyan, Ziggy McKenna, Lucas Chen

**Middle row:** Shehroz Ayaz, Huxley Papps-Burford, Krishdev Grewal, Daniel Teh, Hamish Ward, Ted Fabian

**Front row:** Shrihan Kulkarni, Lucas Zhou, Samuel Brett, Bradley Korir, James Hollington, Michael Liu, William Mackay

## Class 4T

**Back row:** Steven Passaris, George Eastaugh, FengFeng Li, William Bouchard, Thomas Wallett, Frank Parsons

**Middle row:** Ms Georgia Gelissen, Thomas Alexander, Easton Papps-Burford, Ollie Burchnall, Hamish Hill, Joey Burchnall, Matthew Hill, Andrew Dahdah

**Front row:** Rupert Rickman, Fred Fairweather, Louis Snow, Oscar Sounes, Liam Chong, Pranesh Nambiar, Hugo Yates, You An Chen, Jude Brooks

## Class 4W

**Back row:** Mr Ashley Weinert, Patrick Zinghini, Tim Xu, James Nisyrios, Federico Lenzi, Edward Tonkin, Angus Hollington, Roscoe Scott

**Middle row:** Jason Penkoff, Nicholas Cleanthous, Ray-Ray Chun, Johnathan Zhang, Alex Smith, Lohit Byka

**Front row:** Liam Nguyen, Austin Scarsella, Harrison Russo, Lucas Cech, Thomas Tsoutouras, Seth Nguyen, Girolamo Vinci

**Absent:** Jeffrey Lan

### Class 3B

**Back row:** Ms Patricia Bartholomaeus, Ryan Li, Sebastian Matthews, Fergus Hicks, Tom Meyer, Charles Pan

**Middle row:** Hughie Manifold, Luke Rocca, Andrew Desyllas, Nicholas Yang, Alexander Collum, Tab Jiang

**Front row:** Aarjav Chaudhuri, Ivan Liu, Archie Handshin, Sebastian Van Niekerk, Poli Guo, Nicholas Huang, Oliver Tang

### Class 3R

**Back row:** Mrs Emily Rogers, Gian Patel, Hugo Matthews, Jack Trussell, Evan Higginson, Vincent Farnsworth, Orlando Ng, Paxton Le

**Middle row:** Zis Ginos, Lachlan Bell, Shrihan Mahinderkar, Ned Iles, David Joseph, Beau Leon

**Front row:** Bryce Boerema, Nivaan Sardana, William Galea, Jordan Tam, Jeremy Paxinos, William Fuidge, Sidhansh Arramraj, Adithya Anand

### Class 3S

**Back row:** Ms Jamie Schubert, Nicola DiMauro, Taha Noman, Hadi Raza, Showvick Datta, Nathaniel Lange, Aryan Jabery, Asher Brittingham

**Middle row:** Harry Martin, Kriday Patel, Arav Joshi, William Dorman, Sebastian Chen, Nicholas Steele

**Front row:** Mason Sands Kwong, Parker Rohrlach, Ronan Daly, Jeremy Hu, Oliver Skeer, Ethan Dang, Ethan Chhoy

### Class 3T

**Back row:** Mr Travis Burrridge, Elijah Lee, Nathan Ooi, Nicholas Young, Carlos Zhu, Alex Pourgiezis

**Middle row:** Ashley Karunaratna, Ned Mount, Muhammad Aarish, Rohan, Haris Kajani

**Front row:** Advik Sinkar, Jeremy Kent, Shaurya Yadav, Harry Duncan, Luke Buttignol, Shikhar Golla, Daniel Le

**Absent:** Oliver Heath, Ryan Nie

## Reception B

**Back row:** Ms Lisa Barnes-Daysh, James Guo, Vihaan Swain, Tennyson Galea, Louis Lieu, Lincoln Wallace

**Middle row:** Luca Wang, Sonny Carter, Kush Jasoria, Ethan Wang, Abraham Tembel

**Front row:** Kabir Jasoria, Patrick Gong, Campbell Boerema, Benno Seppelt, Ryan Le, Austin Knox, Mitchell Reynolds

## Reception C

**Back row:** Mrs Mara Cole, Musa Kaleem Ulah, Sinura Pussellage, Charlie Albanese, Sam Savage, Sahibjot Singh, Zain Wright, Miles Tang

**Front row:** Ranidu Karunarathne, Jackson Millhouse, Shayan Jabery, Spieth Li, Walter Rudkin, Peter Zhang, Oscar Sun

## Reception W

**Back row:** Miss Emily Willsmore, Jack Eckermann, Arhab Newaz, Sotiri Natsias, Antoni Finocchio, Dion Piteo, Zachariah Van Niekerk

**Front row:** Wali Abbas, Timmy Xu, Sean Cheng, Vinumr Agarwal, Viaan Prakash, Isaac Northcott, Oscar Wang

### ELC A

**Back row:** Mr Ben Cooper, Tommy James, Edward Hutchinson, Quentin Liu, Sebastian Lange, Harry Gerovasilis, William Rudkin, Ms Ming-Jieh Cheng

**Middle row:** Toby Miller, Hamilton Ooi, Josiah Yu, Marcus Vozzo, Kevin Zhang, Feroz Ayaz, Taqi Abbas

**Front row:** Shephard Allen, Burhan Haidermota, Oliver Gill, Emmanuel Natsias, Milan Jabery, Zihong (Alex) Qin, Jasper Zhao

### ELC G

**Back row:** Mrs Karen Steward, Zakariya Abbas, Sai Tegginamat, Edward Cao, Leo Wang, Henry Hopkins, Miss Gemma Cross

**Middle row:** Nicholas Tang, Sebastian Athanasiadis, Hugo Bouchard, Orlando Pascale, Louis Chen, Oscar Feng

**Front row:** Aiden Guo, Hunter MacLeod, Zak Qian, Ayaan Bhatnagar, Rafael Santos, Matthew Vu, Austin Moses

### ELC J

**Back row:** Samuel Willumsen, Elliott Ng, Jack Cotter, David Cooper, Isaac Tiong, Ms Olivia Jones

**Middle row:** Hadi Naveed, Henry Zhu, Richard Guo, Leo Watt, Sherjeevan Takhar, Marcus Zarei, Alston Long, Charles Taarnby

**Front row:** Eric Wu, Biren Dedigama, Oliver Willis, Oliver Dang, Ben London, Isaac Sims, Henry Sims

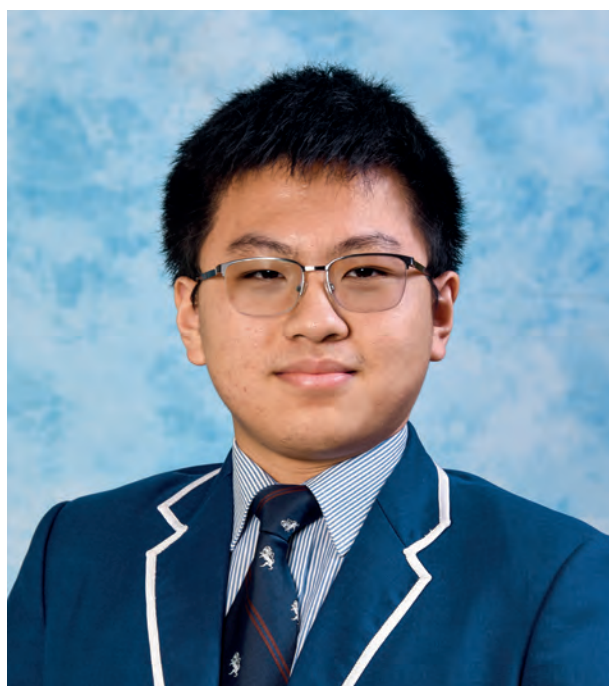

# Awards and Prizes

# Young Exhibition for the Dux of School

## Xian Huang (SHT)

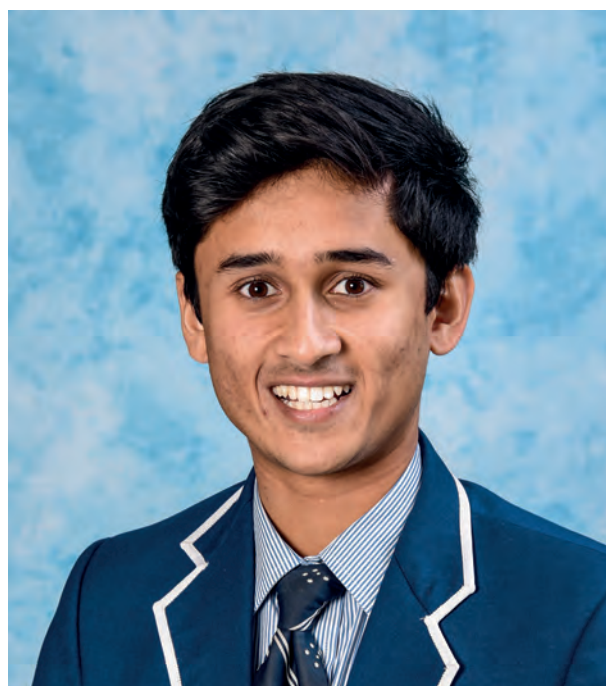

### ATAR 99.95 (IB)

Xian embraced the opportunities provided by St Peter's College demonstrating academic maturity and a determination to strive for excellence in all areas of his schooling.

In 2021 he was awarded several prizes, including the JS Thomson Prize for Chemistry, the LAG Symons Prize for Mathematics, the Old Collegians English B Prize and the Toc H Community Service Award. He served with distinction as Co-Captain of the Chinese Society and Science@Saints, a society he founded to further extracurricular interest in Science.

He also participated in a range of co-curricular activities including House Mooting, Chess, Badminton and Table Tennis.

## Sachin Ravindran (HWD)

### ATAR 99.95 (SACE)

Sachin has been a valuable contributor to all aspects of School and House life at St Peter's College. He has dedicated himself to his studies, achieving outstanding academic results and receiving prizes including the Charles Gillham Memorial Prize for Physics, the RR Stuckey Prize for Mathematics and the Australian Defence Force Future Innovators Award.

A keen musician and sportsman he has represented the School in Cricket (1st XI), Soccer, Table Tennis and Debating.

Engaging readily in House events, functions, and activities, Sachin has served Howard House with distinction.

SACE students Sachin Ravindran and Anthony Pham with Mr Tim Browning. Both achieved the highest possible ATAR of 99.95.

# Robley Prize for the Proxime Accessit

## Anthony Pham (WDK)

### ATAR 99.95 (SACE)

Anthony committed himself to his studies and achieved outstanding results.

In 2021 Anthony was awarded the MR Freney Prize for Chemistry, the Old Collegians Mathematical Methods Prize and achieved a distinction in the Australian Physics Olympiad. Anthony carried out his responsibilities in Woodcock House with distinction.

A loyal and considerate student Anthony was highly respected by his peers and staff.

## William Subramaniam (YNG)

### ATAR 99.95 (IB)

William made a significant contribution to all areas of School and House life since his commencement in the ELC in 2008. He approached his academic studies with great determination and resolve and in 2021 was awarded the Old Collegians Biology Prize and the Old Collegians French Prize.

William fully embraced all aspects of the co-curricular program and was actively involved in Basketball, Tennis, Debating and Drama. Awarded House Colours in 2020, William served as Young House Vice-Captain in 2021 and was also awarded the Ella Roe House Prize.

IB students Will Subramaniam and Xian Huang achieved the highest possible ATAR of 99.95.

# Keys Awards

## Adam Goddard

Adam Goddard is an exceptional athlete who has given outstanding service to the School and State. His accomplishments over the past six Athletics seasons are incredible. As old scholar and Saints Athletics Club stalwart Tony Keynes OAM (SCH 1970) remarked when presenting Adam the Tony Keynes Medal at the 2021 Achilles Cup, "In its 150 years of athletic competition, Adam is the best athlete ever to grace the SPSC fields." This claim is hard to deny when reviewing his resume.

Since commencing at SPSC in 2012 Adam has achieved successes at the highest levels of middle distance running, breaking multiple long-standing state and school records. A recipient of the AK Gordon Trophy for the most Outstanding Performance on Sports Day across six consecutive carnivals reflects Adam's dominance across the 800m, 1500m and 3000m races. At the 2021 carnival, in addition to winning the AK Gordon Trophy, Adam broke three records, was awarded the Taylor Medal as the Open 1500m Champion and tied with Joshua White as the 2021 School Athletic Champion.

On the state and national stage Adam has represented the School and State with

pride. In December 2020 Adam competed in the Open Men 1500m at an Athletics SA event and in doing so broke the Under 18 1500m South Australian record with a 3:46.98 winning performance. The previous record had stood for 40 years. This result saw Adam qualify for the World Junior Under 20 Championship in Nairobi, Kenya.

In February 2021, aged 17, Adam became one of the youngest athletes to win a State Open title with a gold medal in the 1500m event. Adam competed in the 2021 Australian National Athletics Championships in Sydney and won a bronze in the Under 20 Men 1500m event and a silver medal in the Under 20 Men 3000m. Adam's world qualifying time and silver medal in the 3000m event saw him selected in the Athletics Australia World Under 20 Championships representative team.

In recognition of his leadership qualities, Adam was named Co-Captain of the Cross Country Team and was awarded colours for his outstanding service to Young House. Adam's commitment and dedication to his sport of Athletics has been an inspiration to SPSC students and the wider school community and his influence will be felt for years to come.

## Matthew Roberts

Matthew is an outstanding sportsman and has represented the School at the highest level in both Football and Cricket.

In Football, Matthew has played three seasons at the 1st XVIII level. In his role as Captain he has been both inspirational and revered for his hard-work ethic and competitive nature, always leading by example. A hard-working midfielder with an ability to play forward, Matthew is known for his quality football IQ and for having a keen eye for goal.

Matthew's football talent has been recognised beyond the School where he has thrived in all competitions he's played, including SANFL League matches with South Adelaide Football Club and representing South Australia at consecutive Under 16 national Championships. In November, Matthew was chosen by AFL club the Sydney Swans, with Pick 34 of the 2021 NAB AFL draft.

Matthew played three seasons of Cricket at the 1st XI level. As a batsman, he is aggressive and scores freely on both sides of the wicket. He topped the batting aggregate and averages and was awarded the Charlie Hayward Bat for the Best Batsman in the Intercollegiate Match. Vice Captain of the team in 2021, Matthew earned the respect of both his teammates and opposition alike. He was the recipient of the Best and Fairest 1st XI Cricketer in 2021 and the Webb Cricket Trophy for 1st XI Fielding in 2020.

Matthew is to be admired for this determination and hard work, on and off the sporting field. As a Prefect of School & Allen House, Matthew has served as an inspirational leader and he received colours for his outstanding service to the House.

# List of Merit Recipients

## South Australian Certificate of Education

Students must achieve an A+ in a subject to earn a Merit but not all A+ grades are awarded a Merit. Merits are given sparingly and only to the very highest achievers of A+ students, as determined by the SACE Board.

## University Merit

Students are deemed to have received a Merit in a university subject when they receive a grade of either a Distinction or a High Distinction.

### Paul Karytinios (FRR)

Accounting Foundations (University of Adelaide)

### Chirath Lekamge (FLL)

Argument and Critical Thinking (University of Adelaide), Morality, Society and the Individual (University of Adelaide)

### Anthony Pham (WDK)

Argument and Critical Thinking (University of Adelaide), Morality, Society and the Individual (University of Adelaide)

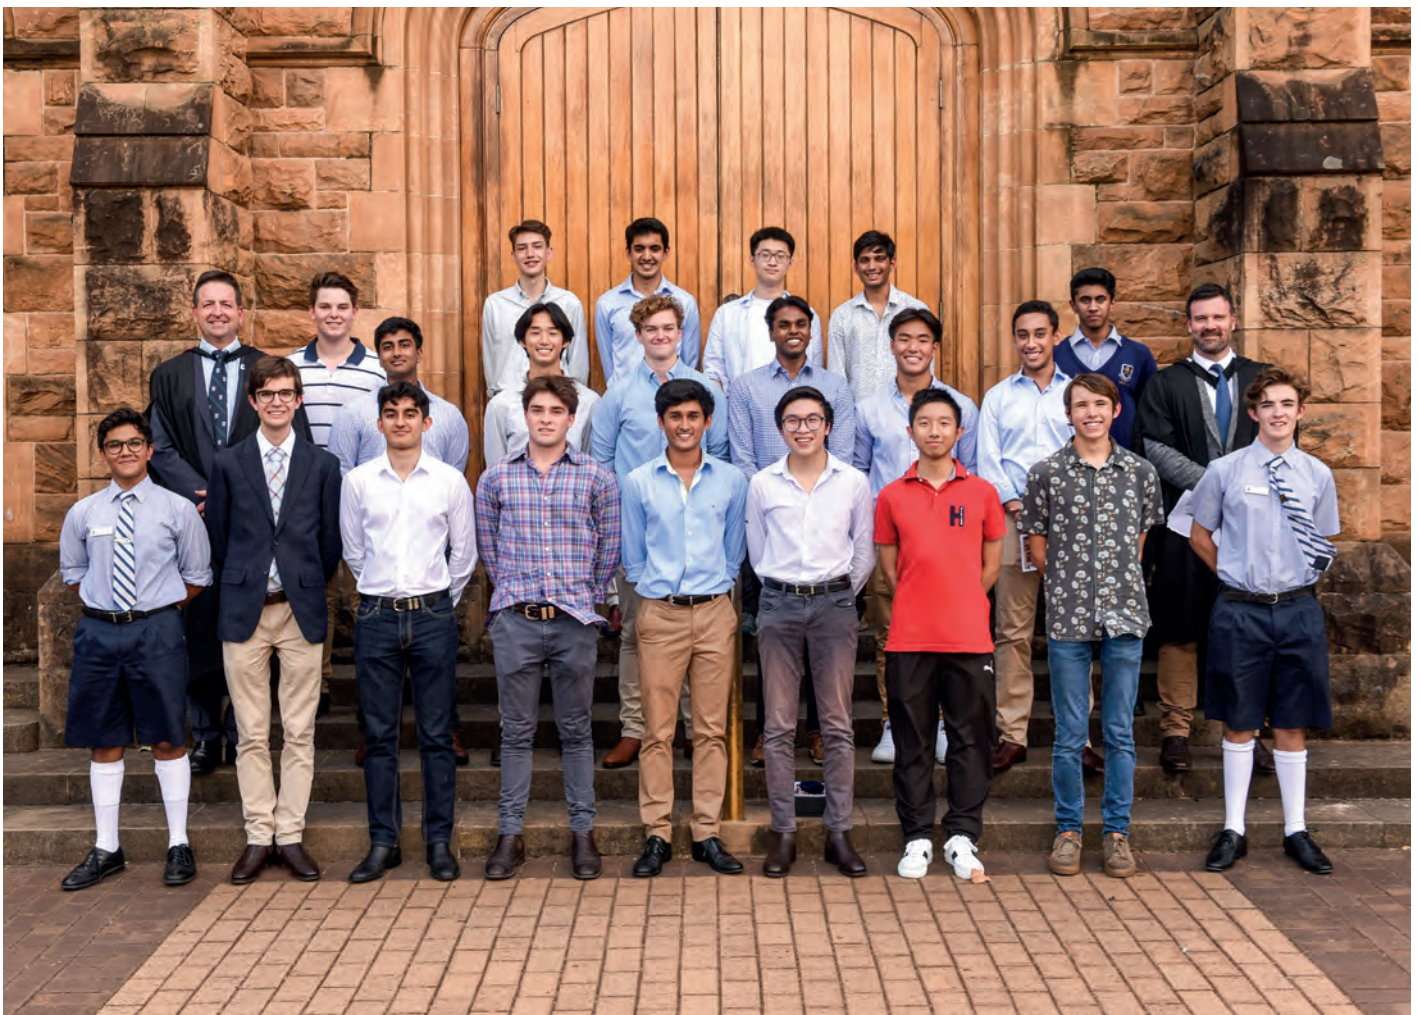

## 2021 Top Achievers

**Back row:** Jack Maitland, Shreyas Khanna, Eric You, Arvind Pati

**Middle row:** Mr Tim Browning, Max Le Mire, Ashwin George, Sean Ooi, Cooper McDonald, Chanidu Fernando, Thomas Byun, Saeed Bajhau, Daniel Jesudason, Mr Nick Carter

**Front row:** Chirath Lekamge, Charles Lewis, Angadbir Sohi, Alistair Sarah, Sachin Ravindran, Anthony Pham, Zihao Wu, James Loftus, Aidan Hughes

**Absent:** Thomas Hosking, Xian Huang, Wesley Johnson, Jules Sheedy, William Subramaniam

# Years 7 to 12 Senior School Prizes

## Year 7

Academic Excellence Prize	Thomas Teh
Academic Excellence Prize	Shaarav Reddy
Chinese Language and Literature Prize	Tianling Guo
Chinese Prize	Adam Lee
Da Costa House Junior Excellence Prize	Vinh Lam
English as an Additional Language	JiaCheng Bi
English Prize	Adam Lee
Farrell House Spirit & Leadership Prize	Adan Khurram
French Prize	Shaarav Reddy
Geography Prize	Lachlan McKenna
German Prize	Jin Hua Liu
History Prize	Thomas Teh
Mathematics Prize	Devansh Singhal
Physical Education Prize	Henry Darcey
Religious and Values Education Prize	Joshua Joshi
Science Prize	Jin Hua Liu
Statewide Schools Table Tennis Championships	Yi Qian Li

## Year 8

Academic Excellence Prize	Ishaan Chaudhuri
Academic Excellence Prize	Lachlan Siow
Academic Progress Prize	Lachlan Estcourt Hughes
Academic Progress Prize	Ansen Li
Arnold Reid Prize for Public Speaking	Alexis Prakash
Bickersteth Prize for Religious and Values Education	Yash Bhattacharjya
Chinese Prize	Lachlan Siow
Cross Country Champion - Junior	Stephen Lacroix-Sneyd
Da Costa House Junior Excellence Prize	Laurence Anderson
Da Costa House Junior Excellence Prize	Ethan Howes
Da Costa House Junior Excellence Prize	Zachary Michaels
English as an Additional Language Prize	Wei Hong Khoo
English Prize	Jack Pillay
Farrell House Spirit & Leadership Prize	Harry Manifold
French Prize	Alexander Piscioneri
Geography Prize	Lachlan Siow
German Prize	Krish Raju
History Prize	Lachlan Siow
Mathematics Prize	Lachlan Siow
McMichael Cup for Tennis Singles Champion	Jonas Hahn

## Year 8

Physical Education Prize	James Corbin
Savarirayan Trophy for Service to Hockey	Ryan Stockhoff
Science Prize	Nemindu Athukorala
Statewide Schools Table Tennis Championships	Peter Zhang
Statewide Schools Table Tennis Championships	Alaric Zhang
Statewide Schools Table Tennis Championships	Yimo Liu
Turnbull Cup for Junior Tennis Champion	Jonas Hahn
Young House Freshman Prize	Charles Tonkin

## Year 9

Academic Excellence Prize	Siyu Cai
Academic Excellence Prize	Alexander Koh
Academic Progress Prize	Yitong Liu
Academic Progress Prize	Alan Lu
Alastair Wood Prize in Mathematics	Siyu Cai
Art Prize	James Stockman
Bickersteth Prize for Religious and Values Education	Arki Galantomos
Chinese Prize	Alexander Koh
Da Costa House Junior Excellence Prize	James Gasparin
Da Costa House Junior Excellence Prize	Wilson Lee
Da Costa House Junior Excellence Prize	Jordan Primaro
English as an Additional Language Prize	Jia Ling
English Prize	Haseef Emad
Farr House Ian Hume Memorial Prize	Bailey Kerr
Farrell House Spirit & Leadership Prize	Jacob Sweet
French Prize	Siyu Cai
Geography Prize	Jack Hawkes
German Prize	Jacob Sweet
History Prize	Arki Galantomos
Digital Technologies Prize	David Taylor
Junior Squash Champion	John Turner
Physical Education Prize	Bailey Kerr
School & Allen House Hill Smith Jubilee Prize	James Stockman
School & Allen House Melville Clayton Prize	Jett Hasting
Science Prize	Siyu Cai
Design & Technology - Integrated Systems Prize	Haseef Emad
Young House Citizenship Prize	Zigurds Jonats

# Years 7 to 12 Senior School Prizes

## Year 10

AB (Sailor) Webb Prize for Material Solutions (Junior)	Charlie Raff
Academic Excellence Prize	Darren Nguyen
Academic Excellence Prize	Gunin Singhal
Academic Progress Prize	Oliver Linke
Academic Progress Prize	Coell Williams
Australian Defence Force Long Tan Leadership and Teamwork Award	Harry Bruce
AJ Woodcock Trophy for Most Valuable Player in the 1st V Basketball Team	Harry Bruce
AK Gordon Trophy for the Outstanding Performance on Sports Day	Jonathan Harris
Australian Defence Force Future Innovators Award	Darren Nguyen
Biology Prize	Darren Nguyen
Bishop Kennion Prize for Religious and Values Education	James Hattingh
Cameron Wilson Scholarship Prize for Physics	Gunin Singhal
Chinese Prize	Kevin He
Cross Country Champion - Senior	Jonathan Harris
Da Costa House Junior Excellence Prize	Thomas Browning
Da Costa House Junior Excellence Prize	Blaise Howes
Da Costa House Junior Excellence Prize	Henry Maerschel
Da Costa House Junior Excellence Prize	Daniel Spiby
Drama Prize	Jude Gale
EB Hughes Prize for Art	Thomas Edwardes
English as an Additional Language Prize	Yi Xu
Farr House Ian Hume Memorial Prize	Bingqi An
Farrell House Spirit & Leadership Prize	Gunin Singhal
French Prize	Yuhui Jian
General Mathematics Prize	Bailey Matters
Geography Prize	Yi Xu
German Prize	Louis Drew
Hawkes House WAN Wells Prize	Richard Thompson
Howard House Service Prize	Richard Thompson
Design and Technology - Integrated Systems Prize	Wyl Godfrey
Digital Technologies Prize	Guanhong Peng
Jose Scholarship Prize	Jonathan Harris
May Scholarship Prize for Chemistry	Darren Nguyen
McDonald Scholarship Prize for English	Gunin Singhal
McDonald Scholarship Prize for Mathematics	Darren Nguyen
Old Scholars Trophy for the Best First Season Player in 1st XVIII Football	Edward Newman
Physical Education Prize	Harry Bruce
RE Cameron Memorial Bursary	Ian Irwin

## Year 10

Rex J Lipman Writing Award	Darren Nguyen
RH Jenkin Scholarship	Darren Nguyen
Short Scholarship Prize	Gunin Singhal
Sir Edwin Smith Prize for History	Gunin Singhal
Van Senden Trophy for Outstanding Service and Ability in Junior Football	Edward Newman
VR White Prize for Service to Soccer	Oscar Page
Wells Cup for the School Swimming Champion	James Hattingh
Woodcock House Charles Gillham Memorial Prize	Harry Bruce
Woodcock House Spirit Prize	Harry Bruce
Music Prize	Guanhong Peng
Young House Old Scholar's Prize	Ted Bond

## Year 11

AEH Evans Memorial Prize for Music	Nicholas Bowes
Allen Scholarship Prize for History	Branson Inns
Art Design Prize	Maximilian Jongebloed
Art Prize	Nicholas Andreyev
Best Player in the Intercollegiate Soccer Game	Henry Filsell
Bowman Scholarship Prize for Biology	Aidan Hua
Bowman Scholarship Prize for Geography	Patrick Rodgers
Bowman Scholarship Prize for Physics	Luca Paull
Business Innovation	Hugo Gibson
Chemistry Prize (IB)	Alexander Grice
Christchurch Scholarship Prize	Alexander Grice
Denton Scholarship Prize for Economics	Rajiv Paravithana
Drama Prize	Rajiv Paravithana
English as an Additional Language Prize	Yu Xuan Tang
Farr House Ian Hume Memorial Prize	Rajiv Paravithana
Farr House Ian Hume Memorial Prize	Lysander Tonkin
FM Suckling Prize for English	Nicholas Koh
GA Polkinghorne Prize for Mathematics	Nicholas Koh
General Mathematics Prize	Louis Tolley
GH Farr Studies in Religion Prize	Zaid Musa
Health Science Prize	Bryan Wang
Howard House RL Ingleton Award for Service	Andrzej Czechowicz
Integrated Learning Prize	Casey Van Heuven
J Farrent Prize for Mathematics	Alexander Grice
JF Roe Cup for the Player of the Year in the First XI Soccer	Wil Carter
JR Januszke Shield for the Defensive Basketball Player of the Year	Dominic Carter

**Year 11**

LAR Evans Scholarship Prize for Accounting	Christos Angelopoulos
Legal Studies Prize	Christos Angelopoulos
MacDermott House GK Henderson Prize	Aidan Hua
Material Solutions Prize	Joshua Bested
Muriel Matters Award	Andrzej Czechowicz
Nigel Craddock Memorial Prize for Service	James Ritossa
Old Collegians Music Prize (IB)	Charles Wells
Sport, Exercise and Health Science Prize (anticipated)	Dante Farinola
Opie Medal for the Best Player in the Intercollegiate Football Match	Cormac Dwyer
Physical Education Prize	Fergus Carruthers
Prankerd Scholarship Prize for German	Alexander Grice
Psychology Prize (IB)	Ethan Leo
Richard Oertel Memorial Prize in Mathematics	Alexander Grice
School & Allen House Brian Tenant Swift Bursary	Harry Raff
School & Allen House Brodie Klein Memorial Prize	George Comley
School & Allen House FA Wyatt Prize	William Wadlow
School & Allen House Jamie Summers Memorial Prize	Alex Lillecrapp
School & Allen House JH Hill Prize	Branson Inns
School & Allen House Phoenix Award	Drew Willie
School & Allen House Trevor Owen-Smyth Scholarship	Oakley Price
Short House Bill Bullock Memorial Prize	Nathan Choi
Service Learning Medal	Daniel Jesudason
Sinclair Trust Prize for Entrepreneurship and Initiative	Nathan Choi
Sir Edwin Smith Prize for History	Tan Vo
Spanish ab initio Prize (IB)	Charles Wells
The George Foote Year 11 Prize for Information Technology	Ruscoe Robertson
TJS O'Halloran Scholarship	Nicholas Koh
Volleyball Most Outstanding Senior Player Cup	Finn Stentiford
Wainwright Scholarship Prize for Chemistry	Daniel Jesudason
Wells Munro Medal for the Most Outstanding Player in the Intercollegiate Hockey Match	Finn Williams
Westminster Scholarship Prize for English	Charles Wells
WH Irwin Memorial Prize for Public Speaking	Rajiv Paranavithana
Wyatt Scholarship Prize for Mathematics	Lai-Yin Lam
Young House Basedow Prize	Patrick Rodgers
Young House Kookaburra Spirit Award	Tan Vo

**Year 12**

A Grenfell Price Prize for Geography Studies	Joshua Watson
AB (Sailor) Webb Prize for Material Solutions (Senior)	Archie Jackson
Australian Defence Force Long Tan Leadership and Teamwork Award	Henry Hawker
AJ Woodcock Trophy for Most Valuable Player in the 1st V Basketball Team	Thomas Mestrov
AK Gordon Trophy for the Outstanding Performance on Sports Day	Adam Goddard
Andrew Wells Legal Studies Prize	Alexander Rouss
Australian Defence Force Future Innovators Award	Sachin Ravindran
Best and Fairest 1st XI Cricket	Matthew Roberts
Blackmore Club Prize for Service to the Boat Club	Nicholas Burr
Bronza Bragg Medal	Anthony Pham
Bruce Coulter Medal for Outstanding Leadership	Sam Jackson
Bruce Richards Memorial Prize for Service	Jeremy Beale
Charles Gillham Memorial Prize for Physics (IB)	Tsz Ngong You
Charles Gillham Memorial Prize for Physics (SACE)	Sachin Ravindran
Charlie Hayward Bat for the Best Batsman in the Intercollegiate Match	Matthew Roberts
Chess Champion - Senior	Chathula Kiripitige
Chris McGovern Memorial Prize for History	Jonathan Davies
Chris Taylor Medal for Open 1500m Champion	Adam Goddard
College Prize for Chemistry	Thomas Hosking
Cricket Award	Harrison Cooney
Da Costa House Ben Wilson Prize	Alistair Sarah
Da Costa House DJS Thomas Prize	Samuel Golding
Da Costa House Jack Klemich All-Rounder Award	Joshua Wilson
DE Genders Prize for English (IB)	Charles Lewis
Detlef Kirsten Memorial IB Prize for Academic Excellence	Tsz Ngong You
DJ Lee Prize for Accounting Studies	Cooper McDonald
DM Fowler Cup for Outstanding Service and Ability in 1st XVIII Football	Bradley Jefferies
Dr James Robert William Rehn Music Medal	Eton Williams
Phil Grummet Drama Performance Prize	Alexander Karytinis
EB Hughes Prize for Art	Archie Jackson
Eustace A Genders Senior Debating Prize	Chirath Lekamge
Fairs Cup for Most Valuable Player in 1st XV Rugby	Tobey Ledger

# Years 7 to 12 Senior School Prizes

## Year 12

Farrell House G M & D H Steele Memorial Prize	Thomas Oldfield
FJ & HV Thwaites Prize for Music	Jules Sheedy
Old Collegians General Mathematics Prize	Nivranshu Irkulla
George Melrose Prize for Drama Studies	Wilbur Glaetzer
GH Farr Service and Loyalty Prize	Alexander Rouss
Hawkes House MW Bednall Prize - Senior	Arthur Drayton
Hawkes House MW Bednall Prize - Senior	Thomas Mestrov
HH Marten Prize for History (IB)	Charles Lewis
HL Cotton Prize for Economics	Alexander Rouss
Howard House Prize	Edward Gauvin
Howard House Spirit Prize	Harrison Mintz
Old Collegians Digital Technologies Prize	Austin Hushen
J Carlile McDonnell Prize for English Studies	William Nitschke
Jack Klemich Medal	Samuel Warrick
JAT Mortlock Prize for English	Aidan Hughes
John Shierlaw Memorial Trophy for the Best Bowling Performance in Intercollegiate Cricket Match	Luke Turner
JS Thomson Prize for Chemistry (IB)	Xian Huang
Kalogeras Trophy Award to Most Valuable Player in 1st Water Polo Team	Frederick Potter
LAG Symons Prize for Mathematics (IB)	Xian Huang
Leonard & Douglas Grummett Prize for Service	Yash Patil
M & M Lebbon Prize for Business and Enterprise	Alistair Sarah
Mackenzie Cup for True Rugby Spirit	Luke Sikalu
Maegraith Cricket Trophy for the Best Bowling Performance of the Year	Luke Turner
Mooting Prize	Alexander Rouss
MR Freney Prize for Chemistry	Anthony Pham
Old Collegians Ancient Studies Prize	Orson Stawiarski
Old Collegians Art Design Prize	Nicholas Burr
Old Collegians Biology Prize (IB)	William Subramaniam
Old Collegians Business Management Prize (IB)	Noah Pitkin
Old Collegians Chinese B Prize (IB)	Zihao Wu
Old Collegians Classical Studies Prize	Orson Stawiarski
Old Collegians Economics Prize (IB)	Tsz Ngong You
Old Collegians English as an Additional Language (SACE)	Wei Hang Khoo
Old Collegians English B (IB) Prize	Xian Huang
Old Collegians French Prize (IB)	William Subramaniam
Old Collegians German Prize (IB)	Tsz Ngong You
Old Collegians Health and Wellbeing Prize	Thomas Albertini

## Year 12

Old Collegians Legal Studies Prize	Alec Padfield
Old Collegians Mathematical Methods Prize	Anthony Pham
Old Collegians Physical Education Prize	Stefan Kudra
Old Collegians Spanish ab initio (IB) Prize	Charles Lewis
PG Osborne Prize for the Performing Arts	Lianos Karapetis
Pradhan Trophy for Outstanding Service and Ability in the 1st XI Hockey	Alistair Jones
RJ Stanley Memorial Prize for Chemistry	Thomas Hosking
Rob Phillips Medal for the Most Valuable Player in the Intercollegiate Basketball Match	Riley Brunsgard
Robert Johnston Medal for the Best Team Man in 1st XVIII Football	William Shepherd
RR Stuckey Prize for Mathematics (IB)	Zihao Wu
RR Stuckey Prize for Mathematics (SACE)	Sachin Ravindran
Rugby Cup for Best Support Player in the 1st XV	Thomas Hosking
Runner up to the Best and Fairest for 1st XVIII Football	Morgan Ferres
School & Allen House Adam Millar Dixon Memorial Award	Henry Hawker
School & Allen House Leadership Prize	Oliver Beadman
Senior Badminton Champion	Wesley Johnson
Senior Squash Champion	Chathula Kiripitige
Short House RE Cameron Prize	James Loftus
Short House RE Cameron Prize	Jules Sheedy
SS and PE Richardson Water Polo Trophy for Outstanding Service and Ability	Edward Gauvin
Toc H Community Service Award	Xian Huang
Webb Cricket Trophy for Fielding	Alexander Robertson
Wells Cup for the School Swimming Champion	Matthew Pearce
WH Irwin Memorial Prize for History	Jonathan Davies
WH Selway Prize for Biology	Sebastian Lockie
Woodcock House Bungey Prize	Jack Gooden
Woodcock House Bungey Prize	Yash Patil
Woodcock House Charles Gillham Memorial Prize	Jack Gooden
Woodcock House Charles Gillham Memorial Prize	Yash Patil
Young House Ella Roe Prize	Shreyas Khanna
Young House Ella Roe Prize	William Subramaniam

# Creative Arts

# Senior School Art

Visual Arts at St Peter's College has a long history of diversity and creativity. Students have the opportunity to create artworks in a variety of studio areas, such as drawing, painting, sculpture, printmaking, photography, ceramics and graphic design. All of these activities take place in our purpose-built Art Centre; a wonderful facility full of natural light and incredibly well resourced with traditional artmaking materials and equipment, as well as high end Wacom drawing tablets and software.

