Acceptance of Enrolment Offer

We, the individuals named as parents/guardians on page 1 of this document, hereby jointly and severally:

1. Agree to be bound by the present and future expectation codes of the Junior School and the present and future expectation codes of the Senior School, as amended from time to time, and acknowledge and agree that our son will be bound by these codes. *(NB: The current expectation codes for the School are enclosed. Additional copies can be requested and future versions can be accessed via Keystone, the School's online communication hub or requested from Admissions.)*
2. Parents are required to provide information about the nature or existence of the child's disabilities, specific behavioural or learning needs, and be expected to take the initiative in providing this information and evidence to the School.
3. Acknowledge and agree that we are at all times jointly and severally liable to pay invoices and accounts issued by the School in respect of our son, notwithstanding the fact that the School may at our request issue invoices and accounts to third parties, or to only one of us; and,
4. Agree and consent to the teaching staff, medical and nursing staff, and all other employees and contractors of the School taking reasonable and appropriate actions in the event our son suffers from sickness or injury, or requires first aid/nursing/medical care for any reason whilst at School, including transportation to hospital. We authorise the Headmaster/Deputy Head of the Junior/Senior School/Head of Boarding (as applicable to our son) or our son's Head of House and/or Mentor or Class Teacher or Coach or School Matron (as applicable) to consent to any urgent medical treatment (including general anaesthetic) required to be administered to our son, and acknowledge that this authority will only be used if time or circumstances prevent prior contact with us as parents. We agree to be responsible for all costs associated with administering medical treatment to our son, including hospital, and agree to indemnify and hold harmless the School, against all costs, claims, actions and demands made against the School and its employees, contractors and agents as a result of the administration of treatment to our son.

AND we further agree to comply with, and otherwise be bound by, the following specific conditions of enrolment:

5. To enable the School to ensure that it has appropriate resources for its students, and all boys are suitably catered for, the School must be notified if at any time between this Acceptance of Enrolment Offer being signed and the boy's commencement as a student at the School there is a change of circumstances that may impact or have an effect on the boy's learning and schooling requirements (such as diagnoses of learning difficulties, physical impairments and similar).
6. An enrolment fee of \$1,800 (including any GST applicable), is required to secure and confirm the place offered to our son, and must accompany this signed form. The enrolment fee comprises a non-refundable payment of \$1,000 together with a payment of \$800 as a life membership subscription to the St Peter's Old Collegians. If, at the end of the first year after a boy leaves the School he decides that he does not wish to remain a member of the Association, then he can advise the Association and the subscription will be refunded to his parents.
7. All fees and charges, including any GST applicable, are due and payable to the School in accordance with the schedule of fees determined annually by the School. In the event of the applicable fees and charges not being paid by the due date for any term during the school year, interest will be charged from the due date of payment at a rate of 10% per annum calculated on a daily basis, until such time as the outstanding amount is paid in full to the School. The School will also be entitled to charge all expenses incurred in pursuing payment of any outstanding fees and charges (including collection costs and legal fees) on a full indemnity basis. In addition, the Headmaster or his representative may notify the parents at his discretion that the student will not be permitted to return to the School until such fees, charges, arrears and interest have been paid in full.
