

ST PETER'S  
COLLEGE

Dear Parents and Guardians

**Re: Confirmation**

I am writing to invite you to register your son for the Confirmation program this term.

This program is open to all Senior School students, as well as Year 6 students.

As part of the preparation, the students will be learning about Anglican identity and Sacraments.

During the service of Confirmation, the bishop blesses the student being confirmed and prays that he will receive the gift of the Holy Spirit. Confirmation is a symbol of growing in the Christian faith. It is a chance for the student being confirmed to "confirm" (recommit) themselves to the promises made at his baptism.

This year new the Assistant Bishop of Adelaide (Bishop Sophie) will confirm the students at a special service in week 10, Monday 22 September at 2.15pm in Memorial Hall.

For more information or to register your son for Confirmation, please email me at:

Yours sincerely

The Rev'd Dr Theo McCall  
**School Chaplain**