The Art Faculty consistently reaches out to the community and invites artists to work with our students. Internationally recognised ceramic artist, Jeff Mincham, has held Raku workshops, Marra Dreaming Indigenous artists have worked with our junior students, and during Term 4 we welcomed indigenous artist, Sasha Hill, to work with our Year 7 students.

The students spent time with Sasha, learning about song lines and visual storytelling. Using a printout of a place of importance to each student, the boys created their own story, taking inspiration from the aerial mapping technique often used in Aboriginal art. Sasha also discussed cultural appropriation, or the 'stealing' of signs and symbols sacred to Aboriginal people. In response, students

created their own visual narrative using linework, pattern and colour which holds personal meaning to them. Their artworks were joined together to form a large mural and shown in the end-of year Art Exhibition.

Each year we invite an artist to work with our students as part of our Artist in Residence Program. This year, our boys were fortunate to work with Zinia King. Zinia is an accomplished illustrator of children's books and her whimsical approach to drawing imaginative characters captured the imagination of our students. Over the program's three-week duration, students in Years 9 and 10 were inspired to create their own drawings in her style. Their quirky and colourful drawings featured in the Art Exhibition, alongside the Artist in Residence group work, which was an illustration of all the animals associated with the Senior School's House shields.

## Art Exhibition

This year's Art Exhibition was very well attended by families and friends as they gathered to enjoy the creations of our Years 7 to 12 Art and Design students. Given we were unable to showcase the work of our boys last year due to COVID-19, there was certainly a sense of excitement and energy during the evening.

I would like to congratulate all the boys who exhibited their work as they once again demonstrated their enthusiasm by employing a wide range of materials and techniques to create a diverse display of artworks and designs.

The evening also gave us the opportunity to celebrate the work of last year's Artist in Residence, Tom Borgas. The group sculpture, produced by the students under Tom's guidance, hung high above the exhibition in its permanent position. Congratulations to Tom and all the boys involved in last year's project.

An exhibition of this magnitude could not be organised without the hard work of our talented Art teachers. Their dedication and support for their students was clearly evident by the quality of work presented during the evening.

Mr Scott Russell  
Head of the Arts

**1** Zinia King Artist in Residence work. **2** The Year 11 painted shipping container. **3-4** Years 7 to 12 Art Exhibition. **5** Year 7 artwork produced with visiting Yamatji/ Noongar artist Sasha Hill. **6** Artist in Residence Zinia King with Year 11 students Oscar Chen, Alexander Duerr, Lincoln Woodley. **7** Will Howard (Year 11) throwing clay.

# Junior School Art

The Junior School Art Program had an incredible year of creativity and learning. Reception and Year 1 students explored several different artists including Monet, Matisse and Kandinsky.

They experimented with line and colour, textures and shapes, sculpture and mixed media, and clay. All our younger boys immersed themselves in the wonder of art and the many different materials to be used.

Our Year 2 classes explored artists Paul Klee, Brett Whiteley and Alexander Calder, to name a few. Unlimited creativity, construction and problem solving incorporated the use of paper, paint, clay, wool, wire, wood and fabric.

Students in Year 3 embarked on colour design, working with paper, paint, and fabrics. Mixed media sculptures came to life with papier-mâché, and wool and clay formed functional forms with glazes creating vibrant colours.

Year 4 students explored artist William Morris and enhanced their printmaking skills and techniques. Patterns, pumpkins and infinity nets formed inspirational clay sculptures influenced by artist Yayoi Kusama. Human forms were created with wire and metal to reflect Giacometti's sculptures; and clay sculptures, influenced by Picasso, delighted the boy's creativity.

Year 5 students have created hand-built, functional pots with clay coils and glazes; thrown clay on the pottery wheel to create bowls and they immersed themselves in traditional techniques of weaving. Students designed artworks on fabrics, created paintings and drawings, printed, explored wood and mixed media, and were challenged with glass and mosaic that produced beautiful artworks.

In Year 6, students created coil-built clay jars with carved designs, and they explored symmetry and design processes to create rotated printmaking designs. The pottery wheel was a highlight of the year, where boys threw on the wheels. Margaret Preston inspired our lino carving designs and Gustav Klimt inspired artworks with metals.

In Term 3 we celebrated our 2021 Junior School Art Exhibition, 'Picasso, Colour, Curiosity and Cubism'. Our exhibition followed parts of Picasso's life, and the journey of his artworks evolving

through time was a celebration of our creativity, our learning and the influence Picasso's artwork has had on us. The Junior School students in Reception through to Year 6 explored different materials and techniques that Picasso experimented with. Reception students followed Picasso's simplicity of collage, incorporating colour, line and shape to create portraits, and our Year 1 students studied Picasso's 'Seated Woman', emphasising colour, line, and linear overlays. Year 2 students followed Picasso's interest in clay and drawing onto clay, featuring colour, line, shape, and simplicity. Year 3 students studied Picasso's 'Weeping Woman', assembling and arranging facial features to the point of abstraction. Colour and shape enhanced the freedom of creativity as Year 3 students transferred their learning onto clay, creating vessels filled with colour and shape. Year 4 studied Picasso's love of birds with drawing studies incorporating line. Shape, symmetry and assemblage of clay formed beautiful bird sculptures. Year 5 explored Picasso's interest in collage and the assembling and arrangement of multiple materials, found objects, multiple shapes and neutral colours. Students explored collaged artworks with paper and were able to transfer their learning into three-dimensional artworks with wood, card and string. Year 6 students explored Picasso's expression of functional forms with clay; exploring shape and line to represent portraiture.

Our exhibition represented the creativity and diversity of learning our boys achieved. Picasso's inspiring creativity has had a profound impact on the visual arts and the diversity of his work has allowed our students to be immersed in his artistic world.

Thank you to Aarav Kocher our 2021 Art Captain, Miss Angeline Kepler our Reception and Year 1 Art Teacher, and Miss Jenny Counihan our Specialist Art Assistant.

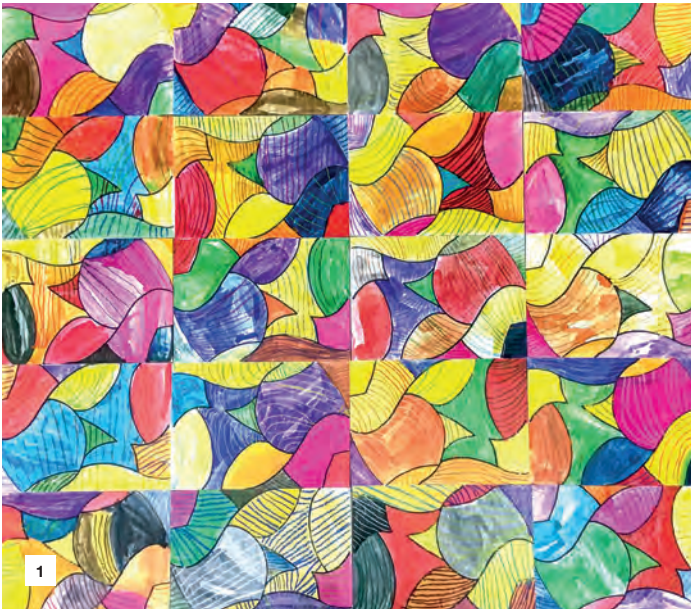

Miss Sally Houston  
Junior School Art Teacher

# Co-curricular Drama Production

## Grease

At the end of 2020, staff from St Peter's College and Walford Anglican School for Girls met to begin the process of staging our traditionally tri-annual musical production (the last of which was four years prior due to COVID-19). After many hours of discussion, the decision was made to perform the infamous hit musical 'Grease'. Despite the contemporarily controversial content of the story, we couldn't go past the fact that the story and its songs were so well known that we suspected many members of our community would be eager to be involved.

And we were right; 45 students from across both schools were cast in the show, with auditions presenting us with many high calibre performers who were clearly 'born to hand jive'. In the months that followed, the students and production team spent many challenging, but entertaining, hours on weekends, weeknights and even weekdays preparing for the impending performances; all 'hopelessly devoted' to putting on a fantastic show.

'Grease' finally made it to the Memorial Hall stage during the first week of June and the overall outcome was outstanding. A testament to this was the staggering 1600 tickets that were booked in total, the numbers growing by the night as positive word of mouth spread. This was because the students – or rather, the stars - hopped into the literal and metaphorical 'Greased Lightning' and kicked their performances into overdrive on opening night, not taking their foot off the pedal until the final curtain call. The tenacity and talents of our leads constantly filled me and all who knew them with pride: Oliver Hamilton (Year 9) as the smooth Danny Zuko, Noah Browning (Year 11) as the cool Kenickie, Will Fitzgerald (Year 11) as the adorably dorky Roger, Joey Fitzgerald (Year 8) as the sweet songbird Doody, Will Lawrence (Year 10) as the cheeky Sonny, Daniel Spiby (Year 10) as Randy, Griffin Bierlein (Year 11) as the endearingly nerdy Eugene, Tom Parkinson (Year 9) as the slick Vince Fontaine, and Henry Sawers (Year 10) as the heavenly Teen Angel. The ensemble's energy and efforts were excellent, enhancing the big musical numbers with volume, visually and audibly. The crew's strength and attention to detail, and the band's practically professional sound is what truly brought it all together – without them, the show wouldn't have been the 'systematic, ultramatic, hydromatic' machine it was.

As a result of the fervour, focus, and fun of all involved, the cast, crew, and band received a flood of flattering feedback from our audiences, from both in and outside of our school communities. But this wasn't the best thing the Grease gang received from this experience; as with most musical productions, the best thing to come out of it was the long-lasting friendships and memories made, with students and staff, even now regularly keeping in touch and catching up, and fondly reminiscing the experience – as the song goes, 'we'll always be together.'

To all students and staff involved in this production, whether you were onstage, backstage or in front of the stage: my gratitude to you for your support and effort, whether it be big or small, simply cannot be expressed in words. You are the reason Grease had groove, had meaning, and had massive success, and for that I will be forever thankful that this was my first and final musical at St Peter's College.

Miss Georgia Brass  
Director

# Senior Drama Production

## She Returns

In 1990, the year of Friedrich Dürrenmatt's death, the Swiss playwright wrote a letter referring to Switzerland as a 'prison'. The country's supposed neutrality during World War Two was a topic that preoccupied him throughout his career. The Swiss feel free in the prison of their neutrality. There is only one problem. Seen from outside, a prison is a prison.

When 'She Returns', our adaptation of *Der Besuch der alten Dame*, was written in 1956, the war that tore apart Europe was still a fresh and painful memory. Dürrenmatt used his tragicomedy to tell of the temptations of material gain, moral compromise, and revenge. These temptations entrap individuals, and it is their struggles within prisons they build themselves, that take audiences on a journey that commences with laughter and concludes with tragedy.

'She Returns' is a parable concerning a poverty-stricken European town, Gullen (a name evoking 'liquid manure' in German), and how its destiny is tied to the fate of one man. Alfred Schill, a shop keeper, is forced to come to terms with his past actions and face their consequences. The power of money, to both rescue and corrupt, is made visible when Claire Zachanassian returns to her birthplace.

Wilbur Glaetzer's Claire was both a victim with the heroic determination of Medea, who seeks to control her own destiny and attain the satisfaction of retribution, and a ruthless vamp who preys on men. In full command of the stage, Wilbur demonstrated his ability as an impressive performer. He was able to capture the satisfaction of a woman who was once a commodity and who is now as dangerous as her escaped pet panther. Alex Karytinov successfully portrayed the complexity of Alfred Schill. The popular shop keeper slowly transformed before our eyes as he faced sins of the past, became aware of the town's betrayal and the power of materialism, and confronted the inevitability of his execution. Alex's many skills as a performer were tested by the demanding role, and the result moved audiences.

Josh Wilson (Mayor), Hugh Phillips (Priest), Lianos Karapetis (Teacher), Henry Chipperfield (Painter), David D'Ottavi (Doctor) and Rajiv Paravithana (Policeman) represented the inhabitants of Gullen. Each struggled with the temptations of capitalism, as embodied by the gifts of Claire Zachanassian. Whilst some found the abandoning of Alfred Schill a necessary and rewarding action, others struggled, before finally relenting and accepting the fact that the death of one man was required. Each actor should be commended for his masterful presentation of motives and justifications.

Claire's retinue, Callum Hill-Smith (Boby, the butler), Noah Browning and Jack Blackburn (the eunuchs, Koby and Loby), and Karim Hennes and Ben Hewson (her carriers, Toby and Roby) successfully added to the surreal nature of Dürrenmatt's comedy and its darker hues. Betrayal followed betrayal until the audience faced the inevitable consequence of tragedy and began to recognise the heroic qualities of Alfred Schill.

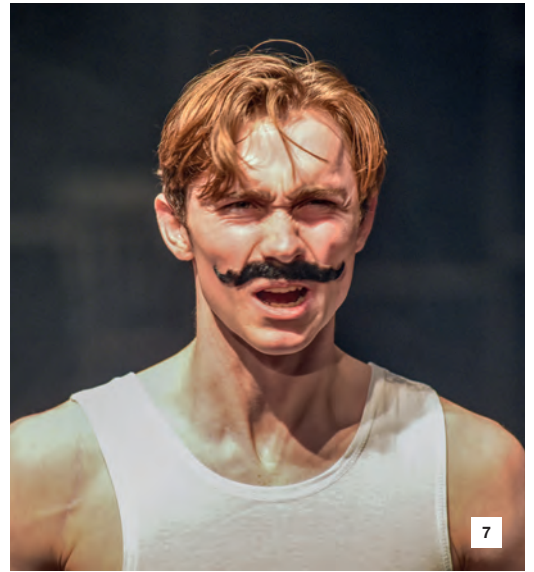

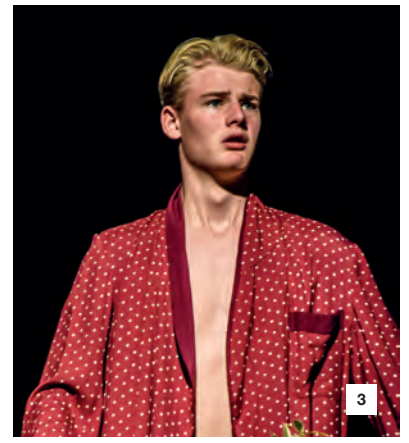

'She Returns' remains a modern classic of the stage and 2021's senior students demonstrated why it is a story that still speaks to us today. The moral questions it provokes have no easy answers. The playwright reminds us that justice does not always guarantee happiness or a story that concludes with the words, "and they lived happily ever after."

**Mr Paul Fabbro**  
Director of Performance

# Year 11 Drama

I think comedy is a very misunderstood art. In our busy lives, riddled with chaos and conflict, it is easy to dismiss the comic as a buffoon; a fool. The desire to make people laugh can feel frivolous and futile in times of despair and hopelessness, like in a COVID-19 world. But as we have seen, the often understated importance of comedy grows, in fact, most prevalent in these times – it is when we are at our lowest that laughter can bring us closest together. And through boldness and absurdity - telling jokes that appeal to the aspects of the human experience that we are too scared to talk about in our day-to-day lives - where we are able to validate our deepest, darkest fears and laugh them off. Comedy has the power to make a scary, dark and frightening world a little less cold.

The St Peter's College Year 11 Drama class worked from these principles to bring to life three absurd plays by Australian comedian and satirist Shaun Micallef, taken from his book 'The Uncollected Plays of Shaun Micallef.' Micallef's comedy reeks of a wit and purveying sense of nonchalance that is infectious to the engaged viewer. In Micallef's world, nothing should be feared, and everything should be laughed at. His plays that we performed, 'Exodium', 'The Entertainers' and 'Faust and the Furious' shamelessly poked fun at Old Testament tales, celebrity chaos and selling one's soul to the devil, which left audiences craving more.

I was fortunate to work alongside an ensemble of immensely talented actors. As always, Noah Browning (Year 11) and Will Fitzgerald (Year 11) were a privilege to work alongside. They performed with a passion and enthusiasm that was a joy to watch, and they displayed the dramatic range of seasoned professionals. Will's portrayal of an Aussie-accented Elvis Presley and boozed-out Frank Sinatra was inspired and gut-wrenchingly funny. He put his unique spin on iconic figures that are known and loved, and delivered a performance that was truly memorable. Noah's performances were quirky and defined, and he delivered a dramatic versatility that showcased his immense skill as a performer, notably culminating in his performance as Faust, the geeky South Australian chiropractor who is tempted by the devil to sell his soul. We were lucky enough to have two newcomers, Ned Carney (Year 11) and Eric Tang (Year 11), who shared our passion for the theatre

and performed with grace and maturity, delivering performances that became audience favourites.

Thanks must be given to our set designer, Miss Zoe Kirkwood, as well as the tech crew for their support throughout. It was nothing short of a privilege to be a part of this production and our director, Miss Hayley Patton, must be thanked for her unrelenting dedication to make us the best performers we could be.

Rajiv Paranavithana

# Senior School Music

After 2020 diminished opportunities for music performance, 2021 saw a return of most of our annual concerts to the calendar and our students were able to engage in a full range of opportunities in Jazz, Classical, and Contemporary performances throughout the year. The first performance for 2021 was our fun and festive outdoor Alfresco Concert, which had been the first concert cancelled in the wake of COVID-19 in March 2020. For many students, this was the first opportunity they had to perform since the end of 2019. We saw several new appearances in this concert with the establishing Drumline beating us into the evening, and the Senior Concert Band performing their debut march.

With Generations in Jazz postponed for another year, we saw the introduction of the SA Schools Jazz Festival. The St Peter's College Big Band competed in Division 1, taking out a gold award and third place in the South Australian event.

Victoria also held a similar competition, partnering Division 1 bands in South Australia to include awards for the All-State Jazz 'Superband', which highlighted significant performances of individual musicians within their performances at the competitions. The following students received these awards:

- Eton Williams (Year 12) was awarded Outstanding Soloist and Lead Alto Saxophone in the Superband.
- Aiden Donnevert (Year 12) was awarded a place in the trumpet section in the Superband.

In addition, the new Vocal Jazz Festival was introduced for jazz choirs to perform and compete. The following students achieved awards:

- Charlie Wells (Year 11) Best Soloist (scat/improv)
- Tom Oldfield (Year 12) Best Soloist (written)

One other notable achievement from the SA School Jazz Festival was the St Peter's College Jazz Band taking out a gold award and third place in Division 4.

We saw the return of our Concert Bands in the 'Concert Band Showcase' in Memorial Hall. This concert introduced the first performances from our Year 7 Apprentice Innovations curriculum. Students involved in this curriculum learn a new band instrument and rehearse in a concert band for their learning in Year 7 Music classes. The Year 7 students of 2021 reflected on this as one of their major highlights for their music learning, with some of them never having performed on a stage at all, let alone in front of an audience of more than 500 people.

The String and Orchestra Concert, put together by Ms Sharon Campbell, provided a beautiful afternoon of musical performance from our Junior and Senior String ensembles and orchestral groups.

1

2

3

4

A highlight of this concert was Grieg's Piano Concerto in A Minor, performed by Alexander Rouss (Year 12) with the School's Orchestra. Alexander is commended on his efforts in learning and preparing this concerto to the highest level, while also taking on duties as House Captain of Farr and Music Vice-Captain in addition to Year 12 academic subjects.

Due to the snap lockdown at the beginning of Term 3, our highly anticipated Music Festival was postponed until Term 4. The Music Festival, which in the past has included all our Senior Ensembles and some Junior Ensembles in a showcase-style evening, took on a new, unprecedented, and pioneering format. Rather than have each group play individually, why not have EVERYONE playing altogether at the same time? The 'Let Me Entertain You Music Festival' formed an almost 200-piece festival orchestra and choir assembled from

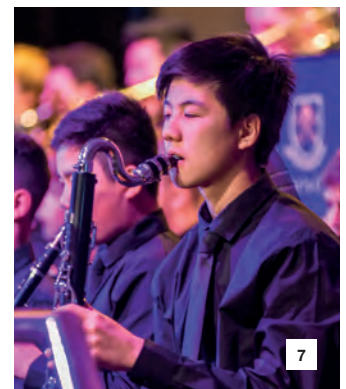

a large range of our Senior School ensembles. With arrangements of pop, rock, disco and modern music arranged specifically to our festival orchestra and choir, the boys put on a one-hour show that will have a profound impact on their music education and time here at St Peter's College. A huge thanks to all our arrangers, Mr Maksym Grynchuk, Mr Julian Ferraretto, Mr Matt Amy and Mr Nick Mulder, who created unique and professional arrangements for our students that wowed the audience in what was an extravagant evening of entertainment.

These are just some of the outstanding performances and achievements of the students for 2021. There were many other exciting moments throughout the year, including the choirs singing for the first time in Da Costa Dining Hall in the Voices of St Peter's concert. The setting and acoustics of the hall provided a new and fresh environment for the choirs, directed

by Mr Andrew Chatterton. Our Junior and Senior Chamber ensembles, led by Ms Irina Lioubimova, won first and third place respectively at the Adelaide Eisteddfod in the Junior String Ensemble and Senior String Ensemble competitions. We look forward to the many more performances and achievements of the students of St Peter's College in 2022.

Mr Brad Turner  
Acting Director of Music

- 1** Senior Concert Band at the Alfresco Concert.
- 2** Eton Williams (Year 12).
- 3** Hugo Browne (Year 7) at Concert Bands Showcase.
- 4** Tom Oldfield (Year 12), Alexander Rouss (Year 12), Ethan Lim (Year 11) and Charlie Wells (Year 11).
- 5** Alexander Rouss (Year 12) performing at the String and Orchestra Concert.
- 6** Will Fitzgerald (Year 11) performing at the Let Me Entertain You concert.
- 7** Bingqi An (Year 11) performing at the Let Me Entertain You concert.
- 8** String and Orchestra Concert.
- 9** Nick Bowes (Year 11), Will McConnel (Year 11) and Timothy Suyapto (Year 9) at the Let Me Entertain You concert.

# Junior School Music

Junior School Music has continued to gain momentum. More ensembles have been created to meet the increasing demands for participation and performance opportunities.

The Years 5 and 6 Annual Concert was staged at the close of Term 2. The theme this year, 'R U Ready', was a celebration of all music linked to the letter R. All students in Years 5 and 6 combined to perform the anathematic opener, 'Radio GaGa'. The Year 5 classes then showcased their class curriculum learning as 5P and 5Z performed 'Rollin in the Deep' followed by 5L and 5B performing 'Rasputin'. The Junior School Choir gave an uplifting rendition of 'Singing in the Rain' and 'I Can See Clearly Now'. There wasn't a dry eye in the house as the Chamber Choir sang 'A Little More Homework'. This was a truly memorable moment for the audience. Each Year 6 class presented their dance items which were followed up with the Percussion Ensemble performing a haunting rendition of 'Hava Nagila'. Every student in Year 5 then took to the stage to sing 'Video Killed the Radio Star' and 'I'll Be there for You'. The Swing Band, Junior School Concert Band and Junior School Strings built the momentum towards the concert finale, 'Dancing on the Ceiling'.

Ms Katie Carey skilfully and methodically devised, rehearsed and directed the Years 1 and 2 Concert, Songs From Sesame Street. As part of their class Music learning, the students enjoyed recognising and discussing the personalities portrayed in many of the Sesame Street characters. The joy from the students as they played xylophones, danced, and sang the songs was immeasurable. It was a true blessing to see Ms Carey directing the concert after a remarkable recovery in the preceding weeks.

The Year 3 Concert was the display of both classroom Music curriculum and the Year 3 String Immersion Program for which all students received their instruments in February. Under the careful and encouraging watch of Ms Campbell, the boys played with excellent ensemble sense, intonation and dynamics. Class xylophone items included a jazz version of 'Ode to Joy', 'Pirates of the Caribbean', 'A Sky Full of Stars' and 'Ob-La-Di, Ob-Li-Da'. The Preparatory Choir were the special guests singing 'The Cat Came Back'. Mr BurrIDGE was our special guest on the clash cymbals as all students combined to perform 'Ode to Joy' as the final item.

In Year 4, all boys were involved in the Year 4 Band Immersion Program. The buzz amongst this cohort gained incredible

momentum from the very first week. Record numbers from Year 4 also opted to join the Preparatory Concert Band from Term 3, which extended their learning and accelerated their progress even further. All students performed in Memorial Hall to demonstrate their learning, and it has been pleasing to see many boys opting to continue with an instrument in 2022.

The ELC concluded their year with a wonderful celebration centred around their inquiry into butterflies. The Reception Nativity was yet again a joyful experience and a wonderful time to cherish the unwavering enthusiasm demonstrated by our younger students.

We are delighted with the achievements of the ensembles that took part in the ABODA competition in Term 3. The results are as follows: Junior School Concert Band Section (St Peter's College Junior Concert Band – gold award and overall section winners), Junior String Ensemble Section (St Peter's College Junior Strings – gold award), Junior String Ensemble Section (St Peter's College Year 1 and 2 Strings – silver award).

There were countless performance opportunities for our bands, ensembles and choirs throughout the year. Many thanks to the parents of the students in these groups for having them at school for the early rehearsals, encouraging the home practice and for attending our many concerts and events. Your support is vital and very much appreciated.

The Junior School Music team (Ms Katie Carey, Ms Sharon Campbell, Mr Andrew Chatterton, Ms Anthea Charlton, the visiting instrumental staff and I) look forward to continuing to provide exceptional learning through Music in 2022.

Mr Simon Varga  
Junior School Music Coordinator

**1** Years 5 and 6 Annual Concert. **2** Years 1 and 2 Concert. **3** Years 5 and 6 Annual Concert. **4** Dion Piteo, Luca Wang, Peter Zhang at the Reception Nativity. **5** Year 3 Concert. **6** Years 5 and 6 Annual Concert. **7** Hunter Di Blasio (Year 6) at Jazz @ The Gov. **8** Archie Cluse (Year 2) at the Years 1 and 2 Concert. **9** Year 3 Concert.

**Front row:** Luca Romeo-Cavuoto, Jamie Wong, Caleb Hai, Hudson Kerr, Ace Hansford

# Curricular

# Chinese

## Senior School Chinese

During Chinese New Year celebrations, Year 7 students learnt the 12 Chinese Zodiac Martial Arts and the idioms that relate to the 12 Chinese Zodiac animals. They also made their own Chinese New Year decorations, including paper cut and red envelopes. Year 8 students watched 'A Bite of China-Chinese New Year', and learnt how to make dumplings, which is an essential food experience during New Year's Eve to hope for prosperity in the coming year. Year 9 students learnt Chinese New Year greeting phrases and how to describe celebrations during the Spring Festival in Chinese. They also enjoyed watching the Chinese New Year's Gala, which is the world's most watched television program. Year 10 students learnt a famous Chinese New Year Song called '拜新年 Wish (you) a Happy Chinese New Year' and made a video, which was shown in Muster. Year 11 students learnt 12 solar terms. The Year 12 students created their own posters to explain the value and history of Chinese customs and traditions. They also explored how recent events, including COVID-19 and

new technology, have impacted on some of the traditions.

Chinese activities at school have involved Years 7 to 9 students enjoying yummy Chinese lunches on campus that allowed them to practise their chopstick skills and learn some useful phrases in Chinese. Year 8 students also had a chance to experience one of the most popular Chinese cultural activities, Martial Arts, in Term 4.

Years 10 and 11 students went on an excursion to Chinatown for lunch and then watched the newly released Marvel film, 'Shang-Chi and the Legend of the Ten Rings' at the Palace Nova Cinema. Year 10 students had hotpot at 锅瘾 (Guoyin) and Year 11 students had their lunch at 老街 (Old Street). All students enjoyed the adventure and action presented in the film and were immensely focused on understanding the occasional Chinese-speaking elements dotted throughout the movie. Our Year 7 Chinese Language & Literature class went to 众乐乐 (Board Games Club) where they played various

tabletop games in Chinese with other Chinese language students from St Peter's Girls School and Pulteney Grammar School.

Congratulations to Sam Krix (Year 11) who won the 2021 SA Chinese Language Award in the secondary school category. This award is presented to a student who has achieved high academic performance, maintains a consistent effort in their learning and has a passion for the Chinese language and culture.

Ms Fangfang Qiu  
Coordinator of Chinese

**1** Sam Krix (Year 10), Cameron Johnson (Year 10), Kelly Zhu (Year 10), Bingqi An (Year 10), Adam Li (Year 11) and Richard Thompson (Year 10) enjoy their Hot Pot Experience. **2** Dumpling making with Year 8 students Harrison Gray and Laurence Anderson. **3** Lachy Gallagher (Year 9) presents Chinese Learning and Society at the Language Muster. **4** Sam Krix (Year 11) won the 2021 Chinese Language Award. **5** Year 10 students celebrate Chinese New Year. **6** Movie Excursion for Years 10 and 11 students.

## Junior School Chinese

The highlight of our Chinese learning in 2021, besides the challenging and engaging language learning, included celebrating two of China's main festivals. The boys enjoyed and loved the variety of all the special celebrations.

On Friday 12 February, we presented three Chinese-themed performances to start our celebration of Lunar New Year at SPSC. The Junior School Chinese Mother Tongue class (Reception to Year 6) performed the famous Chinese Folk Song '茉莉花 mo li hua' (Jasmine Flower), accompanied by Ryan Weinert (Year 6) on piano. In Week 4, the Junior School boys were lucky to make, cook and eat dumplings 饺子 and sticky rice balls 汤圆 with the help of our lovely Chinese parent volunteers.

For the Dragon Boat Festival from Monday 21 June to Friday 25 June, our Years 3 and 6 students enjoyed making their own sticky rice dumplings, which they took home to show, cook and share with their families. The boys from ELC to

Year 2, Years 4 to 5 and Chinese boys in our Mother Tongue classes designed and created their own sachets with beautiful Chinese characters written on them, and they played an egg balancing game for their best luck of this year.

Congratulations to Aarnav Sanghavi (Year 5) who was nomination to represent SPSC in the Chinese Language Awards from the Chinese Language Teachers Association of South Australia.

Mrs Shelby Baker  
Chinese Teacher

**1** Chinese character writing. **2** Year 6 students Daniel Spyrou and Markis Kallos making dumplings. **3** Peter Athanasiadis (Year 6) making dumplings. **4** Aarnav Sanghavi (Year 5) with his Chinese Language Award. **5** Haris Kajani (Year 3) making sticky rice.

# Creativity, Activity, Service

Creativity, Activity, Service (CAS) is at the heart of the International Baccalaureate Diploma Programme (IBDP). It is one of the three essential elements in every student's Diploma Programme (DP) experience. It involves students in a range of activities alongside their academic studies throughout the DP.

The three strands of CAS, which are often interwoven with particular activities and a CAS Project are characterised as follows.

- **Creativity:** arts, and other experiences that involve creative thinking and learning new skills.
- **Activity:** physical exertion contributing to a healthy lifestyle, complementing academic work elsewhere in the DP.
- **Service:** an unpaid and voluntary exchange that has a learning benefit for the student.

The rights, dignity and autonomy of all those involved are respected. I am pleased to report that in this challenging year the IBDP class of 2021 embraced the true spirit of the CAS Programme and participated in, and organised, an enormous range of activities

that, for most, involved new and challenging experiences. Some of the significant CAS projects and activities that were initiated by the boys included:

- Serving meals at the St Mary Magdalene Centre
- Assisting new EALD students
- Organising the 'World's Greatest Shave' activity
- Organising second-hand camping equipment for the Year 10 Pushing the Boundaries Outdoor Education Program.

Mr Paul Hadfield  
IB Diploma Coordinator

**1** Joe Beswick (Year 11) cuts Oscar Chen's (Year 11) hair during the World's Greatest Shave activity. **2** Vice Captain Rushan Khurram with Year 11 students Karan Sethi, Sebastian Hoe, James Randall, Joe Beswick, Nicholas Andreyev, Lysander Tonkin, Oscar Chen, Xander Grice and Rajiv Paranthavithana. **3** Year 11 students Oscar Chen, Xander Grice and James Randall.

# EALD / English

## English as an Additional Language or Dialect (EALD)

This year students continued to strengthen their understanding and use of the English language and engaged in various activities. The year was celebrated with the Years 7 to 9 EALD students taking a day trip to Monarto Zoo. The boys enjoyed a safari tour, especially when an inquisitive giraffe licked the bus, and they learnt about endangered animals in the wild.

The Senior EALD students spent an afternoon at the Art Gallery of South Australia. After choosing from an Australian-themed lunch in the Art Gallery

café, the boys were able to peruse the artworks and photograph pieces that appealed to them. Finally, it was with heavy hearts that we said farewell to the Year 12 students at a celebratory dinner held at the Maid Hotel.

Throughout the year, all EALD students were offered lunchtime support. Congratulations to the following students for their academic achievement this year:

- Year 7: JiaCheng Bi
- Year 8: Wei Hong Khoo

- Year 9: Jia Ling
- Year 10: Yi Xu
- Year 11: Yu Xuan Tang
- Year 12 SACE: Wei Hang Khoo
- Year 12 IB: Xian Huang

Thank you to the dedicated team of staff in the EAL Faculty who bring a wealth of experience, diverse interests and passion to the program.

**Ms Rose Harvey**  
Coordinator of EALD

## English

In what was a relatively 'normal' year following the turbulence of COVID-19 during 2020, the English Faculty has gone from strength to strength. Highlights of the year include student involvement in '50-word Poetry' as part of a Miller Library competition, attendance at the Literary Festival at Immanuel College and collegial reading within the Year 8 Buddy Program with Years 3 and 4 students.

The End-of-Year Challenge for Year 7 and Year 8 students was a successful and enjoyable activity, spearheaded by Ms Nia O'Loughlin.

The change to the new Language and Literature IBDP course continued a positive trajectory, introducing innovative pedagogy within our Faculty. A significant thank you goes to Mrs Shelley Laing for her expertise within this realm, as she helped upskill staff and build contemporary resources.

The English Faculty staff acted in a professional and collaborative manner during the state-wide lockdown in July. Through the successful use of Microsoft Teams and other remote learning tools, students were kept up to date and their learning continued in what was a relatively seamless transition.

In July, Head of Faculty Mr Glyn Roberts announced his appointment to the position of Principal at Endeavour College. Glyn was an incredibly supportive line manager, who brought a wealth of experience and leadership to his role. His quirky sense of humour and kindness will be sorely missed.

**Ms Margaret Reid**  
Acting Head of English

**1** Year 11 students at the Art Gallery of South Australia. **2** Years 7 to 9 EALD students at Monarto Safari Park. **3** Connor Murphy (Year 12) reading the 50-word Poetry display.

# French

## Senior School

In 2021, French programs were updated, and students busily engaged in a variety of academic competitions, French events, excursions and activities which enhanced their learning experience.

All students participated in the Education Perfect World Language Championships and South Australian competitions. On campus they enjoyed the Languages Soccer event and, once again, we had a fine win by our Senior French Team. Events this year included the Year 7 French breakfast, Year 9 Mini-Olympics in the Burchnall Sports Centre, Years 7 to 9 SA Schools Pétanque (SPSC senior winners), Years 10 to 12 authentic French dining at Hey Jupiter, Years 7 to 8 Bûche de Noël, Year 10 original bilingual children's e-Books presented to the Junior School and the annual French Film Festival.

Academic highlights included the South Australian French Teachers' Association (SAFTA) Year 7 Poetry competition, SAFTA Best Year 7 French student won by Devon Xu, and Concours de L'Alliance Française competition winners William Subramanian

(Year 12) and Christian Bizot (Year 11) who both achieved second place in the State. Old scholar, James Psaltis (HWD 2020) was awarded the top student in the State for IB French in 2020. Bravo! Our 2021 French Excellence achievers were: Shaarav Reddy (Year 7), Alexander Piscioneri (Year 8), Casper Cai (Year 9), Kelvin Jiaan (Year 10), and Will Subramanian for the Old Collegians French B Prize (Year 12).

The French Society offered lunchtime help with study, diablo menthe, various engaging activities, in addition to organising and hosting a very successful SA Year 8 quiz evening supported by SAFTA. Congratulations to all students.

Félicitations et Merci to the boys, and French teachers Mme Spiby, Mme Rek, Mlle Harvey, Mlle Procopio and Mme McLachlan for their dedication.

Ms Irene Castrechini-Sutton  
Coordinator of French

**1** Year 9 students Ruckshan Jayachakaran, Maulik Singhal, Haseef Emad, Jack Clause, Casper Cai at the Mini Olympics. **2** Robbie Fraser (Year 8), Anirvan Iyengar (Year 8), Alex Nguyen (Year 8) making Bûche de Noël. **3** Year 7 French Choir. **4** Year 9 French Olympics, Tug of War.

## Junior School

This year, we were very fortunate to have four French Teachers in the Junior School: Mlle Rose Harvey, Miss Julia Procopio, Mme Arasmia Hanna and Mme Marcia McLachlan, and two French classrooms.

Our Language and Cultural theme for 2021 was *My Environment and Famous French*. Some of the French language themes covered were greetings, numbers, colours, family, pets, animals, the town and school and foods. We learnt about famous French kings, chefs, architects, explorers and landmarks and celebrated French cultural events including 'La Galette des Rois' (Epiphany cake) and 'La Chandeleur' (Candlemas), 'Poisson d'avril' (April Fool's Day), 'Pâques' (Easter), 'La Fête Nationale' (Bastille Day) and 'Noël' (Christmas).

Our Reception to Year 3 Bastille Day celebrations took place in the Da Costa Dining Hall and the Years 4 to 6 students celebrated in their French classes.

The students participated in two South Australian French Teachers' Association (SAFTA) events. The Years 4 and 5 boys

competed in the 'Tournoi de la Pétanque' (French bowls competition) and all students from Years 1 to 6 learnt a poem for the 'La Poésie Récitée de la SAFTA (French Poetry Competition). Once again, we had great success, with the following boys receiving recognition for their efforts in the Poetry Competition. Félicitations (congratulations) to:

- Jonathan Jiao (Year 1) winner of the 'Je suis poli' poem
- Kaeshav Rajesakaran (Year 2) winner of the Year 2/3 poem, 'Une Chouette à bicyclette'
- Phillip Makoooh (Year 5) came second in the Year 4/5 category, with the poem 'Dans ma soupe'

Two 'Prix du Jury' awards were given to Abraham Lee (Year 1) and Beau Leon (Year 3) whose contributions were of a high standard. The SAFTA/Alliance Française Prizegiving Evening was held on Wednesday 20 October in Memorial Hall, St Peters' College.

We were very pleased to welcome some talented Year 10 students in Week 9 of

Term 3, who created French books for us on their laptops. They shared the French books they had created with some of the Year 3 boys from 3R and 3B. We then had a delicious afternoon tea to celebrate working together. 'Merci' to Madame Castrechini-Sutton and her Year 10 students.

We completed 2021 with some cheese tasting and end of year celebrations. The boys continued to show great enthusiasm and dedication for the French language and culture throughout the year.

Mrs Marcia McLachlan  
French Teacher

**1** Award winners. Back row: Devon Zu (Year 7), Christian Bizot (Year 11), William Subramaniam (Year 12). Front row: Kaeshav Rajasekaran, Jonathan Jiao, Abraham Lee, Beau Leon. **2** Year 2 students Tom Trussell, Finn Murphy, William Desyllas and Kaeshav Rajasekaran at Bastille Day. **3** Year 5 students Andrew Lucas, Nirav Raghavan, Amit Bhat, Aarav Bhatnagar at Bastille Day. **4** Year 1 students Tommy Taarnby and Sam Stokes leading the Bastille Day march. **5** Year 3 Tab Jiang and Hugo Matthews making La Chandeleur.

# German

The year began with news that one of the Year 12 2020 students had gained top marks in the IB German exam, winning the Christine Nöstlinger Prize. Thomas Gaertner (DAC 2020) intends to use his knowledge of German well in Europe, while studying at Cambridge University.

Co-curricular and cultural activities help to bring language learning alive and this year was no exception. German students at all year levels engaged in many events, including excursions, films, colouring Easter eggs and experiencing German food.

The two enthusiastic Year 7 classes enjoyed a delicious German breakfast consisting of waffles with apple sauce or jam, fresh fruit and a cup of hot chocolate. Rehearsing the language in lessons beforehand, they were able to order in German. Years 8 and 9 classes viewed a new film at the German Film Festival while the Years 10 and 11 classes also saw the premiere of a more age-appropriate film. It was a welcome excursion after it had been cancelled in the year prior.

Year 10 German students enjoyed a day trip to Hahndorf to investigate the lives and history of the German pioneers and settlers in South Australia and, as in previous years, one of the highlights was the ample and delicious German lunch followed by Apfelstudel at the Hahndorf Inn. A visit to Hans Heysen's Cedars home and studio topped off the day.

The German Society was again active in organising quizzes, games and competitions during the year. Comprising mostly of German students, this year the Society also attracted a variety of students studying other languages. The Society also ran the ever-popular German food stall, selling Berliners and Pretzels at the Languages Soccer Competition, giving the rest of the School 'a taste of Germany'. The Junior German Soccer Team were victorious on the day while the Senior Team were narrowly out-played.

As in previous years, enthusiastic German students competed in both the national and state Education Perfect German Language

competitions, achieving high results and certificates for their fantastic effort.

The year was rounded off with classes experiencing some Christmas traditions and culinary specialities with the ever-popular German Christmas Stollen and Pfeffernüsse.

Ms Monica McCauley  
Coordinator of German

**1** Education Perfect Year 7 prize winners. Back row: Matthew Liu, Alexander Chan, Dallas Jenzen. Front row: Oliver Maung, Hugo Browne. **2** Year 7 students Raphael Scalzi, Hugo Browne and Jack Hollington colour eggs for Easter. **3** Year 7 students Dallas Jenzen, Alexander Lippett and Alexander Chan enjoy a German breakfast. **4** Year 10 students Louis Drew, Jesse Sanders, Liam Harkins explore a pioneer hut in Hahndorf. **5** Year 10 students and Ms Monica McCauley enjoying lunch in Hahndorf. **6** Year 8 students attend the German Film Festival, Kino for Kids.

# Humanities

The Humanities Faculty continued to demonstrate a spirit of resilience and adaptability during 2021. As part of their curriculum, the Years 10 to 12 Geography students participated in the Australian Geography Competition. The competition involves over 65,000 students from nearly 700 schools across Australia. Students complete 50 multiple-choice questions based on Global Geography. The results this year were outstanding, with 15 per cent of students finishing in the top 5 per cent of the state and Campbell Craig earning first place in South Australia in the Year 11 Competition. Campbell will participate in the Australian Geography Competition Finals on the Gold Coast later this year and compete to represent Australia in the International Geography Olympiad to be held in Europe in 2022. In the Year 12 Competition, Josh Watson and Guy Strong finished equal first in the senior section. This maintains the strong record of National Geography Olympians and national finalists coming from St Peters College.

In Term 2, Year 8 History students participated in a Medieval Faire where they started with a medieval feast in Da Costa Dining Hall before joining in a variety of activities including catapult building, medieval dancing and 'gluckhaus' the German Lucky Pig game. Additionally, with the easing of restrictions, Humanities students were able to engage in a variety of excursions from trips to SA Water, the South Australian Museum and sustainability gardens.

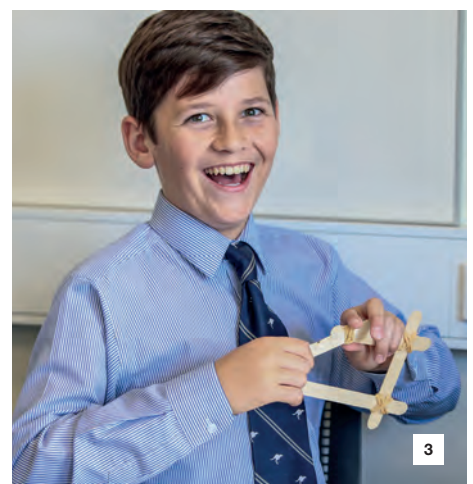

In Term 3, approximately thirty boys in the Middle Years signed on to The Apprentice Program. Teams of three had to use their creativity and innovation to complete tasks, such as making an

advertisement for 'The Widget', convincing a pizza company owner to create a new flavoured pizza and designing a new school bag. The boys were enthusiastic and energetic and gave some fantastic presentations. Three teams managed to evade elimination (being 'fired') to progress through to the grand final, where they had to give a live pitch to a panel of judges, trying to convince them that St Peter's College should merge with one of the nearby girls' schools. In an extremely high-quality grand finale, the team of Year 8 students Anivarn Iyengar, Ethan Howes and Pardhiv Meruga won the competition and were 'hired' by Mr Scott.

I wish to acknowledge Mr Michael Gilmore, Mr Garry Grosvenor and Ms Kylie Flanagan for their long-standing service to St Peters College. Over the decades, they have provided the students with a wealth of knowledge and support while being instrumental in adding guidance to fellow staff in Geography and History subjects. We wish them the best in all their future endeavours.

Ms Ana Christensen  
Acting Head of Humanities

- 1 Mr Darcy Crouch and Ms Lauren Brenton leading the medieval dancers.
- 2 Stephen Lacroix-Sneyd (Year 8) dressed up for the Medieval Faire.
- 3 Angus Tolley (Year 8) prepares his catapult.

# Junior School Library

'Old worlds, new worlds, other worlds' is where our Junior School Library took us in 2021. We have been on an illuminating journey visiting an ancient Egyptian palace, we went down the rabbit hole with Alice, discovering Wonderland, and we went to other imagined and yet to be imagined places with author Shaun Tan. Bookopoly challenged us to engage with our vast library collection in all sorts of different ways, encouraging us to read a variety of different texts. It really did shake us up, stretch us and allow us to discover so many new and wonderful books.

Hanaan Hassan and Daniel Song were our Year 6 Library Captains this year and were capably assisted by our dedicated and hard-working committee, consisting of Year 6 students Hudson Kerr, George Snelgrove, Hugo Hill and Shreyus Arramraj. They introduced an escape room concept which manifested in three Harry Potter escape rooms being set up in the library. Boys across the Junior School from Years 2 to 6 formed teams and registered to take part in the escape rooms. It was wonderful to see boys working as a team to observe clues, solve puzzles and ultimately escape so they weren't trapped on the Hogwarts

Express on Platform 9 and 3 Quarters. They were proud of their escapes and, while loving the experience of being on the Hogwarts Express, were glad to be in the ranks of the rest of the muggles. Our annual book swap was also capably run by this team of students and it was delightful to see boys leave the library with their newly discovered books.

Our Author in Residence Program took us to the land of 'Littlelight'. Reception to Year 2 classes enjoyed a virtual performance by 'Books to Life'. Adrian Beck appeared virtually in the Junior School Function Space for our Years 3 to 5 boys and captivated us by sharing so many of his writing secrets as well as providing valuable insights into his characters and stories. Andrew Joyner wowed the Year 6 boys by sharing the backstory to his latest publication 'Horse Museum'. Our students loved learning how to draw 'Cat in the Hat' as well as the horse character that he invented for the 'Horse Museum' book. Once Upon a Festival was a highlight for 30 Year 5 students. This event was held at Immanuel College and will now be an annual event, so in the future more boys will have the opportunity to participate.

Borrowing and reading across the Junior School reached new heights as borrowing limits were increased from five books to 10. This increase was inspired by Jackie French who likens book selection to being in an ice cream shop, whereby you really need to taste and sample lots before knowing what appeals to your palate. Many students have benefitted from this change by extending their reading selections.

Ms Alison Winter and Mrs Sue Dansie  
Teacher Librarians

**1** Harry Potter escape room with Year 4 students Edward Tonkin, Seth Nguyen, Liam Nguyen and Thomas Tsoutouras. **2** Reception students dressed up for Book Week. **3** Frank Parsons (Year 4) Terrorbird model. **4** Year 6 students with Jack Heath at the Luminary Lunch. **5** Hugo Matthews, Nicholas Steele, Mr Tim Browning, Adithya Anand, Mrs Jasmine Taylor, Harry Martin, Oliver Skeer and Charles Pan in their Book Week costumes.

5

# Miller Library

What do cicadas, dried flowers, Latin texts, LEGO, and video games all have in common? A seemingly arbitrary list no doubt, but in Miller Library, this is what we would call an eventful year.

Kicking off the year, our much-anticipated Blind Book Dating event to celebrate Library Lovers' Month, was met with great enthusiasm. Respondents filled out their 'dating profile' to be paired with a suitable book to fall in love with. Based on the feedback received, it is fair to say that Miller Library is a decent matchmaker!

With the launch of the Cicada tests in Term 2, students were tasked with completing increasingly difficult cryptograms and logic puzzles to uncover a fictional conspiracy involving Elon Musk, the government and aliens. I am not sure who had more fun: the staff designing the event or the students working together to crack the code! But either way, the pizza lunch at the end of the event was enjoyed by all.

Book Week's theme of Old Worlds, New Worlds, Other Worlds entailed a 50-word story competition as well as a LEGO building component pertaining to each of the worlds. Devansh Singhal (Year 7) was

the proud winner and happily received his prize of 50 Milky Way chocolates.

In Term 4 we completed Miller Library's first ever Mario Kart tournament during International Games Week. It was a thrilling week-long event that whittled down 64 competitors to the final winner: Aidan Makris (Year 8). We also had retro video games, board games, card games, dice games and giant floor games. Just like our book collection, there was something for everyone.

Our ongoing collaborative project with the Historical Society in which we publish eBooks about our Rare and Early Imprints Collection has been making headway this year. Fantastic eBooks about our 1784 copy of 'Captain Cook's Voyages Around the World' as well as our early 20th century copy of 'Flowers from the Holy Land', which has various dried flower arrangements from the region, are a wonderful addition to our shelves.

Along these lines, great care has been undertaken by library staff to evaluate and curate our Rare Book Collection. We have identified a few treasures, including a 1540 Latin edition of Cicero's works, a

Bible signed by Augustus Short, and a 1607 Geneva Bible. We look forward to expanding this collection and making the texts readily available for students and scholars alike.

This has been a wonderful year and we are eager to further aid and engage the School community next year.

Ms Katherine Hicks  
Head of Library Services

**1** Mario Kart Final. **2** Cicada Clue Quest Winners William Roger (Year 7), Alexander Piscioneri (Year 8) and Andrzej Czechowicz (Year 11). **3-4** Book Week activities. **5** Mario Kart Champion Aidan Makris (Year 8) and runner up Seth Irwin (Year 7).

5

# Maths

2021 has been a year of growth and change in the Mathematics Faculty. We welcomed Miss Sally Xu, Ms Lauren Fleming, Mr Joab Mead, Mr Joel Baker and Mr Zac Savage into our teaching team.

There has been significant focus upon continued development of online teaching resources and practices in the event of lockdowns. In the one lockdown that occurred, we saw staff and students working collaboratively to ensure that everyone transitioned successfully and that students continued to learn effectively.

As part of the stage-not-age protocol, the accelerated program has expanded in 2021 with Year 10 Advanced classes renamed Year 10 Accelerated as they undertook Stage One Pre-Mathematical Methods. The Year 9 advanced students have successfully studied both Year 9 and 10 Australian Curriculum, Assessment and Reporting Authority (ACARA) curriculum and are ready to undertake Stage One Pre-Mathematical Methods in 2022. The Year 11 students who have undertaken Stage Two Mathematical Methods in 2021 have enjoyed the course and have been highly successful.

Additionally, as part of the stage-not-age protocol, we continue to offer Year 10 General Maths and, under Mr Joab Mead's instruction, the students have enjoyed the study of mathematics and experienced solid achievement. Mr Mark Bruce continues to lead the General team in Years 10 to 12 and collectively the team helps students to find achievement in our subject. The students are to be commended for their commitment to pursuing success.

In working to provide support for all students to achieve their potential in their study of Mathematics, we have run a trial of a software called MangaHigh. Teachers of Years 7 to 9 Standard and Standard Extended classes have had the opportunity to trial the software with one of their classes to become familiar with its applications. Game-based learning is the foundation of this program. This trial will be expanded in 2022 to all classes of Years 7 to 9 Standard and Standard Extended students.

More broadly, 2021 saw a national review of the ACARA Mathematics curriculum for implementation by 2023. Part of the review has seen the imbedding of computational and algorithmic thinking in the content. To ensure timely delivery, Ms Louise Firth and Mr Brian Wong delivered a trial of Grok Learning in their Year 7 Advanced classes during Term 4. The students completed a course online and then applied the skills they developed to an investigation. The students were enthusiastic in attending to this new form of learning.

Ms Lisa Southwell  
Head of Mathematics

## Year 12 Mathematics award winners with Mr Tim Browning.

1 Xian Huang. 2 Anthony Pham. 3 Zihao Wu. 4 Nivranshu Irkulla. 5 Sachin Ravindran

# Personal Development

The Personal Development Faculty consists of the subject areas Health and Physical Education, Wellbeing, and Religious and Values Education.

## Health and Physical Education

Within the Health and Physical Education Department, 2021 was a year of change as we aligned our practice with the Australian Physical Literacy Framework and built a strong connection with the Athletic Development Department. In practical units, students learnt through and were assessed on three core domains: Physical, Cognitive and Social/Psychological. The elements within these domains drive the learning experiences students undertake in each unit and enable deeper connections with specific outcomes so that students can learn through, within and about movement.

As part of the School's philosophy of developing each boy's athletic potential, students have Strength and Conditioning sessions within the curriculum from Years 7 to 10. These sessions are tailored for each particular year level and supported by our highly qualified Athletic Development staff.

From Year 9, students can also elect to study a range of different specialised subjects within the department. This includes Sport Science in Year 9, and five different electives in Year 10 including a Health Science course. Students can experience the use of a range of technology within our Athletic Development

space and are provided opportunities to learn from outside providers. Students then transition into our senior electives, which include Physical Education, Health and Wellbeing, and IB Sports, Exercise and Health Science.

This year, our Year 7 students studied an Indigenous games unit in partnership with Flinders University and this was a valuable experience for boys to learn a practical unit through the eight ways of learning developed by Dr Tyson Yunkaporta.

## Wellbeing

In Wellbeing, all students in Years 8 and 10 are engaged in a curriculum focused on Wellbeing theory and practice. In lessons, the focus of the taught curriculum was on building resilience through the application and practice of Positive Education principles.

In Year 8, students learnt practical life skills, including coping skills and empathy, how to deal with thoughts and feelings, and explored the role of gratitude to enhance positive emotion.

In Year 10, students further developed stress management skills by exploring mindfulness, engagement and flow. They learnt how to apply the science of character strengths to live a meaningful and purposeful life and put this into practice by relating the learnt skills to their 21-Day Journey in the Flinders Ranges.

## Religious and Values Education

The Religious and Values Education (RAVE) course continues to increase our students' awareness of the spiritual aspects of life and to see them as an essential and necessary part of who they are. At each year level there are topics that explore the person of Jesus Christ, the Biblical texts, philosophy of religion and world religions. Students are provided opportunities to engage intelligently with Christian, and more broadly, religious thinking and to engage carefully and critically with them, builds important and necessary life skills. Knowing how to articulate a point of view and to interact with a variety of differing opinions, while honouring and respecting each person, is critical to our students' ability to understand and relate to a variety of people and backgrounds, perhaps more so now than ever.

Mr Matthew French  
Head of Personal Development

**1** Year 12 Health and Wellbeing students teaching a Year 6 class about mindfulness.  
**2** Year 9 Sport Science class completing a fitness test.  
**3** Strength and Conditioning lesson in the senior school.

# Science

In March this year, the Year 12 IB Physics class launched a high-altitude balloon to measure the atmospheric conditions up to an altitude of 34 km (100 000 ft). The students had to design and plan the mission, which involved setting up the sensors and coding an Arduino to take all the measurements. There was also the issue of tracking the balloon throughout its flight and finding it upon its landing. The flight was a great success, the balloon and data were retrieved and the students used the data as part of the climate change topic.

The Science Faculty had tremendous success again this year with Darren Nguyen (Year 10), Gunin Singhal (Year 10), Alexander Grice (Year 11) and Nicholas Koh (Year 11) all being awarded High Distinctions in the Physics Olympiad, the top 10 per cent Physics students in Australia. Alexander Grice also achieved a High Distinction in Chemistry and has accepted an offer to attend the ANU National Chemistry Camp in January.

In Chemistry, the Royal Australian Chemical Institute's Titration Competition is designed to encourage secondary students who enjoy Chemistry, particularly its practical side, to develop their scientific skills and understanding. In 2021, Year 12 students Sachin Ravindran and Thomas Byun, and

School Vice Captain, Rushan Khurram, were invited to compete at the national level, conducting a three-hour experiment at UniSA, and were awarded silver. Students also took part in the International Chemistry Quiz with two Year 12 students receiving a High Distinction Excellence award. Xian Huang (Year 12) missed out on 100 per cent by only one mark, meaning he is in the very top national percentile. Tom Hosking (Year 12) is in the top one per cent of students in the state and the top two per cent of students in Australia. Darren Nguyen also scored 100 per cent in the Year 10 paper, only one of two students to do so in South Australia. The following students achieved High Distinctions in this competition:

- Gunin Singhal (Year 10)
- Will Begg (Year 11)
- Christian Bizot (Year 11)
- Alexander Grice (Year 11)
- Daniel Jesudason (Year 11)
- Nicholas Koh (Year 11)
- Matthew Lam (Year 11)
- Adam Li (Year 11)
- Will McConnel (Year 11)
- Derek Yang (Year 11)
- Thomas Byun (Year 12)

- Anthony Pham (Year 12)
- Sachin Ravindran (Year 12)
- Eric You (Year 12)
- Jarvis Zhao (Year 12)

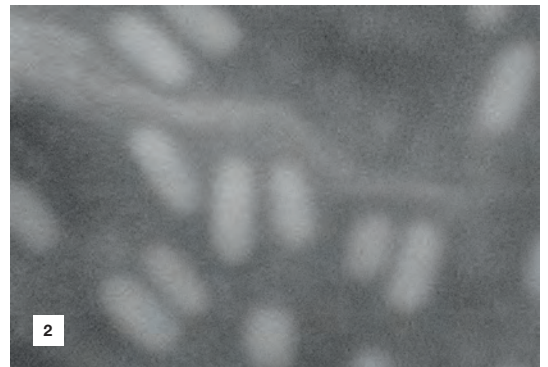

In Term 3, every student in Years 7 to 10 sat the International Competition in Science, ICAS exams. Our results were excellent, with the following students being awarded a High Distinction (awarded to the top one per cent):

- Year 7: Jinhua Lua, Ross Psaromatis
- Year 9: Siyu Cai
- Year 10: Gunin Singhal, Max Wang

This year, Jinhua Liu won the Year 7 medal for the highest score in the assessment in SA and NT, and Darren Nguyen won the Year 10 medal for the highest score in the assessment in SA and NT.

Mr Karl Grice  
Head of Science

**1** Yorke Peninsula, Kangaroo Island and Adelaide from the high-altitude balloon at approximately 34 000m. **2** Bacilli bacterial colony, from scanning electron microscope. **3** IB Physics class after the safe retrieval of the balloon equipment.

# Spanish

Spanish ab initio is an exciting and challenging course designed for students with no prior knowledge of the language. Students explore five prescribed themes, which include a range of topics from Hispanic festivals, holidays, urban and rural living, school life, health and social questions to name a few. In just under two years, our students are able to communicate clearly and effectively in Spanish and they can articulate the similarities and differences between cultures.

To engage with authentic articles from the Hispanic world, we regularly use a variety of online resources such as YouTube or Newsela. Producing oral recordings and creating videos in Spanish is another essential element to develop language proficiency. Students have created presentations about a significant person from history, a weather forecast and a country fact file.

The Spanish Film Festival in May at the Palace Nova is always a highlight, which is followed up by writing a film review in the language. The annual Spanish lunch and the Languages Soccer Cup are also events the students thoroughly enjoy.

Mrs Rachel Spiby  
Head of Languages, Spanish Teacher

1 Years 11 and 12 students at the Spanish Film Festival

# Technology

2021 was another successful year in the Technology Faculty. The flexibility and resilience of both staff and students, as we negotiated the lingering restrictions due to the global pandemic, was excellent.

Each year the Rotary Club of St Peter's invite the Design Technology Department to nominate students to receive the Creativity and Design Excellence Award for their work during the year. In 2021, the two recipients were Theo Dimitri (Year 11) for his superb arcade machine, produced in the Stage 2 Integrated Learning class, and Arthur Drayton (Year 12) for his outdoor garden trolley produced as part of the Stage 2 Material Solutions class.

The 2021 Art, Design and Technology Exhibition was a huge success. After being cancelled last year due to COVID-19, the Technology students and staff were keen to show their successes through the wide variety of projects. It was a wonderful exhibition and I would like to express my gratitude to the Technology Faculty for their efforts with this initiative.

Finally, I would like to thank all the students and staff for their continued support of the Technology Faculty.

**Mr Nick Lamont**  
Head of Technology Faculty

**1** Thomas Wickham's (Year 12) Wine Bar produced in Stage 2 Material Solutions. **2** Louis Rust's (Year 11) 3D projector project produced in Stage 2 Integrated Learning. **3** Theo Dimitri's (Year 11) arcade machine produced in Stage 2 Integrated Learning. **4** Theo Dimitri (Year 11) and Arthur Drayton (Year 12) accepting their 2021 Rotary Club Design & Creativity Awards. **5** Assorted Year 8 Technology projects. **6** Garry Peng's (Year 10) car simulator game produced in Year 10 Game and App Development. **7** Hereward Tonkin (Year 9) and Alan Lu (Year 9) making adjustments to their Remote Operated Vehicle for the 'Subs in Schools' competition.

# Co-Curricular

BURCHNALL SPORTS CENTRE

# Art and Pottery Clubs

We had our busiest year to date with our Art Club and Pottery Club. The unique opportunity for students to immerse themselves in art and creativity before school and at lunchtimes provided boys with a harmonious atmosphere and inspiring environment to spark their imagination, curiosity, wonder of techniques and knowledge of skills to create artworks.

With two full classes, the Year 6 Pottery Club on Thursday and Friday mornings was very popular. Boys enjoyed throwing on the pottery wheels, and gaining different skills and techniques in every lesson. Basing their knowledge in traditional Japanese techniques, students were in awe of the precision and perfection of the vessel form. Discussions in glazes, geology, clays,

castings, slab forms and coil building broadened the boys' knowledge of pottery. They enjoyed the challenges of the precise techniques and control required to form all the different vessels, cups, and teapots. Skills were acquired by throwing 'belly' pots, 'neck' pots, handles, spouts, lids, and 'ripple' pots. Students were fascinated with the styles of functional forms. The techniques they acquire from the Pottery Club provide a life-long knowledge of pottery and the ceramic industry and art form.

An enormous number of boys enjoyed Art Club which provided creative platforms through drawing, painting, weaving, beading and construction. Different tables were set up with tasks, ideas, and topics for boys to choose, which allowed students from Years 3 to 6 to explore and create.

Each new theme and different project that was introduced each term, sparked enjoyment, curiosity and a wonderful feeling of achievement as each project was completed. The self-directed learning of Art Club enabled our students to gain problem-solving skills, individual time management of tasks and ownership of the learning process of creating an artwork.

Miss Sally Houston  
Art Teacher

**1** Pottery Club tea pots. **2** Year 2 students Lucas Pourgiezis and Thomas Trussell work on their Monet paintings. **3** Art Club. **4** Pottery Club glazing. **5** Matthew Harris (Year 5). **6** Year 5 students Phillip Makooh and Ewan Woodall throwing on the pottery wheels.

6

# Battle of the Bands

The 2021 Battle of the Bands was yet again a spectacle for our students and staff. A fitting conclusion to Blue Week, the Battle of the Bands inter House competition was a perfect opportunity for students to embrace positive culture, while celebrating the diverse talent, confidence and leadership that all House bands displayed. Through this event, Houses were able to showcase the importance of recreation and camaraderie in pursuing a positive balance in mental health.

Aside from being a highlight of the year's inter House fixtures, this competition continues to cultivate high-quality musical performances year-in, year-out. House leaders and elected band leaders worked hard to organise rehearsals and prepare their performances. Notably, in 2021 it

was spectacular to see the commitment of several Houses that even hosted their House bandmates outside of school to get the edge on their competition!

This year, the Battle of the Bands was graced by Mr Dave Gleeson and old scholar Mr John Brewster (HWD 1966), iconic members of the Australian rock band, The Angels. Mr Brewster and Mr Gleeson's special performance of 'Marseille', alongside our fantastic staff band was a highlight of the event. Special thanks must go to Mr Brewster, who assisted as a guest judge throughout the competition.

In 2021, Farr House came out on top with their performance of 'Beggin' by Måneskin, narrowly beating the strong performance

of long time Battle of the Bands rival, Farrell House, who placed second with their rendition of 'Blame it on the Boogie' by The Jacksons. Importantly, all students who represented their House by performing and organising their House bands should be commended for the immense effort, confidence, bravery, and talent displayed to create yet another fantastic Battle of the Bands in 2021.

Chirath Lekamge  
School Prefect

**1** MacDermott House. **2** Farrell House. **3** Guest judge Mr John Brewster. **4** Victorious Farr House. **5** School and Allen House. **6** The Angels perform their hit song Marseille with our staff band.

# Chinese Society

In 2021 the Chinese Society conducted many interesting and engaging Chinese cultural activities under the strong leadership of Co-Captains Xian Huang (Year 12) and Ryan Mah (Year 12). There were two big social events jointly organised by SPSC Chinese Society and Seymour College. The celebration of Lantern Festival, hosted by Seymour College, involved over forty boys and girls. Our School hosted an early Mid-Autumn Festival Celebration, which was attended by 70 students and 11 teachers from both schools. Both social events were culturally rich, relaxing and wonderful, and also gave students from both schools an opportunity to form friendships and enjoy each other's company.

In Term 1 the Chinese Society successfully held a Chopsticks Challenge. In this challenge, students of different origins and ages came together and demonstrated their chopstick skills in a very challenging game. Students were asked to use chopsticks to pick up jellybeans and red/green beans from one plate and place them on another. They had two minutes to complete the task and whoever transferred the most beans was the winner.

In Term 2, the Chinese Society's emphasis was delivering the knowledge of Chinese culture to all Senior School students. Weekly Chinese culture online quizzes were introduced on Keystone, covering the topics of Chinese Poetry, Chinese Food, Dragon Boat Festival, Chinese Drama and Opera, Chinese Geography and 高考 (Chinese College Entrance Examination). The quizzes were well received by many students with Matthew Liu (Year 8), Jerry Yang (Year 12) and Jarvis Zhao (Year 12) the top three. The Chinese culture term finished with the Dragonboat Festival Celebration and rewards presentation at lunchtime. It was great to see students from Years 7 to 12 from different cultural backgrounds attend this activity. Students learned how to use Zongzi leaves and sticky rice to make Zongzi (sticky rice dumplings), which are traditionally eaten during the Dragonboat Festival. They also tasted the Zongzi that was homemade by Xian Huang's mum, and played a Kahoot on Chinese culture that was covered in the weekly Chinese culture quiz.

In Term 3 during Athletics Carnival, the Chinese Society set out to keep students active between events, promote intercultural understanding and keep our School grounds pristine through asking participants to collect empty cans and bottles to enter the traditional Chinese game called Dou Ji 鸡. As a result, over 200 cans and bottles were recycled.

Many thanks to Co-Captains Xian Huang and Ryan Mah and other committee members Peter Zhang (Year 11), Eric Tang (Year 11), Kevin Dinh (Year 9) and Lachy Gallagher (Year 9), for their great contributions to the Chinese Society this year.

Ms Fangfang Qiu  
Coordinator of Chinese

1 Moon Festival Social with Seymour College students. 2 Chinese Society Committee Members Kevin Dinh (Year 9), Lachy Gallagher (Year 9), Peter Zhang (Year 11), Eric Tang (Year 11), Xian Huang (Year 12), Ryan Mah (Year 12).

# Exploration Society

This year kicked off with various paddling, climbing and mountain biking days that led into our Adelaide Hills holiday program. This was a great opportunity to open the boys' eyes to some amazing rock-climbing and mountain biking adventures in their own backyard.

We were lucky enough to squeeze in our annual ski trip to Mt Hotham in the mid-year holidays with some of the best snow we have seen in years. A quick exit a day early to make it across the border before it closed saw us have an eventful ending that will provide stories and laughs for years to come.

In the Term 3 holidays we set off on our fishing trip to the Yorke Peninsula, which saw multiple students catch their very first fish and some seasoned veterans add to the different species they have

caught. It was great to have Tim Browning, Headmaster join us for a day. Every student went home with at least six fillets of whiting that they had caught throughout the trip to share with their families. We also enjoyed some great surfing and exploring of the wild coast lines.

Bouldering was introduced this year as an after-school activity on Friday evenings. It has been great to see the students embracing the community and connecting with others through these nights, while developing their climbing skills.

We had record numbers attend our mountain biking days throughout the year. It's amazing to see students' eagerness; even when it's been hailing with rain the boys have been out there with smiles plastered on their faces having the time of their lives.

Our end of year trip to Tasmania ended 2021 on a high with more students becoming interested in Exploration Society, we look forward to another amazing year in 2022.

Mr Tim Hennekam  
Exploration Society Coordinator

**1** Declan Brunsgard (Year 9). **2** Exploration Society on the Yorke Peninsula. **3** Year 8 students in Tasmania. **4** Andrzej Czechowicz (Year 11), Will Begg (Year 11), Will McConnel (Year 11), Ben Northcote (Year 9), Christian Valentincic (Year 8), Gustaw Czechowicz (Year 7) in Tasmania.

# Future Problem Solving

Future Problem Solving (FPS) is a research-based, academic program that teaches problem solving strategies, collaboration, critical and creative thinking, and effective communication.

This year, students participated in Scenario Writing, which is a component of the multi-faceted FPS program. Students developed short stories related to one of FPS's five annual topics (Youth in Competitive Sports, Wearable Technology, Human Environmental Impact, Personalised Medicine, and Terraforming).

The stories students created were 1500 words and set 20 to 30 years in the future. Although the stories created were fictional, they were fuelled by discussion and research around the logical outcome of actions or events taking place in the world.

To prepare students for the challenges of the 21st century, FPS teaches them to think critically, creatively, and futuristically. The Scenario Writing component strives to help students enlarge, enrich, and make their images of the future more precise, while honing their creative writing skills. The competition provided students with an opportunity to develop skills through the following aims to:

- Think more creatively and positively about complex social issues
- Develop an active interest in the future
- Improve communication skills (oral, written and dramatic)
- Develop a variety of research skills
- Think critically, analytically and creatively.

As part of the competition, students submitted their essays and these were then graded by the competition organisers. Despite many strong entries, Darren Nguyen (Year 10) was the sole representative in the national finals having been shortlisted as a finalist in the first round. Darren is to be commended on finishing in third place with his submission on Personalised Medicine.

FPS is a unique co-curricular opportunity that enables students to imagine inventive and original solutions to problems that are yet to truly exist. It is an exercise in mental agility and creativity that is both rewarding and thought provoking in equal measure.

Mr Richard Davey  
Coordinator of Future Problem Solving

1 National representative Darren Nguyen (Year 10)

# Historical Society

2021 has been a busy year with the Historical Society constantly pushing itself to new heights. The results can be seen in what we have covered. Term 1 saw plans to reintroduce the much-loved Old School House and Athelney House tours. Plans for a Big Quad presentation were made, then subsequently scrapped when we decided to narrow our focus for this year.

In Term 2 plans for Old School House tours were drawn up using our connection with the Library to access their amazing collection of resources charting the history of the School. Thanks to the help of Mrs Bartz, Mrs McKinnon-Matthews and Mr Docwra, Old School House tours started operating in Term 3 with more than 100 students taking the tour.

Tours continued throughout Term 4 and the Society has commenced planning for tours of the Chapel. It has been a bizarre year, because of COVID-19, but as we look to the future and the year ahead, plans are being drafted, meetings called and the School left bracing for whatever experience the Historical Society brings next.

To conclude, please find the thoughts of Shreyas Khanna (Year 12) who has spent six years in the Historical Society.

*"I still remember beginning my Historical Society journey as a Year 7 student in 2016. With grave inexperience and little insight into the School's rich history at the time, I recall the daunting task of conducting historical tours of the School grounds. This challenge presented a unique opportunity, instilling an appreciation for my surroundings such as Memorial Hall - a commemoration of the sacrifice of St Peter's College students during WWI. Since then, I have been fortunate to lead many tours alongside my fellow peers, including James Loftus (Year 12) and Toby de Wit (Year 12). I have cherished these opportunities to share knowledge with younger year levels, and I highly recommend all boys to get involved in 2022; this is a valuable learning experience you will never forget."*

Andrzej Czechoqicz  
President of the Historical Society

**1** Old School House Tours being conducted by Toby de Wit (Year 12) and Alexander Piscioneri (Year 8). **2** Historical Society students looking at Old School House in readiness for tours. **3** Historical Society Year 12 students James Loftus, Toby de Wit, Shreyas Khanna and Andrzej Czechowicz (Year 11).

# Indigenous Education Program

Walking through the Junior School with Uncle John can only be likened to accompanying a rock star. The chorus of 'Hi Uncle John' from all angles is testament to the strong connection students have made with him, his storytelling and sharing of his culture. From making links to connection to Country at the ELC and Reception Mud Day to a Year 6 unit on migration, Uncle John has enriched student learning in 2021 instilling respect and awe of the oldest living culture in the world. The Indigenous Education Program has welcomed a number of guests to St Peter's College to strengthen curriculum links this year, including Sasha Hill - Noongar Yamatji artist, Kira Yaltu Bain – Ngarrindjeri Kurna Language teacher and Dom Barry – AFL footballer.

National Reconciliation Week 2021 focused on 'Reconciliation in Action, More than a Word'. The student Reconciliation Committee, led by Chirath Lekamge (Year 12), created an artwork symbolising the School's commitment to Reconciliation with over 500 fingerprints of students from Years 7 to 12. The Junior School acknowledged National Reconciliation Week with a flag raising ceremony and Smoking Ceremony led by Uncle John, flying the Aboriginal and Torres Strait Islander flags in the Junior School for the first time. The flags and artwork remain highly visible in the School as ongoing reminders of our Reconciliation journey. The Indigenous Round remains a highlight of National Reconciliation

Week at St Peter's College. This year, teams came together for an Acknowledgement of Country led by the winter Sports Captains across all sport fixtures and year levels.

Coordinated by Mr Mark Coventry, St Peter's College hosted the Anglican Schools Student Leadership Workshop with a focus on reconciliation this year. An inspiring day of discussion and planning around racism, current affairs, and respect saw students from more than 10 different schools collaboratively plan actions for their Reconciliation Action Plans.

A successful orientation program welcomed new Indigenous students and their families at the start of 2021. St Peter's College continues to offer scholarships for Indigenous students through The Smith Family.

**Mrs Stephanie Cabot**  
Indigenous Education Program Coordinator

**1** Uncle John Lochowiak opening the school year with a Smoking Ceremony with Mr Tim Browning. **2** Chamith Waragoda (Year 12), Drew Willie (Year 11), Leon Connop (Year 10), Chirath Lekamge (Year 12), Sam Jackson, Ned Gauvin (Year 12) and Nathan Spry (Year 10). **3** National Reconciliation Week Muster guest speaker Dom Barry with Year 12 students Sam Jackson, Rushan Khurram and Chirath Lekamge. **4** Junior School Captains Caleb Scott and Ryan Weinert raising the Aboriginal and Torres Strait Islander flags for National Reconciliation Week.

4

# Maths@Saints

In 2021 Maths@Saints continued to provide opportunities for students to engage in and challenge themselves with a variety of mathematical opportunities. This included the weekly lunchtime sessions facilitated by David Martin in Mathematics, and old scholars Angus Ritossa (HWD 2019) and Eric Zhou (FLL 2019) in the Informatics Program. Other activities included extra subject support for all students, Maths Quiz Nights, Junior School extension run by Maths@Saints Captains Nicholas Koh (Year 11) and Xander Grice (Year 11), Maths@Saints Musters and participation in a variety of state, national and international competitions.

St Peter's College students achieved outstanding results in Mathematics competitions in 2021. 144 students participated in the Hamann School Mathematics Competition, with Xian Huang (Year 12) and Darren Nguyen (Year 10) achieving first place in their respective divisions. 327 students competed in the Australian Mathematics Competition, with the following students achieving the national prize in their division, placing them in the top 0.3 per cent of the country: Tao Wong (Year

5 competing in the Year 7 division), William Carrigan (Year 8), Yitong Liu (Year 9), Darren Nguyen (Year 10) and Nicholas Koh (Year 11). Following this success, Darren Nguyen also achieved a High Distinction (top five per cent) in the Australian Intermediate Mathematical Olympiad.

The Informatics Program continued to experience success with 147 students across the whole School competing in the Computational and Algorithmic Thinking Competition. 11 students achieved High Distinctions, placing them in the top one per cent of the country. Following this success, students engaged in the Oxford University Computing Challenge for the first time, with a notable first place by Xander Grice in the Senior Division. Students also developed their programming skills in the UNSW ProgComp and Australian Informatics Olympiad.

Nicholas Koh's notable achievements in national competitions in 2020 saw him compete in a number of invitation-only events in 2021, including the Australian Invitational Informatics Olympiad, Asian Pacific Mathematics Olympiad, French

Australian Regional Informatics Olympiad, Australian Mathematical Olympiad, Australian Mathematical Olympiad Committee's Senior Contest and the International Mathematical Olympiad Selection Exams.

Miss Louise Firth  
Coordinator of Maths@Saints

**1** Senior School prize winners in the Australian Mathematics Competition (AMC) Yitong Liu (Year 9), William Carrigan (Year 8), Nicholas Koh (Year 11) and Darren Nguyen (Year 10). **2** Hamann School Mathematics Competition (HSMC) prize winners Xian Huang (Year 12) and Darren Nguyen (Year 10). **3** Year 12 students Zihao Wu, Tsz Ngong You and Xian Huang competing in the UNSW ProgComp. **4** Students who achieved High Distinctions in the Computational and Algorithmic Thinking (CAT) competition. Back row: Miss Louise Firth, Xander Grice (Year 11), Gunin Singhal (Year 10), Darren Nguyen (Year 10), Zihao Wu (Year 12) and Mr Colin Becker (Junior School Extension Maths Teacher and Robotics Coordinator). Front row: Nicholas Savvoulidis (Year 5), Alexander Molga (Year 6), Caleb Scott (Year 6), Tao Wong (Year 5) and Matthew Liu (Year 7). **5** Nicholas Koh (Year 11), David Taylor (Year 9), Alex Koh (Year 9), Seb Birdseye (Year 9), Casper Cai (Year 9) and Xander Grice (Year 11) engaging in the lunchtime Informatics Program.

# Mooting

Despite the unpredictability of 2021, Mooting returned in fine form. The St Peter's College Mooting team was able to participate in both the South Australian Law Society and House Mooting competitions.

In the State Law Society Competition, the team faced strong opposing teams from St Peter's Girls' School, Cedar College and Walford Anglican School for Girls in exceedingly closely decided legal battles. The team led by Year 12 students Chamith Waragoda, Jonty Davies and Harry Mintz, saw fantastic opening and closing statements from key barrister Alexander Rouss (Year 12) and solid performances from the team's star witnesses James Loftus (Year 12) and Eton Williams (Year 12). The Mooting team demonstrated a strong sense of collaboration and

teamwork throughout the challenges presented this year.

In the House Mooting Competition, solid House participation led to strong representation and exceptionally close margins of victory. The teams prepared and presented their cases before judges from the Adelaide legal community, including old scholars and local solicitors. Students were able to participate in civil negligence and criminal cases during the round robin competition. The teams, comprised of House members from Years 7 to 12, resiliently worked towards understanding the Mooting competition and refining their legal skills in a variety of different legal roles including barristers, solicitors, witnesses, judges associates and sheriff's officers. The Grand Final was a rematch held

between the strong Farr House and Farrell House teams; in a brilliant display of legal prowess, Farr House secured the trophy.

Ms Ana Christensen  
Coordinator of Mooting

**1** Alexander Rouss (Year 12) and Alec Padfield (Year 12). **2** Eton Williams (Year 12). **3** Rajiv Paravithana (Year 11). **4** Farr and Farrell House Mooting Teams. Back row: Bingqi An, Lysander Tonkin, Will Begg, Guy Dello-lacovo, Ridho Redford, Gunin Singhal, Adan Khurram. Front row: Will Lawrence, Chamith Waragoda, Alexander Rouss, Alec Padfield. **5** Mooting Team. Back row: Ms Ana Christensen, Josh Wilson, Eton Williams, Myles Burrough, Ms Trudi Duggin. Front row: Alec Padfield, Harry Mintz, Alexander Rouss, Chamith Waragoda, James Loftus, Jonty Davies, Casper Cai

5

# Politics Society

Once again, through 2021 the Politics Society had to conform to the requirements demanded from COVID-19. Meeting every Thursday lunchtime in the boardroom of Old School House, we decided to expand our horizons, planning to potentially host an interschool debate with the likes of Wilderness School, and St Peter's Girls' School. On top of this, we were allowed free hot chocolate and biscuits for all members, allowing us to debate and argue in style and luxury.

The Politics Society hosted numerous and varying debates, including the rise of China, the influence of Trump within the Republican Party and wider American politics, and the growth of right-wing parties at home and abroad. However, the highlight of the year was the debate of

the legitimacy of Israel and the Palestinian State. Unlike previous debates, members pre-planned speeches and conducted research, foreshadowing the passionate speeches and rigorous debate to come. With passion like this, there was seldom a dull moment for members, and Politics Society quickly became the event of the week for each member.

Taking advantage of the extensive resources and opportunities afforded to us by the School, Politics Society was privileged enough to host the Hon. Peter Malinauskas, Leader of the Opposition at St Peter's College, to attend one of our weekly debates. Here we discovered his true passion for politics and the betterment of South Australia, while asking him about everything from the North-South Corridor,

to how he found himself as Leader of the Opposition in just a few short years. Mr Malinauskas offered us a valuable insight into life in politics, and the vital role that each and every citizen plays in the function of democracy in South Australia.

The future looks bright for the Politics Society as we aim for increased membership and engagement throughout the School in 2022, while hosting more guest speakers, and old scholars.

**Zig Jonats**  
Year 9 Politics Society Student

**1** Mr Joel Baker, The Hon Peter Malinauskas MP, Mr Tim Browning and Mr Thomas Ganzis (MAC 2019) with Year 9 students Zig Jonats, Maulik Singhal, Jack Hawkes, Alex Koh, Liam Duerden, Ben Northcote, Kosta Tolis.

# Public Speaking

2021 proved a positive year for our public speakers with the reinstatement of external competitions, as well as the popular uptake of our internal competitions. Several students used the restored opportunity to compete across the state, demonstrating their public speaking prowess, most notably in the Rostrum Youth Competition.

Similarly, the School's two prestigious internal competitions ran successfully. As part of these competitions, students are required to present a prepared speech on their chosen topic, as well as a short, impromptu speech, in response to an unseen prompt.

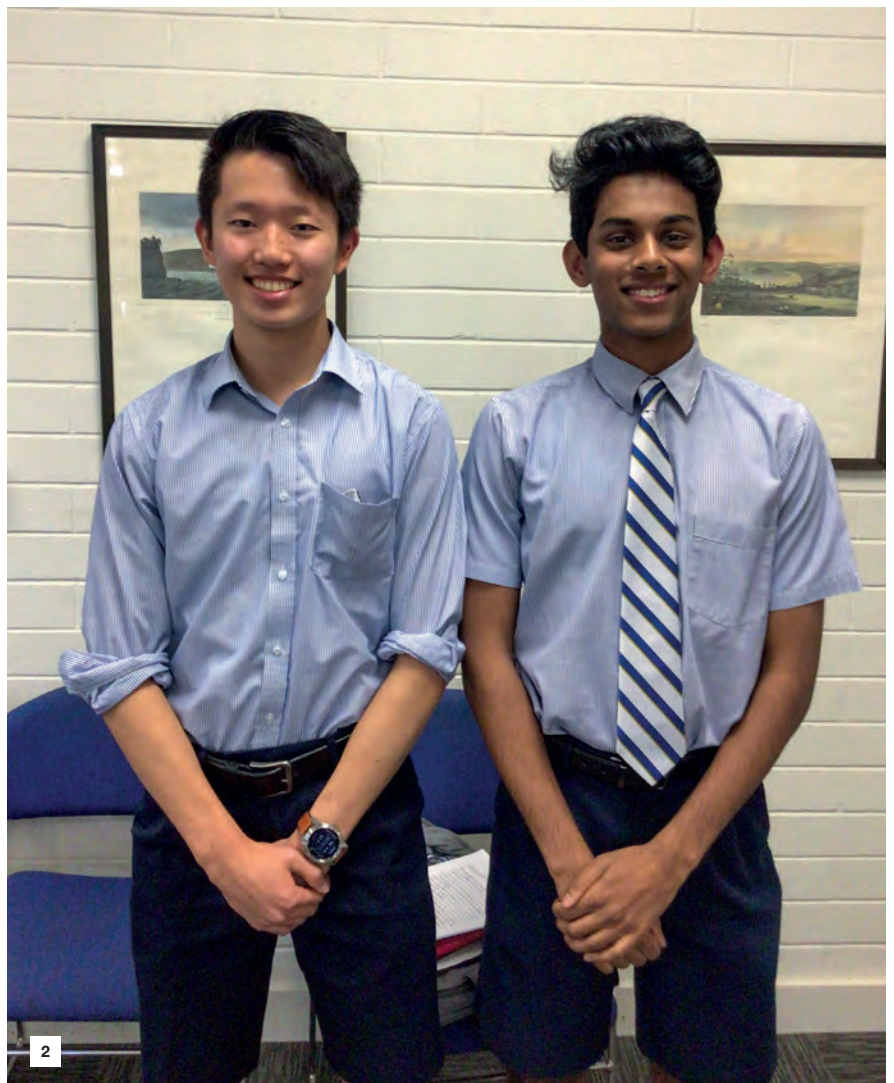

The Arnold Reid Public Speaking Competition, open to all students in Years 7 to 9, was held in Week 9 of Term 3. The competition, first established in 1945 and recently reinstated in 2010, enables students to exercise their public speaking and self-advocacy skills by supporting a cause, close to their hearts. Congratulations to our winner, Alexis Prakash (Year 8), who delivered an outstanding prepared speech, supporting the Black Lives Matter campaign and an impressive impromptu speech, celebrating the influence of William Shakespeare, in response to the topic 'My Role Model'.

Additionally, the long-standing senior W H Irwin Public Speaking Competition, an opportunity for students in Years 11 and 12, to showcase their abilities, was held early in Term 4. Finalists, Year 11 students, Nathan Choi and Rajiv Paranavithana, impressed both the judges and their Year 10 audience with highly emotive prepared speeches and impactful impromptu responses to the topic 'Life on Mars'. Congratulations to Rajiv Paranavithana, the 2021 winner of the 73rd W H Irwin Public Speaking Competition, for his creative impromptu speech, emphasising human nature's need for connection.

I look forward to seeing the program continue to grow and flourish, and congratulate all students for their time, efforts and contributions.

Ms Nia O'Loughlin  
Coordinator of Public Speaking

**1** Arnold Reid Public Speaking Competition finalists: Anirvan Iyengar (Year 8), Alexis Prakash (Year 8), Alex Koh (Year 9), Alex Howie (Year 8) and Damon Tatarelli (Year 8). **2** W H Irwin Public Speaking finalists Nathan Choi (Year 11) and Rajiv Paranavithana (Year 11).

# Robotics

2021 was a hugely successful year for Robotics in the Junior School.

Year 4 classes investigated earthquake producing machines and designed buildings to withstand them, and constructed and coded rowing boats. Additionally, they filmed a scene to tell a short story, and their final project was to create a working gym with exercise machines, and 'people' performing exercises. Most of the projects were created with minimal construction guides.

Year 5 classes continued to set up the space exploration of Mars, coding their robots to carry out important tasks. Year 6 classes had open-design projects where they created some of the following tasks: a pivoting safety fan, a scissor lift, a cherry picker, a showground ride or an arbot. All projects required both engineering and coding skills and there was an impressive range of models.

The co-curricular aspect of Robotics continues to flourish, and we had a busy and extremely successful year.

SPSC hosted the State RoboCup Junior Competition for the second year with outstanding results in the Primary and Secondary divisions. 32 SPSC teams competed in a field of 100 teams. The boys and their robots did an amazing job on the day, coming first (Charles Nguyen and Brayden Xu Year 6) and third (Hunter Di Blasio and Yifei Ren Year 6) in Primary Rescue, first (Easton Papps-Burford and Oscar Sounes Year 4) and third (Rupert White and Joshua Nguyen Year 5) in Standard Sumo and first in Secondary Rescue (Edward Gross and Aidan Du Year 8). This was our second year of competing in the secondary competition and the boys managed to halt Seaton High School's ten-year winning streak.

Due to COVID-19 regulations, we also hosted the SA chapter of the National Competition. This was our first attempt at the Secondary Rescue competition and Edward Gross and Aidan Du won the national event with Lochie Siow (Year 8) and Evan Nguyen (Year 8) runners up. We did not place in the Primary Division, but we

had our best results over the past four years finishing in fifth, sixth and seventh (Daniel Cao (Year 6) and Dan Nguyen (Year 6), Tao Wong (Year 5) and Charlie Camp (Year 5), and Charles Nguyen and Brayden Xu).

We completed the year with eight teams in the annual Sumo-mania Competition where Year 5 students Harry Steele and Joshua Bell won silver medals in the Open Division. 2021 will definitely be a difficult year to surpass!

Mr Colin Becker  
Robotics Coordinator

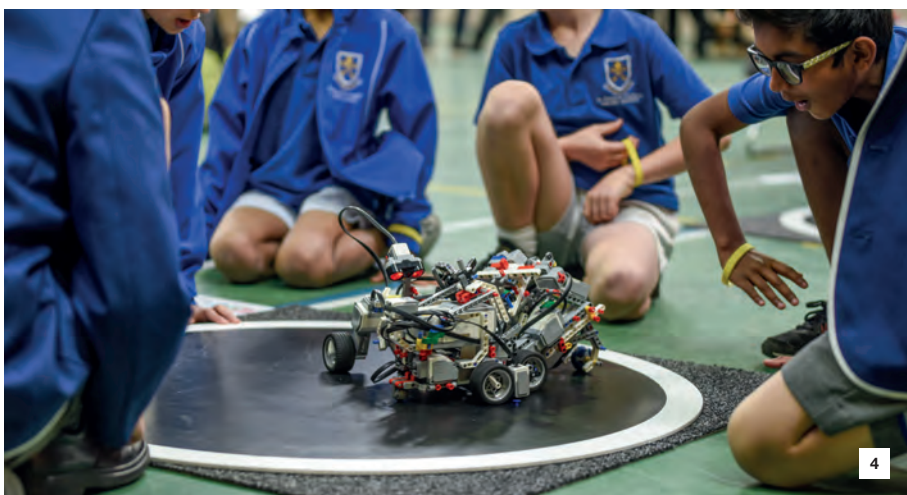

**1** Edward Gross (Year 8), Aidan Du (Year 8), Mr Colin Becker, Yifei Ren (Year 6), Hunter Di Blasio (Year 6), Brayden Xu (Year 6) and Charles Nguyen (Year 6) at the State RoboCup Junior Competition. **2** Year 5 students Harry Steele and Joshua Bell at the Sumo-mania Competition. **3** A rescue robot attempting to navigate a course at the State Competition. **4** Two SPSC Sumo-Bots doing battles in the arena at the State Competition. **5** Edward Gross (Year 8) and Aidan Du's (Year 8) robot on its way to being champion at the National RoboCup Competition.

# Service Learning

If Coronavirus has taught the world anything, it is that what affects one of us, affects us all. The forces that unite us as human beings can be simultaneously wonderful and fragile. Welfare organisations have reported an increased demand for their services and support, as many individuals face the financial and emotional consequences of enforced shutdowns or redundancy. Organisations such as Foodbank and Anglicare continue to face challenges in serving the Adelaide community at a time when their own donations have been radically reduced.

Students at St Peter's College have been involved in a variety of Service activities across the community for organisations such as Meals on Wheels, Puddle Jumpers and The Cancer Council. Many boys in Year 10 sourced and completed their own Service actions, finding individuals and

organisations to serve in both urban and rural South Australia. Other boys have been involved in the HAS Foundation, Seeing Eye Dogs and the socio-political situation affecting millions in Afghanistan.

Students in the Middle Years have been involved in self-generated actions, raising awareness of Childhood Cancer. They have also been involved in a beach clean-up, and actions identified by themselves and their mentors as being of primacy to themselves and their community.

Special mention must be made of Daniel Jesudason (Year 11) who was awarded the Service Medal this year. Daniel is an outstanding role model for Service. Daniel's service actions are diverse and include working in the Fiji health care system and raising the profile of UNICEF. Daniel initiated his own Service action, The Red Zone

Crisis Appeal, which raised awareness of life-threatening malnourishment of children in Yemen, Somalia and Liberia. In recognition of his work, Daniel has been chosen to represent UNICEF Australia as a Young Ambassador for South Australia for 2022.

The students of St Peter's College are tremendous ambassadors of the School's values of truth, respect and service.

Ms Kerry Skujins  
Service Learning Coordinator

**1** Year 12 students Thomas Mestrov, Ned Gauvin, Fred Potter and Dougie Scott-Young with the HAS Foundation's Ella Stratton. **2** Year 8 student Evan Nguyen presenting Childhood Cancer Association's Ms Louise Rodgers a cheque for the funds he raised. **3** Daniel Jesudason (Year 11), UNICEF Young Ambassador for SA.

# Sony Camp

On the first weekend of the September/October holiday break, St Peter's College and Wilderness School hosted the third Sony Foundation Children's Holiday Camp. Our boys in Year 11 were paired with Year 11 students from Wilderness and cared for 16 children with a disability for three days and two nights. Our guests, who ranged between eight and 14 years of age had varying degrees of developmental challenges, some relatively mild and others more significant. The selected students from both schools completed training in the months prior to the camp but, in many respects, the reality of what our students encountered couldn't be taught, but rather relied on their pragmatism, inner strength, sound judgment and human intuition. The camp was based in the St Peter's College Boarding House with students living in and making use of the School facilities. The 2021 camp also involved our guests experiencing the Blue & White with the set-up for our Senior students remaining in place for the Sony Camp.

In the words of Year 11 student Casey Van Heuven, "Sony Camp gave me the invaluable opportunity to understand what children with a disability go through daily, and the enormous toll this takes on parents and family when it is a normal part of their everyday life. It was an invaluable opportunity to give back."

The Sony Camp has become an important event on the St Peter's College calendar and provides an authentic opportunity for our students to understand the realities and complexities of life. While the camp involves a core group of Year 11 students taking responsibility for the care of our guests, it is the generous support and engagement of our wider community that makes the camp a success. Special thanks must go to the many staff who volunteered their time to help run the camp, and our Mission Guild for providing gift hampers to the families of the children involved in the camp. Finally a mention must be made of a very special team of Year 12 students in Oliver Beadman, Tobey Ledger, Ned Gauvin, Yash Patil and Darryl Chu who returned after their involvement in the 2019 camp to live-in and help ensure the camp was a success.

Mr Ray Pearson  
Director of Boarding, International & Indigenous Programs

1 The Sony Camp Blue & White. 2 Nathan Choi (Year 11) and his guest having fun at the Sony Camp Blue & White. 3 Henry Braithwaite (Year 11) and his guest and co-companion enjoying the food at the fair day. 4 Casey Van Heuven (Year 11) with his guest and co-companion enjoying the St Peter's College Pool. 5 Jake Nesbitt (Year 11) with his guest and co-companion at the fair day.

# Youth@Saints

Youth@Saints is an all-inclusive youth group which ran every Friday night during the school term, welcoming boys and girls from all schools and backgrounds in Years 7 to 12. As the year progressed we had up to 30 young people attending each week.

Our passion is engaging young people with the Good News of Jesus Christ, each term delving into a new topic and looking at it through the lens of Christianity. We covered topics such as the Meaning of Life and the Story of Christmas, to Jesus' good teaching and crazy Old Testament stories. Throughout the year students put forward their own questions about life, God, and everything in between, and we had a go at answering them!

Youth@Saints is also about creating a space of fun and fellowship, and we have been blessed to see so many new friendships form! Each week we play a variety of games, some active and loud, some tricky and creative, all of them fun, inclusive, and guaranteed to put a smile on your dial! Activity nights are also organised each term, including excursions (bowling, mini golf and bouldering) and on-site

activities, such as nerf gun wars, movie nights and real-life 'Among Us'. We also run a once-a-term 'Love Your Neighbour' night, where the youth get stuck into serving and supporting the local community. And of course there is our annual 'Weekend Away' at the school's Outdoor Education site at Finniss which always combines great activities (bike riding, paddling, campfires) with an opportunity to explore the Christian faith. Finally, Jesus teaches that eating together is essential for good fellowship, so we provide supper and snacks each week to round out the night.

We had an exceptional team of enthusiastic leaders and it has been great to see more and more youth coming along each week.

Rev Ben Bleby  
Coordinator of Youth@Saints

- 1 Roasting marshmallows on the campfire during our annual 'Weekend Away'.
- 2 Canoeing at the School's Finniss site.
- 3 Mountain bike riding.
- 4 Packing shoeboxes for Operation Christmas Child.

# Outdoor Education

# Year 10 Outdoor Education

The Year 10 Journey, the culmination of the Pushing the Boundaries Outdoor Education experience at St Peter's College, returned to the Flinders Ranges in 2021. We successfully implemented a new journey model involving the whole cohort being on program simultaneously on rotation around a circuit - with Wilpena Pound used as our base camp.

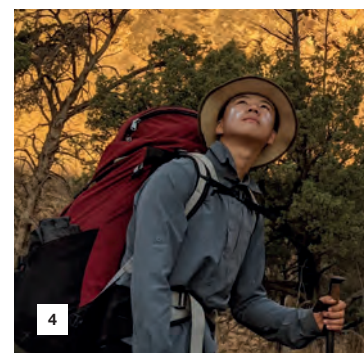

Over 21 days, eleven groups bushwalked sections of the world-renowned Heysen Trail from Blinman Pools, through Parachilna Gorge, to Wilpena Pound, and with spectacular views through Bridle Gap. Navigation skills were challenged with off-track walking sections. The journey was broken up with two to three days of cycling along the Flinders Ranges with Bike and Mawson Trails. A highlight for many, was the abseil from Rawnsley Bluff. There was also time to stop and reflect during the extended solo experience; focusing on the journey so far, the things for which we are grateful, and goal setting for the remainder of the experience.

Themes of challenge and perseverance are at the forefront of the Year 10 Journey. Faced with the enormity of the journey ahead, the Year 10 students quickly fell into the routine of being self-sufficient, setting up and packing up their campsite on a daily basis. Camping out under hutchies (tarp shelters) was a new experience for many, and students were put to the test when we experienced several wet and windy evenings, which is unusual for the Flinders Ranges.

The beauty of the Year 10 Journey lies in everyone experiencing similar challenges but at different stages. These times of challenge are a powerful means of building bonds and strengthening relationships. It is an excellent accomplishment to participate in the 21-day Journey, and the Year 10 students are to be commended for their commitment to one another and unfailing positivity.

Mrs Lisa Rowlands  
Acting Outdoor Education Program Manager

**1** Howard House students overlooking Wilpena Pound. **2** Puncture repairs. **3** Harry Bruce abseiling at Rawnsley Bluff. **4** Taking in the majesty of the Flinders Ranges. **5** Henry Reynolds, Tommy McDonald and Aidan Green with their hutchie shelters. **6** School & Allen House students. **7** Vithu Jayachakaran and Kristian Musolino hiking to Wilpena Pound. **8** Woodcock House students at Bridle Gap, Wilpena Pound. **9** Taking a break at Blinman Pools. **10** Setting up camp.

9

10

# Year 9 Outdoor Education

The 2021 Year 9 Outdoor Education experience was a seven-day program in Dhillba-Guuranda Innes National Park and the surrounding Yorke Peninsula, split across weeks 6 and 7 of Term 3.

In preparation for the Year 10 Journey, students completed a self-sufficient journey undertaking activities including bushwalking, cycling and surfing. In their House groups, students journeyed past the historic township of Inneston, Ethel Shipwreck and Cape Spencer Lighthouse. They were lucky enough to explore beautiful Shell, Browns and Gym beaches

and braved the cold waters to surf at Berry Bay.

The Yorke Peninsula is a beautiful location, which lends itself to exploring and enjoying the company of peers in nature. I had the privilege of visiting each group during both weeks and was impressed by the camaraderie; seeing boys going out of their way to be helpful and support one another. I look forward to seeing this spirit in next year's extended journey.

Mrs Lisa Rowlands  
Acting Outdoor Education Program Manager

**1** Exploring the beach. **2** Joshua Moro looking out on the ocean. **3** Enjoying a scenic break. **4** Carlos Liu enjoying a break from cycling, **5** Surfing at Berry Bay. **6** Hiking near Daly Head. **7** Will White cooking dinner. **8** Josh Thomson and Bailey Kerr bushwalking.

# Year 8 Outdoor Education

The Year 8 students started off the year by attending a Lead In Camp at She-Oak Run - the School's Outdoor Education facility. With the aim of preparing the students for their Year 8 Journey, they participated in activities including kayaking, bike riding, group initiatives and tarp shelter building.

Year 8 Journey took place in Mt Crawford Forest in weeks 2 and 3 of Term 2. In their mentor classes, students completed a loop-route venturing from campsite to campsite each day. Daily activities included kayaking on the Warren Reservoir, mountain bike riding, orienteering in the forest near Chalks Campground, summiting Mount Crawford, star gazing through telescopes with Mr Grice and camping out under a small group shelter for one evening. Cool evenings provided the perfect setting for sitting around the campfire and it was impressive to see the enthusiasm with which the boys took on the task of collecting firewood!

Having the opportunity to visit each class, it was rewarding to see the students enjoying each other's company and, with a little creativity, the group games that were invented and enjoyed by everyone.

Mrs Lisa Rowlands  
Acting Outdoor Education Program Manager

**1** 8CDH about to depart from Chalks campground. **2** 8JJG hanging around the campfire. **3-4** Riding the Mt Crawford trails. **5** Reuben Foster all rugged up in the rain. **6** 8LF kayaking on Warren Reservoir.

# Year 7 Outdoor Education

The 'Amazing Riverland Adventure' was a new and exciting five-day Outdoor Education journey, exploring the Murray backwaters of Chowilla Reserve, just north of Renmark.

Completed in mentor classes, students journeyed along the river while completing a series of activity checkpoints. Each checkpoint contained an activity which had to be successfully completed before groups could receive their next clue. Clues came in the form of a grid reference - the location of their next checkpoint - and groups had to put their navigational skills to the test to successfully progress. Checkpoint challenges came in a variety of formats including model building, a jigsaw puzzle, maths riddles, a first aid scenario, appreciation of nature and reflection activity and the list goes on. Thank you to the teachers who contributed a checkpoint challenge.

We used two modes of travel on our journey: canoeing and rafting. Impressively, groups constructed their raft, using barrels, planks of wood, and ropes. This was a real test of communication, creativity and teamwork, and the students did not disappoint. While inevitably on-the-river maintenance was required, overall construction of the rafts was very well done. The weather was beautiful, and we were lucky to enjoy warm days and the tranquillity of the Riverland environment.

Mrs Lisa Rowlands  
Acting Outdoor Education Program Manager

1 Canoeing the Murray backwaters. 2-3 Year 7 Lead In Camp.

1

2

3

# Year 6 Camp

During Week 3 of Term 4, Year 6 students journeyed to Kangaroo Island for an Outdoor Education adventure. Due to border restrictions, Canberra was not possible this year but we more than made up for it with an action-packed week of adventure. We were able to explore the cultural, historic and natural areas of significance on the Island.

We created two campsite communities at the Western KI Caravan Park and the Parndana Sports Club. Students spent two nights at each campsite. They worked together to set up their tents and even cooked a two-course meal on Trangia stoves. We were fortunate to be surrounded by native wildlife at the Western KI Caravan

Park, including a very noisy koala who made himself known in the very early hours of morning with his dulcet tones.

Our two, extremely well-informed, local bus drivers imparted so much knowledge about their community. We visited many locations including Flinders Chase National Park (including Remarkable Rocks and Admirals Arch), Seal Bay, Raptor Domain Birds of Prey Show, KI Wildlife Park, Hanson Bay and Stokes Bay. Extreme amounts of fun were had as we tobogganed and travelled by UTV at Little Sahara.

The effects of the 2019/2020 bushfires were still very evident on the environment and community. Seeing the extent of this natural

disaster and the regrowth that has occurred was a significant experience for all.

Students represented our community with excellence as we travelled around the island. Many students reflected on the kindness shown to them by other students throughout their time away, ensuring they didn't miss home too much.

Mr Christopher Sanders  
Year 6 Coordinator

**1** Exploring Remarkable Rocks at Flinders Chase National park. **2** Buggy ride at Little Sahara. **3** Having fun on Penneshaw beach. **4** On top of Prospect Hill. **5** Preparing for buggy tour at Little Sahara.

5

# Year 5 Camp

The Year 5 Camp, filled with adventure and unique learning experiences, visited Port Elliot, Victor Harbor, Middleton, and the surrounding areas.

The students and teachers took a ride on The Big Duck, had a surfing lesson, and enjoyed a delicious lunch from the Port Elliot Bakery. They also got up close to a number of native Australian wildlife, went bike riding, sailing, orienteering and participated in camp games such as the Web of Life.

The students were fortunate to have a local Aboriginal elder visit us at Finniss to teach the boys about the local fauna and flora and to help them paint their own indigenous dot painting designs.

It was a memorable experience that many of the boys have reminisced about over the year.

Miss Georga Pavy  
Year 5 Coordinator

**1** Mountain bike riding. **2** Pitching tents. **3** Harry Baker, William Harper, Joshua Bell, Harry Steele, Abhay Saini, Rupert White and Charlie Camp prepare for Sailing. **4** Learning how to fish. **5** Charlie Johnson, Harrison McClurg, Henry Escourt-Hughes, Joshua Bell, Charlie Camp and Thomas Pyke ready to catch some waves.

# Year 4 Camp

In Week 2 of Term 4, the Year 4 students ventured to the School's Finnis campsite for our 'Storm Boy' themed, two-night camp. In preparation for this exciting adventure, the classes read Colin Thiele's famous book set in the nearby Coorong region.

The camp offered the boys a wonderful opportunity to see firsthand the unique ecosystem described so beautifully in the book, with our trip to the Murray Mouth a highlight of our three-day experience. Many a 'Mr Percival' were spotted along the way, and the boys relished the opportunity to learn about native flora and fauna and even dig their toes in the lapping waves in search of the famous Coorong cockles.

Upon arrival at the campsite, the boys were required to call upon their collaborative and problem-solving skills to erect their tents.

A mad flurry of poles, pegs, flies and tents ensued as the boys raced to be the first group with a complete construction.

At the campsite, the boys participated in a range of varied and engaging rotations, with activities including: baking delicious choc-chip damper, competing against one another in a range of traditional Indigenous games, and constructing some not-so-structurally sound architectural masterpieces during shelter-building. As a fitting way to wind down from all this excitement, the boys were able to kick their feet up and watch the recent remake of the famous 'Storm Boy' movie.

Whilst sleeping in tents was a new experience for many, it was wonderful to see the boys rise to the challenge and offer support and camaraderie to each other.

The camp offered the boys the invaluable opportunity of further developing their independence and resilience, all whilst staring down the ever-present threat of mosquitos, and having many a laugh along the way!

Mr Julian Burke  
Year 4 Coordinator

**1** Roscoe Scott, Thomas Tsoutouras, James Nisyrios, Harrison Russo and Edward Tonkin. **2** Andrew Dahdah and Matthew Hill. **3** Harrison Moukachar and Cristiano Cavuoto. **4** 4W enjoying the fire. **5** Zain Shahyan and Shehroz Ayaz.

# Year 3 Camp

This year, we decided to give our boys a new and exciting camp experience. Along with our exceptional Outdoor Education Team, we planned a two-night getaway to Finniss for the first time.

Camp was in Week 1 of Term 4 and we were counting down the days from Term 1!

We arrived at school as the rain poured down but there was no way wet weather was going to dampen our spirits. The boys were bubbling with excitement as we piled onto the buses and headed for Finniss.

On camp we were immersed in so many excellent learning opportunities to help build our resilience, teamwork and personal skills.

Each boy had one night in a dorm and one night in a tent (inside the hall). It was so exciting to be away with your classmates,

and sleep was not a priority for many on night one. We were grateful for slightly more sleep on the second night!

A highlight of the camp was damper making. Mr Gelsthorpe and his group particularly loved getting their hands sticky. We learnt about orienteering and following maps to find our way around the magnificent property. We learnt about the Indigenous connections and heard dreamtime stories relating to the local area. We then represented the stories using nature to make images. On the last day we had a mini Sports Day where we did fun challenges to earn points for our class. The competitive spirit was alive and well as each class battled against their peer groups. We witnessed lots of laughs, plenty of cheering and, most importantly, great sportsmanship.

We were so impressed with each and every boy on camp. They were outstanding and an absolute joy to take away. What a fun time we had!

Mrs Emily Rogers  
Year 3 Coordinator

**1** 3S Students with Miss Jamie Schubert. **2** Haris Kajani. **3** Hugo Matthews and Bryce Boerema. **4** Parker Rohrlach, Harry Martin, Nicholas Yang, Poli Guo, Nathaniel Lange and Sebastian Chen. **5** Nicholas Yang and Oliver Tang.

# Year 2 Sleepover

As Friday of Week 4, Term 4 approached, curiosity filled the Year 2 classrooms as the boys demonstrated eager anticipation for the Year 2 Sleepover.

Students maintained their level of enthusiasm on the evening of the sleepover as they arrived back to their classroom at 5.30pm, setting up their beds before playing games and dancing to some fun music compiled by Mrs Carey. Following this, the boys enjoyed a delicious sausage sizzle cooked by Mrs Taylor and Mr Storer and served up by Mr Browning and teachers, before engaging in a range of fun, team-based activities with the staff from the Outdoor Education Team.

Afterwards, the boys rugged up in their jackets and donned their head torches to embark on a night walk around the School grounds in search of the elusive 'White

Fox'. We had several sightings on the walk and we enjoyed singing songs with Mrs Carey from our 'Sesame Street Concert' as bats circled Palm House Oval.

On return from our night walk the boys were weary and ready to lie down, eat popcorn and watch a movie before heading off to bed for the night. Sounds of laughter and joy filled Higgins Hall as the students watched 'The Little Rascals' movie. This movie was enjoyed as much by the teachers as it was the students!

In the morning, the boys ate a scrumptious breakfast of croissants and cereal before playing on the Year 3/4 playground and watching some Saturday morning cricket on both of the pristine Junior School ovals.

Over the entirety of the sleepover, students demonstrated the character strengths

of teamwork, perseverance, kindness, gratitude and zest. Every boy displayed wonderful manners toward staff and each other, ensuring everyone had a wonderful time.

A special thank you to the teachers who supported the boys during the sleepover this year: Mrs James, Mrs Leyson, Mrs Carey, Mrs Norman, Madame McLachlan, Miss Procopio and Mrs Hanna.

Mrs Samantha Irvine  
Year 2 Coordinator

**1** Looking for the White Fox. **2** Preparing for our night walk. **3** Settling in. **4** Vinuk Gunawardena and Yash Ingole.

# Sports

# Athletics

The 2021 Athletics season saw many changes to the program at the start of the year with the appointment of a new Head Coach and lead coaches in each discipline. The number of training sessions also increased with the introduction of specialist discipline training sessions and additional morning trainings. The hard work paid off as the boys dominated interclub competitions during Term 1. This led to the Saints Athletics Club winning pennants in the men's U14, and U16 divisions for the 2020-2021 season and multiple students qualifying for, and competing in, the 2021 Australian Track and Field Championships.

In Term 4 the Athletics Squad returned to their dominant ways, leading the interclub point tallies in the Under 14, 16 and 18 divisions by the conclusion of the school year. Furthermore, many students qualified for the 2021 National Track and Field Championships at the VIVA SA All Schools Cup in October, winning three gold, four silver and three bronze. Meshach Begg (Year 12) and Jack Blackburn (Year 12) did an excellent job of motivating the squad as the Captain and Vice Captain respectively. Tony Checker (Head Coach), Rick Wilson (Head Track Coach), Rob Melin (Head Throws Coach) and Lio Ferrante (Head Jumps Coach) and the rest of the coaching and management team should be acknowledged for their commitment to helping the boys achieve their best throughout the year. Overall, it was an extremely successful year

of Athletics with the squad in a very good position leading into 2022.

- Athletics Captain: Meshach Begg
- Athletics Vice Captain: Jack Blackburn

## Australian Track and Field Championships

The following students represented South Australia at the 2021 Australian Track and Field Championships held in Sydney during the Term 1 school holidays:

- Adam Goddard (Under 20 1500m and 3000m)
- Jonathan Harris (Under 17 800m and 1500m)
- Ian Irwin (Under 17 100m)
- Stephen Lacroix-Sneyd (Under 15 400m and 800m)

Jonathan Harris (Year 10) should be commended for making the finals and achieving personal best times in both of his very competitive events.

Adam Goddard (Year 12) should also be commended for making the finals in both of his events, taking the bronze in the Men's Under 20 1500m and the silver in the Men's Under 20 3000m with a personal best time of 8:19.15.

- National Representation: Adam Goddard

Dr Hamish McTernan  
Coordinator of Athletics

## Achilles Cup

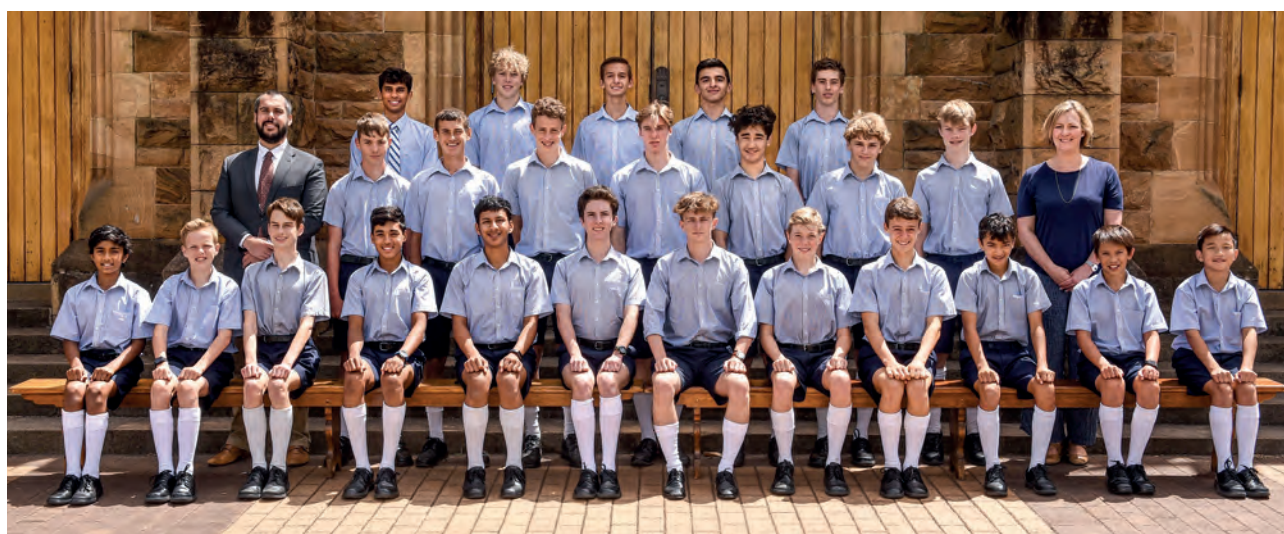

The early challenge from a talented Trinity College Team raised the anxiety level amongst the SPSC faithful and the question, 'Is this going to be the year?' was being asked. The athletic fraternity is aware of the very high standards St Peter's College sets and so it was that the 2021 team responded to the Trinity challenge. For the 48th time (from 49 attempts) SPSC prevailed in outstanding fashion, winning by 187 points. Captain of Athletics Meshach Begg, with his usual broad smile, proudly accepted the Achilles Cup, along with the Intercol Trophy and four out of five age pennants.

In a further accolade to his stellar athletic career, Adam Goddard, accepted the Tony Keynes Medal for his near record effort in the Open 1500m, missing the mark by a mere 0.78 of a second. In his presentation Tony Keynes (SCH 1970) stated, 'in SPSC's 150 years of athletic competition, Adam is the best athlete ever to grace its fields.'

### Achilles Cup (Group A)

St Peter's College	1452
Trinity College	1265
Immanuel College	988

**1** Athletics Team claim 48th Achilles Cup with Adam Goddard (Year 12), Joshua Moro (Year 9), Jonathan Harris (Year 10) and Meshach Begg (Year 12). **2** Jonathan Harris (Year 10) at the SSSSA A Grade Athletics Championships.

### Athletics Squad

**Back row:** Yash Patil, Lachlan M Bell, Joshua Moro, Jordan Primaro, Ethan Allison

**Middle row:** Dr Hamish McTernan, Lachlan Kamencak, Bailey O'Neil, Oscar Slattery,

Gabriel Finocchiaro, Nick Bowes, Ian Irwin, Rory Blackburn, Mrs Annette van Rensburg

**Front row:** Nathan Randeniya, Ethan Wadsworth, Alec Disney, Haseef Emad, Maulik

# 150th Athletics Carnival

After four weeks of trials and a week of build-up with distance events at lunchtimes, the Senior School Athletics Carnival opened in fine weather and a sea of House colours. Da Costa House proved very strong, taking out the Junior House Cup, Senior House Cup and the overall Champion Athletic House trophy from a gallant Woodcock House. Adam Goddard (Year 12) had an outstanding carnival, setting three records, sharing the AK Gordon Trophy with Jonathan Harris (Year 10), winning the Taylor Medal as the Open 1500m Champion and tying with Joshua White as the 2021 School Athletic Champion.

Mr Laurence Humphreys  
Athletics Carnival & Achilles Cup Coordinator

## Achievements

AK Gordon Trophy (Most Outstanding Performance of the Carnival)

- Adam Goddard Open 3000m (sixth consecutive AK Gordon Trophy)
- Jonathan Harris Under 16 800m

CI Taylor Medal (Open 1500m Champion)

- Adam Goddard Open 1500m

College Cup (awarded to Open Champion)

- Adam Goddard
- Joshua White

# Badminton

There was no break for the Badminton program over the summer holidays in the lead up to the new school year. Seven weeks' worth of holiday training for both Junior and Senior School students, a comprehensive coaching course for our coaches and the inaugural St Peter's College Badminton Championships all occurred before Term 1 had even began.

164 students participated in Badminton in the Senior School in Term 1 across 17 teams. It was a successful term with all teams contributing to a 78 per cent win over the 76 matches played. Following a number of closely contested matches in the Open A division, it was the SPSC Open A Blue team who clinched the SAAS Open A Shield.

On Thursday 25 March, SPSC hosted Prince Alfred College for the 31st Badminton Intercol match. Our first team proved too strong, winning the match 11-1. This was an excellent performance from the boys and capped off a very successful and eventful term of Badminton.

Throughout terms 2 and 3, students who were keen to continue with their training were given the opportunity to do so. The off-season always provides an opportunity for students to focus on developing the technical side of their game without the distraction of interschool competition.

Towards the end of Term 3, our first team successfully defended their School Sport SA Open Boys State Knockout Badminton title defeating Marryatville, Glenunga and Norwood Morialta in the final. This was the third consecutive win for SPSC in this event.

In Term 3, another new event was added to the Badminton calendar: the St Peter's College Open Badminton Championships. This event attracted the strongest players from other schools to participate in an individual tournament at SPSC and provided a great opportunity for our students to pitch themselves against more challenging opposition on home turf.

In the absence of Year 12 students in Term 4, the Badminton program comprised 135 boys across 13 teams. Over the 71 matches played, our teams won 49 of them, a 69 per cent win. Term 4 saw the introduction of new leaders to the program with Tommy McDonald and Bingqi An being appointed as Captain and Vice Captain respectively. Our Year 8/9 boys also won the School Sport SA Year 8/9 Boys State Knockout title defeating Glenunga, Adelaide High and Aberfoyle Park in the final. This was the third time in four years our boys have won this event.

Unfortunately, no national carnivals were hosted by Badminton Australia in 2021 due to COVID-19 and hence no St Peter's College students were able to be selected for state representation.

**Mr Stuart Rowlands**  
Head of Badminton

# Basketball

## Junior School Basketball

The 2021 St Peter's College Junior School Basketball season was a great success. Over the course of the year, students from Years 3 to 6 participated in small group and team training sessions aimed at developing fundamental skills and team play.

In Term 1, 44 Year 3 boys participated in training sessions led by both Senior and Junior School coaches, including two former captains of Basketball, Ethan Yeo (HWD 2016) and Julian Hallworth (HWK 2018). These trainings focused on introducing the game through individual skill building and cooperative team play. All participants demonstrated great improvement in these areas and hopefully choose to pursue Basketball in 2022.

In Terms 2 and 3, boys in Years 4 to 6 participated in interschool competitions and team trainings. In addition, an optional extra skill session was added this year as a way for students to gain extra training and skill development. St Peter's College was represented by five Year 4/5 Teams, participating in the Tuesday afternoon school competition at the Mars Sporting Complex. The School also entered three Year 6 teams who participated in the Friday afternoon competition at the Red Centre. Basketball Captain Caleb Scott represented the School well and displayed consistent teamwork and encouragement. All teams were competitive and performed well during the season, with players displaying improved skills and a developing team game.

Everyone should be proud of the effort and time put into the 2021 Basketball season. Each individual displayed sportsmanship, teamwork and made significant improvements throughout the season.

- Basketball Captain of Sport – Caleb Scott
- Representative Team – Congratulations to Caleb Scott (Year 6) on being selected to represent St Peter's College at the Harry Long Basketball Tournament

Mr Matt Lycett  
Coordinator of Junior School Basketball

# Basketball

## Senior School Basketball

The SPSC Basketball Program had an excellent year in 2021. For the seventh consecutive year we were the largest school Basketball program in the state, consisting of a total of 27 teams and 236 students across the Senior, Middle and Junior schools.

### Preseason

Led by their new Captain, Thomas Mestrov (Year 12), and Vice Captains, Ben Korte (Year 12) and Will Tremaine (Year 12), the Open 1st squad began their preseason early in Term 1 with the goal of finishing at the top of their pool and qualifying for the state tournament. The Middle 1st squad trials commenced shortly after, with 28 students competing for 18 spots. Year 9 students Dhruv Joshi, Alex Kourani and Ben Northcote quickly emerged as the squad leaders. In preparation for the season, both squads spent one lunchtime session a week in the weights room, pushing themselves to develop their fitness under the guidance of our Strength and Conditioning Team.

Senior School tryouts were held in the final week of Term 1. Both our Senior and Middle School players were divided into four squads and introduced to their new coaches. 2021 saw the introduction of a standalone Year 7 competition. Senior School teacher and long serving coach, David Scott, oversaw all 26 students, dividing them into four even teams.

The Term 1 holiday camps provided a terrific opportunity for all SPSC Basketball players to prepare for the upcoming season. Over 90 students from Years 3 to 12 participated in the camps, which took place on the first three days of the holidays. North Adelaide's all-star forward and SPSC coach, Tobias Dowdell, ran the majority of the sessions, which involved students rotating through a variety of skill building stations before playing competitive games.

### The season

In their first year playing against a similar age group, our Year 7 teams were outstanding. Across each of the teams the boys won 19 out of 25 games, displaying great promise for years ahead. Our Middle School boys made huge strides throughout the season with many of the squads increasing their training time by half an hour. Our top four Middle School teams capped off the year with some very competitive games against PAC, in which SPSC had one loss, a draw and two wins. A big congratulations goes to our Middle 1s; the boys had a terrific season, winning 8 out of 9 games.

Our Open Boys were very competitive in each of the five competitions they played in. We featured three teams in the Senior 2 competition, which was won by our Senior 2 Red team, with a stellar record of seven wins and two losses.

Our top three Open teams (Open A, B and C) had superb seasons. Open C finished with a record of six wins and three losses, which included five straight wins in Term 2. After losing their first game to Sacred Heart College, our Open B Team went seven and one to finish second in the competition behind Trinity College. They capped off their year with a two-point win over PAC. The Open A Team achieved their goal of qualifying for the state tournament. The boys played outstanding defence all season and were a dynamic offensive team. They won a number of tight games against teams that were favoured to beat them, including Cabra Dominican College, Concordia College and Nazareth College, to finish top of their pool.

The final competition of the season was the Harry Long Tournament, a Year 6/7 tournament named after the former Principal of Mannum Primary School. After two weeks of tryouts, 10 students were selected for the SPSC team. The boys played six games, winning four and losing two, to finish in third place.

Thank you to each of our graduating Year 12 students who spent time in the Basketball program, a number of whom have been playing Basketball since the Junior School. It is great to know that some of you will be returning to coach for SPSC while others will go on to play for our old scholars. We wish you all the best in the future.

Mr Todd Matthews  
Director of Basketball

### State Team representation

Harry Bruce (Year 10) had an outstanding year of Basketball. He was named in the Under 18 State Team, which competed in the National Tournament in Werribee, Victoria. Harry was also exceptional in the school Basketball competition, winning the Most Valuable Player Award for the Open A1 competition and being named in the All-Star Five.

Three SPSC students were invited to try out for the Under 18 Adelaide Invitational Carnival. Only the top eighteen players in the state are selected, who go on to try out for the State Team. Three SPSC students made the team, including Harry Bruce (Year 10), Emil Kourani (Year 10) and Harvey White (Year 10). We wish the boys all the best in the state trials next year.

1 Harry Bruce (Year 10) was awarded the Most Valuable Player Award for the Open A1 SAAS competition.

# Chess

## Junior School Chess

The Junior School Chess Club continues to be popular, with over 40 boys in 12 teams competing in the SA Junior Chess League (SAJCL) Primary Schools competition. Thank you to Dimitri Savvoulidis (Year 12) for assisting during Chess competitions throughout the year and Junior School Chess Captain Adi Baghel (Year 6) for his support and help.

Congratulations to B Blue: Daniel Cao (Year 6), Ryan Weinert (Year 6), Jamie Wong (Year 6) and Nicholas Savvoulidis (Year 5), B Pink: Adi Baghel (Year 6), Jason Li (Year 6), Sambhav Tegginamat (Year 6), Divith Kodali (Year 6), Raghu Byka (Year 6), and C Gold: Lucas Chen (Year 4), Lohit Byka (Year 4), Aarnav Sanghavi (Year 5), Anay Mittal (Year 4), Jack Lai (Year 4), Abhay Saini (Year 5), Eric Yang (Year 5),

Henry Ye (Year 4) who made it into the B and C finals. B Blue finished fifth overall and C Gold finished sixth.

The Evelyn Koshnitsky (EK) Shield Team of Joshua Joshi (Year 7), Vinh Lam (Year 7), Jacob Liao (Year 7), Nathan Tang (Year 7), Adi Baghel (Year 6), Lohit Byka (Year 4), Daniel Cao (Year 6), Ryan Weinert (Year 6), Lucas Chen (Year 4), Nicholas Savvoulidis (Year 5), and Jamie Wong (Year 6) finished fourth.

House Chess saw 10 boys from each House participate and in a very tight finish the results were 1st Stokes-Ware House, 2nd Clayton-Dyer House, 3rd Alliston-Jones House and 4th Brooks House.

Mrs Trish Bartholomaeus  
Chess Coordinator

1-2 Junior School House Chess. 3-5 SA Junior Chess League.

## Senior School Chess

'You must take your opponent into a deep dark forest where 2+2 = 5, and the path leading out is only wide enough for one.' - Mikhail Tal, World Chess Champion 1960-1961.

It is with this kind of thought and declaration that the St Peter's College Chess players entered the 2021 season. Once again, coach Alan Goldsmith inspired the boys with games that highlighted moves and traps the opposition wouldn't expect. This helped to build the boys into attacking players, looking to be proactive on the board. Alan was also supported by old scholars Thomas Jose (YNG 2020) and Xavier Georgitsis (HWK 2020), who helped challenge the boys in trainings or deconstructing matches.

Division 1 was bursting at the seams this year, with four teams actively engaged in the competition. All the teams were super competitive in an extremely tough group, with new blood coming in from Botanic High School and Adelaide High School. Congratulations must go to Team Blue who came third overall in the competition, just behind PAC.

In the Division 2 competition, five teams attacked the games against 19 teams from all over Adelaide. There was some excellent growth in this division, leading to many boys looking to move up boards or divisions in 2022.

The Year 7 students also played their final year in the Primary competition before moving up to Division 1 and 2 next year. These boys were involved in some of the longest matches of the season, in particular William Adams-Leask (Year 7) and Joshua Joshi (Year 7) who both were engaged in one and a half hour epics.

Once again, the Chess Intercollegiate Match against PAC proved to be an intense and competitive event. Although the end score was 2.5-7.5, many of the matches went for more than two hours and went down to the final few moves. The boys on the team played hard with Chathula Kiripitige (Year 12) and Dimitri Savvoulidis (Year 12) securing wins, and James Loftus (Year 12) a draw. Nicholas Koh (Year 11) was also able to pull out a draw in the reserve boards. It must be said that Chathula also remained undefeated in his seven years with the Intercollegiate team, which is an outstanding result considering the high-level competition he has played over the years.

Thank you to all boys involved, parents for their support on the long Friday nights, Miss Patton for her excellent management, and the 2021 Captains for an excellent year.

Mr James Carter  
Coordinator of Chess

### Achievements

- House Chess Winner: Short House
- Senior Chess Champion: Chathula Kiripitige
- Runner-up Senior Chess Champion: Luca Paull
- Junior Chess Champion: Andrew Xu
- Runner-up Junior Chess Champion: Alex Ma

# Cricket

## Junior School Cricket

Junior School Cricket fielded nine teams across Years 4 to 6 with over 100 boys representing the School each week.

We once again were able to staff our teams with some outstanding coaches, including current teaching staff as well as some outside coaches. These coaches brought with them a vast array of cricketing knowledge, which has continued to improve the standard of cricket at SPSC.

Each team experienced a level of success throughout the season, with every boy to be commended on contributing to their team in some way.

The continuation of the Woolworths Junior Blasters program for boys in Reception to Year 2 was another popular component of our Cricket program. This program, run by SACA trained coaches, is a fantastic introduction to the sport and all boys had lots of fun each week learning the fundamentals of the game.

Congratulations to Jordy Brown and Will Atkins who were selected to represent the North Adelaide District in the SAPSASA State Cricket Carnival.

I would like to thank all students, staff and parents involved in the Junior School

Cricket Program as without their support our program would not be as successful. I would also like to thank the grounds staff for the fantastic work they do in preparing the grounds and practice wickets each week.

· Junior School Cricket Captain:  
Sebastian Harms

Mr Jason Cosgrove  
Junior School PE and Sports Coordinator

1-2 Summer House Games.

# Cricket

## Senior School Cricket

The 2021 Cricket was a year to be grateful for the quality of life we enjoyed in Adelaide compared to other major cities around Australia and the rest of the world. Whilst a significant amount of rain over October and November forced many cancellations across Adelaide, the grounds of St Peter's College were kept in fantastic condition, with very few cancellations. We are truly grateful to the grounds team for their forward thinking and efforts this season to get our players on the field more than any other school and most junior clubs.

The annual Neil Dansie Festival was the only COVID-19 Cricket victim this season, with the scheduled Toowoomba tour cancelled due to outbreaks on the east coast throughout 2020.

### On-field highlights

- The 2nd XI won the SAAS Open Division 2 premiership, chasing down Christian Brothers College's 1st XI score of 107, three wickets down in 15.1 overs at Karen Rolton Oval. Congratulations to coach Barrie Bryan and each of the 20 players who contributed to the successful season.
- The 10As had an undefeated year. Well done to coach Bill Burnett and a committed and talented group of Year 10 players who contributed to another

successful year of Cricket. This team was also undefeated as a Year 9 group in 2020.

- The 1st XI went down in a tight semi-final to a strong Sacred Heart College Team.
- Centuries were scored by Noah Latimer (Year 9) 102 vs Pembroke School and Gurjot Singh (Year 12) 103 vs PAC.
- Five-wicket hauls were recorded by Noah Browning (Year 11) 5/17 vs Adelaide High School, Patrick Rodgers (Year 11) 5/11 vs Pembroke School and Ryan Stockhoff (Year 8) including a hat trick vs Sacred Heart College.

### Off-field highlights

- Fantastic work from the Cricket Support Group, who contributed to fundraising and friend-raising throughout the season.
- Batting, bowling, wicket-keeping and (all-new) fielding craft sessions continued with over 100 players taking advantage of the specialist coaching made available on different mornings throughout Term 1.
- Strength and conditioning continued with cricket-specific gym sessions.
- Individual development plans, allowing players to reflect on their development, map their own growth, and set meaningful goals to be discussed with their coaches.

- The inaugural SPSC Premier League held in the Term 3 break, kick-started the season and boosted camaraderie between players of different year levels over two days of T20 Cricket.
- Establishing a link with SACA and women's cricket with matches against the Adelaide Strikers, SA Scorpions and State Under-18 women's team.
- Education session with Emily Hartley, Nutritionist at Port Adelaide Football Club, educating senior players about match preparation.

Finally, a huge thank you goes to all the parents who commit effort and their scarce time to give their children the chance to play cricket each weekend.

State Team representatives:

- Adam Freeman (Under 17)
- Seb McVann (Under 17)

Mr Jeremy Borgas  
Cricket Coordinator

**1** Sam Warrick (Year 12). **2** Harrison Moule-Hooworth (Year 11).

# Cross Country

## Junior School House Cross Country

Week 2 of Term 2 saw students from Years 3 to 6 compete in the annual Junior School House Cross Country. This year it was great to have boys sitting in their House areas cheering on all competitors as they tackled the course. The boys ran in their year of birth over distances of 3km, 2km and 1km.

The 1km course was set out over the Junior School and this year ventured onto the Main Oval. The number of laps run was determined by those age group.

All boys are to be congratulated on their efforts throughout the event as they strived to do the best for their House.

Thank you to Mr Jeremy Cini for setting up the course. Thank you also to the Junior School staff for their involvement and support of the day, and their willingness to adjust to the change in program.

For the second year, our Junior Primary boys joined in on the action, running a modified course for their event. The boys from Palm House were excited to be involved and showed great determination to complete their runs. They all looked fantastic wearing their new House tops and it was so great to see every boy run past the finish line with a big smile on their face

Mr Jason Cosgrove  
Junior School PE and Sports Coordinator

Congratulations to the following boys for placing in the top three for their age group.

### Born 2009

First	Oliver Kirkness
Second	Louis Bizot
Third	Caleb Scott

**Front row:** Nicholas Cleanthous, Patrick Reeve, James Hollington, Christian De Angelis, Jack Lai, Andrew Lucas, Henry Ye, Ishaan Parasivam, Benjamin Wang

## Senior School Cross Country

The St Peter's College Cross Country team recorded another season of great results. With 24 boys in the team, their combined effort secured SPSC the Sports Association for Adelaide Schools (SAAS) trophies in both Junior and Senior categories.

The team also demonstrated notable achievement in the 2021 State Cross Country Championship at Oakbank. The championship is well known for its challenging course, unforgiving weather and high-level competition. Our runners demonstrated their best effort, strong camaraderie and growth mindset in completing their designated race. Results are detailed below.

- Under 16 Individual (1st place): Jonathan Harris (Year 10)

- Under 16 Team (2nd place) in the 5km event: Jonathan Harris (Year 10), Ethan J. Allison (Year 11), Darcy Collins (Year 11) and Harry Hayes (Year 11)
- Open Team (2nd place) in 6km event: Henry Braithwaite (Year 11), Alexander (Dougie) Scott-Young (Year 12) and Fraser Connel (Year 11)

The season concluded with the inter school relay championship at Mercedes College. Once again, our team delivered some outstanding results that are detailed below.

- Primary category (1st place): Jack Hollington (Year 7), Louis von Doussa (Year 7), Oliver Maung (Year 7) and Gustaw Czechowicz (Year 7).
- Junior category (2nd place): Lachan Monu (Year 9), Harrison Sheridan (Year 9), Donovan Fahey (Year 8) and Stephen Lacroix-Sneyd (Year 8)

- Senior category (2nd place): Henry Braithwaite (Year 11), Fraser Connel (Year 11), Alec Disney (Year 11) and Darcy Collins (Year 11)

### Achievements

- Sports Association for Adelaide Schools (SAAS) Junior (Years 7 to 9) trophy.
- Sports Association for Adelaide Schools (SAAS) Senior (Years 10 to 12) trophy.

We can all be proud of another triumphant season.

Mr Brian Wong  
Cross Country Coordinator

### Cross Country

**Back row:** Adam Goddard, Charles Lewis, Jonathan Harris, Will Fitzgerald

**Middle row:** Mr Rick Wilson, Mr Brian Wong, Jack Hollington, Henry Braithwaite, Mr Zac Connell

**Front row:** Oliver Maung, Lockie McKenna, Louis von Doussa, Alec Disney, Ethan Cross, Harrison Sheridan

# Debating

No element of competition was held back in the 2021 Debating season at St Peter's College. We began with the Junior House Debating competition, and saw eager young talent in our Years 7, 8 and 9 cohorts compete for one of the first inter House competitions of the year. In a very closely contested grand final between Farrell House and Young House, Young House were victorious in the 2021 competition.

South Australian debaters were lucky to embrace the SADA interschool debating competition in an unhindered season – something the community has been thankful for after an interrupted season in 2020 due to COVID-19.

We saw excellent development in technical skill and confidence surrounding case structure, rebuttal, and tackling different topic forms thanks to the initiative and commitment of Senior debaters with their involvement in highly successful student coaching programs.

In a tightly contested debate, the Senior A1 team emerged victorious in a split-decision win (2:1) at the 31st Debating Intercol against Prince Alfred College. Employing their season-long development, thanks to the experienced coaching of old scholar Shiva Mukherjee (SHT 2020), the First Team was able to bring home the John Bannon Shield.

It was exciting to see the enthusiasm and commitment in the program grow, undoubtedly pushing the horizons further for Debating at St Peter's College.

- Captain of Debating:  
Chirath Lekamge
- Vice Captain of Debating:  
Sachin Ravindran
- State Team Representative:  
Xander Grice
- Intercol Best Speaker Award:  
Xander Grice

# Football

## Junior School Football

In 2021 the Junior School fielded three teams in the SAAS Football competition; two Year 4/5 teams and one Year 6 team.

Throughout the season, our teams recorded some outstanding results and our boys are to be congratulated for the way they approached their Football this year. Whilst fiercely competitive, they competed with a high degree of sportsmanship.

Year 6 students Jordy Brown, William Atkins, Callum McLachlan, Darcy Thatcher, Spike Yates and Sebastian Harms, were all selected in the North Adelaide District SAPSASA Football side that competed in the State Carnival. The boys represented both the North Adelaide District and St Peter's College exceptionally well.

I would like to thank Mr Jeremy Cini and Mr Ben Storer for once again taking on coaching roles this year.

Over 40 Year 3 students participated in the Football skills sessions conducted in Term 3. The sessions were conducted by Mr Sam Elliott, Director of Football along with a number of our 1st XVIII team.

I look forward to watching our footballers develop over the years as they continue their Football journey.

· Junior School Football Captain: Louis Bizot (Year 6)

Mr Jason Cosgrove  
Junior School PE and Sports Coordinator

### Football Year 6 Blue

**Back row:** Charlie Gauvin, Oliver Coleman, Sam Lake, Sasha Neledva, Harry Loan, Fabian Johnson

**Middle row:** Mr Jason Cosgrove, William Atkins, Archer Papps-Burford, Kaspar Jongeneel, Jacob Phipps, Sebastian Harms, George Tsamandanis, Ben McCorley

**Front row:** Spike Yates, William Bodycote, Darcy Thatcher, Peter Yong, Louis Bizot, Callum McLachlan, George Xenophou, Jordy Brown, Tom Lamphee

### Football Year 4-5 Blue

**Front row:** Easton Papps-Burford, Hugo Yates, Thomas Tsoutouras, Huxley Papps-Burford, Louis Snow, Oscar Sounes, William Harper, Sebastian Gilbert

## Senior School Football

The 2021 St Peter's College Football program experienced another year of significant development, with 275 students participating in 10 teams across the Senior School.

With the easing of COVID-19 restrictions, we had a clear program ahead of us and hit the 2021 season running. We had a structured training program across all year levels and grades to make the most of training in rotations, allowing all boys to work in small groups to receive more effective coaching. All training sessions covered the fundamental skills of the game then expanded to game sense, and competitive and ball movement concepts. Analysing the fixtures gave us a sense as to how successfully we were developing a 'Saints way' of moving the ball. Our attacking and free flowing game style was pleasing and allowed us to continue to develop our skills over the season.

With a current teaching staff member managing each year level, there was greater consistency across year levels and a higher level of communication. I would like to thank all staff members involved and acknowledge their positive impact on the Football Program.

Our Parent Support Group, led by the Higgins Family, created a positive link between the parent community and the School. A sincere thank you to the parents involved; running a BBQ for our home games and providing food for after match 1st XVIII functions was greatly appreciated by all involved.

The strengthening of our Indigenous Round and Beyond Blue Round has been significant. Watching boys from all teams gather before these fixtures was impressive. Students showed great maturity conducting these pre-match presentations. We look forward to continuing to expand and develop these rounds in the future.

It is exciting to watch St Peter's College students play Football and see their game style and behaviours improve week by week. I look forward to following the continued development of the boys and the Football Program in the years to come.

### Achievements

# Hockey

## Junior School Hockey

The Hockey season in the Junior School saw many successes and continued growth in all players. The Junior School Hockey Program entered three teams into the SAAS competition, comprising students from Years 4 to 6. Tom Burns (Year 6) was named Captain of Hockey and we welcomed Mrs Danielle Finnimore in Term 3 as one of our coaches.

It was pleasing to see many boys who were new to the sport of Hockey. Each player turned up to training with a desire to learn and achieve both individually and as part of a team. Throughout the season, students displayed many fine passages of excellent Hockey and enjoyed the opportunity to play in different positions. They achieved a rich variety of learning experiences throughout the season. During games, the boys attacked and defended strongly, and were thrilled to be part of a dynamic and goal scoring team.

Year 4 students demonstrated character strengths of bravery and enthusiasm when participating against much older opposition. The experience and leadership of the Year 6 players was greatly appreciated and we wish them all the best with their Hockey in the Middle School. Tom Burns performed admirably in his role as Captain of Hockey encouraging and supporting all players and providing on field leadership. He is to be congratulated on receiving the T J Benny Medallion for the most valuable player in 2021.

We would like to thank all parents for their support and continued encouragement of the boys throughout the season. We look forward to an exciting Hockey season in 2022 and anticipate we will again be blessed with a team of dedicated and determined players.

# Hockey

## Senior School Hockey

Hockey at St Peter's College enjoyed a year of growth in 2021; not so much in the number of boys playing the game, but more so in our skills, fitness and self-belief. There was a dedicated push by the boys to become better players, better team-mates and to develop a greater understanding of the sport. It was an incredible season of development in all areas of our sport, and one that provides us an exceptional springboard into the 2022 season.

The development of our sport at SPSC begins with the outstanding sense of enthusiasm and energy surrounding Hockey in our Junior School. The fine mentorship and coaching in our junior ranks provides a solid base from which to work. Our boys have brought this energy to our Middle School teams, professionally led, and coached by Mr Mark Coventry and Mr Richard Davey. Their ability to develop our boys into a cohesive and supportive squad, encompassing the differing experience and skill level of Years 7 to 9 students has been exceptional.

They experienced a season of success, but above all, played the game with respect and enthusiasm.

The Senior squad further implemented the skills and experience of our Strength and Conditioning Team this year. With a faster, harder running team of Hockey players, our 1st and 2nd XI teams, under the expert guidance of Mr Cameron Higgins and Mr Paxton Silby, developed a style of Hockey which enabled the boys to place unrelenting and unconditional offensive and defensive pressure on their opposition until the final whistle. This approach, mixed with the enhanced fitness of our boys saw experienced teams crack under this pressure, and far more SPSC goals finding their way into the back of the net.

There were many highlights this year, such as our Middle School boys excitedly taking home the trophy from their Intercol match. Our Senior School boys took their game to a new level and are already looking forward to building on their successes from this

year, including going one step further with the School Sport SA State Championships.

Worthy of special note is our Parent Support Group who worked tirelessly behind the scenes to ensure our boys and all our visitors to SPSC on cold Saturday mornings were both welcomed and looked after with a coffee in hand. We are so grateful for your efforts and support. We look forward to 2022.

# Junior Primary Sports Day

Despite some initial concern about the weather, it was fantastic to be able to hold our annual Junior Primary Sports Day for Reception to Year 2 students, on Palm House Oval, on Friday of Term 4, Week 3.

For the first time our youngest students in the School competed for their House, wearing their new House t-shirts.

Students participated in a number of events, which used the skills they had been working on during their Physical Education lessons. It was great to see so many parents in attendance to support the boys.

With our Year 6 Leaders on camp, we called on some of our Year 5 students to step in and help run the events. The boys did a fantastic job and demonstrated that they are future leaders within our School.

Our Junior Primary students are to be congratulated for their efforts throughout the day. They all displayed fantastic sportsmanship in each of the events they participated in.

Thank you to Mr John Athanasiou and Mr Jeremy Cini for their help in preparing the boys for the event. I would also like to thank the Palm House Staff for their involvement in ensuring the day ran smoothly.

Thank you to our grounds staff for their efforts in ensuring Palm House Oval was in pristine condition for the big day.

Mr Jason Cosgrove  
Junior School PE and Sports Coordinator

**1** Year 2 Stokes-Ware sprints. **2** Austin Knox (Rec) and Mitchell Reynolds (Rec). **3** Alliston-Jones Reception students Jackson Millhouse and William Linke leading the Tug-O-War team. **4** Brooks House on Hurdles. **5** Brooks House boys sprinting to the finish line.

# Years 3 to 6 Sports Day

For the first time, our Years 3 to 6 students contested Sports Day on the Caterer and Wilson ovals in the Senior School. It was a sensational day with a fantastic set up, healthy competition and great House spirit all round.

As in previous years, the structure of our Sports Day meant every boy had the opportunity to participate in every Athletic event allowing all students the opportunity to showcase what they had been working on in Athletics during their Physical Education lessons. When they weren't participating in Athletics events, they were involved in a number of tabloid events.

After all of the events were finished and the points tallied, the Parkhouse Cup for the overall Champion House was awarded to Clayton-Dyer House, followed by Stokes-Ware House in second, Brooks House in third and Alliston-Jones House fourth.

Individual age champions:

- **Malcolm Stevenson Cup**  
Oliver Kirkness (12 years)
- **Ian Seppelt Cup**  
Justin Scarpin (11 years)
- **Dick Niehuus Cup**  
Alex Darcey (10 years)
- **Tony Keynes Cup**  
Ziggy McKenna (9 years)  
William Galea (8 years)

The students of Stokes-Ware House were awarded the B H Morrison Cup for the Junior Circular Relay. Brooks House won the SPSC Cup for the Junior Shuttle Relay and Clayton-Dyer House the Tim Wall Cup for the Senior Shuttle Relay.

Congratulations to the following students who were the top three in their age group:

## Born 2009

First	Oliver Kirkness
Second	Ryan Weinert
Third	Tom Burns, Caleb Scott

## Born 2010

First	Justin Scarpin
Second	Jordy Brown
Third	Thomas Pyke

## Born 2011

First	Alex Darcey
Second	James Hollington
Third	Matthew Harris

## Born 2012

First	Ziggy McKenna
Second	Fred Fairweather
Third	Andrew Desyllas

## Born 2013

First	William Galea
Second	Bryce Boerrema
Third	Oliver Skeer

Thank you to the grounds staff for all the effort they put in to making sure all of the tracks were marked and the ovals were in great condition.

Thank you also to the staff in the Junior School for their support for the day.

Finally, I would like to congratulate the students for their efforts. They all competed well and did their best to make sure that their House had the best possibility to win their Sports Day.

A special congratulations goes to Alex Darcey (Year 5), Matthew Harris (Year 5), Justin Scarpin (Year 5), Henry Escourt Hughes (Year 5) and Oliver Kirkness (Year 6), who were selected to represent the North Adelaide District SAPSASA Athletics team at the State Championships. Unfortunately the event was cancelled due to COVID restrictions.

Mr Jason Cosgrove  
Junior School PE and Sports Coordinator

# Junior School Summer House Games

After missing out on Summer House Games in 2020 due to COVID-19, it was fantastic to have the event back on the calendar at the end of Term 1. Every boy is entered in a team to compete in a sport representing their House. Students can play Cricket, Modified Cricket, Tennis, Tee Ball or Volleyball. Our Year 3 students played Kickball given it was their first year participating in Summer House Games.

With House pride on the line, the competition throughout the event was fierce, but it was great to see a high level of sportsmanship from all the competitors. Well done boys. The overall results were

very close; Clayton-Dyer House won the Cricket and Alliston-Jones House the Modified Cricket, Brooks House finished top in Tee Ball and Tennis, Alliston-Jones House were the Volleyball champions, and Clayton-Dyer House won the Year 3 Kickball.

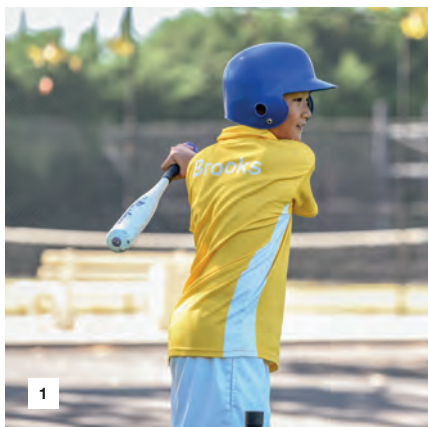

Thank you to our Senior School students who umpired the Cricket matches. I would also like to thank the Junior School staff for their efforts running the different matches.

Our House Leaders, Mr John Athanasiou (Brooks House), Mr Travis BurrIDGE (Alliston-Jones House), Mrs Trish Bartholomaeus (Clayton-Dyer House) and Miss Maryann Moore (Stokes-Ware House) are to be

acknowledged for the time and effort they invested to ensure their House was represented in all sports. The students had an enjoyable day representing their House.

Mr Jason Cosgrove  
Junior School PE and Sports Co-ordinator

# Junior School Winter House Games

At the end of Term 2 students in Years 3 to 6 participated in the annual Winter House Games. All boys represented their House in one of our winter sports.

Year 3 students played Soccer, Year 4 students choose between Football and Soccer, and boys in Years 5 and 6 had the opportunity to compete in Basketball, Hockey, Football or Soccer.

All students are to be congratulated for their efforts throughout the day; a high level of sportsmanship was on display during each game, despite the fact that competition was fierce, with House pride on the line.

The overall results across all sports were very close. Alliston-Jones House won the Basketball, Stokes-Ware House finished on top in the Hockey, Brooks House were the Football champions and Clayton-Dyer House outscored the other Houses to win the Soccer.

I would like to thank the Junior School staff for their assistance in supervising events and the Senior School students who umpired matches. These students did a fantastic job and controlled the games well.

A special thank you to the grounds staff for marking all of the playing fields and setting up the goals.

We look forward to another exciting Winter House Games in 2022.

Mr Jason Cosgrove  
Junior School PE and Sports Coordinator

**1** Brooks Year 5/6 Basketball team. **2** Clayton-Dyer v Stokes-Ware Football. **3** Callum McLachlan (Year 6). **4** Brooks v Alliston Jones Year 4/5 soccer. **5** Stefan Dimovic (Year 4). **6** Oliver Kirkness (Year 6). **7** Sebastian Gilbert (Year 5). **8** Harrison Moukchar (Year 4).

# Pedal Prix

The 2021 Australian Human Powered Vehicle Super Series (AHPVSS) started with so much promise with the first two scheduled races completed, albeit under strict COVID-19 protocols. This was a vast improvement on the previous year, which saw the cancellation of the entire season due to the pandemic. St Peter's College Pedal Prix Program entered four teams across two age group categories.

There were two rounds completed before further COVID-19 restrictions brought an end to the season. The first round was the inaugural event at The Bend Motorsport Park, located at Tailem Bend. It was a unique experience, having concrete pits compared to the usual grass and mud! Round two was the six-hour race held at the Victoria Park racecourse.

Both of these events were highly successful for the SPSC teams. Their finishing positions were a testament to our rider's race craft, ongoing training regime and determination.

Special mention to Jake Nesbitt (Year 11) who displayed his blistering speed, breaking the overall lap record.

The series results were as follows:

## Category 3 (Senior Secondary) 46 competitors

- Car #2 'Vector' - second overall - 297 points
- Car #21 'Cicada' - 18th overall - 264 points

## Category 2 (Junior Secondary) 73 competitors

- Car #19 'Dinoco' - second overall - 298 points
- Car #22 'Max-Q' - 22nd overall - 251 points

Particular mention must be made of the superb efforts of our specialist coaches, Fergus Kelso (MAC 2014), William Ritossa (HWD 2018) and Angus Miller (MAC 2020). They were focused on continual improvement of both the boys and the Pedal Prix Program. The training program continues to improve through ongoing commitment to excellence. The team purchased three recumbent trainers to replicate the trike experience during training, and all smart trainers now have iPads linked to Zwift software so coaches and boys can monitor their progress.

Due to the initiative of our student leaders, a Pedal Prix kit was designed and approved for use by the team. This will allow boys to race in suitable attire and also look great!

All boys and student leaders are to be commended on their commitment to Pedal Prix and their focus on continual improvement. Special mention goes to Noah Pitkin (Year 12) and Jake Nesbitt (Year 11) for their work as student leaders during the season.

- Pedal Prix Captain: Noah Pitkin
- Pedal Prix Vice Captain: Jake Nesbitt

## Awards

### Senior

- Fastest Rider: Sam Golding (Year 12)
- Fastest Rider Runner-up: Jake Nesbitt (Year 11)
- Most Improved: Jasper Hermann (Year 10)
- Coaches Award: James Ritossa (Year 11)
- Team Work Award: Hugo Wurm (Year 11)

### Junior

- Fastest Rider: George Griffith (Year 9)
- Fastest Rider Runner-up: Maxwell Williams (Year 9)
- Most Improved: Thivyan Ramesh (Year 7)
- Coaches Award: Maximilian Walsh (Year 9)
- Encouragement Award: Lachlan Estcourt-Hughes (Year 8)
- Team Work Award: Quinn Murphy (Year 7)
- Commitment Award: James Gasparin (Year 9)

Mr Nick Lamont  
Coordinator of Pedal Prix

**1** Josh Moro (Year 9) waiting for race start in 'Dinoco'. **2** James Gasparin (Year 9) overseeing the rider change in The Bend pitlane. **3** Last minute repairs to 'Vector' with Year 11 students Jake Nesbitt and Kyle Miller.

### Pedal Prix Vector

Mr Nick Lamont, James Ritossa, Hugo Wurm, Sam Golding, Jake Nesbitt, Kyle Miller, Mr David de Bruyn

**Absent:** Mr William Ritossa, Mr Fergus Kelso, Mr Angus Miller

### Pedal Prix Cicada

**Back row:** Mr Nick Lamont, Alex Koh, Nick Burr, Noah Pitkin, Will Lawrence, Reef Cross, Mr David de Bruyn

**Front row:** Aidan Eaton, James Gasparin, William Khoo, Casey Van Heuven, Wyl Godfrey

**Absent:** Mr William Ritossa, Mr Fergus Kelso, Mr Angus Miller, Isaac Johnson, Jackson Li, Henry Cox, Alex Dobrijevic, Issac Au, Jasper Hermann, Phillippe Scalzi

### Pedal Prix Dinoco

Mr Nick Lamont, Archie Young, Max Walsh, George Griffith, Hugh Hazell, Zig Jonats, Maxwell Williams, Mr David de Bruyn

**Absent:** Mr William Ritossa, Mr Fergus Kelso, Mr Angus Miller, Connor Doyle, Josh Moro

### Pedal Prix Max Q

**Back row:** Mr Nick Lamont, Daniel Latimer, Stefan Dobrijevic, Jeff Gu, Lachlan Estcourt Hughes, Quinn Murphy, Matthew Tran, Mr David de Bruyn

**Front row:** Thivyan Ramesh, Neel Rawat, Joshua Murray, Alden Au, David Penkoff

**Absent:** Mr William Ritossa, Mr Fergus Kelso, Mr Angus Miller, Charlie Tonkin, Jerry Yin, Ben Miles

# Rowing

Season 2020/21 was a historic season for the St Peter's College Boat Club with many milestones achieved. For the first time in the Club's history over 200 students from Years 8 to 12 competed in the local regatta season and the Year 7 Learn to Row Program.

The culture of the Boat Club continued to build and remains the focus with on the water achievements the icing on the cake as an outcome of following and believing in the process.

After March, sport has looked different due to COVID-19 but we approached the new season with an attitude of getting on with things with a coaching group ready to adapt quickly to ensure the students could experience a full season. Determined to not miss out on any opportunities due to disruption made for fantastic results throughout the season; but these results were not without their challenges.

The senior squad had a challenging Term 4 in 2020 with some of their own expectations not being met. They remained calm under pressure knowing that we were building towards March/April.

The intermediates and juniors had record numbers in each squad boating up to eight quad sculls each weekend. This resulted in depth and a challenge for the coaches to find the fastest combinations towards the end of the season.

The South Australian State Championships in Term 1 2021 provided a platform for all

squads to show the Rowing community the benefits of a big program with many boat classes having St Peter's College crews finish first and second and, in some races, first, second and third.

The highlight of the State Championships was the 1st VIII creating history by becoming the first all schoolboy crew to win the 1st Grade State Men's VIII race against club men's crews. They did so in one of the fastest schoolboy's times of 5:52.8; it was a fantastic race!

The Head of the River on Saturday 20 March was able to proceed with a crowd as close to normal, due to a committed effort by all schools to pool their resources to facilitate the regatta. The SPSC community was outstanding with many members getting behind the event and in particular James Sarah providing, by way of sponsorship to Rowing SA, the staff and materials for set up and pack down of a perimeter and internal fencing to ensure the event could proceed under a SA Health approved COVID-19 Management Plan.

Unlike the 2020 Head of the River, the 2021 regatta was a full program providing a sigh of relief for all and the first opportunity for most parents to watch their sons row. The depth of the program was on show and all squads had great results with a total of 16 wins. Many crews also finished second and third with all athletes to be congratulated on their efforts on and off the water. The day concluded with the annual Head of the River dinner held at the Adelaide Show

Grounds with over 350 guests celebrating season 20/21.

The 1st VIII and the next four highest ranked seniors committed to attending the Australian Rowing National Championships on Lake Barrington in Tasmania. To reach the destination with COVID-19 border restrictions constantly changing, a charter flight was organised to provide a safe direct flight with a quick exit if needed. All remaining seats were filled by representatives of other schools.

It was an historic week for the Boat Club and School in Tasmania with the 1st VIII winning the National Championship Schoolboy VIII (Barrington Cup) race for the first time. It was the first time a South Australian School had won the event since 1968. It is also worth noting that the 1st VIII is the only crew to have won the State Championships 1st grade Men's VIII, Schoolboy Head of the River 1st VIII and Barrington Cup in the one season.

A big thank you to all the coaches, parents and the wider School community for all the support in a truly historic season under difficult conditions. We now look forward to season 2021/22 which will see 100 years of Head of the River celebrated. The first regatta was contested on the River Torrens between Adelaide High School and St Peter's College in 1922.

Mr Tim Hennessy  
Director of Rowing

## Squads

### Year 7/8

**G-crew:** William Colbourne, Charlie Roger, Will Tolley, Oscar Wurm, Cox: Matthew Tran, Coach: Jamie Grozev

**F-crew:** Mason Webster, Oliver Nugent, Hunter Ingham, Harrison Gray, Cox: S Gue, Coach: Sam Upton

**E-crew:** Ethan Hines, Alaric Zhang, Fred Kidman, Peter Zhang, Cox: Will Dean, Coach: Henry Southcott

**D-crew:** Joshua Toohey, Finn Woods, James Jaeger, Henry Porter, Cox: Ben Short, Coach: Steven Perry

**C-crew:** Joey Fitzgerald, Max Mitchell, Daniel Rocca, Zach Michaels, Cox: Henry Whiteman, Coach: Philip Marshall

**B-crew:** Harrison Gray, Nathan Dorogi, Marcus Pickard, Jeff Rozenbilds, Cox: Tim Silcock, Coaches: Danny Barrera, Alex Worthington

**A-crew:** George Quigley, Laurence Anderson, Harry Lake, Dougal Grieve, Cox: Banjo Yates, Coach: Oscar McGuinness

### Year 8/9

**H-crew:** Ben Short, Stafin Gue, Will Dean, Jack Hayter, Cox: Tim Silcock, Coach: Will Raven

**G-crew:** James Snell, Will Dean, Jack Hayter, Jack Bell, Cox: Carlos Liu, Coach: Michael Gilmore

**F-crew:** Archie Bater, William White, Henry Proudman, Harry Burns, Cox: Liam Moukachar, Coach: Charlie Balnaves

**E-crew:** James Gasparin, Stellan Stolcman, Ben Northcote, Jake Richardson, Cox: Liam Duerden, Coach: Oly Tierney

**D-crew:** Thomas Parkinson, Harvey Ledger, Brayden Sims, Joshua Ledger, Cox: William Khoo, Coach: Alex Lynch

**C-crew:** Joseph Jureidini, Angus Crawford, Sam Robran, Vincent Barone, Cox: George Griffith, Coach: Hamish Sarah

**B-crew:** Hugh Hazell, Oliver Hamilton, Reef Cross, Max Walsh, Cox: Eddie Moss, Coaches: Tom Beresford, Jirik Haselgrove

**A-Crew:** Archie Young, Jesse Parsons, George Wicks, Josh Myers, Cox: Lachlan Hunt, Coaches: Alex Tucker, Jirik Haselgrove

### Intermediate (Year 9/10)

**H-crew:** Henry Sawers, Zach Sclater, Noah Robertson, Henry Bagot, Cox: Louis Drew, Coach: Joel Baker

**G-crew:** Edward Shearer, Henry Colbourne, Lachlan Bell, Lewis Redwood, Cox: Conan Baird, Coach:

**F-crew:** Gunin Singhal, Rohan Thiruvengadam, Joshua Cooper, Will Osborn, Cox: George Griffith, Coach: Danny Chebotenko

**E-crew:** Murphy Eaton, Edward Miller, Aidan Eaton, Will Greig, Cox: Will Goode, Coach: Jock Burton

**D-crew:** Vincent Belperio, Ted Bond, Will White, Henry Reynolds, Cox: Oliver Colbourne, Coach: Sam Burton

**C-crew:** Will Rozenbids, Will Lawrence, Ted Edwardes, Tom Browning, Cox: Harry Quigley, Coach: Lachlan Ward

**B-crew:** Hamish Scott-Young, Edward Newman, Albert Howard, Xavier van Oijen, Cox: Thomas Whiteman, Coach: Tim Prince

**A-crew:** Eddie Hetherington, Ryan Fowler, William Barone, Henry Maerschel, Cox: Phillippe Scalzi, Coach: Maddie Edmunds

### Senior Squad (Year 11/12)

**2nd IV:** Isaac Johnson, Dakota Gordan, Charlie Silcock, James Ritossa, Cox: Tim Silcock, Coach: Angus Scanlon

**1st IV:** Fraser Connel, Flynn Carroll, Asher Le Quesne, Tom Crosby, Cox: Hugh Sanders, Coach: Sam Morton

**2nd VIII:** Alistair Sarah, Hugo Wurm, Thomas Hamilton-Smith, Author Drayton, Kyle Miller, Fraser Balnaves, Max Henry, Tom Wickham, Cox: Jamie Graves, Coach: Nathan Bowden

**1st VIII:** Nick Burr, Edward Chipperfield, Faris Harb, Tom Oldfield, Felix Packer, Jake Nesbitt, Jeremy Beale, William Howard, Cox: Aidan Hughes, Coach: James McRae

1st VIII display their 2020/21 season silverware.

**Back row:** Faris Harb, Jake Nesbitt, Tom Oldfield, William Howard

**Front row:** Mr Tim Browning, Edward Chipperfield, Jeremy Beale, Nick Burr (C), Felix Packer (VC), Aidan Hughes, Mr Timothy Hennessy, Mr James McRae

### Rowing 1st VIII

Aidan Hughes, William Howard, Jeremy Beale, Jake Nesbitt, Felix Packer, Tom Oldfield, Faris Harb, Edward Chipperfield, Nick Burr

# Rugby

As with all rugby seasons, and sport itself, there is generally a mix of joy and sorrow, not just on the field but in welcoming and farewelling both players and coaches.

We welcomed Mr Nick Smith who joined the Humanities Faculty and led the U14 team not only to some memorable victories, but more important is that he led these fledgling Rugby players to believe in themselves. He was ably supported by young old scholars, Jack Pamninger (WDK 2020) and Henry Southcott (FLL 2020), the latter featuring in the development of players across all age groups in the Rugby Program.

We farewelled Mr Jake Platen, affectionally known as "Plato" to the boys. Mr Platen, as Rugby Coordinator, built on the good work of Mr Tony Begley and has helped to keep Rugby at SPSC on a successful course. Indeed, Mr Platen's work with this year's crop of Under 16 players will prove a

fine investment for this season and future ones. The Under 16s emphatic win against Pembroke in the final game of the season – their first and only win – was unsurprisingly a highlight of the year. Maybe you needed to be there to appreciate it, but on that cold, wet and windy day, on the sloping pitch at Burnside, a fierce competitive spirit was unleashed in me as much as the players! Congratulations to the team for becoming just that – a team, with all the fringe benefits that come with this kind of connection that actually have very little to do with the technicalities of the sport itself.

And so, to the 1st XV. What will be remembered to most outside the program is that we lost the Intercol in 2021. To those inside the program, to the young men and their parents, it is a different story. Whilst there were some impressive performances and results – including a resounding win over PAC, the highlight from the 2021

season was the camaraderie that flowed both on and off the field. A special mention must go to the new players – they know who they are – who bought in to the idea of prioritising not the results in competition, but the spirit and support in the training environment. I hope in their ten, twenty and fifty-year SPOC reunions, they remember this as fondly as I reflect on it now.

That players in all year groups remained committed and spirited whilst navigating both COVID-19 and the many forced fixture cancellations shows only the character of a St Peter's College Rugby player. For this, I am both impressed and most grateful.

Mr Marcus Blackburn  
1st XV Rugby Coach

1 Jack Blackburn (Year 12). 2 Hamish Scobie (Year 12) and Wilbur Glaetzer (Year 12).

# Sailing

In Term 1, St Peters College had an outstanding achievement of winning the State Championships and set a record for the number of wins at a state regatta (19 out of 21 rounds). To make things interesting, SPSC lost in the 1 v 2 heats forcing them to race the winner of 3 v 4 where they won two races to one. SPSC then went on to win straight races 2:0 in the finals. Facing some fierce competition, SPSC placed first followed by Westminster School and Ocean View College.

Ian Irwin (Year 10) took over as Captain of the squad in Term 4; his experience and leadership proved beneficial to a much younger and less experienced squad at the start of the year. With Head Coach Rose O'Donnell and Maddy Salter from the

Adelaide Sailing Club, the students trained hard and attentively at West Beach. Term 4 was training only, and our only chance to race was a friendly meet with Walford Anglican School for Girls that was washed out by some wild weather. We look forward to racing in Term 1 2022 after our inaugural summer camp on Hindmarsh Island at the Irwin property. Here we will take the next step in our training program to be ready to go back-to-back state champs!

Mr Mark Proctor  
Coordinator of Sailing

Albert Howard (Year 10), Sam Steele (Year 12) - Captain, Joshua Murray (Year 8), Ian Irwin (Year 10), Jackson Li (Year 11), David Taylor (Year 9)

# Soccer

## Junior School Soccer

Over 100 boys played Soccer for the Junior School in 2021, with six teams spanning Years 4 to 6 and two teams per year level.

Our focus areas for the Junior School Soccer Program were:

- Fostering students' enjoyment of the game
- Skill development for students and increased knowledge of the game
- Acquisition and development of coaches
- Retaining healthy numbers in the sport.

Players were able to focus more fully on the technical development that all players need, while benefiting from tactical advice from their designated coach. A special thank you goes to Mr Sean Inman, Head of Soccer, for his significant contribution to Soccer at SPSC. His organisation, leadership and direction of the program was outstanding.

I take this opportunity to thank the staff and coaches. I am very fortunate to have a dedicated and reliable team to work with and it a credit to them that the 2021 Soccer season ran so smoothly.

All Junior School soccer players should be proud of their wonderful efforts throughout the season. Our focus on an effective ball possession style of play led to more touches on the ball, more goals and, in turn, player skill development.

My thanks go to the parents for their support throughout the season in transporting boys to and from the venues, their positive support on game day and for assisting in running the line.

Of notable mention is the Year 5 Blue Team who remained undefeated for the season. It truly was an outstanding season whereby they scored 88 goals and conceded only 12 goals in seven games.

Alex Ascensio (Year 6) led the program as Junior School Soccer Captain and The Most Valuable Player was awarded to Oliver Kirkness (Year 6). Oliver is an accomplished player. Both Alex and Oliver represented the North Adelaide District in the SAPSASA Soccer team.

Mr John Athanasiou  
Junior School Soccer Coordinator

# Soccer

## Senior School Soccer

The Soccer season began in Term 1 Week 2, with 1st team trials and pre-season sessions. The annual 1st XI match against Scotch College, Melbourne, narrowly escaped a COVID cancellation, but the boys returned to Adelaide just hours before a border lockdown, trophy in hand after a resounding 7-1 victory!

The 1st XI made steady progress in their competition this year and required just one point from the final game to advance, as a top four school, to the knockouts. Unfortunately, they lost that game to Rostrevor College, leaving just the Intercol match to focus upon. The Soccer Intercol proved to be a tight and very even contest. SPSC went ahead early from a Connor Murphy (Year 12) goal, and PAC equalised just before half-time. Early in the second half, PAC scored what proved to be the winning goal to wrestle the trophy back for the first time since 2017.

The Year 6/7 and Year 8/9 soccer teams performed well in their respective School Sport SA state-wide knockout competitions. Both were narrowly edged out of winning their groups, just failing to progress to the semi-finals

The popularity of Soccer continues to grow, and I was particularly pleased with the large numbers in the Senior Years. By Week 4, the consistency of the older boys' commitment encouraged me to enter a fourth senior team, which we have not done for many years. The enthusiasm of the 3rd XI and 4th XI students is possibly the most rewarding and pleasing feature of our program, as it shows that a large number of boys have sustained their joy of playing Soccer, throughout their Senior School years. This reflects well on the program as a whole, but specifically demonstrates the ability of our coaches to make the Soccer experience enjoyable for all levels of ability.

I would like to thank our special group of coaches for their excellent contributions this year. I particularly thank Mr Matthew French, Mr William Freesmith and Mr John Athanasiou for their outstanding leadership of their age groups and for their unwavering support for the sport of Soccer at SPSC.

### Senior Award Winners

- J F Roe 1st XI Player of the Year: Wil Carter (Year 11)
- Best Player in the 1st XI Intercollegiate Soccer Game: Henry Filsell (Year 11)
- First XI Golden Boot: Henry Filsell (Year 11)
- VR White Prize for Service to Soccer: Oscar Page (Year 10)
- SPOC Medal (commitment, teamwork and humility): Connor Murphy (Year 12)

Mr Sean Inman  
Head of Soccer

**Middle row:** Mr William Freesmith, Noah Ibrahim, Lockie McKenna, Thinura Wagaarachchi, Ethan Wadsworth, Seb Dreosti  
**Front row:** Tony Li, Adam Camp, Anthony Masullo, Nathan Randeniya, Leo Dreosti, Thomas Joseph

# Squash

The easing of COVID-19 restrictions saw a return to regular training sessions at the ARC Campbelltown and matches at West Adelaide, Kensington YMCA, PAC and the ARC. This year we entered five teams: Open Division 1, Open Division 2, Year 10 Blue, Year 10 White and Year 8.

For the first time, an exhibition Squash Intercol was held at PAC during Intercol week. Spectator numbers were limited, but those who attended witnessed four exceptional matches from Chathula Kiripitige (Year 12), Eric You (Year 12), Victor Dang (Year 12) and Rayan Abou-Hamdan (Year 10). We hope to see more of these fixtures in the future.

Our Open Division 1 team also had an outstanding year, making the Grand Final to face a very strong PAC line up. Chathula Kiripitige defeated PAC's number one player, setting up a thrilling final three matches. The quality and depth of the PAC team proved too good in the end, but all players can be very proud of their efforts.

Another highlight was the impressive development of our Year 9 players who all played in the Year 10 competition (Year 10 White). They were competitive all season and narrowly missed out on a place in the Grand Final, finishing third overall. Our Year 10 Blue team were dominant all year, making the Grand Final, but were outplayed on the day by St Ignatius College.

We also sent seven players to the South Australian High School Squash Championships in August. Our players continued to impress with their efforts and outstanding sportsmanship on and off the courts.

Thank you to all players, teaching staff and specialist coaches for another successful season of Squash as we look forward to seeing the development of our players continue in 2022.

- Squash Captain: Chathula Kiripitige
- Squash Vice Captain: Eric You

Mr Chris Romanos  
Coordinator of Squash

# Swimming Carnival

## Junior School Swimming Carnival

The annual Junior School Swimming Carnival for students in Years 3 to 6 was held on Monday of Term 1, Week 6 in the Burchnall Sports Centre.

Each event was a very competitive exhibition of swimming, with all students striving to do the best for their House to maximise their points.

The Swimming Carnival was a good culmination of all the hard work the boys had done during their swimming lessons in the previous weeks. All students are to be congratulated for their efforts in the pool and for the support that they showed each other.

Students in Years 5 and 6 have the opportunity to compete for two cups during the Carnival: the Edward Cherry Cup for the 4 x 25m Open Medley and the Gardiner Cup for the 100m Freestyle. This year Daniel Spyrou (Year 6) swam exceptionally well and came away with first place in both events.

Although everyone tried their best, there can only be one winning House and

Brooks House was awarded overall winner for the second consecutive year.

I would like to thank the staff for their support and willingness to help out throughout the day, and specifically note the efforts of Mr Bernie Juckers and his team in the Sports Centre for setting up and ensuring that we had everything required for a successful day.

Congratulations to the following students who were selected to represent the North Adelaide District at the State SAPSASA Metro Championships:

- Alex Darcey (Year 5), Matthew Harris (Year 5), Charlie Johnson (Year 5), Henry Lehman (Year 6), Daniel Spyrou (Year 6), James Teo (Year 5) Thomas Wallett (Year 4) and Peter Yong (Year 6).

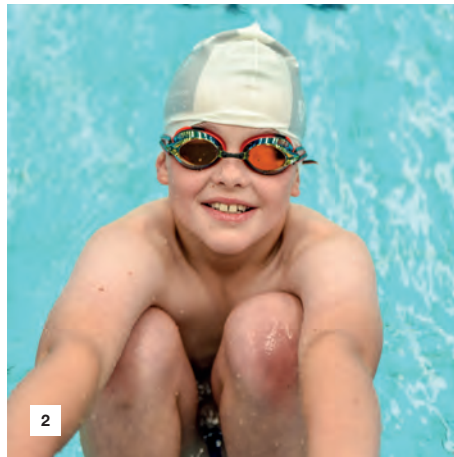

Mr Jason Cosgrove  
Junior School PE and Sports Coordinator

- 1** Sarvin Mahadavan (Year 6). **2** Edward Robertson (Year 5). **3** Peter Yong (Year 6). **4** Clayton-Dyer cheer squad.

## Senior School Swimming Carnival

The quality of our swimmers was on show at the Senior School House Swimming Carnival with an impressive eight records set. Matthew Pearce (Year 12) was the outstanding performer, winning all five of his events and becoming the 2021 Open Champion; in the process setting new records in the Breaststroke and the Individual Medley.

The many House events gave every boy the opportunity to participate, and much fun was had in the various relays, tube and early morning races.

Young House took out the Junior House Cup, while the talented boys from Howard House prevailed in both the Senior Cup and Champion House Trophy.

Mr Laurence Humphreys  
Swimming Coordinator

# Table Tennis

The 2021 Table Tennis season was one of our most successful yet, with 10 teams and over 110 students competing in the School Competition. We developed our internal Blue League Competition run by old scholar and former Captain of Table Tennis Upol Sarker (MAC 2020). Years 7 and 8 students enjoyed more personalised coaching sessions in the newly formed Development Squad, with old scholar and past Captain of Table Tennis Aaron Wu (SHT 2018). Players focused during training and practised skills to gain better control and understanding of their game play.

A highlight of our season was a great win at Winter Intercol with our Open A team overrunning their opponents with the sheer depth of skill displayed by our talented players. I congratulate the Open A squad, consisting of Peter Zhang (Year 8), Oscar Chen (Year 11), Glen Li (Year 7), Yimo Liu (Year 8), Alaric Zhang (Year 8), Sachin Ravindran (Year 12), Luis Vollmer (Year 11), Alex Rouss (Year 12), Lincoln Woodley, (Year 11) and Carson Liang (Year 11) on their fine efforts throughout the season. They remained undefeated and won the

Winter Season Shield. Our youngest Open players, Peter Zhang, Glen Li, Yimo Liu and Alaric Zhang went on to win the Statewide Schools Championships held in early November.

All teams improved, displaying excellent sportsmanship, patience and dedication, with the assistance of dedicated staff, coaches and managers. Head Coach Kay Crowell shared her valuable expertise and skills with the players to help them give focused performances. Our student leadership in Captain Sachin Ravindran, and Vice-Captain Alexander Rouss, was exceptional.

Thank you to the staff and coaches, Kay Crowell (Head Coach), Mr Jon Inge (Open A2), Miss Rose Harvey (Open B1), Ms Lauren Brenton (Open B2), Mr Hiwa Jaldiani (Middle A1), Ms Monica McCauley (Middle A2), Mr Hamish McTernan (Middle B1), Ms Sally Xu (Middle B2), Miss Xiaoning Wang, Mrs Belinda Radbone (Middle C) and Mr Tim O'Shea (Blue League), for their work with the students and their continued support of the sport.

## Achievements

SAAS Table Tennis Championship Open A1 Winner participants

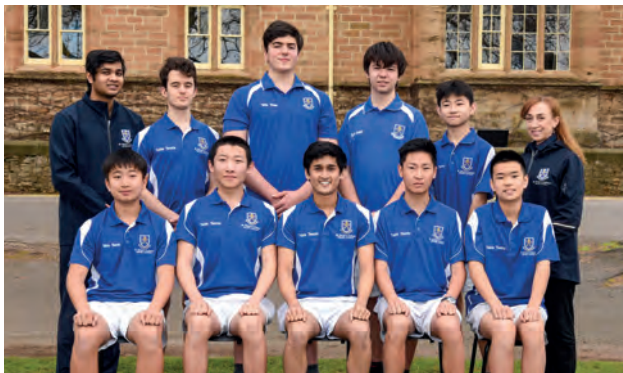

- Peter Zhang (Year 8)
- Oscar Chen (Year 11)
- Glen Li (Year 7)
- Yimo Liu (Year 8)
- Alaric Zhang (Year 8)
- Sachin Ravindran (Year 12)
- Luis Vollmer (Year 11)
- Alexander Rouss (Year 12)
- Lincoln Woodley (Year 11)

# T-Ball

When we look back at the 2021 T-Ball season, we think of fun, excitement, after school training and entertaining matches. The boys worked hard to improve their catching and throwing skills, as well as their batting and gained a greater understanding of the game. All students took their matches seriously and quickly learnt that the aim of the game is to work as a team, listen and encourage one another.

Our numbers in T-Ball remained strong again this year and we were able to

enter three teams into the Friday SAAS competition. During matches, students put into practice what they had learnt at training. It has been wonderful to watch the boys grow and develop into skilled, team players.

A big thank you goes to Mrs Sue Dansie, Mr Hugh Earlem and Mr Jon Gelsthorpe for coaching and encouraging each of their teams.

Mr Jason Cosgrove  
Junior School PE and Sports Coordinator

# Tennis

## Junior School Tennis

This year 105 boys spanning Years 4 to 6 played Tennis for the Junior School. We had eight teams compete, with a Years 5 to 6 training squad and Year 4 training program. The Junior School Captain of Tennis for 2021 was Markis Kallos (Year 6). Congratulations goes to Markis for his leadership and organisation.

The Year 4 lunchtime Tennis Program was conducted on Mondays. Mr Todd Perry and his team of coaches worked with a keen group of boys to develop their tennis skills. The overall foci of the Junior School Tennis Program was:

- Fostering students' enjoyment of the game
- Student skill development and increased knowledge of Tennis
- Retaining healthy numbers in the sport.

The quality and strength of Tennis in the Junior School is excellent. Of notable mention was the Primary A1 team who remained undefeated for the season. What makes this achievement

extraordinary, is that the A1 Tennis team, made up of Years 4 to 6 students, played in a Year 7A competition and has remained undefeated for 11 years in a row. This talented group of boys won many of their matches 12 sets to zero. The A1 tennis team were victorious in their Intercol against PAC winning 12 sets to 0.

Markis Kallos and Sarvin Mahadavan (Year 6) were selected in the North Adelaide SAPSASA Tennis Team.

Thank you to the Primary A1 Tennis Team for acting as ball boys during the McMichael Cup earlier in the year. All Junior School Tennis players should be proud of their wonderful efforts throughout the season. The Junior School Tennis (Most Valuable Player) for 2021 was presented to Markis Kallos. Markis is a very accomplished Tennis player, who also played in the Middle A competition and has been successful in many tournaments.

Mr John Athanasiou  
Coordinator of Junior School Tennis

## Senior School Tennis

With over 160 boys taking part in the Senior School Tennis Program this year, we were well represented across all age groups and skill levels. No matter their team, all Tennis players represented the School well, showing sportsmanship and integrity in all matches. The Drive Team, led by Jamie Wells (Year 12) in Term 1 and Chris Hooper (Year 11) in Term 4 had a great year, winning most of their encounters against quality opposition, only going down to the old rivals Prince Alfred College, and Marryatville High School. Their record for the year was nine wins and three losses. There were excellent performances throughout the season from Angus Koeroessy (Year 10), Kye Bennett (Year 11) and Seb Birdseye (Year 9), which encapsulated the effort the boys had put into their training and preparation, however it is to be noted that the Drive boys played well as a team, with different players playing across the season.

The Open A teams also had a good season, with some students finding a new challenge transitioning into the senior A competition, playing against high quality opponents week in week out. Mainstays Will Fitzgerald (Year 11) and Ethan Bennett (Year 10) displayed skill and class throughout the season and were involved in some thrilling matches. It is notable to see several players who have progressed into the Open As this year, including Will McConnell (Year 11), Bryan Wang (Year 11), and Tom McFarlane (Year 11), who have showed outstanding commitment to improving their Tennis skills.

The Open B and C teams competed well throughout the year and showed excellent team cohesion in a positive sporting atmosphere. Effort at training and in matches saw several boys able to play in a team above their normal division, demonstrating the good standard set by the players in these teams. Open B and Open C players who showed great commitment and leadership to their teams included Peter Zhang (Year 11), Nicholas Koh (Year 11), Dionysios Konidaros (Year 12), and Jock Gunner (Year 10) among others.

The introduction of the SAAS Super League provided our Middle A1 team with a strong season of competition, showcasing the best Middle Year players in the state. The team were undefeated enroute to the grand final, in which they narrowly lost to Marryatville High

School five rubbers to four. When they met again later in the year SPSC was dominant, defeating Marryatville in an 8 – 1 set win. Key players across the season were William Hawker (Year 9) whose commitment was outstanding, Krish Raju (Year 8) and Charlie Bruce (Year 8) whose consistency in their singles was formidable, and Neil Singh (Year 8) who improved with every performance, demonstrating fine sportsmanship.

The Middle B and C teams worked cohesively throughout the season to achieve some strong victories with Zig Jonats (Year 9), Harvey Ledger (Year 9) and Elliot Redwood (Year 7) particularly successful; many of these students were beginners at the start of 2020 and have shown impressive improvement across the year.

Overall, across the School, SPSC had a winning percentage of 73 per cent.

The McMichael Cup was won by Jonas Hahn (Year 8). Jonas played a high level of tennis throughout the tournament and thoroughly deserved his victory. The Bowman Cup for the best doubles pair in the School was won by Seb Birdseye (Year 9) and Angus Koeroessy (Year 10), whilst Seb Birdseye (Year 9) beat Krish Raju (Year 8) in the final of the Turnbull Cup for the best Years 7 to 9 player.

I am very fortunate to work with a dedicated and reliable team. I would like to take this opportunity to thank the teachers in charge of Tennis, Mr Patrick Swanson, Ms Raquel Hogben and Mr John Athanasiou, for their significant contribution towards making the Tennis Program the success it is. I would also like to thank all team managers and coaches, particularly Paul Kramberger.

I look forward to the future and to the progression of Tennis at SPSC in 2022.

Mr Todd Perry  
Head of Tennis

# Volleyball

2021 was another fantastic year for Volleyball at St Peter's College. Still operating under the cloud of COVID-19, we were fortunate to get through the entire summer season without missing a single game; an achievement that seemed unlikely at the conclusion of 2020. Participation and enthusiasm for the sport continues to grow, with team numbers at maximum capacity in both the Middle and Senior years.

The return of old scholar Pierce Cordes-Harvey (HWK 2020) as the newly appointed 1st VI coach made a significant impact, not only in the development of the 1st VI, but across the whole Volleyball Program. In Term 1 Pierce got to work creating a culture of professionalism and discipline by lifting the training standards and keeping the boys accountable. This shift in methodology paid huge dividends on court, with the teams' development taking a fast track over a relatively short period of time. Nominating to compete in the Open A1 competition for the first time, the team regularly held their own against the top Volleyball schools in the state. Following the Term 1 season, the 1st VI team was entered into the SAVSC (Schools Cup) mid-year, where they again pushed some of the premier Volleyball schools to the limit over the duration of the competition.

The Middle Years Program saw a fair share of changes over the year, with new coaches coming in and out of the program. Despite these changes, the on-court results could not have been stronger, with the Middle A Team going

undefeated in Term 1 to round out the 2020-2021 summer season. The start of the 2021-2022 summer season would again bring significant personnel changes, with the inclusion of new coach Noah Wilson to assist Pierce across the Senior and Middle years programs. The introduction of the senior coaches to the Middle Years program has helped bridge the gap between the two groups and allowed for some fundamental foundations to be laid in the early years. Coupled with the knowledge and assistance of veteran coach Mr Mark Colsey, the Middle Years Program has made a huge developmental leap forward, which in turn will have a flow on effect in the Senior Years Program in years to come.

Unfortunately, the opportunity for the 1st VI to compete in the Australian Volleyball School Cup on the Gold Coast was cancelled last minute due to COVID-19 border restrictions. A disappointing end to the year given all the hard work the boys put in, but a golden opportunity to continue building and developing skills in the lead-up to a big 2022.

Volleyball has never looked better at St Peter's College and is heading in a positive direction next year and beyond. I look forward to seeing the continued development of the students on and off the court next year. I would like to take the opportunity to acknowledge and thank all of the coaches and team managers for their commitment and hard work throughout 2021. The program would not be as successful or enjoyable without your efforts.

- Volleyball Captain: Wilbur Glaetzer
- Volleyball Vice Captain: Guy Dello-lacovo
- Captain of 1st VI: Finn Stentiford (Year 11)

## Summer 2020/2021 Awards

- Finn Stentiford - Most Outstanding Volleyballer (1st VI)
- Christian Bizot (Year 11) and Will Lehmann (Year 11) - Most Valuable Player (2nd VI)
- Daniel Feng (Year 12) - Best Team Man (Open B2)
- Jason Dang (Year 8) - Most Valuable Player (Middle A2)
- Reuben Foster (Year 8) - Most Valuable Player (Middle B1)
- Aidan Du (Year 8) - Most Improved Junior (Middle B2)

Mr Michael Cuevas  
Coordinator of Volleyball

# Water Polo

Water Polo at SPSC continues to flourish with 120 boys participating in the sport in 2021 and 10 teams representing the School on a weekly basis.

The Middle B and Middle A2 teams comprising mainly Years 7 and 8 students demonstrated a genuine love of the game and were keen to play. They rapidly developed their skills under the expert guidance of coaches Graeme Litster in Term 1 and Thomas Mestrov (Year 12) and Ned Gauvin (Year 12) in Term 4.

A large contingent of the Middle A Team trained with the Open A squad and played at Open A level against the strongest teams in the competition. Full credit to these boys who clearly enjoyed their involvement and have shown rapid development; six of whom gained state representation. Congratulations to Will Disney (Year 9), Michael Lazarevich (Year 9), Nicky Lockie (Year 8), Oliver Maddern (Year 8) and Jonte Reimann (Year 9).

The Open B1, B2, C1 and C2 teams wholly committed to trainings and matches throughout the season and it was pleasing to witness their growth in fitness and skill, thanks to the expert coaching of old scholars Sam Craven (FLL 2019) and William Gaertner (DAC 2020).

Our Open B team played a highly competitive Intercol match against PAC. Solid defence by Noah Pitkin (Year 12) and Ned Mintz (Year 12) created turnovers and scoring opportunities. Duc Pham (Year 11)

provided a sturdy target at centre forward whilst Jasper Burns (Year 12), Aiden Juma (Year 11) and Harry Mintz (Year 12) tested the PAC keeper with strong shots. Harvey George (Year 10) made some excellent saves in goal. The final score was 2-5 to PAC. The team can be proud of the resilience shown, and each young man represented SPSC well.

The 11th Open A1 Water Polo Intercol lived up to expectations with an intensive, high-level performance. At half time the scores were PAC 9 - SPSC 8. Both teams played to an exceptionally high standard with disciplined offensive and defensive structures. In attack, Dougie Scott Young (Year 12), Alexander Harrington (Year 11), Karim Hennes (Year 11) and Tom Mestrov (Year 12) were creating opportunities and scoring. At both ends of the field, Captain Ned Gauvin (Year 12) and Daniel Spiby (Year 10) were exceptional, whilst in defense Rory Lethbridge (Year 11) was able to contain PAC's best player. However, true to Intercol form, the tussle reached near fever pitch intensity with both teams scoring three goals and PAC taking a 12-11 lead into the final break. Approaching 60 minutes of play, and despite fatigue starting to set in, the final quarter saw both teams giving of their best. The final score of 18-12 certainly does not reflect the standard of the match and all SPSC boys should reflect positively on just how far they and their team have come and how proud the coaches and the School are of them.

The results for the year are shown below.

## Achievements

- Best First Year Player – Daniel Spiby (Year 10)
- Best Defensive Player – Rory Lethbridge (Year 11)
- Outstanding Service and Ability – Ned Gauvin (Year 12)
- Best Offensive Player – Dougie Scott-Young (Year 12)
- Best Player in the 1st Team – Fred Potter (Year 12)

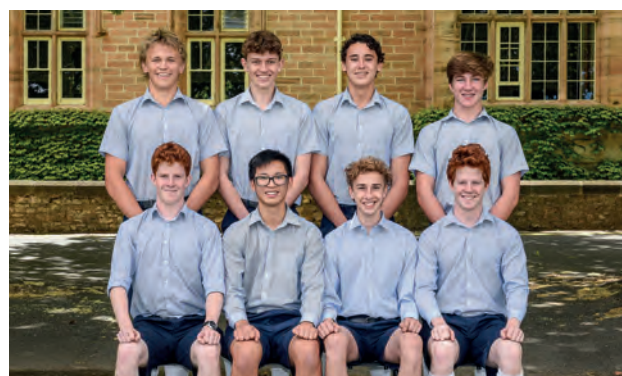

Mr Paul Hadfield  
Coordinator of Water Polo

**1** Henry Miller (Year 11). **2** Ned Gauvin (Year 12).  
**3** Karim Hennes (Year 11) and Daniel Spiby (Year 10).

### Water Polo Open A1

**Back row:** Daniel Spiby, Alexander Harrington, Hamish Scott-Young, Rory Lethbridge, Karim Hennes, Will Begg  
**Front row:** Seb Lockie, Dougie Scott-Young, Fred Potter, Ned Gauvin, Thomas Mestrov, Lucas Langley

### Water Polo Open A2

**Back row:** Harvey George, Jett Emery, Henry Stewart-Rattray, Henry Miller  
**Front row:** Ned Mintz, Duc Pham, Aiden Juma, Harry Mintz

## Ms Dorina Bonifacio

Ms Dorina Bonifacio began her St Peter's College career in February 2001, assisting in the Art Program. The ELC soon became the beneficiary of Dorina's creative and caring nature. Dorina's creativity, combined with her passion for collecting weird and wonderful objects, has seen countless unique learning environments designed for our ELC students over the past 20 years.

'One man's trash is another man's treasure' was evident throughout the Centre with old compact discs collected and artfully displayed in the window to catch the sun and create rainbows that danced around the room igniting a love for learning in the boys. Old hub caps and a car bumper sparked curiosity in the boys' learning as did the examination of a dead fish skeleton when learning about sea creatures.

Dorina may be an expert forager, but she is also endlessly giving. She gave freely of her time, whether netting the peach tree in the ELC over summer holidays, collecting unusual gumnuts for the boys to feature in their clay works or meeting with parents to discuss their son's progress, Dorina was very generous with her time.

A recipient of the School's Travel Scholarship Program, Dorina was provided the opportunity to travel to Italy for an in-depth study of the Reggio Emilia Educational Program. She brought back the gift of caring for families. No matter what transpired throughout the day, Dorina was always there to greet the families at the end of the day, to listen to them, and genuinely care about them. She sees how truly precious each and every child is.

Well after the pinecones and shark's teeth have disappeared, the threads of Dorina's kindness and generosity of spirit will ensure she is held tight in the memory of many old scholars, families and colleagues.

Mrs Holly Baulderstone  
Head of Early Years

## Mrs Susie Brooke-Smith

Mrs Susie Brooke-Smith began teaching at St Peter's College in 1999 as a temporary relief teacher and was soon tasked with teaching Religious and Values Education. Susie was committed to making the curriculum interesting to capture the minds of the students in her care.

Susie brought carpentry to her classroom, connecting boys with Jesus' childhood experiences. She loved discussing the topic of what makes a good life through the lens of Dr Seuss's books. She also was able to draw comparisons between JK Rowling's world of 'Harry Potter' and world religions to spark deep conversation between students.

Drawing on the work of theologian Dr Peter Vardy, Susie was instrumental in writing the Junior School RAVE curriculum, which she taught. She focussed on philosophy, values and ethics, silence and stillness, world religions and religious texts through her teaching.

Having taken leave in 2021, Susie will continue to pursue other interests. I thank her for her commitment to St Peter's College over the years and wish her all the best in the next chapter of her life.

Mrs Jasmine Taylor  
Head of Junior School

## Mr Travis Burridge

Mr Travis Burridge commenced at St Peter's College in 2010, initially teaching in Years 1 and 2 and serving as Year 1 and 2 Coordinator before moving into the Health and Physical Education Team. Travis also worked with boys in the Early Learning Centre and Reception supporting their gross motor development.

Although an avid netballer outside of school, Travis coached Year 4 Cricket, Year 4 Basketball and Year 6 Volleyball to support the Junior School co-curricular sports program.

As Head of Alliston-Jones House, Travis promoted positive team spirit through his leadership at all House meetings and events. A notable mention must be made regarding his ability to conduct a choir. At the 2021 House Singing event, boys in Alliston-Jones House performed Madonna's 'Vogue' along with Lady Gaga's 'Born this Way' with seamless choreography, thanks to Travis' input.

Most recently Travis returned to homeroom teaching in Year 3 where he demonstrated an exceptional ability to build relationships with the students in his care. Travis supported and celebrated all students' progress in both their academic and social emotional development.

His ability to fill a room with laughter and fun will be missed by students and colleagues alike. I thank Travis for his contribution to the St Peter's College through his many roles.

I congratulate him on his promotion to Deputy Head – Pastoral at Trinity College, North Campus and wish him all the best in his onward career journey.

Mrs Jasmine Taylor  
Head of Junior School

# Staff Valete

## Ms Vanessa Charter

Vanessa worked as a registered nurse in the Health Centre at St Peter's College for over five years before leaving to return to her love of paediatric nursing at the Women's & Children's Hospital.

Vanessa came to us from St Peter's Girls' School, where she had worked as their school nurse. She brought with her a wealth of knowledge of school nursing which was a great advantage for our Health Centre.

Ness, as she was affectionately known, was of great support to the school doctor and nurses and loved caring for all the students.

She was a valuable member of the Health Centre, always smiling and positive. She built great rapport with the boarders and Boarding House staff and was well respected by the staff, parents and boys across the School.

Ness was a true professional and we wish her well in the next chapter of her nursing career.

Mrs Glenda Wilson  
Health Centre Manager

## Mr Adam Clutton

Mr Adam Clutton commenced at St Peter's College in 2010 as a Homeroom Teacher.

His contributions reach beyond his classroom teaching, coaching Cricket and Football teams in both the Junior and Senior schools.

He was also one of the first to volunteer to mentor student teachers in his classroom and can be proud of the graduate teachers who have modelled their practice on his as they launched their teaching careers.

Adam most recently taught Year 6, and was the Year 6 Coordinator and a valuable member of the Junior School's middle leadership team. Both knowledgeable and dependable, colleagues enjoyed having Adam on their team.

Head of Clayton-Dyer House, Adam encouraged maximum student participation in all aspects of school life.

He rediscovered his passion for Outdoor Education in 2021, attending St Peter's College camps and ventures with students in Years 3 through to Year 10.

Adam will be missed by students, staff and parents. I wish him all the best and hope that our students will continue to benefit from his involvement in Junior School camps and ventures in the future.

Mrs Jasmine Taylor  
Head of Junior School

## Ms Louise Day

Ms Louise Day commenced at St Peter's College as a Diverse Learning Needs Coordinator and Teacher in 2012. In her role, she was involved in planning, supporting and implementing individual learning plans across the Junior School.

A promoter of differentiation and inclusion, Louise's insight into accommodations and modifications that could be employed to support students regardless of their starting point was valued by students, parents and staff alike.

Louise ran Mind Lab as a co-curricular activity and accompanied boys to compete at interschool tournaments over the years. I would personally like to thank Louise for teaching me the four Olympic games so that I could run sessions for the Years 1 and 2 students in 2021.

Louise is incredibly passionate about boys' education and promoting a positive image of masculinity within the community.

After nine years of service to the School, Louise has decided to pursue other teaching opportunities and I wish her all the best as she does so.

Mrs Jasmine Taylor  
Head of Junior School

## Miss Kylie Flanagan

Miss Kylie Flanagan joined St Peters College in 2004 as a member of the Senior School teaching staff. In her nearly 18 years of service to the School, Kylie engaged students in both Geography and History and participated in all aspects of life at St Peter's College.

Kylie not only taught Geography, she lived it, and brought a wealth of knowledge and information from her numerous adventures around the world. As an avid traveller visiting geographically diverse locations from Argentina to Mexico and beyond, she was able to inspire her students in her passionate belief of the practical importance of Geography. She added cultural awareness and depth of understanding to the students on a daily basis. Furthermore, her passion and experience helped her skilfully lead the Geography Program as Subject Coordinator. Her commitment to the subject was also reflected in her participation with the SACE Board.

As a mentor, Kylie supported the students in Hawkes House. She joined the House from her arrival and from that time on was an integral part. Kylie was an excellent and reassuring mentor who could establish strong, positive connections and relationships with the students. During House events Kylie was highly involved in many activities; she could be found masterfully manning the barbecue at Athletics Carnival (even after burning her hand half-way through lunch) and could be found enthusiastically cheering Hawkes House in the various Athletics, Swimming or Music events.

Kylie was involved in every aspect of the busy St Peters College community. She could be found dedicating her afternoons to coaching school Water Polo teams and supporting them during the Friday afterschool competitions. Her dedication to student wellbeing was always at the forefront of her role here at the School.

Not only did she develop strong relationships with her students, Kylie also fostered a sense of community with fellow staff and was generous with her time and encouragement. She always made herself free to have a 'chin wag' to support colleagues both academically and emotionally. She was willing to share resources and her vast subject knowledge and experience with any staff member in need.

Kylie is known for her humour, strength of character and straight forward disposition. She is an exceptional teacher and will be sorely missed by staff and students alike. We wish her every success in her move to Ivanhoe Girls Grammar in Melbourne.

**Ms Ana Christensen**  
Head of Humanities

## Mr Michael Gilmore

April 2022 sees the conclusion of the extraordinary teaching career of Michael Gilmore at St Peter's College. Michael Gilmore, MSG, joined the School at the commencement of the 1985 school year. He was appointed to teach in Palm House which, at the time consisted of four classes: Grades 1 to 4. Michael taught the Year 4 class. He was the first male 'mistress' in Palm House and fascinatingly, his reports were printed with the title, Form Mistress Grade 4. Among his many duties were teaching Physical Education to the Grade 1 class and setting the fires before school during winter. It was during this time that Michael was first appointed as Rowing Master for one year and was known to the senior rowers as 'The man from Kindy land'.

In addition to Rowing, Michael ran the photography club in the Preparatory School as a co-curricular activity. This was the era of real celluloid film and using chemicals to develop the photos. Pin hole cameras were made from items such as Milo cans to take the photos.

In 1988 it was decided that Michael would lead the Preparatory School Boarding House in the near future and consequently, he moved from Palm House to the Preparatory School to take a Year 6 class. Michael had expressed an interest to teach overseas and Dr Shinkfield determined that Michael should get this experience before he commenced in boarding. Mid way through 1989, Michael and his wife, Shauna, along with their three children all aged under four, left for the UK to teach at The Bedford School for a year. Michael's role at The Bedford School was to teach middle school Geography and coach in the Rowing Program.

# Staff Valete

Upon his return to SPSC he taught a Year 5 class and moved into the Preparatory School Boarding House at the start of 1991, taking over from long time Housemaster Barry Morrison. In 1991 Michael also inherited the role of Preparatory School Chess Master from Barry. All boys in Year 5 were formally taught how to play Chess and competed in interschool competitions on Friday evenings run in the Preparatory School Library.

During his time in the Preparatory School, Michael regularly teamed up with Brymore Martin and Peter Smith to take the Grade 5 boys on their annual camp to Geralka in the Southern Flinders Ranges. These camps were always great fun for all involved with the boys in tents and the masters in luxury caravans.

At the end of 1994, there was a sudden change of direction for Michael, when the mantle of Rowing Master again fell into his remit. Additionally, and as a sign of the high regard in which he was held, the Headmaster, Richard Burchnall, decided to move Michael from the Preparatory School to teach in the Senior School, leave the Preparatory Boarding House and join one of the two Senior Boarding Houses, Wyatt & Allen, as an Assistant Housemaster. Michael and his family moved residence from the Prep Boarding House to one of the Palm Place cottages with this change. Boarding duty and the Rowing Program resulted in very long days because the senior rowers trained at Snowden's Beach at Port Adelaide. To keep him extra busy during winter, Michael was also appointed as co-ordinator of Chess in the Senior School. It was a bit of a relief when in 1996 David Bishop was appointed as the new Master-in-Charge of Rowing and Michael could just focus on coaching.

At the end of the 1995 School year, Michael Muecke retired as Housemaster of Wyatt & Allen House, and Michael was appointed his successor. Along with Housekeeper Gail Dalwood, Michael led the House meticulously with good programs and structures that kept the boys active and engaged. With declining numbers in boarding, the School decided to amalgamate the two boarding houses, School House and Wyatt & Allen House. Significant building and renovations took place in Wyatt & Allen to accommodate the merged Houses, including the purpose-built Year 12 wing which set new standards in boarding facilities, the Supper Room, staff residence and basketball court, all of

which Michael oversaw. As Head of the new House, Michael's job was to bring together the two very different boarding house cultures and form a new House called School & Allen, commencing in 2003. With this change, Michael instituted a stronger pastoral care program that saw more teaching staff join the House as Mentors, and many inter Mentor competitions and activities being instituted, many of which are still running today.

During his time in the Boarding House, Michael helped with the development of boarding associations both in SA and nationally. He was for a time, Chair of SPCTA, Chair of Boarding SA, President of the Senior Common Room and involved in the early days of Yalari. In 2007, Michael accompanied a group of boys on the tall ship, 'The One & All', sailing from Adelaide to Sydney for a planned display in Sydney Harbour for the APEC Conference.

At the end of 2011, Michael moved on from boarding after 21 years of service. In 2012, he was appointed Year 8 Coordinator, responsible for the transition and integration of all boys as they commenced in the Senior School. The Pentreath Building was refurbished and in 2016 the Years 7 and 8 boys moved in under Michael's watch. During this period, Michael was Acting Assistant to the Head of Senior School, on two occasions.

Michael's other co-curricular responsibilities have included Senior School Exploration Society, Senior School Chess and Senior School Cross Country, revealing the richness of Michael's involvement and his range of talents and interests while at St Peter's College. Michael's appetite for history and incomparable knowledge on the School's history, saw him lead frequent old scholar tours of the campus where he would inform and regale them with stories of the School.

A regular spectator at school sporting events, Michael was often seen travelling around the School by bike to ensure he would get to all activities. He was renowned for his vocal support of teams and individuals, with his legendary and effortless hollering of 'Come on, blue!' being heard in neighbouring suburbs.

On the academic front in the Senior School, Michael mainly taught in the Humanities. He taught History to Years 8 to 10 students, Geography to Years 8 to 10, RAVE to Years 8 to 11, Science to Years 8 and 9, Classics to Years 8 and 9, Personal Development

to Year 8 and Drama to Years 8 and 9. Michael's teaching style was valued by his students due to his piquant delivery, application of numerous visual resources, use of anecdotes in his narratives, great story telling based around 'I can remember when... ' and his jocularly. In many ways, he entertained the students while imparting valuable academic and life lessons.

Michael was also one of the first teachers 'lured' into teaching the new SACE compulsory subjects, Stage 1 Personal Learning Plan and Stage 2 Research Project. He took to these subjects enthusiastically. Michael's Research Project classes achieved numerous outstanding results and merits, a testimony to his ability to motivate and engage with the boys in a challenging subject.

A much admired and valued colleague who could always be relied on to provide a humorous perspective on any situation, Michael has a unique ability that endears him to all. He will be greatly missed. We thank Michael for his dedicated contributions to boarding, teaching and the School over the past 37 years – a truly remarkable achievement. We wish him and his family well for the future.

**Mr Mark Colsey**  
Head of House, School & Allen

## Mr Garry Grosvenor

Mr Garry Grosvenor was appointed as a Geography and Humanities Teacher for Years 7 to 12 in 2001, but during his time at St Peter's College his teaching responsibilities extended beyond the Humanities to Religious and Values Education for Years 7 to 11, Business Enterprise for Years 9 to 12 and aspects of the SACE and School Personal Development programs. Garry held the position of Head of Geography Studies in the Senior School for a number of years, and he was responsible for coordinating the IB Geography Program, often teaching this course concurrently with the SACE to ensure that any interested student was able to complete senior Geography studies, whatever his preferred academic approach.

The application of Garry's years of experience, coupled with his thoughtful consultative approach, greatly assisted the operation of subject and faculty matters, especially during times of pedagogical and curricular change. His abiding interest in teaching has always been directed towards the needs and engagement of the student, whether it be in academic disciplines, sport or pastoral concerns. In the classroom, his principled and positive approach has been particularly directed towards finding inspiration for those boys for whom academic pathways are challenging, a purpose often augmented by expansion of the classroom into the more conducive environment of outdoor excursions reflecting the application of education to the real world. In the co-curricular program, as both coach and coordinator in senior Hockey, Tennis and Cricket, Garry's management focus has always centred on the development of fair play and team spirit. In return for such equanimity, he has

earned the respect and support of students, coaches, colleagues and parents across all levels of the Middle and Senior years.

At the very core of who Garry is, is a heart for the welfare of others, both students and staff. When he commenced at SPSC, he was a mentor in Farr House. In 2003 he, his wife Sarah and their family moved into Athelney House to live as a Boarding House Assistant/Mentor with School & Allen. In 2007 he became the Head of Short House while remaining as a Boarding House Assistant and Counsellor. Whilst working in this role he also coordinated the Yalari Indigenous Program, a role he held until he finished working in Boarding in 2013. In 2016 Garry completed 10 years as Head of Short House and immediately became a mentor in MacDermott House, demonstrating his commitment to remain engaged with the pastoral care of our students. Garry is the very epitome of a kind, gentle soul. He is always willing to help and always striving to bring positive experiences to those who were taught by him. Calm and unflustered, no matter the situation, he brought a sense of serenity, calmness, intelligence, and common sense to every situation. And all this with a good dose of humour! Both students and staff knew that he was always there to support them with a listening ear and kind actions. His kindness extended way beyond the walls and fields of St Peter's College and his passion for helping the less fortunate has seen him travelling overseas to help rural communities and young people in need through the Christian aid organisation 'Compassion'. Garry always leads by example and is perhaps best described as 'humility in leadership'. Garry has continually inspired all those who know him to be better people.

The very essence of who Garry is comes from his deep and personal Christian faith. Over his 21 years at St Peter's College, he has been an integral part of the Christian fabric of this school. Whether it be his encouragement of students in the Student Christian Group, or staff as we pray together, or the School Chaplains through his unwavering attendance at the 8am Staff Eucharist on a Wednesday morning, Garry's wise, thoughtful and prayerful counsel has been a blessing to so many. Garry has continued his own personal study and is about to complete his Master of Arts in Theology.

We thank Garry for his significant contribution to the School and to the lives of all those who have been privileged to know him. He has been a wonderful teacher, colleague and friend. We wish both Garry and Sarah God's richest blessings as they move into the role of Lead Pastors at Southland Church in 2022.

**Rev Ben Bleby**  
Associate Chaplain

# Staff Valete

## Mr Jason Haseldine

Mr Jason Haseldine commenced at St Peter's College in 1998 as a young impressionable Accountant working under the then Business Director Paul Fielding (W&A 1965). He held the role for two years before resigning to further his experience in a Chief Financial Officer role for Education.au. Returning in 2008 as the Business Director, Jason has been responsible for the management of the School's finances and investments for the past 16 years. His position evolved into the Director of Finance and Administration and Jason has been instrumental in the transformation of the School's operations and in overseeing major capital projects.

Countless numbers of projects and initiatives have been undertaken by the School thanks to Jason's innovation, creativity, and drive. Rather than question 'why?', Jason would ask 'why not?' Jason always saw the potential and the endless possibilities. He was instrumental in the development of the School's Building Master Plan in 2012 and key capital works projects completed in his tenure include the \$15M redevelopment of the Junior School in 2009, \$2.5M extension of the Early Learning Centre, \$2.8M New Palm House extension, \$1.8M upgrade to the Hill Wing for Music, the Pentreath Building \$16M upgrade and introduction of the Middle Years, the \$1.4M upgrade to Williams Sports Fields, the purchase of the Sanitarium site and various other properties around the School and most recently the revitalisation of the Big Quad heritage precinct.

On the sustainability front, Jason managed the School's geothermal exchange project, a major upgrade to the

School's irrigation and water catchment systems and the introduction of solar panels on many buildings.

On the Teaching and Learning front, Jason was involved in the expansion of the Outdoor Education and new ELC programs, the One to One Program and the School's learning, information and communication platform, Keystone.

Over the years Jason wore many operational hats overseeing marketing, development and other areas of the School. He engaged in countless reviews and tenders including catering, cleaning, banking, electricity, school photography and records management, to name a few.

All the while he has ensured sound financial practices have been adopted whilst seeking ways to maximise the financial stability of the School without impacting the value and the standards in the education provided.

One of the biggest impacts Jason had was overseeing the changes to the School's investment strategy and objectives. Working with the Finance Committee and the School's Investment Strategist, the governance structures, investment processes and arrangements were rearranged to align with best practice for large institutional investment funds. As a result, the School's investment funds have consistently performed in the top 20 per cent when compared to large Australian investment funds. Thanks to Jason's leadership, hard work and commitment, the School is now running operationally positive and investment income is used to provide better facilities and opportunities for our students.

Jason embedded himself in the culture and tradition of the School and over his tenure epitomised the School's values of truth, respect and service. He has always seen the potential in staff and always made everyone he worked with feel included, respected and supported. You could add to his Director of Finance and Administration title, the roles of change manager, careers consultant, mediator, translator, promoter, mentor and councillor. And he has gone about each of these with the utmost professionalism, loyalty and humility.

An ability to empower and inspire his team and take them on the journey is by far one of Jason's greatest strengths. He also has a customer service approach front and centre in his decision making and has been dedicated to ensuring our customers are delivered the best possible experiences.

Jason leaves the School to take up the Head of Business and Operations position at The British School in Jakarta. We congratulate him on his appointment and thank him for his support, respect, kindness and, most importantly, friendship. His legacy at SPSC will continue for years to come.

**Mr John Cosenza**  
Head of ICT

## Ms Mandy Hoeymakers

Mandy Hoeymakers commenced at St Peter's College in March 2012 as an IT Support Officer within the Keystone Support Team. Mandy's appointment coincided with the School's introduction of the one-to-one iPad/Laptop program and over the years she has played an important role in our technology journey in partnership with staff, students and parents. Mandy had also played an integral role in digitising many of the School's paper forms, improving and simplifying many processes along the way. In May 2017 Mandy was appointed as the School's IT Asset Coordinator and over the past five years she has been responsible for managing the School's software licencing and IT procurement. Mandy assisted the School in automating many procurement processes including stationery ordering, accounts payable and various other procurement processes.

Throughout her time at SPSC Mandy has been extremely versatile and has demonstrated an ability to pick up new tasks and develop new skills. After 9 years and 9 months Mandy leaves the School to pursue other interests. We thank her for her contribution to the Keystone Support Team and St Peter's College and wish her the very best for her future endeavours.

Mr John Cosenza  
Head of ICT

## Mrs Lisa Michelin

Mrs Lisa Michelin joined the staff at St Peter's College in 2003 as Personal Assistant to the Head of Junior School.

Lisa served four Heads of Junior School in her time at the School; Mr Chris Lange, Mr David McLaren, Mr David Hine and myself. In her 19 years, Lisa was responsible for calendars, communication, catering and the care of the boys.

She was a valued and vital cog in the mechanics of all Junior School events. Lisa's meticulous organisation ensured the smooth running of Years 3 to 6 Speech Days and Junior School Graduations, to name a few.

She loved being involved outside of her office duties and regularly participated in school camps and ventures, seeing her fly to Canberra and camp on the Coorong supporting students and staff.

Lisa loved a lunchtime walk and talk with colleagues, and was insightful when giving guidance about life in general.

I thank Lisa for her contribution to the life of the School and her support of me in my role. We wish her all the best for her future.

Mrs Jasmine Taylor  
Head of Junior School

## Ms Jill Page

After 23 years serving as the Music Administration Assistant in the Senior School, we farewell Jill Page who resigned at the end of 2021. Jill commenced at St Peter's College on March 17, 1998 (St Patrick's Day), while Keith Wilson was Director of Music, and her very first meeting was in the Big School Room. Jill worked for four Directors of Music over her time at the School: Mr Keith Wilson, Mr Nick Mulder, Mr Doug Morgan and Mr Philip Walsh.

Jill was an active participant in the Music Department attending many school concerts in her time as Music Administration Assistant. Jill also participated in Associated Head of Music In Non-Government Schools each year, bringing back much lively discussion in regard to operations within Music departments.

Jill witnessed significant change in the Music Department, particularly within the last five years. When Jill first started, Music classes took place in Old School House, with many ensemble rehearsals scattered around Old School House, Big School Room and Memorial Hall. Jill was a significant contributor in the transition of the Senior School Music Department to the Hill Wing Music Centre, where the department is situated today. The renovated Hill Wing allowed for a Music hub within the School, and Jill played an important role in setting up and establishing ensemble schedules and instrumental lessons in the new building.

Jill will be missed for her extensive experience in the Senior School Music Department, having been a great contributor to the development and growth of our students in Music through her role. We wish her all the best as she moves on from St Peter's College, and we thank her for the many years of loyal service to the students, parents, and staff.

Mr Brad Turner  
Acting Director of Music

# Staff Valete

## Mr Raymond Pearson

Mr Ray Pearson commenced as Director of Boarding, International & Indigenous Programs at St Peter's College in 2017. Ray had an extraordinary impact on the School and, in particular, the boarding community during his time in the role. Over the past five years, the Boarding House has experienced significant growth and renewal through a strategy focused primarily upon engagement, reinforcement of values and professionalism. Under Ray's stewardship the Boarding House thrived. Ray instigated a renewal of programs, seeing the adoption of National Boarding Standards, improved communication between the School and home, along with wider integration of our Boarding Program throughout the day school.

Ray's leadership throughout the COVID-19 pandemic was exemplary. Additionally, Ray brought strategy and oversight to our International and Indigenous Education Programs.

As a member of the Senior School Leadership Team, Ray is highly regarded for his warmth, compassion and collaborative approach. With this approach at the fore, Ray was instrumental in the introduction of Sony Camp, a unique respite program that sees SPSC students care for children living with disability at the School for a weekend each year.

Ray will be greatly missed by our boarders, their parents, staff and students at the School and we wish him, and his young family, well as he embarks on a new journey as Deputy Principal of The Armidale School in New South Wales.

Mr Tim Browning  
Headmaster

## Mr Glyn Roberts

Throughout his seven-year tenure at St Peter's College, Mr Glyn Roberts demonstrated outstanding leadership and guidance within the English Faculty. Leading with kindness, humour and expertise, he made a lasting impact on the lives of many students and staff. Glyn's colleagues speak fondly of him as a valued source of wisdom and advice.

Glyn orchestrated the restructuring of our Curriculum, both in the Middle and Senior Years. He oversaw many significant changes in syllabus and staff throughout his time at the School. He managed the development of new resources for both the IB and SACE courses and continually encouraged the upskilling of his staff. More recently, Glyn was fundamental to the process of migrating units of work from EduPlanet to ManageBac.

Ever industrious, Glyn acquired his Masters in Education and Theology whilst employed at the School. This reflected positively on his attitude, love of learning and level of professionalism.

An invaluable member of the English Faculty, Glyn will be sorely missed. We wish him the very best in his future leadership aspirations, as he embarks on a new journey as the Principal of Endeavour College at Mawson Lakes.

Ms Margaret Reid  
Acting Head of English

## Mrs Emily Rogers

Mrs Emily Rogers joined St Peter's College in 1998 as a Reception Teacher. Over the next 24 years she held the positions of Reception, Years 1 and 3 classroom teacher, along with the role of Year 1, Year 2 and Year 3, Year Level Coordinator.

A dedicated and exceptional teacher, Emily embraced life at St Peter's College on every level. Her commitment to the boys, their families and the wider community has been outstanding and greatly appreciated by all. She was much adored by her students who thrived on her creativity and her integrated, rich, and engaging curriculum. She created an environment that promoted a love of life, learning and wonder.

Emily excelled at making learning for students exciting and meaningful. Her classroom was a sea of glitter and colour. There were STEM activities and Science experiments galore. Gingerbread houses and cooking extravaganzas were a regular event in Emily's classroom. She was determined to provide real-life learning experiences for her students, taking their learning into the community with excursions to the Botanical Gardens, castles in the Adelaide Hills, and the Royal Adelaide Show, just to name a few. Emily was instrumental in the production of some of the most stunning nativity performances seen at SPSC. She gave every Junior Primary student the opportunity to shine through dance, singing and acting, never underestimating the potential of a young boy. Emily's passion and exceptional talent for photography ensured many magical moments, and the extraordinary in the everydayness of school life were captured and cherished.

Emily seized every opportunity to continue her professional learning journey. She did not hesitate to embrace new pedagogical practises and work collaboratively with others to ensure she was making significant contributions to our community of learning. Emily completed a Graduate Certificate in Positive Education and was a leader in the implementation of a linguistics approach to Literacy across the Junior School.

On behalf of the St Peter's College community, I want to thank Emily for her dedication and commitment to our community. We wish Emily all the very best as she takes on her new role as Assistant Head of the Junior School at Seymour College.

Many wonderful memories of her time here will be forever etched in the walls and fields of St Peter's College.

**Ms Joanna Tierney**  
Year 1 Coordinator

## Mrs Ceri Slinger

Mrs Ceri Slinger joined St Peter's College in 2009 as a mid-year Reception teacher.

Ceri taught in Years 3 and 4 and was Year Level Coordinator from 2014 to 2016, before being appointed as Head of Junior Years - Learning and Teaching in 2016. In her role as Head of Junior Years - Learning and Teaching, Ceri was instrumental in implementing the Big Write into the Junior School's teaching practice. She worked with teams across the Junior School to support curriculum planning, documentation and delivery. She was a trusted member of the Junior School Leadership Team and was valued for her integrity, knowledge and good humour.

Appointed Head of Stokes-Ware House from 2012 until 2015, Ceri led the boys in House activities and competitions with enthusiasm and kindness.

Ceri ran a before-school Gardening Club attended by both students and parents. Succulents, herbs, vegetables and flowers would be harvested, shared and sold at the small Junior School Reception stall, thanks to her and her loyal gardeners, with funds raised donated to charity. She also supported the co-curricular program, managing Soccer and Basketball teams over the years.

I thank Ceri for her many contributions to St Peter's College and wish her every success in her new teaching role at Westminster School.

**Mrs Jasmine Taylor**  
Head of Junior School

# Staff Valete

## Mr Philip Walsh

Mr Philip Walsh commenced as Director of Music at St Peter's College in 2017 and has had an extraordinary impact on St Peter's College and, in particular, our Music program in this role. Over the past five years, our Music program has expanded significantly with participation figures now double what they were in 2017. Philip has recruited a talented group of staff that has focused primarily upon student engagement and professionalism. The exceptionally high standards and frequent accomplishments recorded across our extensive Music program are a testament to not only our students, but to Philip and his team.

Philip's leadership throughout the COVID-19 pandemic was outstanding. Rather than simply cancel Music programs that could not be delivered face to face, Philip and his team reinvented the program by sending students a digital recording device to record their individual recital. These recitals were then professionally mixed by a sound engineer to form ensemble performances that were distributed electronically throughout our community and were thoroughly enjoyed by all.

Philip's passion and creativity will be greatly missed by all staff and students, and in particular our Music students. We wish him well as he embarks on a new journey as Head of Music at Wesley College in Melbourne.

Mr Tim Browning  
Headmaster

## Mrs Em Wilson

Mrs Em Wilson was initially employed at St Peter's College on a temporary contract in 1998, teaching Year 7 students in Term 3. Following this, Em carried out a variety of contracts leading to permanent employment. She taught Junior Primary Religious and Values Education, Learning Support, English as an Additional Language or Dialect, and most recently was part of the Diverse Learning Needs teaching team supporting boys in Years 3 to 6.

Em contributed to the co-curricular program as a Cricket Team Manager, a T Ball Coach and Manager and Coordinator of Year 5 Debating.

A valued member of the Junior School Reconciliation Committee from 2017, our Junior School Captains over the past few years have Em to thank for preparing them to acknowledge country so confidently at the start of our Junior School assemblies and other special events.

Em was also a representative of the Work Health and Safety Committee from 2014, a Junior School Social Committee member, contributing beyond the classroom to the health and wellbeing of her colleagues.

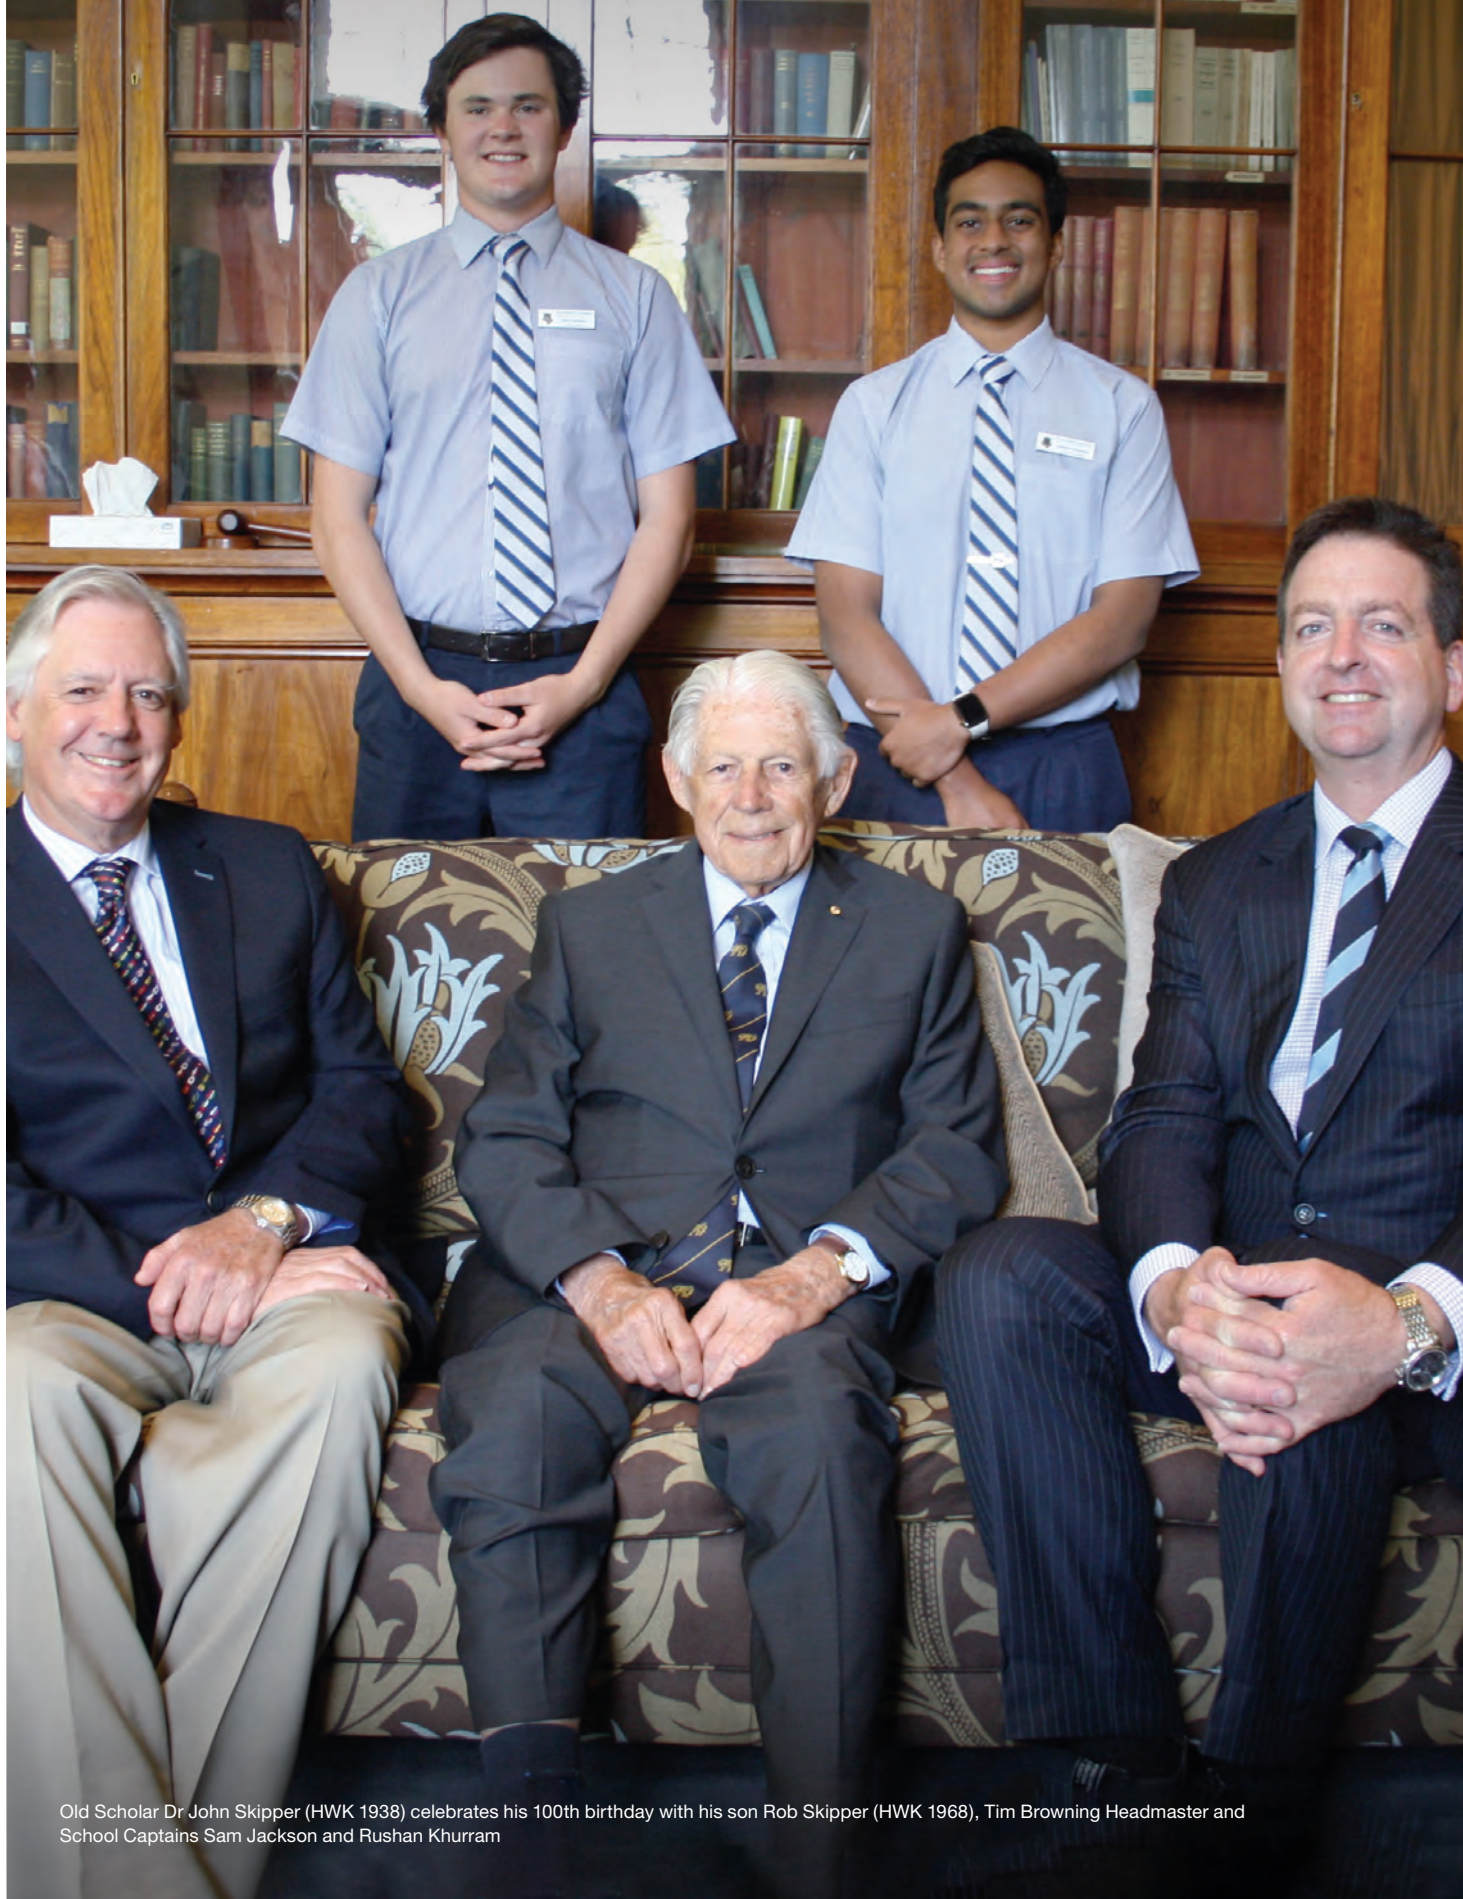

A highly knowledgeable practitioner, Em's input into Literacy Committee discussions in 2019 and 2020 was greatly appreciated.

I thank Em for her many contributions to St Peter's College over the years of her service and wish her all the best as she moves into a new chapter.

Mrs Jasmine Taylor  
Head of Junior School

# Old Scholars

Old Scholar Dr John Skipper (HWK 1938) celebrates his 100th birthday with his son Rob Skipper (HWK 1968), Tim Browning Headmaster and School Captains Sam Jackson and Rushan Khurram

# SPOC Events and Reunions

In 2021, St Peter's Old Collegians' Association organised an exciting program of reunions and events to encourage old scholars to stay connected with the School and each other.

In February, we welcomed back the Class of 2016 to celebrate their five year reunion. 2016 leavers enjoyed a tour of the School followed by a cocktail reception at the National Wine Centre.

Old scholars were joined by Tim Browning, Headmaster at the March Quarterly Luncheon hosted at the Kentish Hotel. The SPOC CBD Lunches in May and November also provided great networking opportunities for old scholars in a relaxed atmosphere.

The 13th annual Fleurieu Luncheon was held at Serafino Wines in May. Old scholars and their partners enjoyed fine food and wine, and heard from the Headmaster about the latest advancements at St Peter's College.

In July, the classes of 2010 and 2011 were hosted for a combined 10 year reunion at the School. Both cohorts celebrated together with a tour, drinks in Da Costa Dining Hall followed by the Old Scholars' Annual Dinner.

The SPSC old scholar community came together in Memorial Hall for the 2021 Old Scholars' Annual Dinner in July. Don Sarah AM (DAC 1954) was awarded the Collegians' Award for his outstanding and meritorious service to St Peter's College over many years.

2021 marked the 150th anniversary of the first Intercollegiate Football match played between St Peter's College and Prince Alfred College. Past and current 1st XVIII players came together in Da Costa Dining Hall on the eve of the sesquicentennial Football

Intercol to celebrate the milestone. Dr Peter Harbison (HWK 1946) generously donated his 1946 Opie Medal to the School's archive collection on the night.

The 32nd Old Blues Luncheon in October welcomed old scholars aged sixty and over and their partners back to St Peter's College. Guests were entertained with a tour of the School, a School archive display, and a wonderful musical performance by some very talented students.

We look forward to providing further opportunities for old scholars to reconnect in 2022. To keep up to date with SPOC events, visit [spoc.net.au](http://spoc.net.au)

Mrs Annie Bawden  
SPOC Events and Administration Manager

**1** SPOC Chairman Oliver Sheahan (HWK 2007), Past Chairman Jonathan Bowden (YNG 2003) and Committee Member Kristian Livolsi (MAC 1994) at the May CBD Lunch. **2** Felix Packer (Year 12), Dr Peter Harbison (HWK 1946), Matthew Roberts (Year 12) and Morgan Ferres (Year 12) at the celebration for the 150th anniversary of the first Football Intercol. **3** 2016 School leavers reconnecting at their five year reunion. **4** Don Sarah AM (DAC 1954) pictured with Oren Klemich (DAC 1978) was awarded the Collegians' Award at the 2021 Old Scholars' Annual Dinner. **5** The Class of 2016 celebrated their five year reunion in February. **6** 2021 Old Scholars' Annual Dinner. **7** The 13th annual Fleurieu Luncheon in May. **8** The Class of 2010 celebrating their 10 year reunion in July. **9** Tim Browning, Headmaster joined old scholars at the Quarterly Lunch in March. **10** The Old Blues Luncheon Committee. **11** 10 year reunion for 2011 leavers.

# SPOC Sport

SPOC sporting clubs offer sporting and recreational opportunities for old scholars, and provide participants with a connection to the School and the old scholar community. There are 10 official SPOC sporting clubs, including Athletics, Badminton, Basketball, Cricket, Football, Hockey, Soccer, Tennis, Water Polo and the Blackmore Club who support rowing at St Peter's College.

2021 provided plenty of sporting highlights and a strong sense of community spirit. SPOC Cricket Club's B Grade celebrated their first B1 premiership in 22 years and

SPOC Football Club's D Grade became the 2021 Adelaide Footy League Division C8 Premiers defeating old rivals, Prince Alfred Old Collegians by 72 points in the Grand Final in September.

In addition to the opportunities offered by SPOC sporting clubs, St Peter's Old Collegians organise many intercollegiate activities with Prince Alfred Old Collegians throughout the year. Annual old scholar Intercols include Lawn Bowls, Tennis, Cricket, Golf, Football, Snooker, Bridge, Badminton, Chess, Basketball, Hockey, Squash and Water Polo.

To learn more about joining a SPOC sporting club or participating in old scholar intercol events, visit [spoc.net.au](http://spoc.net.au)

Mrs Annie Bawden  
SPOC Events and Administration Manager

**1** SPOC Football Club D Grade – 2021 C8 Premiers. **2** SPOC Cricket Club B Grade – 2021 B1 Premiers. **3** SPOC won the inaugural Old Scholars Intercol Water Polo match in November. **4** SPOC and PAOC players enjoyed the friendly rivalry at the annual Intercol Bowls match in February **5** The winning SPOC B team at the Old Scholars Intercol Basketball. **6** The SPOC Intercol Tennis team. **7** SPOC defeated the Old Reds at the Intercol Cricket match in February.

# Foundation

# Giving Day

On Thursday 17 June, St Peter's College held its inaugural Giving Day. Due to the overwhelming support of the entire St Peter's College community on this day, the 175-Year Anniversary Scholarship was established.

Benefaction has played an enormous part in developing and sustaining the School since 1847 and Giving Day marked an important turning point in the School's philanthropic journey; a day in which the collective support of the community saw record funds raised to provide talented and promising students, regardless of circumstance or background, the opportunity to access a St Peter's College education.

On Giving Day, all donations were doubled by our generous lead donors. Over 700 plus members of our community donated to help those less fortunate, from our most senior donor, Dr John Skipper AM (HWK 1938) who turned 100 this year, to our youngest donor, a Year 1 student.

Through the support of our community, we exceeded our target of \$750,000, raising in excess of \$840,000 to enable more students to benefit from the exceptional academic, co-curricular and service learning opportunities on offer at St Peter's College.

Since 1869, scholarships have added depth and value to our community and have changed the course of many lives. In response to Giving Day, members of our community shared inspiring stories about the life changing impact of a St Peter's College scholarship. From the Maddern family for whom an Entrance Scholarship, awarded in 1908, changed the trajectory of five generations of their family, to The Hon Bruce DeBelle AO, QC (SHT 1956) and The Hon David Bleby QC (DAC 1958) who simply would not have been able to attend St Peter's College without a scholarship. Their stories have been inspirational in our quest to create further scholarship opportunities.

Thank you to our community of old scholars, parents, both past and present, staff, students, and the wider community for supporting this important endeavour and for making a positive difference to future generations.

Mrs Beck Healy  
Development Manager

**1** Ryan Weinert (Year 6), Felix Packer (Year 12) and Caleb Scott (Year 6) thank our donors. **2** Scholarship recipients Thomas Byun (Year 12) and the Hon Bruce DeBelle AO, QC (SHT 1956).

# Mission Guild

Anglican values remain a constant fabric of school life, with all activities focused upon the pursuit of truth, respect and service.

These values are echoed by members of our community including members of the Mission Guild who, each year, raise much needed funds for Anglican Charities and provide service learning opportunities for our students.

In 2021, members of the Mission Guild raised over \$40,000 through the Mission Guild Recycled Uniform Shop and Pop-Up Stalls in the Junior School, the annual High Tea at the Stamford Grand, a coffee stall at Community Day and the sale of goods during the Grease musical intervals.

The Mission Guild also facilitated and supported service learning within the School with students given the opportunity to prepare and serve meals for the homeless at the Magdalene Centre. The opportunity for students to listen and hear the stories of those facing adversity and marginalisation and know they are making a

difference was wonderful to witness. Students and their families also contributed to the Youth Hamper and Christmas Hamper appeals among a number of other initiatives.

As the School grows and extends its Service Learning Program, we are thankful to our community, including members of the Mission Guild, for visibly demonstrating the impact of service at the School.

Mrs Beck Healy  
Development Manager

**1** Guests attend the annual Mission Guild High Tea in June. **2** Mission Guild Recycled Uniform Shop. **3** Students preparing meals at the Magdalene Centre.

# Junior and Senior School Friends of Saints

The Junior and Senior School Friends of Saints exist to foster fellowship and connections between parents, guardians and staff whilst enriching the experiences of students at the School and our community.

Run by groups of dedicated and passionate parent volunteers, the Junior and Senior Friends of Saints committees organise a range of events and activities throughout the year to foster connectedness amongst the St Peter's College community. From Bottle and Plate nights across all year levels, to coffee mornings, Father-Son camps and sausage sizzles at key school events, all activities enable parents, guardians, students and staff to share in the spirit of our exceptional community.

In the Junior School, the annual Movie Night and Fun Fair hosted by the Junior School Friends of Saints, is always a much-anticipated event on the Junior School

calendar. After the event was cancelled in 2020, it was wonderful to see over 770 members of the Junior School community come together in March. Families enjoyed rock climbing, jumping castles and activities before the showing of *The Secret Life of Pets 2* in the Burchnall Sports Centre.

The Junior School Friends of Saints Committee held sausage sizzles for students, staff and parents at the Junior School Summer House Games, Winter House Games and Years 3 to 6 Athletics Carnival and over 500 students, parents, guardians and staff came together for the Junior School Friends of Saints Breakfast on Friday 5 November.

Across campus, the Senior School Mother-Son and Father-Son breakfasts were once again a great success, as was the sausage sizzle at the Senior School Athletics Carnival; all a credit to the Senior School

Friends of Saints Committee. On Tuesday 7 December, the Committee hosted a morning tea as a way to give thanks for the dedication and commitment of all Senior School staff in 2021.

Thank you to all the Friends of Saints volunteers who dedicate many hours of service to the School each year for the benefit of our entire community.

Mrs Beck Healy  
Development Manager

**1** Emily Tsoutouras, Chair of Junior School Friends of Saints and Zsuzsa Leon at the Junior School Summer House Games. **2** Students enjoy rock climbing at the Junior School Movie Night and Fun Fair. **3** Jamie Scott-Young (DAC 1985) with sons Dougie (Year 12) and Hamish (Year 10) at the Father-Son Breakfast. **4** Tabitha Healy with sons George (Year 9) and Henry Wicks (Year 11) at the Mother-Son Breakfast.
